We continued on and we arrived at Grapha, Dragon Lord of Dark World's shrine, and then, the rainbow iris of Lincoln's Third Eye glowed, and the doors opened and we entered, and we saw a massive demonic looking greatsword floating in the center and with dark light shining down on it: The Demonic Darkness Dragon Lord Greatsword of Grapha, Dragon Lord of Dark World, a powerful demonic massive greatsword with purple gems embedded in the 7'0" massive, wide, double-edged midnight black blade, large midnight black demon heads for the crossguard, large dark purple gem embedded in the rainguard, longer midnight black handle, four large demon heads and a large platinum gem on the bottom of the demon heads for the pommel.

Rarity: My word, is that…?

Lincoln: The Demonic Darkness Dragon Lord Greatsword of Grapha, Dragon Lord of Dark World,, that sure is one scary looking demonic greatsword.

Jackie Wren: You said it, and it's absolutely perfect for me.

Suddenly, we saw Ghostrick Ghoul, and with it were the six girls.

Nico: Whoa, that's Ghostrick Ghoul, and it's got the six girls.

Ghostrick Ghoul: (Arabic Accent) And away from that monster, Malcho.

Lincoln: (Gasps) That voice, Aisha Arian, I knew it was you, it's awesome to see you again, but we'll talk later, I already know that Malcho is heading right for us.

?: I will have my revenge on you all for ruining my plans to destroy the world, Team Loud Phoenix Storm!

Lincoln: Yep, there's no mistaking that voice from anywhere. Don't you know when to quit, Malcho?

We then saw our target, Malcho, the vengeful dragon and archenemy of Iago, and he was furious.

Nico: Well, look who's come crawling back from Hell to greet us.

Malcho: We'll see who'll be laughing when I finally destroy you and have my revenge on humanity!

Jackie Wren: The only one who's going to die here is you!

Jackie Wren went up and grabbed The Demonic Darkness Dragon Lord Greatsword of Grapha, Dragon Lord of Dark World. Suddenly, Jackie Wren's purple eyes turned neon purple, and she was surrounded by a black and purple energy aura with darkness, demons, dark magic, and dragons, she unholstered her massive Grapha, Dragon Lord of Dark World's Demon Greatsword of Darkness Dragon Lord Justice from her back, and as she approached Malcho, she left black and purple energy, darkness, demons, dark magic, and dragons with every step.

Jackie Wren: You really make me sick, Malcho, you became corrupted by your power to control the weather and tried to take over the world and force mankind to bow before you, and Thundra made the right choice to take your amulet and banish you forever, well, now I'm going to see to it that you are destroyed now and forever!

Suddenly, Jackie Wren was surrounded by a massive vortex of black and purple energy with dark magic and darkness surrounding the vortex, there are an army of demons, dragons, and Grapha, Dragon Lord of Dark World flying around the vortex, and in the vortex is a dark purple phoenix. Then, as the vortex faded, Jackie Wren emerged, but she was changed forever.

Jackie Wren has transformed into SUPER ANGEL-DEMON-DRAGON-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS GRAPHA DEMON DRAGON LORD DARK WORLD DEMONIC ANGEL OF DEMONIC GRAPHITE DARK WORLD JUSTICE AND DIVINE DEMON DRAGON LORD DARK WORLD LOVE!

We were amazed by Jackie Wren's Super Angel-Demon-Dragon-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Malcho saw it, he went mad and made a storm with the amulet to kill her, but Jackie Wren fired a powerful black and purple energy blast with darkness, demons, dark magic, and dragons, and it hits Malcho and not only does it knock the amulet out of his hands, but also sent him flying out of the shrine, he got up and he was extremely furious now.

Nicholette Torrington: Whoa, Jackie Wren has transformed into her Super Angel Celestial Eternal Xelnaga form, awesome!

Lincoln: You got that right, Nicholette, and now, Malcho's going to pay for everything he's done, and Jackie, you look beautiful, how do you feel?

Jackie Wren: (Divine Echoing Cosmic Voice of the Dark World Graphite Demon Dragon Lord and Divine Demon Dragon Lord Dark World Divine Love) **I feel incredible, Linky. Now, shall we put this evil dragon down for good?**

Lincoln: (Smiles) With pleasure, Jackie.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and

strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Jackie Wren.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Your days of trying to take over the world are over, Malcho, now it's time for you to die once and for all, and this time, stay dead!**

Jackie Wren and Lincoln went after Malcho, who tried to attack them with his tail and wings, but they dodged his attacks, and they fired extremely powerful blasts of rainbow energy, black and dark purple energy, dark magic, crosses, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, fairies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Succubi, Incubi, and Mermaids at Malcho and they exploded with incredible power as they hit her. Then, they also attacked him with slashes from their massive greatswords, and slashes from Lincoln's claws, and they drew more blood, and Red Dragon Archfiend, Black Rose Dragon, Stardust Dragon, and White Night Dragon also attacked Malcho, and Lincoln also cut off Malcho's tail and wings and he howled in agonizing pain.

Nico: (WINCES) Ooh, he even cut off Malcho's wings and tail!

Me: Damn, now that's got to hurt. Let's join in and kick this guy's scaly butt.

TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters and parents transformed into their Super Angel Celestial Eternal Xelnaga forms and unholstered their massive greatswords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel Eternity Infinity Celestial Lightstorm Phoenix Angel of Divine Heavenly Light and Divine Angelic Justice, Qin, Clyde and his harem, Baloo, Izuku and his friends, The Z-Fighters, Emerald Goldenbraid, Marcarita, Sasuke, Itachi, and their family, Sakura and her family, Naruto and his harem, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Sir William the Good, Lady Mary the Good, The Bakugan Battle Brawlers, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, Ravus Nox Fleuret, The SWAT Kats, my harem, and Nico's harem got out their weapons, Rayman unholstered his massive Morpheus's Celtic Dream Greatsword of Peaceful Celtic Dream Justice from his wider and muscular back and transformed into Super Angel Celestial Eternal Xelnaga Celtic Dream Glade Fairy Dragon Angel of Divine Moonlight Celtic Dream Justice and Divine Celtic Moon Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered our massive greatswords and we transformed, and we went after Malcho, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as

they hit him.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Jackie Wren, her hand-cannon Blaster is known as Grapha, Dragon Lord of Dark World's Demonic Dragon Lord Darkness Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's black with dark purple flames on the blaster with a Phoenix, Angel, and Grapha, Dragon Lord of Dark World surrounded by darkness etched on the sides, and a dark purple gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Jackie Wren fired blasts of rainbow energy, black and dark purple energy, and elemental forces at Malcho and as they hit him, they exploded with incredible power, and really knocked him down.

Then, Lincoln sank his fangs into Malcho's neck and the dragon screamed in pain, and then, Lincoln began sucking out all of Malcho's blood along with assimilating the dragon's abilities, and as soon as Lincoln was done, Malcho was now a desiccated corpse, and as soon as his spirit appeared, he was given The Black Gates forever. We cheered wildly as we holstered our weapons and powered down, and Jackie Wren's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long dark purple wolf tails, and massive dark purple angel wings are permanent.

Jackie Wren: That'll teach you, you heartless dragon. Thanks for helping me destroy Malcho, Linky.

Lincoln: (Smiles Warmly) You're welcome, Jackie.

Suddenly, Jackie Wren wrapped her arms around Lincoln's massive wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Jackie Wren's face, they deeply kissed passionately as Jackie Wren's left arm was still wrapped around Lincoln's massive, wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive right pec, and behind them was a Thunderbird, Phoenix, Angel, Demon, and Grapha, Dragon Lord of Dark World flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and demons and dragons flying behind them and we cheered wildly. Lincoln and Jackie Wren came back to us as the display and Grapha, Dragon Lord of Dark World vanished.

Nicholette Torrington: Oh man, that dragon had no chance against Jackie, and that was also a nice humiliating touch you added when you bit him and sucked out every last drop of his blood, Lincoln.

Emerald Goldenbraid: This is also the first time we saw a vampire drain a dragon dry of blood, but in our case, it's our resident Vampire-Werewolf Hybrid hero.

Nico: You got that right, and does anything happen to vampires if they drain a dragon dry of blood?

Adriana Ardelean Dracula: (Romanian Accent) Dragon's blood is very powerful and it has immense power because it retains the magic of the serpentine lizard, but there's also some very powerful and incredible benefits: drinking dragon's blood would allow someone to gain both wisdom and strength, heroic bravery, giving one the ability to learn things only the dragons had previously known, such as the languages of the animals, specifically birds, along with getting superhuman abilities.

Me: Whoa, that's awesome. But, I've heard that in several other myths, it speaks of dragon's blood possessing acidic qualities, allowing it to seep through lead, steel, and iron.

Ramona Alucard: (Romanian Accent) That's right, in these stories, knights who fight the dragons find it difficult to slay them, as their swords are melted the instant they break through the dragon's skin, and in German legend, dragon blood also has the power to give someone invincible skin, and Lincoln is still safe to be around.

Nico: Whew, and it also dramatically increased Lincoln's infinite power, energy, powers and abilities infinite-fold after feeding on Malcho!

We gasped in awe.

Me: I knew dragons are said to be incredibly powerful and majestic creatures, but this is on a whole new level.

Lincoln: I took a pretty big risk by feeding on Malcho, but somehow it paid off, and now, we're finally rid of that world domination-crazed blowhard.

Nico: Wait 'til Aladdin and Iago hear this, they're going to be glad you got rid of Malcho for good, and in the end, he became just another entrée for you, Lincoln.

Lincoln: They'll be happy to hear that, Iago especially, since Malcho has been his greatest archenemy, other than Jafar. (To Aisha Arian) And it's so good to see you again, Aisha Arian.

Aisha Arian reverted back to normal, and she's a beautiful girl with long flowing midnight black hair, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful midnight black angel wings, and she reigned in the power of Ghostrick Ghoul, and she's dressed in a sleeveless midnight black dress, midnight black pants, midnight black knee-high high heeled boots with butterfly shoe buckles, and long white sleeveless trenchcoat with darkness and ghouls on the coattails and Ghostrick Ghoul on the back and holstered on her back is a massive Ghostrick Ghoul-themed greatsword with Ghostrick Ghoul etched etched on the 7'0" massive, wide, double-edged midnight black blade, large ghoul heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large ghoul heads and a large crimson red gem on the bottom of the large ghoul heads for the pommel.

Aisha Arian: (Arabic Accent) You too, Lincoln, it's been a long time, and it's good to see you and Tiana again, Ursula.

Ursula Truaigheaingeal and Tiana Masina: (Scottish Accent) You too, Aisha.

Lincoln went up to Aisha Arian and he hugged her, and Aisha Arian is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Aisha Arian: (Arabic Accent) Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new, and you've really grown so much bigger in muscle, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you know her, and she also knows Ursula and Tiana?

Lincoln: Indeed we do, Nico, this is Aisha Arian, she's my Guardian Angel from Arabia and classmate in Math, she's a ghoul and she was born with the powers of darkness and she also knew of me being a vampire-werewolf hybrid, just like the other Ghostrick Gene-Slammers, and she, just like me and the other vampires on the team, gets blood from the blood bank, and she also has a habit of nabbing coins that are on the floor.

Me: That's actually a common trait for the ghouls of Arabic myth.

Lincoln: Yep, and she's also good friends with Lucy and The Young Morticians' Club.

Brittney: And she's also about to be indicted as another member for The Goths of Darkness.

Brittney gave Aisha Arian the ring for The Goths of Darkness, and she put it on her right ring finger.

Lincoln: Awesome, plus, she hates Pablo and Anderson with a blazing passion, and she wants nothing more than to hunt them down and drink every last drop of blood from their dead bodies until they're nothing more than bone-dry corpses completely drained of blood.

We gasped.

Nico: Whoa, I hate to find out what those heartless butt-kissers did to earn her wrath!

Aisha Arian: (Arabic Accent) Trust me, you won't like it one bit. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Aisha, are you absolutely sure about this?

Aisha Arian: (Arabic Accent) (Smiles) Aye, more than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Aisha Arian, and he saw that she's really serious, and he smiled as he walks over to Aisha Arian, and he hugged her waist in his abnormally massive and powerful muscular arms, he slowly leaned his head down to her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Aisha Arian's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha and an Elemental Thunderbird Choker of Eternal Love on her neck.

Aisha Arian: (Arabic Accent)(Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means, you're now part of my harem and my many future wives, Aisha.

Aisha Arian had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around Aisha Arian's waist and she wrapped her arms around Lincoln's massive, wider, and muscular back, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw them, he recognized them immediately. The six girls are Mai Tata, Ouyang Xueli, Lin Yuan, Yang Xuan, Xia Zitong, and Ji Ran from Aishen Qiaokeli-ing.

Lincoln: Oh wow, it's Mai Tata, Ouyang Xueli, Lin Yuan, Yang Xuan, Xia Zitong, and Ji Ran from Aishen Qiaokeli-ing.

Nicole: Awesome.

Lincoln: Are you girls okay?

Mai Tata: Yes, we're okay, thanks to you.

Then, when Mai Tata and the other five girls saw who it was that saved them from Malcho, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Vampire-Werewolf Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above

We returned home to the World Tree Estate, and Lincoln told everyone that Jackie Wren had gotten The Demonic Darkness Dragon Lord Greatsword of Grapha, Dragon Lord of Dark

World, and they were shocked when they found out the villain we went after was Malcho, the powerhungry world domination-crazed and vengeful dragon, who'd come back from the dead for revenge.

But, when Lincoln showed what happened such as Jackie Wren transforming into her Super Angel-Demon-Dragon-Harmony Celestial Eternal Xelnaga form, and she, Lincoln, and all of us laying a brutal beatdown on him, and Lincoln finished Malcho off by biting him on the neck and sucking out every last drop of blood and sending his spirit to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Aisha Arian have a lot of catching up to do, now that she's back in town.

Maria: Yeesh, I should've known that vengeful dragon would come back.

Arkayna: And when Emerald showed us what Lincoln did in finishing him off, that was awesome.

Nico: Plus, Adriana and Ramona told us of what happened, such as Lincoln gaining incredible powers and abilities from drinking the blood of a dragon like Malcho, and getting a massive increase in both his power, energy, and abilities as well.

Lincoln: Yep, along with the abilities and benefits of dragon's blood, and this was also the first time I fed on the blood of an evil dragon before.

Iago: And at least, I'm glad to be rid of that blowhard once and for all, sheesh.

Nico: Us both, Iago.

---

After finally getting rid of Malcho once and for all, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Aisha Arian saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Aisha Arian: (Arabic Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Aisha, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Aisha Arian: (Arabic Accent) That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in

muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Aisha, what's the story on why you hate Pablo and Anderson with a blazing passion?

Aisha Arian: (Arabic Accent) You're not going to like it one bit. One day, Lincoln and I were heading to our next class, but then, we spotted Clyde, Rusty, Liam, Zack, and Stella, and they got attacked by Pablo and Anderson and were hanging by their underwear by the flagpole, and when they spotted us, they charged at us to kill us. But, I fired blasts of dark energy at them and trapped them in dark energy straitjackets. I then called Principal Huggins and told him of what those two tried to do, and they got hit with a three-month suspension, plus, he also found weapons in their lockers and a plan they had: they were going to commit a shooting spree in the school and kill everyone. That was the last straw, and Principal Huggins called the police on the two psychopaths, and they were going to be sent to the holding cells. But, the police were ambushed by their psychotic criminal fathers who grabbed their sons and escaped.

We gasped.

Me: Of all the evil, psychotic, heartless things those two butt-munching assholes have done, trying to instigate a school shooting spree is one of those things that's crossed a big line.

Nico: Yeah, so that's why you hated them with a blazing passion.

Lincoln: And why she wants nothing more than to hunt them down and drink every last drop of blood from their dead bodies until they're nothing more than bone-dry corpses. But, we've had to keep her from doing so, besides, they got their comeuppance and they were expelled, and now, they're our targets for our humiliations. Plus, I still haven't forgotten what they did to Liam, Zack, Clyde, and Stella that day.

Lincoln fired a powerful blood red energy blast, which transformed into a dragon, and it went after Pablo and Anderson, and when it spotted its targets, it fired a powerful fire breath blast and they got burned badly and gold and jewels exploded out of them. We saw it through the one-way window and we laughed.

Nico: Serves them right, and was that…?

Lincoln: Yep, it's one of the new powers I'd gained from drinking all of Malcho's blood.

Me: Awesome.

We got a shower afterwards, and then, Clyde and his harem are heading to Emerald Coast.

Clyde snapped his fingers, and the 17-year-old, 7'5", and extremely muscular man was dressed in large dark blue swim trunks with the phoenix and clocks on it and silver flames coming off the swim trunks, dark blue sandals, his jewelry, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble, and his harem were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble.

Professor Ivy: Wow, so this is Emerald Coast.

Clyde: Yep, and it's perfect for our beach date, Professor Ivy. Shall we?

Clyde and his harem dived right into the waters and they also had a swimming race and had a lot of fun, and they had a game of volleyball, plus, his harem got a massive and extreme deep atomic red blush on their faces when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, they had some lunch, and then, Clyde made clones of himself, and he and the clones went up to the girls in his haremand they hugged the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of Clyde and his clones, and they placed their right hands on the massive wide and muscular left pecs of Clyde and his clones, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes, and Lincoln saw Clyde had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Lincoln: Hey, Clyde, how was your date?

Clyde: It was awesome, buddy, we went to Emerald Coast.

Sailor Mercury: And it was really awesome.

Nico: You guys sure had a lot of fun.

Clyde: We sure did.

---

Later we were watching TV.

Billy then came and he was crying.

Billy: J.D.?

Me: What do you want you malignant bubble-nosed amoeba?

Billy: (CRYING) OH J.D. I'M SO SORRY I HURT YOU! I LET LOVE GET THE BETTER OF ME! I WAS BLINDED AND I DIDN'T KNOW SHE WAS ONE OF YOUR WIVES! I'M SORRY! (WAILING)

Me: Well that was a heartfelt apology so I'll accept it but on one condition.

Billy: What is it?

Me: That you start doing smart things instead of stupid things.

Billy: I'll try.

Me: Good.

Lena came in.

Lena Isis: Um… Nico?

Nico: Yes, Lena?

Phosphos: The mascots are doing stupid shit again

Nico: OH, C'MON!

Me: Oh boy.

We went to the mascots room and we saw that they built a teleporter pad.

Me: Wow what is that guys?

Poliwag: It's our Teleporter Pad.

Zipp Storm: What are you guys up to now?

Poromon: We're going to try out our new teleporter out.

Me: So that's why you needed all those parts.

Manaphy: Yep.

Me: Lets see if it works.

Poromon tested it and then…

ZAAAAPP!

It teleported him! He appeared on the moon!

Then he got a Moon Rock and teleported back.

ZAAAAAPP!

He arrived.

Poromon: TADAH!

Me: Wow! It works!

Nico: Wow! I'm impressed!

Stewie: I based it off of my portable time travel pad.

Qin: Awesome Stewie!

G1 Bombshell: Let's test it out some more.

Poromon: Okay!

We did so and we went into a cave in the Center of The Earth with it as well as Nergal's house and that was awesome and we went to so many unreachable places.

Xenia: Wow that is cool!

Volcana: Nico, which teams have you made this time?

Nico: Well, you saw that Scarlet's team included Sailor Valmorg, Sailor Neptune, Sailor Uranus, Sailor Pluto, and Sailor Venus. Lane's team will include Howard The Duck, Miia, Cerea, Rachnera, and Fi. Ben's team will include Wallflower Blush, Alizarin Bubblegum, Mei Terumi, Tula, and Hot Dog Princess. And Rex's team will include Tifa Lockhart, Flitter, Wheat Grass, Sable Spirit, and Angel Wings. (Pants) I need some water!

Maria gave him some water,

Nico gulped it all down.

Nico: Ahh. Thanks Maria.

Maria: No problem.

Carmen: Boy sis I never expected our evil disgrace of a former sister to appear on Nico's rescue.

Maria: She is dead to us. You must never trust her one bit.

Lincoln: I agree. Also I turned her into solid gold. She is now locked away forever.

Laney: Good riddance.

The Previous Group of M.O.E. members then came.

Ranamon: Can me, Duskmon, Grumblemon, Arbormon, Mercurymon, Thundermon, MetalSeadramon, Machinedramon, Puppetmon, and Harpymon go with you guys?

Mz Ruby: Me, Phantom Blot, Bluto, Bushroot, Evil Jewel Man, Strikning, Yost Electro, Evil Aqua Man, Cyber Cat, and

Nico: Yes you all sure can. Mordecai and Rigby called us over to the park for some reason. It's urgent.

Me: Oh boy. I hope it's one of their enemies.

Xenia: I have a feeling it will be.

Laney: Me too.

Broccoli Guy: Nico, which Gene Slammer do you think you'll meet next?

Nico: Wigglytuff next.

Lola: Aww cute!

Lana: Nice.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Ulquiorra Cifer, the 4th Espada in Sōsuke Aizen's army, and he's coming here to get revenge on us for what we did to Sōsuke Aizen. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Ulquiorra Cifer coming after us?

Lincoln: You guessed it, Rayman, and he's coming here to get revenge on us for what we did to Sōsuke Aizen.

Rukia Kuchiki: I should've guessed that as soon as word hit of that traitor's death, another of his minions would come after us.

Julia Makimoto: But, we'll be ready for him, right, Lincoln?

Lincoln: You guessed it, Julia.

Julie Makimoto: And don't forget, you guys, Julianna and I are also joining in as well.

Julianna Giagoremu: That's right, we also want in on this fight as well.

Me: Oh boy, a five-against-one fight, this is really going to get messy.

Nico: You got that right, J.D., plus, since Lincoln has Julie, Julia, and Julianna in his harem, against them and Julie's Bakugan, Gorem, Ulquiorra Cifer had better say his prayers. Alright, gang, let's go, we're heading off to meet with Mordecai, Rigby, and the gang.

Lincoln: And put a stop to another of their enemies, and I don't know why, but I've got a feeling that the next of their foes has a really dark revelation about him and we're going to be really pissed off at him. But, we'll find out later on, and when we get done with whoever is causing trouble, you're next, Ulquiorra Cifer.

Duskmon: I hope Mordecai and Rigby haven't gotten into any trouble.

Phantom Blot: Duskmon, this is Mordecai and Rigby we're talking about.

Nico: But lets go.

We were off.

---

We arrived at the park.

Chill Bill: Hey, guys!

Benson: Hey guys. I'm afraid something is going down between Mordecai and Rigby.

Me: Uh oh. What did they do this time?

Benson: Well actually. Read this.

He showed us a college rejection lett.

I read it.

Me: (Reading) "From the Admittance Office of College University. Dear, Rigby We regret to inform you that you have not been accepted into this Fall's freshman class at College University. Though College University is a massive school and it was a record year for how little applications we received, the admissions committee simply could not find any reason to include you in our enrolling class. The deans were obliged to select among candidates who clearly could do the minimum work required at C.U. We hope you can understand our situation, if you can understand this letter at all. But rest assured that we did not make this unanimous decision on a whim and as a result, we are not able to consider any appeals to this decision, so don't even try. Though our school motto is 'The College for Everyone', sometimes college isn't for everyone. We thank you for your interest in C.U., but again, to reiterate, we won't be seeing you anytime soon. Or ever. Sincerely, the Admissions Board at College University."

Nico: Oh man.

Me: Yeah he didn't get into college. So?

Benson: First, you should probably know that the Future Version of Mr. Ross is planning to destroy the universe.

Mercurymon: We'll talk about him later.

Me: But it looks like we found our mission.

Evil Jewel Man: First, tell us more about this rejection letter.

Benson: Well Rigby forged that letter and he had a really good reason. Mordecai and Rigby are really like brothers and did everything together and they loved each other so much that Rigby didn't want to see Mordecai go to college. So he forged that letter so he could be with Mordecai. But in doing so he ruined his chances of going to college.

We gasped!

Me: Whoa that's low! But he did have his own reasons for it. Those two are like brothers.

Rigby: C'mon, Mordecai. I told you it was just one- (puts hand on Mordecai's shoulder)

Mordecai: (slaps hand away) DON'T YOU FUCKING TOUCH ME! JUST ONE LIE?! WELL, EXCUSE ME IF THAT ONE LIE KEPT ME FROM ACTUALLY HAVING A SUCCESSFUL FUTURE!

Rigby: More successful than saving the world thousands of times?

Mordecai: YOU KNOW WHAT?! IT'S FUNNY HOW YOUR LAZY AND SELF SERVING ATTITUDE IS WHAT ALWAYS GETS ME INTO TROUBLE! AND WHY THE FUTURE VERSION OF MR. ROSS IS OUT TO DESTROY THE UNIVERSE RIGHT NOW!

Eye Five: You sometimes get yourself and Rigby into trouble as well. (Mordecai glares at him and he backs off)

Me: Not helping Eye Five.

Mordecai: YOU AND YOUR STUPID SCHEMES!

Me: Eddy are you getting a sense of deja-vu?

Eddy: I sure am.

Rigby: (Gets angry) LIKE YOU'RE ALWAYS INNOCENT! YOU ALWAYS GO ALONG WITH MY PLANS!

Mordecai: MAYBE THEY WOULDN'T END IN DISASTER IF YOU HAD JUST BOTHERED TO WORK HARD FOR ONCE-

Mordecai and Rigby then jump at each other and punch one another while wrestling on the ground.

Pops: Mordeai! Rigby! Please! Stop it!

Mordecai and Rigby: STAY OUT OF IT, POPS!

Pops: (scared) Oh my…

Eli: Excuse me. But I must discipline the nanny goats!

Mordecai: YOU DON'T HAVE TO DO ANYTHING, ELI! BECAUSE I'VE HAD ENOUGH! (throws Rigby off him and at Eli, knocking them to the ground) I'm going home!

Ed: But we can't go home right now, Mordecai!

Double D: If what Benson told us true, then maybe you've forgotten about the maniac planning to destroy the universe?!

Mordecai: You know what, Double D? I'd rather face my consequences like a man than hang around with a so called best friend any longer! (to Rigby) And another thing? I hope an Evil Sasuke ends up killing you! (to Pesto) AND WHAT ARE YOU LOOKING AT, YOU STUPID BIRD?!

Mordecai slammed Pesto to the ground and started walking away.

Eddy: Geez, and I thought me and Sockhead's argument was bad.

Me: Yeah. The Vengeance Express was terrible.

Rigby: (not taking it anymore) FINE! GO HOME! I DON'T BLAME YA! 'CAUSE EVERYTHING WAS MY FAULT! [He bursts into tears. Mordecai stops in his tracks] YEAH, YOU HEARD ME! A FOUL-UP WANNABE LOSER! [He punches himself in the head on the last few words, and then cries.]

Mordecai just rolled his eyes and continued walking away. Nico just glared in Mordecai's direction and then hugged Rigby.

Me: I'll go after Mordecai.

I went to Mordecai.

Me: Mordecai wait!

Mordecai: Leave me alone J.D.!

Me: Mordecai listen to me! Rigby had a good reason to forge that letter!

Mordecai: It was because of him that I was stuck in this dead end job!

Me: No it wasn't! He loves you like a brother! Sure he may have done wrong but it was for a really good reason. He loves you Mordecai.

Mordecai: J.D., unless you want me to beat you up like Billy did yesterday, you'll leave me the fuck alone right now! (continues walking away)

Maria: (stops me) This isn't easy for him, J.D. Just give him some time.

Me: Mordecai. Oh man.

Mordecai was so mad that it looked like he wanted to crack the earth open with a punch!

Benson: Look, guys. Right or wrong, what's done is done.

Skips: But we got another problem right now. The Future Ross.

Me: Can you tell us all about him?

Benson: I can try.

He did so.

* * *

Mr. Ross is the main antagonist of Cartoon Network's 6th animated feature film Regular Show: The Movie. He is Rigby's former science teacher and archenemy.

He was voiced by Jason Mantzoukas, who also played Steelbeak in Ducktales 2017 and Scarecrow in The LEGO Batman Movie.

Mr. Ross was a former volleyball coach teacher and a science teacher at West Anderson High School. After his volleyball game tournament was ruined by Rigby when he played his saxophone, he plans to get revenge on Rigby by using a Timenado to erase all of time in space and blow up the Earth.

When Mordecai and Rigby were still in West Anderson High School, Ross was employed as both a volleyball coach and a science teacher. During a championship volleyball match with rival school Riverdale, Rigby interrupted the game by playing his saxophone, this moment's hesitation causes Riverdale and to hit the ball and win, causing West Anderson High to lose, much to Ross' anger. At the near end of school Rigby is told by Ross that since he's failing his class he won't finish high school or attend College U like he and Mordecai planned, Rigby begs for a second chance and Ross reluctantly agrees and would pass Rigby if he hands in a school project. Rigby asks if he can get an example on what to do, Ross shows both Rigby and Mordecai his still in progress prototype time machine, he admits he wants to use this to make sure Riverdale does not score that final point and also to get revenge (on Rigby).

Even with this extra help Rigby receives his form in the mail and sees he didn't get that scholarship to College U, he goes to Mordecai's house before he gets there and sees whether or not he made it to College U. Rigby finds Mordecai's form and sees he did make it to College U. Not wanting their friendship to end, Rigby forges a letter saying Mordecai didn't get in. When Mordecai sees Rigby's letter, he immediately decides to use Ross' prototype time machine in order to go to the past and tell himself to get better grades (Rigby also wants to use this to get better grades since he's the one who didn't make it), During their attempt to finish the time machine Mordecai and Rigby accidentally cause an explosion blowing up the science lab and a part of the school and inadvertently causing the Timenado. Because the explosion was caused by Ross' machine and plutonium Ross is fired and sent to jail while Mordecai and Rigby get expelled with Mordecai losing his scholarship.

At some point in time, Ross resurfaces and finds a way to harness the Timenado and plans destroy all of time. Benson, Rigby, Pops, Skips, Muscle Man and High Five Ghost become part of a group called the "Park Rangers" in order to stop Ross from interfering with what's left of time, but to no avail. At some point, Mordecai joins Ross after finding out that Rigby changed his scholarship letter, destroying his future and joins Ross' criminal empire. Benson's squad group manage to reach Ross' base of operations, The Timenado and attempt to destroy it, but they are ambushed by Ross' men, killing Muscle Man, Skips, High Five Ghost and Pops in the process.

Rigby and Benson survive the first attack and Ross comes to gloat and tells the two Mordecai and Rigby actually created the Timenado. Benson and Rigby don't believe Ross at first, but Mordecai tells him that it relates to what happened at high school. Benson tells Rigby to go back into the past and stop whatever caused the Timenado and Benson blocks Ross' men to buy Rigby some time killing him in the process. Rigby manages to set the time jump in his ship, but Mordecai shoots him in the chest before he can make the jump.

Because Rigby is shot, he does not have enough time to stop the events that caused the Timenado so he goes into the present timeline to warn the groundskeepers at the park. Rigby tells the others about what's happening and that they need to stop it. Initially it seems that the members of the group managed to stop the Timenado by smashing the time machine prototype before it's finished, but Ross watches the group from afar and makes another prototype in his former classroom. Before the Park members leave Rigby sees that a portal has formed and realizes that his younger selves are still on a plot course to complete the time machine because he still switches Mordecai's letter.

When the park members go back to the High-school to stop the younger Mordecai and Rigby, but Ross and Future Mordecai are waiting for him. Ross and Future Mordecai fight against the present park rangers and distract them long enough for Young Mordecai and Rigby to create the Timenado. After the Timenado is created, Ross makes Rigby to admit what happened with the College U scholarships, threatening to kill Mordecai if not. Rigby decides to read his letter to prove he was in fact the one not to get into College U, showing Future Mordecai why Rigby compromised his future, because he wouldn't be in it with him. Now that Ross finally has gotten his revenge he decides to shoot Mordecai anyway, thankfully

Future Mordecai blocks the shot saving him. Mordecai is still angry at Rigby for betraying him and no longer believes they are friends causing him to runaway in sadness with the time machine.

Mordecai and the present park rangers join with Gene for a final showdown with Ross. The present park rangers manage to break into the Timenado once again (chronologically the first time). Rigby returns wanting to say sorry for what he did to Mordecai. Rigby and Mordecai fight against Ross and he falls, the two think he's gone for good since he broke his neck in the fall. Rigby uses the chance to apologize for what he's done and Mordecai forgives him since he's made a couple mistakes on his own without Rigby's expertise, to prove his trust to Mordecai, Rigby chooses to pick up the plutonium in order to destroy the Timenado even though he does not have a protective suit. Mordecai helps Rigby with the plutonium to prove their friendship and carry the plutonium together. Ross comes back to life healing from his neck injury. Ross confronts the duo preparing to fight them once more. Rigby is handed a sword by his ally, Techmo. Rigby slices Ross' head so even if he heals he won't be able to reattach to his body ending him.

Rigby and Mordecai destroy the Timenado and made sure their past selves don't make the same mistake by convincing them to apologize to Mr Ross' past self for ruining his volleyball game. This is enough for him to not become a revenge seeker. Even though he is still going to jail, he has no ill intentions towards Rigby anymore.

He appears in "Rigby's Graduation Day Special", where he is shown to be in the same prison cell with Doug.

---

When he was done we were shocked and horrified!

Me: Of all the crazy and ridiculous and petty reasons for revenge this one takes the cake!

Nico: He's upset at Rigby for ruining his volleyball game!? How stupid is that!

Xenia: And he wants to destroy the entire planet!? HE'S FUCKING

INSANE!

Rigby: (to Benson) I'm fired, aren't I?

Benson: No. I'm not firing you. I'm just disappointed. But I understand why you did it.

MetalSeadramon: You guys have been friends since you were little. Okay, maybe what you did was wrong. But you just wanted to be together with your best friend.

Me: Yeah there's nothing wrong with that. Especially after how you all have gone through so much together.

Benson: And if Mordecai went to college either with you or by himself, you two wouldn't have met all of us. (sighs with a smile) Because believe it or not, you're the best friends I ever had.

Muscle Man: Same with me guys.

Skips: And me too.

Me: And Rigby you have Elaine and she is a great girl for you.

Rigby: Doesn't make me feel better. You guys might as well just use the Black Gates on me. Not like I have anything left to live for.

Yost Electro: (solemnly) Usually, when we're about to use the Black Gates on people, we feel good about it. So why don't we right now?

Me: Max no! We will not use the black gates on Rigby. Sure what he did was wrong but it was completely reasonable. He just wanted to be with Mordecai. Is that so wrong?

Yost Electro: No I suppose not.

Me: But lets give Mordecai some time to chillax and then he'll come to his senses.

Yost Electro: To be fair, I did say I didn't feel good about it.

Me: But we still won't use the Black Gates.

Nico: That's right.

Me: But Rigby when he cools down you need to apologize to Mordecai.

Nico: And it better be a good one.

Me: Please?

High Five Ghost: (to Pesto) Are you okay, Pesto?

Pesto: Yeah I'm okay. Just my pride.

Squit: Boy he really flattened you Pesto.

Pesto: What do you mean by that?

Squit: He flattened you. You know he hit you hard.

Pesto: Are you saying that I'm a pancake to pour maple syrup all over here for your breakfast enjoyment!? Is that what you're saying!?

Squit: No I'm not saying that! I'm saying that he flattened you by punching you into the ground.

Pesto: I was flattened?

Squit: Yeah. That's what I'm saying.

Pesto: THAT'S IT!

He jumped Squit and pulverized him all over in a brutal and savage fight cloud!

Bobby was laughing hysterically.

Benson: I don't mean to be insensitive. But time isn't something we have right now.

Grave Clobber: He's right. We can't wait for Mordecai to come back when Future Ross is planning his move.

Me: I agree with Grave Clobber. What Future Ross is planning to do will ultimately destroy the entire universe and we can't let him do so.

Xenia: I agree there.

Lola: This guy is an absolute monster.

Camie: And he needs to pay for his crimes in blood.

Varie: Big time.

Puppetmon: (to Lincoln) Well, Lincoln. I hope you enjoyed the show. Mordecai's probably leaving the team for good and Rigby just lost his best friend.

Cyber Cat: But to be honest, the sight of Rigby crying is probably making you happy right now!

Lincoln: No it's not.

Me: Guys now is not the time for Lincoln to be happy about discord brewing amongst the team.

Xenia: I agree there. We have a crisis on our hands.

Qin: No kidding.

Mordecai punched a tree and smashed it down!

Mordecai: Stupid fucking Rigby. Turns out he was always getting me into trouble from the beginning. Well, screw him! (sighs) I just hope J.D. and the others will be alright.

?: If you're concerned about them, why not go back to them?

Mordecai then saw J.T. and Cash. J.T. was the one who spoke.

Mordecai: J.T. and Cash, Ben's former bullies.

Cash: Guilty as charged. We saw the whole argument that you had.

Mordecai: Then you probably know that my so called best friend was the one always ruining my life!

J.T.: Look, I totally get where you're coming from. Ben and I used to be best friends as kids. Until I ditched him for Cash. Mostly because I didn't want to be beaten up. Ironically, I became close to Cash more than I was ever close to Ben. The point is, I don't want you to turn out like I did. Not when there's still a chance to fix things.

Mordecai: I can't go back to the team! Not with Rigby still there!

Cash: Look, Rigby made a boo boo. No argument there. But deep down, he's still your best friend. Are you really gonna let years of friendship go just like that.

Mordecai: (sighs) No. I guess not. I really screwed up, didn't I?

J.T.: Hey, Rigby screwed up. You screwed up. And so did me and Cash. But that's why we're talking to you right now. We want make up for trying to take credit for Ben's wins the last time we talked. And you want to make things right with Rigby.

Cash: Though, hoping that an Evil Sasuke would kill Rigby was probably harsh.

Mordecai sighed and then remembered all the fun times they had not just with us but in many of their adventures before us. Especially with saving the world numerous times from destruction.

Mordecai: You're right! I've been a terrible friend. I have to set things right. Also we got to kill Future Ross.

J.T.: That's the spirit!

Mordecai: Thanks guys.

Cash: We'll gladly help you guys out too.

Mordecai: Also, Gwen can turn into a Great White Shark now.

J.T.: That's what we heard.

Cash: That is so cool.

Mordecai: Lets go.

They went back to us.

Me: I hope Mordecai has cooled down now.

Mordecai: Yes I have.

Me: Glad you're better.

Ben: J.T.! Cash! I didn't expect you guys to be here.

J.T. We saw Mordecai under a lot of stress and helped him out.

Me: That's awesome. So you guys are Ben's friends J.T. And Cash. Awesome to meet you both.

J.T.: Same here J.D.

Jen Tennyson: Long time no see boys.

J.T.: (Blushes) Jen it sure has been a while.

Jen Tennyson: But it's good to see you guys again.

Cash: Same here.

Ben: (sighs) Cash, whatever you and JT want to say, say it and leave.

Cash: Okay, we deserve that. Mostly for the bullying.

Kevin: The bullying we're not mad about. It's about the last time we talked.

J.T.: But this time, we REALLY want to help.

Shield Shredder: Let's hear them out. And Psyphon even told me that one time that J.T. and Cash really did save Ben from him before.

Me: That's right I heard that Cash found this laser glove and it drove him mad with power and he was destroying everything in his path.

Cash: Yeah that was crazy.

Riley: We'll have to hear about that soon.

Mordecai: Look, guys, I said some things before and-

Machinedramon: "Said some things before"?! That's putting it nicely!

Evil Aqua Man: I get you were mad at Rigby. But you made him cry, wished an Evil Sasuke would kill him, scared Pops and Eye Five, and I think you might have given Pesto and Eli some bruises. And did I mention that you threatened to beat J.D. up like Billy did?!

Me: Guys that's enough!

Nico: Yeah just let Mordecai and Rigby talk.

Eli: Yeah.

Mordecai: Look, Rigby, I'm sorry for snapping at you.

Rigby: Mordecai, what you said back there hurt me. But at the same time, you were absolutely right about me. (sighs) Maybe you deserve a better friend than me.

Mordecai: No, I don't! Am I upset about not getting into college because of you? Well, I was. But I realized that if I DID get into college, I would be having a normal life and wouldn't have met you, Benson, Muscle Man, Skids, J.D., and the others. Because let's face it. Normal life is boring.

Koichi: No matter how much some of us want to get back to said normal lives.

Me: Normal life is always boring.

Nico: Yes it is.

Xenia: Yep.

Rigby: You're right. Thanks guys.

Thundermon: And to think your whole friendship started with a magic keyboard.

Strikning: Way to ruin the moment!

Me: Guys calm down!

Nico: Yeah we got bigger things to worry about. Future Ross is coming and we have to be ready for him so we can kill him for good.

Xenia: Now HE is a monster that deserves the Black Gates.

Laney: Yeah no kidding there.

Slobber Trap: (to the Loud Kids) Don't you guys have anything to say about this whole drama between Mordecai and Rigby? You were quiet the whole time.

Lincoln: I don't know.

Lori: Me neither.

Lana: We got nothing.

Lola: Yeah.

Lily: Besides this fight with them was not our concern.

Camie: Well yeah.

Techmo: Sorry, I'm late!

Harpymon: You're Techmo, right? What are you doing here?

Techmo: Benson invited me to help in the battle.

Snow Ghost: Well, you're not late. You're just in time.

Me: Awesome to meet you though Techmo.

Techmo: Same here J.D.

Nico: But we're glad you're here too.

N: (to JT and Cash) You two will need a weapon. And no! You can't use a Techadon glove!

Muscle Man: They can use this blaster I got from that ship.

Me: Good idea.

Shanan: Where did you guys even find a Techadon glove anyway?

J.T.: We found it in Kevin's car.

Shanan: Kevin what were you going to do with a dangerous glove like that?

Kevin: I was going to sell it for some cash.

Me: I see.

My computer went off.

Me: Uh oh.

I turned it on and it showed a temporal disturbance coming.

Me: Temporal Anomaly heading towards us.

Nico: He's coming. Lets get ready for the entrance.

We got into the ship Techmo brought.

Arbormon: I'm surprised we can fit in here.

Techmo: Hang on. It's gonna be a bumpy ride!

Bushroot: I hope I don't puke!

We were off into the future!

ZOOM!

We went faster than light into the future.

Me: WHOA! THIS IS FAST AND COOL!

Nico: WOW!

Eli: WEEEEEEE!

We arrived in the future.

Me: Whoa!

Nico: Wow!

Rigby: There it is guys.

Catzi: Entrance time.

Nico: Here we go.

We flew in and the ship landed in the station.

Future Ross saw the ship.

Future Ross: Time to die.

The ship opened and it was empty?

Future Ross: Hm?

Then spirits of all 1400+ Digimon as well as the Elemental Forces of Nature appeared and swirled around him and then they converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and then a phoenix cry was heard and we came out!

Qin: Ross your twisted ambition ends here!

Me: No way are we going to let you destroy the entire universe!

Future Ross: You have no choice! The universe will pay for everything it did to me.

Me: Oh you poor wittle baby? Upset because you lost one lousy game in vowweyball.

We laughed.

Future Ross got infuriated.

Techmo: You guys have the usual battles. I'll keep Ross busy!

Bluto: Not without me you won't!

Grumblemon: Same with me!

Me: Okay!

They went at him and smashed and pulverized him all over.

Then Captain Cold, Trap Jaw, Beast Man, Unicorn, Killer Shrike, Mummy, Shendu, Hsi Wu, Loki, New Wave, Evil Blizzard Man, Roulette, Zeru, Capricorn Zodiarts, Lanhua, Mummy of Anhk-Ha, Evil Butane Man, Fenghuang, Quakemon, and Yani appeared.

Zeru: This guy is not going to destroy the universe on our watch!

Me: You got that right!

Qin: How did you guys find us?

Zeru: We snuck aboard while you guys weren't looking.

Me: Sneaky.

Mummy: (to JT and Cash) I didn't expect you guys at all to come. Nor did I expect you guys to talk some sense into Mordecai.

J.T.: Yeah we did show up at the right time.

Cash: But our talk worked, didn't it?

Captain Cold: It sure did.

Me: Yeah and we owe J.T. And Cash big time.

Trap Jaw: No way were we gonna let Mordecai quit the team or end his friendship with Rigby.

Me: Nor are we going to let Future Ross destroy the entire universe. He's not going to to just destroy the Earth but also he's going to destroy the entire universe.

Mummy: That's insane!

Qin: He is insane!

Beast Man: (to Nico) Heard you went to a Mac and Cheese planet.

Nico: We sure did! So awesome and tasty.

Unicorn: How much did you eat?

Nico: PILES AND PILES of mac and cheese.

Me: Over 30 pizzas worth.

Unicorn: WHOA! That's a lot!

Beamcaster came out.

Me: Round 2 for Beamcaster. Wow!

Beamcaster: Yep.

Me: Neat.

Beamcaster: You guys realize that once all of our teams are completed, we're going to have them in the usual battles, right?

Me: Yep.

Nico: Yep I sure do.

Qin: This will be awesome.

Lola: Yep.

We got the battles underway.

Sheila Castille, Rainbow Dash, Scootaloo, Air Skylanders, Iron Man, Eye Five and Eye Scream VS Unicorn - Meeting a gene-slammer for Ghostrick Ghoul

---

Unicorn was next.

Unicorn: (to Sheila) I heard you guys met a Gene Slammer for Ghostrick Ghoul. What's her name?

Sheila Loud: Her name is Aisha Arian and she is from Saudi Arabia and she is a really amazing girl.

Rainbow Dash: Boy she is awesome and she also hates Pablo and Anderson really big.

Scootaloo: She sure does. Her story is awesome too.

---

Aisha Arian: (Arabic Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Aisha, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Aisha Arian: (Arabic Accent) That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Aisha, what's the story on why you hate Pablo and Anderson with a blazing passion?

Aisha Arian: (Arabic Accent) You're not going to like it one bit. One day, Lincoln and I were heading to our next class, but then, we spotted Clyde, Rusty, Liam, Zack, and Stella, and they got attacked by Pablo and Anderson and were hanging by their underwear by the flagpole, and when they spotted us, they charged at us to kill us. But, I fired blasts of dark energy at them and trapped them in dark energy straitjackets. I then called Principal Huggins and told him of what those two tried to do, and they got hit with a three-month suspension, plus, he also found weapons in their lockers and a plan they had: they were going to commit a shooting spree in the school and kill everyone. That was the last straw, and Principal Huggins called the police on the two psychopaths, and they were going to be sent to the holding cells. But, the police were ambushed by their psychotic criminal fathers who grabbed their sons and escaped.

We gasped.

Me: Of all the evil, psychotic, heartless things those two butt-munching assholes have done, trying to instigate a school shooting spree is one of those things that's crossed a big line.

Nico: Yeah, so that's why you hated them with a blazing passion.

Lincoln: And why she wants nothing more than to hunt them down and drink every last drop of blood from their dead bodies until they're nothing more than bone-dry corpses. But, we've had to keep her from doing so, besides, they got their comeuppance and they were expelled, and now, they're our targets for our humiliations. Plus, I still haven't forgotten what they did to Liam, Zack, Clyde, and Stella that day.

Lincoln fired a powerful blood red energy blast, which transformed into a dragon, and it went after Pablo and Anderson, and when it spotted its targets, it fired a powerful fire breath blast and they got burned badly and gold and jewels exploded out of them. We saw it through the one-way window and we laughed.

Nico: Serves them right, and was that…?

Lincoln: Yep, it's one of the new powers I'd gained from drinking all of Malcho's blood.

Me: Awesome.

FLASHBACK ENDS

Unicorn: WHOA! I don't blame Aisha one bit for wanting to kill those two for everything they did. But man that is the worst! Pablo and Anderson trying to do a School Shooting is pure evil!

Whirlwind: Yeah those two are absolute monsters!

Unicorn: That's for sure! Lets do it!

Pinkie Pie: Boy they sure are amazing as friends and all that.

Maud Pie: (monotonously) They sure are and I got a strong sense of déjà-vu when they fought like that.

Sprocket: Yeah that was brutal!

Jade Chan: Oh man! Rigby breaking down like that reminded Eddy of how hard he cried.

Nico: You don't deserve to live a single second further, you heartless, remorseless bastard. Awesome job, guys, but we're not done yet, there's still the matter of Ulquiorra Cifer to deal with, and that and that Arrancer should be arriving… right now!

?: You fools will pay for what you did to Lord Aizen!

Rukia Kuchiki: I should've known there's no mistaking that voice from anywhere. You can come out now, Ulquiorra Cifer.

A figure came out, and it was none other than Ulquiorra Cifer, the 4th Espada in Sōsuke Aizen's army.

Rukia Kuchiki: I should've known you'd show your face yet again, as soon as word of the traitor's death reached you.

Ulquiorra Cifer: You fools have ruined my master's plan to destroy the Soul Society and the human world, and now, I will make every last one of you suffer for what you did!

Julia Makimoto: Fat chance of that happening, and the only one who's going to die here is you!

Suddenly, Julia Makimoto's pink eyes turned neon pink and she was surrounded by a brown and orange energy aura with rocks, lava, crystals, earth, and golems, she unholstered her massive Hammer Gorem-themed greatsword from her back, and as she approached Ulquiorra Cifer, she left brown and orange energy, rocks, lava, crystals, earth, and golems with every step.

Julia Makimoto: Just like with your lord, I will never ever forgive you for the crimes that you have committed against both the Soul Society and the human world, Ulquiorra Cifer, so many have suffered because of you, and now, I will see to it that you never rise from the dead ever again.

Suddenly, Julia Makimoto was surrounded by a massive vortex of brown and orange energy with rocks, lava, crystals, and earth surrounding the vortex, there's an army of golems and the Subterra Bakugan, Hammer Gorem, flying around the vortex, and in the vortex is an orange phoenix. Then, as the vortex faded, Julia Makimoto emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Julia Makimoto grew from 6'5" to 7'4" in height, she has the body of a goddess, she has orange and green highlights in the bangs of her long flowing auburn brown hair, she has neon pink eyes and a brown and orange energy aura with rocks, lava, crystals, earth, and golems surrounding her, she has the Subterra symbol in the hands of Hammer Gorem emblazoned on her forehead and Third Eye with brown iris, she has on golem earrings with orange gems for eyes and holding the Earth and Eternity Kanjis in its hands, she also has Hammer Gorem with orange gems for eyes and holding the Earth and Eternity Kanjis in his hands on the bottom of her orange golem-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with brown crystal links from her merged Crystal Necklace of the Buddha and orange gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Julia Makimoto has on a sleeveless pink midriff top, pink pleated skirt, blue legwarmers, blue sneakers, and long white sleeveless trenchcoat with rocks, lava, crystals, earth, and golems on the coattails, and on the back is the Subterra Bakugan, Hammer Gorem, and he's surrounded by earth. Suddenly, Julia Makimoto felt a sharp pain on her back, and then, her massive blue crystal angel wings with pink tips on the large blue crystals grew much bigger for her new body, she now has eleven massive and long brown wolf tails, she has on a Ring of The Phoenix with pink gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Julia Makimoto's massive Hammer Gorem-themed greatsword and all the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of brown and orange energy, rocks, lava, crystals, earth, and golems, and when it emerged, it was transformed into Hammer Gorem's Crystal Lava Earth Subterra Greatsword of Subterra Earth Golem Justice, it's a brand-new massive greatsword with embedded brown and orange gems and the Subterra Bakugan, Hammer Gorem, etched on the 7'0" massive, wide, double-edged emerald brown blade, large brown golem heads for the crossguard, large orange gem embedded in the rainguard, longer midnight black handle, four large brown golem heads and a large orange gem below the golem heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with orange gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Hammer Gorem' head with red gems for eyes and a large orange gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's an orange kanji below Hammer Gorem that said, "Julia Makimoto, Subterra Brawler and Member of The Bakugan Battle Slammers, Gene-Slammer of Hammer Gorem, Twin Sister of Julie Makimoto, and Cousin of Julianna Giagoremu, Powerful Master of Earth, Lava, and Crystals, Loving Guardian Angel and Future Wife of Lincoln Loud, Archenemy of Jogon of the Tengu, Smasher of The Dark Sides of Lori, Lynn, Lola, Lisa, Luan, and Chandler, Despiser and Smasher of Hawk and Hank, Pablo and Anderson, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Earth, Lava, Crystals, Rocks, and Golems"

Julia Makimoto has transformed into SUPER ANGEL-GOLEM-HARMONY CELESTIAL ETERNAL XELNAGA EARTHQUAKE SUBTERRA BAKUGAN EARTH FURY PHOENIX ANGEL OF DIVINE GOLEM SUBTERRA EARTH JUSTICE AND DIVINE SUBTERRA EARTH GOLEM LOVE!

We were amazed by Julia Makimoto's Super Angel Celestial Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Ulquiorra Cifer saw it, he rushed at her to kill her, but Julia Makimoto fired a powerful brown and orange energy blast with earth, rocks, lava, crystals, and golems at Ulquiorra Cifer, and sent him flying into a wall, he got out, and he was really pissed off now.

Julie: Wow, Julia's transformed, so incredible!

Julianna Giagoremu: And she's really pissed off Ulquiorra Cifer with that attack, awesome!

Lincoln: And with all of us joining in, we're sure to really anger Ulquiorra Cifer even more, and Julia, you look beautiful, how do you feel?

Julia Makimoto: (Divine Echoing Cosmic Voice of The Orange Subterra Earth Fury Golem and Divine Orange Subterra Earth Golem Love) I feel incredible, Linky. Now, shall we deal with Ulquiorra Cifer once and for all?

Lincoln: (Smiles) With pleasure, Julia.

Julie: Right. Gorem, Julianna, let's give them a hand.

Gorem: Understood. We can't let them handle this by themselves.

Julianna Giagoremu: That's right, and we can't let them have all the fun.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Julia Makimoto, and Julie summoned Hammer Gorem and she and Julianna Giagoremu also joined Lincoln and Julia Makimoto.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of trying to help Sōsuke Aizen destroy The Soul Society are over, Ulquiorra Cifer, and now, it's time for you to die.

Julia Makimoto, Lincoln, Julie, Hammer Gorem, and Julianna went after Ulquiorra Cifer, who tried to attack them with his sword, but they dodged the attacks, and they fired extremely powerful blasts of rainbow energy, orange and brown energy, crosses, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, fairies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Tortoises, Succubi, Incubi, and Mermaids at Ulquiorra Cifer, and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Let's take this to a more appropriate battlefield. I activate the Field Spell, Forest.

Lincoln activated the Field Spell, Forest, and a beautiful forest appeared out of nowhere, and this had an interesting effect as Julia Makimoto, Lincoln, Julie, Hammer Gorem, and Julianna had also gained a massive power boost.

Nico: Oh, no way, when Lincoln activated the Field Spell, Forest, he, Julia, Julie, Gorem, and Julianna also gained a massive power boost.

Me: This is due to Gorem being a Subterra Bakugan, awesome.

Then, Julia Makimoto, Lincoln, Julie, Hammer Gorem, and Julianna viciously attacked Ulquiorra Cifer with unrelenting fury, and this angered him so much, he transformed into his Resurrección form by releasing his Zanpakuto. Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Julia Makimoto, her hand-cannon Blaster is known as Hammer Gorem' Subterra Earth Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's brown with lava on the blaster with a Phoenix, Angel, and Hammer Gorem and the Subterra Symbol surrounded by earth etched on the sides, and orange gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Julia Makimoto fired blasts of rainbow energy, brown and orange energy, and elemental forces at Ulquiorra Cifer and as they hit him, they exploded with incredible power, and he was mortally injured.

Ulquiorra Cifer: (Groans) So, this is it, the end. (To Lincoln) But… , I can already see in your eyes that you're not afraid of me, and yet, I've continued to ponder on what a heart truly is, but, I… I can't find the answer.

Ulquiorra Cifer reaches out to Lincoln, remembering how Ulquiorra Cifer died the first time, but before Lincoln can grab a hold of it, Ulquiorra Cifer's hand began to dissolve to ash, and from the very same gesture Orihime gave him long ago, he finally realized what a heart is, and he believes that there in his disintegrated hand is a heart.

Ulquiorra Cifer: (At Peace) I… I see now. In the palm of my hand… is a heart. Finally, now… I can truly… rest in peace. (To Lincoln, Julie, Hammer Gorem, and Julianna) (Sad Smile) Thank you.

Ulquiorra Cifer, now realizing what a heart truly is, disintegrated into ash, and he has truly found his eternal rest forever. Julia Makimoto and Lincoln holstered their massive greatswords on their backs and powered down, and Julia Makimoto's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long brown wolf tails, and massive crystal angel wings are permanent.

Julia Makimoto: Rest in peace, Ulquiorra Cifer.

Lincoln: Safe travels, Ulquiorra, may you find peace in the next world.

Suddenly, Julia Makimoto wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Julia Makimoto's face, they kissed passionately as Julia Makimoto's left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Hammer Gorem flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and mountains forming behind them and we cheered wildly. Lincoln and Julia Makimoto came back to us as the display and Hammer Gorem vanished, along with The Forest.

Nico: Not only did you guys put up a really good fight, but what you did, Lincoln, that was just like how he died the first time.

Lincoln: Still, I can't help but feel sorry for him, he's pondered on what a heart truly is, even after becoming a Hollow, and yet, he truly couldn't find the answer, and when I saw him reach out for me to grab his hand, it…

Orihime: It reminded you of how he died the first time when I tried to grab his hand.

Lincoln: Yeah.

Me: But, before you could, his hand started to disintegrate into ash, and there, he'd finally realized what a heart is, believes that there in his disintegrated hand is a heart: a gesture of kindness.

Nico: That's true, and I don't blame you for feeling sorry for him, Lincoln, he's wanted to feel that same emotion that we each have, yet, he was unable to feel it. But, that gesture you gave him, he finally realized it for himself, that's what he always wanted to experience.

Lincoln collected Ulquiorra Cifer's ashes and placed them inside a coffin and he buried it in a grave he dug, and we each said our prayers, wishing him a safe journey into the Afterlife.

Mordecai: (to Rigby) Dude, from now on, let's make a promise not to end our friendship over anything.

Killer Shrike: That's actually a good promise.

Me: Yes it is.

Shendu: One that you two should definitely follow.

Hsi Wu: No matter what.

Me: I agree.

Loki: We should definitely celebrate!

Rigby: Not yet.

New Wave: What do you mean?

Rigby: The present version of Mr. Ross is still alive. So, it's time for me to make things right by apologizing to him.

Me: Good idea.

Nico: Lets go.

We went to the past.

We stayed out of sight.

Reporter: Yes, sad news. A explosion at West Anderson High, has left the entire science lab destroyed. Let's go to our area cover jumping Chopper 6, Frank.

Frank Smith: I tell you, Jim. It's pretty crazy down there, I've never seen anything like this.

Past Margret: Whooooa.

Frank Smith: Margret, stay back, sweetie.

Principal Dean: So you're telling me you've tried to make a time machine, using Mr. Ross' plutonium, AND BLEW UP THE WHOLE

SCIENCE LAB?!

Past Mordecai and Rigby: Yeah.

Past Mr. Ross: Okay, I can expl- (Principal Dean punches him in the face and falls down on the floor) Ow! (Principal Dean picks him up in the arm)

Principal Dean: You're going to jail, Ross! And you two, I'm calling your parents! You two are expelled!

Past Rigby: Wait! Before you go, I have something to say something to Mr. Ross. (walks to Mr. Ross) I'm sorry for ruining your state championship game, Mr. Ross. I know it meant a lot to you, and if it wasn't for me, you guys totally could have won. I'm sorry.

Past Mr. Ross: (growls angrily, but is relaxed) That's all I been waiting to hear. Phew, man! Heh. I feel so much better now. You know, I was about to plan a crazy complicated revenge plan on you, but now, I don't feel like doing that at all. Ha! Now, I feel like we can be best friends. You guys want to get burgers? My treat. What do you say, Principal Dean? Can we get burgers?

Principal Dean: No, you're going to jail!

Past Mr. Ross: Oh, yeah.

Principal Dean: Now march!

Past Mr. Ross: Oh! Ow! Wow! Ah! Ow! Oh, man! Come on!

Principal Dean: I said march!

He then looked at them one last time and smiled.

We later came back home.

Me: Boy that was intense!

Rigby: It sure was!

Me: I hope you two learned a massively huge lesson.

Rigby: I sure did.

Qin: Good.

Nico: But great job everyone.

Mordecai: (To the viewers) This was a crazy adventure. Hope you all liked this.

Me: I know I did.

We went back home and had a good meal and enjoyed the rest of the day and went to sleep. Earlier, Ross was sentenced to 3 life terms in Federal Prison with absolutely no possibility of parole or release and was ordered to pay over $75,000,000.00 in damages and restitution.

Loud, Cow & Chicken, Kiriko (Overwatch), Mikura Haruno, Kyasarin Uchiha and Sawaii Hitomi along with Eccentro, Red Guy, Good Cinder Fall, Mandy the Merciless, Bin Banki and Kid Rot and we were there for another awesome and really fun rescue.

Me: I always love coming to Mon World.

Eli: Boy I can't remember the last time we were here.

Varie: Me neither. That was awesome.

Xenia: Yeah it sure was.

Lola: Yeah this is gonna be awesome and cool.

Rainbow Dash: It sure is.

Nico: Linka, I want to thank you, Eccentro, and your teams for coming.

Linka: Not a problem Nico. This is gonna be so awesome and fun.

Lola: Yeah it sure is.

Kyasarin Uchiha: As long as we get to kick some butt.

Nico: Honestly, Cow, at first, I didn't think you were a girl.

Cow: Oh I get that a lot. But it's because I'm big and tall for someone my age.

Chicken: Cow has been a big strong girl. But she is cool with it.

Qin: She sure is. And also you two eat lots of Pork Butts and Taters.

Camie: They sure do.

Lola: They eat lots of awesome meats.

Nico: And it's really tasty too.

Good Cinder Fall: That is awesome and amazing.

Me: Yep.

Mandy the Merciless: I may be over thousands of years old but even I too am impressed with how much they eat.

Nico: That's true.

Eli: How did you become like that if I may ask Mandy?

Mandy the Merciless: In the future I came from I ruled over the entire planet and in my research I decided to merge myself with a worm and it granted me immortality. I built numerous Billy clones that have been keeping me company over the Millennia.

Nico: That is incredible.

Me: Wow!

Eli: What year did you come from in that future Mandy?

Mandy the Merciless: I came from the year 41,299.

All of us: WOW!

Me: That's 39,277 years from now!

Qin: Amazing!

Eli: No kidding!

Mandy the Merciless: Indeed it is.

Cow: I think it's amazing.

Mandy the Merciless: But don't worry. After seeing how you all had gotten so powerful and had done it all I would be much more fitting for the Masters of Evil and battle you all as an archenemy than take over the world.

Nico: That's a relief.

Cow: It sure is.

Nico: I'll never forget your Supercow persona.

Cow: It sure is a great persona.

Me: It sure is.

Eli: Yeah. But man yesterday was a really crazy and fierce adventury.

Maria: Guys, no matter how much we all want to deny it, yesterday was a bit tearjerking.

Me: Yeah it sure was. I can't believe that Rigby was willing to go so far as to forge a fake rejection letter just so he can be with Mordecai and not have him sent off to college.

Twilight Sparkle: That may have been wrong but he had really good reasons for it too.

Camie: Yeah no kidding.

Lincoln: (growls) First, Blackout and Barricade hide the fact that they're from the Live Action Transformers world. Then, Billy beats up J.D. And now, we found out that Rigby screwed Mordecai over! (sighs) I understand why he did it. But I've honestly had enough of all this treachery from our own teammates to last a fucking eternity!

Me: I feel the same way buddy.

Eli: Me too.

Me: Yeah.

Lola: I feel the same way guys.

Camie: Boy lots of tensions huh?

Nico: Tell me about it.

Lola: Yeah

Nico: Lincoln, let's just calm down and-

Lincoln: Oh, don't even start, Nico. As far as I'm concerned, you're just as guilty! First, you hide the Aligned world from us the whole time we were fighting Xehanort and that let J.D. to be reprimanded! Then, you hid the fact that you, Maria, May, and William were helping Sougo, Sento, Shinnosuke, Takeru, and their teams at the beginning of the year. And the icing on the cake? You overthrew J.D. when you didn't like his leadership! (sighs) You guys do what you want. I need to be by myself.

Me: (Lincoln walks away) Lincoln-

Nico: (stops mr) J.D., no. He has a right to be angry. When he's like this, the best thing do is let him be alone.

Me: Lincoln.

Qin: Why would he even think that?

Lola: Yeah this is not right for Lincoln.

Maria: Well, there's nothing we can do about Lincoln right now. Let's just keep exploring Mon World.

Me: Okay.

Eli: Hmm.

We flew on.

We later got to a clearing.

Eli: Hmm.

But then Princess Luna winced in pain and her mark for Capricorn the Sea Goat glowed.

And the angels too.

Zaha (ザッハ, Zahha) / Gabriolis

A former Light Angel. During a great war between good and evil, he was wounded and left behind by his friend Lark. He felt betrayed and abandoned and embraced the darkness that Redda offered him transforming him into a Dark Angel. He plagued the Mon Colle Knights on different occasions involving attacking Doppelganger and casting a spell on 3 of Mondo's cards (consisting of Forester the Forest Giant, Flying Stego, and Scorch the Fire Monster) until Spectra appeared and reversed the spell. When he was weakened by Vipress's attack during his fight with Mondo and Water Dragon after Redda took control of the monsters, it was later revealed by Spectra and the Angel of all Oceans that Lark, in fact, took his place in battle and died (in the English dub, he went to divert an approaching enemy flock and wasn't seen again) after which Gabriolis realized his error and reverted to good, though maintaining his dark appearance. He also helped Mondo and Rockna defeat Dread Dragon and destroyed Redda in the final episode. Zaha's name is derived from Zahariel, which means "Brightness of God". Zahariel was the angel who would help people resist temptation. This is both ironic and fitting to his character, as he would first failed to resist temptation, then become someone who temps others, then turns into someone who helps others resist temptation, and finally become someone who is able to resist it himself too. The English dubbed name is derived from Gabriel, one of the archangels who typically serves as a messenger to humans from God.

Spectra is a Light Angel who comes to Gabriolis in his darkest hour to show him what really happened in the past so he may find redemption. She reappeared when Redda was chasing after her near the Fire Angel's castle and was rescued by the Mon Colle Knights.

Forest Angel / Earth Angel

Mon World's guardian angel of the Earth Realm who sports five pairs of wings. She first appeared to help the Mon Colle Knights put the Four-Armed Giant back to sleep by summoning the Emerald Dragon. It was the Forest Angel who told the Mon Colle Knights of the Guardian Angels' roles.

Flame Angel / Fire Angel

The guardian angel of the Fire Realm and the Guardian of the Solar Scepter (one of the Mon items).

Angel of all Oceans / Water Angel

The guardian angel of the Water Realm and Guardian of the Arialla Pearl (one of the Mon items) who sports long purple hair, three wings, wears a strange dress, and is always barefoot. The Angel of all Oceans and Spectra revealed to Gabriolis what really happened the day when he was "abandoned."

Cloud Angel

Mon World's guardian angel of the Wind Realm who sports two pairs of wings.

When he was done we were amazed.

Camie: Wow! That is cool!

Qin: It sure is.

Laney: We all were amazed ourselves too.

Eccentro: Maybe you guys can own some as Christmas presents.

Me: It's possible.

Qin: We'll have to wait and see on that one.

Xenia: Yeah.

Me: (Concerned) I hope Lincoln is doing okay.

Sento: You gonna be okay, Nico?

Nico: (sighs) I honestly don't know anymore. So far, every decision I've made these last few days has been the wrong one. Maybe Lincoln's right. Maybe I'm not cut out to lead this team after all.

Me: Nico no. You are born to be a great leader. Lincoln is wrong. He has no idea what he is saying.

Eli: Bro is right. I sense unusual brainwave patterns coming from Lincoln.

Qin: What do you mean Eli?

Eli: Not really sure but it's causing him to be like this.

Me: Hmm.

Eccentro: Nico, you ARE a great leader. But every leader makes mistakes now and then.

Lola: Eccentro's right. Like you said back in 2020, what matters is that you learn from those mistakes. And now, it's my turn to tell you that lesson.

Me: That's right. I learned from my mistakes too when I was leader.

Xenia: Yeah. Like we say not everyone is perfect.

Nico: (Sigh) You're right guys. You're right.

Eli: Good.

Nico: But you're right guys.

Me: Have I ever not been right? [cut to a picture of Nico on a giant red firecracker, a picture of Nico with a giant funnel in his mouth while I hold a giant pumpkin, and a picture of Nico and me in black speedos while a wolf whistle is heard in the background]

Nico: (CHUCKLES) Those were funny.

Me: And besides Nico, you have May and all your awesome harem and your amazing children to support you as well as your friends. If it weren't for you we would still be the reckless buttkicking hard team ever doing things brutally hard and reckless.

Nico: Yeah that's true.

Lola: Yeah.

Nico: And now that you guys mention it, I feel like someone me and Qin hate is behind this. But I just can't remember who.

Me: Hmm. Weird.

Lola: Can you think of anyone?

Nico: Hmm. Nope. Nothing right now.

Me: It'll come to you eventually.

Nico then hugged Maria.

Nico: Maria, I'm so sorry you had a heartless bitch as a sister.

Me: Yeah Maria we had no idea she was that evil.

Maria: Yeah mom and Carmen and myself never talked about her because she was what we call the Rotten Fish of the Sea.

Me: Gross way to put it but yeah I know what you mean by that.

Lola: No kidding.

Carol: Maria never told me anything about Ronalda.

Nico: How did Horsea react when she heard about it?

Maria: Shocked but glad Ronalda was sent back to prison.

Laney: Good.

Me: Did she ever get along with you at all?

Maria: Well no. She hated my guts the very moment we were born. Mom always told me that Rolanda was picking on me from since we were 4 and was constantly getting in trouble from then on and did all kinds of terrible crimes. She started out small and then grew and grew and grew into a true psychopath.

Eli: Oh man.

Nico: You guys find it odd that Princess Luna's sign glowed and yet, there's no sign of the Another Undead Zodiarts?

Me: Yeah. That is unusual.

But then sitting right next to me was ANOTHER CAPRICORN UNDEAD ZODIARTS! It looked like a mixture of Robogoat, Mighty Minotaur and Pirantishead!

Another Capricorn Undead Zodiarts: (In a girls voice) Maybe that's because you all aren't looking around you.

Me: Maybe so. HUH!?

I looked and saw it sitting next to me!

Another Capricorn Undead Zodiarts: BOO!

I jumped and Landed in Nico's arms!

Nico: OOF! You're giving me a hernia J.D.

Me: Huh? Sorry.

I got down.

Me: That was clever sneaking up on us like that!

Nico: Listen, have you seen our friend Lincoln?

Another Capricorn Undead Zodiarts: Oh he is coming. I convinced him that what he said was wrong and that you are a great leader no matter what.

Eli: That's good.

Me: Wait that voice.

She reverted back and was a Sailor Soldier that had green, aqua blue and green hair.

Me: (GASP) Natalia Amedala!

Nico: Another Sailor Soldier! Wow!

Sailor Naboo: Yep and it's great to see you again J.d.

Me: Same here. Guys Natalia is the Sailor Soldier of the planet Naboo and she is the sister of Padme and Queen Amedala.

Eli: Whoa!

Sailor Naboo: That's right and while the war with Palpatine was raging on she was sent into this timeline for her own protection.

Maria: Oh wow!

Nico: Now, shall we?

Lincoln came.

Lincoln: Not without me!

Me: Awesome timing buddy.

Lincoln: Thanks.

Me: By the way Natalia are there anymore opponents?

Sailor Naboo: Yes there are. I saw a dark version of him. (Points to Eccentro)

Eccentro: Another version of me!? Wow!

Me: Yeah.

Sailor Naboo: I know. Now we can start.

She turned into Another Capricorn Undead Zodiarts and Princess Luna fired waves of darkness and the blasts hit her and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She exploded and was back to normal and I caught the Rouse Card and Zodiarts Switch and purified them. The Rouse Card had the stars of Capricorn and the symbol of it as well as a Mergoat on it.

Me: Awesome.

The Zodiarts Switch glowed and formed into Armbands for those marked with Capricorn.

Me: Awesome.

I went over and brought Sailor Naboo over.

Me: You'll be all right Natalia.

Nico: (looks at Lincoln) Look, maybe what you mentioned to me was my fault. Maybe it wasn't. What matters is that we go forward.

Lincoln: I know Nico. I'm sorry I snapped at you. You are a great leader. I shouldn't have said that. I don't know why but I did.

Me: Hmm.

Lincoln: But you are a great leader though.

Nico: Thanks Lincoln.

Maria: We're not done yet.

Nico: Nope.

Me: We still have the Another M.O.E. Member to face.

Xenia: But where is it?

Nico: He or she is around here somewhere.

Eli: (Senses something) Over there!

Eli fired a blast of Force Lightning and it hit a figure in a tree and smashed it down and we saw that it was ANOTHER ECCENTRO!

Me: Another Eccentro!

Qin: Oh boy.

Nico: Who are you?

Another Eccentro: (In a girls voice) (LAUGHS INSANELY) Qin I have come for you.

Qin gasped in shock!

Qin: Oh no! I did not expect it to be you Camille!

Me: Uh oh. Sounds like you have a history with this one Qin.

Qin: Yes I sure do. Her name is Camille Cheng and she is my Psychotic Twin Sister.

We gasped!

Me: Oh man. What's her story?

Qin: Camille was never normal at all. When we were young, me and Camille always fought over the smallest of things and Camille would always see things that were never there. She would do all kinds of terrible destructive things because the voices would tell her what to do as well as see delusions of people as monsters. She tried to kill me with a knife and one time she stabbed my dad in the leg with it because she thought he was a poacher. We had her committed to a maximum security nuthouse for the rest of her life. We found out that she has Sadistic Schizophrenia and she is incredibly dangerous and was declared to be tragically incurable.

Nico: Oh man! I remember Camille. She was a really dangerous girl. I would see her do all kinds of awful crimes.

Me: Boy she is crazy mad.

Another Eccentro: (INSANE LAUGHTER) And soon we will be together again! I will kill Qin! (LAUGHS) INSANELY)

Kaito: (gets out Hurricanger Gear) Normally, we'd ask you what Swartz promised you.

Zocks: (gets out Gaoranger Gear) But I think it's obvious what he promised you.

Me: And that is bringing Camille and Qin back together.

Nico: Not going to happen. The only thing she is getting is a one way trip to the Saturn Insane Asylum locked away in Solitary Confinement.

Eli: That's right! She is an absolute Danger to everyone including herself.

Laney: That's for sure!

Kaito got a Ninja Storm Sword and Zocks got a Wild Force Saber!

Qin: I'll start this one. (ACTIVATES UNIVERSE 666 EVILON'S RIDEWATCH)

She fired waves of energy and blasted Another Eccentro all over.

Sougo: (gets out Lupinranger Ridewatch) Geez, for the past few days, we've had nothing but hostile Another MOE members.

Geiz: (gets out Geiz Revive Ridewatch) I hope we go back to friendly ones after tomorrow.

Revi-Revi-Revi! Revi-Revi-Revi! Revi-i-ve Shi-ppu! Shippu!

Sougo got LupinRedArmor while Geiz became Geiz Revive Shippu.

Me: Me too.

I fired waves of energy and blasted her all over.

Nico: No kidding there. (ACTIVATES ECCENTRO'S RIDEWATCH)

Nico fired waves of energy and blasted Another Eccentro all over.

Nico: (gets out Eccentro's Ridewatch) Qin has only one sister. Let me give you a hint: It ain't you!

Me: And that sister is Mirai!

But then ANOTHER ECCENTRO WENT APESHIT CRAZY!

Another Eccentro: (SCREAMING MANIACALLY) I HATE MIRAI!

UH OH!

Nico: Oh boy!

Nico activated the ridewatch and fired waves of energy and smashed Another Eccentro into the ground with incredible force.

I fired a massive blast of lightning and it hit Another Eccentro and electrocuted her all over.

Eli: How did you like that one!?

Ncio: (gets out Red Guy's Ridewatch) Wonder what this will do for me.

He activated his Ridewatch and the buttwalk and then did a butt smash on Eccentro.

Qin: Okay that is funny!

May: It sure is.

Lola: Yep.

May: (activates Good Cinder Fall's Ridewatch) Tell me, you sorry excuse for a sister. Do you believe in destiny?

Another Eccentro: (LAUGHS INSANELY)

Me: And her destiny is eternal pain.

May fired waves of fire and blasted Another Eccentro all over.

May: Yeah! Hope you like this too. (ACTIVATES MANDY THE MERCILESS'S RIDEWATCH) Hope you enjoy the Torture of A Thousand Phials!

She fired waves of slime and it was gross!

Maria: (gets out Bin Banki's Ridewatch) Looks like I'm not the only one with sister problems!

Maria activated it and fired waves of energy and smashed her down.

Maria: Take that!

Maria: (Gets out Kid Rot's Ridewatch) This is probably gonna make you puke!

She activated and we fired fired waves of Fruit and she fired waves of energy and turned them ROTTEN! They went into Another Eccentro's mouth and she swallowed and then her stomach grumbled loudly and then she threw up EVERYWHERE!

Abis Mal and his team then came. It had Abis Mal, I.R. Baboon, Victor & Charlotte DeShayes, Wiggy Jiggy Jed, Red Menace and Bert the Bashful.

Nico: Nice team, Abis Mal!

Abis Mal: Thanks. I thought it was awesome too.

Me: And Wiggy Jiggy Jed is awesome for it too.

Wiggy Jiggy Jed: Why thanks guys. This time matches my eyes.

LAUGHTRACK!

He held up his hands and stopped the laughing.

Nico: So, Red. Do you, Frogg, Voltar, and Doomageddon like it with Vypra?

Red Menace: You bet we do and it's awesome.

Me: Cool.

Chicken: Our turn, Cow!

Cow: You got it Chicken.

Cow turned into SUPERCOW!

Supercow: SUPERCOW AL RESCATE! ¡Oye, gran tonto y loco príncipe perdedor! ¡Serás enviado de vuelta a la prisión a la que perteneces! (Hey you big dumb insane prince loser! You will be sent back to prison where you belong!)

Nico: You tell her Cow!

Supercow and Chicken activated their Ridewatch and fired Porkbutts, Taters and Eggs and smashed Another Eccentro all over.

Lola: OH YEAH!

Chicken: (To Another Eccentro) Go suck a doorknob Cheddar Butt!

Maria: I hope the next gene-slammer is close.

Then we saw a Wigglytuff.

Me: A Wigglytuff.

Qin: Aww that one is so cute!

Wigglytuff: And it's awesome to see you again Qin my fellow Quantum sister.

Qin: (GASP) Sari Kunzite!

Nico: Awesome to see you again Sari.

Wigglytuff: Same here Nico. I got this one. (SPEAKS IN A DARK AND TERRIFYING LANGUAGE)

Then Another Eccentro went COMPLETELY BONKERS!

She was on the ground thrashing and rolling around yelling incoherently and then she reverted back and was a girl wrapped in a straitjacket and restraits and I caught the ridewatch and purified it.

Nico: WHOA!

Me: What kind of speech was that?

Wigglytuff: It's called THE DARK TONGUE OF CTHULHU and I can DRIVE PEOPLE MAD just by either looking at them or speaking to them.

We gasped!

Me: WHOA MAN!

Brittney: That is incredible!

I teleported Camille to the Saturn Insane Asylum nuthouse.

Cow: What's your favorite memory of Nico?

Chicken: (puts on blindfold) I don't want Nicole killing me. So, I'm putting on this blindfold.

Wigglytuff: I have a lot of them. But my favorite is when me and Nico went to the Broadmoor Asylum for the Criminally Insane and we made all the patients go bonkers with my powers and they were forced to kill all of them with no reason because it was so bad.

We gasped!

Me: WHOA!

Brittney: Wow! Your powers with the Dark Tongue of Cthulhu are some of the most potent we have ever seen and heard about!

Me: So the Great Broadmoor Euthanizing was all done by you two!? That is AWESOME!

Nico: Thanks.

Eli: Boy it sure is!

Nico: Yeah that was cool.

Me: Lets get you back to normal.

I put on my blind man glasses.

Nicole: Anyone peeks at her I will kill you.

I snapped my fingers and covered my eyes and Wigglytuff was turning back to normal

Sari seemed to revert back to an overweight girl. But then, her weight seemed to decrease.

She was back to normal and was naked and she had neon pink angel wings and had neon pink hair and her own Decaforce sword and the fashion brigade gave her purple clothes and a black head band.

Sari Kunzite: What a rush. But wow these clothes are awesome.

Nico: They sure are.

Nico and Sari hugged.

Nico: I really missed you.

Sari Kunzite: Me too Nico!

Qin hugged her too.

Qin: Awesome having you back sister.

Sari Kunzite: Same here Qin.

We later went back home.

Slab, Kurumu, Moka, Yukari, and Ruby Tojo are heading back to Dark World for Day 11 of the Dark World Treasure Hunt, and not only is Lincoln going to rescue the five girls here, but Zennia Nikolaevna is going to get a powerful treasure there: a powerful greatsword known as The Demonic Darkness Netherlord Greatsword of Lucent, Netherlord of Dark World.

And we're also going to destroy Reflux, the secondary antagonist and the final boss in Rayman 3: Hoodlum Havoc, who's come back from the dead and he wants revenge on Rayman for destroying him, but the only thing he's getting is a one-way trip to The Black Gates.

Lincoln: Whoa, we're back in Dark World for Day 11 of the Dark World Treasure Hunt, and I know what we're going to do here, not only am I going to rescue the five girls here, but Zennia Nikolaevna is going to get a powerful treasure there: a powerful greatsword known as The Demonic Darkness Netherlord Greatsword of Lucent, Netherlord of Dark World.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) That's right, and since she was Gene-Slammed into Lucent, Netherlord of Dark World, it's perfect for her, and we're also going to destroy Reflux, the vengeful Knaaren, who's come back from the dead and he still wants revenge on Rayman for destroying him.

Rayman: I should've known that beast would one day come back from the dead, but the only thing he's getting is a one-way trip to The Black Gates.

Nicole: And contrary to the beliefs of those in The Glade of Dreams, The Knaaren aren't invincible, but they are really strong.

Lincoln: Yeah, but from what I heard, Vypra had recruited the Knaaren into The Masters of Evil, but not Reflux.

Rayman: They must've told her everything about him including his alliance with Andre, so we have the job of killing him once and for all, which is all too perfect.

Me: Well, someone looks eager for another rematch.

Nico: And if it's someone who's really strong, I'd be in the same boat as Rayman.

Lincoln: But, he's going to be in for a nasty surprise when he sees that Rayman isn't the same as before, and I want to thank you, Slab, Moka, Yukari, and Ruby Tojo for joining us, Kurumu.

Kurumu: (Hugs Lincoln's head in between her breasts) Aw, you're welcome, Linky.

We snickered.

Lori: Jeez, Linky, I always knew you tended to attract a lot of girls, but this is really wild.

Luna: He can't help it, sis, he's just too cute.

Rayman: Hey, save that stuff for later, Kurumu, we got to get to Lucent, Netherlord of Dark World's shrine, and then, you can spend "personal time" with your White Rabbit lover boy.

Our eyes widened in shock.

Lincoln and Kurumu: Rayman!

Nicole: I think he exposed Kurumu's attraction to Lincoln and Lincoln's attraction to Kurumu!

Lincoln: We'll get you back for that later, Rayman.

Suddenly, we saw a light shining on Lincoln's butt.

Luna: Uh, dude, what's with the light on your butt?

Nicole: Wait a second, that's a chip! We need to perform a surgery, stat!

Varie: Leave that to me!

Varie formed a wall around Lincoln, and Kurumu performed the surgery, and as soon as she was done with the operation, the wall came down, and Lincoln now had a sore butt, and in Kurumu's hand is a chip.

Nico: What is that?

Me: Never saw a chip like that before.

Lisa Loud: (Gasps) Sweet Einstein, that's a Rebellion Chip. Someone implanted it on Lincoln, and that caused him to rebel against Nico's orders.

We gasped.

Me: What the fucking nine levels of Hell?!

Nico: So, that's what's caused his rebellious attitude. But, who could've done that?!

Nicholette Torrington: (Gasps) Oh, sweet cisterns of The Underworld. Guardian Angels, we got a Code: Black!

Lincoln's Guardian Angels: A Code: Black?! (Gasps) That bitch!

Nico: Nicholette, do you and the other Guardian Angels know who did this?!

Nicholette Torrington took out a picture of a girl with black hair, punk clothes, and a sadistic grin on her face, and when Nico, Qin, and his friends saw who it was, they gasped in horror.

Qin: Oh God, not her!

Nico: I'm afraid so, that's Audrey Madison.

Me: You know her?

Nico: I wish we hadn't, Audrey Madison was the meanest, nastiest bitch from school, she got her sick kicks and thrills from tormenting and torturing us and the teacher for her sick amusement. This one time, she stuck a bunch of firecrackers down a girl's pants, and they went off, and she got hurt and burned badly. They had to take her to the hospital and amputate her legs.

We gasped.

Qin: Nico eventually got that bitch expelled for her crimes and sent her to prison, but we soon heard the news that she escaped from prison and… (Realizes something) Oh shit, that means, she ran off to Royal Woods, Michigan!

Lincoln: (Gasps) Now, I remember her all too well. I've seen her in school, she tried to pass herself off as a good student and she tried to become a Guardian Angel to me, but the other Guardian Angels had been on to her, and so was I, and when they found out she got Chandler, his goons, Pablo, and Anderson to attack me, so that she can "save" me and become a Guardian Angel to me, they told me about her plan, and that confirmed our suspicions, and we then told Principal Huggins.

Nicholette Torrington: And as punishment for her crimes, she got suspended for a month, but when her identity was leaked to the school, we called the cops on her, but before the cops came, she shot something into Lincoln's butt, and that set me off and I put a curse on her called Zure, Knight of Dark World's Nightmare Knight Torment. She then ran off before the cops arrived. (Realizes) That thing she shot into Lincoln's butt was that Rebellion Chip, which was designed to activate the moment that Nico became the leader of Team Loud Phoenix Storm.

Qin: I knew it, after we had her arrested, she swore she would get revenge on Nico for getting her expelled and sent to prison.

Me: That fucking bitch!

Nico: My words exactly, she tried to use Lincoln to get her revenge on me for getting her expelled and sent to prison. You girls really did an awesome job ratting her out to Lincoln, and you were also right to be suspicious of her, Lincoln.

Me: Yeah great job girls.

Lincoln: I knew she was trouble, but to find out you got her expelled after her little stunt, now she's really going to get it.

Zennia Nikolaevna: (Russian Accent) She will, Linky.

Lincoln: And Kurumu, thanks for removing that Rebellion Chip and saving me, and I think I know how to repay you for it.

Lincoln then went up to Kurumu and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down to her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Kurumu's neck with purple gems on the gold lightning bolts and purple crystal links from her merged Crystal Necklace of The Buddha and an Elemental Thunderbird Choker of Eternal Love on her neck. When she saw it, she had tears in her eyes and a smile on her face, and Lincoln leaned down and he kissed her on the lips, and she returned it.

Moka: Aw, now that's really sweet.

There was also not a dry eye among us.

Qin: (Sniffles) She literally did a brave thing in saving Lincoln from the revenge of Audrey Madison, this is way too sweet.

Nico: She sure did. And Audrey Madison, don't think you're getting away with this, and Lincoln and I are going to see to it that you get your just desserts and a one-way trip back to prison for your little stunt, you bitch!

We continued on and we arrived at Lucent, Netherlord of Dark World's shrine, and then, the rainbow iris of Lincoln's Third Eye glowed, and the doors opened and we entered, and we saw a massive demonic looking greatsword floating in the center and with dark light shining down on it: The Demonic Darkness Netherlord Greatsword of Lucent, Netherlord of Dark World, a powerful demonic massive greatsword with purple gems embedded in the

7'0" massive, wide, double-edged midnight black blade, large midnight black demon heads for the crossguard, large dark purple gem embedded in the rainguard, longer midnight black handle, four large demon heads and a large purple gem on the bottom of the demon heads for the pommel.

Rarity: My word, is that…?

Lincoln: The Demonic Darkness Netherlord Greatsword of Lucent, Netherlord of Dark World, that sure is one scary looking demonic greatsword.

Zennia Nikolaevna: (Russian Accent) You said it, and it's absolutely perfect for me.

Suddenly, we saw Ghostrick Jackfrost, and with it are the five girls.

Nico: Brr, that's Ghostrick Jackfrost, and it's also got the five girls.

Ghostrick Jackfrost: (British Accent) And away from that brute, Reflux.

Lincoln: (Gasps) That voice, Winter Icylin, I knew it was you, it's awesome to see you again, but we'll talk later, I already know that Reflux is heading right for us.

?: I will have my revenge on you for ruining me, Rayman!

Rayman: (Sighs) I knew there was no mistaking that voice. Can't you give it a rest, Reflux?!

We then saw our target, Reflux, the former champion of the Knaaren and ally of Andre the Black Lum.

Rayman: I always knew you would return, Reflux, you're like a headache that just won't go away.

Reflux: We'll see who's laughing when I get done with you!

Zennia Nikolaevna: (Russian Accent) No, the only one who's dying here is you!

Zennia Nikolaevna went up and grabbed The Demonic Darkness Netherlord Greatsword of Lucent, Netherlord of Dark World. Suddenly, Zennia Nikolaevna's purple eyes turned neon purple, and she was surrounded by a black and purple energy aura with darkness, demons, and dark magic, she unholstered her massive Lucent, Netherlord of Dark World's Demon Greatsword of Darkness Netherlord Justice from her back, and as she approached Reflux, she left black and purple energy, darkness, demons, and dark magic with every step.

Zennia Nikolaevna: (Russian Accent) You really are nothing but a sore loser, Reflux, now I know why the Knaaren decided to banish you after Rayman defeated you, but what you did in allying with that twisted Black Lum, Andre, to get revenge, that is unforgivable, and I will make you suffer all of the dark tortures of The Netherworld.

Suddenly, Zennia Nikolaevna was surrounded by a massive vortex of black and purple energy with dark magic and darkness surrounding the vortex, there are an army of demons and Lucent, Netherlord of Dark World flying around the vortex, and in the vortex is a dark purple phoenix. Then, as the vortex faded, Zennia Nikolaevna emerged, but she was changed forever.

(NIGHT WRAITHS BY NOX ARCANA PLAYS)

Zennia Nikolaevna grew from 6'11" to 7'4" in height, she has the body of a goddess, she has black highlights in the bangs of her long flowing purple hair, she has neon purple eyes and a black and purple energy, demons, darkness, and dark magic surrounding her, she has Lucent, Netherlord of Dark World emblazoned on her forehead and Third Eye with purple iris, she has on demon earrings with dark purple gems for eyes and holding the Dark and Eternity Kanjis in its hands, she also has Grapha, Dragon Lord of Dark World with purple gems for the eyes and the Dark and Eternity Kanjis in its hand for the second pendant, along with the golden Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolt links and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Zennia Nikolaevna felt a sharp pain on her back, and then, her massive purple angel wings with black tips on the feathers grew much bigger for her new body, and she now has eleven massive and long purple wolf tails, Zennia Nikolaevna has on a Ring of The Phoenix with neon purple gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Zennia Nikolaevna's massive Lucent, Netherlord of Dark World's Demon Greatsword of Darkness Netherlord Justice and The Demonic Darkness Netherlord Greatsword of Lucent, Netherworld of Dark Lord and all of the other swords she'd gotten began merging together, and they're surrounded by a kaleidoscope of black and purple energy, darkness, demons, and dark magic, and when it emerged, it was transformed into Lucent, Netherlord of Dark World's Demonic Darkness Netherlord Greatsword of Dark Magic Netherlord Justice, it's a brand-new massive greatsword with embedded translucent gems and Lucent, Netherlord of Dark World, etched on the 7'0" massive, wide, double-edged, midnight black blade, large midnight black demon heads for the crossguard, large purple gem embedded in the rainguard, longer midnight black handle, four large midnight black demon heads with purple gems for eyes and a large purple gem on the bottom of the demon heads for the pommel, she has on her new large gold cuff Bracelets of the Champions of The Universe with purple gems on her wrists, gold Belt of Elemental Bravery with a gold version of Lucent, Netherlord of Dark World's head with purple gems for eyes and a large purple gem in its open mouth for the belt buckle, large Destroyer of The Church of Necrom grimoire, Book of Vile Darkness, rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. AND DIVINE DEMON NETHERLORD DARK WORLD LOVE!

We were amazed by Zennia Nikolaevna's Super Angel-Demon-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Reflux saw it, he went berserk and roared with rage and he ran at her to kill her, but Zennia Nikolaevna fired a powerful black and purple energy blast with darkness, demons, and dark magic and sent him flying out of the shrine and we followed, he got up and he was extremely furious now.

Nicholette Torrington: Whoa, Zennia Nikolaevna has transformed into her Super Angel Celestial Eternal Xelnaga form, awesome!

Lincoln: You got that right, Nicholette, and now, Reflux is going to get what he deserves for his crimes, and Zennia, you look beautiful, how do you feel?

Zennia Nikolaevna: (Divine Echoing Cosmic Voice of the Dark World Translucent Demon Netherlord and Divine Demon Netherlord Dark World Divine Love) (Russian Accent) I feel incredible, Linky. Now, shall we put this ugly beast down once and for all?

Lincoln: (Smiles) With pleasure, Zennia.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Zennia Nikolaevna.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Time to make you pay for every last one of your crimes, Reflux.

Zennia Nikolaevna and Lincoln went after Reflux, who tried attacking them with his staff, but they'd dodged his attacks, and they fired extremely powerful blasts of rainbow energy, black and purple energy, dark magic, crosses, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, fairies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Succubi, Incubi, and Mermaids at Reflux and they exploded with incredible power as they hit her. Then, they also attacked him with slashes from their massive greatswords, and slashes from Lincoln's claws, and they drew more blood.

Me: Damn, now that's got to hurt. Let's join in and kick this guy's ugly ass.

Nico: Yeah!

TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters and parents transformed into their Super Angel Celestial Eternal Xelnaga forms and unholstered their massive greatswords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel Eternity Infinity Celestial Lightstorm Phoenix Angel of Divine Heavenly Light and Divine Angelic Justice, Qin, Clyde and his harem, Baloo, Izuku and his friends, The Z-Fighters, Slab, Kurumu, Moka, Yukari, Ruby Tojo, Sasuke, Itachi, and their family, Sakura and her family, Naruto and his harem, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Sir William the Good, Lady Mary the Good, The Bakugan Battle Brawlers, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, Ravus Nox Fleuret, The SWAT Kats, my harem, and Nico's harem got out their weapons, Rayman unholstered his massive Morpheus's Celtic Dream Greatsword of Peaceful Celtic Dream Justice from his wider and muscular back and transformed into Super Angel Celestial Eternal Xelnaga Celtic Dream Glade Fairy Dragon Angel of Divine Moonlight Celtic Dream Justice and Divine Celtic Moon Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered our massive greatswords and we transformed, and we went after Reflux, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Zennia Nikolaevna, her hand-cannon Blaster is known as Lucent, Netherlord of Dark World's Demonic Netherlord Darkness Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's black with purple flames on the blaster with a Phoenix, Angel, and Lucent, Netherlord of Dark World surrounded by darkness etched on the sides, and a dark purple gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Zennia Nikolaevna fired blasts of rainbow energy, black and purple energy, and elemental forces at Reflux and as they hit him, they exploded with incredible power, and really knocked him down.

Reflux came charging after The Z-Fighters, and Lincoln also sensed another energy signal, and that was the signal.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Rayman, now!

Rayman fired a blast of dark energy, and it hits the Knaaren, and a dark magic circle appeared and chained Reflux to the ground.

Rayman: (Divine Echoing Cosmic Voice of The Celtic Dream Glade Fairy Dragon and Divine Celtic Dream Moonlight Hope) I would've thought you would just come charging after me since I was the one who defeated you, Reflux.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) But, when you went after The Z-Fighters, that meant your very actions have betrayed you. Now, come on out, Baby.

We gasped in shock.

Rayman: (Divine Echoing Cosmic Voice of The Celtic Dream Glade Fairy Dragon and Divine Celtic Dream Moonlight Hope) You didn't think we knew it was you, other than Frieza, only you had a very genocidal and deranged hatred for The Saiyans and The Z-Fighters for ruining your plans long ago.

We heard the sound of malevolent laughter coming from Reflux, and then, we saw a figure come out of Reflux's body: it was none other than the vengeful Tuffle, Baby.

Baby: So, you two ratted me out? I expected nothing less from the Guardian of The Glade of Dreams or from Team Loud Phoenix Storm. (Laughing Malevolently)

Rayman: (Divine Echoing Cosmic Voice of The Celtic Dream Glade Fairy Dragon and Divine Celtic Dream Moonlight Hope) So, when Reflux came back from the dead, you also hitched a ride and took over his body to also seek revenge yet again. (Sighs) You both really are nothing more than a pain in the neck, and since you both are nothing more than vengeful monsters, you both deserve to die here together.

Rayman formed a talisman card and threw it, and once it landed on Reflux, it bounded both him and Baby together.

Baby: You. What did you do?!

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) All we just did was seal your fates.

Baby and Reflux looked on in horror, and this meant their fates have been sealed.

Lincoln, Zennia Nikolaevna, and Rayman: DARK TORMENTS OF THE NETHERWORLD!

Lincoln, Zennia Nikolaevna, and Rayman raised their left hands into the air, and a massive column of black energy rose up, and Baby, along with Reflux, were caught right in the column of black energy, and Reflux's body was eviscerated. Then, as their spirits appeared bound together by the talisman card, The Judgement Kanjis appeared on both their foreheads, and Reflux, along with the vengeful Tuffle parasite, Baby, were sent to The Black Gates forever. We cheered wildly as we holstered our weapons and powered down, and Zennia Nikolaevna's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long purple wolf tails, and massive dark purple angel wings are permanent.

Zennia Nikolaevna: (Russian Accent) May you never ever return to plague our world ever again, you vengeance-crazed monsters from Hell! Thanks for helping me destroy Reflux and that disgusting evil

Tuffle, Linky.

Lincoln: (Smiles Warmly) You're welcome, Zennia.

Suddenly, Zennia Nikolaevna wrapped her arms around Lincoln's massive wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Zennia Nikolaevna's face, they deeply kissed passionately as Jackie Wren's left arm was still wrapped around Lincoln's massive, wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive right pec, and behind them was a Thunderbird, Phoenix, Angel, Demon, and Lucent, Netherlord of Dark World flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and demons flying behind them and we cheered wildly. Lincoln and Zennia Nikolaevna came back to us as the display and Lucent, Netherlord of Dark World vanished.

Nicholette Torrington: Oh man, I knew we'd be fighting Reflux, but I didn't expect the Tuffle parasite, Baby, to also return from the dead, and even worse, he was in Reflux's body!

Lori: None of us were.

Lincoln: But, when King Kai contacted me and Rayman about that, we had a plan set up, and since I knew that Rayman is now a master of darkness, he'd also been learning some dark magic spells and that dark energy blast he fired, it bound both him and Baby to the ground, and that talisman card he fired at Reflux, I worked on creating a binding spell to not only bind Baby to Reflux, but it would also prevent him from trying to escape from Reflux's body.

Pan: And that dark magic circle was also part of your combo.

Lincoln: Yep, and we basically unleashed the forces of The Netherworld on those two, and they were torn to shreds by the demons of The Netherworld, and when the Judgement Kanjis appeared on both of their foreheads, they got sentenced to The Black Gates forever.

Nico: We've already dealt with that vengeful Tuffle parasite last year, but for him to come back again, he just doesn't know when to quit. But, we're now rid of both Reflux and that parasite forever.

Lincoln: You got that right, and Kurumu also removed that Rebellion Chip that was in my butt and all because of Audrey Madison, and she'll get her just desserts either on your rescue or mine tomorrow.

Nico: Actually, I'm hoping it's on your rescue tomorrow, Lincoln, provided she hadn't been turned into Another Villain by Swartz.

Lincoln: One can hope, Nico. (To Winter Icyin) And it's so good to see you again, Winter Icyin.

Winter Icyin reverted back to normal, and she's a beautiful girl with long flowing ice blue hair, purple eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful ice blue angel wings, and she reigned in the power of Ghostrick Jackfrost, and she's dressed in a short-sleeved purple blouse, sleeveless purple top, purple skirt, purple pants, purple legwarmers, purple sneakers, and long white sleeveless trenchcoat with darkness and ice on the coattails and Ghostrick Jackfrost on the back and holstered on her back is a massive Ghostrick Jackfrost-themed greatsword with Ghostrick Jackfrost etched etched on the 7'0" massive, wide, double-edged midnight black blade, large snowman heads for the crossguard, large ice blue gem embedded in the rainguard, longer midnight black handle, four large snowman heads and a large ice blue gem on the bottom of the large snowman heads for the pommel.

Winter Icyin: (British Accent) You too, Lincoln, it's been a long time, and it's good to see you, Claire, Ramona, Aisha, Sarah, and Tiana again, Ursula.

Ursula Truaigheaingeal, Ramona Alucard, Sarah Dullahan, Claire Allaire, Aisha Arian, and Tiana Masina: You too, Winter.

Lincoln went up to Winter Icyin and he hugged her, and Winter Icyin is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Winter Icyin: (British Accent) Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new, and you've really grown so much bigger in muscle, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you and the other Ghostrick Gene-Slammers know her?

Lincoln: Indeed we do, Nico, this is Winter Icyin, she's my Guardian Angel from England and my classmate in Science, she's a Jack Frost and she was born with the powers of darkness and snow and she also knew of Lincoln being a vampire-werewolf hybrid, just like the other Ghostrick Gene-Slammers.

Me: Wow, that's so awesome!

Lincoln: Yep, and she loves the seasons of Spring, Summer, and

Autumn, but her absolute favorite season is Winter, and whenever Winter comes to Michigan, the place becomes a snowy wonderland: and a favorite for Winter. One time, we ice-skated at the frozen lake in Tall Timbers Park, and we also kissed underneath the falling snow.

Nico: We didn't know you ice-skated, Lincoln.

Lincoln: I'm actually a really good ice-skater, Nico, and none of you asked. Plus, she's also good friends with Lucy and her friends in The Young Morticians' Club.

Brittney: And she's also about to be inducted as another member for The Goths of Darkness.

Brittney gave Winter Icyin the ring for The Goths of Darkness, and she put it on her right ring finger.

Lincoln: Awesome, plus, she, like all of us, hates that heartless psychotic bitch, Lila Rossi with a burning passion and she wants nothing more than to freeze her solid in a block of ice forever.

Nico: She better get in line, there's a lot of us who want that bitch's head mounted on the Eiffel Tower for her crimes against Paris and the world.

Winter Icyin: (British Accent) Looks like I'm not the only one who wants that bitch's head. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Winter, are you absolutely sure about this?

Winter Icyin: (British Accent)(Smiles) More than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Winter Icyin, and he saw that she's really serious, and he smiled as he walks over to Winter Icyin, and he hugged her waist in his abnormally massive and powerful muscular arms, he slowly leaned his head down to her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Winter Icyin's neck with ice blue gems on the gold lightning bolts and purple crystal links from her merged Crystal Necklace of The Buddha and an Elemental Thunderbird Choker of Eternal Love on her neck.

Winter Icyin: (British Accent)(Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means, you're now part of my harem and my many future wives, Winter.

Winter Icyin had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around Winter Icyin's waist and she wrapped her arms around Lincoln's massive, wider, and muscular back, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw them, he recognized them immediately. The five girls are Nei Ichikawa, Rin Tsukihara, Sae Otogi, Saori Shinoda, and Yoko Nogisaka from Peret Em Heru.

Lincoln: Oh wow, it's Nei Ichikawa, Rin Tsukihara, Sae Otogi, Saori Shinoda, and Yoko Nogisaka from Peret Em Heru.

Nicole: Awesome.

Lincoln: Are you girls okay?

Nei Ichikawa: Yes, we're okay, thanks to you.

Then, when Nei Ichikawa and the other four girls saw who it was that saved them from Reflux, along with the resurrected Tuffle parasite, Baby, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Vampire-Werewolf Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf

He had his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and large gold Elemental Shield of Harmony holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip, his Eater of Sins revolver and Elemental Universal Thunderbird hand-cannon Blaster holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation and embedded Stone of Gelel on the back of his massive left hand, large weighted gold bands on his massive biceps and thighs with silver phoenixes on them, large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive indestructible white angel wings with stars and orange and aurora-colored tips on the large white feathers and eleven massive and long powerful white wolf tails with rainbow marks, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them which were glowing neon orange and they also had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts on the coattails held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, large royal blue pants with multicolored lightning bolts on the thighs, and large gold-armored boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and gold armor on the toe area, silver Buffalo head stud earrings with the Thunderbird carved on it and the Element and Eternity Kanjis on the heads, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the center in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird carved on it and the Element and Eternity Kanjis on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, large Ring of The Phoenix with large orange gem and heart-shaped gem embedded in it on his left ring finger which also merged with his Orange Buffalo Animal Spirit Ring, large Blue Lantern ring on his right ring finger and small planets orbiting around his fingers like rings, claws on his fingers and toes, he had nine large multi-colored orbs orbiting around his legs and ten multi-colored orbs orbiting behind his back and circling around his feet on the floor are nine golden crosses with angelic runes.

Nei Ichikawa: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Nei Ichikawa: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Nei Ichikawa, Rin Tsukihara, Sae Otogi, Saori Shinoda, and Yoko Nogisaka with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and Lincoln told everyone that Zennia Nikolaevna had gotten The Demonic Darkness Netherlord Greatsword of Lucent, Netherlord of Dark World, and they were shocked when they found out the villain we went after was Reflux, another old enemy of Rayman who'd come back from the dead to get revenge on him, and even worse, the vengeful Tuffle parasite, Baby, had also come back from the dead to get revenge on us, and he also possessed Reflux's body.

But, when Lincoln showed what happened, such as Zennia Nikolaevna transforming into her Super Angel-Demon-Harmony Celestial Eternal Xelnaga form, and she, Lincoln, and all of us laying a brutal beatdown on him, and Rayman putting up his trap and exposed the Tuffle parasite and finally binding them together and sending them to The Black Gates, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Winter Icyin have a lot of catching up to do, now that she's back in town.

Maria: Oh shit, so we had a case of double-trouble: Reflux, an old enemy of Rayman's, and our old enemy, the Tuffle parasite, Baby.

Lincoln: Yep, but we made sure they never came back.

Plus, Nico told everyone that Kurumu had removed a Rebellion Chip that was implanted in Lincoln's butt, which she still had in hand, and even worse, it was implanted years ago by Audrey Madison, a Class-A bitch from Nico and Qin's past who was a nightmare to both students and teachers whom she attacked and tortured for her own twisted amusement and who got expelled for a firecracker incident that resulted in a female student getting both of her legs amputated, and she wanted revenge on Nico, and she implanted that Rebellion Chip in Lincoln to do that.

When Nico was finished, everyone was pissed off big time, and they wanted her blood spilled, and as soon as news of that hit Audrey Madison herself who was hiding in the shadows, she screeched and screamed and swore Nico was going to pay, along with Kurumu and Lincoln, whom she'd threatened with death for getting in her way. That bitch was going to pay tomorrow with her life behind bars.

* * *

After finally getting rid of Reflux, along with the vengeful Tuffle parasite, Baby, once and for all, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Winter Icyin saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Winter Icyin: (British Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Winter, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Winter Icyin: (British Accent) That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Winter, do you have a story on how you pulverized Lila Rossi?

Winter Icyin: (British Accent) Indeed I do. It happened long before she broke out of her cell in The Saturn Insane Asylum, I went down there to mongrelize her for the crimes that she committed against all of Paris, and I saw a lot of words on the walls, "KILL AND DESTROY TEAM LOUD PHOENIX STORM AND THE MASTERS OF EVIL!", "KILL MARINETTE AND HER STUPID FRIENDS!" and "BURN ALL OF PARIS TO THE GROUND!", and even worse, it was written in her own blood.

We gasped.

Winter Icyin: (British Accent) I knew that she'd lost her mind big time, so I decided to piss her off a lot more by firing blasts of darkness and ice at her, and she went completely berserk, and she tried to get out of her cell to attack me, but I called the guards and they restrained her and put her in another straitjacket and chained her to the cell.

Nico: What a monster bitch!

Kurumu: You said it.

We suddenly heard the loud angry screeches and screams echo in our ears and Nico and Lincoln's energy auras, along with all of our energy auras, flare up and we got stronger.

Lincoln: Sounds like Audrey found out about the Rebellion Chip being removed from my butt and destroyed by Kurumu.

Nico: That bitch's attempt at revenge on me has been crushed, and she waited until I became the new leader of Team Loud Phoenix Storm to activate it. She's been wanting me dead ever since I got her expelled for that firecracker incident, and she also wanted Lincoln to be kicked out of the team, so she can kill him as well.

Nicholette Torrington: That motherfucking bitch, now I'm glad that curse I put on her is still haunting her. But, you know what, I'm that close to killing her myself! No one does this to our man and gets away with it!

Suddenly, we saw Puppetmon frozen in a block of ice.

Me: Whoa, Puppetmon, what happened?!

Winter Icyin came in, and she was really pissed off, and Mordecai and Rigby came in.

Nico: Whoa, guys, what happened to Puppetmon?

Mordecai: Winter found out about that crack Puppetmon said about Lincoln enjoying the fight Rigby and I had yesterday and how he probably enjoyed the discord in the team, she got so pissed off at him, she froze him in a block of ice.

Rigby: And he's not the only one Winter froze.

Skips brought in Cyber Cat who was also frozen in a block of ice.

Lincoln: (Gasps) Oh man! Winter!

Lincoln fired two blast of fire and that unfroze Puppetmon and Cyber Cat, but they were freezing.

Puppetmon: (Shivering) Okay, note to self: never ever make a vicious crack at Lincoln ever again.

Winter Icyin: (British Accent) Sorry about that, but after Nicholette told me about that crack you had made at Lincoln, you should know that none of us take kindly to that. Lincoln doesn't like it when his friends fight one another, you should know that.

Puppetmon: But, I… !

Winter Icyin: (British Accent) Not another word! You are literally on thin ice with me, puppet! And so are you, cat! (Purple eyes turn red and a ice blue aura flared up with ice, darkness, and snow)

This left Puppetmon and Cyber Cat frozen in fear, if they angered Winter one more time, there was bound to be severe consequences.

Me: Now now Winter we can't have you kill our frenemies. They are in the Masters of Evil. Besides they will learn their lesson.

Suddenly, Winter was getting close to breaking down, and Lincoln ran up to her and he hugged her and she hugged him, and then, she broke down.

Lincoln: (Soothing Voice) Shh, hey, it's okay, Winter, it's okay.

Winter Icyin: (British Accent) (Voice Breaking) No… , it's not. How can those two… say something that is untrue?! You and I both know you hate it when… !

May: When someone makes those kinds of untruths about your man. That we understand, Winter, I'd get pissed off when someone tells such vicious lies about Nico.

Nico: You got that right, May. And J.D.'s right, Lincoln hates it when his friends fight, and that stupid Rebellion Chip Audrey Madison put on him years ago had crossed it. When she tries to use one of my friends in her sick twisted desire for revenge on me, if either on my or Lincoln's rescue tomorrow, she is going to get her arms and legs broken for this.

Me: Big time.

Lincoln: We're all going to have a turn ripping her in half, she deserves the full extent of our fury for that stunt she pulled.

Winter Icyin: (British Accent) Yes, she deserves to pay!

Luna: Same here, dude. She messed with our bro, and she's going to get a Loud House beatdown for this.

Just then, Vypra came in.

Vypra: Guys, I heard about what happened to Puppetmon and Cyber Cat, are they…?

Lincoln: I unfroze them, but Winter warned them that they're now on thin ice with her.

Winter Icyin: (British Accent) Just… (Sighs) please tell the others no more of those vicious cracks about Lincoln.

Vypra: After what you just did, I'll make sure that rule is enforced.

Me: Thanks Vypra.

Vypra took Puppetmon and Cyber Cat back to The Masters of Evil HQ to recover, and we got a shower afterwards, and then, me and my harem were heading to Ice Cap Zone.

Me and my harem were bundled up in winter clothes that Lincoln's harem made, and we were nice and warm.

Misty Tredwell: Wow, we're here in Ice Cap Zone.

Me: And I figured it'd be perfect for our date, Misty. Let's have some fun in the snow, girls.

Me and my harem began having fun in the snow by sledding on the snow-covered hills, and we also had an awesome snowball fight. Then, I also made a massive frozen lake and my harem ice-skated on the frozen lake, and it was amazing. Then, we all shared a romantic kiss as snow was falling down around us. We returned home to The World Tree Estate, and we immediately got warm and we were in our normal clothes.

Nico: Hey, J.D., how was your date?

Me: It was awesome, Nico, we went to Ice Cap Zone, and we literally had a blast.

Lincoln: Winter would love going there.

Winter Icyin: (British Accent) That's right, and winter's my favorite season.

Nico: And in case you were about to ask, J.D., Lincoln and all of us helped Winter Icyin feel better after what happened.

Me: I'm glad to hear that.

Winter Icyin: (British Accent) Thanks, and like I said, I don't take kindly to those who dare to harm Lincoln physically or emotionally, and those cracks Puppetmon and Cyber Cat said were classified as emotional harm.

Nico: And you also knew…

Winter Icyin: (British Accent) About the manifestation of his scars when you went after Dr. Zalost, yes, I found out from Ms. Rita, and that Jerktonium-Laced Fruitcake Incident opened up those old scars in Lincoln.

Nico: He's tried to bury that pain inside him, but the escalating cruelty from Chandler, his goons, Pablo, Anderson, Scoots, Flip, Lori, Lynn, Lola, Lisa, and Luan made it even worse, but Alizarin saved him and the manifestation finally was healed, and he was able to finally find peace and Lincoln was able to recover.

Suddenly, we saw Rayman come in and he was soaking wet and freezing.

Nico: And you just missed it, Kurumu got back at Rayman for spilling the beans by dumping a bucket of ice water on his head.

Me: (Winces) Now, that's ice cold.

Lincoln: I admit that was really ice cold, but…

Rayman: That's what I get for opening my big fat mouth.

Ronnie Anne: Better you than Abuelo, and he's the biggest Chismoso in town, and it's gotten him into big trouble with Abuela and the rest of us.

Me: And she's had to more than once break out the Chancla in case he started blabbing.

Eli: And I thought Sergio was the biggest troublemaker in Great Lakes City.

Sergio: Hey, I don't cause trouble… sometimes!

Nico: (Scoffs) Yeah, right. Your track record says otherwise, Sergio.

Maria Garcia: (Spanish Accent) And you're already on thin ice for all the stuff that you pulled, bird!

The Fabled Gene-Slammers were already growling in anger at Sergio, who was still in his cage and he was already in huge trouble for the stuff he pulled.

* * *

Later it was time for Ellie's 3rd mission.

William: Anyone else want to go with Ellie? Besides Devon and Juni Cortez?

Nico: Sari goes with me as well. She can predict the future. So, she might be able to tell us who the main target is.

Me: Cool.

Twilight Sparkle: Me and my friends all will go.

Me: Awesome Twilight.

Qin: And me and the rest of the Quantum Girls can go too.

Nico: Cool!

Sari Kunzite: It'll be like old times girls.

Erica Haddock: It sure will.

Lincoln: And me and my siblings will go last. Now that the Rebellion Chip is out of me I am going to do my hardest to make up for my rebellious acts against Nico.

Me: Even if they were against your will you can do it buddy.

Lincoln: Thanks J.D.

Nico: Awesome. Lets head out.

We were off.

Kurumu: Glad you're all right Linky.

Lincoln: Thanks to you Kurumu.

Kurumu: (Hugs Lincoln's head in between her breasts) Aw, you're welcome, Linky.

Everyone snickered.

Lincoln: (Muffled) You are so sweet Kurumu.

Kurumu: Ready to get down and intimate Linky?

Lincoln: Lets do it.

They went to Lincoln's room.

THINGS ARE GONNA GET WILD AND KINKY!

Nicole laughed.

Nicole: Ahh love is in bloom. No peeking into his room guys or else!

* * *

We arrived at Madoka's shop.

Gingka: Hey guys!

Ellie Singh: Hey guys.

Gingka: Awesome you guys are back.

Me: Yep.

Ellie: Guys, meet Devon Daniels and Juni Cortez.

Devon: Awesome to meet you guys. I'm the leader of the Beast Morpher Rangers.

Juni Cortez: And I'm a spy for the O.S.S.

Me: Yep.

Gingka: Awesome to meet you guys!

Me: And Meet Twilight Sparkle and her friends.

Twilight Sparkle: It's an honor. I'm Twilight Sparkle the Princess of Friendship and Magic.

Fluttershy: I'm Fluttershy, Princess of Kindness and Life.

Pinkie Pie: I'm Pinkie Pie, Princess of Laughter and Tech.

Starlight Glimmer: And I'm Starlight Glimmer, Princess of Empathy and Undead.

Gingka: Wow! It's an honor to meet you all.

Ellie: And these are my fellow Quantum Girls.

Qin: Awesome to meet you all. I'm Qin Chen, Komodo Dragon

Gene-slammer.

Erica: I'm Erica Haddock, Tyrannosaurus Rex Gene-slammer.

Missy: I'm Missy Rodgers, Mewtwo Gene-slammer.

Sari: And I'm Sari Kunzite, Wigglytuff Gene-slammer.

Madoka: Wow! It's an honor to meet you all.

Me: Sari just joined the team and she has amazing powers to show you all.

Nico: Yep.

Madoka: Wow! It's awesome having Sari with you guys.

Ellie Singh: It sure is.

Ryuga then appeared.

Nico: You're here too, Ryuga?

Ryuga: I might be part of the Masters of Evil now. But this is still my home turf along with Gingka's.

Me: Still can't get over how big of a jerk you were.

Ryuga: If you are still mad at me then kick me in the crotch.

Me: All right then.

KRASMASH!

I kicked him square in the crotch!

Gingka: Nico, we've been hearing that you've been doubting yourself as leader. But we're going talk you through your doubts. Just talk to us about them, okay?

Nico: (sighs) Well, I pretty much kept the Aligned Transformers world hidden from the Lincoln and the others the entire time we were fighting Xehanort. Which led to J.D. being reprimanded.

Me: Yeah.

Gingka: Okay, the reprimanding part wasn't much of a reprimanding. But you were dealing with a lot of stuff. There was nothing wrong with making the Aligned world your place to get away from it all once in a while.

Me: Yeah there's nothing wrong with that.

Nico: True.

Me: Yeah.

Nico: And earlier in the year, I pretty much kept a secret me, Maria, May, and William helping out the Zi O, Build, Ghost, and Drive Rider teams against their enemies the first time.

Ryuga: There's nothing wrong about that either. What were you supposed to do? Just let them fend for themselves.

Me: But it was a really awesome and clever strategy.

Qin: Yeah it did help the riders deal with some of their enemies.

Ellie Singh: It sure did.

Sari: I wasn't with the team but yeah that helped out a lot.

Madoka: Very genius thinking there too.

Nico: Not to mention that I feel I didn't earn the position of leader fair and square.

Madoka: Of course you did! Who was it that led the team to defeat Grandfather, Xehanort, and Mr. Mind? And it's not your fault that nightmare demon went after you.

Me: That's right Nico! You are a great leader and those three big missions just showed that you were ready!

Eli: That's right Nico! You are a GREAT Leader.

Me: And you proved you were ready!

Sunset Shimmer: That's for sure.

Rainbow Dash: Yeah Nico and it was awesome!

Me: And who was it that did a great job on their first mission as Leader in Paris? You!

Nico: Lincoln also told me about what happened under my leadership. Like Blackout and Barricade hiding the fact that they came from the Live Action Transformers world.

Gingka: You can't exactly blame them for that. Remember, their world grew to hate and fear Cybertronians.

Me: That's right Nico. And that happened in the Live Action Transformer Universe. And we had no idea the deceased Live Action Transformer Universe Transformers would wind up here in our universe.

Nico: True.

Qin: But it was still awesome meeting all of them that came here.

Madoka: It sure was.!

Rarity: Oh you darlings would love meeting some of them in the future.

Eli: They are so awesome too.

Nico: There's also the fact that under my leadership, Billy ended up brutally beating up J.D. out of jealousy.

Me: Yeah no kidding but I forgave him

Ryuga: Can you really be pissed at him? He's not exactly Albert Einstein. Having a small brain is who he is. From what I heard and saw, Cheese and Ed are the same way.

Nico: True. But Cheese is funny and can't seriously hurt someone no matter how he tries. And Ed is Leni's boyfriend who can turn into a monster form rivaling the Hulk in strength.

Me: But they love each other. Also Billy may be an idiot but he has done good things. Even though he is an idiot that did stupid things, he did good.

Nico: And just yesterday, under my watch, Mordecai and Rigby got into a huge fight.

Madoka: You had nothing to do with that. Besides, Rigby just wanted Mordecai not to leave him behind.

Me: Yeah that wasn't so wrong. Even though what he did was wrong it was still for a just cause.

Ryuga: Though I think Mordecai hoping that an Evil Sasuke would kill Rigby was probably a low blow.

Me: It was. But Mordecai was upset and didn't know what he was saying.

Nico: Oh.

Qin: That was low true.

Starlight Glimmer: But they made up for it.

Nico: Ok, maybe I'm being too harsh on myself. But it doesn't change the fact that an old enemy from me and Qin's past put that chip in Lincoln just to hurt me.

Madoka: What happened?

Me: We found out that an old enemy of Qin and Nico's named Audrey Madison put this inside Lincoln.

I pulled out a little bag and in it was the Rebellion Chip.

Madoka: What's that?

Me: It's called a rebellion chip. Audrey put it in Lincoln to cause him to rebel against Nico and his orders on the very moment he became Leader. It was all to get revenge on him for sending her to prison and Lincoln was on to her.

I told them everything and it was shocking.

Kenta: Oh my lord!

Eli: Yeah.

Me: But tomorrow during Lincoln's next rescue we're going to make sure that she suffers for having Lincoln go through this whole year doing all this.

Nico: Even after. What I just said, you guys still think I'm a good leader?

Me: Nico stop doubting and attacking yourself! You are a great leader no matter what and you are doing a great job.

Eli: That's right!

Madoka: I agree there!

Twilight Sparkle: Yeah!

Gingka: J.D.'s right, Nico. And to prove it, why don't you go help us with our next target?

Me: Who is it?

Gingka: It's Doji. He's one of the leaders of the Dark Nebula.

Me: What can you tell us about him?

Ryuga: I can answer that.

Ryuga told us about him.

---

Doji is a major recurring antagonist in the Beyblade Metal Saga and is the overall main antagonist of the series. He was the leader of the Dark Nebula Organization, a group that wanted to use the dark power of Beyblades to control the world, and later becomes a servant of Pluto and the Nemesis Bladers.

He was voiced by Takehito Koyasu in Japanese (who also voiced Nobuyuki Sugou in Sword Art Online, and Dio Brando in Jojo's Bizarre Adventure) and both Juan Chioran and Andrew Jackson in English.

Power-hungry, Doji and Ryuga first head to Komma Village to claim it as their own. They are stopped by Ryo Hagane, who has a quick battle with Doji, with Doji losing and Ryuga winning for him. As they leave, Doji keeps an eye on Gingka.

After hearing that Gingka beat Kyoya Tategami, he found Kyoya to be a possible ally. He showed up at his warehouse and told his gang he can help him beat Gingka. Doji then takes the Face Hunters to an area shrouded by fog and tells them he can help Kyoya get revenge. Not trusting him, Kyoya plans to leave before being stopped and fought by Doji, in which Doji wins and Kyoya stays. Doji later meets up with Kyoya's friend Benkei Hanawa, and gives him Dark Bull, falsely saying that Kyoya is working for him and beating Ginkga is the only way to save Kyoya. Benkei, however, fails to beat Gingka, which Doji doesn't find surprising.

He is later seen observing Kyoya's progress in Beyblade battles, then sends him to Wolf Cannon to find the fangs of the heart needed to beat Ginka. He even uses his AI Merci to gather data on Gingka so he can be defeated by Ryuga, which he succeeds in gathering data for the Dark Nebula. After Kyoya's training is complete, he sends him to the city to challenge Gingka after he beat Benki and Kenta. However, this battle ends in Gingka's victory. Doji then arrives, congratulating Gingka and telling Kyoya that he didn't get much training. He then proceeds to attack Kyoya, causing Gingka to get mad. However, Doji sends a rolling bolder his way before escaping.

The next night, he looks at Gingka's data and thinks that Ryuga can beat him. He later sees Gingka, Benkei, and Kenta arrive to the fortress. He sends out helicopters with Beyblades to stop the heroes, and while they fail to fight them at first, Kyoya goes to their aid and manages to help defeat them.

When he was done we were shocked!

Qin: WHOA!

Me: So he is one of the masterminds responsible for bringing back Nemesis. Then he will be the second of your enemies that we give the Black Gates.

Erica Haddock: Yep.

Me: And that will be the end of Dark Nebula.

Nico: Sari, who do you predict will be the main target?

Sari Kunzite: Let me see.

She then concentrated and then her eyes glowed neon pink and she saw us facing Nemesis and Rago and banishing him to the Black Gates and purging the world of his dark evil forever. And it was a massively explosive and powerful fight!

Sari Kunzite: Whoa!

She told us everything she saw and it was intense!

Ellie: Before we head out, me and the other Quantum Gorls will get changed into jumpsuits.

Me: Okay.

They went into the bathroom and changed.

Qin got a green jumpsuit, Erica's was red, Missy's was orange and Ellie's was light Blue.

Sari Kunzite: I don't have a jumpsuit sorry.

Nico: No worries.

They came out and were ready.

Rainbow Dash: Awesome!

Eli: Doji is over on the Tokyo Tower.

Me: Very iconic tour spot. But it will be good.

Nico: Yep. Lets head out.

Ellie Singh: This is gonna be awesome.

Devon: It sure will.

Nico: Let's get over there.

We were off.

---

We arrived at Tokyo Tower.

Me: Thar she blows.

We landed on the middle of the tower.

Nico: Here we are.

Me: Now lets see here.

We looked around and we saw a figure with glasses and black hair and it was DOJI!

Me: Target sighted.

Eli: Everyone you better clear out of here. This is gonna be brutal.

Everyone did so.

I fired a blast of fire and it hit Doji and bashed him into the wall and we stood before him.

Me: Daidoji, you are dead.

Doji: So Team Loud Phoenix Storm has come. Come to give me praise?

Me: No. We're going to kill you.

Erica: It's over for you.

The Quantum girls concentrated. Then, Qin's muscles began to increase, something grew in Missy's butt, Erica's teeth sank into her gums, and Ellie's hands turned into claws. They transformed and the girls were in their GENE-SLAMMER FORMS!

Scalebreath: Time for you to burn!

Erica roared and Missy was surging with psychic energy.

Ellie was ready for speed.

Nico: You will pay for everything you did.

Ryuga: I killed you before and I can kill you again.

Devon: IT'S MORPHIN TIME! Activate Beast Power!

He transformed!

Devon: UNLEASH THE BEAST!

Twilight Sparkle: Power up girls!

Twilight and friends were enveloped in a rainbow light and they had THEIR RAINBOW POWER READY!

Me: Dark Nebula is finished Doji.

I unsheathed my Decaforce Sword and so did Sari.

Sari Kunzite: Can you see the future Doji? Your future is death and eternal oblivion in the Black Gates.

Me: Nemesis will die and so will ALL of your plans.

Gingka: Beyblade, let it rip!

He launched his Beyblade!

Doji launched his blade called PHANTOM FENRIR!

Me: Take this!

I fired blades of fire and they hit Doji and exploded!

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was blasted down!

Sari Kunzite: WHOA! Time for this! HOLY LIGHT PURIFICATION!

She fired a beam of light from her Million Suns sword and it hit Phantom Fenrir and expelled the darkness of Nemesis from it and banished it to the Black Gates!

Doji: NO!

Me: Try this. MEL FORCE!

I had my sword turn into Mel Force and I fired a wave of wind and blew him into the wall!

Devon: (gets out Whiplash's Astroswitch) See how you like this!

He activated it and formed energy whips and lashed him all over.

Ryuga: BEYBLADE LET IT RIP!

He launched METEO DRAGOO!

Nico: Take this!

He fired waves of energy and blasted Doji all over.

Me: I think I'll stick with Explosion!

I slashed him all over and then.

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMM!
KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM
KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMM!
KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMM!
KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

Juni: (gets out Miranda Frost's Astroswitch) Don't forget me!

He flicked it and got her sword and he slashed Doji all over and cut him in his face and chest.

Kenta: CHEW ON THIS!

He jumped and kicked Doji in his face and punched him in his mouth and knocked out some of his teeth!

Scalebreath fired fire blasts and blasted him all over.

Me: Uh oh.

Then Nico stood ready.

Missy used her psychic powers to hold Doji in place.

Nico: Doji do you ever experience fear?

(VEGETA TRANSFORMS THEME PLAYS)

Nico then flared up his power to an incredible level and the sky stormed up with incredible power and his aura turned rainbow fire and lightning struck everywhere and then his hair turned RAINBOW POWER! THEN IN A MASSIVE FLASH OF LIGHT WITH A MASSIVE EXPLOSION OF FURY, NICO TRANSFORMED INTO A WHOLE NEW ULTIMATE SUPER SAIYAN FORM! His hair grew longer and was all over him and he had intense lightning surging all over him and his eyes were rainbow color and his aura was rainbow color! HE TURNED INTO A SUPER SAIYAN RAINBOW INFINITY!

Me: WHOA!

Eli: UNBELIEVABLE! NICO IS MORE POWERFUL THAN EVER BEFORE!

Twilight Sparkle: WOW! This is amazing!

Me: WOW! Nico you look incredible!

Nico: (DIVINE ECHOING VOICE OF RAINBOW REDEMPTION) **That's right. I call this form Super Saiyan Rainbow Infinity. I am now as powerful as you are in your Super Angel Celestial Eternity Xelnaga form.**

Me: Incredible!

Missy hurled Doji towards Nico.

He punched Doji in the face and sent him flying into the air and he teleported and kicked him in the stomach and huge amounts of blood poured out of his mouth! Nico then punched him into the street!

Me: WHOA! Unreal!

We went down to the street.

Doji got up and he was brutally mangled.

Nico: **I should tell you all how this happened.**

Me: Sure Nico.

Nico: **Before I joined the team, my path was very strong and powerful. When I found out about my races crimes because of Frieza, I vowed to redeem them and bring them back into the light. My motivation was my races redemption. My motivation was bring them out of the darkness of that ruthless galactic tyrant's crimes forever. Until the shadows of darkness sank their fangs into me that is.**

* * *

Nico went over a flashback of everything that happened to him over the course of his life. Starting with how he accidentally killed Ken.

Nico: (VOICEOVER) **The accidental death of Ken Ichijouji the Digimon Emperor At my hands when I discovered my power has been like a demon inside me. Oikawa may have** brainwashed Ken but it was all part of MaloMyotismon's plans to plunge the world into eternal darkness and that day haunted me for over a decade. But then came the final confrontation with the very monster that plagued my life and when I saw him feeding on the darkness of those he poisoned with his evil something just snapped inside me and that's when I became a Super Saiyan and I destroyed a Super Ultimate Level Digimon with ease. But that day still haunted me and for 13 long years I was plagued by darkness and demons. But then I met J.D. and everyone and fell in love with May who became the greatest love of my life and also met Kakarot and Vegeta and knew that there were more Saiyans on Earth. Then over the years in Team Loud Phoenix Storm, as second in command we did so much and did so many adventures together and went through so many hardships. But the worst of them all was The 20 Days of Darkness when Xenmas resurrected all my demons inside me and made me do terrible things against my will. It was a nightmare that makes me angry and wishing that we could have done something earlier. Even with all my training at countless times normal gravity and beyond I did my best to suppress the demons in me. But that day still haunted me in my memories. All my training and adventures and hardships with all you guys and all the dark times we endured became a powerful fight to keep myself in the light. It took every ounce of my will power. But in the end J.D. resurrected my entire race and I brought them on the road of redemption. But then on one of my rescues I stood face to face with the very monster that plagued my life from the very moment I killed Ken by accident, MaloMyotismon and I unleashed my most Powerful Super Saiyan Form ever, Super Saiyan 7. I destroyed that monster forever and made him pay for everything he did. But then came the nightmare of Team Loud Evil Storm on Universe 666's Earth when we faced that evil Version of me. When I faced him it felt like I was fighting the very demon in myself amplified times 100 and he was the most evil version of me ever. It took every ounce of my power to face him and I won. My drive is what got me through it and that was my friends, my love for all my wives and all the good in my heart. But the demons still haunted me and fearing that I would lose control again I decided to head over to a planet in the endless reaches of space where I would figure something

**out. I was unhindered by the distractions of everyone on Earth by training in the solitude of space and when a violent electrical storm erupted in the skies of the planet I was on, I welcomed it. It was very fitting for me like it was an outward manifestation of the storm of darkness that raged inside me for 13 years. Then the meteors started coming down and I was still determined to survive and keep alive as I trained hard on that nightmarish rock. I thought I had everything under control until the largest mother of all meteors came to appear out of nowhere to claim my life. Normally for someone like me it would have been child's play to blow up that rock, but after training at so heavy an amount of gravity for so long, it took every ounce of power I had to stop it. Then something just snapped inside me.**

FLASHBACK NICO: NO NO MORE! YOU DEMONS HAVE PLAGUED ME FOR THE LAST TIME! I WON'T LET YOU TORMENT ME ANYMORE! I DON'T CARE WHAT YOU SAY TO ME! I WON'T LET YOU HURT ME OR MY FRIENDS EVER AGAIN!

Nico: **I didn't care! I didn't care if I got so powerful as J.D. to help him. I didn't care if I lived or died. And then suddenly I went beyond Super Saiyan 7 and then IT HAPPENED!**

**Nico unleashed the transformation we saw earlier!**

FLASHBACK ENDS

Nico: **That's right. That's how I transformed into this most powerful form you all see before you. THE SLEEPER HAS AWAKENED AND THE LIGHT HAS DESTROYED THE DARKNESS! THE SAIYANS HAVE BEEN REDEEMED AND I AM NOW PURE AND RELIEVED OF MY DARKNESS FOREVER!**

We were amazed!

Me: Unbelievable! So that explains what that massive energy signal was!

Twilight Sparkle: Incredible!

Sunset Shimmer: Amazing!

Rainbow Dash: Nico is now more powerful than ever before!

Devon: Nice!

Me: Nico! I always knew you would be able to do this! You finally are purged of all your demons!

Eli: It's true Nico! You have been totally purified!

Fluttershy: You did it Nico!

Devon: That is amazing!

Juni Cortez: Well done Nico!

Nico: **Thanks to all of you guys. You all have been my true friends ever since 4 years ago. And for everything you have done for me I will always be forever indebted to you.**

Me: Think nothing of it.

Scalebreath: That is awesome

Gingka: Now lets get this monster for good.

Nico: **With pleasure.**

I kicked Doji to Nico and Nico then kicked him in the crotch and smashed his entire pelvis into dust with a massively nasty and sickening crunch!

Ryuga: I knew you could do it, Nico.

Me: There was no doubt about it!

Nico: **Thanks guys!**

Me: That was epic! Master Vegeta told me he said something very similar to Android 19 and Dr. Gero and to everyone back then.

Eli: That is incredible!

Madoka: Wow! That is amazing!

Me: Lets finish him guys. Shall we?

Nico: We shall.

We fired waves of energy and blasted him all over.

Me: Time to finish this once and for all guys.

Nico: **You read my mind.**

I teleported and sent Doji into the air.

Nico: **Time for you and Dark Nebula to die! Here it comes, a little going away present for you! (LAUGHS)**

He fired an energy ball and it hit Doji and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

EXTREMELY MASSIVE AND UNBELIEVABLY POWERFUL FIERY EXPLOSION OF INCREDIBLE POWER!

DOJI WAS COMPLETELY OBLITERATED IN AN INSTANT!
THERE WAS NOTHING LEFT OF HIM!

He was even banished to the Black Gates forever!

Me: UNBELIEVABLE!

Ellie Singh: WOW!

Me: Way to go Nico!

Eli: YEAH!

Gingka: That was AMAZING!

Scalebreath: Now to revert back.

Me: Okay.

I gave them new clothes.

I put a dome of darkness over them.

Nico then powered down.

Nico: Man that was incredible!

Me: How do you feel Nico?

Nico: I feel great! I feel much better now.

Qin and the girls reverted back and they were back to normal and then they put on their clothes and then they knocked on the dome.

I lifted it and they were clothed.

Erica Haddock: Wow! That was amazing!

Nico: Thanks for your kind words, guys.

Gingka: No problem Nico.

Me: It was all of us that helped you.

Qin: But man Nico your new transformation is incredible!

Rarity: It sure is darling!

Twilight Sparkle: It sure was amazing!

Nico: I guess having that bomb in me is no longer needed. But we'll hold on to it just in case.

Me: Yeah.

Madoka: That was still incredible though.

Me: It sure was.

* * *

We came home and we saw blood all over the floor and many of the male members were covering their ears! There were many of the team having intense nosebleeds!

Me: What the!? What a mess!? Are Lincoln and Kurumu still going at it?

William: Ugh its been like this for 3 hours!

Qin: GEEZ!

Nicole: I tried to put up silencing barriers around it but it's still not enough! Succubi magic is really strong!

May: Yeah no kidding! (Sees Nico's changes) Whoa Nico you look incredible! Did something happen?

Nico: LOTS of things happened.

We told everyone what happened and more and it was unbelievable.

May: WHOA! Nico this is amazing!

Camie: Wow! That is so cool!

Lola: It sure is! Awesome job guys!

May: Next time, Yost Wolverine and Gentaro will go with you.

Me: Good idea!

Camie: But that is amazing that you transformed Nico!

Nico: Yep. It sure is.

Qin: Yeah it was awesome.

Eli: Who is gonna get Doji's blade?

Me: I think I have a good idea.

---

Later we were having another contest. But it was a burping contest.

Aeleus: I can't believe we're doing this.

Nico: At least it's not a baked beans or spicy food contest.

Aeleus: True.

Me: Top this one. (GUZZLES DOWN SODA) Here we go! (LOUD BELCH)

Twilight Sparkle: Wow! 3 Seconds at 56 Decibels! Nice one!

Me: Thanks.

Simba: Watch this one. (LOUD BELCH!)

Twilight Sparkle: 5 seconds at 55 decibels!

Timon: Whoa nice one Simba.

Simba: Thanks.

Nico: Watch this one. (LOUD LONG BELCH!)

Nico belched really loudly.

Twilight Sparkle: Whoa! 120 Decibels at 10.5 seconds!

Me: Nice one Nico!

Nico: Thanks.

Julie Makimoto: This is so gross!

Gorem: You said it!

Lola: Now here is me. (SUPER LOUD LONG BELCH!)

SHE BELCHED WITH THE FORCE OF AN ATOMIC EXPLOSION! IT BLASTED NICO INTO THE WALL!

Me: WHOA!

Nico: Ow.

Twilight Sparkle: HOLY MAGIC! 75 Seconds at 512 decibels!

Me: WHOA!

Lola: GO LOLA! BIGGEST BURP! UN UH UHUHUHUHUH!

She did a victory dance!

Lori: And the new burping champion is LOLA LOUD!

We cheered for her!

Bubbles: Boy that was fun! Burp!

Buttercup: Bubbles that was fake.

Me: Boy that is a powerful belch!

Qin: Yeah!

Grim: (Jamaican Accent) Yeah Lola! Your burp makes you the rootinest tootinest six-shootinest poop scoopinest cowpoke ever to poke a cow in the eye!

Demolishor: Proud of yourselves?

Me: We sure are. Excuse me. But man that was awesome Lola!

Lincoln and Kurumu came out and Lincoln was covered in blue lipstick marks and his hair was a mess and his clothes were a mess. Same with Kurumu.

Me: Boy you guys REALLY had a good time.

Kurumu: It was so amazing.

Lincoln: (In heaven) I thought it was awesome.

Wreck Gar: You really missed a lot.

Lincoln: (Shakes head) Man those were loud belches.

Kurumu: Lola really did a big one.

Me: You got that right. And your love making caused lots of the team to squirt blood from their noses all over the place.

Lincoln: Sorry.

Nicole: But you guys are crazy too.

Nico: A little help here?

Me: Sorry Nico.

Me and May pulled him out of the wall.

Me: But Lincoln and Kurumu you should have seen what happened on Ellie's 3rd mission.

Kurumu: We'll have to hear about it.

Trent: Nico, which teams have you made this time?

Nico: Weiss' team will include I M Weasel, Flynn McCallister, Summer Landsdown, Dillion, and Gem. Pyrrha's team will include Sheila Kelsall, Ravi Shaw, Zoey Reeves, Nate Silva, and Steel.

Me: Cool! Looks like the RPM and Beast Morpher Rangers all can get their shot as well!

I M Weasel: And it will be an amazing honor to be in a team with Weiss. I will make it exciting for I M Weasel!

Me: That's the spirit!

Nico: Yeah!

Ravi Shaw: It sure will be cool.

Gem: Yeah it will!

Me: Don't worry Gemma we'll find a good team for you.

Gemma: Thanks guys.

Then the previous group of M.O.E. Members came.

Unicorn: Can me, Captain Cold, Trap Jaw, Beast Man, Killer Shrike, Mummy, Shendu, Hsi Wu, Loki, and New Wave go with you guys?

Capricorn Zodiarts: Me, Evil Blizzard Man, Roulette, Zeru, Lanhua, Mummy of Anhk-Ha, Evil Butane Man, Fenghuang, Quakemon, and Yani will go with you guys too.

Nico: Yes you guys all can come with.

Me: And we just got our latest mission. I got a call from Mandy and it turns out their bus broke down in the middle of the desert on their way to the Science Museum in Arizona and they are stuck out there.

Nico: Uh oh.

Eli: Again!? Boy that trip to the Science Museum must be cursed.

Qin: Yeah. But I'm getting a strong sense of deja-vu that we'll be visiting that laboratory where we battled those chickens.

Laney: Me too. Those were some tasty huge chickens.

Nico: They sure were.

Reflector: Nico, which Gene Slammer do you think you'll meet next?

Nico: Golbat next. I have a feeling that one will be cool.

Qin: Golbat is neat.

Lola: It sure is.

Camie: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Nnoitra Gilga, the 5th Espada of Aizen's army, and he's coming here to get revenge on us for what we did to Sōsuke Aizen. When we saw it, we knew it

meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Nnoitra Gilga coming after us?

Lincoln: You guessed it, Rayman, and he's coming here to get revenge on us for what we did to Sōsuke Aizen.

Rukia Kuchiki: I should've guessed that as soon as word hit of that traitor's death, another of his minions would come after us. But, be careful, he's the most delusional and sadistic of the traitor's army and he's also a misogynist.

We gasped.

Amelia Gehabich: Then, that also makes it even easier to say he deserves to die.

Nico: And if there's another thing we can't stand, it's misogynist bastards who think they're better than girls.

Lincoln dropped a piano on NO MA'AM's heads and Al Bundy and the group howled in agony.

Al Bundy: (Hollering) Hey, we didn't say anything!

Me: (Yelling) You were already thinking it, you pig!

Nico: (Snickers) I knew you were going to drop a piano on that moron's head, along with the other women-hating morons. But, laughter aside, this bastard's got to go.

Amelia Gehabich: And that'll be left to me, Alice, Alpha Hydranoid, and Lincoln, and the next Field Spell Lincoln plays, I hope it's somewhere really dark.

Nico: Now, that would be absolutely perfect. Alright, gang, let's go, we've got a bunch of Giant Super Chickens from the Cold War to turn into giant chicken dinners.

Lincoln: We're going to have plenty of chicken dinners for weeks when we get done with them, and as soon as we're finished with those giant chickens, you're next, Nnoitra Gilga.

Trap Jaw: I hope we eat some Ayam Kampong chicken.

Roulette: We don't even know what kind they are.

Me: Well you'll see them soon enough. Some of you may know what they are later.

Nico: Lets head out.

---

Flying over the deserts of Arizona, we were on our way.

Nico: Boy what a rotten spot to get a flat tire.

Me: Yeah and in the middle of the desert too.

Eli: Boy this was a really bad spot.

Fu: The last place on Earth I would want to have to have a flat tire is here in the desert.

Himiko: No kidding there! And it was on a field trip to the Science Museum too.

Eli: Of all the rotten luck.

Camie: For the second time.

Kaoruko: Yeah. I hope Billy and his friends are all okay.

Nico: Yeah they will be.

Casey Rhodes: I hope so.

Varie: Wonder what caused them to break down this time?

Lola: No idea.

Kurumu: But man this is a brutal spot too.

Me: Yeah.

Nico: Keep your eyes peeled.

Unicorn: DIdn't you guys face these chickens before?

Me: We sure did and we found out that it was a long forgotten Cold War Military Project.

Nico: Yeah that was crazy. And in the end we had awesome huge roasted chickens for our 4th of July Barbecue.

Unicorn: Oh yeah! Those were really tasty.

Varie: Yeah they sure were.

Lola: Yep.

Nico: You should have seen how big they were!

Qin: But they were still tasty.

Puppetmon: (to Lincoln and Winter Icyin) Look, guys. When me and Cyborg Cat made that comment about Lincoln enjoying Mordecai and Rigby fighting, we didn't really have any real malice intended.

Cyborg Cat: We were just concerned for Mordecai and Rigby. That's all.

Icepick: We can understand that.

Lincoln: I can tell you were just poking fun.

Cyborg Cat: Yeah that was not a good comment though. Sorry about that.

Nico: Ah no worries guys.

Me: Look there.

We saw the bus and the kids were all digging for fossils in the middle of the desert.

Nico: There's the bus.

We flew down.

Nico: Hey are you guys okay?

Irwin: We are thanks to you guys coming.

Me: Boy this is the 2nd time this happened.

Qin: Yeah no kidding!

Maria: Are you guys all thirsty?

Pudn: Boy we sure are.

We saw Sperg eating Pudn's arms and legs.

Me: Sperg!

I went up to him and pulled out a spray bottle and sprayed him with vinegar!

Me: Drop them now!

He spat them out!

Me: All of him!

He spat out his foot! GROSS!

I reattached his limbs.

Me: (To the viewers) That is still a crazy way to put people back together huh?

Laney: But at least you all are okay.

Xenia: Yeah.

Maria: Do any of you have heat stroke?

Mandy: We're just really sweaty but we could use some water.

Maria gave them all plenty of water.

Bai Tza: Boy you guys are so unlucky going on this trip.

Mordecai: (to Winter Icyin) Winter, that all started because I was too harsh yelling at Rigby. So, if you want to freeze someone, freeze me!

Mummy of Anhk-Ha: You're not being frozen, Mordecai.

Mummy: Although wishing that an Evil Sasuke would kill Rigby was probably harsh.

Mordecai: I know. I was really upset and I didn't know what I was saying.

Winter Icyin: (British Accent) But you are not going to be frozen. You were forgiven and you mended your friendship.

Lola: Yeah.

Lana: Lets take a look at your buss.

We did so and found out that the buss got a flat because it ran over a cactus.

Skullgrin: Are you guys okay? For real?

Mandy: Yes we are.

Irwin: Yeah.

Camie: Good.

Maria gave them all plenty of water.

Eli: Wait I sense a disturbance over to the northwest.

Me: Just like before.

Varie: Then we better go see.

Nico: We better check it out.

Mandy: I'm in. Lets go exploring.

Grim: (Jamaican Accent) I'm with you sister.

Billy: Yeah!

Me: Good thing Mindy isn't here to ruin all your fun.

Irwin: Yo.

Nico: Thank goodness.

Me: In the mean time.

I made a food tree for everyone.

Me: We'll be right back everyone. You all eat to your hearts content.

Sperg: Thanks guys.

We went and followed Eli.

Billy trying to get on top of another pile of rocks while he's breathing for air since the sun is hot.

Billy: I'm so thirsty… !

Grim: Go suck a cactus.

Billy found one and sucked on it and he got prickles on and in him! OUCH!

Nico: Ouch.

Maria gave Billy some water.

We then later found a strange footprint in the ground.

Unicorn: What's that?

Maria: We're not alone here.

Zuria: Looks like a footprint.

Mandy: What do you think made them?

Grim: I don't think I want to know.

Sly Cooper: I got a really bad feeling about this.

Beast Man: Hmm. Looks like a bird footprint.

Trap Jaw pulled out a measuring tape and measured it.

Trap Jaw: No bird alive today could make a footprint this big.

Me: No kidding there.

We walked up the hill and Billy jumped on the rocks like a goat.

Billy: Look! I'm a Billy goat! (BLEETS)

WHAT AN IDIOT!

Grim: If only he had the brain of a Billygoat.

Me: Yeah.

Unicorn: Hmm.

Fenghuang: We're gonna need water for everyone.

Hsi Wu: And fast!

Me: Don't worry we've got plenty.

Then we got to an Abandoned Mine.

Eclair: Looks like an abandoned mine here.

Juvia: Looks like it was here for years.

SpongeBob: Yeah..

Billy: COOL! (Echoes) There's someone down there and he sounds like me!

Me: That's your echo you pumpkinface!

Erza Scarlett: Boy looks like no one used that mine for a long time.

Grim: He makes me feel so very intelligent.

Casey Rhodes: Anyone here?

Me: I don't see anyone.

Lucy Heartfilia: Me neither.

Then we heard a creature hiss loudly!

Me: What the?

Nico: What the hell was that!?

Eli: I don't see anything!

Gajeel Redfox: I don't see anything either.

Wendy Marvell: I'm getting a really bad feeling about this.

Then we heard rocks crumble and then a teal blue feather fell and I picked it up.

Me: Wow. No creature can make a feather this big.

Penny (Rescuers): That's a big feather.

Fluttershy: I'm getting scared here. I hope that's not a Cockatrice feather.

Nico: I don't think so.

Volcana: Oh boy.

Mandy: I think we should go. Now.

Me: Right.

Billy: I gots to go now my friends are leaving! (Echo repeats it) Hey!

His friends are leaving too!

He was about to leave when suddenly a huge foot grabbed him and pulled him far into the mine!

Me: Whoa!

Nico: Billy!

Eli: Oh no!

Mandy: We got to go get him.

Varie: Right!

Fangry: Oh well. Tough luck for Billy.

William: Dude!

Fangry: Oh, c'mon! You know what he did to J.D. a few days ago!

Nico: No argument there. But he's still one of us!

Me: Now come on guys! I forgave Billy for what he did. Now come on!

We went into the mine.

Nico: Stay close.

Zuria: Right.

Nico had his flashlight on and then we saw A REALLY HUGE CHICKEN! It was clucking and pecking at Billy! It was a ten foot tall chicken!

Zuria: Look at the size of that chicken!

Unicorn: It's huge!

Grim: That is one big chicken!

Nico: But it looks tasty!

Irwin: Yo!

The chicken roared and carried Billy away.

Nico: Lets go!

We went after it and came to a big metal door with a hole in it.

Unicorn: Wonder where this leads.

Me: Only one way to find out.

We crawled through the hole and we were in a big room.

Grim: Where are we?

Laney: Somebody hit the lights.

Mandy flicked the lights and then we saw that we were in some kind of laboratory.

Nico: What is this place?

Eli: Looks like some kind of laboratory.

Camie: Still in use.

Grim looked into a tank and then an ugly chicken in it screeched at him and he screamed.

Me: Whoa!

Xenia: Those are gross chickens!

Optimus Prime: Ugly is the right word.

Aylene C.: This is not right!

Mandy: Yeah. Those are some ugly chickens.

Me: Weird too. Like they're from another planet.

Yani: Maybe that's probably the case.

New Wave: We DO have alien chickens in our ranks after all.

Me: That's true.

Qin: Yeah. But unfortunately that's not the case.

Nico: And look at that big tank there

Lori: Looks like something literally busted out of it.

We saw a huge tank that was smashed open.

Mandy: I guess we know where our giant poultry came from.

Puppetmon: Wonder what they were doing with all these chickens?

Varie: It must've been for something big.

But then a door opened and a man came. He was a scientist.

Me: Oh hello sir.

Scientist: (Austrian Accent) Hello Team Loud Phoenix Storm and Masters of Evil. Let me answer that for you. This laboratory was built underneath a dormant volcano and used by ze military to train superchickens during the Cold War.

Me: So that's what this is!

Unicorn: I've heard about this kind of project. After the United States and Russia stopped test firing nukes they went into very peculiar and unusual experimentations. Superchickens was one of them..

Scientist: Yes. After budget cuts and a few mishaps, I'm the only one left. Now the chickens have escaped. If those chickens get out into the city, (Paranoid) THAT'S IT MAN! GAME OVER! GAME OVER MAN! I MEAN! WHAT ARE WE GOING TO DO NOW!? (GRABS ME) WHAT ARE WE GOING TO DO!?

Me: Sir get ahold of yourself!

Nico: What the Hell have you done?!

Zuria: These guys were really playing with fire that's what!

Mandy: Grim can't you do anything about these chickens?

Grim: Nah these monsters were all made by science. Out of my jurisdiction.

Lisa Loud: This is more my field to be honest.

Me: All the fields of science actually.

Mandy: Well then this situation calls for some good old fashioned buttkicking!

Me: Now you're talking!

Volcana: Lets go pluck some feathers!

Maria: Lets go fry some chickens!

Nico: What do we do with the scientist?

Me: We'll have him help us. Like he did before.

Scientist: That's right! It's time to terminate this experiment!

Me: I agree. The Cold War ended 30 years ago.

Nicole: Right! Lets go!

Mandy took Grim's scythe and we followed her.

Grim: Hey! That's mine.

Me: Entrance time guys!

Xenia: Lets do it!

Bomb Burst: First, we need to get Billy away from them!

Nico: Lets do it!

(While Billy is sleeping on the nest, the Baby Chicks pop out for their eggs while Billy looks surprised)

Billy: Awww. You guys are so cute!

(Baby Chicks are angry at Billy)

Billy: Aww! Turns those frowns upside down…

(Baby Chicks starts hissing at Billy and he becomes nervously scared)

UH OH!

Billy: Uhh… did someone wake up on the wrong side of the yolk?

The Baby Chicks start eating up Billy and he starts screaming.

Then the spirits of the Underground City Monsters and the Forces of Skeletor appeared and swirled around the chickens and then converged and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted through the door and a phoenix cry wass heard!

Mandy: Allright you dumb clucks! There's a NEW packing order…

Me: Take your filthy feathers off him you damn dirty chickens!

Camie: Yeah what he said!

(Mandy uses Grim's scythe to kill all the Baby Chicks until it shows their skin and they use spider webs to escape)

Billy: (sadly) Aww… we were having fun!

Me: Get ready guys!

Nico: They're coming back!

Grim: And they brought friends!

Billy: Yay!

BONK!

I bashed Billy on the head.

Grim: It's obvious they have already pecked your brains out.

Nico: But stand ready guys!

Luan: This one sure is EGG-Citing! (LAUGHS) Get it?

Me: Love the jokes Luan but now is not the time.

Loki: If we're gonna have the usual battles, we need to destroy as many chickens as we can!

Quakemon: That won't be a problem!

Me: But this will be fun. And I know just the spot!

Then HUGE CHICKENS APPEARED!

Billy: HERE THEY COME!

Me: Follow me!

The chickens roared as they chased after us.

Scientist: That was amazing!

Me: It was!

We went down a hole and into a huge lava cave! It was filled to the brim with huge eggs!

Grim: Look at all those eggs!

Me: So many of them!

Zuria: These are huge eggs!

Billy: (Hillbilly talk) And I'm a hungry as a jaybird on a diet on the 4th of July! (Cracks an egg) Look I'm Rocky Balboa! (Eats an egg raw) (SCREAMS) (Tongue Disintegrates into a cinder)

OUCH!

Unicorn: Yichihuahuas! That must've hurt!

Scientist: Superchicken Eggs have acid yolks.

Nico: NOW you tell us!

Me: But this gives me an idea!

I fired waves of fire and fire blasts and blew the eggs up all over left and right and fired massive explosions all over the place.

Xenia and Nuova Shenron fired waves of fire and arrows and blew a bunch of eggs and chickens all over.

Ed: Sorry we have to do this, chickens!

Slog: Just bear with it, Ed!

Eddy: We know how much you love chickens lumpy but these are not the kinds of chickens you like!

Ed: You're right!

We fired waves of energy and fire and blasted the chickens left and right and blew them apart all over!

Camie: Take this!

She fired waves of fire and energy and blew them apart!

Shendu: These chickens are fried!

Evil Butane Man: Damn right they are!

Me: Yeah they are!

Qin: And they will be our dinner soon.

Xenia: Yep.

Me: Is this what you guys all fought in that alien chicken universe?

Nico: No those were chickens from another planet. These are chickens made by science.

Ravager: Time to cut some chicken wings!

Shee was slashing the chickens apart and cutting their heads off.

Me: Fluttershy I know it's sad seeing them be cut like this but unfortunately we have to stop these chickens from getting out or we're all going to die.

Fluttershy: I know J.D.

She fired waves of energy and blasted them all over.

Lola: Take this!

She fired waves of fire and blasted them all over.

Nico and Sydney slashed and blasted and smashed the chickens all over.

Killer Shrike: Like shooting fish in a barrel!

Lanhua: But with no fish!

Me: Yeah!

We fired waves of lightning and electrocuted and toasted the chickens all over.

Sea Clamp: We're having lots of dinner tonight!

Me: You better believe we are.

Xenia: Yeah we sure are.

Lola: And nothing is more delicious than a chicken dinner.

Camie: Yep.

Zeru: Beast Man, are you able to control them?

Beast Man: I can try!

He saw some chickens coming and shockingly his mind control powers DIDN'T work on them.

Beast Man: It's not working!

Me: These monsters are unnatural and your mind control only works on the natural.

Nico: Weird.

We fired more blasts of fire and burned them all over.

Sheep Man: Sheep's are better than chickens any day of the week!

He fired waves of lightning and blasted them all over.

Qin: Take this!

She fired waves of fire and blasted numerous chickens all over the place.

Xenia: And this!

She fired waves of arrows and blasted the chickens all over.

Captain Cold: (freezes a chicken) Hey, Blade. You said cold turkey before, right? (Laughs)

Evil Blizzard Man: These aren't Turkies!

Me: That is funny!

Nico: Make them go COLD TURKEY! Funny!

Blade: I only said that to help Whistler get cured. Not fucking literally.

We got them on the run.

Me: Okay that will hold them off till we finish the usual battles.

Nico: Okay.

Me: Whew! I'm really sweating.

Nico: Me too.

Then Beetle, Cad Bane, Boomerang, Titanium Man, Cheshire, Multiple Man, Silver Samurai, Blizzard, Whiplash, Major Disaster, Katz, Cloak and Dagger, Evil Wood Man, Kung Food, Gypsy Moth, Star Creature, Evil Wind Man, Neapolitan Man, Snake, and Evil Winter Man appeared.

Nico: Beetle, Cad Bane, Boomerang, Titanium Man, Cheshire, Multiple Man, Silver Samurai, Blizzard, Whiplash, Major Disaster, Katz, Cloak and Dagger, Evil Wood Man, Kung Food, Gypsy Moth, Star Creature, Evil Wind Man, Neapolitan Man, Snake, and Evil Winter Man.

Beetle: Those are a lot of chicken corpses.

Nico: I know!

Me: Boy you aren't kidding! We counted 99,999,999 of them!

Camie: Yeah!

Cad Bane: The victory meal you guys are gonna have is gonna be delicious.

Boomerang: (Australian Accent) Damn right it will be!

Me: Yeah it sure will be!

Titanium Man: (to Nico) We heard you went to Mon World.

Nico: We sure did.

Cheshire: How was it?

Me: It was awesome! But on Lincoln's rescue we found out something crazy about Lincoln and one of Nico and Qin's past enemies.

Cheshire: What is it?

Me: You are not going to like it.

Hate Master then appeared and we got a massive and incredibly powerful increase in power.

Me: Hate Master! You sure are a glutton for punishment.

Hate Master: I know.

Me: Cool.

Hate Master: The hatred I'm giving to you guys is gonna be an appetizer before you eat all those chickens.

Me: It's still enough to reenergize us.

Laney: It sure is.

We got the battles underway.

---

Connor McKnight, Rainbow Dash, Scootaloo, Air Skylanders, Dino Thunder Rangers, Hulk, Leanbow and Trent VS Beetle - Nico's rescue

---

Beetle was first.

Beetle: (to Connor) Nico's rescue was in Mon World. I bet Eccentro liked being home.

Connor: He sure did and it was really cool.

Rainbow Dash: It's always awesome going to Mon World.

Scootaloo: Yeah it sure is and it's awesome seeing what's there and it's amazing.

Whirlwind: Yeah it sure is awesome.

Kira Ford: It sure is. It's always cool.

Hulk: Hulk Love good adventure in Mon World.

Beetle: Glad you guys had fun. Lets do it!

Connor used the Mango Lockseed and got a Mango War Club and he read a verse and summoned a massive herd of Tyrannosaurus's and smashed Beetle all over and they fired waves of lightning, wind and rainbows and smashed him down.

## Jack Landors, Rarity, Sweetie Belle, Water Skylanders, SPD Rangers, Anakin, Obi Wan, Ahsoka, Reflector and Demolishor VS Cad Bane - Battling Another Capricorn Undead Zodiarts and Another Eccentro

---

Cad Bane was next.

Cad Bane: (to Jack) Nico, Linka's team, Eccentro's team and the others did good Battling Another Capricorn Undead Zodiarts. And Another Eccentro as well.

Jack Landors: They sure did and it was cool.

Cad Bane: Also I did not expect the Another Capricorn Zodiarts to be one of Padme's sisters as well as the Sailor Soldier for the planet Naboo. That is amazing.

Rarity: Oh it most certainly is. We all thought it was really amazing.

Sweetie Belle: We found out that Natalia was sent to Earth when the war was at its worst and there was a possibility that Sith Lords were going to find her and destroy her. So they sent her to Earth.

Gill Grunt: That was smart thinking on their part on Naboo.

Sydney Drew: It sure was. I'm amazed they did that.

Cad Bane: She will make an awesome addition to the team. General Skywalker you must be really happy for Padme to have her sister back.

Anakin Skywalker: I sure am and Padme was really happy to see her again.

Obi Wan: And so will Queen Amidala in the future.

Ahsoka: I agree too. I'm glad she is with the team and it's amazing she is a Sailor Soldier too.

Cad Bane: I'm glad for her. Lets do it!

Jack used the Jewel Fruit Lockseed and got a Jewel Sword and he read a verse and fired waves of jewels and smashed him all over and they fired waves of water, ice and jewels and smashed him down.

---

Nick Russell, Sunset Shimmer, Pipsqueak, Fire Skylanders, Mystic Force Rangers, Ty, Sly, Shazza, Icepick and Scowl VS Frederick Myers A.K.A. Boomerang (Marvel) - Lincoln's Rescue

---

Boomerang was next.

Boomerang: (to Nick) Heard Lincoln battled Reflux on his rescue. How was it?

Nick Russell: It was really awesome and it turned out to be a double whammy battle. We took down both Reflux and the Tuffle Parasite, Baby. Not only that but we found out the reason why Lincoln was rebelling against Nico's orders.

Sunset Shimmer: We found out from Lincoln's guardian angels that a nasty enemy of Nico's named Audrey Madison implanted a rebellion chip into Lincoln and we removed it. Kurumu removed it.

Pipsqueak: (British Accent) It was what was causing Lincoln to rebel.

---

Lincoln: We'll get you back for that later, Rayman.

Suddenly, we saw a light shining on Lincoln's butt.

Luna: Uh, dude, what's with the light on your butt?

Nicole: Wait a second, that's a chip! We need to perform a surgery, stat!

Varie: Leave that to me!

Varie formed a wall around Lincoln, and Kurumu performed the surgery, and as soon as she was done with the operation, the wall came down, and Lincoln now had a sore butt, and in Kurumu's hand is a chip.

Nico: What is that?

Me: Never saw a chip like that before.

Lisa Loud: (Gasps) Sweet Einstein, that's a Rebellion Chip. Someone implanted it on Lincoln, and that caused him to rebel against Nico's orders.

We gasped.

Me: What the fucking nine levels of Hell?!

Nico: So, that's what's caused his rebellious attitude. But, who could've done that?!

Nicholette Torrington: (Gasps) Oh, sweet cisterns of The Underworld. Guardian Angels, we got a Code: Black!

Lincoln's Guardian Angels: A Code: Black?! (Gasps) That bitch!

Nico: Nicholette, do you and the other Guardian Angels know who did this?!

Nicholette Torrington took out a picture of a girl with black hair, punk clothes, and a sadistic grin on her face, and when Nico, Qin, and his friends saw who it was, they gasped in horror.

Qin: Oh God, not her!

Nico: I'm afraid so, that's Audrey Madison.

Me: You know her?

Nico: I wish we hadn't, Audrey Madison was the meanest, nastiest bitch from school, she got her sick kicks and thrills from tormenting and torturing us and the teacher for her sick amusement. This one time, she stuck a bunch of firecrackers down a girl's pants, and they went off, and she got hurt and burned badly. They had to take her to the hospital and amputate her legs.

We gasped.

Qin: Nico eventually got that bitch expelled for her crimes and sent her to prison, but we soon heard the news that she escaped from prison and… (Realizes something) Oh shit, that means, she ran off to Royal Woods, Michigan!

Lincoln: (Gasps) Now, I remember her all too well. I've seen her in school, she tried to pass herself off as a good student and she tried to become a Guardian Angel to me, but the other Guardian Angels had been on to her, and so was I, and when they found out she got Chandler, his goons, Pablo, and Anderson to attack me, so that she can "save" me and become a Guardian Angel to me, they told me about her plan, and that confirmed our suspicions, and we then told Principal Huggins.

Nicholette Torrington: And as punishment for her crimes, she got suspended for a month, but when her identity was leaked to the school, we called the cops on her, but before the cops came, she shot something into Lincoln's butt, and that set me off and I put a curse on her called Zure, Knight of Dark World's Nightmare Knight

Torment. She then ran off before the cops arrived. (Realizes) That thing she shot into Lincoln's butt was that Rebellion Chip, which was designed to activate the moment that Nico became the leader of Team Loud Phoenix Storm.

Qin: I knew it, after we had her arrested, she swore she would get revenge on Nico for getting her expelled and sent to prison.

Me: That fucking bitch!

Nico: My words exactly, she tried to use Lincoln to get her revenge on me for getting her expelled and sent to prison. You girls really did an awesome job ratting her out to Lincoln, and you were also right to be suspicious of her, Lincoln.

Me: Yeah great job girls.

Lincoln: I knew she was trouble, but to find out you got her expelled after her little stunt, now she's really going to get it.

Zennia Nikolaevna: (Russian Accent) She will, Linky.

FLASHBACK ENDS

Boomerang: Oh my god! I didn't know about that mates!

Sunburn: No one even saw it coming. In fact no one knew what was causing Lincoln to rebel like that until we found that chip on him.

Madison Rocca: Yeah but at least we saved him.

Ty: (Australian Accent) Yeah that was terrible she did that mates.

Sly: (Australian Accent) No kidding. But if we see her we will make her pay.

Shazza: (Australian Accent) That is for sure mates.

Boomerang: No kidding. We did not see this coming mates. Lets do it!

Nick used the Fire Fruit Lockseed and got a fire blaster and then he read a verse and fired waves of fire and smashed him all over the place and then they fired waves of fire and smashed him down.

Mack Hartford, Starlight Glimmer, Cozy Glow, Undead Skylanders. Operation Overdrive Rangers, Iron Man, Skullgrin and Submarauder VS Boris Bullski A.K.A. Titanium Man - Meeting a Ghostrick Jackfrost gene-slammer

---

Titanium Man was next.

Titanium Man: (to Mack) I heard you guys met a Ghostrick Jackfrost gene-slammer. What's her name?

Mack Hartford: Her name is Winter Icyin and she is a really awesome and cold angel for Lincoln.

Starlight Glimmer: Boy she sure is awesome and cool.

Cozy Glow: And her story is crazy.

---

Winter Icyin: (British Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Winter, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Winter Icyin: (British Accent) That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Winter, do you have a story on how you pulverized Lila Rossi?

Winter Icyin: (British Accent) Indeed I do. It happened long before she broke out of her cell in The Saturn Insane Asylum, I went down there to mongrelize her for the crimes that she committed against all of Paris, and I saw a lot of words on the walls, "KILL AND DESTROY TEAM LOUD PHOENIX STORM AND THE MASTERS OF EVIL!", "KILL MARINETTE AND HER STUPID FRIENDS!" and "BURN ALL OF PARIS TO THE GROUND!", and even worse, it was written in her own blood.

We gasped.

Winter Icyin: (British Accent) I knew that she'd lost her mind big time, so I decided to piss her off a lot more by firing blasts of darkness and ice at her, and she went completely berserk, and she tried to get out of her cell to attack me, but I called the guards and they restrained her and put her in another straitjacket and chained her to the cell.

Nico: What a monster bitch!

Kurumu: You said it.

We suddenly heard the loud angry screeches and screams echo in our ears and Nico and Lincoln's energy auras, along with all of our energy auras, flare up and we got stronger.

Lincoln: Sounds like Audrey found out about the Rebellion Chip being removed from my butt and destroyed by Kurumu.

Nico: That bitch's attempt at revenge on me has been crushed, and she waited until I became the new leader of Team Loud Phoenix Storm to activate it. She's been wanting me dead ever since I got her expelled for that firecracker incident, and she also wanted Lincoln to be kicked out of the team, so she can kill him as well.

Nicholette Torrington: That motherfucking bitch, now I'm glad that curse I put on her is still haunting her. But, you know what, I'm that close to killing her myself! No one does this to our man and gets away with it!

FLASHBACK ENDS

Titanium Man: My goodness! Lila is REALLY asking for trouble and the Black Gates in the future.

Hex: You better believe she does! Also I take it you heard about what happened to Puppetmon and Cyborg Cat?

Titanium Man: Yeah they were given a slap on the wrist for those remarks.

Rose Ortiz: That's good. As long as they don't do them again.

Iron Man: Yeah that's the last thing we want.

Titanium Man: Indeed. Lets do it!

Mack used the Skull Fruit Lockseed and got a Skull Club and he read a verse and they fired waves of skulls and smashed him all over and they fired waves of stars, lightning, magic, skulls, bones and energy and smashed him down.

---

Silver Samurai: (to Jayden) Billy and Mandy's Bus breaking down in the middle of the desert. Was it because of a flat tire?

Jayden Shiba: Yeah it sure was. They accidentally ran over a cactus and it popped a tire.

Twilight Sparkle: And on a really bad place to break down too.

Starshine Sparkle: Especially in a hot and dry place like the desert.

Spyro: And miles away from civilization too. They were on their way to the Science Museum when it happened.

Mia Watanabe: Of all the rotten luck for them.

Silver Samurai: I agree there too. This is the second time that has happened to them. The first was on the 4th of July?

Pinkie Pie: Yeah but it is not a good thing to have happen to you.

Maud Pie: (monotonously) I don't mind it myself because there's all sorts of rocks and minerals and fossils in the desert.

Featherweight: Yeah but at least they are all safe.

Sprocket: No kidding there.

Devon Daniels, Princess Celestia, King Solar, Solar Eclipsa, Amber Morning, Light Skylanders, Beast Morpher Rangers, War Machine, Sea Clamp and Spittor VS Marco Scarlotti A.K.A. Whiplash - "Which Came First - The Chicken or The Egg" is one of the oldest questions in the history of the universe, but these chickens are monsters that were made as weapons

---

Whiplash was next.

Whiplash: (to Devon) "Which Came First - The Chicken or The Egg" is one of the oldest questions in the history of the universe. But these chickens are monsters that were made as weapons.

Devon: They sure were. And that is one of life's oldest questions ever since Reptiles started laying eggs on land over 340 million years ago. Also did you ever know about this Super Chicken Project during the Cold War?

Whiplash: As a matter of fact, yes I have heard about this project. Years ago when Russia and the U.S.A. Stopped test firing nukes, they went into crazy and weird experiments and the U.S.A. started making super chickens to combat Russia in a massive ambush attack because they thought that no one would suspect chickens of attacking a country.

Princess Celestia: Boy that is really crazy!

King Solar: Yeah no kidding. But I'm glad that Russia and the U.S.A stopped that.

Whiplash: I know. But after the Soviet Union fell from power, this was one of the projects that they completely forgot about and no one even knew that it was still in business from the shadows even after all this time.

Solar Eclipsa: That is really crazy though.

Amber Morning: No kidding there. How in the world can they keep on doing this even if they don't have the money for it?

Spotlight: That is a really good question.

Zoey Reeves: Yeah no kidding there.

Spittor: I guess the United States Government forgot some projects even though the Cold War ended over 30 years ago,

Sea Clamp: That is a possibility.

Whiplash: Yeah we're going to have to tell the president about that. Lets do it!

Spittor: This is always fun and these chickens are gonna be good food and dinners. Spittor, TERRORIZE!

He transformed!

Sea Clamp: They sure were tasty during our 4th of July barbecue. Sea Clamp, TERRORIZE!

He transformed too!

Rukia Kuchiki: I should've known there's no mistaking that voice from anywhere. You can come out now, Nnoitra Gilga.

A figure came out, and it was none other than Nnoitra Gilga, the 5th Espada of Sōsuke Aizen's army.

Rukia Kuchiki: I should've known you'd show your face yet again, as soon as word of the traitor's death reached you.

Nnoitra Gilga: Shut up, bitch! You fools have ruined my master's plan to destroy the Soul Society and the human world, and now, I will make every last one of you suffer for what you did!

Amelia Gehabich: Now, that was just rude, you don't ever talk to a lady like that! Looks like it's up to me to teach you some manners!

Suddenly, Amelia Gehabich's pink eyes turned neon pink, and she was surrounded by a black and indigo energy aura with darkness, dark energy, shadows, and hydras, she unholstered her massive Alpha Hydranoid-themed greatsword from her back, and as she approached Nnoitra Gilga, she left black and indigo energy, darkness, dark energy, shadows, and hydras with every step.

Amelia Gehabich: Just like with your lord, I will never ever forgive you for the crimes that you have committed against both the Soul Society and the human world, Nnoitra Gilga, so many have suffered because of you, and now, I will see to it that you never rise from the dead ever again.

Suddenly, Amelia Gehabich was surrounded by a massive vortex of black and indigo energy with dark energy, darkness, and shadows surrounding the vortex, there's an army of hydras and the Darkus Bakugan, Alpha Hydranoid, flying around the vortex, and in the vortex is a pink phoenix. Then, as the vortex faded, Amelia Gehabich emerged, but she was changed forever.

Suddenly, Amelia Gehabich's massive Alpha Hydranoid-themed greatsword and all the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black and indigo energy, darkness, dark energy, shadows, and hydras, and when it emerged, it was transformed into Alpha Hydranoid's Dark Shadow Darkus Greatsword of Darkus Shadow Hydra Justice, it's a brand-new massive greatsword with embedded black and purple gems and the Darkus Bakugan, Alpha Hydranoid, etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight black hydra heads for the crossguard, large indigo gem embedded in the rainguard, longer midnight black handle, four large midnight black hydra heads and a large indigo gem below the hydra heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with indigo gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of one of Alpha Hydranoid's heads with red gems for eyes and a large indigo gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. Amelia Gehabich has transformed into SUPER ANGEL-HYDRA-HARMONY CELESTIAL ETERNAL XELNAGA DARK SHADOW DARKUS BAKUGAN DEATH HYDRA ANGEL OF DIVINE HYDRA DARKUS DARKNESS JUSTICE AND DIVINE DARKUS SHADOW HYDRA LOVE!

We were amazed by Amelia Gehabich's Super Angel Celestial Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Nnoitra Gilga saw it, he rushed at her to kill her, but Amelia Gehabich fired a powerful black and indigo energy blast with darkness, dark energy, and hydras at Nnoitra Gilga and it exploded with incredible power, and sent him flying into a wall, he got out, and he was really pissed off now.

Alice Gehabich: Incredible, Amelia's transformed.

Lincoln: And with us about to join in, Nnoitra Gilga's in even more trouble now, and Amelia, you look beautiful, how do you feel?

Amelia Gehabich: (Divine Echoing Cosmic Voice of The Indigo Darkus Shadow Death Hydra and Divine Indigo Darkus Hydra Love) I feel incredible, Linky. Now, shall we finally put this misogynistic Arrancer down like the mad dog he is?

Lincoln: (Smiles) With pleasure, Amelia.

Alice Gehabich: Alright. Alpha Hydranoid, let's give them a hand.

Alpha Hydranoid: Understood. We can't let them handle this by themselves.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Amelia Gehabich, and Alice summoned Alpha Hydranoid, and they joined Lincoln and Amelia Gehabich.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty,

Generosity, Kindness, Selflessness, Courage, and Trust) Your days of trying to help Sōsuke Aizen destroy The Soul Society are over, Nnoitra Gilga, and now, it's time for you to die.

Amelia Gehabich, Lincoln, Alice Gehabich, and Alpha Hydranoid went after Nnoitra Gilga, who tried to attack them with his Santa Teresa Zanpakutō, but they dodged it, and they fired extremely powerful blasts of rainbow energy, black and indigo energy, crosses, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, fairies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Tortoises, Succubi, Incubi, Hydras, and Mermaids at Nnoitra Gilga, and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Let's take this to a more appropriate battlefield. I activate the Field Spell, Zaralaam the Dark Palace.

Lincoln activated the Field Spell, Zaralaam the Dark Palace, and a scary-looking palace appears out of nowhere. Then, Amelia Gehabich, Lincoln, Alice Gehabich, and Alpha Hydranoid viciously attacked Nnoitra Gilga with unrelenting fury, and this angered him, he transformed into his Resurrección form by releasing his Zanpakuto.

Amelia Gehabich, Lincoln, Alice Gehabich, and Alpha Hydranoid: Time for you fear the true powers of the darkness, Nnoitra Gilga. INDIGO DEATH TRIDENT NIGHTMARE!

Amelia Gehabich, Lincoln, Alice Gehabich, and Alpha Hydranoid fired powerful blasts of indigo and black energy at Nnoitra Gilga and they exploded with incredible power and he was burned badly by the dark flames. Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Amelia Gehabich, her hand-cannon Blaster is known as Alpha Hydranoid's Darkus Shadow Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's black with indigo flames on the blaster with a Phoenix, Angel, and Alpha Hydranoid and the Darkus Symbol surrounded by earth etched on the sides, and indigo gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Amelia Gehabich fired blasts of rainbow energy, black and indigo energy, and elemental forces at Nnoitra Gilga and as they hit him, they exploded with incredible power, and he was mortally injured.

Then, Lincoln and Amelia Gehabich beheaded Nnoitra Gilga and as his spirit appeared, they gave him The Black Gates and he was erased forever. We cheered wildly as Lincoln and Amelia Gehabich holster their massive greatswords on their backs and power down, and Amelia Gehabich's new body, clothes, weapons, jewelry, Third Eye, eleven massive midnight black wolf tails, and massive midnight black angel wings are permanent.

Amelia Gehabich: That'll learn ya, you women-hating mongrel. Thanks for helping me with putting an end to Nnoitra Gilga, Linky, and the same goes to you and Alpha Hydranoid, Alice.

Lincoln: (Smiles Warmly) You're welcome, Amelia.

Alice Gehabich: It was an honor to be able to fight alongside you, Amelia.

Alpha Hydranoid: Indeed.

Suddenly, Amelia Gehabich wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Amelia Gehabich's face, they kissed passionately as Julia

Makimoto's left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Alpha Hydranoid flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and darkness behind them and we cheered wildly. Lincoln and Amelia Gehabich came back to us as the display and Alpha Hydranoid vanished, along with Zaralaam the Dark Palace.

Nico: Oh man, now that's what I call a battle between an evil Arrancer and the Masters of Darkness, awesome job, and that Field Spell you used, Lincoln, that was really scary.

Lincoln: I did want to experiment with the Field Spells to add variety to the battles, and it worked, but I should've done so when Sōsuke Aizen showed up.

Me: That's alright, Lincoln, but your experiment worked. Next time, we'll take the ending battles to the Field Spells.

Madison Darkblazer: That's a good idea, and you know what tomorrow is, Lincoln.

Lincoln: Oh yeah, not only is tomorrow Day 12 of the Dark World Treasure Hunt, but we're also going to face Szayel Aporro Granz, Madison, and you guys will also see Battle Ax Vladitor in action.

Me: Yes. Plus, it's payback time on that bitch, Audrey Madison. So, tomorrow.

Nico and Lincoln: It's war on Audrey Madison!

Qin: I am gonna rip that bitch in half for what she's done long ago in attacking and torturing us and the teachers, and for what she did in implanting that Rebellion Chip on Lincoln's butt long ago, now she's gone and stepped in deep shit now!

Helena McTroy: Get in line, Qin, if anyone's going to rip that bitch in half, Selene Slytherin's getting the first shot.

Me: Lets blow this popsicle stand!

I fired an energy blast at a column in the cave and blasted it and I formed a force field around us and then the volcano erupted and then we were sent flying out of a volcano and the chickens were all fried and they rained down.

Kids: YAY! FOOD!

We landed!

Nico: That was a close one!

Multiple Man: I think I'll use my clones to carry all these chicken corpses.

Silver Samurai: That's probably a good idea.

Nico: Yeah.

Blizzard: We're gonna have an awesome dinner tonight.

Me: Yeah we sure are. I'm starving.

Whiplash: Let's go back to Sperg and the others.

Major Disaster: And get that flat tire fixed.

Me: Good idea.

Nico: But good job today everyone.

Mandy: (To the viewers) Never mess with the laws of nature or else.

Vince: Yep. I got to report this to the President and tell him what we found out.

Nico: Okay.

We later fixed the bus and later went back home and had a great meal. Then we enjoyed the rest of the day and went to sleep.

Well, now she better say her prayers, because payback is coming for that bitch, and she's heading right back to prison where she'll stay there until the day she dies. And we're going to meet Ramona Qingzhao, Gene-Slammer of Ghostrick Jiangshi, she's Lincoln's Guardian Angel from China and his classmate in English, she's a Jiangshi and she was born with the powers of darkness and snow and she also knew of Lincoln being a vampire-werewolf hybrid, just like the other Ghostrick Gene-Slammers. She's also the cousin of Hsien-Ko, and she knew all about her cousin's fights with the creatures of the night. Ramona is also a trained hunter of the evil undead and exorcist, and she also knows how to exorcise a home and a person/family plagued by angry spirits, and she knows how to banish those spirits back to The Underworld using the rites of exorcism. And being a Jiangshi, she, just like Lincoln and many of the other vampires on the team, gets blood from the blood bank. She's also good friends with Lucy and her friends in The Young Morticians' Club and she'll also become an awesome member for The Goths of Darkness, and she hates Billy McLean with a burning passion and she wants nothing more than to drain him dry of blood and send his soul to the Underworld. Get ready for a Christmas mystery to clear Santa's name as we go stop Cousin Mel from the awesome iconic cartoon and one of my favorite movies, Grandma Got Run Over By A Reindeer and we're going to bring Mel to justice and make sure she pays for trying to ruin Christmas.

See you next time.

# REINDEER GRANDMA MYSTERY

Me: Boy Agrabah sure has gotten much more fun and amazing.

Nico: It sure has. I'm glad it's all doing good.

Xenia: Same here.

Weiss: It's awesome coming here.

Me: Yep. Kazuma what do you think of Agrabah?

Kazuma: Boy this is an amazing place.

Me: It sure is. Also you helped us out here on January 31st, 2021 during the 20 Days of Darkness here.

Kazuma: Boy I remember that. That was awesome.

Eli: It sure was.

Me: It's a darn shame that none of the other Kamen Rider teams like those of Faiz, Build, Gaim, Hibiki or those that didn't help out during that time appeared.

Touma: It was still awesome to hear about it though.

Lola: Yeah it sure was.

Weiss: Yep.

Nico: Weiss, I want to thank you, Abis Mal, and your teams for coming.

Weiss: Not a problem Nico. It's awesome helping you guys out like always.

Lincoln: It's really fun Weiss.

Me: Yep, it sure is. How does it feel to be back on your home turf Abis Mal?

Abis Mal: It feels really great.

Nico: Weasel, Your name is also like a pun.

I M Weasel: It does feel that way doesn't it. But it's always fitting for me.

I.R. Baboon: I.R. Should have been better than idiot weasel!

Qin: Weasel how did you put up with I.R. Baboon over the years?

I M Weasel: The guy is an idiot. But he and I have been good friends for a while as well.

Xenia: Still you guys have been a funny team too.

Nico: It's like he's the brawn and you're the brains.

I M Weasel: (LAUGHS) That is true on that.

Me: But it is funny how I.R. Has done all kinds of crazy shenanigans and I M Weasel has done so much good to fix those shenanigans.

Laney: I heard this one time I.R. Baboon was a pig farmer and he was stinking up a whole town with pigs that ate baked beans.

Camie: That is silly and funny.

Laney: Yeah no kidding.

I M Weasel: Yes it sure is. I invented flowers that take in stinky smells and it farts out a delightful perfume scent.

Lola: That is pretty cool.

Zuria: Boy it sure is.

Varie: Yeah.

Me: Boy yesterday's mission was a weird and crazy one.

Nico: But we ate lots of chicken yesterday.

Me: We sure did and it was all really tasty.

Eli: But those chickens were huge ones.

Qin: But their eggs REALLY were acidic.

Xenia: And they burned off Billy's tongue!

Camie: Ouch!

Lola: Yeah no kidding!

Tsuyu: But in all honesty we had no idea that it was all a forgotten Cold War experiment.

Sirius: No one even knew about it.

Aylene C.: It might have either been classified information or just didn't know about it until now.

Applejack: Well either way we still have to find those projects and report them so we can shut them down now that the Cold War is over.

Nico: I'm just glad Sperg and the others didn't get heat stroke.

Me: Me too. Man that was a horrible spot to break down.

Xenia: It sure was.

Lana: At least we fixed the bus up and everyone is safe.

Laney: Thank goodness.

Varie: Yeah. They need to go to a different science museum that is not out in the middle of a desert.

Nico: I agree there.

Lola: Yeah no kidding.

Maria: Or we could just move the museum somewhere else.

Me: That works Maria.

Nico: Good idea there.

Varie: Yeah.

Eli: But still I'm stuffed still.

Me: Me too.

Nico: Same here. They were just that awesome and good,

Nico: We'll just have to postpone the usual battles until tomorrow.

Me: Fine with me. I could use a break. A tiny one.

Qin: Yep.

Lola: Yeah. Give us time to reenergize.

Lana: Yeah.

We arrived at the palace and to our surprise it was quiet.

Varie: Guys do you think something is off?

Nico: No why?

Me: Hmm. Now that you mention it, it's quiet. Too quiet.

Vroon: They must be planning a surprise party for us.

Eli: I don't think so. I sense something big.

Nico: I feel it too.

Me: Whatever it is, it's not good.

Xenia: Yeah.

But then we heard sword clashing!

Me: Uh oh!

We looked through the window and saw Aladdin, Jasmine and Genie fighting ROGUE PALACE GUARDS!

Me: Oh man! The Guards are uprising!

Nico: Lets go!

We went at them.

Then the spirits of the Season of Christmas appeared and they swirled around the Rogue Guards and they converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and a phoenix cry was heard and we landed and were clashing with the guards all over!

Aladdin: You guys made it just in time!

Me: Luckily we were in the area Aladdin.

Nico: Yep.

Jasmine: Thank goodness. (Sees Kazuma) Wait is that Kamen Rider Blade? He helped us out during the 20 Days of Darkness.

Kazuma: That's right Princess.

Me: Long story on that but we'll tell you later. What's the deal with the guards?

Abis Mal: Usually, they're trying to catch me. Not the other way around.

Aladdin: It's a nasty uprising! Someone caused the guards to go rogue and turn them against the Sultan!

Nico: And I think I know who it might be!

Qin: Audrey Madison!

Jasmine: Who is she?

Eli: Ugly story.

Me: We'll tell you about it later. Right now we got to help you guys.

I clashed with a guard and kicked him in the face and kicked him in the crotch and then teleported behind him and gave him an atomic wedgie!

Iago: Take this one!

He shoved tons of crackers that were rotten into the guards mouth!

Camie used her Quirk and an illusion of lots of beautiful harem girls came and the guards went head over heals over them.

Then Eli fired waves of Force Lightning and electrocuted the guards all over.

Maria: Better use the MOE Cannon now!

Maria got it out.

Maria: (TURNS DIAL) WATER MAELSTROM FORCE!

She summoned Hydro Man, New Wave, Demyx, Aqueduct and Universe 666 Arthas The Lich King!

Qin: YEAH!

Hydro Man: Boy looks like the fun has started.

Lola: It sure has.

Zocks and Kaito: Zenkaiju Gear!

They donned their Zenkaiju Armor!

Me: Time for some fun. (ACTIVATES RAZOUL'S RIDEWATCH)

I got Rzoul's sword and slashed the guards all over the place.

Nico fired waves of lightning and electrocuted then

Maria fired blasts of water.

Lola: And here's fire!

She fired waves of fire and burned them.

Varie fired waves of ice and froze them.

Eli: Wait look!

We saw blinking lights on their necks.

Me: Just as I suspected.

Nico: We need to get those chips out of them!

Lincoln: Leave that to me! I'm Going Ghost!

Lincoln turned into LINCOLN PHANTOM!

He went intangible and phased though the guards and got MANY chips out of them. One for each one.

Aladdin: Chips were controlling them?

Me: Yep.

Nico: Lincoln was going through this because of an old enemy of mine and Qin.

Jasmine: And you said her name was Audrey Madison?

Nicholette: Yep. This is her.

She showed a picture of her and it was awful.

Genie: (Imitating Edward G. Robinson) Whoa she looks like one Bad girl see. Nyah.

Me: You better believe she is!

Qin: Yeah no kidding.

Nico: We should explain what was going on.

Lincoln: Allow me.

He told them what happened and all that and it was crazy.

Aladdin: Oh man!

Jasmine: Lincoln we're so sorry you were going through all that!

Abu came and gave Lincoln a banana parfait for him.

Lincoln: Aw thanks Abu. And thanks guys. No one knew about it.

Me: Yeah for this entire year we never even knew this was all a revenge plot done by one of Nico and Qin's enemies.

Lola: Yeah no kidding.

Camie: But the good thing is that Lincoln is back to normal.

Nico: Well, until Lincoln's rescue later, there's nothing we can do about her.

Me: Yeah. Lincoln said he has a really awesome surprise for her later on.

Carly Atlas: Yeah we're excited too.

Misty Tredwell: We can't wait to see what it is soon.

Me: Yeah.

Nico: But that's not all we're here for.

Aladdin: I have a feeling it will be awesome. But Kazuma it's great to see you again.

Kazuma: Same to you Aladdin. Its been a long time.

Aladdin: Ever since the 20 Days of Darkness.

Me: Yep. We found him on one of the planets for Thanksgiving last month. We found out some intensely dark and crazily bittersweet things about what went down with him and also we found out that Hiroshi was behind it all.

Eli: Yeah Hiroshi made the Blade team a living nightmare and made Kazuma and Hajime destined to kill each other if they ever see each other.

They gasped.

Eli: But Ariel would not like seeing herself as a dark side mermaid.

Nico: Let's not mention that to Ariel.

Me: Agreed. But she is bound to see it sooner or later.

Nico: But who are you?

Another Aquarius Undead Zodiarts: (In a girls voice) J.D. knows me.

Me: (GASP) That voice.

She reverted back and was a sailor soldier with aqua blue hair and had blue Sailor clothes on.

Me: (GASP) Audrey Calahari A.K.A. Sailor Mon Calamari!

Nico: WHOA! Mon Calamari's Sailor Soldier!?

Eli: Hey that is cool!

Sailor Mon Calamari: It sure is. And it's good to see you again J.D.

Me: Same here Audrey.

Maria: You know Calamari is squid, right?

Sailor Mon Calamari: I sure do. But my home planet has helped out in the great war against the Empire for years.

Eli: We sure do know that.

Me: Yeah those were wicked battles.

Nico: But how do you know Audrey?

Me: She's my friend from Marine Biology Class and she knows all about the water and fish and she is an amazing water master and also is a mermaid.

Nico: WHOA!

Lola: Wow! A Sailor Soldier of Mon Calamari that is also a mermaid and a powerful water master.

Sailor Mon Calamari: Yep.

Lola: Awesome!

Camie: Yeah!

Maria: Let's see if you can do Well on land.

Pinkie Pie: Oh let me fight her!

Me: Pinkie Pie said she will face her. By the way Audrey are there anymore opponents with you?

Sailor Mon Calamari: Yes there is. Another one of him.

She pointed to Abis Mal.

Abis Mal: By Allah! Another version of me!? Wow!

Nico: Wow!

Me: (Speaking in Arabic) سيكون هذا التعامل ممتعًا مع نسخة أخرى منه. (This will be interesting dealing with another version of him.)

Zuria: What did you say?

Me: I was speaking in Arabic. I said that This will be interesting dealing with another version of him.

Zuria: Oh.

Varie: Wow.

Sailor Mon Calamari turned into Another Aquarius Undead Zodiarts and Pinkie Pie fired waves of energy and blasted her down and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She exploded!

I caught the Rouse Card and Zodiarts Switch and purified them and the Rouse Card had a picture of the stars and symbol of Aquarius the Water Bearer and a mermaid with a pitcher in its arms.

Me: Awesome.

The Zodiarts Switch glowed and turned into Armbands for all those marked with Aquarius.

Pinkie Pie: This is amazing!

Nico: It sure is.

I went and picked up Sailor Mon Calamari and brought her over.

Sailor Mon Calamari: What a headache.

May: I swear, if this is another hostile one…

Eli: No I sense it's not a hostile one.

Maria: Good.

Me: If it was May you would probably hit one of the columns.

May: I sure would. How did you know?

Me: Just call me psychic.

Then a dark version of Abis Mal came out and it was ANOTHER ABIS MAL!

Nico: Whoa! Another Abis Mal!

Me: This one will be good.

Another Abis Mal: (In a girls voice) (Arabic accent)

Me: (Gasp) Ameerah Farooqi!

Another Abis Mal: It's good to see you again J.D. my friend.

Me: Same to you Ameerah.

Nico: You know her?

Me: Yes I do. Her name is Ameerah Farooqi and she is from Pakistan. She comes from the wartorn city of Abbottabad.

Nico: I know that city.

Me: Yep. She moved to America to start a new life. But I got her out of her family's home when we found out that her family had ties to terrorist organizations. And her family was dishonored by her dating me and just as they were about to kill her I got her out and the police came and arrested the parents.

Nico: Good riddance!

Qin: Yeah that is completely despicable!

Another Abis Mal: It sure is Qin.

Me: Yep. I knew Ameerah from my geography classes and she is a really smart and gifted girl that knows all about Pakistan and what it went through with the wars and all that.

Nico: That's cool.

Me: Yep. My family was gonna have her move in with us. But she disappeared before that could happen.

Nico: Now we know why.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Another Abis Mal: Yes he did. He promised to expose the terrorist organization that my "Parents" Worked for and destroy them.

Me: We did that years ago actually.

Nico: What was the organization they worked for?

Me: It was called the Jaysh Halaqat Alyaqut or the Sapphire Rings Army. They are a branch of the 10 Rings Terrorist Organization and their goal is to destroy America to make it pay for its crimes. They were gonna the entire capital and all the major cities of the USA to kingdom come with nukes and chemical weapons and send America back to the Stone Age.

Everyone gasped!

Nico: I remember them! They were bad news!

Lola: Yeah no kidding!

Me: But Ameerah told me all about them and I gave all the info on them to the FBI, The CIA, INTERPOL and everyone and we found them over in Chad and destroyed them with a massive bombardment of thermite bombs and blew them to smithereens.

Nico: Yep.

Lola: Wow! That is amazing!

Me: Yep. Sorry we have to fight like this Ameerah.

Another Abis Mal: No worries. Just come at me with everything you got.

Me: Okay.

Weiss: I think I'll start us off. (ACTIVATES ABIS MAL'S RIDEWATCH)

Lincoln: My turn! (ACTIVATES ELECTRO'S RIDEWATCH)

(JUST THE WAY YOU ARE BY BRUNO MARS PLAYS)

Lincoln: (SINGING DIVINELY AS LIGHTNING SWIRLED AROUND HIM)

Oh, her eyes, her eyes

Make the stars look like they're not shinin'

Her hair, her hair

Falls perfectly without her tryin'

She's so beautiful and I tell her everyday

Yeah, I know, I know

When I compliment her, she won't believe me

And it's so, it's so

Sad to think that she don't see what I see

But every time she asks me, "Do I look okay?"

I say

When I see your face

There's not a thing that I would change

'Cause you're amazing

Just the way you are

And when you smile

The whole world stops and stares for a while

'Cause girl, you're amazing

Just the way you are

Yeah

Her lips, her lips

I could kiss them all day if she'd let me

Her laugh, her laugh

She hates, but I think it's so sexy

She's so beautiful and I tell her everyday

Oh, you know, you know

You know I'd never ask you to change

If perfect's what you're searchin' for, then just stay the same

So don't even bother askin' if you look okay

You know I'll say

When I see your face

There's not a thing that I would change

'Cause you're amazing

Just the way you are

And when you smile

The whole world stops and stares for a while

'Cause girl, you're amazing

Just the way you are

The way you are

The way you are

Girl, you're amazing

Just the way you are

When I see your face

There's not a thing that I would change

'Cause you're amazing

Just the way you are

And when you smile

The whole world stops and stares for a while

'Cause girl, you're amazing

Just the way you are

Yeah

He floated and spread his wings and fired waves of lightning and smashed her down.

Me: Love that song!

Nico: Nice job Lincoln!

Lincoln: Thanks Nico.

Nico: (gets out Abis Mal's Ridewatch) You want me to hit you with everything I got? How about I hit you with everything Abis Mal's got?

He activated it.

(I WANT IT THAT WAY BY BACKSTREET BOYS PLAYS)

Nico: (SINGING DIVINELY AS JEWELS SWIRLED AROUND HIM)

Yeah

You are my fire

The one desire
Believe when I say
I want it that way
But we are two worlds apart
Can't reach to your heart
When you say
That I want it that way
Tell me why
Ain't nothin' but a heartache
Tell me why
Ain't nothin' but a mistake
Tell me why
I never wanna hear you say
I want it that way
Am I your fire?
Your one desire
Yes, I know it's too late
But I want it that way
Tell me why
Ain't nothin' but a heartache
Tell me why
Ain't nothin' but a mistake

Tell me why

I never wanna hear you say

I want it that way

Now I can see that we've fallen apart

From the way that it used to be, yeah

No matter the distance, I want you to know

That deep down inside of me

You are my fire

The one desire

You are (you are, you are, you are)

Don't wanna hear you say

Ain't nothin' but a heartache

Ain't nothin' but a mistake (don't wanna hear you say)

I never wanna hear you say (oh, yeah)

I want it that way

Tell me why

Ain't nothin' but a heartache

Tell me why

Ain't nothin' but a mistake

Tell me why

I never wanna hear you say (don't wanna hear you say)

I want it that way

Tell me why

Ain't nothin' but a heartache

Ain't nothin' but a mistake

Tell me why

I never wanna hear you say (don't wanna hear you say)

I want it that way

'Cause I want it that way

He danced and fired waves of jewels and smashed her down!

Qin: YEAH! Love The Backstreet Boys!

Me: Time for some action. (ACTIVATES UNIVERSE 666 KING SOMBRA'S RIDEWATCH)

(LOSING MY RELIGION BY R.E.M. PLAYS)

Me: (SINGING DIVINELY AS DARKNESS SWIRLED AROUND ME)

Oh life is bigger

It's bigger than you

And you are not me

The lengths that I will go to

The distance in your eyes

Oh no I've said too much

I set it up

That's me in the corner

That's me in the spot-light

Losing my religion

Trying to keep up with you

And I don't know if I can do it

Oh no I've said too much

I haven't said enough

I thought that I heard you laughing

I thought that I heard you sing

I think I thought I saw you try

Every whisper, of every waking hour

I'm choosing my confessions

Trying to keep an eye on you

Like a hurt, lost and blinded fool, fool

Oh no I've said too much

I set it up

Consider this

Consider this the hint of the century

Consider this the slip

That brought me to my knees, failed

What if all these fantasies come

Flailing around

Now I've said too much

I thought that I heard you laughing

I thought that I heard you sing

I think I thought I saw you try

But that was just a dream

That was just a dream

That's me in the corner

That's me in the spot-light

Losing my religion

Trying to keep up with you

And I don't know if I can do it

Oh no I've said too much

I haven't said enough

I thought that I heard you laughing

I thought that I heard you sing

I think I thought I saw you try

But that was just a dream

Try, cry, fly, try

That was just a dream

Just a dream

Just a dream, dream

I floated and fired waves of darkness and smashed her down.

(FIGHT SONG BY RACHEL PLATTEN PLAYS)

Rarity: (SINGING DIVINELY AS JEWELS AND SYMBOLS SWIRLED AROUND HER)

Like a small boat

On the ocean

Sending big waves

Into motion

Like how a single word

Can make a heart open

I might only have one match

But I can make an explosion

And all those things I didn't say

Wrecking balls inside my brain

I will scream them loud tonight

Can you hear my voice this time?

This is my fight song

Take back my life song

Prove I'm alright song

My power's turned on

Starting right now I'll be strong

I'll play my fight song

And I don't really care if nobody else believes

'Cause I've still got a lot of fight left in me

Losing friends and I'm chasing sleep

Everybody's worried about me

In too deep

Say I'm in too deep (in too deep)

And it's been two years I miss my home

But there's a fire burning in my bones

Still believe

Yeah, I still believe

And all those things I didn't say

Wrecking balls inside my brain

I will scream them loud tonight

Can you hear my voice this time?

This is my fight song

Take back my life song

Prove I'm alright song

My power's turned on

Starting right now I'll be strong

I'll play my fight song

And I don't really care if nobody else believes

'Cause I've still got a lot of fight left in me

A lot of fight left in me

Like a small boat

On the ocean

Sending big waves

Into motion

Like how a single word

Can make a heart open

I might only have one match

But I can make an explosion

This is my fight song

Take back my life song

Prove I'm alright song

My power's turned on

Starting right now I'll be strong (I'll be strong)

I'll play my fight song

And I don't really care if nobody else believes

'Cause I've still got a lot of fight left in me

Know I've still got a lot of fight left in me

(HELLFIRE BY TONY JAY PLAYS)

Nico: (SINGING DIVINELY AS FIRE SWIRLED AROUND HIM AND IT FORMS INTO FIRE GIRLS)

Beata Maria, you know I am a righteous man

Of my virtue I am justly proud (Et tibi, Pater)

Beata Maria, you know I'm so much purer than

The common, vulgar, weak, licentious crowd (Quia peccāvī nimis)

Then tell me, Maria, why I see her dancing there

Why her smoldering eyes still scorch my soul (Cōgitātiōne)

I feel her, I see her

The sun caught in her raven hair

Is blazing in me out of all control (Verbō et opere)

Like fire, hellfire

This fire in my skin
This burning desire
Is turning me to sin
It's not my fault (Mea culpa)
I'm not to blame (Mea culpa)
It is the gypsy girl
The witch who sent this flame (Mea maxima culpa)
It's not my fault (Mea culpa)
If in God's plan (Mea culpa)
He made the devil so much
Stronger than a man (Mea maxima culpa)
Protect me, Maria
Don't let this siren cast her spell
Don't let her fire sear my flesh and bone
Destroy Esmeralda
And let her taste the fires of hell
Or else let her be mine and mine alone
Hellfire, dark fire
Now gypsy, it's your turn
Choose me or your pyre
Be mine or you will burn
God, have mercy on her

(Κὑριε, ἐλἐησον) God, have mercy on me

(Κὑριε, ἐλἐησον) But she will be mine

Or she will BUURRRRNN!

He fired waves of fire and blasted down Another Abis Mal and me and Eli had shivers of fear down our spines.

Hey, yeah

The daylight's fading slowly

But time with you is standing still

I'm waiting for you only

The slightest touch and I feel weak

I can not lie

From you, I can not hide

And I'm losing the will to try

Can't hide it (can't hide it)

Can't fight it (can't fight it)

So go on, go on

Come on, leave me breathless

Tempt me, tease me

Until I can't deny this

Loving feeling

Make me long for your kiss

Go on, go on

Yeah, come on

Yeah

And if there's no tomorrow

And all we have is here and now

I'm happy just to have you

You're all the love I need somehow

It's like a dream

Although I'm not asleep

And I never want to wake up

Don't lose it (don't lose it)

Don't leave it (don't leave it)

So go on, go on

Come on, leave me breathless

Tempt me, tease me

Until I can't deny this

Loving feeling

Make me long for your kiss

Go on, go on

Yeah, come on

Yeah, yeah

Yeah, yeah, yeah

Yeah, yeah, yeah, yeah

And I can't lie

From you, I can not hide

And I've lost my will to try

Can't hide it (can't hide it)

Can't fight it (can't fight it)

So go on, go on

Come on, leave me breathless

Tempt me, tease me

Until I can't deny this

Loving feeling

Make me long for your kiss

Go on, go on

Come on, leave me breathless

Go on, go on

Come on, leave me breathless

Go on, go on

(WE BELONG BY PAT BENATAR PLAYS)

Sunset Shimmer: (SINGING DIVINELY AS FIRE SWIRLED AROUND HER)

Many times I tried to tell you

Many times I cried alone

Always I'm surprised how well you cut my feelings to the bone
Don't want to leave you really
I've invested too much time to give you up that easy
To the doubts that complicate your mind
We belong to the light, we belong to the thunder
We belong to the sound of the words we've both fallen under
Whatever we deny or embrace for worse or for better
We belong, we belong, we belong together
Maybe it's a sign of weakness when I don't know what to say
Maybe I just wouldn't know what to do with my strength anyway
Have we become a habit? Do we distort the facts?
Now there's no looking forward
Now there's no turning back
When you say
We belong to the light, we belong to the thunder
We belong to the sound of the words we've both fallen under
Whatever we deny or embrace for worse or for better
We belong, we belong, we belong together
Close your eyes and try to sleep now
Close your eyes and try to dream
Clear your mind and do your best to try and wash the palette clean
We can't begin to know it, how much we really care

I hear your voice inside me, I see your face everywhere

Still you say

We belong to the light, we belong to the thunder

We belong to the sound of the words we've both fallen under

Whatever we deny or embrace for worse or for better

We belong, we belong, we belong together

We belong to the light, we belong to the thunder

We belong to the sound of the words we've both fallen under

Whatever we deny or embrace for worse or for better

We belong, we belong, we belong together

We belong to the light, we belong to the thunder

Maria: (SINGING DIVINELY AS WATER AND RED STARS SWIRLED AROUND HER)

Look around your world, pretty baby

Is it everything you hoped it'd be?

The wrong guy, the wrong situation

The right time to roll to me

Roll to me

And look into your heart, pretty baby

Is it aching with some nameless need?

Is there something wrong, and you can't put your finger on it?

Right then, roll to me

And I don't think I have ever seen

A soul so in despair

So if you want to talk the night through

Guess who will be there?

So don't try to deny it, pretty baby

You've been down so long you can hardly see

When the engine's stalled, and it won't stop raining

It's the right time to roll to me

Roll to me

Roll to me

And I don't think I have ever seen

A soul so in despair

So if you want to talk the night through

Guess who will be there?

So look around your world, pretty baby

Is it everything you hoped it'd be?

The wrong guy, the wrong situation

The right time to roll to me

The right time to roll to me

The right time to roll to me, ooh

Do you believe in heaven above

Do you believe in love

Don't tell a lie don't be false and untrue

It all comes back to you

Open fire!

On my burning heart

I've never been lucky in love

My defences are down

A kiss or a frown

I can't survive on my own

If a girl walks in and carves her name in my heart

I'll turn and run away

Everyday we've all been led astray

It's hard to be lucky in love

It gets in your eyes

It's making you cry

Don't know what to do

Don't know what to do

You're looking for love

Calling heaven above

Send me an angel

Send me an angel

Right now, right now

Empty dreams can only dissapoint

In a room behind your smile

But don't give up,

Don't give up

You can be lucky in love

It gets in your eyes

It's making you cry

Don't know what to do

Don't know what to do

You're looking for love

Calling heaven above

Send me an angel

Send me an angel

Hey, hey

Hey, hey, hey, hey

Hey, hey, hey, hey

Your lipstick stains

On the front lobe of my left side brains

I knew I wouldn't forget you

And so I went and let you blow my mind

Your sweet moonbeam

The smell of you in every single dream I dream

I knew when we collided

You're the one I had decided who's one of my kind

Hey, soul sister

Ain't that Mr. Mister on the radio, stereo
The way you move ain't fair you know
Hey, soul sister
I don't wanna miss a single thing you do tonight
Hey, hey
Hey, hey, hey, hey
Hey, hey, hey, hey
Just in time
I'm so glad you have a one track mind like me
You gave my life direction
A game show love connection we can't deny
I'm so obsessed
My heart is bound to beat right out of my untrimmed chest
I believe in you, like a virgin you're madonna
And I'm always gonna wanna blow your mind
Hey, soul sister
Ain't that Mr. Mister on the radio, stereo
The way you move ain't fair you know
Hey, soul sister
I don't wanna miss a single thing you do tonight
The way you can cut a rug
Watching you is the only drug I need

So gangsta, I'm so thug

You're the only one I'm dreaming of

You see, I can be myself now finally

In fact, there's nothing I can't be

I want the world to see

You'll be with me

Hey, soul sister

Ain't that Mr. Mister on the radio, stereo

The way you move ain't fair you know

Hey, soul sister

I don't wanna miss a single thing you do tonight

Hey, soul sister

I don't wanna miss a single thing you do tonight

Hey, hey

Hey, hey, hey, hey

Hey, hey, hey, hey

Jasmine: (SINGING DIVINELY AS ENERGY SWIRLS AROUND HER)

There is freedom within, there is freedom without

Try to catch the deluge in a paper cup

There's a battle ahead, many battles are lost

But you'll never see the end of the road

While you're traveling with me

Hey now, hey now

Don't dream it's over

Hey now, hey now

When the world comes in

They come, they come

To build a wall between us

We know they won't win

Now I'm towing my car, there's a hole in the roof
My possessions are causing me suspicion but there's no proof
In the paper today tales of war and of waste
But you turn right over to the T.V. page
Hey now, hey now
Don't dream it's over
Hey now, hey now
When the world comes in
They come, they come
To build a wall between us
We know they won't win
Now I'm walking again to the beat of a drum
And I'm counting the steps to the door of your heart
Only shadows ahead barely clearing the roof
Get to know the feeling of liberation and release
Hey now, hey now
Don't dream it's over
Hey now, hey now
When the world comes in
They come, they come
To build a wall between us
We know they won't win

Don't let them win (hey now, hey now, hey now, hey now)

Hey now, hey now

Don't let them win (they come, they come)

Don't let them win (hey now, hey now, hey now, hey now)

Well, girl, my self control's so paralyzed

When it comes to you, no, I ain't got no patience

There's something 'bout you, girl, I just can't fight

You're like that cigarette

That shot of hundred proof

No matter how much I get

I'm always craving

That feeling when we kiss

The way your body moves

No matter how much I get

I'm always craving you

Craving you

All the in between is killing me

You know I come unglued from missing you

Sunset eyes, no, I don't have to try

Because you know exactly what to do

I never had something that I can't walk away from (walk away from)

But, girl, my self control's so paralyzed

When it comes to you, no, I ain't got no patience (I ain't got no patience)

There's something 'bout you that I just can't fight

You're like that cigarette

That shot of hundred proof

No matter how much I get

I'm always craving

That feeling when we kiss

The way your body moves

No matter how much I get

I'm always craving you

Craving you (I'm always craving you)

Craving you

Craving you

Every time we have to say goodbye

I'm counting down until we say hello

Every touch is like the strongest drug

I don't know how much longer I can go

You're like that cigarette

That shot of hundred proof

No matter how much I get

I'm always craving

That feeling when we kiss

The way your body moves

No matter how much I get

I'm always craving you, yeah

Craving you

Craving you (I'm craving you, baby)

Craving you

Craving you, babe

She danced and fire waves ice and fire and smashed her down!

Qin: YEAH!

Nico: Love that song!

Me: Awesome song Qin!

Applejack: YEEHAW! That was great!

I.M. Weasel: I believe it is my turn. (ACTIVATES I.R. BABOON'S RIDEWATCH)

(WAR WAGON THEME BY ED AMES PLAYS)

I.M. Weasel: (SINGING DIVINELY AS IMAGES OF I.R. BABOON'S SHENANIGANS SWIRLED AROUND HIM)

(Look at those horses, what are they draggin'?)

(Heavily guarded, what is that wagon?)

(War Wagon, what is it for)

(War Wagon, loaded with gold)

Most men are fightin' for a wagon full of gold

Scratchin' an' fightin' for a wagon full of gold

A piece of land, my cattle brand, a place to rest my head

The feelin' of a woman's love are all you really need for livin'

Three years in prison made me dream a lot of dreams

Sometimes a dream is not as easy as it seems

But wrong or right I have to fight, 'cause when the truth is told

All men are fightin' for a wagon full of gold

(Look at those horses, what are they draggin'?)

(Heavily guarded, what is that wagon?)

Most men are fightin' for a wagon full of gold

Scratchin' an' fightin' for a wagon full of gold

A piece of land, my cattle brand, a place to rest my head

The feelin' of a woman's love are all you really need for livin'

(Look at those horses, what are they draggin'?)

Three years in prison made me dream a lot of dreams

Sometimes a dream is not as easy as it seems

But wrong or right I have to fight, 'cause when the truth is told

All men are fightin' for, a-strugglin' for, a-searchin' for,

a-strivin' for, a wagon full of gold

He fired waves of energy and blasted Another Abis Mal all over the place and baboon hoots and chitters were heard in the background.

Eli: Oh that was awesome!

Me: Yeah! Love that song by the late Ed Ames.

Maria: God rest his soul.

Me: Yeah. Amen.

Lincoln: This one is for me and Earth.

Earth and Lincoln activated Grumblemon's Ridewatch.

(BENEATH A PHRYGIAN SKY BY LOREENA MCKENNITT PLAYS)

Earth and Lincoln: (SINGING DIVINELY AS IMAGES OF OUR AMAZING AND BEAUTIFUL PLANET EARTH SWIRLED AROUND THEM)

The moonlight it was dancing

On the waves, out on the sea

The stars of heaven hovered

In a shimmering galaxy

A voice from down the ages

So haunting in its song

These ancient stones will tell us

Our love must make us strong

The breeze it wrapped around me

As I stood there on the shore

And listened to this voice

Like I never heard before

Our battles they may find us

No choice may ours to be

But hold the banner proudly

And the truth will for set us free

My mind was called across the years

Of rages and of strife

And all the human misery

And all the waste of life

We wondered where our God was

In the face of so much pain

And I looked up to the stars above

To find you once again

We crossed the wide oceans

Heard many call your name

With sword and gun and hatred

It all seemed much the same

Some used your name for glory

Some used it for their gain

Yet when liberty lay wanting

No lives were lost in vain

Is it not our place to wonder

As the sky does weep with tears?

And all those living creatures

Look on with mortal fear

It is ours to hold the banner

Is ours to hold it long

It is ours to carry forward

Our love must make us strong

And as the warm wind carried

Its song into the night

I closed my eyes and tarried

Until the morning light

As the last star it glimmered

And the new sun's day gave birth

It was in this magic moment

Came this prayer for mother Earth

The moonlight it was dancing

On the waves, out on the sea

The stars of heaven hovered

In a shimmering galaxy

A voice from down the ages

So haunting in its song

This ancient stones will tell us

Our love must make us strong

They floated into the air and fired waves of energy and smashed her down.

Me: Wow!

Nico: That was awesome guys!

Eli: Yeah it was!

Girl Jordan: I got one. (ACTIVATES EVIL SOLAR MAN'S RIDEWATCH)

(I AM ENOUGH FOR MYSELF BY SINÉAD O'CONNOR PLAYS)

Girl Jordan: (SINGING DIVINELY AS FIRE AND LIGHT SWIRLED AROUND HER)

Oh, the days are long,

Till the baby comes.

God will take all fear,

If you say this clear:

I am enough for myself,

I don't need anything else.

I am enough for myself.

I am in your heart.

I only can have that part.

I am in your dreams.

I only can touch these things.

I am who gives the breath.

I am your nakedness.

I am nothing at all,

And I am singing your soul.

I am that am I.

I am that am I.

I am that I am.

I am enough for myself.

She fired waves of light and fire and smashed her down.

Lola: That was awesome!

Me: Nice job G.J.

Girl Jordan: Thanks.

Ink Rose: I have one. Watch this. (ACTIVATES GENERAL SCHWARZ'S RIDEWATCH)

(OUR SOLEMN HOUR BY WITHIN TEMPTATION PLAYS)

Ink Rose: (SINGING DIVINELY AS WAVES OF DARKNESS SWIRLED AROUND HER)

Sanctus Espiritus redeem us from our solemn hour

Sanctus Espiritus insanity is all around us

Sanctus Espiritus! Sanctus Espiritus! Sanctus Espiritus!

In my darkest hours I could not foresee

That the tide could turn so fast to this degree

Can't believe my eyes

How can you be so blind?

Is the heart of stone, no empathy inside?

Time keeps on slipping away and we haven't learned

So in the end now what have we gained?

Sanctus Espiritus, redeem us from our solemn hour

Sanctus Espiritus, insanity is all around us

Sanctus Espiritus, is this what we deserve

Can we break free from chains of never-ending agony?

Are they themselves to blame, the misery, the pain?

Didn't we let go, allowed it, let it grow?

If we can't restrain the beast which dwells inside

It will find it's way somehow, somewhere in time

Will we remember all of the suffering

'Cause if we fail it will be in vain

Sanctus Espiritus, redeem us from our solemn hour

Sanctus Espiritus, insanity is all around us

Sanctus Espiritus, is this what we deserve

Can we break free from chains of never-ending agony

Sanctus Espiritus, redeem us from our solemn hour

Sanctus Espiritus, insanity is all around us

Sanctus Espiritus, is this what we deserve

Can we break free from chains of never-ending agony

Sanctus Espiritus, redeem us from our solemn hour (Solem hour)

Sanctus Espiritus, insanity is all around us (All around us)

Sanctus Espiritus, is this what we deserve

Can we break free from chains of never-ending agony

She floated into the air and fired waves of darkness and smashed her down!

Nico: OH YEAH!

Lola: That was awesome!

Laney: I have one. But it's a tearjerker. (ACTIVATES DR. LIGHT'S RIDEWATCH)

(SOMEWHERE BY WITHIN TEMPTATION PLAYS)

Laney: (SINGING DIVINELY AS LIGHT SWIRLED AROUND HER)

Lost in the darkness, hoping for a sign

Instead there is only silence

Can't you hear my screams?

Never stop hoping

Need to know where you are

But one thing is for sure

You're always in my heart

I'll find you somewhere

I'll keep on trying until my dying day

I just need to know whatever has happened

The truth will free my soul

Lost in the darkness, try to find your way home

I want to embrace you and never let you go

Almost hope you're in heaven

so no one can hurt your soul

Living in agony cause I just do not know

Where you are

I'll find you somewhere

I'll keep on trying until my dying day

I just need to know whatever has happened

The truth will free my soul

Wherever you are, I won't stop searching

Whatever it takes, I need to know

I'll find you somewhere

I'll keep on trying until my dying day

I just need to know whatever has happened

The truth will free my soul

Images of the scenes from the movie What Dreams May Come appeared and they were so sad and guttwrenching.

She fired waves of energy and smashed her down.

Qin: Whoa.

Lola: That was a sad movie.

Nico: Yeah it sure was.

Maria: I hope the next Gene Slammer is near.

Then a Golbat came!

Me: WHOA Golbat!

Golbat: (Transylvanian Accent) And it's good I came.

Nico: Sheena Valerious! Wow!

Golbat: It's good to see you again Nico.

Nico: You too Sheena.

Brittney: Wait are you related to…

Golbat: That's right. I am a descendant of Valerious the Elder and yes I am a vampire hunter.

Nico: Yep.

Me: Cool!

Golbat: I got this.

She fired waves of energy and it hit another Abis Mal and knocked her down and then she was back to normal.

Ameerah was back to normal and I caught the Ridewatch and purified it and it was for Weiss. I went to Ameerah and picked her up. She was a girl with black hair and had dark blue clothes on from Pakistan.

Ameerah: (GROANS) What a headache.

Me: But you're back to normal.

I brought her over.

I.M. Weasel: What is your favorite memory of Nico?

Golbat: That is an easy one. Me and Nico found some followers of Deacon Frost still running around and we found them trying to revive him after he was killed by Blade the last time. And then we killed them and destroyed the,.

Me: Hmph. Even in death that monster just doesn't know how to take a hint.

Brittney: No he sure doesn't.

Me: Yeah.

Brittney: Also I take it you heard about how we killed Dracula right?

Golbat: I sure did. For centuries my ancestors have been trying to kill Dracula and you all saved my entire family from Purgatory.

Camie: What happened back then?

Me: It's a really dark story. One that her entire family went through for centuries.

I went over the entire history of the Valerious Family and what happened from 1462 on up.

---

Valerious The Elder was a royal Transylvanian Knight who lived in Transylvania back when it was being terrorised by Dracula 450 years before 1889, and made a promise to God that his family would never rest nor enter heaven until they vanquished Dracula from the land. Valerious The Elder is the ancestor of King Boris Valerious, Prince Velkan Valerious and Princess Anna Valerious.

Valerious The Elder was a royal knight who lived in Transylvania. He was also unfortunately the father of Count Dracula, who having sired the evil being and couldn't bear to kill his own son, banished him to an icy fortress through a door from which there was no return, but then the Devil gave Dracula wings to come and go, in order to sustain life by drinking the blood of others. Valerious The Elder then went to Rome to seek forgiveness and made a pact to God that his family would vanquish Dracula in return for eternal salvation of his bloodline down to Anna. He also left a certain insignia scroll behind in Rome which came into the care of the Knights of the Holy Order, which was a piece of the painting map in the Valerious Castle that created a portal to Castle Dracula when one spoke the words: In the name of God, open this door. Because he couldn't bear to kill his own son, Valerious The Elder left clues behind so that his descendants might do it for him.

---

When I was finished everyone was shocked.

Nico: Wow! That is a massive burden! I remember battling Dracula the first time but I had no idea how massive of a burden the Valerious Family was given.

Me: It was a scary nightmare. For over 557 years Dracula has been a terrible plague on the Valerious Name. But thanks to us we destroyed Dracula for good.

Nico: Yep.

Golbat: That's right. I'm ready to be reverted back now but I'm naked.

Me: Okay.

Nicole: No one peak of you guys are dead meat!

I put on my blind man glasses and the boys covered their eyes and I snapped my fingers.

As Sheena was reverting back, Nico walked up to her and kissed her on the lips.

Nico had his eyes closed so he wouldn't look at her naked body. Then the fashion brigade moved in and gave her new awesome clothes. Sheena was back to normal and she had light blue hair and purple and blue clothes.

Sheena Valerious: Wow! I look great.

Rarity: Oh you sure do darling.

Varie: I'll say.

Nico and Sheena hugged.

Nico: I've really missed you.

Sheena Valerious: Me too Nico. Me too.

We later went back home and told everyone everything and it was awesome.

After Nico's rescue, Lincoln and his harem, Me and my harem, Ken Knudson, Nico and his harem, Clyde and his harem, Naruto and his harem, Sasuke, Itachi, and their family, Sakura and her family, Qin, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., Rita, Harriet Loud, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Yakko, Wakko, Dot, Sir William the Good, Lady Mary the Good, The Z-Fighters, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Baloo, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, Anatankha, The Bakugan Battle Brawlers, The Power Rangers, Izuku and his friends, The Goths of Darkness, Pyrrha, Sheila Kelsall, Ravi Shaw, Zoey Reeves, Nate Silva, and Steel are heading back to Dark World for Day 12 of the Dark World Treasure Hunt, and not only is Lincoln going to rescue the ten girls here, but Selene Slytherin is going to get a powerful treasure there: a powerful greatsword known as The Demonic Darkness Monarch Greatsword of Brron, Mad King of Dark World

And we're also going to take down Nico's and Qin old enemy, Audrey Madison, The Class-A demonic, psychopathic, trouble-causing, monster bitch from Nico and Qin's past who was a nightmare to both the students and teachers whom she attacked and tortured for her own twisted amusement and who got expelled by Nico for the firecracker incident that resulted in a female student getting both of her legs amputated, and she wanted to get revenge on Nico and kill him and Qin, and she's the one who implanted that

Rebellion Chip in Lincoln by implanting it in his butt by shooting it at him, and that was the result of his forced rebellious attitude this year. Well, now she better say her prayers, cause payback is coming for that bitch, and she's heading right back to prison where she'll stay there until the day she dies.

Lincoln: Whoa, we're back in Dark World for Day 12 of the Dark World Treasure Hunt, and I know what we're going to do here, not only am I going to rescue the ten girls here, but Selene Slytherin is going to get a powerful treasure there: a powerful greatsword known as The Demonic Darkness Monarch Greatsword of Brron, Mad King of Dark World.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) That's right, and since she was Gene-Slammed into Brron, Mad King of Dark World, it's perfect for her, and we're also going to take down Nico's and Qin old enemy, Audrey Madison, The Class-A demonic, psychopathic, trouble-causing, twisted monster bitch from Nico and Qin's past who was a nightmare to both the students and teachers whom she attacked and tortured for her own twisted amusement and who got expelled by Nico for the firecracker incident resulting in a female student getting both of her legs amputated, and she wanted to get revenge and kill him and Qin, and she's the one who implanted that Rebellion Chip in you by implanting it in your butt by shooting it at him, and that was the result of your forced rebellious attitude this year.

Nico: And now that Lincoln's finally freed from that Rebellion Chip and he's been working hard in making amends for that forced rebellion, Audrey Madison better say her prayers, cause payback is coming for that bitch, and she's heading right back to prison where she'll stay there until the day she dies.

Me: You got that right.

Qin: I should've broken that bitch's legs after you got her arrested, Nico, if I'd known she was going to run like the bitch she really is, she deserved to be crippled for life.

Lincoln: Now, I'd settle for breaking her arms and legs, Qin, but she does deserve to be cursed, and I've got a special curse inspired by

The Earthbound Immortal Gene-Slammers in my harem, and it's perfect for heartless monster bitches like her.

Nico: (Sinister Grin) A special curse for someone like Audrey Madison?! Oh, now this I'm so going to enjoy seeing.

Me: Same here. I have a feeling this will be exciting.

Qin: For putting him through all that this year, now, that bitch is done!

Lincoln: Big time, and I want to thank you and your team for coming, Pyrrha.

Pyrrha: You're welcome, Lincoln, and we're really going to make that bitch pay with her life!

Nico: The girls in my harem, along with Qin, are also wanting payback for all the sick crap that bitch has done before I got her expelled, and so are the Guardian Angels in Lincoln's harem.

Girl Jordan: Along with all of us, she messed with our man, and there's going to be blood!

Lincoln: My thoughts exactly. Now, let's head for Brron, Mad King of Dark World's shrine, and then, we go for Audrey Madison's head.

We continued on and we arrived at Brron, Mad King's shrine, and then, the rainbow iris of Lincoln's Third Eye glowed, and the doors opened and we entered, and we saw a massive demonic looking greatsword floating in the center and with dark light shining down on it: The Demonic Darkness Monarch Greatsword of Brron, Mad King of Dark World, a powerful demonic massive greatsword with green gems embedded in the 7'0" massive, wide, double-edged midnight black blade, large midnight black demon heads for the crossguard, large dark purple gem embedded in the rainguard, longer midnight black handle, four large demon heads and a large green gem on the bottom of the demon heads for the pommel.

Rarity: My word, is that…?

Lincoln: The Demonic Darkness Monarch Greatsword of Brron, Mad

King of Dark World, that sure is one scary looking demonic greatsword.

Selene Slytherin: You said it, and it's absolutely perfect for me.

Suddenly, we saw Ghostrick Jiangshi appear before us, and with it are the girls.

Nico: Oh cool, that's Ghostrick Jiansghi, and it's got the girls with us.

Ghostrick Jiansghi: (Chinese Accent) And I got them away from that mad bitch, Audrey Madison, and I already got the alert of what Nicholette and the others told me, and now, she's dead!

Lincoln: (Gasps) That voice, Ramona Qingzhao, I knew it was you, it's awesome to see you again, but we'll talk later, Selene, you grab The Demonic Darkness Monarch Greatsword of Brron, Mad King of Dark World, and then, let's go find Audrey Madison and rip her in two!

Selene Slytherin went up and grabbed The Demonic Darkness Monarch Greatsword of Brron, Mad King of Dark World. Then, we went outside the shrine in search of Audrey Madison, but we wouldn't have to look for long.

?: NICO CHAN, YOU MONKEY-TAILED FREAK, I WILL KILL YOU AND QIN FOR RUINING MY REVENGE!

Nico: (Growls) Yep, there's not mistaking that chalkboard screech from anywhere. Get out here right now, Audrey Madison, you sick, twisted, good-for-nothing skank!

We then saw our target, Audrey Madison, and she's literally like in Nicholette Torrington's picture, but her sadistic grin turned into an angry scowl of hatred.

Nico: Audrey Madison, just the bitch we were looking for!

Audrey Madison: I hate you, you stupid monkey-tailed freak! You've ruined my chances of getting my revenge on you, and getting Lincoln kicked out of the team, so that I can kill him and every last bitch in his stupid harem for ruining me!

Nico's aura flared up and he gained a massive power boost from her insane hatred!

Me: You're fucking insane Audrey!

Lincoln: And he has no regrets for doing so, you bitch! You made me rebel against my older brother, just for your twisted revenge scheme! You made me go through Hell this year with that stupid chip you put in me!

Then, Qin landed a hard punch to Audrey Madison's face and knocked her teeth out, and she was really mad now!

Qin: You sick, twisted, good-for-nothing, murderous slut! As if what you did to us in the past wasn't bad enough, but you implanted a Rebellion Chip in Lincoln to have him rebel against Nico's orders for your sick desire for revenge against him and to kill Lincoln after he gets kicked out, I should rip your intestines right out of your stomach and hang you by the neck with them!

Me: And I should rip your heart out and eat it!

Lincoln: Either way, your sick revenge failed, Audrey, and now, you're going to pay for what you've done!

Selene Slytherin: You don't deserve to be walking out into the world for what you've done.

Suddenly, Selene Slytherin's green eyes turned neon green and she was surrounded by a black and green energy aura with darkness, demons, and dark magic, she unholstered her massive Brron, Mad King of Dark World's Demon Greatsword of Darkness Mad King Justice from her back, and as she approached Audrey Madison, she left black and green energy, darkness, demons, and dark magic with every step.

Selene Slytherin: We were right to have been suspicious of you from day one, Audrey, but to find out you also tortured and tormented Nico and Qin along with their friends and the teachers and to add on the fact that your little stunt resulted in a young girl having her legs amputated. But, what also really pissed us off is that you implanted that Rebellion Chip in Lincoln, so he would rebel against Nico the day he became the new leader of Team Loud Phoenix Storm, so you can get revenge on him and Qin, that's gone too fucking far. You made Lincoln a mess because of it, and for that, you just forfeited your wretched life!

Suddenly, Selene Slytherin was surrounded by a massive vortex of black and green energy with dark magic and darkness surrounding it, there's an army of demons and Brron, Mad King of Dark World flying around the vortex, and in the vortex is a green phoenix. Then, as the vortex faded, Selene Slytherin emerged, but she was changed forever.

Selene Slytherin has transformed into SUPER ANGEL-DEMON-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS BRRON DEMON MAD KING DARK WORLD DEMONIC ANGEL OF DEMONIC BRONZE DARK WORLD JUSTICE AND DIVINE DEMON MAD KING SLYTHERIN DARK WORLD LOVE!

We were amazed by Selene Slytherin's Super Angel-Demon-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Audrey Madison saw it, the bitch went mad and she rushed at Selene Slytherin to kill her, but Selene Slytherin fired a powerful black and green energy blast with demons, darkness, and dark magic at her and sent her flying to the ground again, she got up, but she was mega pissed now, and with her driven by revenge against Nico, she's now gone off the deep end and fallen into madness.

Nicholette Torrington: Whoa, Selene Slytherin has transformed into her Super Angel Celestial Eternal Xelnaga form, awesome!

Lincoln: You got that right, Nicholette, and now, it's payback time on that bitch, Audrey Madison, for everything she's put Nico, Qin, and I through, and Selene, you look beautiful, how do you feel?

Selene Slytherin: (Divine Echoing Cosmic Voice of the Dark World Bronze Demon Mad King and Divine Demon Mad King Dark World Divine Love) **I feel incredible, Linky. Now, shall we put this bitch down?**

Lincoln: (Smiles) With pleasure, Selene.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Selene Slytherin.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **You've had this coming for a long time, you heartless bitch, no one uses me to get revenge on my brother!**

Selene Slytherin and Lincoln went after Audrey Madison, and they fired extremely powerful blasts of rainbow energy, black and green energy, dark magic, crosses, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, fairies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Succubi, Incubi,

Me: Damn, now that's got to hurt. Let's join in and kick this bitch's bony ass.

Nico: Yeah!

Qin: You're fucking dead, you twisted bitch!

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Selene Slytherin, her hand-cannon Blaster is known as Brron, Mad King of Dark World's Demonic Mad King Darkness Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's black with green flames on the blaster with a Phoenix, Angel, and Brron, Mad King of Dark World surrounded by darkness and the Slytherin House crest etched on the sides, and a green gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Selene Slytherin fired blasts of rainbow energy, black and purple energy, and elemental forces at Audrey Madison and as they hit her, they exploded with incredible power, and really knocked her down.

Then, Nico and Lincoln broke Audrey Madison's arms and legs, and she screamed in agonizing pain and they tied her up in an energy straitjacket, so she couldn't escape.

Audrey Madison: YOU BASTARDS AND BITCHES! DON'T THINK YOU'VE SEEN THE LAST OF ME! I'LL ESCAPE AGAIN, AND WHEN I DO, I WILL KILL EVERY LAST ONE OF YOU AND DESTROY EVERYTHING!

Nico: (Divine Echoing Voice of Rainbow Redemption) **You're not getting that chance again in this life or the next, Audrey.**

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Yeah, the only thing awaiting you is prison once again, along with a one-way trip to the grave!**

Suddenly, Lincoln was surrounded by a crimson red, red, green, violet, yellow, orange, blue, indigo, pink, neon pink, white, brown, aqua green, magenta, purple, and black energy aura, along with the Dragon, Condor, Whale, Monkey, Giant, Hummingbird, Lizard, Spider, Cat, Heron, Crocodile, Tree, Snake, Wings, Spiral, Llama, Dog, and Hands Nazca Lines and inside them are The Earthbound Immortals Xolotl, Wiraqocha Rasca, Chacu Challhua, Cusillu, Ccapac Apu, Aslla Piscu, Ccarayhua, Uru, Qhoa, Huacachina Kon, Ccomnosuma, Ccgojuru, Cuauhcoatl, Itzpzpalo, Rorccon, Llamaca Pacuilla, Ccoshobar, and Ukupacha Callao.

Lincoln: Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust)(Singing Divinely) **I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be. Your future should filled with magic, dreams, and wishes brought to life. But, the days ahead are dark and tragic, no time for hope when all is strife, whatever might have been, all the dreams that you did share, because of you, Audrey Madison. Now, the future is a cold nightmare.**

We literally had chills and shivers going down our spines when Lincoln sang that song. Then, Lincoln fired eighteen blasts of crimson red, red, green, violet, yellow, orange, blue, indigo, pink, magenta, purple, and black energy from the Dragon, Condor, Whale, Monkey, Giant, Hummingbird, Lizard, Spider, Cat, Heron, Crocodile, Tree, Snake, Wings, Spiral, Llama, Dog, and Hands Nazca Lines and the corresponding Earthbound Immortals, and they hit Audrey Madison, and we saw on her were the Dragon, Condor, Whale, Monkey, Giant, Hummingbird, Lizard, Spider, Cat, Heron, Crocodile, Tree, Snake, Wings, Spiral, Llama, Dog, and Hands Nazca Lines and corresponding Earthbound Immortals in a wheel formation, and we saw the Condor Nazca Line and Earthbound Immortal Wiraqocha Rasca glow.

But, before Audrey Madison could scream again at us, Lincoln had her beamed to The Uranus Prison's Maximum Security Solitary Confinement, where she was chained to the wall with rainbow chains, and she was left screaming in the darkness forever. We cheered wildly as we holstered our weapons and powered down, and Selene Slytherin's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long green wolf tails, and massive green angel wings are permanent.

Selene Slytherin: That'll teach you, you heartless bitch! Thanks for helping me take down Audrey Madison for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Selene.

Suddenly, Selene Slytherin wrapped her arms around Lincoln's massive wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Selene Slytherin's face, they deeply kissed passionately as Selene Slytherin's left arm was still wrapped around Lincoln's massive, wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive right pec, and behind them was a Thunderbird, Phoenix, Angel, Demon, and Brron, Mad King of Dark World flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and demons flying behind them and we cheered wildly. Lincoln and Selene Slytherin came back to us as the display and Brron, Mad King of Dark World vanished.

Nicholette Torrington: Man, that really felt good, we finally got our revenge on that bitch, Audrey Madison.

Nico: What she did long ago and what she made Lincoln go through literally crossed two lines today, and now, she's paying for it. By the way, Lincoln, what was that Earthbound Immortal-themed curse you put on her?

Lincoln: The curse I put on her is The Netherworld Revenge of The Earthbound Immortals, this curse as I pointed out earlier is meant for monsters like Audrey Madison, and this curse is one of the most deadliest curses I created. As the days pass, the eighteen Nazca Lines and corresponding Earthbound Immortals on her will start glowing, and when the Dragon Nazca Line and corresponding Earthbound Immortal Xolotl begin to glow, the curse will finally take her life and her soul will be devoured by The Earthbound Immortals.

We gasped in awe, and Carly and Misty's jaws dropped to the floor and I helped set their jaws back in their mouths.

Qin: HOLY CRAP!

Misty Tredwell: That is indeed one of the most deadliest of curses that you created, Lincoln, and you created a lot of them.

Carly Atlas: And to make it even deadlier, this curse is inspired by Emily LeRou, Cathy Russo, Rebecca Maddison, Mia Addison, Emma Langley, Lauren Delaney, Valerie Brinkley, Cora Yenningway, Elizabeth Herodias, Sydney McWilcox, Grace Carmine, Camille Xui, Gina Angellus, Connie Sellingron, Maya Santiago, Denise Uxi, and Demona Wendollstein, who were Gene-Slammed into The Earthbound Immortals Xolotl, Wiraqocha Rasca, Chacu Challhua, Cusillu, Ccapac Apu, Aslla Piscu, Ccarayhua, Uru, Qhoa, Huacachina Kon, Ccomnosuma, Ccgojuru, Cuauhcoatl, Itzpzpalo, Rorccon, Llamaca Pacuilla, Ccoshobar, and Ukupacha Callao.

Nico: You got that right, and either way, Audrey Madison's fate is still the same, she'll die in eighteen days.

Lincoln: Make that seventeen days, Nico. When I first put the curse on her, The Condor Nazca Line with Earthbound Immortal Wiraqocha Rasca started to glow.

Me: Oh man, so in seventeen days… !

Lincoln: (Smirks) Audrey Madison's soul will be devoured by The Earthbound Immortals, and she will be a forgotten memory. That'll teach her to mess with me and my brother.

Me: You got that right! 1 mark for each day so on Christmas Day she will be dead.

Nico: An awesome Christmas Present.

Carly Atlas: Wait 'til Kalin, Rex, Roman, Devack, and Greiger hear about this, their jaws are going to drop to the floor.

Lincoln: They're really going to like that I created a curse based on The Earthbound Immortals and The Nazca Lines that correspond with them. (To Ramona Qingzhao) And it's so good to see you again, Ramona Qingzhao.

Ramona Qingzhao reverted back to normal, and she's a beautiful girl with long flowing dark purple braided hair, purple eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful dark purple angel wings, and she reigned in the power of Ghostrick Jiangshi, and she's dressed in a black and purple version of the same clothes as Hsien-Ko and her arms are outside of the large hammerspace sleeves, and a long white sleeveless trenchcoat with darkness on the coattails and Ghostrick Jiangshi on the back and holstered on her back is a massive Ghostrick Jiangshi-themed greatsword with Ghostrick Jiangshi etched etched on the 7'0" massive, wide, double-edged midnight black blade, large Jiangshi heads for the crossguard, large purple gem embedded in the rainguard, longer midnight black handle, four large Jiangshi heads and a large purple gem on the bottom of the large Jiangshi heads for the pommel.

Ramona Qingzhao: (Chinese Accent) You too, Lincoln, it's been a long time, and it's good to see you, Claire, Ramona, Aisha, Sarah, Winter, and Tiana again, Ursula.

Ursula Truaigheaingeal, Ramona Alucard, Sarah Dullahan, Claire Allaire, Aisha Arian, Winter Icyin, and Tiana Masina: You too, Ramona.

Lincoln went up to Ramona Qingzhao and he hugged her, and Ramona Qingzhao is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Ramona Qingzhao: (Chinese Accent) Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new, and you've really grown so much bigger in muscle, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you and the other Ghostrick Gene-Slammers know her?

Lincoln: Indeed we do, Nico, this is Ramona Qingzhao, she's my Guardian Angel from China and my classmate in English, as you guys see, she's a Jiangshi and she was born with the powers of darkness and she also knew of me being a vampire-werewolf hybrid, just like the other Ghostrick Gene-Slammers.

Me: That's awesome.

Lincoln: It gets even more awesome, she's also the cousin of Hsien-Ko, and she knew all about her cousin's fight with the creatures of the night.

Nicole: Whoa!

Hsien-Ko: That's right. Plus, Ramona's also a trained hunter of the evil undead and a skilled exorcist, and she also knows how to exorcise a home and a person/family plagued by angry spirits, and she knows how to banish those spirits back to The Underworld using the rites of exorcism, and being a Jiangshi, she, just like Lincoln and many of the other vampires on the team, gets blood from the blood bank, but she doesn't go crazy, like I do if I get the taste of blood.

Lincoln: And she also has the very same hammerspace sleeves as you, Hsien-Ko, and she has a nigh infinite amount of weaponry and chained weapons.

Nico: Yikes, any who mess with them are in big trouble.

Lincoln: You said it. Plus, she's also good friends with Lucy and her friends in The Young Morticians' Club.

Brittney: And she's also about to be indicted as another member for The Goths of Darkness.

Brittney gave Ramona Qingzhao the ring for The Goths of Darkness, and she put it on her right ring finger.

Lincoln: Awesome, plus, she, like all of us, hates Billy McLean with a burning passion and she wants nothing more than to drain him dry of blood and banish his soul to The Underworld.

Nico: Yikes, I wonder what he did to earn her anger and fury?

Ramona Qingzhao: (Chinese Accent) You won't like what I'll tell you later on, trust me. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Ramona, are you absolutely sure about this?

Ramona Qingzhao: (Chinese Accent) (Smiles) More than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Hsien-Ko: (Giggles) She's right though, you wild Alpha male, you did the same to all of us as well.

Lincoln looked into the eyes of Ramona Qingzhao, and he saw that she's really serious, and he smiled as he walks over to Ramona Qingzhao, and he hugged her waist in his abnormally massive and powerful muscular arms, he slowly leaned his head down to her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Ramona Qingzhao's neck with purple gems on the gold lightning bolts and purple crystal links from her merged Crystal Necklace of The Buddha and an Elemental Thunderbird Choker of Eternal Love on her neck.

Ramona Qingzhao: (Chinese Accent) (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means just like your cousin, you're now part of my harem and my many future wives, Ramona.

Ramona Qingzhao had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around Ramona Qingzhao's waist and she wrapped her arms around Lincoln's massive, wider, and muscular back, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the ten girls, and when Lincoln saw them, he recognized them immediately. The ten girls are Shizuka, Kokona Otori, Nikako Toneri, Katharina Griebel, Mito Shiromaru, Ramona Wolf, Noa Hiiragi, Sasuga Chisa, Panda Yanagiba, and Yae Niizuma from World Dai Star.

Lincoln: Oh wow, it's Shizuka, Kokona Otori, Nikako Toneri, Katharina Griebel, Mito Shiromaru, Ramona Wolf, Noa Hiiragi, Sasuga Chisa, Panda Yanagiba, and Yae Niizuma from World Dai Star.

Nicole: Awesome.

Lincoln: Are you girls okay?

Kokona Otori: Yes, we're okay, thanks to you.

Then, when Kokona Otori and the other nine girls saw who it was that saved them from Audrey Madison, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and

Kokona Otori: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made nine clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Kokona Otori: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Shizuka, Kokona Otori, Nikako Toneri, Katharina Griebel, Mito Shiromaru, Ramona Wolf, Noa Hiiragi, Sasuga Chisa, Panda Yanagiba, and Yae Niizuma with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and Lincoln told everyone that Selene Slytherin had gotten The Demonic Darkness Monarch Greatsword of Brron, Mad King of Dark World, and they were shocked when they found out the villain we went after was Audrey Madison, Nico and Qin's old enemy, and she was mega pissed that her revenge was ruined yesterday.

But, when Lincoln showed what happened such as Selene Slytherin transforming into her Super Angel-Demon-Harmony Celestial Eternal Xelnaga form, and she, Lincoln, and all of us laying a brutal beatdown on her, and Lincoln putting The Netherworld Revenge of the Earthbound Immortals curse on her which'll cause her to die in seventeen days, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Ramona Qingzhao have a lot of catching up to do, now that she's back in town.

Maria: (LAUGHING) That'll teach that stupid bitch!

Lincoln: For what she did to Nico and Qin in the past, and what she did to me, she had this coming for a very long time, and now, she's back in prison where she belongs: with her arms and legs broken and with my curse on her, she'll soon die in seventeen days and her soul will be devoured.

Nico: Either way, she's already dead, and we'll be rid of her once and for all.

* * *

After taking down Audrey Madison and sending her back to the slammer and with a deadly curse that'll kill her in the next seventeen days, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Ramona Qingzhao saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Ramona Qingzhao: (Chinese Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Ramona, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Ramona Qingzhao: (Chinese Accent) That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Ramona, what's the story on why you hate Billy McLean with a burning passion?

Ramona Qingzhao: (Chinese Accent) For years, I knew that Billy McLean was nothing but trash, and that he was nothing but a psychotic asshole who's subjected Gwen and her friends to psychological and physical pain, and there's also all the revelations you guys heard from the others, but what'd earned him my hatred and that threat I made was that he murdered my parents when he placed a bomb in my house while I was at school.

We gasped.

Nico: Why, that murderous, stupid asshole!

Lincoln: I remember that day all too well, when we heard the news, I went with Ramona, and when she saw what happened to her home, she broke down and cried, and I stayed and hugged her while she hugged me back, and we didn't let go.

Luna: Then, we saw the news of the person who was arrested, and when we saw it was Billy McLean, it made us really madder than Hell.

Me: I knew Billy McLean was trash, but to do this to another of Lincoln's Guardian Angels, and this had resulted in the murder of her parents, this is disgusting.

Nico: Big time, and the next time we have our humiliation session, Ramona's going to give him what for.

Lincoln: Yeah.

We got a shower afterwards, and then, Lincoln, his harem, and his kids are heading to Bubblaine.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in large orange swim trunks with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the swim trunks, orange sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble, his harem were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble, and his kids were all dressed in their swim clothes and sandals, and they also had their weapons holstered in case of big trouble.

Thunder Sparkle: Ah, we're here in Bubblaine, awesome.

Lincoln: And it's perfect for our family time. Shall we?

Lincoln, his harem, and his kids dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they met the sea life that live there, and they went back to the beach and they had a game of volleyball, and his harem got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift up a 900,000,000,000,000-lb barbell he summoned, and his kids cheered. Then, Lincoln, his harem, and his kids had some lunch, and then, as the sun was about to set, Lincoln made clones of himself, and he and the clones went up to the girls in his harem and they hugged the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the wider and muscular backs of Lincoln and his clones, and they placed their right hands on the massive left pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss, and the kids cheered. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: Hey, Lincoln, how was your date?

Lincoln: It was awesome, Nico, we went to Bubblaine for a little family time.

Kurumu: And we really had a lot of fun.

Eli was still placing the blood that was squirted by all the males of the team from the love making of Lincoln and Kurumu yesterday in large buckets.

Lincoln: (Embarrassed) Oh. We literally made a big mess of what the other males on the team heard.

Nicole: That isn't your fault, Lincoln.

Nico: Yeah, like Nicole said, Succubi magic is really strong!

William: Next time, you guys should give us a warning.

Lincoln: Noted.

Lincoln then placed the tips of his eleven massive and long white wolf tails into some of the buckets and his tails sucked up all the blood.

Lincoln: Hey, we shouldn't let it go to waste. Here, Lucy.

Lucy Loud: Thank you, Lincoln.

Lincoln also gave the remaining blood buckets to the other vampires and they drank them.

Later Poromon was getting ready to head out.

Manaphy: Where are you going, Poromon?

Poromon: I'm off to do my daily flight.

Manaphy: Okay. Have fun.

Poromon: I will.

Poromon was flying around the city.

He was enjoying the sights and sounds and the beauty of the hustle and bustle of the city.

Meanwhile, me, Twilight Sparkle and Nico were hiding in bushes and moving in them.

TIP TOE PITTER PATTER!

We were watching and documenting Poromon.

Me: (Australian Accent) Crikey, the safari has begun mates.

Nico: Subject is Poromonus Mascotius.

Twilight Sparkle: And we are documenting how he acts on his daily routine.

Poromon: Where should I visit first?

He went to visit the Arcade.

Nico: Subject going to the arcade for some leisure and fun.

We watched him and he was really raking in the tickets from the skiball games and piling them up.

Me: Crikey that is a boat load of tickets for a little guy mates.

Twilight Sparkle: He sure likes to have fun at that.

Poromon was in there and won over 5,023,000 tickets. And he got the biggest prizes ever and it was a Playstation 5 and a huge 95 inch TV that was like the big TV we got. (The one that Rocko, Heffer and Filburt accidentally bought.)

Me: Crikey that's a massive and amazing load of stuff he got from the arcade mates.

Twilight Sparkle: I'm amazed he got all that.

Nico: The mascots are gonna have fun with that.

Poromon came out and we hid.

Poromon: Where to next?

He then went to the mall.

Poromon had the TV and Playstation system beamed to the Mascots room.

Poromon: Time to do some shopping.

Poromon went to the comic store and bought some comics. Then he went to the game store and got video games for his new game system. Then he went and bought TONS of movies from the video shop.

It was all worth it.

Me: Crikey that's a lot of good stuff he bought.

Nico: It sure is. Wow.

Then his stomach growled.

Poromon: Oh time for some food.

He went to the food court.

Poromon: Wonder what to get.

He then went and got a massive huge root beer fizz bomb soda from the Big Burpa Soda Shop and he also got a huge burger and fries and pizza from the Krusty Krab Mall Shop and he was eating it all.

Me: Crikey that is one big appetite on him mates.

Nico: Boy he sure eats a lot.

Twilight Sparkle: Wonder what else he does for money to get all that.

Me: Good question mates.

Nico: I hope it's nothing illegal.

Poromon was stuffed.

Poromon: Ahh. (LOUD BURP) Oops sorry.

?: ALL RIGHT EVERYONE THIS IS A STICKUP!

Poromon saw a robbery at a bank at the mall.

Poromon: Oh boy! Time to bring down another bad guy!

Poromon sprang into action and went at the robber.

Me: Crikey! So he brings down bad guys and cashes in their bounties.

Nico: Very awesome.

We watched Poromon do it.

Robber: Now Empty all the safe and give me ALL the money!

Poromon: CUTIE ATTACK!

He jumped the robber and smashed him on his head knocked him down and knocked the gun out of his hand and kicked it away.

Robber: (to Poromon) You wanna die, puffball? I'm just dyin to have me some dinner out of you!

Poromon: You're the one that's going to wish you had me for dinner! LIGHTNING JAVELIN!

He fired a powerful blast of lightning from his head crest and electrocuted the robber so bad that it paralyzed him!

Sheila and Tom came and then they cuffed him!

Sheila Loud: Well I'll be! That's Ruthless Violating Vince! He was wanted by the FBI for robbing banks in 20 states!

Tom Lair: Wow! Great job Poromon! That's a bounty of $500,293,323,000,000,000,000,000.00 coming your way.

Everyone cheered wildly for Poromon for capturing one of the country's most dangerous and most ruthlessly notorious bank robbers!

Me: Crikey! That was a great task done by Poromon!

Nico: Wow! I'm impressed.

Poromon: What should I do next?

Poromon then decided to visit the Neptune Prison. There he decided to make a certain orange haired Loser Calling Ugly Loser there.

He got on a teleporter and went to the Neptune Prison.

On a viewing window we saw him heading to Mindy's Cell.

Me: Crikey, he's going to Mindy's cell.

Nico: Oh this is gonna be good.

Mindy: Come here by yourself, you puny loser?

Poromon: Oh I'm not the loser here, YOU are. CUTIE PULVERIZER!

He jumped Mindy and punched and pulverized her all over and Mindy screamed in pain as she was being pulverized all over in a brutal fight cloud like how Billy beat the living shit out of me! He was even strangling her, punching her in her face and slapping her all over.

Nico: Nice.

Me: Crikey! Very fitting for her mates.

Twilight Sparkle: (Laughs)

20 minutes later he stopped and left and left Mindy for dead.

Nico: I wonder what he's going to do now.

Poromon: That was fun. Time for a trip home. I got some choice words for a certain tyrant Nico knows.

Me: Crikey, he's going to visit the Digimon Emperor in prison.

Nico: This is gonna be good.

He got to the teleporter and went to the Prison Cell of our enemy the Digimon Emperor.

Poromon came to his cell.

Poromon: Hey Jerkwad Florence Poopenscooper!

Digimon Emperor: What!?

He saw Poromon.

Digimon Emperor: Just you by yourself? Could this get anymore humiliating?

Poromon: I got a few words for you. (Takes a deep breath) YOU ARE A STUPID FUCKING UGLY BLUE HAIRED PATHETIC UGLY FREAK OF NATURE! YOU ARE SO DISGUSTING AND FUCKING UGLY THAT YOU MAKE EVEN THE UGLIEST OF DIGIMON LOOK LIKE PRETTY FASHION MODELS COMPARED TO YOU! YOU MAKE MY SICK JUST LOOKING AT YOUR UGLY FUCKING FACE! I WOULD RATHER VOMIT IN LILA ROSSI'S MOUTH THAN LOOK AT YOUR UGLY FUCKING FACE!

WHOA! THAT IS BRUTALLY CRUEL!

Nico: Nice one.

Me: Crikey! That was some grade A Ranting there mates!

We finished the documentary.

Nico: I wonder how long our documentary will be.

We had everyone together and we watched it and it was awesome!

Seadramon: Wow! This was great!

Poromon: Wow! So you guys made a documentary about me! That is cool!

Nico: Call you dinner, will he?!

Me: But that was great seeing Poromon bust that guy.

Nico: Yeah at least he is in prison forever.

Laney: And they recovered all the money he took.

Lola: Yep.

Xenia: He stole practically as much money that was in Fort Knox.

Camie: Yeah no kidding.

Poromon: Nico, which teams have you made?

Nico: Aqua's team will include Brenda Loud, Mei Tata, Charlotte Grace, Caitlyn, and Pneuma. Luke's team will include Wendy Darling, Jane, Peter Pan, Tinkerbell, and Sprite of Spring.

Me: Awesome!

Nico: Yep.

Lincoln: And it's awesome Mei Tata and some of the girls are on teams.

Kairi: And it's cool that Peter Pan and friends are on a team too.

Lola: Yep.

Xenia: Awesome.

Peter Pan: I agree.

Me: But that was a great documentary though.

Then the M.O.E. Members came.

Raven Branwen: I know that today doesn't have any usual battles. But can me, Jet, and our respective teams go with you guys?

Nico: Yes you sure can.

Lana then came in.

Lana: Guys you got to see this!

She turned on the TV and then to our shock we saw that SANTA WAS ON TRIAL FOR ACCIDENTALLY RUNNING OVER A GRANDMA!

WE GASPED!

Me: Oh man! Wait a second. I love that song and the movie Grandma Got Run Over By a Reindeer! That is one of my favorites.

Nico: Hey mine too!

Qin: And this is perfect for the Christmas Season.

I pulled out the movie and we watched it.

---

Jake Spankenheimer's grandmother owns a small general store in the town of Cityville. The store happens to be the only piece of property not owned by Austin Bucks, the wealthiest man in town, whose CEO corporation specializes in making Christmas easier and less involved for the town's busy residents. Grandma tells Austin that his method of trying to make Christmas easier is not really for the best and refuses to sell the store. Cousin Mel, who plans to sell the store anyway, sabotages Grandma's fruitcake by adding an ingredient with hopes that they won't sell.

Jake and his grandparents are the only ones in the family to believe in Santa Claus, further supported by them witnessing the film's signature accident occurring. The next morning, Grandma is indeed missing and the police find an imprint of her in the snow, along with her belongings. Cousin Mel finds a letter that she quickly hides from the others.

Nine months pass without Grandma and the store's business drops. During this time, Cousin Mel comes up with a new plan to sell the store to Austin by tricking Grandpa into giving her his power of attorney. When Jake objects, Austin agrees to give him another week in order to find Grandma before going through with the deal. Adamant in his belief that Santa ran over her, Jake emails Santa, and soon Quincy, Santa's head elf, comes to take Jake to the North Pole, explaining Santa took Grandma back to the North Pole for medical treatment, but developed amnesia from the accident, and until receiving Jake's e-mail Santa had no idea of who she was. After Jake explains the situation, Santa, Quincy, and Grandma agree to go with him to stop the deal.

When they arrive in Cityville, however, Cousin Mel and her attorney, I.M. Slime, quickly trick Grandma into going with them. After Santa explains to Austin what has happened, Jake and Quincy discover that Grandma has gone missing once again. Cousin Mel uses the opportunity to accuse Santa of being behind her disappearance and put him on trial for kidnapping, leaving the scene of an accident, and "sleighicular negligence". Cousin Mel and I.M. Slime then plot to sue him, believing that someone who can pay for billions of presents must be incredibly wealthy.

Three months later, Daphne suspects that Cousin Mel may have been involved in Grandma's second disappearance, and Jake and Quincy follow her to a cabin in the woods where she and I.M. Slime are keeping Grandma out of sight. They rescue Grandma and find Santa's letter explaining what happened, that Cousin Mel had found at the site of Grandma's accident, and also what Cousin Mel added to Grandma's fruitcake that Christmas Eve night, which had the effect of "reindeer-nip" irresistible to reindeer. They restore Grandma's memory by feeding her some of her own fruitcakes and rush to the courthouse.

Confronted with the evidence, Cousin Mel and I.M. Slime are arrested for obstructing justice and "almost ruining Christmas," and the judge lets Santa go after finally discovering the truth. Austin, realizing how much the family cares about their business, offers to franchise Grandma's store throughout the country. Grandma eventually accepts because Austin Bucks and the Spankenheimers became friends.

---

When the movie was done we cheered it and it was great!

Nico: Always love that movie!

Me: Awesome one.

Poliwag: Nico, which of our old friends do you think you'll meet next?

Nico: Vileplume next.

Me: Awesome!

Nico: Yep.

Eli: So it looks like it's up to us to clear Santa's name and expose the REAL Culprit and that's Melanie Spankenheimer!

Nico: Yep.

Camie: What does it say about her?

Me: You would not like her.

I pulled up her info.

---

Melanie Spankenheimer, or Cousin Mel for short, is the main antagonist of the 2000 children's animated Christmas special Grandma Got Run Over By A Reindeer (which features the song after which it is named). She's the older granddaughter of Grandma and Grandpa Spankenheimer, the niece of Frank and Rita Spankenheimer and the older cousin of Jake and Daphne Spankenheimer.

She was voiced by Michele Lee.

Mel is a golddigger who wants to sell Grandma's store to Austin Bucks, the wealthiest man in the town of Cityville, but Grandma refuses to sell. After Grandma disappears following Santa's sleigh crashing, Mel discovered a letter revealing Grandma's whereabouts, but decided to hide it for about one year to keep her family and the rest of the town in the dark about it. She also tries a scheme to force the sale of Grandma's store by tricking Grandpa into signing over his power of attorney to her, but Jake tries to stop her.

As it turns out, Mel hated the Christmas spirit as she became the cause of Santa's arrest when she frames him for Grandma's disappearance. To that end, she got an unscrupulous attorney named I.M. Slime to assist her in her scheme to kidnap Grandma after she returns and to frame Santa for the crime and sue him to get all his money. She's eventually found out by Jake when he finds the missing letter in order to prove Santa's innocence and she's forced to confess her actions during Santa's trial when she's confronted with the evidence against her. With that in mind, Mel is arrested for her crimes while Santa is clear from all charges, with even Bucks commented that she would look great in stripes. It's implied that Mel will be permanently put on Santa's naughty list as punishment for her actions.

---

When it was done we were shocked!

Applejack: Why that two-timing Christmas Ruining Snake in the Grass!

Me: She's nothing but a MALIGNANT LYING GOLDDIGGER!

Nico: Yeah!

Jet: Nico, here's today's weapons for you. Considering it an early Christmas present.

Nico: Thanks Jet!

They were a bunch of swords called the Defenders of Christmas, they're a collection of massive greatswords with embedded colored gems and the symbols of Christmas etched on the 7'0" massive, wide, double-edged red blades, large reindeer heads for the crossguards, large green gems embedded in the rainguard, longer midnight black handles, four large reindeer heads and large red gems on the bottom of the reindeer heads for the pommels. Once in hand, we'll get a massive power and energy increase.

Nico: Awesome!

Me: Wow!

We got the swords and they were awesome!

Nico: Cool.

Me: We saved Santa's life before. Now it's time for us to do so again.

Rarity: And I will be the one that does so.

She snapped her fingers and was in a great lawyer Outfit!

Rarity: Rarity Jewelshine Loud - Attorney At Law!

Nico: Wow!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Szayel Aporro Granz, the former 8th Espada of Sōsuke Aizen's army and mad scientist obsessed with perfection, and he's coming here to get revenge on us for what we did to Sōsuke Aizen. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Szayel Aporro Granz coming after us?

Lincoln: You guessed it, Rayman, and he's coming here to get revenge on us for what we did to Sōsuke Aizen.

Rukia Kuchiki: I should've guessed that as soon as word hit of that traitor's death, another of his minions would come after us. But, be careful, he's the most delusional and sadistic of the traitor's army and he's also a mad scientist obsessed with perfection.

We gasped.

Madison Darkblazer: Just what the world needs: another Shinigami fucked-up mad scientist. But, we'll make sure he never rises from the dead again to hurt anyone else, right, Lincoln?

Lincoln: Right, Madison.

Omega Leonidas: He's taken so many innocent lives and all for his obsession, he must answer for all his crimes.

Battle Ax Vladitor: That's correct, and this is also the perfect opportunity for Lincoln to show his skills as a Bakugan Brawler.

Nico: That's right, this is going to be truly an amazing battle. Alright, gang, let's go, we're going to solve a Christmas mystery and clear Santa's name.

Lincoln: And send Cousin Mel to prison after we make her pay for trying to ruin Christmas to satisfy her greed, and after we send Cousin Mel to prison for her crimes, you're next, Szayel Aporro Granz.

Nico: Let's get going.

Windcharger turns into his vehicle mode and opened his door.

Windcharger: Anyone need a lift?

Many of the people that don't have powers yet got in.

Nico: Lets roll!

Me: But Rarity where is the case you have for Santa?

Rarity: Oh I have everything I need with the movie we saw.

Me: Oh I get it.

We were off to the courthouse.

Windcharger: You think maybe we should meet up with Jake first?

Eli: Don't worry. I called him and told him and his grandma to meet us there.

Windcharger: Always a good thinker Eli.

Me: Yep.

Eli: Thanks.

Me: Boy I love that song Grandma Got Run Over By A Reindeer. Great song back in 1979.

Nico: Boy it sure was cool and great song.

Lola: One of my favorites.

Horsea: Maria, I'm glad your so called sister has been dealt with. (growls) How could she be so cruel to you?!

Maria: She was just born pure evil.

Qin: Lets not forget my so-called sister.

Carmen: Yeah. I didn't know about Maria's twin sister until now. Mom never told me anything about her. But when Maria told mom about it I didn't know it was that bad with her.

Maria: Yeah but at least she will never hurt anyone again.

Eli: Thank goodness.

Windcharger: Also to be honest we had no idea that you and Qin both had forgotten family members.

Qin: No one ever asked.

Maria: Yeah.

Me: But this is gonna be so fun. Also I have been to Grandma Spankenheimer's shop and it has some of the most delicious and best fruit cakes ever known.

Nico: Really? Wow.

Me: Yep. She makes it all with love.

Eli: Cool.

Poliwag: Are we getting close?

Windcharger: We're already here.

We arrived at the courthouse.

Manaphy: We better find them!

Jake and Grandma came.

Jake Spankenheimer: We got here fast!

Grandma Spankenheimer: Thank goodness we did.

Me: Thank goodness and Grandma we will NOT let your shop go into the hands of that golddigging fat cow!

Jake Spankenheimer: Yeah!

Maria: It's nice to meet you, Jake.

Jake Spankenheimer: You too Maria.

Me: And Grandma you will always make some of the most awesome Fruit Cakes ever.

Grandma Spankenheimer: Thank you so much J.D.

Me: You are welcome.

Nico: Come on guys, we got to clear Santa's name.

We went in and arrived at the courtroom.

Officer: Team Loud Phoenix Storm. Sorry you can't go in there.

Me: I'm afraid this whole trial is a fraud and we have rights to do so.

Eddy kicked down the door.

Me: Stop! This whole trial is the work of a lying and manipulating shrew!

Rarity walked down the aisle of the courtroom.

Rarity: Rarity Jewelshine Loud, Element of Generosity and Princess of the Water Skylanders - Attorney at Law. I have evidence to show you that it was actually Melanie Spankenheimer that was responsible for framing Santa Claus for something he did not do.

Cousin Mel: Shouldn't you be killing an Evil Sasuke right now?

Me: Normally yes but we have more important things to deal with.

Nico: And that is clearing Santa's name.

Rarity: Your honor, this tape will show you that Melanie is really the one to blame for this whole charade of a trial.

Judge: Proceed Rarity.

Cousin Mel: NO!

She played it.

It was the movie we saw earlier and it showed EVERYTHING Mel did and essentially incriminated her like it did in the movie!

Cousin Mel: But you still forget. Dear Old Granny still doesn't remember who she is!

IM Slime: You shouldn't be counting your chickens before you hatch. Now, why don't you all run along so we can get out of here. We've got a lot of planning to do to top this scheme.

Me: Wrong!

Jake and Grandma came in.

Me: Jake rescued her before we got here and restored her memories.

Maria: You two realize that you both probably would've gotten away with it if you had just hired henchmen like most bad guys do and them guard her.

Me: Not very smart there.

Cousin Mel: All right, I admit it. Yes, yes, I did it. I hid the note.

Jake Spankenheimer: And?

Cousin Mel: And I made grandpa sign over his rights to the store.

Jake Spankenheimer: And?

Cousin Mel: I'm behind this evil trial.

Jake Spankenheimer: And?

Cousin Mel: And I hate the goody, goody feelings of Christmas, all this caring and sharing. So I kidnapped grandma and made Santa Claus the fall guy so I could get all his money. Hey, I deserve to be rich.

TAKE THAT!

Me: BUSTED!

Prosecutor: Arrest this woman for obstructing justice and almost ruining Christmas.

Officer Nancy: Thats what you get for being selfish and stupid.

Me: First let us have a little FUN with her.

Maria: Rudolph, kick her ass, will you?

Rudolph: With pleasure!

Rudolph bucked her.

Lincoln: And this is for trying to RUIN Christmas! REINDEER ELEMENT STYLE: RUDOLPH!

Hilda: (British Accent) REINDEER FIRE STYLE: DASHER!

Girl Jordan: REINDEER SOLAR STYLE: DANCER!

Yuna Kamihara: REINDEER WATER STYLE: PRANCER!

Toph: REINDEER EARTH STYLE: VIXEN!

Makoto Nanaya: REINDEER WIND STYLE: COMET!

Sari Sumdac: REINDEER LIGHTNING STYLE: CUPID!

Colette: REINDEER LIGHT STYLE: DONNER!

Ryuko Matoi (TLPS): REINDEER DARK STYLE: BLITZEN!

They fired waves of elements and it formed into said reindeer of Santa.

Lincoln and his harem: REINDEER FINAL SMASH: REINDEER MARCH!

They summoned Santa's Reindeer to run over Cousin Mel.

Me: NOW! Who got run over by a reindeer!

We had the handcuffs slapped onto Cousin Mel's wrists and she was sent away.

Lincoln: That's what you get for not only trying to ruin Christmas, but also for getting greedy, Mel.

Nico: Have fun in prison, you greedy swindler! Awesome job, guys, but we're not done yet, there's still the matter of Szayel Aporro Granz to deal with, and that mad scientist Arrancer should be arriving… right now!

?: I will make you fools pay for what you did to Lord Aizen!

Rukia Kuchiki: I should've known there's no mistaking that voice from anywhere. You can come out now, Szayel Aporro Granz.

A figure came out, and it was none other than Szayel Aporro Granz, the former 8th Espada of Sōsuke Aizen's army and mad scientist obsessed with perfection.

Rukia Kuchiki: I should've known you'd show your face yet again, as soon as word of the traitor's death reached you.

Szayel Aporro Granz: You fools will never ever defeat me, I have numerous ways of analyzing your powers, then finding a way to counter or nullify them.

Lincoln: Then try to analyze this!

Lincoln teleported behind Szayel Aporro Granz and used his tail to inject him with a lethal poison that neutralized his ability to analyze anyone's power.

Szayel Aporro Granz: No, impossible! What did you inject me with?!

Lincoln: A lethal poison that neutralized your ability to analyze anyone's powers, and it lasts for 72 hours.

Madison Darkblazer: Which gives us more than enough time to kill you.

Suddenly, Madison Darkblazer's pink eyes turned neon pink, and she was surrounded by a black and indigo energy aura with darkness, dark energy, shadows, and battle axes, she unholstered her massive Battle Ax Vladitor-themed greatsword from her back, and as she approached Szayer Aporro Granz, she left black and indigo energy, darkness, dark energy, shadows, and battle axes with every step.

Madison Darkblazer: Just like with your lord, I will never ever forgive you for the crimes that you have committed against both the Soul Society and the human world, Szayel Aporro Granz, so many have suffered because of you, and now, I will see to it that you never rise from the dead ever again.

Suddenly, Madison Darkblazer was surrounded by a massive vortex of black and indigo energy with dark energy, darkness, and shadows surrounding the vortex, there's an array of battle axes and the Darkus Bakugan, Battle Ax Vladitor, flying around the vortex, and in the vortex is a pink phoenix. Then, as the vortex faded, Madison Darkblazer emerged, but she was changed forever.

Madison Darkblazer has on a sleeveless open midnight black blouse, short-sleeved midnight black and indigo midriff top, midnight black shorts, indigo knee-high high-heeled boots, and long white sleeveless trenchcoat with darkness, dark energy, shadows, and battle axes on the coattails, and on the back is the Darkus Bakugan, Battle Ax Vladitor, and he's surrounded by darkness. Suddenly, Madison Darkblazer felt a sharp pain on her back, and then, her massive midnight black angel wings with indigo tips on the large midnight black feathers grew much bigger for her new body, she now has eleven massive and long midnight black wolf tails, she has on a Ring of The Phoenix with purple gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Madison Darkblazer's massive Battle Ax Vladitor-themed greatsword and all the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black and indigo energy, darkness, dark energy, shadows, and battle axes, and when it emerged, it was transformed into Battle Ax Vladitor's Dark Shadow Darkus Greatsword of Darkus Shadow Warrior Justice, it's a brand-new massive greatsword with embedded black and purple gems and the Darkus Bakugan, Battle Ax Vladitor, etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight black demon heads for the crossguard, large indigo gem embedded in the rainguard, longer midnight black handle, four large midnight black demon heads and a large indigo gem below the demon heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with indigo gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Battle Ax Vladitor's head with red gems for eyes and a large indigo gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound

There's an indigo kanji below Battle Ax Vladitor that said, "Madison Darkblazer, Darkus Brawler and Member of The Bakugan Battle Slammers, Gene-Slammer of Battle Ax Vladitor, Cousin of Misako, Powerful Master of Darkness, Friend of The Legendary Bakugan Gene-Slammers, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of The Dark Sides of Lori, Lynn, Lola, Lisa, Luan, and Chandler, Despiser and Smasher of Hawk and Hank, Pablo and Anderson, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness and Warriors"

Madison Darkblazer has transformed into SUPER ANGEL-HYDRA-HARMONY CELESTIAL ETERNAL XELNAGA DARK SHADOW DARKUS BAKUGAN DEATH WARRIOR ANGEL OF DIVINE DARKUS WARRIOR DARKNESS JUSTICE AND DIVINE DARKUS SHADOW WARRIOR LOVE!

We were amazed by Madison Darkblazer's Super Angel Celestial Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Szayel Aporro Granz saw it, he rushed at her to kill her, but Madison Darkblazer fired a powerful black and indigo energy blast with darkness, dark energy, and battle axes at Szayel Aporro Granz and it exploded with incredible power, and sent him flying into a wall, he got out, and he was really pissed off now.

Misako: Whoa, now Madison's transformed, awesome.

Lincoln: Yep, but even with his abilities neutralized, Szayel is still a dangerous foe, but he won't be for much longer, and Madison, you look beautiful, how do you feel?

Madison Darkblazer: (Divine Echoing Cosmic Voice of The Indigo Darkus Shadow Death Warrior and Divine Indigo Darkus Warrior Love) **I feel incredible, Linky. Now, shall we finally put this mad scientist Arrancer down like the mad dog he is?**

Lincoln: (Smiles) With pleasure, Madison.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Madison Darkblazer

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Your days of trying to help Sōsuke Aizen destroy The Soul Society and your sick obsession of achieving perfection are over, Szayel Aporro Granz, and now, it's time for you to die. But, first things first. (Throws Battle Ax Vladitor) Rise from the dark depths, Battle Ax Vladitor!**

A stream of dark fire appeared behind Lincoln, and we soon saw another figure rise behind him, it was Battle Ax Vladitor in his true form.

Nico: Whoa! So, that's Battle Ax Vladitor in his Bakugan form, incredible!

Me: And we're going to see him in action as well.

Battle Ax Vladitor: Indeed you shall. Let's end this monster once and for all!

Madison Darkblazer, Lincoln, and Battle Ax Vladitor went after Szayel Aporro Granz, who attacked them with his sword, but they dodged it, and they fired extremely powerful blasts of rainbow energy, black and indigo energy, crosses, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, fairies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Tortoises, Succubi, Incubi, Hydras, and Mermaids at Szayel Aporro Granz, and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Now, let's tear him to shreds, Battle Ax Vladitor. (Holds out Ability Card) Ability Activate: Thousand Destroyer!**

Battle Ax Vladitor charged up his Battle Ax with dark energy, and he swung it at Szayel Aporro Granz with incredible power and speed, and the Arrancer was slashed all over the place, and he was really bleeding.

Nico: Whoa, awesome!

Me: Nice one! They really got him mad now!

Szayel Aporro Granz: No, this is impossible! I won't be defeated like this, I'll… I WILL KILL YOU!

Szayel Aporro Granz transformed into his Resurrección form by releasing his Zanpakuto, Forniacarás, with the release command, "Sip".

Madison Darkblazer, Lincoln, and Battle Ax Vladitor: **Time for you fear the true power of the darkness, Szayel Aporro Granz. DARKNESS BATTLE AXE NIGHTMARE!**

Madison Darkblazer, Lincoln, and Battle Ax Vladitor fired powerful blasts of indigo and black energy at Nnoitra Gilga, which transformed into battle axes and they slashed at him and they all exploded with incredible power and he was burned badly by the dark flames. Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Madison Darkblazer, her hand-cannon Blaster is known as Battle Ax Vladitor's Darkus Shadow Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's black with indigo flames on the blaster with a Phoenix, Angel, and Battle Ax Vladitor and the Darkus Symbol surrounded by darkness etched on the sides, and an indigo gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Madison Darkblazer fired blasts of rainbow energy, black and indigo energy, and elemental forces at Szayel Aporro Granz and as they hit him, they exploded with incredible power, and he was mortally injured.

Then, Lincoln and Madison Darkblazer beheaded Szayel Aporro Granz and as his spirit appeared, they gave him The Black Gates and he was erased forever. We cheered wildly as Lincoln and Madison Darkblazer holster their massive greatswords on their backs and power down and Battle Ax Vladitor changed back to his ball form, and Madison Darkblazer's new body, clothes, weapons, jewelry, Third Eye, eleven massive midnight black wolf tails, and massive midnight black angel wings are permanent.

Madison Darkblazer: Your sick obsession of achieving perfection and helping your Lord destroy the Soul Society are over. Thanks for helping me destroy Szayel Aporro Granz, Linky, you too, Battle Ax Vladitor.

Lincoln: (Smiles Warmly) You're welcome, Madison.

Battle Ax Vladitor: It was indeed an honor.

Suddenly, Madison Darkblazer wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Madison Darkblazer's face, they kissed passionately as Julia Makimoto's left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Battle Ax Vladitor flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and darkness behind them and we cheered wildly. Lincoln and Madison Darkblazer came back to us as the display and Battle Ax Vladitor vanished.

Nico: I… honestly have no words to say, except… THAT WAS ONE AWESOME BATTLE YOU GUYS HAD FOUGHT!

Nico ran up to Lincoln and Madison Darkblazer and hugged them, and he hugged them back.

Me: Yeah, and Lincoln, you displayed some awesome skills as a Bakugan Brawler, nice one!

Lincoln: Thanks, but this was with Battle Ax Vladitor. Wait 'til tomorrow with Omega Leonidas when we go after Zommari Rureaux.

Omega Leonidas: That's right, we will make him pay for what he's done in Sōsuke Aizen's name

Leona Elementaldraco: Indeed we shall. And we know who we're meeting tomorrow, right, Lincoln?

Lincoln: Oh yeah, Autumn Aluma, Gene-Slammer of Ghostrick Lantern, and for Day 13 of The Dark World Treasure Hunt.

Judge: Santa Claus, you are hereby found innocent of all charges.

You are free to go.

EVERYONE CHEERED

Jake Spankenheimer: Oh, yeah!

Me: We definitely know that Cousin Mel is going on the Permanent Naughty Plaque for her crimes.

Eli: And she is going to the Fruit Cake Mines Prison for eternity.

Laney: That is for sure.

Nico: Sorry about the mess. Santa.

Santa: No worries Nico. But you saved me again and I am forever grateful to you all,

Me: It was our pleasure.

Qin: Yeah. Cousin Mel was a golddigging shrew and people like her belong in one place and that is prison.

We went to the mall and had a great meal and shopping spree with Jake and his family.

Cousin Mel and I.M. Slime were found guilty of obstruction of justice, kidnapping, attempted murder and almost ruining Christmas and they were both sentenced to spend the rest of their natural lives in the Nunavut Bay Fruit Cake Mines with no possibility of parole. They were also ordered to pay $50,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 in restitution and damages. That money went to the Spankenheimers and to Gotham Royal York. Also Santa had Cousin Mel placed onto the Permanent Naughty Plaque.

We enjoyed the rest of the day and went to sleep.

Ash, Serena, James, Jessie and Meowth were with us too.

Zuria: So James came from a really rich and amazing lifestyle?

Me: You wouldn't believe how big James's house is Zuria. It's one of the most incredible we've ever seen.

Rhinox: It sure is. James was born in a huge and very wealthy family and it is amazing how his family is super rich like this.

Nico: It sure is. You wouldn't believe how big his house is.

Me: When Ash and his friends told us about how massive his home was when they were here the first time they just couldn't believe how big it was.

Ash: Yeah it's true. We were floored with how big his home is.

Pikachu: Pika.

Serena: I couldn't believe it myself.

James: Yes. I was born into a lifestyle built for the rich and it was incredible.

Zuria: Was he as rich as J.D.?

Me: Not even close. James's family may be one of the wealthiest in all of the Kanto Region but he will not have that large an amount of wealth like us. Not to gloat but it would take a miracle for them to be as wealthy as us.

Nico: That is true.

Eli: Yeah.

Aqua: But we're really excited for this one.

May: And I made a picnic for me and Nico too.

Me: Aww that's sweet of you May.

Nico: It sure is May.

May: Thanks.

Nico: Aqua, I want to thank you, Skulker, and your teams for coming today.

Aqua: Not a problem Nico. It's going to be awesome helping you guys out.

Xenia: We're so excited to have you with us.

Varie: It's always fun.

Aqua: It sure is.

Nico: Brenda, I think your family might be bigger than Lincoln's.

Brenda: And I hate being in it! I hate everything about it.

Zuria: Boy she sure is a grouch.

Me: Brenda always had a really nasty and foul disposition. She hates everything and is like Grouchy Smurf.

Nicole: It's true Zuria. Brenda always had a nasty way of showing it too.

Brenda: Yeah and I hate everything.

Nico: But I know you still love your family deep down.

Brenda: Yes I do but I still hate everything!

Eli: Brenda has been known to hate everything because she just does.

Qin: Yeah.

Me: She and Bonecrusher definitely get along great.

Xenia: That's for sure. And we all know that Bonecrusher has a REALLY Rotten temper.

Lola: Just like Aquarius.

Zuria: No kidding. How come Aquarius has a rotten temper?

Me: Who the hell knows.

Nico: But you don't hate Christmas, right? Unlike who we took down yesterday…

Brenda: No I don't. But I hate everything still.

Me: I'm still glad that Mel got what she deserved.

Xenia: Me too.

Rarity: But that was a most amazing case there darlings.

Qin: It sure was.

Lola: No kidding. That golddigging buttkissing monster had it coming to her!

Lily: You bet she did!

Me: And she is digging for the one food she hates more than anything and that's Fruit Cake.

Camie: Yeah no kidding there. She had it coming.

Nico: Rarity did good in that one.

Qin: She sure did.

Rarity: Oh thank you darlings. Being a lawyer has been something I have a secondary talent at.

Xenia: It's really helpful too.

Twilight Sparkle: Reading all the Shadow Spade books really helped her out with her hidden skills in law enforcement.

Varie: And they really are awesome. Just like how me and Hoagie solved the case of The Pink Eye Apple Crumble.

Me: Boy I remember hearing about that.

Lola: That was gross.

Nico: Anyone hates Christmas has something wrong with them.

Me: You got that right! Either they lost their faith or because they just don't give a flying fuck about it.

Qin: Yeah they only care about what they want and ONLY that.

Lola: Look what happened to Princess Morbucks.

Eli: Yeah that brat had it coming.

Xenia: She deserved it.

Camie: So does MANY bad kids too.

Me: Yep.

We arrived at James's estate.

Nico: Here we are.

CLANG!

Zuria's jaw dropped to the ground and I put it back for her.

Zuria: This is your house James!? It's massively huge!

Ash: We were shocked the first time too.

Serena: Boy this is amazing.

Lola: It sure is.

James: And I'm glad you guys are coming with me. My crazy ex-fiancé Jessebelle is back and she wants me to marry her again.

Nico: How the Hell does Jessebelle keep coming back?!

Me: Boy I will say this. She is as persistent as a boomerang that keeps coming back.

Applejack: Why that stubborn piece of rotten apple pie!

Nico: Yeah! She needs to be put in her place.

Me: Also I have a feeling the next Undead Zodiart is gonna be for Pisces the Fish.

Nico: Same here.

May: I'll get our picnic set up.

Qin: Okay.

She went and did so.

James: You know what? I'm turning my self in!

WE GASPED!

Ash: James, no! We'll find another way to deal with Jessebelle!

James: What else is there, Ash?! We tried taking her down in battle but that didn't work! J.D. tried threatening her but that didn't work! Even running away didn't help! If I agree to her terms, then she'll leave all of you alone!

Me: No James, we'll gladly help you face her. Your parents brought this she-devil to you and now it's time for you to cleanse yourself of this darkness by taking your demons head on!

Jessie: That's right James!

Meowth: Yeah and we're with you all the way.

James: Maybe I'll stay here then.

Jessie and Meowth: NO YOU WON'T!

They were dead serious.

James: (sighs with a smile) I feel like if I were still with Team Rocket, you guys wouldn't be agreeing to back me up here.

Nico: But you aren't anymore. So, we ARE backing you up here!

Me: That's right!

James; Oh you're right. I will do it!

Me: That's the spirit!

But then we heard a scream!

Me: UH OH!

We ran to May and we saw her sitting on the ground.

MAY HAD HER ENTIRE PICNIC STOLEN! When May saw that her food was missing, she was extremely pissed off!

Me: UH OH!

May: WHO… THE… HELL… STOLE MY FOOD?!

Nico hopped into my arms in fright.

Me: OOF! Geez, Nico, you're going to give me a hernia one of these days.

Nico: Oh man, someone stole May's food while she wasn't looking. Someone's going to lose an eye for their crimes.

Eli: MORE LIKE LOSE THEIR HEADS!

Suddenly, Princess Celestia winced and we saw that her mark for Pisces the Fish constellation on her arm glowed.

Princess Celestia: (Winces) My Mark is glowing.

Lincoln: And I sense the next Another Undead Zodiart, along with the Another Villain, and three more uninvited guests!

Lincoln fired five rainbow powerful energy blasts and forced out a bunch of figures: it was our old enemies, Jessebelle and The Rump City Bootyheads, and when May saw her food in their hands, she gritted her teeth in anger, her body turned red, and steam was blowing out of her ears and she had a massively burning and intense fire aura! SHE WAS NOW MAJOR-LEAGUED PISSED OFF NOW!

Me: Jessebelle and the Rump City Bootyheads! I had a feeling!

Eli: And look!

They had her picnic basket!

Qin: Give that basket back!

Jessebelle: Here's what I say to that!

She gave May the Stinkeye and Flipped the Bird at her!

OH SHE DID NOT JUST GO THERE!

May: (GROWLS) YOU FOOD-STEALING GOOD-FOR-NOTHING THIEVES AND BASTARDS! NOW, YOU'RE DEAD, WORSE THAN DEAD!

Ash: Pikachu, grab it!

Pikachu went for it!

Jessebelle: Stop that Pikachu!

The Bootyheads went for Pikachu and he dodged them all and then jumped and grabbed the basket!

Qin: NICE!

Nico simply glared at Jessebelle and used Tar Monster's powers on

her.

Nico: What the fuck did you just say to my wife!?

Jessebelle: I said for her to buzz off and go jump off a cliff!?

Me: You can't talk to May like that you bitch!

Eli: YEAH!

Camie: You just dug your own grave!

Suddenly, something inside May's mind really snapped as memories of every incident that involved her food being stolen rushed through her head, and her blue eyes turned neon ice blue and she was suddenly surrounded by an ice blue energy aura with snowflakes, ice crystals, ice phoenixes, and ice dragons, she unholstered her massive Tsnovinar's Ice Phoenix Dragon Greatsword of Snowstorm Justice, and as she angrily approached Jessebelle, and The Rump City Bootyheads, she left ice blue energy, snowflakes, ice crystals, ice phoenixes, and ice dragons with every step.

(10'S BY PANTERA PLAYS)

May: I've always prided myself on being a kind, sweet, loving girl, and who's also not afraid to get tough when some wiseguy starts trouble. (Suddenly Getting Extremely Pissed Off Big Time) But, what you all just did in stealing my food while my back was turned and then tell me to go kill myself just to piss me off… ! YOU CROSSED THE FUCKING LINE FOR THE LAST TIME, YOU FOOD STEALING MONSTERS, AND NOW, I WILL RIP YOU FIVE LIMB FROM FUCKING LIMB FOR WHAT YOU DID, AND I WILL RIP YOUR FUCKING BLACK HEARTS OUT OF YOUR CHESTS AND EAT IT RIGHT IN FRONT OF YOUR FACES!

We gasped at the extreme rage coming from May, and when Nico heard it, his jaw really hit the floor.

CLANG!

HOLY FUCKING SHIT ARE THEY REALLY IN FOR IT NOW!

Nico: (Stunned) Holy… Crap!

Me: They have better start saying their prayers!

Nico: (Whimpers) I think I just peed my pants a little!

Lincoln: This is even worse than the time Lord Crockpot stole all the food in Gotham Royal York, and May literally ripped him to shreds for that!

Eli: No kidding there!

Zuria: I've never seen May this angry!

Laney: (GULPS) Me neither!

Nico: I still haven't forgotten what happened that day or what happened three years ago, but to do it again when she wasn't looking, they just sealed their own dooms. HIT THE DECK! SHE'S GOING TO EXPLODE!

We ran for cover, and then, May screamed like an extremely pissed off madwoman and then

EXTREMELY MASSIVE AND INCREDIBLE EXPLOSION!

There was a massive explosion of power and energy and she was then surrounded by a massive vortex of ice blue vortex with snowflakes and ice crystals surrounding it and the ice crystals formed on the floor, there's an ice phoenix and ice dragon flying around the vortex, and in the vortex is a white phoenix, but it had red eyes glaring at Jessebelle, and The Rump City Bootyheads: the red eyes of death. Then, as the vortex faded, May emerged, but she was changed forever.

May grew from 6'11" to 7'4" in height, she has the body of a goddess, she has ice blue highlights in the bangs of her short brown hair, she has neon ice blue eyes and an ice blue and white energy aura with snowflakes, ice crystals, ice phoenixes, and ice dragons surrounding her, she has an ice phoenix and ice dragon emblazoned on her forehead and Third Eye with ice blue iris, she has on ice dragon and ice phoenix earrings with ice blue gems for eyes and holding the Ice and Eternity Kanjis in their claws, she also has an ice phoenix and ice dragon with ice blue gems for the eyes and the Ice and Eternity Kanjis in their claws for the second pendant, along with the golden dragon pendant of her Elemental Dragon Necklace of Eternal Love necklace with ice blue crystal links from her merged Crystal Necklace of the Buddha and ice blue gems on the gold flame links, and her necklace that she got from Nico on her birthday. Suddenly, May felt a sharp pain on her back, and then, her massive brown angel wings with ice blue tips on the feathers and ice falling from the tips grew much bigger for her new body. May has on a Ring of The Phoenix with ice blue gem and heart shaped gem embedded in it on her right ring finger and a Star Sapphire ring on her left ring finger and her wedding ring on her left pinkie finger and Stone of Gelel embedded in her left hand.

Suddenly, May's massive Tsnovinar's Ice Phoenix Dragon Greatsword of Snowstorm Justice and all the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of white and ice blue energy, ice crystals, snowflakes, ice phoenixes, and ice dragons, and when it emerged, it was transformed into Tsnovinar's Arctic Ice Phoenix Dragon Greatsword of Absolute Sub-Zero Snowstorm Justice, it's a brand-new greatsword with embedded white and ice blue gems and the Armenian Goddess of the Sea, Tsnovinar, etched on the 7'0" massive, wide, double-edged ice blue blade, large ice blue dragon heads for the crossguard, large ice blue gem embedded in the rainguard, longer black handle, four large ice blue phoenix heads with ice blue gems for eyes and inside their mouths and a large ice blue gem on the bottom of the ice blue phoenix heads for the pommel, she has on her new large gold cuff Bracelets of the Champions of The Universe with ice blue gems on her wrists, new large gold Belt of Elemental Bravery with a gold dragon head with ice blue gems for eyes and a large ice blue gem in its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Duel Monster Fusion Spellbook, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip and Eater of Sins revolver holstered on her right hip. May has transformed into SUPER ANGEL-ICE DRAGON-PHOENIX HARMONY CELESTIAL ETERNAL XELNAGA ABSOLUTE SUB-ZERO ARCTIC ICE DRAGON PHOENIX ANGEL OF DIVINE ICE DRACONIC PHOENIX SNOWSTORM JUSTICE AND DIVINE ICE DRACONIC PHOENIX SNOWSTORM LOVE!

We were amazed by May's Super Angel-Ice Dragon-Phoenix Harmony Celestial Eternal Xelnaga transformation, and when Nico saw it, he had an atomic red blush on his face, hearts in his eyes, blood squirting out of his nose, and steam coming out of his ears.

But, when Jessebelle, and The Rump City Bootyheads saw it, they went crazy with rage and ran up to attack her, but May fired four powerful white and ice blue energy blasts with ice crystals, snowflakes, ice phoenixes, and ice dragons, and they wound up getting frozen in ice, but they got out, and Jessebelle and The Rump City Bootyheads were really pissed now.

May: (DIVINE ECHOING COSMIC VOICE OF COLD JUSTICE AND VIRTUE) **Jessebelle you will pay for what you've done!**

Jessebelle: GET HER!

The Rump City Bootyheads went at her and then she VICIOUSLY AND BRUTALLY PULVERIZED THOSE BUTTFACED JOCK BULLIES INTO PULP!

POW! SMASH BLAM! SMASH WHAM! BIFF KROW! WHAM! KICK!

She smashed and pulverized the living shit out of them!

She sent them flying and crashing into the mountains far from the area!

Laney: WHOA!

Nico: They are going to be feeling that!

James: Carnivine, use Bite on Jessebelle!

Carnivine went at her and then…

CHOMP!

It bit her on her leg! OUCH!

Ash: Pikachu used Electric Ball!

Pikachu fired a ball of lightning and it hit her and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

OUCH!

Nico: That all you got Jessebelle!?

Jessebelle: Not even close! Vileplume use Solar Beam!

Her Vileplume charge up a Solar Beam!

Nico: I think it's time we wrapped this up!

But then a Bellossom came!

Qin: Wow! A Bellossom!

Nico: I feel like I know this Bellossom.

Bellossom: You should know me Nico.

We gasped!

Meowth: Wow! This one talks like me!

Nico: Wow! Dahlia Cunningham's Bellossom!

Bellossom: Awesome to see you again Nico! Allow me.

She charged up a powerful AURA SPHERE!

Camie: Whoa! She knows Aura Sphere!?

Fu: Wow! That is cool! I'll help too.

Fu readied an Aura Jutsu!

May: **KAAAAAAA MEEEEEEEE HAAAAAAAA MEEEEEEEE!**

Fu: AURA STYLE NINJA ART: AURA FLARE BIG BANG!

She fired an Aura Ball!

May: **HAAAAAAAAAAAAAAAAA!**

She fired a Kamehameha Blast!

May, Fu and Bellossom: AURA FLARE KAMEHAMEHA!

The blasts combined and her Vileplume fired its blast and the Aura Flare Kamehameha hit the blast and destroyed it and went at the Vileplume as it jumped into Jessebelle's arms and then the blast hit Jessebelle and then…

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION OF INCREDIBLE POWER!

The explosion was so massive and so powerful that it sent Jessebelle flying high into the air and then she flew FAR OUT OF SIGHT!

TING!

She was REALLY GOING TO BE FEELING THAT ONE!

Me: WHOA!

Eli: That was awesome!

May powered down and she nearly fell back from exhaustion.

Varie caught her.

May: Whoa! That was intense!

Me: But Jessebelle was really sent flying May!

Qin: Yeah!

James: That was so awesome!

Gaon: We've got another mascot now!

Qin: We sure do.

Nico: But it's awesome to see you again Bellossom,

Bellossom: You too Nico.

Me: That was awesome!

Laney: Yeah! How did you learn a legendary Pokemon Move like

Aura Sphere?

Lana: Yeah Lucario is the only Pokemon that knows it.

Bellossom: Any Pokemon and anyonecan be taught it with the right training.

Me: That is amazing.

Eli: Wow!

Fu: Yeah!

Nico: But that was awesome teamwork guys!

Me: And if you are here then that means the next gene-slammer can't be far behind.

Bellossom: Nope and it's Dahlia. She'll be here in a few minutes. She was turned into a Vileplume.

Me: Whoa!

Camie: Really awesome.

Nico: Yep.

Me: And the Another Undead Zodiarts should be here too.

Maria: You remember Poromon and Poliwag, right?

Bellossom: How can I not. How are they doing?

Nico: Really awesome.

Vypra and Loki appeared.

Vypra: We saw the explosion!

Loki: Are you guys okay?

Me: We're just fine.

Eli: May got super pissed!

Lola: Jessebelle and the Rump City Bootyheads swiped her picnic and May went ballistic on them and transformed.

Vypra: WHOA! That explains what that massive increase in energy was!

Loki: Just like what happened with Lord Crackpot and she really let him have it.

Me: But she sent them flying.

Eli: I sense they crashed into that mountain over there.

Xenia: Wow that far away.

Vypra: Man Jessebelle and the Bootyheads just don't know how to take a hint. We'll take them and put them in our prison.

Nico: Good.

They teleported to the mountain.

Me: Good.

May: But that will show those guys not to mess with us.

Camie: You got that right May.

Bellossom: But that was awesome.

Then a figure came out and it was ANOTHER PISCES UNDEAD ZODIARTS! It looked like a mixture of Water Bug from Masked Rider, Siomaneking, Kyoryu Greeed and Kamen Rider Poseidon!

Me: Whoa! Another Pisces Undead Zodiarts!

Qin: Wow! An all aqua one!

Nico: And you are?

Another Pisces Undead Zodiarts: (In a girls voice) Oh J.D. knows me well.

Me: (GASP) That voice!

She reverted back and it was a Sailor Soldier with red, orange and yellow and golden yellow hair with a uniform of the same colors.

Me: (GASP) Madeline Mustafaria A.K.A. Sailor Mustafar!

Sailor Mustafar: Good to see you again J.D.

Me: You too Madeline.

Nico: Wow! How do you know her?

Me: Madeline was born on the planet Mustafar but was raised here on Earth. She is also the Sailor Soldier of Mustafar. And she also has one of the most amazing titles ever. She is known as THE EXECUTIONER OF THE SITH!

Everyone was amazed!

Eli: Wow!

Me: Yep. She is known for killing Numerous Traitorous Jedi on Mustafar that were condemned there to die. Also Madeline and I went to earth science classes together and she knows a lot about the Earth and the rocks and minerals and volcanoes.

Nicole: Wow! She and I can definitely relate.

Sailor Mustafar: That's true.

Nico: You know what happened to Anakin there, right?

Sailor Mustafar: I sure do. Master Obi Wan and Anakin battled on my home planet to the death and Anakin lost his legs and was burned badly.

Me: Not only that but that was also the legendary battle that turned him into Darth Vader. But I saved Anakin just in time from that happening to him.

Eli: Yeah it's a long story.

Varie: It was crazy.

Sailor Mustafar: What Palpatine did is completely unforgivable.

Zuria: EVERYTHING he did was horrible!

Lola: Yeah it was! But we made sure he paid for it by giving him the Black Gates.

Nico: Yep.

Me: Now all the Sith including Palpatine are now a forgotten memory. Except for Count Dooku and Asaji Ventress who are in our frenemies.

Sailor Mustafar: I heard about that. That's amazing you were able to have them join the M.O.E.

Me: We do have ways of helping people.

Nico: Yep.

Me: Is there another opponent with you too?

Sailor Mustafar: Yes there is. It's a Dark Version of (Points to Skulker) him.

Skulker: Another Version of me!? Wow! This will be interesting.

Nico: Is it hostile or friendly?

Sailor Mustafar: Friendly. Says it knows J.D.

Me: This is gonna be interesting.

Princess Celestia: But let me face you first.

Sailor Mustafar: All right then.

She turned into Another Pisces Undead Zodiarts and Princess Celestia fired waves of light and they hit her and she exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was back to normal and I caught the Rouse Card and Zodiarts Switch and purified them. The Rouse Card had a picture of the stars and symbol of Pisces the Fish and 2 fish on it.

Me: Cool.

The Zodiarts Switch glowed and turned into armbands for those with the constellation of Pisces marked on them.

I picked up Sailor Mustafar and brought her over.

Qin: That was amazing.

Me: Now we have officially covered the Another Celestial Zodiac Undead Zodiarts.

Nico: Yep. All 12 Constellations covered.

Me: There's still others out there.

Nico: It'll be interesting to see them.

Me: Yep.

Sailor Mustafar: (GROANS) What a headache.

Me: But you'll be all right.

Then Lincoln's Ghost Sense went off.

Me: Uh oh. It's close.

Then a Ghost appeared and it was a dark version of Skulker! It was ANOTHER SKULKER!

Nico: Another Skulker!

Qin: Whoa!

Skulker: Another Version of me!

Xenia: Yep.

May: Who are you?

Another Skulker: (In a girls voice) (Australian Accent) G-day J.D. Great to see you again mate.

Me: (GASP) Charlotte Stewart! Great to see you again mate.

Another Skulker: Same to you mate.

Nico: You know her J.D.?

Me: I sure do. She's from Tasmania and Charlotte is also one of the greatest bounty hunters of all. Her target: Bullies and Queen Bee Girls.

Nico: Wow!

Qin: Boy that is awesome!

Chloe Bourgeois: Thank goodness that I'm not like that anymore.

Me: Yeah. Charlotte travels all over the world and she only goes after the most dangerous of prey like girls like Heather and absolute bitches like Lila Rossi.

Nico: Whoa! And Heather is dead now.

Another Skulker: That's right mates. And I know how to open up a nasty can of whoop-ass onto them mates.

Skulker: (LAUGHS) Looks like we both have something in common. I'm a hunter myself.

Kaito: (gets out Denziman gear) Did Swartz promise you anything?

Zocks: (gets out Battle Fever gear) Because we can grant it instead.

Another Skulker: Just to go after the most evil Queen Bee bully girl of all mates.

She pulled out a wanted poster and showed it to us and it was a picture of a girl with blond hair and she had blue eyes and had a bounty on her head worth 777 Quingentillion dollars!

Nico: (GASP) That's Camille Jockerson! I've heard about her! She is the most ruthless bully queen bee ever known!

Me: No relation to Jock Jockerson. But she is also wanted for the evil girl ever. We can easily catch her for you.

Another Skulker: Thanks mates. I knew Swartz was lying to me.

Me: He lied to everyone.

Eli: And that's a huge bounty on her head.

Me: No kidding! Quingentillion has 1,503 zeroes in it!

Lola: GEEZ!

Sougo: (gets out Grand Zi O Ridewatch) I wonder if your real self is behind that armor.

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Nico: Yeah!

Me: Sorry we have to fight like this.

Another Skulker: No worries mate and actually this whole thing is what I was turned into.

Me: Wow! Usually Skulker has this. Sorry Skulker.

I opened his face plate and revealed his true self.

Skulker: Yeah this is me.

Another Skulker: I see.

Nico: (takes out Skulker's Ridewatch) Thankfully, this only gives me Skulker's powers.

He activated it and fired laser blasts from his arms and smashed her down!

Lola: YEAH!

Xenia: Take that!

Nico: (takes out Live Action Bonecrusher's Ridewatch) Did I mention how much I hate people messing with my wife?

Me: Anyone that does so better start praying.

Qin: Yep

Nico activated it and threw a big rock and smashed down Another Skulker.

May: (Gets out Roger the Potted Plant's Ridewatch) Damn right no one better mess with me!

Nicole: Or else you better start making peace with your maker.

May activated the ridewatch and fired balls of blue fire and blasted Another Skulker all over.

Nico: YEAH!

May: Time for this one. (ACTIVATES UNIVERSE 666 LEX LUTHOR'S RIDEWATCH)

May fired a powerful Kryptonite blast and it hit Another Skulker and blasted her down.

Maria: OH YEAH!

Me: Wow

Maria: (gets out Anchor Man's Ridewatch) I hope this one won't be unusual.

Maria activated it and she threw a huge anchor and smashed down Another Skulker!

Nico: Nice one!

Lola: Yeah!

Maria: (Gets out Universe 666 Armada Unicron's Ridewatch) There's no way you're stopping our destiny!

Me: That's for sure!

She activated it and fired waves of energy and smashed her down!

Lola: YEAH!

Ghost and her team came and it had Evil Xion, Bigger Boo, Universe 666 Boogeyman, Zeena And Gwess

Ghost: Hey guys.

Nico: Nice team, Ghost!

Ghost: Thanks Nico.

Evil Xion: This is really awesome.

Qin: Yep.

Brenda Loud: I hate everything but this is fun. (ACTIVATES LIVE ACTION BONECRUSHER'S RIDEWATCH)

She threw a huge boulder and smashed her down.

Bellossom: Dahlia is close, guys!

?: You bet I am!

A Vileplume came!

Nico: Whoa!

Vileplume: (In a girls voice) Looks like I got here just in time.

Nico: I knew you were coming Dahlia!

Vileplume: Awesome to see you again Nico. I got this.

She charged up a solar beam and fired and it hit Another Skulker and smashed her down and then I caught the ridewatch and purified it and it was for Aqua.

Me: Aqua's ridewatch. Cool.

I went over to Charlotte and she was dressed in Safari clothes like Steve Irwin and she had brown hair in a braided ponytail.

I picked her up.

Charlotte Stewart: (GROANS) Crikey what a horrible headache mates.

Me: But at least you're back to normal now.

I brought her over to us.

Brenda: What's your favorite memory of Nico?

Vileplume: Lots of good ones. We did all sorts of things and also kicked butt. We kicked lots of villains all over and also took down the meanest drug lords. And they had it coming.

Qin: Those were so awesome and cool.

Vileplume: Yep. But I'm naked just so you know and I'm ready to revert back.

Nicole: Okay. No one peak or else!

I put on my blind man glasses.

Nico: Here we go.

Nico snapped his fingers and covered his eyes.

We covered our eyes too.

Dahlia braced herself on the wall as she reverted back.

Dahlia was back to normal and had magenta and green hair and pink and green butterfly wings.

The Fashion Brigade went and gave her new clothes that were magenta and green.

Dahlia: Wow awesome clothes.

Nico: Yep.

Nico and Dahlia hugged.

Nico: I really missed you.

Dahlia: Me too Nico. Me too.

We fixed up the mansion and went back home. Jessebelle and the Bootyheads are in the M.O.E. Prison infirmary wrapped in full body casts

And we're also going to destroy Ashram, who's come back from the dead and wanting revenge on us for ruining his plans last year.

Lincoln: Whoa, we're back in Dark World for Day 13 of the Dark World Treasure Hunt, and I know what we're going to do here, not only am I going to rescue the two girls here, but Elizabeth Gryffindor is going to get a powerful treasure there: a powerful greatsword known as The Demonic Darkness Wu-Lord Greatsword of Brron, Goldd, Wu-Lord of Dark World.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) That's right, and since she was Gene-Slammed into Goldd, Wu-Lord of Dark World, it's perfect for her, and we're also going to destroy Ashram, who's come back from the dead and wanting revenge on us for ruining his plans last year.

Junko Sutādesutoroiyā: I should've known he'd come back from the dead one of these days, and like I said, I get the first shot at him.

Katara Chevalierflamboyant: Same with me, he's caused enough trouble to my cousin for the last time.

Lincoln: That's right.

Nico: Ashram just doesn't know when to give up, even after we stopped his plans and killed him.

Me: This is going to be the absolute last time he comes back, this time, he dies once and for all.

Lincoln: You got that right, and I want to thank you and your team for joining us, Kairi.

Kairi: You're welcome, Lincoln.

Future Mai: This is going to be so awesome.

Pan: You said it, and we're also glad Audrey Madison is finally back in prison, but her life is already getting shorter by the day.

Lincoln saw the timer on his right large gold cuff Bracelet of The Champion of the Universe, and we saw the Condor Nazca Line and Earthbound Immortal Wiraqocha Rasca were glowing, but then, we now saw that the Whale Nazca Line and Earthbound Immortal Chacu Challhua were now glowing.

Lincoln: Yep, only sixteen more days, and come Christmas, Audrey Madison's life will end. Now, let's head for Goldd, Wu-Lord of Dark World's shrine, and then, it's hunting season for Ashram.

Elizabeth Gryffindor: Right.

We continued on and we arrived at Goldd, Wu-Lord of Dark World's shrine, and then, the rainbow iris of Lincoln's Third Eye glowed, and the doors opened and we entered, and we saw a massive demonic looking greatsword floating in the center and with dark light shining down on it: The Demonic Darkness Wu-Lord Greatsword of Goldd, Wu-Lord of Dark World, a powerful demonic massive greatsword with red gems embedded in the 7'0" massive, wide, double-edged midnight black blade, large midnight black demon heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large demon heads and a large red gem on the bottom of the demon heads for the pommel.

Rarity: My word, is that…?

Lincoln: The Demonic Darkness Wu-Lord Greatsword of Goldd, Wu-Lord of Dark World, that sure is one scary looking demonic greatsword.

Elizabeth Gryffindor: You said it, and it's absolutely perfect for me.

Suddenly, we saw Ghostrick Lantern, and with it are the two girls.

Nico: Wow, Ghostrick Lantern, and it's got the two girls.

Ghostrick Lantern: (British Accent) And away from that powerhungry, Ashram.

Lincoln: (Gasps) That voice, Autumn Aluma, I knew it was you, it's awesome to see you again, but we'll talk later, Elizabeth, you grab The Demonic Darkness Wu-Lord Greatsword of Goldd, Wu-Lord of Dark World and let's go hunting for Ashram.

Elizabeth Gryffindor grabbed The Demonic Darkness Wu-Lord Greatsword of Goldd, Wu-Lord of Dark World and we left the shrine to hunt Ashram. Suddenly, we saw a figure heading right for us, and he was furious. But, before he could attack us, Junko Sutādesutoroiyā kicked him away, and we saw the figure for ourselves: it was Ashram.

Katara Chevalierflamboyant: Ashram, I should've known you'd be here.

Ashram: And who are the both of you?

Junko Sutādesutoroiyā: I am Junko Sutādesutoroiyā, the cousin of the High Elf, Deedlit.

Katara Chevalierflamboyant: And I am Katara Chevalierflamboyant, the cousin of Parn, the man who killed you last year for your crimes!

Just then, Junko Sutādesutoroiyā and Katara Chevalierflamboyant began attacking Ashram with a very furious rage.

May: Whoa, this is getting bloody.

Lincoln: It also doesn't help the fact that Ashram had tried to kill Parn and Deedlit, who happen to be their cousins. My Guardian Angels are really fierce when it comes to defending me from the enemies at school and outside Royal Woods and at home, but when the old enemies of their cousins or siblings come back wanting revenge on the Guardian Angels' cousins or siblings, they've basically sealed their fates.

Elizabeth Gryffindor: Then, let's help Junko and Katara speed up Ashram's fate.

Suddenly, Elizabeth Gryffindor's yellow eyes turned neon yellow and she was surrounded by a black and red energy aura with darkness, demons, and dark magic, she unholstered her massive Goldd, Wu-Lord of Dark World's Demon Greatsword of Darkness Lord Justice from her back, and as she approached Ashram, she left black and red energy, darkness, demons, and dark magic with every step.

Elizabeth Gryffindor: The crimes that you committed against the entire land of Lodoss can never be forgiven, Ashram, so many innocent people have suffered at your hands, and for that, I will make you pay with your life!

Suddenly, Elizabeth Gryffindor was surrounded by a massive vortex of black and red energy with darkness and dark magic surrounding the vortex, there's an army of demons and Goldd, Wu-Lord of Dark World flying around the vortex, and inside the vortex is a red phoenix. Then, as the vortex faded, Elizabeth Gryffindor emerged, but she was changed forever.

Elizabeth Gryffindor has transformed into SUPER ANGEL-DEMON-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS GOLDD DEMON WU-LORD DARK WORLD DEMONIC ANGEL OF DEMONIC GOLD DARK WORLD JUSTICE AND DIVINE DEMON WU-LORD GRYFFINDOR DARK WORLD LOVE!

We were amazed by Elizabeth Gryffindor's Super Angel-Demon-

Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Ashram saw it, he dodged another attack from Junko and Katara and ran at Elizabeth Gryffindor to kill her, but Elizabeth Gryffindor fired a powerful black and red energy blast with demons, darkness, and dark magic at Ashram, and it hit him and sent him back a bit, he got up, and he was now furious.

Nicholette Torrington: Whoa, Elizabeth Gryffindor's transformed into her Super Angel Celestial Eternal Xelnaga form, awesome!

Lincoln: You got that right, Nicholette, and now, Ashram is going to pay for his crimes in full, and Elizabeth, you look beautiful, how do you feel?

Elizabeth Gryffindor: (Divine Echoing Cosmic Voice of the Dark World Gold Demon Wu-Lord and Divine Demon Wu-Lord Dark World Divine Love) I feel incredible, Linky. Now, shall we put this monster down for good?

Lincoln: (Smiles) With pleasure, Elizabeth.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Elizabeth Gryffindor.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of bringing tyranny to Lodoss are over, Ashram, and now, it's time for you to die.

Elizabeth Gryffindor and Lincoln went after Ashram, and they fired extremely powerful blasts of rainbow energy, black and red energy, dark magic, crosses, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, fairies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Succubi, Incubi, Hydras, and Mermaids at Ashram and they exploded with incredible power as they hit him. Then, they also attacked him with slashes from their massive greatswords, and slashes from Lincoln's claws, and he drew more blood.

Me: Damn, now that's got to hurt. Let's join in and give them a hand.

Nico: Yeah!

TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters and parents transformed into their Super Angel Celestial Eternal Xelnaga forms and unholstered their massive greatswords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel Eternity Infinity Celestial Lightstorm Phoenix Angel of Divine Heavenly Light and Divine Angelic Justice, Qin, Clyde and his harem, Baloo, Izuku and his friends, The Z-Fighters, Kairi, Future Mai, Mimi Tachikawa, Yolei, Catherine, and Mina, Sasuke, Itachi, and their family, Sakura and her family, Naruto and his harem, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Sir William the Good, Lady Mary the Good, The Bakugan Battle Brawlers, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, Ravus Nox Fleuret, my harem, and Nico's harem got out their weapons, Rayman unholstered his massive Morpheus's Celtic Dream Greatsword of Peaceful Celtic Dream Justice from his wider and muscular back and transformed into Super Angel Celestial Eternal Xelnaga Celtic Dream Glade Fairy Dragon Angel of Divine Moonlight Celtic Dream Justice and Divine Celtic Moon Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered our massive greatswords and we transformed, and we went after Ashram, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Elizabeth Gryffindor, her hand-cannon Blaster is known as Goldd, Wu-Lord of Dark World's Demonic Wu-Lord Darkness Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's black with red flames on the blaster with a Phoenix, Angel, and Goldd, Wu-Lord of Dark World surrounded by darkness and the Gryffindor House crest etched on the sides, and a red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Elizabeth Gryffindor fired blasts of rainbow energy, black and purple energy, and elemental forces at Ashram and as they hit him, they exploded with incredible power, and really knocked him down.

Then, Lincoln summoned a massive collection of greatswords out of nowhere, and we saw they were greatswords that had the colors and themes of Lincoln's entire harem, and Lincoln sent them right at

Ashram and he was cut down in a flurry of blades, and his spirit was sent to The Black Gates forever. We cheered wildly as we holstered our weapons and powered down, and Elizabeth Gryffindor's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long red wolf tails, and massive red angel wings are permanent, and the harem-themed greatswords vanished.

Elizabeth Gryffindor: Your days of tyranny have finally been brought to an end. Thanks for helping me destroy Ashram once and for all, Linky.

Lincoln: (Smiles Warmly) You're welcome, Elizabeth.

Suddenly, Elizabeth Gryffindor wrapped her arms around Lincoln's massive wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Selene Slytherin's face, they deeply kissed passionately as Elizabeth Gryffindor's left arm was still wrapped around Lincoln's massive, wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive right pec, and behind them was a Thunderbird, Phoenix, Angel, Demon, and Goldd, Wu-Lord of Dark World flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and demons flying behind them and we cheered wildly. Lincoln and Elizabeth Gryffindor came back to us as the display and Goldd, Wu-Lord of Dark World vanished.

Nicholette Torrington: That tyrannical warlord got what he deserved for his crimes.

Nico: You said it, and the icing on the cake was that massive collection of harem-themed greatswords that Lincoln summoned, and they slashed and cut him down.

Lincoln: I just found out all about this, and it turns out that when I marked the girls in my harem and fed on their blood, I wind up getting a massive greatsword with the favorite colors of the girls in my harem, their corresponding elemental powers, and their spirit animal, or in the case of my Guardian Angels, the Duel Monsters and Magic the Gathering creature they were Gene-Slammed into. (To Autumn Aluma) And it's so good to see you again, Autumn Aluma.

Autumn Aluma reverted back to normal, and she's a beautiful girl with long flowing orange hair, orange eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful black and orange angel wings, and she reigned in the power of Ghostrick Lantern, and she's dressed in a black short-sleeved blouse, orange sleeveless top, black skirt, black pants, black knee-high boots, and a long white sleeveless trenchcoat with darkness and pumpkins on the coattails and Ghostrick Lantern on the back and in her hand is a Ghostrick Lantern-themed Mage's Staff with a large orange globe mounted on top of four silver raven heads with orange gems for eyes and on the bottom of the silver raven heads is a large orange gem surrounded by a silver ring and a silver dragon coiled around one end of the long midnight black handle and on the other is a silver ring and below it is an orange gem and four smaller silver raven heads with orange gems for eyes on top of a large silver ring and a large midnight black crescent weight with orange gem below the weight.

Autumn Aluma: (British Accent) You too, Lincoln, it's been a long time, and it's good to see you, Claire, Ramona Alucard, Aisha, Sarah, Winter, Ramona Qingzhao, and Tiana again, Ursula.

Ursula Truaigheaingeal, Ramona Alucard, Sarah Dullahan, Claire Allaire, Aisha Arian, Winter Icyin, Ramona Qingzhao, and Tiana Masina: You too, Autumn.

Lincoln went up to Autumn Aluma and he hugged her, and Autumn Aluma is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Autumn Aluma: (British Accent) Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new, and you've really grown so much bigger in muscle, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you and the other Ghostrick Gene-Slammers know her?

Lincoln: Indeed we do, Nico, this is Autumn Aluma, she's my Guardian Angel from England and my classmate in English. She's a Jack-O-Lantern witch and she was born with the powers of darkness, pumpkins, and Pumpkin Fire and she also knew of me being a vampire-werewolf hybrid, just like the other Ghostrick Gene-Slammers.

Me: Wow, another Jack-O-Lantern girl, that's awesome.

Lincoln: I knew you'd like it, J.D. Autumn knows a lot when it comes to Halloween, and she's also teamed up with Raven Delg and Autumn Bellamira to help me and Lucy plan out one spooky and terrifying Halloween, and her talents with pumpkins and Pumpkin Fire, along with the powers of darkness are also legendary here in Michigan. One night on Halloween, after a night of trick-or-treating, we kissed in the Pumpkin Patch, and the Jack-O-Lanterns came to life and danced around them as ghosts and bats came out of them in a ballet of haunting terror.

Brittney: That explains the scene we saw at The Pumpkin Patch, that's so amazing. Plus, since she's also friends with Lucy and the Young Morticians' Club, I have something for her.

Brittney gave Autumn Aluma the ring for The Goths of Darkness, and she put it on her right ring finger.

Lincoln: Awesome, plus, she, like all of us, hates Hawk and Hank with a burning passion for what they did in wrecking Royal Woods and on Halloween, and she wants nothing more than to send their souls into the darkness forever and force them to carry a Jack-O-Lantern to light their way through the darkness.

Nico: Whoa, just like in the story of Stingy Jack in Irish myth.

Autumn Aluma: (British Accent) That's right. Though I may be from England, my roots were originally in Ireland, the birthplace of Halloween. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Autumn, are you absolutely sure about this?

Autumn Aluma: (British Accent) (Smiles) More than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Autumn Aluma, and he saw that she's really serious, and he smiled as he walks over to Autumn Aluma, and he hugged her waist in his abnormally massive and powerful muscular arms, he slowly leaned his head down to her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love

appeared on Autumn Aluma's neck with orange gems on the gold lightning bolts and orange crystal links from her merged Crystal Necklace of The Buddha and an Elemental Thunderbird Choker of Eternal Love on her neck.

Autumn Aluma: (British Accent) (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Autumn.

Autumn Aluma had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around Autumn Aluma's waist and she wrapped her arms around Lincoln's massive, wider, and muscular back, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the two girls, and when Lincoln saw them, he recognized them immediately. The two girls are Kaori Houjou and Lexia Von Arcelia from I Got a Cheat Skill in Another World and Became Unrivaled in The Real World, Too.

Lincoln: Oh wow, it's Kaori Houjou and Lexia Von Arcelia from I Got a Cheat Skill in Another World and Became Unrivaled in The Real World, Too.

Nicole: Awesome.

Lincoln: Are you girls okay?

Kaori Houjou: Yes, we're okay, thanks to you.

Then, when Kaori Houjou and Lexia Von Arcelia saw who it was that saved them from Ashram, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Kaori Houjou: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made a clone of himself, and he and his clone went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Kaori Houjou: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kaori Houjou and Lexia Von Arcelia with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and Lincoln told everyone that Elizabeth Gryffindor had gotten The Demonic Darkness Wu-Lord

Greatsword of Goldd, Wu-Lord of Dark World, and they were shocked when they found out the villain we went after was Ashram, who came back for revenge for what we did in ruining his plans last year.

But, when Lincoln showed what happened such as Elizabeth Gryffindor transforming into her Super Angel-Demon-Harmony Celestial Eternal Xelnaga form, and she, Lincoln, and all of us laying a brutal beatdown on him, and Lincoln cutting him down with his really massive collection of harem-themed greatswords and sent him to The Black Gates, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Autumn Aluma have a lot of catching up to do, now that she's back in town.

Maria: I never thought that Ashram would come back, sheesh.

Lincoln: I know, but Junko and Katara got their blows in on him, since their cousins, Deedlit and Parn, were both Ashram's enemies.

Nico: Yep, and in the end, he got his just desserts.

---

After finally getting rid of Ashram and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Autumn Aluma saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Autumn Aluma: (British Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Autumn, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Autumn Aluma: (British Accent) That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Autumn, we know what Hawk and Hank did to earn your hatred, but what memories did you have with Lincoln?

Autumn Aluma: (British Accent) Well, I remembered this one time, I was with Lincoln and Lucy, and we were preparing for Halloween, and we also called in Autumn Bellamira, Raven Delg, and Elena Skellington for extra help and expertise. But, then, we heard the sounds of banging at the door, and the door busted down, and we saw that it was Lori, and she was really furious. She falsely blamed Lincoln for breaking her phone, and Lincoln was absolutely fed up with Lori's temper and he told her off saying that he wasn't even in her room and he didn't break her phone. This pissed off Lori as she thought he was lying, but as she tried to attack Lincoln, he fired a blast of darkness at her and she was suffering from illusions of bats attacking her, and she screamed and ran for her room. We told Mr. and Mrs. Loud of what Lori tried to do to Lincoln, and he defended himself from Lori's wrath, and Lori got grounded for a week for her bad temper and false judgement. We then took a look at the footage of earlier, and we saw that Lynn broke into Lori's room and smashed it with a hammer and she put a lock of Lincoln's hair to frame him and she was laughing like the psychotic animal that she is.

We gasped in shock.

Autumn Bellamira: Yeah, it was bad, and Lincoln was seeing red because of Lynn's stunt and we saw his fangs grow longer and his nails grew into claws. We knew the moment Lynn came back inside, he was going to tear her limb from limb. But, we had to cool him down, but Autumn got back at Lynn by shredding her jerseys and wrecking her balls, and the best part: Lynn was grounded for ten weeks for her stunt, and Lincoln threw her in a cage in her room.

We cheered wildly.

Nico: Lynn really crossed it this time.

Lincoln: She sure did, and when Lori saw it, she wanted to kill Lynn, but Autumn Aluma slapped her hard on the cheek and told her off. Eventually, Lori had to work hard to earn my forgiveness, but Lynn didn't want to, and she swore she'd kill me and get her revenge. So, I took no prisoners, I had Lynn put in a straitjacket and I told Margo, Paula, and Polly Pain to bench Lynn for ten weeks, and as soon as I told them of her stunt, they were mad.

Me: And when Lynn showed up, Margo punched her in the face and gave her a black eye, and she had no choice but to be benched for ten weeks. But, Lynn eventually worked hard to earn Lincoln's forgiveness and trust back, but he warned her, if she ever did this again, she'll lose his forgiveness and trust forever.

Nico: At the rate of how many times Lynn's tried to kill Lincoln, I was surprised Lincoln still forgave her, along with Lori, Lola, Lisa, and Luan. He really is a one-of-a-kind person to stand up to the chaos of his own home.

We got a shower afterwards, and Nico and his harem are heading to Mushroom Hill Zone.

May: Wow, so this is Mushroom Hill Zone.

Nico: Yep, and it's really perfect for our date. Shall we?

Nico and his harem began exploring Mushroom Hill Zone, and it was a truly beautiful forest area filled with extremely tall and straight trees with brown bark and lush tree crowns, but, it's best known for the huge, multicolored mushrooms that grow there, some of the local mushrooms are small, most of them are colossal in size, with the largest of them being at the size of buildings, and the soil here is also olive green-colored with diagonal lines on it. They also had some lunch underneath the trees, and then, the sun was about to set, Nico made clones of himself, and he and the clones went up to the girls in his harem and they hugged the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the wider and muscular backs of Nico and his clones, and they placed their right hands on the massive left pecs of Nico and his clones, then as the sun turned orange, they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes, and Lincoln and I also saw Nico had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Lincoln: Hey, Nico, how was your date?

Nico: It was awesome, Lincoln, we went to Mushroom Hill Zone.

May: It was really cool, and we saw the mushroom that grew there, they were beautiful. But, don't worry, we didn't eat them.

Lincoln: We've never been there before, but from the camping trips we've done, we know better than to eat anything from the forest, we don't even know if it's poisonous.

Me: Which is why we always look in the guide book to see what's edible or not.

Nico: That's a classic tactic when it comes to camping in the great outdoors.

---

Later it was time for Ellie Singh's final ambassador mission.

Me: I have a feeling this will be a good one.

Qin: Boy me too!

Lincoln: Yeah it sure will be.

William: Anyone else want to go with Ellie? Besides Yost Wolverine and Gentaro?

Lincoln: Me and my siblings will go.

Me: Awesome. I've been planning to have you come with anyway.

Nico: But this will be awesome.

May: And I'll go too as well.

Nico: Cool May! Lets go!

We were off.

---

We arrived at Madoka's shop.

Madoka: Hey guys.

Ellie: Guys, meet Gentaro Kisaragi and the Yost version of Wolverine.

Gentaro: Hey there guys.

Yost Wolverine: Hello.

Ellie: And this is my awesome boyfriend Jim Crocodile Cook.

Jim Crocodile Cook: G'day mates.

Madoka: Awesome to meet you.

Me: And these are my friends the Loud Siblings.

Lincoln: Awesome to meet you guys. I'm Lincoln Loud.

Lori: I'm Lori.

Leni: I'm Leni.

Luna: Sup dudes. Luna.

Luan: I'm Luan.

Lynn: Lynn Loud Jr.

Linka: I'm Linka Loud.

Liberty: Liberty.

Lyra: Lyra Loud.

Lee: Lee Loud.

Lucy Loud: I'm Lucy Loud.

Laney: I'n Laney Loud.

Lana: I'm Lana.

Lola: I'm Lola.

Lisa Loud: Greetings. I'm Lisa.

Lily: And I'm Lily.

Madoka: Wow! That's a big family!

Me: Yeah it sure is and yes their mom and dad all thought it was cute if all their names started with the Letter L.

Nico: Yep and this is my awesome wife May.

May: Awesome to meet you all.

Gingka: Same here May.

Yost Wolverine: And there's that little thing about condoms.

Gingka snickered.

Me: Yes I was going to say that.

May: Yeah.

We laughed.

Gentaro: It's funny though.

Lincoln: It sure is.

Gingka: Lincoln are you much better now that the chip was taken out of you?

Lincoln: I sure am. I'm so glad I'm back to my normal self.

Me: So is all his family.

Jim Crocodile Cook: Yeah no kidding mates. What Audrey Madison did was horrible.

Nico: It's a very good thing I brought Sari with me last time.

Sari Kunzite: Yeah it sure is. I'm glad I was able to help.

Nico: Same here.

Madoka: Yeah. What was Audrey planning to do with that chip?

Me: She was trying to turn Lincoln against the team so he would be kicked out and then Audrey would kill him and go after his harem to get revenge on Nico and Qin.

Qin: Yeah she was absolutely insane.

Lola: But thank goodness Lincoln, Nico and Qin and his guardian angels were all on to her.

Nico: Yep.

Me: And Lincoln put a powerful and deadly curse on Audrey too.

Madoka: Wow! Lincoln knows magic?

Me: He sure does.

Gingka: And now, we know Nemesis and Rago are our main targets.

Me: And we'll make sure they pay BIG TIME. No one tries to destroy our planet and lives to tell about it.

Eli: That's for sure.

Madoka: Yeah. So Gentaro what do you do?

Gentaro: I'm the leader of the Fourze Kamen Riders.

Me: They are the Kamen Riders from 2011 and they commemorate 40 years of Kamen Riders dating back to 1971.

Laney: It's true.

Kenta: Wow that is awesome!

Lily: It sure is.

Me: Our most explosive adventures earlier this year were those with the Kamen Riders when we destroyed their major enemies.

Nico: Gentaro's adventures also took place in a high school.

Me: Yep and it revolved around space and the monsters they faced were all based on the star signs of the Constellations. They are called Zodiarts.

Madoka: I think I saw you guys take them down before.

Me: That's right.

Eli: And they are really strong and amazing.

Lori: Yeah they sure were.

Twilight Sparkle: But Gentaro's lessons on Friendship have been really inspirational for everyone he knows.

Madoka: That is cool!

Nico: Which reminds me, Gingka. Here's your Astroswitch.

Gingka: Cool!

Me: And here's your Legend Item Equipment.

I gave him a bag full of Legend Items.

Me: You have the King Slug from Best Fiends Forever as your archenemy. See look.

I turned on my phone for the app Best Fiends Forever and I showed the Slug King.

Me: He is the supreme overlord of the slugs from Best Fiends Forever.

Gingka: Wow! it will be awesome!

Me: Yep.

Yost Wolverine: Any trouble here since Nico's… upgrade?

Gingka: Well our friend Tsubasa Otori us back. But he is having problems.

Me: He has the dark essence of Nemesis inside him right?

Gingka: That's right.

Qin: We got to save him from that.

Me: Leave that to me and we'll face the darkness in him and banish it to the black gates.

Lola: Yeah.

Madoka: We will.

Yost Wolverine: I'll sniff him out.

Me: Okay.

He sniffed for him.

Qin: That dark side of his caused lots of problems didn't it?

Madoka: You are not kidding there.

Me: But we will destroy it.

Yost Wolverine: Found him.

Eli: He's over by Sailor Moon's school.

We gasped.

Me: Then it looks like we're heading to Juban Public High School.

Nico: Oh boy.

Eli: Yep.

Gentaro: Looks like I'm in my element here!

We laughed.

Me: Yes you sure are.

Nico: Yep. Shall we head out?

Me: We shall. But if things get out of hand I'll have the battle taken to another planet.

Qin: Good idea.

Nico: Lets do it!

We were off.

We arrived at Sailor Moon's school.

Me: Here we are.

Madoka: Nice place.

Serena: Guys? What are you doing back here? Is the mission all done?

Me: Not yet Serena. We found out that one of Gingka's friends is here and we came to battle his dark side.

Nico: Guys this is Serena and she is also Sailor Moon.

Madoka: Wow!

Me: Yeah we'll explain later.

Eli: He's on the roof.

Me: Lets go.

We went up to the roof and we saw TSUBASA OTORI!

Me: There he is.

We landed.

Yost Wolverine: Alright, bub. Just turn around and put your hands over your head.

Tsubasa Otori: Guys you don't… (SCREAMING)

He screamed in pain as he clutched his head. Then he was ENVELOPED IN A DARK AURA AND HIS EYES GLOWED RED WITH UNBELIEVABLE FURY AND HATE!

We gasped!

Nico: OH SHIT!

Qin: Not good!

Eli: The level of hatred and evil on him is unbelievable!

Me: Not good!

Nico: Here we go!

Tsubasa Otori: (LAUGHS MANIACALLY AND INSANELY!) I WILL KILL YOU ALL! NO ONE WILL STAND IN MY WAY!

Me: Not likely!

I fired a wave of rainbow light and it hit him and his darkness was separated from him!

Nico: Now this monster pays!

Nico transformed into his SUPER SAIYAN REDEMPTION INFINITY FORM!

I went Super Angel Celestial Eternal Xelnaga!

The Mane 8 went Rainbow Power!

Gentaro: Henshin!

He turned into KAMEN RIDER FOURZE!

Serena: MOON ETERNAL POWER!

She transformed and unleashed the ultimate extent of her power!

Dark Tsubasa Otori: YOU WILL DIE!

Me: (Divine Echoing Cosmic Elemental Voice of Hope, Love, Friendship, Courage and Justice) **You will pay for hurting Tsubasa!**

Nico: (Divine Voice of Rainbow Power) **That's right!**

Ellie: (gets out Chick Hick's Astroswitch) I totally forgot to do this on the first mission!

Ellie flicked the switch and ran fast and punched him in the face and then I teleported and kicked him in the face with devastating force and knocked most of his teeth!

Gingka: BEYBLADE LET IT RIP!

He launched Galaxy Pegasus!

Ellie grabbed Dark Tsubasa Otori and sped him through a building, an office worker not even noticing it.

Office Worker: Anyone know what time it is?

We teleported,

Me: **It's 11:17 AM.**

Office Worker: Thanks.

Me: **Anytime.**

We teleported and landed as Ellie smashed him into the ground.

He got up.

Dark Tsukasa: YOU! I HATE YOU!

Our auras then exploded out with incredible and unbelievable power and we got stronger!

Me: **Thanks for the power boost.**

Dark Tsukasa: YOU WILL PAY FOR THIS!

He jumped and then formed a massively huge BLACK ENERGY BALL!

I knew he was going to do this and took the battle to Glaren.

Dark Tsukasa: REVENGE DEATH BALL!

He threw the huge ball at us and it hit me and then…

EXTREMELY MASSIVE AND UNBELIEVABLY POWERFUL EXPLOSION OF INCREDIBLE POWER!

The explosion was so massive and devastating that it was unbelievable! When the smoke cleared he saw me still standing and completely unfazed!

Dark Tsubasa: NO! That attack should have reduced him to ashes and it did absolutely nothing!

Me: **Dark Tsubasa, you can NEVER defeat me! My powers have far surpassed your Nemesis Incarnate and you know it!**

Dark Tsubasa: DIE YOU WRETCHED HUMAN!

He fired dark energy blasts and they all missed me bad.

Me: **Listen to me Dark Tsubasa, I cannot allow you to get away with all the pain and suffering you caused to so many innocent people.**

KRABBBBBBBOOOOOOOOOOOMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOMMM!
KRABBBBBBBOOOOOOOOOOMMMMM!

Me: **You've gone too far and now you have to deal with us.**

Gentaro: (gets out Goliath's Astroswitch) Too bad we couldn't teleport here before Ellie sped him through that building.

He flicked it and grew in huge size and I flared up my aura with intense power and went at him with incredible speed and then kicked him in the stomach and punched and kicked him all over and he punched and kicked at me and I dodged his strikes and kicked him and punched him all over and he belched out purple blood.

Gentaro then smashed down Dark Tsubasa and rammed him into the ground!

Dark Tsubasa: I'll kill all of you!

Yost Wolverine: (gets out Jackson Chappell's Astroswitch) Bub, I wasn't easy to kill even before meeting J.D. and Luna. And now, that's cranked up to 11!

He flicked his switch and buffed up and then slashed him all over with his claws and then broke both his arms and legs!

Qin: OUCH!

Sailor Moon: MOON TIARA MAGIC!

She threw her tiara and slashed him all over with it!

Gingka: (gets out King Slug's Astroswitch) Time to test this out!

He flicked it and then SUMMONED A MASSIVE ARMY OF BLACK SLUGS! They went over to Dark Tsukasa and bashed and pulverized him.

Qin: TAKE THAT!

Me: **YEAH!**

Nico: Nice one!

Jim Cook: Get em, Shirley!

Shirley jumped off Jim and then she bit his ARM OFF and Dark Tsukasa screamed in excruciating pain!

Erica Haddock: OUCH!

Me: **Yeah!**

Jim Cook: Now, let's summon some more faces in here!

Jim summoned his Fossil Monsters:

Flint Cragger

Fossil Dyna Pachycephalo

Gaia Plate the Earth Giant

Nico: **Nice!**

Dark Tsubasa: Those don't scare me!

Jim Crocodile Cook: Oh these will mate!

They attacked and fired waves of energy and blasted him all over.

Nico: **Time to finish you for good.**

Ellie: Sayonara!

She fired a powerful energy blast and it hit him and exploded!

EXTREMELY MASSIVE EXPLOSION!

He was completely obliterated in an instant!

Me: Take that!

We powered down and Dark Tsubasa was banished to the Black Gates.

Me: Good riddance.

Laney: Thank goodness.

We were back on Earth.

Gingka: And that's the end of that.

Me: Yep.

Nico: Now we wait till the big day.

Me: February 7th, 2023.

Qin: Yep.

Gingka: Ellie, ever since I met you, I've seen you as the big sister I've always wanted.

Ellie Singh: Really? Oh Gingka!

She hugged him.

Eli: Aww. So cute.

* * *

We came back.

Me: Boy that was epic!

William: How did it go?

Me: Really awesome.

We told everyone everything and it was awesome.

Varie: Wow!

Me: Yep. Next up is Kamen Rider Blade.

Evelyn: Oh wow!

May: Evelyn, for your first mission, Touma should come with you.

Touma: Cool!

Me: Yep. Kazuma will be happy to see everyone again.

---

We then got to watching another Robot Chicken Sketch.

Ashley: Another day, another Robot Chicken Sketch.

Me: Yep. And this one is gonna be weird.

Nico: Here we go.

I pressed play.

---

Cut to Wile E. Coyote chasing Road Runner using rocket roller blades. After a while, Road Runner runs past a tunnel, but when Coyote tries to run through it, he smacks right in to it revealing it to be fake.

Road Runner: (holds up a sign who says "Fake Tunnel") Meep-Meep! (runs off)

Wile E. Coyote: (holds up a sign who says "No shit", then he holds up another sign saying "What am I doing with my life?")

Cut to Coyote in front of a fire, throwing signs that reads "I'm going to catch him", "It's what I was born to do" and "My life has meaning" into the fire. He then walks away to a box with the text "Acme Suicide Kit" on it. Inside the box, he finds a plastic bag, a tape and a sign that reads "$149 ?". He does the whatever move, (which is a shrug of the shoulders) and throws the sign away. He then puts the plastic bag on his head and tapes it around his neck. After a while, he coughs of anoxia and falls over to the ground, apparently dead. Then it cuts to Coyote's funeral. Road Runner enters it and walks to the grave.

Road Runner: (sadly) M-Meep Meep!

Suddenly, the funeral starts to break and Coyote appears behind it, holding a sign which reads "Fake Funeral". Before Road Runner can react, Coyote burns him to death with a flamethrower. He falls over, dead. Scene then cuts to Coyote eating Road Runner's dead body. He smiles as he holds up another sign which reads "In case you where wondering…" (He turns the sign around) "… Yes, I have an erection".

---

When it was done we were stunned.

Me: Well what do you think of that one?

Nico: That was crazy!

Jaina Proudmoore: (to Wile E Coyote) Would you really try that to catch Road Runner?

Wile E. Coyote: (Holds up Sign) No way! Not in a million years!

Me: I wouldn't do that either. Too cruel and crazy.

Qin: Yeah. Not that we can die anyway.

Lola: No kidding.

Cybertron Ransack: Dude, instead of even considering suicide for one second, you should be proud of what your life is!

Nico: Yeah Wile E.

Qin: I agree there.

Wile E. nodded.

Lola: Good.

Lana: Yeah.

Ultra Magnus: Although, a fake funeral IS a sneaky way to catch certain individuals.

Me: I agree. It's cruel. But it worked REALLY perfectly.

Xenia: It sure did.

Camie: Roadrunner never even saw it coming.

Lola: Yep.

Tsuyu: That was awesome though.

Rage Mage: Nico, which teams have you made this time?

Nico: Ariel's team will include Eli, Crystal, Pocahontas, Moana, Belle, and Alice Liddell. Spongebob's team will include Natilee, Patrick, Sandy, Squidward, and Princess Mindy.

Me: Crazy baby! Love those teams!

Eli: Yeah Ariel is going to love having an awesome team.

Nico: Yep.

Lola: It's going to be cool.

Camie: They sure are going to kick some butt.

Then the previous group of M.O.E. Members came.

Titanium Man: Can me, Beetle, Cad Bane, Boomerang, Cheshire, Multiple Man, Silver Samurai, Blizzard, Whiplash, and Major Disaster go with you guys?

Kung Food: Me, Katz, Cloak and Dagger, Evil Wood Man, Kung Food, Gypsy Moth, Star Creature, Evil Wind Man, Neapolitan Man, Evil Snake, and Evil Winter Man will come too.

Nico: Yes you all can come with. And I have just the mission for us. We're going to this world.

Nico held up a case for the movie Klaus from 2019.

Me: Ooh I love Klaus!

Qin: Great movie there.

Xenia: Yep.

Nico: You'll see what our mission is.

We got to watching.

---

In 19th-century Norway, Jesper Johansen is the lazy, spoiled, self-centered son of the Royal Postmaster General who has enrolled Jesper into his postman training academy hoping that it will reform him. Jesper deliberately underperforms, forcing his father to finally send him to the distant, northern island town of Smeerensburg with the task of posting six-thousand letters within a year. If Jesper fails, he will be cut off from the family's fortune.

Upon arrival, it is explained to Jesper by sarcastic ferryman Mogens, and bitter teacher-turned-fishmonger Alva, that the town's two familial clans-the Ellingboes and the Krums-comprise nearly all of Smeerensburg's populace and are perpetually conflicted, spending more time hating each other than writing letters.

While desperately searching for people to post letters, Jesper finds an isolated house far outside the town. There, he discovers a tall reclusive woodsman named Klaus who has a house filled with handmade toys. Terrified by Klaus' imposing appearance, Jesper flees and leaves behind a drawing he had found from one of Smeerensburg's Krum children. Klaus forces Jesper to bring him to the house depicted in the drawing and then secretly deliver a toy to the boy inside, cheering him up.

Word of this event spreads to other children and they go to Jesper the next day, each believing they will receive a toy if they send Klaus a letter. Jesper capitalizes on the idea and asks Klaus if he can donate his toys; Klaus agrees provided they operate at night and Jesper continues to deliver the toys in secret. The Krum boy's toy leads him to play with an Ellingboe girl, much to their clans' outrage. Family elders Tammy Krum and Aksel Ellingboe each explain and show their clans' histories of hatred with each other, which have gone on for a long time, and find out it was Jesper and Klaus who delivered the Krum boy the toy. Soon, more children begin writing letters to Klaus. When Jesper tells them Klaus only gives toys to good children and knows whenever any child misbehaves, the acts of kindness they perform gradually inspire the rest of the townsfolk to end their ancient dispute, and Alva to reopen her school to help the children learn to read and write so they can send letters.

Eventually, Jesper and Klaus begin running out of toys. With Jesper's deadline approaching, he tries persuading Klaus to make more toys in time for Christmas. Klaus initially refuses, but then works with Jesper to build a sled for a small girl named Márgu, who lives in an isolated settlement with her people. Klaus finally tells Jesper about his wife Lydia and explains he had made the toys to give to the future children the couple hoped to have, but they couldn't conceive and Lydia died from an illness. Klaus has slowly realized their work is spreading joy to the children and agrees to the Christmas plan with Márgu and the rest of her people arriving to help. As the town and his relationship with Alva flourish, Jesper finds himself wanting to stay in Smeerensburg.

Meanwhile, Aksel Ellingboe and Tammy Krum form a temporary truce, wanting to stop Jesper and Klaus so that the families can resume their traditional feud. They themselves post enough letters to meet well over Jesper's target and let his father know he posted fourteen-thousand letters.

Jesper's father arrives on Christmas Eve to congratulate his son, inadvertently revealing to Jesper's friends the selfish motives behind his deeds. Just before they leave town, Jesper's father notices his son's remorse, and after a private talk, he allows Jesper to stay.

Jesper then tries to stop the elders and their angry mob from destroying the Christmas toys but apparently fails. However, Alva had already been informed of the plot by the town's children, and so she and Klaus had replaced the toys with decoys. During the chase for the toys, Mr. Ellingboe's daughter Pumpkin and Mrs. Krum's son Olaf also fall in love.

Jesper is redeemed and Smeerensburg becomes a happy town, with the family elders being forced to end the feud due to the marriage of their children. Jesper marries Alva and raises two children, and he and Klaus continue to deliver presents in Smeerensburg and beyond for eleven years. Then on the twelfth year, Klaus follows a wisp of wind up a sunny hill and disappears, saying he is joining his departed wife.

But although he is gone, Klaus lives on in Christmas stories and so every subsequent Christmas Eve, Jesper still waits for Klaus who returns every year to deliver toys across the world.

---

When it was done we cheered wildly!

Qin: That was an awesome movie!

Xenia: It sure was!

Eli: So our target is Aksel Ellingboe.

Nico: Yep.

Camie: What does it say about him?

Me: Lets see.

I pulled up his info.

---

Mr. Aksel Ellingboe is one of the two main antagonists (alongside Mrs. Krum) of the 2019 Netflix animated film Klaus.

He is the head of the Ellingboe family in Smeerensburg, just like his Krum family counterpart, he is obsessed with maintaining the feud between his and the rival family. After the two sides began to get along, he teamed up with Mrs. Krum to help take down Klaus's operation.

He was voiced by Will Sasso.

Mr. Ellingboe is first seen after Jesper rang the bell. He came out of his house and started feuding with Mrs. Krum. He also stood there while the new mailman, Jesper, was introduced. He is later seen when the first child was delivered their toy, and two of the opposing side's children started getting along. The child of the Ellingboe family was brought to Mr. Ellingboe, where he told her the history of the feud. He filled her in on why they needed to continue to fight.

He doesn't have any major scenes for a while, but he is seen several times acting shocked when he sees the feud coming apart. He is later seen trying to sabotage Klaus with a bolder, which got in the way of the Krum's sabotage, causing the two leaders to fight again. His next major appearance was when Mrs. Krum called the two clans to a meeting. She proposed an alliance between the two families to help stop the toy making. At first, Ellingboe was shocked, but he later turned around and shook her hand. They soon went and found Jesper's motive for delivering all of the letters, and so they proposed a plan to make a tone of fake letters so that Jesper would finally leave.

After Jesper dad arrived to congratulate him, Mr. Ellingboe and Mrs. Krum also appear to congratulate him. After Jesper was seen leaving with his dad, Mrs. Krum and Mr. Ellingboe began to plan phase two. They are then seen at the toy factory, getting ready to begin their attack. That's when Jesper arrived and got on the sleigh, begginging a chase. Mr. Ellingboe is seen throughout the chase on a sleigh, commanding his clan. He later gets off the join the mob when all the presents fall off a cliff, having come to a stop when he saw the cliff and used one of his men's heads to stop it. After it's revealed that his daughter fell in love with Mrs. Krum's son, he tries to tell his daughter to put the son down, but they run off, causing the clan leaders and the remaining clan members to chase after them.

He is last seen at the wedding reception of their own children, standing next to Mrs. Krum, unhappy for now being parents-in-law and ending their tradition of hating each other once for all. It remains unknown if Mr. Ellingboe mellowed out as the years went by or if he never came to totally accept his son-in-law.

When it was done we were shocked!

Xenia: He wants that feud to go on no matter what!?

Evil Winter Man: That is madness!

Camie: He is a monster!

Lola: Someone is seriously going to get hurt if that happens!

Mr. Boss: Nico, which Gene Slammer do you think you'll meet next?

Nico: Parasect next.

Me: Ooh! Mushroom Pokemon next.

Lola: Cool!

Xenia: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Zommari Rureaux, the 7th Espada of Sōsuke Aizen's army, and he's coming here to get revenge on us for what we did to Sōsuke Aizen. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Zommari Rureaux coming after us?

Lincoln: You guessed it, Rayman, and he's coming here to get revenge on us for what we did to Sōsuke Aizen.

Rukia Kuchiki: I should've guessed that as soon as word hit of that traitor's death, another of his minions would come after us. But, here's some helpful advice: when he is in control of the battle, he remains clam and assertive but when he gets caught in a seemingly helpless situation, Zommari will start despairing and becomes increasingly angry, this'll lead to his downfall, since he insists on proving himself superior without testing his opponent's power or striking them directly.

Nico: So, all it would take is for Leona and Lincoln to manipulate the situation to their advantage, and it'll cause Zommari to despair and get increasingly angry.

Rukia Kuchiki: Yep, that's right.

Omega Leonidas: Then, leave that to us.

Leona Elementaldraco: That's right, we'll irritate the daylights out of him by using some techniques based on the chaos that Lincoln's had to go through at The Loud House.

My jaw dropped in shock, and everyone gasped in shock.

Nico: Ooh, oh man, that's bound to really set him big time!

Lincoln: Techniques based on the chaos I went through every day at home, that's really a good call, Leona.

Nico: You said it, Lincoln. Alright, gang, let's go, we're going to the northern island town of Smeerensburg in 19th Century Norway meet Jesper Johansen and help him deliver 6,000 letters to The North Pole.

Lincoln: And put an end to the terrible feud there and make that crazy old coot, Mr. Aksel Ellingboe, pay for his crimes, and when we get done with that crazy old coot, you're next, Zommari Rureaux.

Beetle: Let's get going.

Katz: I honestly want to see some of those letters.

We got on our parkas and we were off to 19th Century Norway.

SMEERENSBURG, NORWAY - 19th Century

We arrived in Smeerensburg in Norway, located close to the North Pole.

Nico: Here we are guys. Smeerensburg, Norway.

Laney: Boy it's cold up here.

Varie: But man this is a really nice town.

Xenia: It sure us.

Boomerang: (Australian Accent) What's the game plan, mates?

Evil Wood Man: I was thinking we should beat up one side until they can't continue. Then do the same to the other.

Nico: Not gonna happen. We got to resolve this peacefully. We got to make sure that no one gets hurt here.

Qin: That's right.

Xenia: And I have a feeling that this is all Aksel Ellingboe's doing because he is completely hellbent on wanting this feud to continue no matter what.

Nico: I have that same feeling here.

Camie: No kidding.

Ice Man: (Mega Man) I personally feel right at home here.

Me: So do I. After Norway is one of the lands of my ancestral origin.

Qin: It sure is awesome and beautiful.

Lola: Yeah.

Varie: We've dealt with terrible feuds like this before. But it's awful that this feuds it that dangerous here.

We arrived at the post office.

Me: The Post office.

We saw Jesper.

Cheshire: Hi there!

Gypsy Moth: You must be Jasper.

Jesper: That's right. (Sees us) Wow! Team Loud Phoenix Storm! It's truly an honor.

Me: You too Jesper.

Nico: We came to help you guys. This whole town is back to its awful feud ways.

Me: Yeah.

Jesper: Ellinghoe is back and is trying to continue what he started.

Me: What a jerk. The only place he deserves is prison forever.

Eli: That's for sure.

Me: And he needs to be tortured with this.

LOUD FART!

I farted loudly.

Me: Sorry.

Driscoll: May we see your letters?

Jesper: Sure.

We saw the letters he has and it's really cool.

Nico: These letters are awesome.

Me: They sure are.

Xenia: Yeah.

Silver Samurai: These are all well written.

Evil Wind Man: Make sure they don't get lost.

Jesper: Oh don't worry I won't have them get lost.

Qin: Great. Uhh you know the town is feuding again right?

Jesper: Yeah it was because Aksel Ellingboe is back.

Me: What a persistent guy. But I'm going to release a massive fart on his face.

Lola: Nice!

Fellbat: First thing's first. We're helping you get these to the post office!

Jesper: I appreciate that guys. Thank you:.

Me: No problem.

We got to work and it was awesome.

Luz: Wow look at all these letters.

Major Disaster: Don't worry about losing them.

Evil Winter Man: We'll make sure that won't happen.

Jesper: Thanks guys.

Qin: No problem.

Major Disaster: Don't worry about losing them.

Evil Winter Man: We'll make sure that won't happen.

Jesper: Thanks guts.

Qin: No problem.

Me: What happened to this town is awful. Aksel Ellingboe Has been lying to everyone.

Qin: We got to stop this madness now.

Xenia: Big time.

Me: Also Derpy I remember you are a mail girl right?

Derpy Hooves: That's right. But because of my eye problem I have lots of accidents.

Qin: Oh boy.

Xenia: Yeah.

Lola: Derpy can't help it.

We went to the post office.

We arrived at the Post Office with a MASSIVE sack of letters.

Panda King: There's the post office..

Shanan: Yep that's it.

We went in and got to mailing the letters.

We sent out 40,124 letters.

Whiplash: There we go.

Evil Snake: All the letters have been mailed.

Me: Yep.

Qin: That was easy.

Me: Yep. And we sent them all over Norway.

Jesper: Thanks guys.

Derpy Hooves: You're welcome Jesper.

Xenia: It was cool sending out letters.

Numbuh 274: That's one good thing accomplished today.

Me: Yep. By the way Chad how have things been with your parents? Do you still…

Numbuh 274: We're slowly mending our relationship.

Me: Good good. Take your time on that.

Xenia: Yeah.

Evil Winter Man: If I see Aksel, I'll freeze him with a blizzard blast!

Major Disaster: You go do that.

Me: Save seconds for us! This pointless feud has to stop! The last thing we want is having it erupt into a Hatfield's and McCoys caliber feud!

Zuria: That was a horrible feud!

Me: It sure was.

Qin: That feud will forever haunt the Appalachian Mountains for many generations to come.

Applejack: Yeah no kidding.

Lady Deathstrike: (Japanese Accent) Please tell me none of them have guns!

Jesper: I'm afraid so. But this town doesn't use them that often. Only for hunting.

Me: We got to stop this feud now. Otherwise both sides will lose. Either with bloodshed, murder or Capital Punishment.

Nico: Just like what happened with the Hatfields and the McCoys. They both lost.

Xenia: Aksel has nothing but delusional insanity inside him. He needs to be stopped.

Jesper: I agree there.

Me: Jesper are your wife and kids all right?

Jesper: Yes they are at my family's home safe.

Me: Great. I'm glad.

Jesper: Yeah Alva and my kids are the best thing that's happened to me.

Me: That's great Jesper.

Nico: Yeah. We're happy for you.

Me: Also how long has the feud with the Ellingboes and the Krums been going on?

Jesper: Well this feud has been raging on for centuries.

Jessie Knudson: From what I have read, this feud was raging since 817 A.D.

We gasped!

Me: WHOA! So over 1,000 years!?

Nico: That's insane!

Qin: Yeah! What was the cause of this entire feud?

Jesper: I don't really know. I was never really told what caused it.

Me: Well feuds don't start without a reason. But one thing is for sure, this feud has to stop NOW!

Star Creature: If we want to stop this feud, we better go directly to the source.

Me: And that's the Elders along with Aksel. They need a good talking too and Aksel must answer for his crimes to keep the feud going for this long.

Multiple Man: Let me clone an army first.

Nico: Okay.

He made an army of 930 clones!

Nico: We got to stop this feud now. Its gone on for too long.

Xenia: It sure has.

Nico: Lets head for the Town Hall.

Me: Lets do it! This feud stops NOW!

Long John Silver: It be entrance time!

We were off.

At the town hall the elders were about to convene for a meeting. Including Aksel Ellingboe himself. Then the spirits of the rangers from 2004 to 2014 appeared and they swirled around them and then converged and then a huge Christmas Tree grew in the middle of the floor and Carol of The Bells played and then the spirits of angels swirled around the tree and then they glowed and then we came out and the tree vanished.

Me: Perfect Christmas entrance.

Aksel Ellingboe: Who are you all!?

Nico: Team Loud Phoenix Storm and by the power of our authority you are hereby ordered to cease and desist this terrible pointless feud now! Or else we're going to use force!

Cad Bane: You're gonna get it, dirtbag.

Dagger: Big time!

Me: This feud ends RIGHT NOW! For over 1,000 years you all have been fighting over pointless mediocre things and for what!? Because of the delusional madness of a madman that wants to keep this feud going non-stop! This town was completely divided because of him with hatred and fear and locked in the shadow of darkness and his insane madness!

Aksel Ellingboe: LIES!

Me: Do we look like we're lying?

Krum Elder: No! Team Loud Phoenix Storm is right! For too long we have raged this feud and followed the lies you have brought here! This feud ends now!

Ellingboe Elder: I agree! From now on, We Ellingboe and the Krum shall be one family. After the marriage of Jesper and Alva we have been lead down a dark path because of the lies of a madman that wants to keep us apart. No more!

Aksel Ellingboe: (Insane Screaming) YOU TRAITORS! I'LL HAVE YOU ALL HANGED AND SHOT!

Me: It's over Aksel! The feud is done!

Nico: That's right! You've lost! Let it go! It's time to put the past behind us.

Aksel Ellingboe: I WILL NEVER LET IT GO!

Timon: Boy does this guy need a hobby.

Laney: Yeah.

Nico: Nice speech you did though J.D. well done.

Mumbo: Thank goodness for that.

Runt: Nice job J.D.

Knightbrace: Now, all that's left is to get rid of the one that's responsible.

Electrocutioner: Shouldn't be too hard.

Me: And I think a nice long stay in the Saturn Nuthouse will do him some good.

Fixer: (to Nico) We heard you dealt with Jessebelle again.

Nico: We sure did .

SkullMeramon: And that she stole May's food.

Me: You better believe she did! May was madder than a box of mad cats infected with rabies!

SkullMeramon: Geez! Vypra told us what happened and she must've been infuriated.

Me: Yep she sure was.

Tarantabot then came.

Me: Back for another round Tarantabot.

Tarantabot: Yeah about time too.

Me: No kidding. I can't remember the last time we fought.

Tarantabot: Man, this was a crazy war, huh?

William: I wouldn't call it a war.

Me: Cold war yes but this was intense. But this feud stops now. And I have some special guests for a special event.

We got the battles underway.

Spyro: It sure was. And MAN MAY WAS REALLY PISSED! Jessebelle and the Rump City Bootyheads swiped the picnic May made for her and Nico. THE NERVE!

Starfire: Yeah no kidding! If it were Yogi Bear that would have been funny.

Raven: It would be but to May no.

Tara: Yeah you mess with May's food and you signed your death warrant.

Kole: Yep. Jessebelle and the Rump City Bootyheads had to learn the hard way.

Bombshell: (British Accent) Ah and it was a jolly good show for May to unleash her wrath on Jessebelle too.

Piper: the Ghostrick Jiangshi is Ramona Qingzhao and she is from China and the Ghostrick Lantern is Autumn Aluma and she is from England.

Sunset Shimmer: They are really amazing and both their stories are really amazing.

Pipsqueak: (British Accent) They sure are. We were amazed hearing about them.

FLASHBACKS

Ramona Qingzhao

Ramona Qingzhao: (Chinese Accent) That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Ramona, what's the story on why you hate Billy McLean with a burning passion?

Ramona Qingzhao: (Chinese Accent) For years, I knew that Billy McLean was nothing but trash, and that he was nothing but a psychotic asshole who's subjected Gwen and her friends to psychological and physical pain, and there's also all the revelations you guys heard from the others, but what'd earned him my hatred and that threat I made was that he murdered my parents when he placed a bomb in my house while I was at school.

We gasped.

Nico: Why, that murderous, stupid asshole!

Lincoln: I remember that day all too well, when we heard the news, I went with Ramona, and when she saw what happened to her home, she broke down and cried, and I stayed and hugged her while she hugged me back, and we didn't let go.

Luna: Then, we saw the news of the person who was arrested, and when we saw it was Billy McLean, it made us really madder than Hell.

Me: I knew Billy McLean was trash, but to do this to another of Lincoln's Guardian Angels, and this had resulted in the murder of her parents, this is disgusting.

Nico: Big time, and the next time we have our humiliation session, Ramona's going to give him what for.

Lincoln: Yeah.

Autumn Aluma

Autumn Aluma: (British Accent) That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Autumn, we know what Hawk and Hank did to earn your hatred, but what memories did you have with Lincoln?

Autumn Aluma: (British Accent) Well, I remembered this one time, I was with Lincoln and Lucy, and we were preparing for Halloween, and we also called in Autumn Bellamira, Raven Delg, and Elena Skellington for extra help and expertise. But, then, we heard the sounds of banging at the door, and the door busted down, and we saw that it was Lori, and she was really furious. She falsely blamed Lincoln for breaking her phone, and Lincoln was absolutely fed up with Lori's temper and he told her off saying that he wasn't even in her room and he didn't break her phone. This pissed off Lori as she thought he was lying, but as she tried to attack Lincoln, he fired a blast of darkness at her and she was suffering from illusions of bats attacking her, and she screamed and ran for her room. We told Mr. and Mrs. Loud of what Lori tried to do to Lincoln, and he defended himself from Lori's wrath, and Lori got grounded for a week for her bad temper and false judgement. We then took a look at the footage of earlier, and we saw that Lynn broke into Lori's room and smashed it with a hammer and she put a lock of Lincoln's hair to frame him and she was laughing like the psychotic animal that she is.

We gasped in shock.

Autumn Bellamira: Yeah, it was bad, and Lincoln was seeing red because of Lynn's stunt and we saw his fangs grow longer and his nails grew into claws. We knew the moment Lynn came back inside, he was going to tear her limb from limb. But, we had to cool him down, but Autumn got back at Lynn by shredding her jerseys and wrecking her balls, and the best part: Lynn was grounded for ten weeks for her stunt, and Lincoln threw her in a cage in her room.

We cheered wildly.

Nico: Lynn really crossed it this time.

Lincoln: She sure did, and when Lori saw it, she wanted to kill Lynn, but Autumn Aluma slapped her hard on the cheek and told her off. Eventually, Lori had to work hard to earn my forgiveness, but Lynn didn't want to, and she swore she'd kill me and get her revenge. So, I took no prisoners, I had Lynn put in a straitjacket and I told Margo, Paula, and Polly Pain to bench Lynn for ten weeks, and as soon as I told them of her stunt, they were mad.

Me: And when Lynn showed up, Margo punched her in the face and gave her a black eye, and she had no choice but to be benched for ten weeks. But, Lynn eventually worked hard to earn Lincoln's forgiveness and trust back, but he warned her, if she ever did this again, she'll lose his forgiveness and trust forever.

Nico: At the rate of how many times Lynn's tried to kill Lincoln, I was surprised Lincoln still forgave her, along with Lori, Lola, Lisa, and Luan. He really is a one-of-a-kind person to stand up to the chaos of his own home.

---

Most of that money will go to Jake and his family and even to the billions of people she was trying to destroy for ruining Christmas. That's 50 with 69 zeroes.

Fellbat: She is what we call a TRUE CHRISTMAS HOLIDAYCIDE DESTROYER!

They laughed!

Rukia Kuchiki: I should've known there's no mistaking that voice from anywhere. You can come out now, Zommari Rureaux.

A figure came out, and it was none other than Zommari Rureaux, the 7th Espada of Sōsuke Aizen's army.

Rukia Kuchiki: I should've known you'd show your face yet again, as soon as word of the traitor's death reached you.

Zommari Rureaux: Even if I'm destined to die here, I will make sure that all of you are dead for what you did to Lord Aizen.

Leona Elementaldraco: Fat chance of that happening, the only one dying here is you!

Leona Elementaldraco has transformed into SUPER ANGEL-DRAGON-HARMONY CELESTIAL ETERNAL XELNAGA DARK SHADOW SIX ELEMENTAL ATTRIBUTE BAKUGAN DARK DRAGON ANGEL OF DIVINE SIX ELEMENTAL DARKNESS DRAGON JUSTICE AND DIVINE SIX ELEMENTAL DARKUS DRAGON LOVE!

We were amazed by Leona Elementaldraco's Super Angel Celestial Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Zommari Rureaux saw it, he charged at her with superfast speed to kill her, but Leona Elementaldraco dodged it and took to the air, and she fired a powerful black and indigo energy blast with darkness, fire, water, wind, earth, light, and dragons at Zommari Rureaux and it exploded with incredible power, and sent him flying into a wall, he got out, and he was getting angry already.

Kyoko: Whoa, now Leona's transformed, awesome.

Lincoln: Yep, and she made Zommari Rureaux angry, but we're just getting started, and Leona, you look beautiful, how do you feel?

Leona Elemental Draco: (Divine Echoing Cosmic Voice of The Indigo Six Elemental Darkus Dragon and Divine Indigo Six Elemental Darkus Dragon Love) **I feel incredible, Linky. Now, shall we finally put this loyal follower of Sōsuke Aizen down for good?**

Lincoln: (Smiles) With pleasure, Leona.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Leona Elementaldraco

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Your days of trying to help Sōsuke Aizen destroy The Soul Society and your sick obsession of achieving perfection are over, Zommari Rureaux, and now, it's time for you to die. But, first things first. (Throws Omega Leonidas) Rise from the darkness and into the light, Omega Leonidas!**

A stream of dark fire appeared behind Lincoln, and we soon saw another figure rise behind him, it was Darkus Omega Leonidas in his true form, and Lincoln also summoned Omega Leonidas' other elemental cousins.

Nico: Whoa! So, that's Omega Leonidas in his Bakugan form, incredible!

Me: And we're going to see him and his elemental cousins in action

as well.

Omega Leonidas: Indeed you shall, J.D. Now, let's put an end to this Arrancer once and for all!

Leona Elementaldraco, Lincoln, Omega Leonidas and his cousins went after Zommari Rureaux, who tried to attack them with his sword, but they dodged it, and they fired extremely powerful blasts of rainbow energy, black and indigo energy, crosses, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, fairies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Tortoises, Succubi, Incubi, Hydras, and Mermaids at Zommari Rureaux, and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him, and they were angering him even more.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Now, let's show him the error of his ways, Omega Leonidas. (Holds out Ability Card) Ability Activate: Omega Eraser!**

Omega Leonidas and his other elemental cousins fired six massive energy beams from their mouths, and they hit Zommari Rureaux and exploded with incredible power.

Nico: Whoa, awesome!

Me: Nice one! They really got him mad now!

Then, Lincoln and Leona fired energy blasts that took on the forms of the chaos that he went through at The Loud House, and they really attacked Zommari Rureaux badly, and he was already losing his patience.

Zommari Rureaux: No, this is impossible! I won't be defeated like this.

Zommari Rureaux transformed into his Resurrección form by releasing his Zanpakutō, Brujería, with the release command, "Suppress". Zommari tried to take control of Lincoln's Bakugan, but they fired elemental blasts at the eyes and blinded them.

Leona Elementaldraco, Lincoln, Omega Leonidas, and his Elemental Cousins: **This is for all those you and your master have harmed, Zommari Rureaux. SIX ELEMENTAL CROSS BEAMS!**

Leona Elementaldraco, Lincoln, Omega Leonidas, and his Elemental Cousins fired powerful blasts of energy and elements corresponding to the Six Elemental Attributes at Zommari Rureaux, and they exploded as they hit him. Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Leona Elementaldraco, her hand-cannon Blaster is known as Omega Leonidas' Six Elemental Darkness Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's black with indigo flames on the blaster with a Phoenix, Angel, and Omega Leonidas and the Darkus, Pyrus, Aquos, Haos, Ventus, and Subterra Symbols surrounded by darkness etched on the sides, and an indigo gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Leona Elementaldraco fired blasts of rainbow energy, black and indigo energy, and elemental forces at Zommari Rureaux and as they hit him, they exploded with incredible power, and he was mortally injured.

Then, Lincoln transformed the tip of one of his eleven massive white wolf tails into Cell's stinger, and he stabbed it into Zommari Rureaux's chest as he screamed in agony, and Lincoln absorbed him and he assimilated his powers and abilities. Then, his tail returned back and the stinger changed back, and an energy card with Zommari Rureaux's soul inside it fired from Lincoln's massive greatsword. Then, when the Judgement Kanji appeared on Zommari Rureaux's forehead, he was erased by The Black Gates as he praised Aizen's name before he was erased. We cheered wildly as

Lincoln and Leona Elementaldraco holster their massive greatswords on their backs and power down and Omega Leonidas and his elemental cousins change back to ball form, and Leona Elementaldraco's new body, clothes, weapons, jewelry, Third Eye, eleven massive midnight black wolf tails, and massive midnight black angel wings are permanent.

Leona Elementaldraco: Your loyal obsession of destroying the Shinigami is finally over. Thanks for helping me destroy Zommari Rureaux, Linky, you too, Omega Leonidas.

Lincoln: (Smiles Warmly) You're welcome, Leona.

Omega Leonidas: We weren't going to let that fanatical Arrancer get away with his crimes, he needed to answer for his crimes.

Suddenly, Leona Elementaldraco wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Leona Elementaldraco's face, they kissed passionately as Leona Elementaldraco's left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Omega Leonidas flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and darkness behind them and we cheered wildly. Lincoln and Leona Elementaldraco came back to us as the display and Omega Leonidas vanished.

Nico: I… honestly have no words to say, except… THAT WAS ONE AWESOME BATTLE YOU GUYS HAD FOUGHT!

Nico ran up to Lincoln and Leona Elementaldraco and hugged them, and he hugged them back.

Me: Yeah, and Lincoln, you displayed some awesome skills as a

Bakugan Brawler, nice one!

Lincoln: Thanks, guys.

Leona Elementaldraco: Plus, all of us transformed and brought an end to Sosuke Aizen and some of his loyal followers.

Rukia Kuchiki: Indeed, and you all showed them no mercy whatsoever.

Apollonia Apollonir: And we made them all pay. Plus, we also know who we're meeting tomorrow, right, Lincoln?

Lincoln: Oh yeah, Mary Adelberte, Gene-Slammer of Ghostrick Mary for Day 14 of The Dark World Treasure Hunt, but I've got a feeling that for the next sixteen days, there's also going to be more Gene-Slammers joining as well, and it's going to be awesome.

Wilbur: Looks like things are gonna be peaceful around here.

BlackWarGreymon: I sure hope they will.

Vulkanus: The important thing is that no one got hurt.

Dixie: Thank goodness.

Me: That's the last thing we want to have happen here.

Taskmaster: Now, let's celebrate with some hot chocolate.

Private HIVE: We've earned it!

Me: Good idea.

Nico: But great job today everyone! J.D. deserves most of the credit because he got everyone to stop fighting peacefully.

Me: Aw it was nothing.

Fluttershy: (To the viewers) Feuding with people is never the answer to anything. Just talk things out and you will be all right.

Lincoln: You said it Flutters.

Me: Yep.

We went back home and had a nice fire by the fireplace and had some hot cocoa. And we enjoyed the rest of the day and went to sleep.

IN HONOR AND MEMORY OF GILBERT GOTTFRIED

Walking through the massive and bustling streets of the massive planet-sized city of the planet Coruscant was Nico, The Ripping Friends, Ellie Singh, Evelyn Burmingham, Jen Tennyson, Eddy, Yugi, Tea, Jaden, Jesse Anderson, Allenby Beardsley Knudson, The Hernandez Sisters, Yost Magma, Rin Nohara, Woz, Bai Tza, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, The 1983 D&D Gang, Irina Krafla the Granity Gene-slammer, Kora Lexxington, Olivia Houou, Nataša Marečková, Nalanie Nanthavong The Vorash Gene-Slammer, Brynja, Sissi Delmas, Anna Anyanova the Destiny HERO Dark Angel Gene-slammer, Daring Do, Lizzie Strong the Great Blue Windrunner Gene-slammer, Emam Reynolds the Living Tsunami Gene-slammer, Wendy Sapphira, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Granity, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Hibiki Riders, Kabuto Riders, Den-O, Kiva, Decade, W, OOO, Fourze, Wizard Riders, Gaim Riders, Drive Riders, Ghost Riders, Ex-Aid Riders, Build Riders, Zi-O Riders, Zero-One Riders, Saber Riders, Granity, Samurai Jack, Ashi and her sisters, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Sunny Starscout, Izzy Moonbow, Hitch Trailblazer, Pipp Petals, Zipp Storm, Misty Brightdawn, Rachel Stavenport, Kate Lloyd, Carol Pusateri, Hailey Helios, Kia, Jenna, Lina, May, Maria, Danica Metrois, Kaalia of The Vast, Varie, Sakura Valencia, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Bridgette, Eli, me, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Spiderman, Kaina Tsutsumi, Nick Logan, Sh'Lainn Blaze, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Luz, Amity, Gus, Willow, Hunter, Felicia Wittebane, Carly Atlas, Misty Tredwell, Zuria, Tony Jones, Edyn, Strag, Momo, Girl Jordan, Earth, Vinyl Scratch, Airazor, Rhinox, Cheetor, Rattrap, Tigatron, Lincoln, Leni, Laney, Lana, Lola, Lisa and Lily along with Ghost, Evil Xion, Bigger Boo, Universe 666 Boogeyman, Zeena and Gwess and Ariel, Crystal, Pocahontas, Moana, Belle And Alice Liddell and we were there for another awesome and amazing rescue.

Zuria: WOW! So this is the home planet of the Jedi Order, Coruscant?

Me: Yep.

Zuria: This is incredible! It's all a massive city!

Me: Yep. It's what's called a ecumenopolis.

Eli: Yep. But it wasn't always like this. Eons ago, Coruscant used to be a planet very much like Earth full of plants and animals and all that. And from then on it just continued to grow and grow and grow into the massive planet size city you see today.

Zuria: This is amazing! How many people live here?

Me: It's many people from many planets all over the galaxy. It's over 1,000,000,000,000+ People.

Zuria: WHOA!

Xenia: I know. We were shocked ourselves about it.

Ariel: But it's still very awesome coming here though.

Lola: It sure is Ariel.

Camie: Yeah.

Nico: Ariel, I want to thank you, Ghost, and your teams for coming today.

Ariel: Oh it's our pleasure Nico.

Eli: We get to have some fun together sis.

Ariel: We sure do Eli.

Zuria: Is Ariel really Eli's sister?

Me: Not by blood. But they have had a bond that is so strong that they are like siblings. Also Eli has the power to breathe underwater and he views King Triton like a father figure to him too.

Eli: It's true.

Laney: Eli has been through so much before he joined the team.

Eli: Yeah.

Nico: Crystal, what are the rest of the Inhumans like?

Crystal: Well we are a race of Superhumans that were engineered by the Kree and we given our powers through them by the power of the Celestials.

Nico: Wow!

Qin: That is incredible!

Eli: No kidding.

Me: One of these days we'll have to meet your fellow Inhumans.

Crystal: You guys will love them.

Crystal: Fair warning though. Black Bolt doesn't speak for a reason.

Zuria: Why?

Me: According to the comics he has what's called the quasi-sonic scream". Because his electron-harnessing ability is linked to the speech center of his brain, any attempt to use his vocal cords triggers an uncontrollable disturbance of the particle/electron interaction field.

Zuria: GEEZ!

Qin: Yeah that is powerful.

Lola: No kidding there.

Nico: Yep.

Eli: Amazing.

Nico: We did good stopping that feud yesterday.

Me: Boy no kidding there! That is just absolutely preposterous that a feud like that was going on for over 1,000 years.

Eli: Yeah no kidding! But at least it wasn't a brutal feud like with the Hatfields and McCoys.

Lola: Yeah that was the absolute worst.

Pocahontas: I'm glad that feud was stopped though.

Camie: Me too Pocahontas.

Ghost: All of us are glad too.

Nico: I wonder what lead to that feud though.

Me: Who the hell knows. But that was terrible.

Maria: And no one died.

Me: That is a big miracle there. But time took its toll on that whole town.

Qin: Yeah no kidding.

Camie: It's just absolutely crazy that they were all fighting for so long because of it.

Sunny Starscout: No kidding there. It's like what happened when Opaline divided all the ponies before we joined all of you.

Nico: That was crazy. But J.D. did great bringing both sides back together or who knows what would have happened.

Eli: Yeah great job bro.

Me: Thanks guys. But all of us did great.

May: And we delivered those letters.

Nico: We sure did and with plenty of time to spare.

Qin: Yeah that was awesome.

Zuria: Thank goodness.

Lola: Yeah. But it was still awesome going to Norway.

Me: It sure was. And I'm happy for Jesper and his family.

Varie: Me too.

Kazuma: Guys, after Evelyn's mission tomorrow, I may have to leave you guys to rejoin my team. At least until the big day.

Me: We understand Kazuma. But I promise you that Hajime will be rid of this Undead Curse and this terrible destiny that was given to him when we meet him.

Kazuma: Thank you J.D. You guys have been so helpful to me.

Me: No problem man.

Qin: Yeah this was so awesome helping you out.

Alice Liddell: (British Accent) It sure was awesome.

Nico: I thought it was cool myself as well. And thank goodness we found you on that awesome Cornish Game Hen Planet.

Xenia: That was awesome too.

Kazuma: But I promise it isn't goodbye. It's more like see you later.

Me: I know Kazuma. I know. But I promise you this, Hiroshi will pay for everything he did to you. Justice of the highest level of power will be brought to that monster for everything he did to you all.

Qin: That is for sure.

Varie: If Hiroshi wants to turn our world into a version of War World, well he will have to face us first and he will NEVER do so.

Nico: Not on OUR watch.

Xenia: You got that right!

Kazuma: (smiles) But I still want to thank you guys. I promise Hajime that I'd see him and the others again. And now, thanks to you guys, I'm able to fulfill that promise.

Me: That's for sure. And no way are we going to let you guys murder each other like that. I have a plan that will ensure that doesn't happen.

Nico: Seal his Undead Half into a Rouse Card?

Me: Bingo.

Qin: Nice.

Laney: This will be awesome and good.

Lincoln: As long as me and my siblings can come with first.

Me: Good idea. We'll have you guys come with first. And if it's all right with you Nico, Lord Drakkon and Myotismon can come with too.

Nico: That's fine with me.

Lola: Good.

Nico: I wonder how things are here nowadays.

Eli: Looks like things are really peaceful.

Fu: That's good. And with Palpatine gone and most of the Sith Lords and Planets all destroyed, things are looking really great.

Camie: That's good and the Jedi are all being brought back.

Eli: Thank goodness.

Zuria: Boy I can't believe that most of the Jedi were all destroyed.

Lola: Me neither.

Camie: Yeah no kidding there. What happened was horrible.

Nico: Yeah it sure was. But now the Jedi Order is back in business thanks to us.

Me: Thanks to me bringing the Jedi back on Earth.

Xenia: That's true.

Nico: I wasn't with you back then but can you tell me what went down J.D.?

Me: I sure can.

I went over what happened in chapter 48 and it was awesome.

* * *

I am in the Simulator doing an exercise.

Varie, Jessie, Lincoln, Linka, Lily, Laney & Crysta and Lisa are in the control room.

The simulator activated and I was on the Planet Naboo.

I was running through the palace of Queen Amidala and I saw Qui Gon Jinn and young Obi Wan Kenobi fighting the ruthless Darth Maul.

Qui Gon was fighting him alone as Obi Wan watched from behind a laser barrier. Darth Maul blocked a strike and just as he was about to deliver the fatal blow, I swooped in and blew him into a metal wall with the Force.

Me: Is this a private party or can anyone join?

I ignite my lightsaber and fired Force Lightning at Darth Maul and it electrocuted him.

Qui Gon: You can use Force Lightning?

Me: Yes I can.

Qui Gon: Who are you?

Me: J.D. Knudson, Gray Jedi from planet Earth.

Qui Gon and Obi Wan were shocked.

Qui Gon: That's impossible. No Gray Jedi has existed in over 4,000 years.

Me: Not until now.

Obi Wan came after the barrier deactivated and ignited his blue blade lightsaber.

Obi Wan: We appreciate you arriving.

Me: No problem.

Darth Maul got up and jumped and I fired more Force Lightning at him and he fell down a shaft and his double red bladed lightsaber landed on the floor.

I take his lightsaber as a trophy.

Me: Master Qui Gon. Anakin Skywalker is the Chosen One that will destroy the Sith. The Force told me. Make sure he doesn't fall into the hands of Darth Sideous at all costs or Anakin will be lost to the Dark Side.

Qui Gon: I will. Thank you.

Me: I got to go now. But we will meet again in the future.

The simulator fast forwarded to the battle of Geonosis in Petranaki Arena.

In the halls of the arena, I saw Master Qui Gon, Obi Wan, Anakin

Skywalker and Padme Amidala tied to some posts about to be executed by a Ylesian Reek, a Cholgannan Nexu, and a Vendaxan Acklay.

Me: Oh no.

I jumped down, ignited my lightsaber and fired Force Lightning at the Viceroy and killed him and I saw that Count Dooku AKA Darth Tyrannus was up there.

Count Dooku: Master Knudson. I've heard alot of big things about you. You're the first ever Gray Jedi in over 4,000 years.

Me: The feeling is mutual.

Count Dooku: You are quite a formidable foe. You defeated Darth Maul.

Me: Nice to know I've made an impression and the Viceroy paid for his treachery when he tried to attack Naboo.

Numerous robot droids came out and fired and I deflected all their shots. Numerous Jedi came out and ignited their lightsabers.

On the Balcony was Jedi Knight Mace Windu and he ignited his purple bladed lightsaber.

I threw my lightsaber and with the Force I controlled it and cut Qui Gon, Obi Wan, Anakin and Padme free and tamed the Reek, Nexu and Acklay and they disappeared and became tattoos on my left arm. Lots more droids came and it was a brutal battle. It was also intense.

Jango Fett landed onto the battleground and fired blasters at me and I deflected his fire and slashed his head off.

Count Dooku was trying to get away and I chased after him as a Clone Ship arrived and got all the Jedi out safely.

I faced Count Dooku.

Me: You will pay for all the Jedi that were killed today Dooku.

I fire Force Lightning and it blew him into a rock wall and a rock point skewered him all the way through his heart and he died in an instant.

I take his lightsaber as a trophy.

Master Yoda arrived.

Me: Master Yoda.

Yoda: J.D. Knudson. So rumors are true I see.

Me: Yes. I am a Grey Jedi. First in 4,000 years.

Yoda: Long way you have come. The Light and Dark Sides I sense in you.

Me: I come from the planet Earth I actually pick up alot of stuff on the fly.

Yoda: Powerful you are.

Me: I have to stop the Sith at all costs.

The Simulator Fast Forward and I was on the planet Mustafar. A volcano world.

I sensed that Anakin had turned to the Dark Side and I warned Ahsoka Tano and Aayla Secura about it with my telepathy.

5 hours later I see Anakin Skywalker on the landing ports talking to Padme who was pregnant. Obi Wan was on the ship and he saw him and Anakin was enraged.

Anakin: You're with him! You brought him here to kill me!

Just as he was about to choke her I blow him into a bunch of barrels and land by her.

Me: Are you alright Padme?

Padme: Yes I am. Anakin, what's happened to you?

Me: That is not the Anakin that you know anymore, Padme. Hes been corrupted by Chancellor Palpatine, Darth Sidious himself and he now serves him.

Obi Wan: Yes. We've totally lost him Padme. He's now gone to the Dark Side.

Anakin got up.

Anakin: You turned her against me! All of You.

Obi Wan: You have done that yourself.

Another ship landed and it opened and out came Ahsoka, Aayla, Yoda, Qui Gon and Mace.

Aayla: We thank you for telling us what happened J.D.

Me: No problem Aayla.

Ahsoka: Master Anakin, what's happened to you?

Anakin: I've had a change for the better Snips.

Me: Your change is one of evil.

Anakin: You will not take Padme away from me!

Yoda: Too late for that it is.

Obi Wan: Your anger and your lust for power have already done that. You have allowed Palpatine to twist your mind until now you have become the very thing you've sworn to destroy.

Anakin: Don't lecture me Obi Wan. I see through the lies of the Jedi. I do not fear the Dark Side like you do. I have brought peace, freedom, justice and security to my new empire.

Me: By killing innocent lives? I don't think so.

Obi Wan: Your new empire?

Anakin: Don't make me kill you all.

Obi Wan: Anakin my allegiance is to the Republic. To democracy!

Me: Palpatine has filled your head with lies and poisoned your mind with wrong ideas. I will make sure that Palpatine pays the ultimate price for his crimes.

Anakin: I won't let you.

Me: Obi Wan. Let me face him.

Obi Wan: Of course.

Me: Only a Sith deals in Absolute. I will do what I must.

Anakin: You will try.

I ignite my lightsaber and Anakin opens his and we get into a savage lightsaber fight.

I kick him in the face and punch him in the stomach and he went flying down a hall into the Mustafarian control room.

I run after him and fire Force Lightning and he deflects it and it hits the controls for the heat blocking system and destroys them.

I run out onto a blocker and we fight over the lava and Anakin was on a blocker as it melted and fell into the lava and we were on it. I spread my wings and fly onto the land by the lava river. I sensed Anakin coming and he was not going to stop until he killed me.

I jump onto a hover platform on the lava and Anakin was on the head of a robot and we clashed some more.

We stopped for a bit.

Me: I don't understand you Anakin. How can you believe all of Palpatine's lies so easily? Are you really that gullible?

Anakin: He told me that the Jedi were trying to take over.

Me: That is a crock of lies. Palpatine is evil in its purest form. He's the Devil Incarnate.

Anakin: From my point of view the Jedi are evil!

Me: Then you are lost!

Me and Anakin were on the Lava river staring at eachother and ready to fight some more.

Anakin: This is the end for you my friend.

Me: It's just beginning.

Anakin and I were fighting some more. I jumped away as he tried to slash me and landed back on the land by the river.

Me: It's over Anakin. I have the high ground.

Anakin: You underestimate my power.

Me: Your overconfidence will be your undoing.

Anakin jumped over to me and I slashed his legs and left arm off and he rolled down the hill and was close to the lava river edge.

Me: How can you be that stupid Anakin? How can you fall for the lies of an evil man like Palpatine? Don't you see that he's using you and when he's done with you he will toss you aside like yesterdays garbage? You're a pawn in all his diabolical plans and ambitions.

But Anakin refused to believe it.

Anakin: I HATE YOU!

Me: You can hate me all you want. But like it or not that is the truth.

Anakin started to realize the error of his ways as the heat from the lava ignited his leg and started to burn him. I use my ice powers and put him out and picked him up.

Me: I'm sorry Anakin. But I can't let you fall farther into the Dark Side.

I walk over to the ship Obi Wan took and we all board it.

Obi Wan: You really did a number on him J.D.

Me: I know. But I have a feeling that he's gonna pay for his crimes.

Anakin: Master Obi Wan. I'm… I'm sorry.

He started crying.

Padme: Ane. I'm glad you're back.

Padme hugged him.

Ahsoka: Padme you should take a seat. We got to let Master Anakin rest.

Padme: Okay.

Anakin: Snips. I'm sorry.

Ahsoka: I know master. It wasn't your fault.

Anakin: I know. J.D.?

Me: Yes Anakin?

He held out his right prostatic arm.

Anakin: Thank you for saving me from the Dark Side. You have earned both my respect and support.

I give him a handshake of friendship.

Me: It's good you're back on the Light side.

Qui Gon: Now save your strength. We have a long journey ahead of us.

Anakin: Where are we going?

Me: We're going to my home planet: Earth. We can restore the Jedi there and ready our forces.

Mace: That sounds like a good plan.

A wormhole appears and we go in it.

The Simulator ended as we arrive at Earth and our ship lands in the Loud House Backyard.

We disembark and I find the perfect place for rebuilding the Jedi Temple. It was the sight of the Abandoned Baseball Stadium in Detroit.

Anakin was rushed to the hospital and given new prostatic legs. He has to go through rehab and burn treatments and all that.

As Anakin was getting fixed up, Padme went into labor and gave birth to Luke and Leia Skywalker.

I was with Varie and revealed everything to my friends.

Lincoln: So you all escaped from the Galaxy?

Me: It was to retreat until we have enough power to go back and destroy Emperor Palpatine once and for all.

Linka: Ah. You need to regroup and wait.

Me: Yes. It will take a few years. But we have all the time in the world.

A new Jedi Temple was built in place of the old Baseball Stadium and almost right away, a bunch of kids and people wanted to become Jedi.

The Jedi Resurrection was fully underway.

FLASHBACK ENDS

When I was done everyone was amazed.

Camie: WOW! So that's how you brought the Jedi Order to Earth for restoration.

Me: Yep.

Nico: Wow! That is amazing.

Eli: Yep.

Nico: A lot of Jedi died that day.

Me: I know. 9,900 of them were savagely slaughtered. Only 100 of them survived.

Nico: WHOA! So 99% of them were wiped out.

Qin: That is horrible!

Laney: Yeah.

Nico: I'm really glad we destroyed Palpatine forever and gave him the Black Gates.

Xenia: So is everyone in the entire universe.

Lola: Yeah.

Varie: That was really intense though.

Camie: Boy no kidding.

Zuria: But you guys avenged them all by destroying Palpatine.

Me: Yep.

Nico: And it was all because of the inhibitor chips in the clones. Guess Rex was right. Good soldiers following orders isn't always a good thing.

Me: That is for sure.

Eli: I guess they should have destroyed those inhibitor chips to make sure it wasn't carried out.

Qin: Yeah.

Nico: But I'm glad the Jedi are being restored on Earth as well as recovering here.

Xenia: Thank goodness.

Tsuyu: Yeah that was really awful what happened.

Lola: Yeah.

Maria: Fives DID try to warm everyone. But Palpatine manipulated events to ensure he was silenced.

Me: Yeah no kidding. Palpatine was like on to him from Minute one.

Nico: Hard to believe that Palpatine was right under the Jedi's noses the entire time.

Qin: No kidding. If they had stopped him sooner then they would have brought an end to that entire war.

Xenia: No kidding there.

Lola: Yeah.

Lily: It's horrible all that happened back then.

Tsuyu: Yeah no kidding. But many of the planets they go to are all amazing.

Nico: They sure are.

Eli: I think so too.

Nico: Let's enjoy the sights while we can.

Laney: I agree.

Lana: But J.D. it's so awesome how you know so many Sailor Soldiers from so many planets.

Zuria: That is so awesome.

Me: It sure is.

Nico: Who do you think the next one will be?

Arrietty: (WINCES)

Her mark for Apus the Bird of Paradise started glowing.

Arrietty: My mark is glowing.

Nico: That means the next Another Undead Zodiarts is near.

Eli: And it's for Apus the Bird of Paradise in the Southern Hemisphere.

Xenia: Yeah.

Nico: Where is it?

Eli: I sense it's not far.

Qin: Wait look up there!

We saw a figure standing on top of the highest spire of the Jedi Temple.

Me: What is that?

It spread its wings and flew down and landed in front of us and we saw that it was ANOTHER APUS UNDEAD ZODIARTS! It looked like a mixture of Falkar, Goldar and Broodwing!

Me: Whoa! Another Apus Undead Zodiarts!

Nico: Wow! Not much of a Tropical Bird Zodiarts.

Eli: Yeah no kidding.

Nico: Who are you?

Another Apus Undead Zodiarts: (In a girls voice) J.D. knows me.

Me: (GASP) That voice!

She reverted back and it was a Sailor Soldier! She was a girl with rainbow hair and a rainbow uniform and had the symbol of Apus the Bird of Paradise on her right arm.

Me: (GASP) Chloe Corrington A.K.A. Sailor Coruscant!

Nico: Whoa the Sailor Soldier for Coruscant!? I did not expect that. And it's fitting because we're on your home turf.

Sailor Coruscant: That is true.

Nico: How do you know her?

Me: Chloe is one of my friends from Science Class and she is known as the Guardian of The Jedi Order and has been known for protecting the Jedi. But when Order 66 was carried out and many of the Jedi all over the galaxy were slain, she was devastated and she swore to make Palpatine Pay for his crimes. What she doesn't know however though is that the Jedi are on the comeback on Earth and Palpatine is dead thanks to me.

Sailor Coruscant: That's true and I am forever grateful for that.

Me: No problem. What happened to the Jedi was completely unforgivable.

Nico: Did you have to kill any of the clones?

Sailor Coruscant: As a matter of fact yes. I've been doing that for the past week and a half. I was killing thousands and thousands of them.

Me: Wow! You have been really busy.

Xenia: Yeah.

Eli: No kidding.

Camie: Wow. That is amazing.

Nico: I guess they were too far gone.

Me: Hmm. The inhibitor chips must have permanently warped their minds in the process.

Qin: My thoughts exactly.

Me: Chloe are there any other opponents with you right now?

Sailor Coruscant: Yes there are actually. Another version of her. (Points to Ghost).

Ghost: Another version of me!?

Qin: Whoa!

Me: This is gonna be interesting and cool.

Nico: Is it friendly or hostile?

Sailor Coruscant: Friendly and she is a really deadly assassin.

Me: Interesting.

Sailor Coruscant: Yeah and she was helping me kill numerous clones.

Qin: Wow! That is cool!

Lola: Yeah.

Arrietty: I'll face you to save you.

Sailor Coruscant: All right then.

She turned into Another Apus Undead Zodiarts and Arrietty fired a wave of energy and it hit her and she exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was down and I caught the Rouse Card and Zodiarts Switch and purified them. The Rouse Card had the stars and symbol for Apus the Bird of Paradise in the Southern Hemisphere and a picture of the Bird of Paradise on it.

Me: Cool.

Then the Zodiarts Switch glowed and turned into armbands for those with the mark of Apus .

Then I went and picked up Chloe and brought her over.

Nico: One down.

Me: The Another Version of Ghost must not be far behind.

Nico: Sorry we have to add an additional word to your name. But Another Ghost was already taken.

Ghost: No worries Nico. But yeah I see what you mean.

Me: Good way to avoid confusion too.

But then suddenly…

ZOOOM!

A figure swooped in and then PULLED DOWN MAY AND NICO'S PANTS!

Nico: What the?

Me: Uh Nico?

Nico: What?

I pointed and Nico saw his pants down!

Maria: May had that happen too.

Nico: OKAY WHO IS THE WISEASS THAT DID THIS!?

May: Very funny!

They pulled their pants up.

Eli: I think SHE IS THE One that did it!

We saw a black version of Ghost. It was ANOTHER MARVEL GHOST!

Me: WHOA! Another Marvel Ghost!

Ghost: Whoa! That one sure got Nico and May good!

Me: No kidding there Ava! Didn't even see that one coming.

Nico: Pretty sneaky doing that!

Another Marvel Ghost: (In a girls voice) Sorry about that. Killing Clones was done so I decided to pranks.

Me: (GASP) Naomi Martin! I should have known it was your handiwork here.

Another Marvel Ghost: But it's good to see you again J.D.

Nico: You know her?

Me: I sure do. She is the deadliest assassin in the entire history of the world. She was known for being so deadly and extremely well trained that she knows lots of moves no one even thought she could do them. Also she is known for having the highest ever kill count of any known assassin ever. And you know who taught her all she knows? Ra's Al Ghul himself.

We gasped!

Camie: Wow!

Nico: What kind of people does she target?

Me: Naomi mostly goes after the worst kinds of criminals like murderers and deadly evil supervillains. Ones not in the M.O.E.

Nico: Nice!

Me: Naomi was also given the moniker The Immortal Blood Goddess.

Qin: WHOA!

Me: And her calling card to let people know that she was there is a blood red crescent moon with a skeleton hanging from the bottom of it from a noose.

Qin: Whoa! That's Quite a mark.

Nico: Very cool.

Kaito: (gets out Den O Gear) Did Swartz promise you anything?

Zocks: (gets out Kiva Gear) Because we can grant it instead.

Another Marvel Ghost: Just to kill all the most evil Mob Bosses all over the world. Those not in the Masters of Evil.

Me: Well we can easily do that. Those are all the mob bosses we've been trying to find for years.

Laney: Wow.

Me: Yep.

Another Marvel Ghost: Yeah. But I knew Swartz lied to me.

Me: He's dead now and given the Black Gates.

Qin: Yep.

Another Marvel Ghost: Good riddance.

Me: Yep. Sorry we have to fight you.

Another Marvel Ghost: No worries.

Kaito got a Den-O Sword and Zocks got a Kiva Sword.

Qin: Time for some buttkicking action.

Another Marvel Ghost: Come at me with all you got.

Me: You got it.

Nico: I will say this though, your skills in stealth got the drop on me and May.

May: No kidding. Very impressive.

Sougo: (gets out Grand Zi O Ridewatch) If you knew Swartz was lying, why didn't you kill him as well?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Armor Time! (Baron's Sengoku Driver standby music) Come On! Baron!

Sougo became Grand Zi O while Geiz got BaronArmor

Sougo: Good point.

Me: That would have been a suicide mission.

Another Marvel Ghost: Yeah it sure would have been. So I figured why not let you guys handle it.

Me: Smart thinking. The Dai Shocket were far too powerful. But not for us. And we are the most powerful force in the entire universe.

Another Marvel Ghost: True to that.

Sougo: (gets out Grand Zi O Ridewatch) If you knew Swartz was lying, why didn't you kill him as well?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Sougo became Grand Zi O while Geiz got BaronArmor

Sougo: Good point.

Me: That would have been a suicide mission.

Another Marvel Ghost: Yeah it sure would have been. So I figured why not let you guys handle it.

Me: Smart thinking. The Dai Shocker were far too powerful. But not for us. And we are the most powerful force in the entire universe.

ANother Marvel Ghost: True to that.

Nico: (gets out Ghost's Ridewatch) Let's Get Invisible!

Nico activated it and went invisible.

Qin: WHOA!

Nico teleported and kicked down Another Marvel Ghost!

Lola: Take that!

Varie: YEAH!

Nico: (gets out Evil Xion's Ridewatch) Now for some Keyblade action!

He activated it and got Evil Xion's Keyblade and fired waves of energy and elements and blasted her all over.

Qin: TAKE THAT!

Lola: YEAH!

May: Pull my pants down will ya!?

May fired waves of ice and smashed her down.

May: (gets out Bigger Boo's Ridewatch) I'll show you!

May activated it and scared the living daylights out of her.

Another Marvel Ghost screamed in fright!

Qin: Oh yeah!

Lola: Take that!

Lucy Loud: Wicked.

May: (gets out Universe 666 Boogeyman's Ridewatch) Good thing Grim isn't with us.

She activated it and formed into a TV and scared her bad and also she farted.

LOUD FART!

May: OH! Pardon me.

Camie: Funny.

Maria: (gets out Zeena's Ridewatch) Let's see what this does.

Maria activated it and fired waves of energy and smashed down Another Marvel Ghost.

Qin: OH YEAH!

Lola: That was cool!

Maria: Yep. Now for this one.(ACITVATES GWESS'S RIDEWATCH)

She fired waves of energy and smashed her down.

Larxene then appeared with her team. It had Megavolt, the Psycho Rangers, Minotaur (Scooby Doo), Phantom of Milo Booth And Dorko Malfly.

Larxene: Hey guys!

Nico: Nice team, Larxene!

Larxene: Thanks. I thought it was cool too.

Me: It sure is.

Crystal: Time for some action from me. (ACTIVATES EVIL XION'S RIDEWATCH)

Crystal fired waves of elements and they hit Another Marvel Ghost and smashed her down.

Zeena: You better not mess up my nails!

May: Don't worry I didn't.

Zeena: Good.

May: What's taking the next Gene Slammer so long?

But the something poked May on her leg.

May: Huh?

She saw a Parasect.

May: A Parasect. Wow.

Lola: Cool.

Parasect: (In a girls voice) Looks like the fun is starting.

Nico: Cassaandra Harrelson! Wow!

Parasect: It's good to see you again Nico. I got this.

She fired waves of energy from the mushroom on her back and knocked down the Another Marvel Ghost and I caught the Ridewatch and purified it and it was for Ariel.

Me: Awesome.

I went over to Naomi and she was a girl with blue hair in a black ninja outfit.

I picked her up.

Naomi Martin: (GROANS) What a headache.

Me: But you're back to normal Naomi.

I brought her over.

Crystal: What's your favorite memory of Nico?

Parasect: My favorite is when me and Nico cured a girl that was dying of a really bad disease. As you can guess I'm a healer and I make potions. Nico and I helped gather ingredients from my greenhouse and she was cured. The disease was diphtheria and we made a really good natural remedy with the plants I had in my greenhouse and they made her better than ever.

Nico: Yep.

Me: Wow! That is amazing!

Lola: Yeah.

Me: Yeah. Lets get you back to normal.

Parasect: Okay. But I'm naked.

Me: Oh boy.

I put on my blind man glasses.

Nicole: No one better peak or else!

Me: But in a massively packed planet sized city like this.

I formed a cloaked dome over us so no one will see.

Then I snapped my fingers and she was reverting back.

The boys covered their eyes.

She was back to normal and was naked. Cassandra was a green hair girl with orange eyes.

Nico helped Cassandra up to her feet while his eyes were closed and the fashion brigade moved in and gave her new clothes. She had green clothes.

Cassandra Harrelson: (Groans) Man that was awful. But these clothes are awesome.

Varie: Thanks Cassandra.

Nico and Cassandra hugged.

Nico: I've really missed you.

Cassandra: Me too Nico. Me too.

Me: But this was awesome having another rescue on Coruscant.

Zuria: And it was awesome seeing what Coruscant was like.

Eli: Glad you had fun Zuria.

We later went back home.

a powerful greatsword known as The Demonic Darkness Guru Greatsword of Ceruli, Guru of Dark World.

And we're also going to destroy Yuuki Terumi who's come back from the dead seeking revenge on us for destroying him.

Lincoln: Whoa, we're back in Dark World for Day 14 of The Dark World Treasure Hunt, and and I know what we're going to do here, not only am I going to rescue the two girls here, but Helena Hufflepuff is going to get a powerful treasure there: a powerful greatsword known as The Demonic Darkness Guru Greatsword of Ceruli, Guru of Dark World of Dark World.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) That's right, and since she was Gene-Slammed into Ceruli, Guru of Dark World, it's perfect for her, and we're also going to destroy Yuuki Terumi who's come back from the dead seeking revenge on us for destroying him.

Makoto Nanaya: I should've known he'd come back, but now, we're about to put an end to him once and for all, and he's never ever coming back.

The BlazeBlue girls in Lincoln's harem also agreed.

Nico: Yeah, he's nothing more than a plague on this world, and he must be destroyed forever.

Me: I haven't forgotten that he also has the same power as us: he can feed on hatred and it makes him stronger.

Lincoln: Yep, but there's a force greater and more powerful than hatred: love, and it's the one thing that Yuuki Terumi despises.

Suddenly, our energy auras flared up extremely, and we were getting stronger and stronger, and it's just as Lincoln said, love is a greater and more powerful force than hatred, and it was from when the day Timmy destroyed Norm the Genie and lifted the last bit of darkness that plagued us from The 20 Days of Darkness.

TLPS Mr. Wolf: Whoa, this is really incredible, but how, we're nowhere near… !

Lori: Allow me to explain, we do get stronger from absorbing negative energy and converting it into positive energy, but when we absorb positive energy from feelings of love, respect, and happiness, let's just say it feels as though we've absorbed a massive battery of positive and negative energy times infinity.

Lincoln: Yep, and it's really powerful, and I want to thank you and your team for joining, SpongeBob.

SpongeBob: You're welcome, Lincoln. Man, this place sure is creepy.

Sandy: You said a mouthful. Now, we should head for Ceruli, Guru of Dark World's shrine, and then, we hogtie Yuuki Terumi and run him out of town on a rail.

Lincoln: And straight to The Black Gates like the ornery rattlesnake that he is.

Suddenly, Lincoln saw the timer on his right large gold cuff Bracelet of The Champion of the Universe, and we saw that the Monkey Nazca Line and Earthbound Immortal Cusillu were now glowing.

Lincoln: And another day down means that Audrey's life is already growing shorter.

We continued on and we arrived at Ceruli, Guru of Dark World's shrine, and then, the rainbow iris of Lincoln's Third Eye glowed, and the doors opened and we entered, and we saw a massive demonic looking greatsword floating in the center and with dark light shining down on it: The Demonic Darkness Guru Greatsword of Ceruli, Guru of Dark World, a powerful demonic massive greatsword with cerulean blue gems embedded in the 7'0" massive, wide, double-edged midnight black blade, large midnight black demon heads for the crossguard, large cerulean blue gem embedded in the rainguard, longer midnight black handle, four large demon heads and a large cerulean blue gem on the bottom of the demon heads for the pommel.

Rarity: My word, is that…?

Lincoln: The Demonic Darkness Guru Greatsword of Ceruli, Guru of Dark World, that sure is one scary looking demonic greatsword.

Helena Hufflepuff: Cool.

Suddenly, we saw Ghostrick Mary and Decode Talker appear, and with them are the two girls.

Nico: Whoa, that's Ghostrick Mary and Decode Talker, awesome.

Ghostrick Mary: (British Accent) And we got them away from that hate-filled monster.

Decode Talker: (Indian Accent) But, he'll get his just desserts soon.

Lincoln: (Gasps) Those voices, Mary Adelberte and Shyla Saibarbled, I knew it was you two, it's good to see you again, but we'll talk later, we still got Yuuki Terumi to deal with.

?: TEAM LOUD PHOENIX STORM!

Makoto Nanaya: Yep, there's no mistaking that voice!

We then saw our target, Yuuki Terumi, and he was really pissed now.

Lincoln: If it isn't Yuuki Terumi, you still pissed off that we ruined your plans?

Yuuki Terumi: You have ruined my plans to destroy every last human on Earth, what the Hell do you think?!

Helena Hufflepuff: Yep, you're still pissed, but now, we're going to make it even worse.

Suddenly, Helena Hufflepuff's light blue eyes turned light blue, and she was surrounded by a black and light blue energy aura with darkness, demons, and dark magic, she unholstered her massive Ceruli, Monk of Dark World's Demon Greatsword of Darkness Monk Justice, and as she approached Yuuki Terumi, she left black and light blue energy, darkness, demons, and dark magic with every step.

Helena Hufflepuff: You just don't even know when to quit, do you, Yuuki Terumi. But, for what you've tried to do in destroying mankind, we will see to it that not a single trace of you remains in this world.

Suddenly, Helena Hufflepuff was surrounded by a massive vortex of black and light blue energy with dark magic and darkness surrounding the vortex, there's an army of demons and Ceruli, Guru of Dark World flying around the vortex, and in the vortex is a blue phoenix. Then, as the vortex faded, Helena Hufflepuff emerged, but she was changed forever.

We were amazed by Helena Hufflepuff's Super Angel-Demon-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Yuuki Terumi saw it, he went completely berserk and rushed at her to kill her, but Helena Hufflepuff fired a powerful black and light blue energy blast with demons, darkness, and dark magic at Yuuki Terumi and it exploded with incredible power as it hit him, and he also got burned by positive energy, and this really pissed him off.

Nicholette Torrington: Whoa, Helena Hufflepuff's transformed into her Super Angel Celestial Eternal Xelnaga form, awesome!

Helena Hufflepuff and Lincoln went after Yuuki Terumi, who fired blasts of darkness at them, but they deflected them all, and they fired extremely powerful blasts of rainbow energy, black and cerulean blue energy, dark magic, crosses, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, fairies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Succubi, Incubi, Hydras, and Mermaids at Yuuki Terumi, and they exploded with incredible power as they hit him. Then, they also attacked him with slashes from their massive greatswords, and slashes from Lincoln's claws, and he drew more blood.

Me: Damn, now that's got to hurt. Let's join in and give them a hand.

Nico: Yeah!

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Helena Hufflepuff, her hand-cannon Blaster is known as Ceruli, Guru of Dark World's Demonic Guru Darkness Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's black with cerulean blue flames on the blaster with a Phoenix, Angel, and Ceruli, Guru of Dark World surrounded by darkness and the Hufflepuff House crest etched on the sides, and a cerulean blue gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Helena Hufflepuff fired blasts of rainbow energy, black and light blue energy, and elemental forces at Yuuki Terumi and as they hit him, they exploded with incredible power, and really knocked him down.

Then, Lincoln transformed the tip of one of his eleven massive white wolf tails into Cell's stinger, and he stabbed it into Yuuki Terumi's chest as he screamed in agony, and Lincoln absorbed him and he assimilated his powers and abilities and he also gained a massive power boost from his immense and nasty hatred. Then, his tail returned back and the stinger changed back, and an energy card with Yuuki Terumi's soul inside it fired from Lincoln's massive greatsword. Then, when the Judgement Kanji appeared on Yuuki Terumi's forehead, he was erased by The Black Gates forever. We cheered wildly as we holstered our weapons and powered down, and Helena Hufflepuff's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long light blue wolf tails, and massive light blue angel wings are permanent, and the harem-themed greatswords vanished.

Helena Hufflepuff: Your days of trying to destroy humanity are over. Thanks for helping me destroy Yuuki Terumi once and for all, Linky.

Lincoln: (Smiles Warmly) You're welcome, Helena.

Suddenly, Helena Hufflepuff wrapped her arms around Lincoln's massive wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Helena Hufflepuff's face, they deeply kissed passionately as Helena Hufflepuff's left arm was still wrapped around Lincoln's massive, wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive right pec, and behind them was a Thunderbird, Phoenix, Angel, Demon, and Ceruli, Guru of Dark World flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and demons flying behind them and we cheered wildly. Lincoln and Helena Hufflepuff came back to us as the display and Ceruli, Guru of Dark World vanished.

Nicholette Torrington: That hate-filled monster got what was coming to him, sheesh.

Lincoln: Makoto and the others told me everything about Yuuki Terumi and the trouble that he put them all through, and he's also a genocidal, vengeance-crazed, hate-filled monster, so yeah, he had to go. (To Mary Adelberte and Shyla Saibarbled) And it's so good to see you again, Mary Adelberte and Skyla Saibarbled.

Mary Adelberte reverted back to normal, and she's a beautiful girl with long flowing blood red hair, blood red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful black angel wings, and she reigned in the power of Ghostrick Mary, and she's dressed in a black short-sleeved blouse, blood red sleeveless top, black skirt, black pants, black knee-high boots, and a long white sleeveless trenchcoat with darkness and mirrors on the coattails and Ghostrick Mary on the back and holstered on her back is a massive Ghostrick Mary-themed greatsword with Ghostrick Mary etched etched on the 7'0" massive, wide, double-edged midnight black blade, large ghost heads for the crossguard, large blood red gem embedded in the rainguard, longer midnight black handle, four large ghost heads and a large blood red gem on the bottom of the large ghost heads for the pommel.

And Shyla Saibarbled reverted back to normal, and she's a beautiful girl with long flowing black hair, blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful black angel wings, and she reigned in the power of Decode Talker, and she's dressed in a black short-sleeved blouse, black top, black skirt, black pants, black knee-high boots, and a long white sleeveless trenchcoat with technology and gadgets on the coattails and Decode Talker on the back and holstered on her back is a massive Decode Talker-themed greatsword with Decode Talker etched etched on the 7'0" massive, wide, double-edged midnight black blade, large robot heads for the crossguard, large blue gem embedded in the rainguard, longer midnight black handle, four large robot heads and a large blue gem on the bottom of the large robot heads for the pommel.

Mary Adelbere: (British Accent) You too, Lincoln, and it's also good to see you, Claire, Ramona Alucard, Aisha, Sarah, Winter, Ramona Qingzhao, Autumn, and Tiana again, Ursula.

Ursula Truaigheaingeal, Ramona Alucard, Sarah Dullahan, Claire Allaire, Aisha Arian, Winter Icyin, Ramona Qingzhao, Autumn Aluma, and Tiana Masina: You too, Mary.

Shyla Saibarbled: (Indian Accent) Indeed, it's been a long time, and it's also good to see you too, Leni.

Leni: You too, Shyla.

Lincoln went up to Mary Adelberte and Shyla Saibarbled and he hugged them, and the girls were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and muscular he's really become, and they had atomic red blushes on their faces, and the atomic red blush on their faces went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Mary Adelberte: (British Accent) Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new.

Shyla Saibarbled: (Indian Accent) You said it, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you know these two?

Lincoln: Indeed I do, Nico, the Ghostrick Mary Gene-Slammer is Mary Adelberte, she's my Guardian Angel from England and my classmate in Art. She's a Bloody Mary and she was born with the powers of darkness and blood, and she also knew of me being a vampire-werewolf-cyborg hybrid, just like the other Ghostrick Gene-Slammers. She's known for casting curses on those who dare to hurt me, and some of these very curses involve her haunting them in their homes and during the hours of the night, even during The Witching Hour. Her reputation towards villains and for protecting Lincoln with those curses she inflicts on villains has earned her the moniker, "The Bloody Mary of Michigan". She's also good friends with Lucy and her friends in The Young Morticians' Club, and she also hates Princess Morbucks with a burning passion and wants nothing more than to kill her in a bloody fashion.

Lola: Yeah, I remember her all too well, and Mary really hated that spoiled brat.

Brittney gave Mary Adelberte the ring for The Goths of Darkness, and she put it on her right ring finger.

Lincoln: And the Decode Talker Gene-Slammer is Shyla Saibarbled, she's my Guardian Angel from India and classmate in Math, but she's also one of the most beautiful of my Guardian Angels and an amazing fashionista, her last name, Saibarbled, means Cyber Blade in Hindi.

Leni: She's really an amazing fashionista, she, Lincoln, and I would often make wondrous clothing, and she and Lincoln also made beautiful dresses for me to wear, and to show thanks, I took Shyla and Lincoln to a vegan restaurant, where they kissed each other on the lips. Plus, Lincoln and I found out she's also the niece of Glynda Goodwitch, and she really hates Chandler with a burning passion.

Nico: Wow! Two girls who really hated two evil redheads: Princess Morbucks and Chandler, who was like this because of his dark side.

Lincoln: Yep, they really hated them with a burning passion.

Mary Adelberte: (British Accent) That's right. (To Lincoln) And Lincoln, there's something we want to give you: we want to give you our blood.

We gasped at their request, including Lincoln.

Lincoln: Mary, Shyla, are you absolutely sure about this?

Mary Adelberte: (British Accent)(Smiles) More than anything, after all, we're going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Mary Adelberte and Shyla Saibarbled, and he saw that they're really serious, and he smiled as he walks over to Mary Adelberte and Shyla Saibarbled, and he hugged their waists in his abnormally massive and powerful muscular arms, he slowly leaned his head down first on Mary

Adelberte's neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, . He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up, and he also did the same with Shyla Saibarbled.

Suddenly, two Elemental Thunderbird Necklace of Eternal Loves appeared on the necks of Mary Adelberte and Shyla Saibarbled with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Mary Adelberte: (British Accent)(Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you and Shyla are now part of my harem and my many future wives, Mary.

Mary Adelberte and Shyla Saibarbled had a smile on their face and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around their waists and they wrapped their left and right arms around Lincoln's massive, wider, and muscular back, and he leans down to their faces and kissed the two of them passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the two girls, and when Lincoln saw them, he recognized them immediately. The two girls are Mia Luna Tearmoon from Tearmoon Empire and Sariphi from Sacrificial Princess and the King of Beasts.

Lincoln: Oh wow, it's Mia Luna Tearmoon from Tearmoon Empire and Sariphi from Sacrificial Princess and the King of Beasts.

Nicole: Awesome.

Lincoln: Are you girls okay?

Mia Luna Tearmoon: Yes, we're okay, thanks to you.

Then, when Mia Luna Tearmoon and Sariphi saw who it was that saved them from Yuuki Terumi, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and

Mia Luna Tearmoon: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made a clone of himself, and he and his clone went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Mia Luna Tearmoon: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and

handsome.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Mia Luna Tearmoon and Sariphi a with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and Lincoln told everyone that Helena Hufflepuff had gotten The Demonic Darkness Guru Greatsword of Ceruli, Guru of Dark World, and they were shocked when they found out the villain we went after was Yuuki Terumi, who came back from the dead and wanted revenge on us for killing him last year.

But, when Lincoln showed what happened such as Helena Hufflepuff transforming into her Super Angel-Demon-Harmony Celestial Eternal Xelnaga form, and she, Lincoln, and all of us laying a brutal beatdown on him, and Lincoln using Cell's absorption technique on him and sending his soul straight to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln, Mary Adelberte, and Shyla Saibarbled have a lot of catching up to do, now that they're back in town.

Maria: Whoa, so not only did you guys see Mary Adelberte and Shyla Saibarbled and Helena had gotten The Demonic Darkness Guru Greatsword of Ceruli, Guru of Dark World, but you guys also destroyed Yuuki Terumi who came back again?!

Lincoln: Yep, and we gave that heartless hate-monger The Black Gates forever.

Nico: He deserved it for all the crap he's put Makoto and her friends through.

Me: Along with his hatred for humanity, that's just evil.

---

After finally getting rid of Yuuki Terumi and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Mary Adelberte and Shyla Saibarbled saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Mary Adelberte: (British Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Shyla Saibarbled: (Indian Accent) If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Mary Adelberte: (British Accent) That's incredible, and we'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, girls, we already know of your hatred towards Princess Morbucks and Chandler for obvious reasons, but what memories did you have with Lincoln?

Mary Adelberte: (British Accent) I remembered this one time in Art Class, Lincoln was painting, and I soon saw that it was a painting of me in a beautiful black and red dress from the 16th Century, and I was surrounded by spirits and ghosts underneath the full moon. It was really really beautiful, and I did a painting of Lincoln in medieval armor wielding a greatsword and riding on a white horse under the sun. I still have the painting he did of me and the painting I did of him.

Mary Adelberte took out the painting Lincoln did of Mary Adelberte in a beautiful black and red dress from the 16th Century and was surrounded by spirits and ghosts underneath the full moon, and her painting of Lincoln in silver armor wielding a greatsword and riding on a white horse underneath the sun. When we saw the paintings, they were breathtakingly beautiful.

Nico: Whoa, these paintings… , they're… they're really beautiful.

Me: You said it, and it represents them in a way: Mary Adelberte, a Goth of The Night, and Lincoln, an Archangel Warrior of The Day, these masterpieces are really amazing.

Laney: When I saw them, I fainted.

Shyla Saibarbled: (Indian Accent) Yeah, and I had to ask Joey to administer CPR to you immediately.

We snickered, and Laney blushed.

Shyla Saibarbled: (Indian Accent) Okay, jokes aside, now it's my turn. I remembered in Math Class I was called on to solve a Math

Problem and Chandler and his goons were heckling me and calling me a nerd. I wanted to hit their heads together, but Lincoln told Mrs. Johnson, and Chandler and his goons got three weeks detention for heckling me. I eventually solved the math problem, and it was thanks to Lincoln for giving me the confidence to do it.

We cheered.

Nico: Nice one, Lincoln, and I can guess it pissed Chandler and his goons off.

Chandler looked down.

Chandler: It did, and that monster wanted me to get revenge, and as if that wasn't enough, those two goons pressured me into doing it. They launched the attack after school, but Lincoln fired two blasts of ice blue energy and froze them in blocks of ice, and he called the cops and he got them arrested.

Shyla Saibarbled: (Indian Accent) I admit what you did was bad, but to find out it was your Dark Side that did it, that was awful, and it didn't help your dad was a scumbag.

Lincoln: And he told his evil dad off when he broke out, and he also said he severed his ties to him forever. But, after Maggie and I defeated him, we sent him to a prison where heartless pricks like him belong and where he'll stay until he dies.

Nico: You got that right.

We got a shower afterwards, and then, Lincoln and his harem are heading to Cool Cool Mountain.

Lincoln snaps his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange winter coat, red long-sleeved sweater, he still had on his large royal blue pants multicolored lightning bolts on the thighs, and large knee-high gold-armored boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and gold armor on the toe area, and he had his weapons holstered in case of trouble, and his harem were dressed in winter clothes and they had their weapons holstered in case of trouble.

Winter Icyin: (British Accent) My word, so this is Cool Cool Mountain, it's beautiful.

Lincoln: It sure is, Winter, and we're going to have some fun here. Shall we?

Lincoln and his harem began having fun in the snow by sledding on the snow-covered hills, and they also had an awesome snowball fight. Then, Lincoln also made a massive frozen lake and he and his harem ice-skated on the frozen lake, and it was truly amazing. Then, they shared a romantic kiss as snow was falling down around them. Lincoln and his harem returned home to The World Tree Estate, and they immediately got warm and they were in our normal clothes.

Nico: Hey, Lincoln, how was your date?

Lincoln: It was awesome, Nico, we went to Cool Cool Mountain and had a lot of fun there, even Winter had the time of her life.

Winter Icyin: (British Accent) It was truly amazing, and you sure haven't lost your ice-skating touch, Lincoln.

Cornelia: Aw man, I really wanted to see just how skilled Lincoln is at ice-skating.

Winter Icyin: (British Accent) Oh, sorry, Cornelia.

Cornelia: It's alright.

Lincoln: Say, next time, we'll do an ice-skating competition here.

Nico: That's an awesome idea, Lincoln, and Cornelia can also participate in it as well.

Me: You got that right.

Over in the Swiss Alps, I was guiding Rolf to a special spot.

Varie was guiding Evelyn. They both were blindfolded.

Concrete Man: You'll love where we're taking you, Rolf.

Rolf: Ho ho ho. Rolf is sure excited.

Me: Well you'll love it Rolf. We're actually in a location you are familiar with.

Rolf: Rolf very excited.

Varie: You will love this Evelyn.

Evelyn: I have a feeling I will.

Then we arrived at a picnic spot and it had all of Rolf's and Evelyn's favorite meats. And we took off the Blindfolds.

Rolf and Evelyn were having really delicious meat sandwiches and more.

Nico: Boy those meat sandwiches are awesome.

I pointed to the Matterhorn.

Nico: Yep that's the Matterhorn. Beautiful.

Me: Yep. One of my favorite mountains in the world.

Camie: It's beautiful.

Me: Yep.

Xenia: It's awesome.

Later Rolf and Carmen got finished having a good lunch.

Me: Want some Swiss hot chocolate guys?

I pulled out a thermos full of it.

Rolf: Oh sure J.D.

Evelyn: Thanks.

Rolf had his Stein and Carman had a cup and I poured it for them.

They toasted their glasses.

Later after a great meal we cleaned everything up.

Evelyn: Boy this was so fun Nico. Thank you for this.

Nico: You're welcome Evelyn. Glad you two had fun.

Rolf: Indeed Fireball Nico boy.

Evelyn: But we still have to punish you for this!

Nico: (GULPS) You're not gonna pulverize me with the Hat of Discipline are you?

Evelyn: Nope. Something worse!

Warpath: Nico, you better start running!

Nico then ran using Reverse Flash and Speed Demon's speed.

ZOOM!

But then Nico tripped over a rock and Rolf and Evelyn ticked Nico and he was laughing hysterically as they tickled him!

Evelyn: Coochie coochie coo!

Nico: (LAUGHING HYSTERICALLY) HAHAHAHAHAHAAHAHAHAHAHAHA! OKAY! OKAY OKAY! OKAY! HAHAHAAHAHAHAHAHAHAA!

Camie: Nico sure is ticklish.

Me: Yeah he sure is.

---

Later we came back home to the estate.

Me: That was fun.

Xenia: It sure was.

Stalker: Nico, which teams have you made today?

Nico: Homer's team will include Cuprosklodowskite, Lenny, Carl, Moe, and Barney. MJ's team will include Traci Torpedoes, Ayaka, Sasami, Ryoko, and Washu.

Homer: WOOHOO! We're all in a team!

Xenia: You sure are Homer.

Lenny Leonard: That is so awesome!

Carl Carlson: It sure is!

Moe Szyslak: Yeah it's so awesome.

Barney: Boy I'll say. And it's perfect. (BELCH)

We laughed.

Spiderman: I'm happy for you M.J.

M.J.: Me too Tiger.

Tenchi: And I'm happy for some of the girls too.

Lola: All of us are.

Xenia: Yep.

The previous M.O.E. Group came.

BlackWargreymon: Can me, Mumbo Jumbo, Knightbrace, Electrocutioner, Fixer, SkullMeramon, BlackWarGreymon, Vulkanus, Six Gum Gang, Taskmaster, and Private HIVE go with you guys?

Heatstroke: Me, Sheep Mage, Garigari, Evil Plug Man, Evil Spring Man, Creepy Lighthouse Keeper, Suzaku, Siren Sara, Ticklepuss, and Knighty Knight will come too.

Goof: And Rolf? Congrats on getting a girlfriend.

Rolf: Thank you square peg and round hole Six Gum boy.

Nico: And yes you guys can come with us.

But then the alarm went off.

Me: Uh oh!

Computer: Warning Warning! Nico my sensors have detected an incoming distress cal from the North Pole.

Nico: Oh boy! On screen!

It played.

Santa Claus: Team Loud Phoenix Storm you have to come quick! We're in danger!

Nico: Santa what's wrong!

Santa Claus: I don't know! My (STATIC) is attacking!

Then the screen went dark.

Me: Oh boy they must be in really deep doo doo trouble!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Asimov, a foe that

Hail, Desna, Joule, Kohaku, and Moniqa have dealt with in the past, and he's coming here to get revenge on them. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone else coming after us?

Lincoln: You guessed it, Rayman, and Hail, Desna, Joule, Kohaku, and Moniqa, you girls aren't going to like him one bit, the figure was none other than Asimov, a foe you girls have dealt with in the past, and he's coming here to get revenge on you.

Hail, Desna, Joule, Kohaku, and Moniqa gasped in shock.

Hail: Oh man, I thought we'd never have to deal with Asimov again.

Nicole: I've heard of him, and he's a genocidal mastermind out to destroy humanity.

We gasped.

Nico: Oh, that's literally not good.

Me: You said it.

Elizabeth Guillaume: Then, leave this to me and Lincoln, we'll make sure he pays dearly for all of the crimes that he's committed.

Lincoln: Yeah, we'll make him pay for what he's done, but we also got watch it, he's also got lightning powers and he's also a skilled marksman, and he can also transform into Demerzel, a large, blue humanoid form made of pure electricity, which like the fire alien Pyron, I'm going to absorb into me, assimilate his powers and abilities, and send him to The Black Gates forever.

Nico: Yipe, this is going to be one electrifying fight, hope we can stay clear of the lightning. Alright, gang, let's go, we've got an emergency at The North Pole.

Lincoln: (Gasps) An emergency at The North Pole, we better get over there and see what's happening there, and once we get done with the emergency at The North Pole, you're next, Asimov, or should I say, Demerzel.

Knightbrace: I wonder what could've happened.

Luna: Dudes, relax. Some reindeer probably went out of control. I'm sure Santa's not in any serious danger.

Garigari: Or some of the toys probably came to life and turned evil. Ever think about that?

Nico: Well we better go find out. Lets get moving!

We got on our fur parkas and we were off to the North Pole.

* * *

We were flying fast over the Arctic.

Nico: I hope Santa is all right.

We arrived at Santa's Village.

Me: Here we are guys.

Shade Man: Everything looks fine.

Dixie: Looks can be deceiving.

Tsuyu: I've got a really bad feeling about this.

Brittney: Me too. I'm sensing huge levels of supernatural energy present.

Me: We better go check it out.

We went down and into Santa's house. We saw that there was a massive struggle!

The house was really ransacked.

Me: My god. What the hell happened here?

Nico: Looks like there was a struggle.

Eli: Nothing was stolen thank goodness.

Fixer: My guess is that those evil toys did this.

Evil Spring Man: I think they might be hiding, waiting to strike.

Nico: You think this is Princess Morbucks's handiwork?

Me: I don't think so. She may be a spoiled brat but she is not that smart.

Qin: Yeah.

I looked at the Limburger Cheese Mine Security Cameras and it showed that she was still in her cell.

Me: She's still in cell so that's good.

Camie: Yep.

Nico: Stay alert guys.

We kept our eyes peeled. Then I saw a red stain on the floor and I wiped it and saw that it was blood.

Me: It's blood!

Xenia: Oh no! I hope someone wasn't…

Me: Lets not overreact Xenia.

Jungle Fury Jarrod: Santa probably got injured by one of the evil toys but managed to get away.

Wilbur: You think if we find him, he'll tell us who brought them to life?

Me: It's possible.

We heard a groan and saw a figure in the corner under a table.

Me: Someone there?

We saw that it was Santa Claus!

Me: Santa!

Nico: Santa!

We saw that he was groaning.

Me: Santa? Are you okay?

Eli: I don't like this.

Then he got up and roared and WE SAW THAT HE HAD VAMPIRE FANGS!

Nico: WHAT THE!?

Me: HE'S A VAMPIRE!

Santa Claus: I WILL FEAST ON YOUR SOUL!

Brittney and Sakura Haruno then braced him up against the wall!

Me: I got this!

I slashed my wrist and then Santa was having some of my blood and then he was cured and back to normal!

Santa Claus: What? What happened?

Me: You were turned into a vampire Santa.

Taskmaster: Oh, we'll tell you what happened.

Ticklepuss: Whoever brought your toys to life turned you into a vampire.

Luan: And you also had a villainous breakdown. Which would be fine except it wasn't caused by us!

Santa: No it wasn't my toys that did it.

Luan: It wasn't?

Santa: No it was Mrs. Claus!

We gasped!

Mandy: Oh man not this again.

Grim: (Jamaican Accent) Is she still a vampire even after we cured her?

Santa: No some outside force made her one again.

Me: Did you get a good look at who it was?

Santa: No I didn't.

Me: This is awful! Wait Grim this happened to you and Billy and Mandy before?

Air Man: This has to be a mistake. There's no way Mrs. Claus would do this!

Luna: Look at the facts, dude. She DID do this!

Maria: But why?

Luan: Seems obvious to me! She was evil the whole time and we should've fucking killed her when we had the chance!

Nico: Now guys lets not jump to conclusions. We don't even know what happened. Now Grim tell us everything that happened.

Grim: Okay.

He went over what happened the first time.

---

Santa Claus (Gilbert Gottfried) has been bitten by a vampire - not by the Head Vampire (Malcolm McDowell), but actually by the Head Head Vampire (Carol Kane). Mandy and Grim team up with the Head Vampire, Baron von Ghoulish, while Billy helps Mrs. Claus and the elves around the workshop and she was happy that Billy is the only one who ever offered her help.

It turns out that Mrs. Claus actually is the Head Head Vampire, who really turned Santa into a vampire because she was stressed from over work, but she doesn't hate him because she loves him very much. She attacks the friends with her army of vampire bat elves. Baron von Ghoulish hides in a Christmas tree as Mandy faces off with Mrs. Claus. Meanwhile, Billy discovers the Vampire Antidote - cookies and milk.

Mrs. Claus is reformed by Billy's heartfelt words while reminding her the true meaning of Christmas, Santa is restored to life, and Christmas is saved. On Christmas morning, Grim receives a new scythe, Mandy only gets coal because she was naughty and Billy becomes one of the reindeer to help Santa across the world.

---

When he was done we were shocked.

Me: Oh man! But we totally underestimated Billy yet again. Thanks to his heartfelt words he saved her.

Qin: Yeah. That was awesome.

Lola: Yeah.

Me: But I feel bad for Mrs. Claus. She works her fingers to the bone every year without a break.

Grim: She sure does mon.

He told us what happened with her.

---

Nancy Claus is a vampire, the wife of Santa Claus, and, 300 years prior the events of Billy and Mandy Save Christmas, as well as its main antagonist. Nancy was appointed the Head-Head Vampire over all of the other head-vampires.

She was voiced by Carol Kane.

According to her husband, Santa, Nancy was a vampire long before the two of them had even met, but that didn't discourage him from courting her. According to Nancy, Santa having always had, in her own words, a "odd desire to give presents to complete strangers", had shown her the joys of giving, (blood,) not just receiving.

After the two of them got married, they purchased a "Pole of their own". Knowing that that making Christmas every year would be a lot of work, they both agreed to divide the work equally amongst the two of them. Over the years, however, Santa became more pre-occupied with checking his 'naughty and nice' list and updating it, leaving his wife to pick up his slack. In Nancy's own words, Santa "works one night out of the year", while she is "working her fingers to the bone the other 364".

---

When he was done we were shocked!

Me: Oh man! But that is amazing that Billy saved her and cured her.

Lola: Yeah. I have a feeling that it's another source that made her like this.

Santa: Yes it wasn't Nancy's fault. Something bit her and reawakened her vampire side.

Billy then broke down crying!

May: You okay, Billy?

Billy: (crying) No, I'm not! So many people are trying to ruin Christmas! First, Mel tries to get Santa arrested. Then there was that feud. And now, someone turned Santa and Mrs. Claus into monsters! Maybe you guys were right. I AM an idiot.

Private HIVE: No, soldier. You're not an idiot for believing in the Christmas spirit.

Knighty Knight: There's nothing wrong in believing in Christmas. Everyone good does.

Me: Yeah that's right Billy and thanks to you the first time you saved

Mrs. Claus from herself and turned her back to normal.

Billy was crying and wailing hard and tears were dripping from his face and snot dripped from his nose.

Qin: Oh man. Poor kid.

Me: Yeah.

Nico: Poor Billy.

Camie: Billy just because you have done things that are really stupid in the past doesn't mean you don't have a good heart. You have saved the world a few times yourself. As well as saved Christmas and also you saved lots of people.

Me: Yeah you are not a bad person Billy. Sure you may have done some stupid idiotic things but you are still a good kid.

Qin: Yeah.

Billy: (CRYING) But guys!?

Oh man. Poor Billy.

Impact Man: Natasha knows how you feel, Santa.

Natasha Hernandez: It's true Santa. I know what it's like being a vampire myself. The endless thirst for blood, the hiding in the shadows from the sunlight and the weaknesses to silver, garlic, crucifixes, holy water and all that, I know how that feels.

Santa: Wow.

Natasha Hernandez: But I know how to control my vampire self. I mostly drink blood from a blood bank.

Qin: So does Lucy too.

Lucy Loud: It's true.

Nico: Yeah.

Billy was still crying and Lana was comforting him.

Me: Poor Billy.

Siren Sara: I notice that you sound and look different each time we see you.

Runt: Well, he's a magical guy.

Lunk: It's only natural for him to change appearances every so often.

Me: All thanks to the power of God.

Santa: It's true. You saved me from myself.

Me: That's 4 times I think we saved you. I don't know I lost count.

Santa: Yes that's right J.D.

Me: Oh good. I wasn't sure.

Camie: Wow you guys are good people to save Santa like this.

Me: Yep.

Elec Man: Is Baron Von Ghoulish nearby?

Nico: I think he is.

?: Someone call?

Baron Von Ghoulish came out.

Me: Baron Von Ghoulish, I presume?

Baron Von Ghoulish: That's right. And good job saving Saint Nick.

Qin: Yep.

Varie: But the spirit of Christmas is in terrible danger.

Billy was crying hard. Snot was pouring out of him like a waterfall and tears were exploding out of his eyes like a waterfall.

Suzaku: How are we gonna lure Mrs. Claus out?

Vulkanus: I got an idea.

Vulkanus brought out some milk and cookies.

Me: Milk and Cookies are always good. But Vampires go after one thing and that's blood.

Qin: Yep.

Me: Good thing I came prepared.

I pulled out a cooler and in it was a jar of blood.

Qin: Nice.

Me: O Positive Blood. Leave this to me.

I poured it in a special glass and put a cocktail umbrella on it? Weird.

Nico: Funny.

Dive Man: Wait. Won't the elves be vampires too?

Santa: Yes they are Vampires now!

Batman: Leave that to me. I made an antidote to help them.

Me: I forgot about that Bruce.

Qin: I heard about that.

Lola: Yeah.

Xenia: Lets hide and wait.

We did so.

Elena Validus: I feel like in another situation, evil toys probably would've been what we could've been fighting.

Me: That would have been interesting. But after dealing with Chucky, I've had enough evil toys to last an eternity.

Qin: Me too.

Nico: No kidding.

Xenia: Yeah.

Me: I hear something.

We hid and saw a figure come out and it was a woman. It was NANCY CLAUS!

Nancy Claus: Oh boy.

She saw the blood and went over and drank it.

Me: (In my head) That's right drink down every last drop.

She did so.

Nancy Claus: (GULPING)

SkullMeramon: Billy, we know you're feeling sad right now.

Creepy Lighthouse Keeper: But right now, we need you to be brave.

Billy then realized that he was right.

She was finished.

Nico: Entrance time.

We went at her.

Then the spirits of the Mysticons, Digimon and Rangers from 2014 to 2022 appeared and swirled around her and then they converged and then a huge crystal snowflake appeared and I'll Be Home For Christmas by Bing Crosby played and the Aurora Borealis swirled around it and then it shattered and out came us!

Me: Another awesome Christmas Entrance.

Nancy Claus: Why Team Loud Phoenix Storm what a pleasant surprise.

Me: It always is fun Mrs. Claus. Sorry but you need to be cured of this vampiric power in you. You are not yourself.

Nancy Claus: Oh, are you talking about those evil toys?

Electrocutioner: Honestly, that's what we thought at first.

Evil Plug Man: But then, your husband greeted us.

Me: We answered his distress signal and saw him as a vampire when we got here. Some evil force turned you into a vampire and right now you need to be cured and quick.

Brittney: And I have a feeling it's a REALLY all too familiar presence.

Nico: What do you mean Brittney?

Familiar Voice: (Transylvanian Accent) (Through Mrs. Claus) You are correct Brittney Knudson.

We gasped hearing that voice!

Brittney: It can't be!

Me: I knew this was all your handiwork! COUNT DRACULA!

Count Dracula: It has been a long time J.D. Especially with how you all ruined my plans to bring my beloved back to life through Ms. Vicky Vale.

Nico: I knew you were the one behind this!

Eli: Oh man!

Camie: Count Dracula!?

Me: The one that Brittney and the House of Valerious The Elder have been hunting for centuries. Years ago we faced Dracula and Brittney with the help of the latest descendant of Valerious the Elder destroyed him forever.

Count Dracula: That's right and I will have my revenge on you Brittney Van Helsing Knudson!

Nico: I wasn't with you guys when that happened. Can you tell me that?

Me: Sure thing. That was one of the most incredible Vampire Battles we've had.

I went over what happened in chapter 425 and it was awesome!

(FLASHBACK)

It starts in the city in the dead of night. Spiderman and Harry Osborn are being attacked by a group of vampires.

Spiderman: You think he's trying to-

Harry Osborn: Turn us into vampires by biting us? (the vamprie growls) It looks that way!

They fought off the vampires and got away.

---

At the prison, Clayface is now getting out of prison for good behavior.

Commissioner Gordon: How does it feel to be the first Arkham inmate to be released on good behavior, Hagen?

Clayface: Actually, it feels nice.

Harvey Bullock: Where you going to go now?

Clayface: I'm going to Royal York to visit some friends.

Clayface left the prison fully reformed and he heard a scream in an alley down the street and went to check it out.

Clayface: Uh oh.

He saw a person biting the neck of a woman and drinking her blood.

Clayface: Hey!

Clayface formed a hammer of clay and punched the assailant. It slammed into the wall.

Clayface saw that Yumi was bitten.

Clayface: Yumi!

Yumi was still conscious.

Clayface: Yumi are you all right?

Yumi: Yeah. (Screams in pain)

Clayface: What happened to you?

The Creature got up. It was really a VAMPIRE!

Clayface: What the!? A Vampire!?

Yumi: That's what bit me!

Vampire: What?! How do you resist the change?

Yumi: Buddy, you just made a big mistake!

Yumi then grew fangs and her eyes became red and slit and her power increased a lot.

She punched him in the face and slashed him in half with her katana and the vampire exploded into flames.

Clayface: That was awesome Yumi.

Yumi: Thanks Matt. So they let you out of prison?

Clayface: For good behavior and I want to join the Redemption Squad.

Yumi: Awesome. Lets go home.

---

Back at the estate we were watching TV and having a chat. Joe Swanson and Ernie were with us.

Ernie: You know, Stewie. I remember all the times you summoned me for help when you and Brian were chasing Bertram through the multiverse.

Stewie: You do?

Ernie: Yep. I especially liked it when I helped you beat all those frat boys in the first universe you went to.

Joe: I remember helping you guys as well. Especially in that universe where the handicapped people ruled Quahog with an iron fist. (shudders) Can't believe I was a bad guy in that place.

Me: That is so cool. It's hard to imagine that there are more universes than anyone else can even imagine.

Lincoln: It's hard to imagine it myself.

The door opened and in came Yumi and Clayface.

Yumi: Hey guys. I'm back.

Me: Hey Yumi. And Matt?

Clayface: Hey J.D.

Me: They let you out of prison for good behavior?

Clayface: They sure did. I want to join the Redemption Squad.

Me: That offer is still open and I'm glad. Welcome aboard.

Clayface: Thanks J.D. But we had an unusual encounter. There are vampires running amok.

Me: Vampires?

Yumi: Yeah. One of them attacked me and bit me. I became one and destroyed it.

Yumi showed her neck and it had two bleeding holes on it.

We gasped when we saw this.

Me: But how is it that you can control the change Yumi?

Yumi: I don't know J.D. I somehow can.

Me: That's weird. (Watch beeps) Oh my. There's a party going on at Wayne Manor and we were invited to it.

Lincoln: We better get ready. It starts in 30 minutes.

Me: Yeah.

We all got ready and we went to the party.

---

We were at the party and we were dressed really nice. Clayface was disguised as a middle age man with blonde hair and brown eyes. Lots of people from around Gotham Royal York were there including famous Gotham Royal York newspaper reporter Vicki Vale.

Me: Thanks for inviting us Bruce.

Batman: Not a problem J.D. How have things been with you?

Me: Been going good. Clayface was released from prison for good behavior.

Batman: That's good. Did he join the Redemption Squad?

Varie: Just newly recruited.

Aylene: He's loving it.

Me: Yeah. [To Vicki] Ms. Vale you are looking as lovely as ever.

Vicki: Thank you J.D. But call me Vicki.

Me: Sorry.

Man: [To Vicki] (Transylvanian Accent) Truely magnificent.

Vicki: Oh my necklace? It's a family heirloom.

Me: I don't believe we met Mr.?

Dracula: Alucard. Dr. Alucard.

Me: Pleasure to meet you. J.D. Knudson, leader of Team Loud Phoenix Storm.

Batman: Bruce Wayne. I don't believe we met.

Dracula: I am new to Gotham Royal York, a recent transport from Eastern Europe.

Batman: Really? What line of work are you in?

Dracula: Cultural anthropology. I am here to study your cities Batman.

Me: Fascinating.

Vicki: Huh. Our cities? You mean to tell me that Budapest has a dark knight too?

Dracula: Rare instances have been documented of a man who assumes the likeness of a bat in societies as well as modern. And I believe that while instilling fear by night, these beings cloak themselves a normal members of society.

Aylene: Interesting.

Cody: That's an interesting study.

Batman: It sure is.

Dracula: Bats are interesting creatures.

Lucy was looking at him like she knows him from somewhere and like she had seen him before.

Dracula: I'm curious about this machine you have there.

Me: I was just going to ask about that.

Batman: The Wayne Industries S05. It's the most efficient technology to date for collecting solar energy and storing it as true sunlight.

Me: Wow.

Lincoln: That is so cool.

Lisa: Indeed. It's a very scientific achievement in the production and use of Solar Energy and power production.

Later as the party was going on we saw Alfred going after a man.

Alfred: Empty handed? This time I'm out for blood.

He grabbed the man by the shoulder as he was in front of a mirror.

Alfred: Stipes! Mr. Stipes! Now what is wrong with this picture? Correct, no cheese platter. Which means you are headed the wrong way.

But he wasn't answering.

Alfred: And look at yourself. How am I…

He saw that Stipes had no reflection at all in the mirror!

Alfred: Oh dear.

He turned and roared at Alfred and we saw that Stipes was a VAMPIRE!

Me: (Gasp) A vampire!

Lucy fired a blast of black lightning and reduced him to dust!

Lucy: Are you all right Mr. Alfred?

Alfred: Yes thank you Madam Lucy.

Lucy: You're welcome.

Batman: Are you all right Alfred?

Alfred: Yes Master Bruce.

Bruce: J.D., everyone, come with me.

Bruce took a woman's lipstick and a platter tray.

Me: What are you writing Bruce?

Vicki: What's going on?

Batman: I'm writing his name.

He wrote Alucard on the platter. When he held it up to the mirror we gasped in sheer horror at his real name. DRACULA!

Me: DRACULA!?

Lucy: Gasp! I knew there was something familiar about that man.

Laney: Dracula is real!? How is that possible?

Brittney: My ancestor's most hated enemy has returned.

THUNDER AND LIGHTNING CRASHES

---

In the Batcave we were learning more about Dracula.

Yumi: Vampires have invaded Gotham Royal York.

Me: We're not just being visited by Vampires, Yumi.

Batman: But the King of All Vampires. Count Dracula.

Vicki: I thought he was just a story.

Brittney: He is all too real Vicki. My ancestor killed him in 1888 in Transylvania.

Lincoln: Who is your ancestor Brittney?

Brittney: His name was Gabriel Van Helsing. He was the greatest vampire hunter that ever lived and he's the man that was known as The Man That Killed Dracula. We are not only descended from Witches and Wiccans, but we are also descended from the Greatest Vampire Hunter that ever lived.

We all gasp at this incredible revelation.

Me: So we are descended from Gabriel Van Helsing, the ultimate Vampire Hunter? That's incredible.

Varie: It sure is.

Vicki: I had no idea you had such an amazing history.

Lucy: Dracula has always been known for striking fear into the hearts of man over the centuries. He is the ultimate incarnate of evil.

Brittney: It's worse than that Lucy. Dracula is the Son of The Devil himself.

Lynn: That is really bad.

Inque: It sure is.

Brittney: You guys have to understand. Dracula is not just an ordinary vampire. He's the Ultimate Vampire. He gave my ancestor a really rough fight and he almost died fighting him.

Linka: That's awful.

Vicki: Yeah. How did Dracula come into being?

Brittney: He wasn't always a vampire at first. Vlad Dracula III was really the son of Valerious The Elder. It started when he was murdered. My ancestor killed him because he was called the Left Hand of God. In 1462, when he died, he made a deal with the Devil. Which gave him a new life and he can only sustain it by drinking blood. Valerious having given birth to the ultimate incarnation of evil, went to Rome, Italy to seek forgiveness. That's when a huge bargain was made. He was to kill Dracula in return for his family to cross over into Heaven from Purgatory. But because Dracula was his son he couldn't do it. He hesitated at the last second and he couldn't bring himself to kill his own flesh and blood. So instead he exiled him to a fortress somewhere in Russia, sending him into a door from which there was no return. The Devil gave him wings as a result.

Lola: But how did your ancestor kill him?

Brittney: It was a brutal fight and in the end Van Helsing stabbed Dracula in the heart with a stake and he thought he killed him. But in the end it only put him into dormancy. The Valerious family will not be at peace until Dracula is dead and sent back to Hell where he belongs.

Me: That's awful. And I know someone in Romania that is descended from Valerious the Elder: Anna Valerious IV. She's the only living member of the family still alive.

Brittney: Dad, you better go get her and let her know that Dracula has returned after 130 years.

Me: You got it.

I beam over to Romania.

Brittney: Our best chance is to kill Dracula with Bruce's Solar Energy machine. We burn him to ashes and we erase all chances of him ever returning.

Lincoln: But he can only come out at night.

Brittney: That's right and I have a plan.

---

In Romania, I was at fancy mansion and I go up to the door and knock on it.

The door answered and out came Anna Valerious IV.

Me: Anna.

Anna: (Romanian Accent) J.D. Knudson. It's great to see you again.

Me: You too Anna. But I'm afraid I didn't come here just to have a social conversion. I have some really grim news for you. Dracula has returned.

Anna gasped when she heard me say that.

Anna: How can that be!? Van Helsing killed him.

Me: No. He only put him into dormancy. 130 years had passed since then and now he's returned in Gotham Royal York. The whole world is in danger and we have to stop him at all costs. My daughter Brittney is a direct descendent of Van Helsing.

Anna: I'll get ready now.

Anna got ready and she had a powerful sword on her hip and was dressed in warrior clothes.

Anna: Lets go.

Me: Okay. Stay close to me.

We beam back to Gotham Royal York.

---

In the Batcave we arrived.

Me: We're back.

Brittney: Great. You must be Anna Valerious IV.

Anna: That's right. And you must be Brittney.

Brittney: That's right. Brittney Van Helsing Knudson at your service.

Anna: It's an honor.

Brittney: Okay here's my plan.

Brittney revealed her plan. When Dracula comes out at Dusk, Brittney and the goths are gonna lead him into a series of caves that connect to the Batcave. Once in there we're gonna lure him into the front of Bruce's Solar Energy Collector and blast him with the Sun's light and incinerate him into nothing.

Me: That's an awesome plan Brittney. Okay. We strike at sunset.

Suddenly a portal of darkness appeared and a sword came out. (Think of the Sword Vorthelok from Kit Rae)

Vicki saw the sword and was drawn to it. She picked up the sword and was in a tornado of dark purple fire and orange fire.

Lana: What's happening?

Laney: Another Elemental Choosing.

When the tornado died down Vicki had Black Angel Wings that were darker than the night and she had the sword in her hand.

Vicki: What happened?

Me: You were given powers because of that sword. Let me see here.

I pull out my Legends book and found an amazing discovery.

Me: Here it is. Vicki got darkness powers because of the Sword of Zorya, the two guardian goddesses of the Day and The Night in Slavic Mythology. Once every 200 years, they send a sword of the Sun and The Moon to a worthy soul. It is imbued with the powers of the Sun and The Moon and give the wielder powers over light and darkness. They will also get Winged Flight, super strength, cosmic light and darkness manipulation, form beasts of light and darkness, the ability to summon the undead, resurrect the dead and even cure Vampirism.

Vicki: Whoa! That's incredible!

Lincoln: That's amazing. Vicki you've been chosen to get these powers like we have.

Vicki: I believe it Lincoln. This is all so new for me.

Lucy: I know. We will teach everything we know.

Brittney: All right. We head out for Gotham Royal York Cemetery at sunset. Lucy, Anna, Maggie, Vicki, Yumi, Raven, Shannon, Laney, Catherine, Haiku, Wednesday you all come with me. Watch out Dracula, you're old enemy is coming for you. The Angels of Darkness will make sure you die and stay dead.

Batman: Dracula may look like a man, but he's a monster and we intend to bury him permanently.

Me: In the Darkness of Hell.

* * *

At sunset at 7:45 PM they were in the Cemetery and they saw an open mausoleum and they went in and they saw a broken wall. Batman is with them and he had a bunch of auto injectors full of a cure for Vampirism.

Brittney: Looks like someone broke the crosses that sealed the tomb.

Laney: It looks that way.

Brittney: Stay close.

They went down into the tunnels and saw a series of caves and it was dark. Brittney had a special vision that enabled her to see the entirety circulatory system like a vampire does. It's like an infrared vision.

Suddenly a bunch of vampires came out and they attacked and they cured them all. It was a vicious fight but they triumphed.

They woke up and were back to normal.

SWAT Officer: What happened?

Brittney: You were all vampires.

Man: What!?

Brittney: There's no time to explain. You all have to get out of here now. Hurry!

Lucy: That's right. Go.

Brittney: Come on.

They went down into the cave and found the coffin of Dracula and it opened and out came Dracula himself.

They appeared and landed in front of him.

Brittney: Count Dracula.

Dracula: Brittney Knudson. How nice of you all to come.

Lucy: It'll be the last time monster.

Maggie: You will pay for everything you've done.

Dracula saw Batman.

Dracula: So the folk tales are true. There is another bat in Gotham Royal York.

Batman: Count Dracula, I presume?

Dracula: A legend you are. Apparently intimate with.

Batman: Don't flatter yourself.

Dracula: We cast Kindrid Shadows. Have you not seen the news?

Batman: I don't harm people.

Dracula: You have no concept of the harm of which I am capable. If only because I hate to waste a life when it can be spent in servitude to me.

Batman: Life or Living Death.

Dracula: To become Vampire is to heighten all of ones senses. To attain speed, strength and immortality.

Brittney: All you are is a monster Dracula. You should've stayed dead all those years ago.

Batman: It's time for you to die again.

Dracula: You all think you can win against me?

Brittney: My ancestor did 130 years ago against you in Transylvania when he stabbed you in the heart with that stake.

Dracula: Your ancestor? Then that means!

Brittney: That's right. I am a direct descendent of Gabriel Van Helsing who killed you 130 years ago. My name is Brittney Van Helsing Knudson, your worst nightmare!

Dracula: That murderous monster that killed me has family!?

Laney: That's right monster!

Lucy: You will pay for everything you've done over the centuries.

Anna: And my family won't be at peace until you die!

Haiku: Your reign of evil ends now.

Dracula: You know Brittney, your ancestor didn't have his memory when he fought me.

Brittney: (Imitating Hugh Jackman) Some things are better left forgotten.

Brittney then punched Dracula in the face and kicked him in the back.

Yumi went Vampire and she kicked him in the stomach and slashed his arm.

Maggie fired a blast of black fire at his leg and Vicki slashed him in the face and blinded him with solar fire.

Haiku fired a blast of black fire and it hit his leg. Anna slashed his leg off with her sword.

Brittney: Lets go.

They went through the caves and Dracula reattached his severed limbs and went after them. In the Batcave we were seeing Brittney and team on the Bat Computer going through the caves and Dracula was hot on their tails.

Me: Here they come. Get ready guys!

We stood ready in front of the solar machine. Brittney blasted a hole into the cave and jumped onto the platform.

Dracula: Go on. Run. I am beyond human Brittney. I am Evil Incarnate! I am the Prince of…

He saw us in front of the machine.

Dracula: Darkness?

Me: Rise and shine!

Varie: Time to see the Light!

I press a button and the machine activated and it released a huge blast of sunlight that sent Dracula crashing into the rock wall.

Dracula knew that Batman was really Bruce Wayne.

Dracula: You're Bruce Wayne.

Batman: And the Batman. And you're dust.

Brittney: 4 words for you Dracula: Go Back to Hell!

They flew and jumped away and Dracula was fully exposed to the Sunlight and he bursted into flames and screamed in excruciating pain as he was on fire. Brittney swooped in and smashed Dracula into dust. All that was left of him was his disembodied skull with fangs.

Brittney: And stay there!

Anna: It's finally over.

Brittney: After 600 long years, Dracula has now been officially silenced forever.

She crushed the skull with her foot and the terror of Dracula was over.

Brittney: Great job guys. We did it.

Lucy: That was a great plan Brittney.

Maggie: And we triumphed by working together.

Me: It was like a battle between Heaven and Hell.

Brittney: It sure was and Heaven won.

Anna was eternally grateful that her family was free from Dracula forever. He will never terrorize the world again. We picked up Dracula's ashes and hurled them into the Sun where they were vaporized completely.

(FLASHBACK ENDS)

Nico: WHOA! That is incredible!

Xenia: No kidding!

Qin: That is amazing!

Nico: No kidding! And Bruce we had no idea that you face the most dangerous vampire ever known.

Batman: Yeah that was scary.

Me: It was but we triumphed.

Dracula: But Nancy is going to serve me. Why waste the value of a life when it can be spent in servitude to me.

Me: Being a vampire at your hands is a FATE WORSE THAN DEATH!

Discord: Not with us helping her!

Dracula: Oh, you have more pressing matters to worry about. (to Nancy Claus) Dispose of them.

Nancy turned into her VAMPIRE FORM!

Me: Not this time!

I fired waves of light and it separated her from her vampire half and Nancy was back to normal and her Vampire Form was on the outside!

Vampire Mrs. Claus: NO!

Me: You obviously do not know WHO YOU ARE FUCKING WITH!

I activated an Ultraviolet Flashbang bomb and then a massive flash of ultraviolet light blasted out and blew her back and burned her!

Dracula: Did you forget about my other army?

An army of vampire elves appeared.

Mumbo: Oh crapadoodles.

Sheep Mage: I was wondering where they all were!

Batman: J.D. take some antidote and help me!

Me: You got it Bruce!

I took some of the antidote and we went at the elves and injected them all with it in rapid succession!

Nico: Brittney you faced this version of Count Dracula before right?

Brittney: Yes we sure have.

Nico: What can you tell me about him?

Brittney: It's not good.

She told him all about him.

Count Dracula is the main antagonist in the Elseworlds trilogy Batman vs. Dracula, and in the eponymous 2005 animated film it inspired.

He was voiced by Peter Stormare, who also played Ghost in 22 Jump Street, Gaear Grimsrud in Fargo, Torsten in False Trail, Shayes in Mercury Rising, Sir Slicer in Adventure Time, Werner Zytle in Arrow, Lucifer Morningstar in Constantine, Dino Velvet in 8mm and Abram Tarasov in John Wick: Chapter 2.

Count Dracula was a centuries-old vampire, Transylvanian nobleman, and sorcerer. He was frequently considered the King of the Vampires, due to his great age and increased supernatural abilities. Ever seeking power and innocent women to turn into his eternal vampire brides, Dracula was opposed by many heroes throughout the ages, most notably vampire-hunter, Abraham Van Helsing. A public domain character and staple of the horror genre, Dracula was frequently pitted against Batman in popular culture, due to both characters' roots as creatures of the night. Those connections include an animated film, an unlicensed Filipino film, and the aforementioned DC Comics Elseworlds miniseries (set on an alternate Earth of the DC Multiverse). Thus far, Batman and Dracula have not met in official DC Comics canon.

Dracula appeared as an antagonist in the Batman comics, but in the first volume of a trilogy Elseworlds (then in a story out of continuity), composed of the episodes Red Rain, Blood Storm and Crimson Mist. After centuries of travels around the world, the King of Vampires came to Gotham City, where he began to transform many of its inhabitants into vampires. Dracula was betrayed by Tanya, a vampire that, in the past, was part of his family, but switched sides and chose the side of good and helped Batman, who was bitten by the vampire servants of Dracula but was still master of his humanity, to fight the army of vampires. The two decided that, in order to kill all the vampires in one go, they would draw them inside the Batcave, which crumbled with dynamite, and killed all the vampires; however, Dracula ruled out the price of the sacrifice of Tanya.

At the end of the story, Batman and Dracula competed in a terrible duel in the skies of Gotham; afterwards, the Dark Knight was able to defeat the King of the Vampires, who died after being impaled on the trunk of a tree destroyed by lightning - but not before he had drunk the blood of Batman and stole the rest of his humanity.

Although Dracula died in the first volume of the trilogy, the consequences of his showdown with Batman rebounded in the two remaining volumes. Batman, in fact, gradually lost control of himself, yielded to bloodlust, and transformed gradually into a vampire who was ruthless, evil and dangerous as he was.

Aside from his beloved bride Carmilla, much of Dracula's origins in the movie matched Stoker's original novel. Originating from Transylvania, Dracula was eventually vanquished, and his remains were moved at an undetermined time to Gotham City. Here, while incarcerated in Gotham Cemetery, Dracula was accidentally revived by the Penguin, who he hypnotized into acting as his servant. Dracula soon became obsessed with remodeling Gotham in his own image, and turned hordes of citizens including Joker into vampires like himself, with him as their King and Carmilla (with Vicki Vale's beautiful soul) as their Queen. Dracula seemed unable to tolerate either Bruce Wayne being the ruler of Gotham's elite, as well as the idea that there was another 'Bat Man' in Gotham, and strove to kill Batman.

Dracula successfully hypnotized Bruce Wayne for a short period while he acted as Dr. Alucard, but that cover was soon blown. In an attempt to resurrect his bride, Dracula kidnapped Vicki Vale, and drew the life energy out of her soul and into Carmilla. However, Batman managed to interrupt the ritual, saved Vicki, and cured the 'Lost Ones' of their vampirism, as Dracula turned his attention to finally killing him.

Eventually blowing his way into the Batcave after a prolonged chase through the city's underground tunnels, a badly wounded Batman managed to blast Dracula with a device from Wayne Industries that stored pure sunlight, and destroyed the vampire. Dracula found out that Bruce Wayne was Batman before Batman finished him off.

---

Roquefort was next.

Roquefort: (to Raven) I heard you guys met a gene-slammer for Ghostrick Mary named Mary Adelberte. She's The Bloody Mary of Michigan, right?

Raven: That's right and they call her that because she casts terrible curses on those that hurt Lincoln and those curses haunt them all over the place. It gave her the Moniker The Bloody Mary of Michigan.

Princess Luna: That's very fitting for her.

Moondust: And her story is cool too.

---

Mary Adelberte: (British Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Shyla Saibarbled: (Indian Accent) If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Mary Adelberte: (British Accent) That's incredible, and we'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, girls, we already know of your hatred towards Princess Morbucks and Chandler for obvious reasons, but what memories did you have with Lincoln?

Mary Adelberte: (British Accent) I remembered this one time in Art Class, Lincoln was painting, and I soon saw that it was a painting of me in a beautiful black and red dress from the 16th Century, and I was surrounded by spirits and ghosts underneath the full moon. It was really really beautiful, and I did a painting of Lincoln in medieval armor wielding a greatsword and riding on a white horse under the sun. I still have the painting he did of me and the painting I did of him.

Mary Adelberte took out the painting Lincoln did of Mary Adelberte in a beautiful black and red dress from the 16th Century and was surrounded by spirits and ghosts underneath the full moon, and her painting of Lincoln in silver armor wielding a greatsword and riding on a white horse underneath the sun. When we saw the paintings, they were breathtakingly beautiful.

Nico: Whoa, these paintings… , they're… they're really beautiful.

Me: You said it, and it represents them in a way: Mary Adelberte, a Goth of The Night, and Lincoln, an Archangel Warrior of The Day, these masterpieces are really amazing.

Laney: When I saw them, I fainted.

Shyla Saibarbled: (Indian Accent) Yeah, and I had to ask Joey to administer CPR to you immediately.

We snickered, and Laney blushed.

Shyla Saibarbled: (Indian Accent) Okay, jokes aside, now it's my turn. I remembered in Math Class I was called on to solve a Math Problem and Chandler and his goons were heckling me and calling me a nerd. I wanted to hit their heads together, but Lincoln told Mrs. Johnson, and Chandler and his goons got three weeks detention for heckling me. I eventually solved the math problem, and it was thanks to Lincoln for giving me the confidence to do it.

We cheered.

Nico: Nice one, Lincoln, and I can guess it pissed Chandler and his goons off.

Chandler looked down.

Chandler: It did, and that monster wanted me to get revenge, and as if that wasn't enough, those two goons pressured me into doing it. They launched the attack after school, but Lincoln fired two blasts of ice blue energy and froze them in blocks of ice, and he called the cops and he got them arrested.

Shyla Saibarbled: (Indian Accent) I admit what you did was bad, but to find out it was your Dark Side that did it, that was awful, and it didn't help your dad was a scumbag.

Lincoln: And he told his evil dad off when he broke out, and he also said he severed his ties to him forever. But, after Maggie and I defeated him, we sent him to a prison where heartless pricks like him belong and where he'll stay until he dies.

Nico: You got that right.

Hail: I knew there was no mistaking that voice from anywhere, you can come out now, Asimov.

A figure came out, and it was none other than Asimov, the foe that Hail and her friends have dealt with in the past.

Hail: Asimov. I always knew you'd come back again.

Asimov: And now, I shall destroy all of you!

Elizabeth Guillaume: No, that's never going to happen, you genocidal mastermind!

Suddenly, Elizabeth Guillaume's golden yellow eyes turned neon golden yellow and she was suddenly surrounded by a white and golden yellow energy aura with elemental forces, angels, Qilins, and centaurs, she unholstered her massive Arceus-themed greatsword from her back, and as she approached Asimov, she left white and golden yellow energy, elemental forces, angels, Qilins, and centaurs with every step.

Elizabeth Guillaume: Asimov, I will never forgive you for what you've done, you claim to fight for the freedom of the many, but in reality, you wanted nothing more than to destroy humanity, that's indeed an unforgivable sin, and for that, you shall pay for your crimes with your life.

Suddenly, Elizabeth Guillaume was surrounded by a massive vortex of white and golden yellow energy with elemental force surrounding the vortex, there's an army of angels, Qilin, centaurs, and The God of Pokemon, Arceus, flying around the vortex, and in the vortex is a rainbow phoenix. Then, as the vortex faded, Elizabeth Guillaume emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Elizabeth Guillaume grew from 6'5" to 7'4" in height, she has the body of a goddess, she has indigo highlights in the bangs of her long flowing white hair, she has neon golden yellow eyes and a white and golden yellow energy aura with elemental forces, angels, Qilin, and centaurs surrounding her, she has Arceus emblazoned on her forehead and Third Eye with rainbow iris, she has on Qilin earrings with golden yellow gems for eyes and holding the Elemental and Eternity Kanjis in its hooves, she also has Arceus with golden yellow gems for eyes and holding the Elemental and Eternity Kanjis in its hooves on the bottom of her golden yellow Qilin-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with colored crystal links from her merged Crystal Necklace of the Buddha and colored gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Elizabeth Guillaume has on a sleeveless golden yellow open blouse, sleeveless golden yellow midriff top, orange skirt, golden yellow pants, yellow high-heeled boots, and long white sleeveless trenchcoat with elements, Qilin, and centaurs on the coattails, and on the back is Arceus and he's surrounded by fire, light, water, earth, wind, and darkness. Suddenly, Elizabeth Guillaume felt a sharp pain on her back, and then, her massive white angel wings with colored tips tips on the large white feathers grew much bigger for her new body, she now has eleven massive and long midnight white wolf tails, she has on a Ring of The Phoenix with white gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Elizabeth Guillaume's massive Arceus-themed greatsword and all the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of white and golden yellow energy, elemental forces, angels, Qilins, and centaurs, and when it emerged, it was transformed into Arceus' Godly Elemental Greatsword of God Elemental Justice, it's a brand-new massive greatsword with embedded gems representing the Lantern Corps Rings, and The God of Pokemon, Arceus, etched on the 7'0" massive, wide, double-edged white blade, large Qilin heads for the crossguard, large white gem embedded in the rainguard, longer midnight black handle, four large Qilin heads and a large white gem below the dragon heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with gold gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Arceus' head with red gems for eyes and a large white gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a golden yellow kanji below Arceus that said, "Elizabeth Guillaume, Gene-Slammer of Arceus, the God of Pokemon, The Omnipotent Champion of Arceus, Leader of The Legendary Pokemon Gene-Slammers, Powerful Omnipotent Master of The Elemental Forces of Nature, Loving Future Wife and Guardian Angel of Lincoln Loud, Friend of Selene Emperyous and The Emperyous Sisters, Friend of Gabrielle

Chevalier, Michaela Amaryllis, and Danielle Azvameth, Smasher of Dark Lynn, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of The Elemental Forces, The Emotional Spectrum, Qilins, and Centaurs"

Elizabeth Guillaume has transformed into SUPER ANGEL-QILIN-CENTAUR-ARCEUS-HARMONY CELESTIAL ETERNAL XELNAGA ELEMENTAL GOD POKEMON QILIN CENTAUR ANGEL OF DIVINE ELEMENTAL GOD POKEMON JUSTICE AND DIVINE ELEMENTAL GOD POKEMON LOVE!

We were amazed by Elizabeth Guillaume's Super Angel Celestial Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Asimov saw it, he went mad with rage and fired a blast of lightning at her, but Elizabeth Guillaume fired a powerful white and gold energy blast with elemental forces, Qilins, and centaurs and it overwhelmed Asimov's attack and it hits Asimov and he went crashing into a wall of snow, he got out, and this angered him so badly, he transformed into his true form, Demerzel.

Nico: Unreal, Elizabeth Guillaume's transformed, she really looks like… !

Lincoln: A true champion of The God of Pokemon, Arceus, and a real angel, those are just the words to describe her, and Elizabeth, you look beautiful, how do you feel?

Elizabeth Guillaume: (Divine Echoing Cosmic Voice of The

Elemental Qilin Centaur God Pokemon and Divine Elemental Qilin Centaur Love) **I feel incredible, Linky. Now, shall we finally put this genocidal monster once and for all?**

Lincoln: (Smiles) With pleasure, Elizabeth.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Elizabeth Guillaume.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Your days of trying to destroy humanity are over, Demerzel, and now, you will face the true wrath of the gods!**

Elizabeth Guillaume and Lincoln went after Demerzel, who fired blasts of lightning at them, but bad news for him: Lincoln absorbed the blasts of lightning and it made him more powerful than ever, and they fired extremely powerful blasts of rainbow energy, white and golden yellow energy, crosses, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, fairies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, and Mermaids at Demerzel, and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him, and they were angering him even more.

Then, Elizabeth Guillaume used Arceus' move, Hyper Beam, and fired a powerful beam of energy at Demerzel, and it really hurt him badly.

Nico: Whoa, this is incredible!

Me: So awesome!

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Elizabeth Guillaume, her hand-cannon Blaster is known as Arceus' Elemental God Pokemon Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's white with gold accents on the blaster with a Phoenix, Angel, and the God of Pokemon, Arceus, surrounded by elements etched on the sides, and a gold gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Leona Elementaldraco fired blasts of rainbow energy, white and golden yellow energy, and elemental forces at Demerzel and as they hit him, they exploded with incredible power, and he was knocked down.

Then, Lincoln teleported and appeared in front of Demerzel and he put him into a brutal bear hug, so he couldn't escape, and then, Lincoln began to absorb Demerzel into his body through his skin, and he was assimilating Demerzel's electrokinesis powers, abilities, and moves. Then, as soon as Lincoln was done absorbing Demerzel into his body, an energy card with Demerzel's soul imprisoned inside it was fired from Lincoln's massive greatsword, and when The Judgement Kanji appeared on his forehead, Demerzel was sent to The Black Gates forever. We cheered wildly as Lincoln and Elizabeth Guillaume holstered their massive greatswords on their backs and powered down, and Elizabeth Guillaume's new body, clothes, weapons, jewelry, Third Eye, eleven massive white wolf tails, and massive white angel wings are permanent.

Elizabeth Guillaume: Your days of trying to destroy humanity are over. Thanks for helping me destroy Demerzel, Linky.

Lincoln: (Smiles Warmly) You're welcome, Elizabeth.

Suddenly, Elizabeth Guillaume wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Elizabeth Guillaume's face, they kissed passionately as Elizabeth Guillaume's left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Arceus flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces behind them and we cheered wildly. Lincoln and Elizabeth Guillaume came back to us as the display and Arceus vanished.

Nico: Whoa, guys, that was one awesome and epic battle you both fought, that electric monster had no chance.

Elizabeth Guillaume: He had no chance at victory, we gave it everything we got to defeat him, and Lincoln did the ultimate job by absorbing Demerzel into his body and he assimilated his powers, abilities, and moves, and sent his soul to The Black Gates.

Lincoln: Yeah, and it felt like I siphoned out an infinite number of generators, and I went through the same thing when I absorbed Pyron into my body.

Nico: Either way, you guys brought an end to that monster, Demerzel, once and for all. Plus, you also know who were meeting tomorrow, right, Lincoln?

Lincoln: Oh yeah, Dina Mabrouk, Gene-Slammer of Ghostrick Mummy and another Gene-Slammer for Day 15 of The Dark World Treasure Hunt.

Whirlwind: Good news is that Santa and his wife are okay now.

Me: Thank goodness.

Koragg: And their vampire sides could be perfect for Grumblemon's

team.

Molten Man: But the bad news is that Dracula got away.

Tala: But there's always tomorrow.

Nico: I have a feeling we'll face him on my next rescue.

Me: Yeah.

Santa: How about we have cookies to celebrate?

Nancy Claus: We even have milk.

King Shark: I want some!

Me: Awesome!

Sunny Starscout: And I made some perfect cookies for us.

It was the cookies she made at Camp Kidney.

Me: Oh wow!

Zipp Storm: Our favorites.

Xenia: Awesome.

Sunset Shimmer: (To the viewers) You mess with the spirit and Jolly Man of Christmas and there will be hell to pay.

Me: Absolutely.

Qin: Big time.

Me: Before we head home lets clean up everything here from our battle.

Maxxor: Good idea.

Nico: Yeah. We don't want to leave a mess. Great job today guys. Christmas was saved for everyone.

Eli: Yep. But we still have Dracula out there. But we'll get him tomorrow.

Nico: Yep.

Santa: Thank you so much for saving us J.D. That is 4 times you saved us.

Me: It was our pleasure Santa. We're glad you all are all right.

We cleaned up everything and went back home and then we went and enjoyed the rest of the day and went to sleep.

THE END

Another Awesome chapter done.

This chapter was for Billy and Mandy Save Christmas. That was one of my favorites from the Christmas Season. It aired on December 2nd, 2005 and it was awesome. Also this chapter was made in honor of the great Gilbert Gottfried who voiced Santa in the episode. I knew his acting for years. He will never be forgotten.

R.I.P. Gilbert Gottfried: February 28, 1955 - April 12, 2022.

Walking through the murky and swampy lands of the swamp planet of Dagobah was Nico, The Ripping Friends, Ellie Singh, Evelyn Burmingham, Jen Tennyson, Eddy, Yugi, Tea, Jaden, Jesse Anderson, Allenby Beardsley Knudson, The Hernandez Sisters, Yost Magma, Rin Nohara, Woz, Bai Tza, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, The 1983 D&D Gang, Irina Krafla the Granity Gene-slammer, Kora Lexxington, Olivia Houou, Nataša Marečková, Nalanie Nanthavong The Vorash Gene-Slammer, Brynja, Sissi Delmas, Anna Anyanova the Destiny HERO Dark Angel Gene-slammer, Daring Do, Lizzie Strong the Great Blue Windrunner Gene-slammer, Emam Reynolds the Living Tsunami Gene-slammer, Wendy Sapphira, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Granity, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Hibiki Riders, Kabuto Riders, Den-O, Kiva, Decade, W, OOO, Fourze, Wizard Riders, Gaim Riders, Drive Riders, Ghost Riders, Ex-Aid Riders, Build Riders, Zi-O Riders, Zero-One Riders, Saber Riders, Granity, Samurai Jack, Ashi and her sisters, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Sunny Starscout, Izzy Moonbow, Hitch Trailblazer, Pipp Petals, Zipp Storm, Misty Brightdawn, Rachel Stavenport, Kate Lloyd, Carol Pusateri, Hailey Helios, Kia, Jenna, Lina, May, Maria, Danica Metrois, Kaalia of The Vast, Varie, Sakura Valencia, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Bridgette, Eli, me, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Spiderman, Kaina Tsutsumi, Nick Logan, Sh'Lainn Blaze, Camie, Kaoruku Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Luz, Amity, Gus, Willow, Hunter, Felicia Wittebane, Carly Atlas, Misty Tredwell, Zuria, Tony Jones, Edyn, Strag, Momo, Girl Jordan, Earth, Vinyl Scratch, Airazor, Rhinox, Cheetor, Rattrap, Tigatron, Lincoln, Leni, Laney,

Lana, Lola, Lisa and Lily Along with Larxene and her team consisting of Megavolt, Psycho Rangers, Minotaur (Scooby Doo), Phantom of Milo Booth and Dorko Malfly along with Volcana and Nanael and we were there for an awesome and fun rescue.

Qin: Yuck! I always hate coming to this planet.

Me: It's a gross swampy planet but Dagobah is where we have to go for the next rescue.

Lola: Yeah. But it's amazing here.

Me: Yeah but this is a really cool planet though.

Volcana: I'm really excited though too.

Nico: Volcana, I want to thank you, Larxene, and your teams for coming today.

Volcana: Not a problem Nico. It's going to be so fun helping you guys.

Larxene: It sure will be awesome.

Eli: Especially if Dracula is here and we're going to make that monster pay for everything he did.

Brittney: Yeah supernatural energy levels are off the scale here. So that means he is here.

Nico: Nanael, what do you like to do in your free time?

Nanael: In all honesty I haven't really thought about it. All I mostly do is train for big fighting events.

Qin: Well you are a really strong girl that loves to test your limits and skills against powerful opponents.

Me: Just like Master Goku. He tests his limits on powerful adversaries and takes them on at his most powerful.

Nico: That is Kakarot for you. He always loves a great challenge.

Qin: Yep that is true Nico.

Laney: Yeah.

Nico: I'm sure you'll find a job.

Nanael: Well I do have one job in mind. I want to be a Karate and Martial Arts teacher.

Me: That's a great idea Nanael.

Qin: It sure is. You can pass on your skills to more people.

Xenia: Yeah it sure will be perfect and fruitful for you.

Nanael: Thanks guys.

Volcana: You're welcome.

Nico: Yesterday can be considered an attempt on Christmas' life.

Me: I agree there. What Dracula did to Mrs. Claus was horrible!

Nico: But amazingly I had no idea that you guys faced this version Dracula before and that Brittney has a really nasty history with him.

Brittney: You never asked about it Nico. But to be honest I was not expecting Dracula to make a return and try to finish what he started in the past by using Santa and his elves as leverage to turn Earth into a vampire planet.

Xenia: Yeah me neither. That was awful!

Lola: But at least was saved Christmas again.

Qin: We sure did. But I feel bad for Billy though. He hasn't stopped crying since then.

Lana: No kidding. I had to dump 40 buckets of snot from him and even install drain pipes in his room to drain the tears out.

Nico: Poor guy is really broken.

Xenia: Yeah no kidding.

Juran: And we couldn't kill Fangface yesterday because?

Brittney: Because the scans show that he is right here on this planet.

Qin: So he turned Mrs. Claus back into a vampire and is hiding here on Dagobah.

Me: And the planet is covered in thick blankets of mist and fog that block out the planets sun and make it ideal for him to live here.

Qin: Very clever.

Xenia: But we're ready for him.

Camie: Yep.

Nico: And saving Santa and his wife was more than enough yesterday.

Me: Yes it was. Along with curing all his happy little elves.

Nico: Yep.

Me: Awesome. But tell that to Billy. Poor kid.

Xenia: Yeah.

Evelyn Birmingham: Oh I am just so excited for this! My missions start today!

Kazuma: I already got my things from my room.

Me: Great.

Qin: Awesome.

Lincoln: It's going to be so cool meeting your friends Kazuma.

Me: And we're not going to let Hajime go apeshit and kill you.

Varie: I agree there.

Camie: Same here.

SPLAT!

Camie stepped into some swamp mud.

Camie: YUCK!

Me: Gross.

Nico: But then again it is a swamp planet.

Lola: Yep.

Maria: This is so gross!

Nico: Well it's a swamp planet. What did you expect?

Maria: Yeah you're right.

Natasha Hernandez: Look sharp guys. I sense something.

We felt a scary and dark force coming.

We felt that it was ominous and scary.

Then a figure emerged from behind the trees and it was COUNT DRACULA!

Natasha Hernandez: Count Dracula!

Count Dracula: (Transylvanian Accent) I'm impressed you all were able to find me Team Loud Phoenix Storm. And Brittney it is good to see you again. For the last time.

Brittney: I would say the same thing Dracula but I would be lying.

Nico: You will pay for everything you did.

Camie: Yeah!

Count Dracula: I expected you all to come after me yesterday. Losing your touch, are we?

Nico: We just thought cleaning up your mess was more than enough!

Natasha Hernandez: I can't believe that you would cause so much damage, not just to Christmas but to so many people when Brittney faced you the first time.

Count Dracula: You have no concept of the harm of which I am capable. Why waste the value of a life when it can be spent in servitude to me.

Natasha Hernandez: Becoming a vampire like you is a fate worse than death.

Count Dracula: To become vampire is to heighten all of ones senses. To obtain speed, strength and immortality.

Natasha Hernandez: I have all those things. But unlike you I have one thing that you always will never have.

Count Dracula: Oh and what is that?

Natasha Hernandez: Humanity for 1 and the second thing is a heart!

Count Dracula: So, you'd rather prefer living a mortal life with those who question the decisions you all make?

Nico: For your information we all make mistakes but also me and everyone on the team are ALL immortal.

Lincoln: Those mistakes I made were against my will.

Brittney: And another thing, you are going to rue the day you messed with the likes of us.

Nico: Especially when you made Billy cry. Not that you would give a damn.

He went at us and I held up a cross and he screamed seeing it and I splashed him with holy water and it burned him like acid!

Me: You obviously do not know WHO YOU ARE FUCKING WITH!

Count Dracula: Oh, I know who I'm fucking with. I'm fucking with people who had the chance to join me. You all should've taken it!

Me: Just what I would expect from a monster like you.

Qin: And another thing we will NEVER join the likes of you!

Camie: That's for sure!

Xenia: You have terrorized the world for far too long!

I took out some silver stakes.

Me: Time to make sure you join all those you hurt.

He hissed at me!

Count Dracula: (to Lincoln) When I'm done with all of you, maybe I'll pay a visit to your humiliation targets and have them join me. And then, I will let them drink the blood of the rest of your sisters!

Lincoln: I don't think so!

Me: You will not get anywhere near them!

I fired a blast of sunlight from the Sun Gun!

It hit him in his chest and burned him badly!

Count Dracula: NO! DAYLIGHT! HERE!?

Me: You will never know what hit you. That was just for starters.

I activated an Ultraviolet Flashback Grenade.

Count Dracula: You will NEVER Stop me! I am beyond Good and Evil J.D. I am Evil Incarnate, I am the Prince of Darkness!

Me: Rise and shine motherfucker!

It released a massive flash of ultraviolet light and Count Dracula screamed as he bursted into intense fire and Natasha and Brittney fired waves of energy and it hit him and obliterated him and banished him to the Black Gates for all eternity.

Qin: YEAH!

Lincoln: Thank goodness it's over.

Psycho Red: Not quite.

Lincoln: I was talking about Count Dracula hurting people.

Psycho Red: I know.

Me: But he was all talk and no action.

Lola: Yep.

But then those that were marked with Aquila The Eagle winced and their marks glowed.

Me: The next Undead Zodiart is close.

Nico: And it's for Aquila the Eagle.

Lola: Yep.

Nico: If anyone at home has Aquila the Eagle, we should call them.

Me: I know someone.

I called in Anya Aquila.

Anya arrived.

Anya Aquila: I got here as soon as I could. My mark started glowing and I knew it was the next Undead Zodiart.

Lana: Awesome Anya.

Then a figure came out and it was ANOTHER AQUILA UNDEAD ZODIARTS! It looked like a mixture of Peckster, Bird Bane and Miratrix Monster!

Me: Whoa! All birds!

Qin: Awesome mixture and cool.

Lola: Yep.

Nico: And you are?

Another Aquila Undead Zodiarts: (In a girls voice) J.D. knows me.

I gasped.

Me: That voice.

She reverted back and it was a green hair sailor soldier.

Me: (GASP) Dahlia Gallagher A.K.A. Sailor Dagobah!

Sailor Dagobah: That's right!

Qin: Wow! So another Sailor Soldier we're meeting on their home planet.

Nico: Awesome! But how do you know her J.D.?

Me: Dahlia is the sailor soldier of the swamp planet of Dagobah. She was born on Earth and raised in the Florida Swamps and was imbued with the powers of Dagobah. She is my friend from nature classes and she knows all about the plants of nature and the forests and she also hates the Gunderson Clan in Royal Woods Swamp with a merciless vengeance. She vowed to destroy that entire family.

Qin: Cool!

Nico: Remind me who the Gunderson Clan was.

Me: They were those evil hillbillies that lived in Skunk Swamp right next door to Scratchy Bottom Camp and they caused so much damage to the city and we sent them to prison.

Lola: Yeah.

Nico: Right! Them! I remember them.

Sailor Dagobah: But I heard that J.D. beat them before and I'm amazed he did so.

Me: Yeah they were no problem. But if they ever return then they will regret it.

Maria: I guess even planets. like this one has its' own Sailor Soldier.

Me: Depends on what planets they are and what they are like.

Sailor Dagobah: That's right.

Lucy Loud: I was the one that told Lincoln about the legend of the Scary Hillbilly People Hiding in The Trees. But I never even knew that they would be the infamous Gunderson Clan of Skunk Swamp.

Lincoln: Yeah and it's amazing that J.D. beat them too.

Lola: Yeah no kidding. But they were even worse sore losers than Lynn.

Lana: Yeah after J.D. beat them they went on a rampage and destroyed much of the city. But the FBI and the CIA have been after them for years and we took them down.

Lily: And sent them to prison forever.

Camie: Wow!

Sailor Dagobah: That is amazing! I'm proud of you for taking them down.

Me: So is all of the city.

Eli: Yeah. Any other opponents with you?

Sailor Dagobah: Just another version of (Points to Larxene) Her.

Larxene: Another version of me!? Whoa!

Me: Electrifying

Maria: Friendly or hostile?

Sailor Dagobah: Friendly.

Qin: Good.

Me: Sorry about the sudden question there. But there have been a few instances where we met a couple of Another M.O.E. Members that were hostile so we're taking necessary precautions.

Sailor Dagobah: I understand.

Anya Aquila: But I will face you.

Sailor Dagobah: All right then.

She changed into Another Aquila Undead Zodiart and flew into the air and Anya flew after her and fired waves of energy and they hit her and she exploded!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Zodiarts Switch and Rouse Card and purified them. The Rouse Card had a picture of the constellation and symbol of Aquila the Eagle on it and an Eagle too.

Me: Cool.

But then…

KRASPLAT!

Sailor Dagobah fell into a pool of swamp mud and was completely drenched in mud.

All of us: EEEEWWWW!

Maria: We are so sorry!

Lana and me brought her over.

Sailor Dagobah: OH YUCK!

Maria: We are so sorry!

Me: Well it's what happens when you are on a swamp planet.

Maria washed off Sailor Dagobah.

Nico: She may need a bath when we get home.

Qin: No kidding. EW! She smells horrible!

Me: Well another thing about swamp planets is they smell like shit.

Xenia: Yeah no kidding.

Psycho Yellow: We're not done yet.

THUNDERCLAP! THUNDERCLAP THUNDERCLAP THUNDERCLAP! THUNDERCLAP!

We saw lightning striking all over the place.

Me: Wow!

Xenia: Look at the lightning!

Camie: Where is it all coming from?

Then a ball of lightning appeared and then it formed into a dark version of Larxene. It was ANOTHER LARXENE!

Me: Whoa! Another Larxene!

Lola: Wow this one is electrifying.

Nico: Nice entrance!

Me: I was just about to say the same thing.

Another Larxene: I'm glad you liked that one.

Me: (GASP) Taryn Loganstein!

Another Larxene: It's awesome to see you again J.D.

Me: Same to you.

Nico: Wait Taryn Loganstein A.K.A. Lightning Bikini Girl, the voluptuous Lightning Superheroine Bikini Girl?

Me: The very same. She was an Electric Power Plant Worker that I met a while ago and then a freak lightning storm flew in and then struck the transformer while she was working on it and sent billions of volts of electricity surging through her. Then at the hospital as she was recovering I noticed that the lightning gave her incredible powers and she fired a blast of lightning and it hit a wall and blasted it down. I helped her discover that she can fly with lightning angel wings, can flush out the invisible just by feeling for their lightning Auras and even their electrical activity in their nervous systems.

Nico: WHOA! That is incredible!

Another Larxene: Yeah it sure is.

Kaito: (gets out Ohranger gear) Did Swartz promise you anything?

Zocks: (Gets out Carranger gear) Because we can grant it instead.

Another Larxene: Actually he didn't promise me anything because I seduced him and he was blown back by a massive nosebleed and I swiped the ridewatch and left.

Nicole:You are a sly fox. But that was awesome.

Qin: Yeah it sure is.

Me: Yep. Sexy and Shockingly Dangerous.

Another Larxene: (Giggles) That's right.

Me: Sorry we have to fight like this.

Another Larxene: No worries. Come at me and don't hold back.

Me: With Lightning! (ACTIVATES ELECTRO'S RIDEWATCH)

Kaito got a Zeo Sword and Zocks got a Turbo saber!

I fired waves of lightning and electrocuted her all over.

She threw Lightning Kunai at me and Lincoln threw Lightning Kunai and they deflected back and lightning struck her all over.

Sougo: (gets out Ghost Ridewatch) My life is burning bright!

Armor Time! (Upbeat music) Kaigan! Ghost!

Geiz: (gets out Mach Ridewatch) This is gonna be my second transformation today.

Armor Time! (Signal Mach standby music) Mach! Mach!

Sougo got GhostArmor while Geiz got MachArmor.

Nico: This will be shocking! DRAGON THUNDERCLAP!

The 5 Star Dragonball on Nico's Bracelet Glowed and he fired waves of lightning and electrocuted Another Larxene.

Qin: YEAH!

Lola: That will burn!

Nico: (gets out Larxene's Ridewatch) Time for even more shocking fun!

Me: Time to bring down the Lightning!

Geiz: (Gets out Cross Z Ridewatch) And here's number 2!

Armor Time! Wake up burning! Cross-Z!

Geiz got CrossZArmor.

We fired waves of lightning and electrocuted her all over.

Nico: This will be a SHOCK to you! (ACTIVATES MEGAVOLT'S RIDEWATCH)

He fired a massive blast of lightning and electrocuted her.

Nico: Now that was Electric!

Me: Here's an old song I remember from my school days.
(ACTIVATES YOST ELECTRO'S RIDEWATCH)

(ELECTRIC BOOGIE BY MARCIA GRIFFITHS PLAYS)

I fired waves of lightning at the ground and made it electrified!

It's Electric!

You can't see it

You gotta feel it

Ooh, it's shakin'

You gotta know it

Now you can't hold it

But you know it there,

Yeah here there everywhere

I've got to move,

I'm going on a party ride

I've got to groove, groove, groove,

And from this music

I just can't hide.

Are you comin' with me?

Come let me take you on a party ride

And I'll teach you, teach you, teach you

I'll teach you the electric slide

Some say it's mystic

You can't resist it

You can'y do without it

Jiggle-a-mesa-cara she's a pumpin' like a matic

She's movin' like electric

She sure got the boogie

Don't wanna lose it

But you can't choose it

But you know it's there,

Yeah here there everywhere

I've got to move,

Come let me take you on a party ride

And I'll teach you, teach you, teach you

I'll teach you the electric slide

Some say it's mystic

You can't resist it

You can'y do without it

Jiggle-a-mesa-cara she's a pumpin' like a matic

She's movin' like electric

She sure got the boogie

Don't wanna lose it

But you can't choose it

But you know it's there,

Yeah here there everywhere

I danced and fired waves of lightning all over and smashed her down.

Xenia: YEAH!

Camie: YEAH That was awesome!

May: (gets out Psycho Rangers' Ridewatch) This might sound wrong. But… it's Psycho time!

Me: I hope that one doesn't turn you into a fucked up lunatic.

May: (GULPS) Lets hope so.

She activated it and fired waves of energy and smashed her all over.

Xenia: AWESOME!

Lola: That was cool!

May: Time for some charge! (ACTIVATES MINOTAUR'S RIDEWATCH)

She ran and smashed down Another Larxene.

Nico: Nice one!

Maria: This will be a really painful hurt. (ACTIVATES PHANTOM OF MILO BOOTH'S RIDEWATCH)

She swooped in and smashed her all over the place with amazing speed.

Nico: Nice Maria!

Qin: Yeah!

Maria: Now for this one. (ACTIVATES DORKO MALFLY'S RIDEWATCH)

She got a She Hulk Body!

Maria: Cool! I look amazing!

Nico: Wow! You sure do Maria!

Maria: Wait till William sees me now.

She picked up a boulder and threw it and smashed her down.

Then Condiment King and his team came and it had Condiment King, Big Cheese, Hades Fungal Beast Mold, Suika Monster, Clawbster and Sergeant Weenie Arms!

Nico: Nice team, Condiment King!

Condiment King: Hey Thanks Nico.

Lana: Awesome!

Lola: Yeah!

Condiment King: Eat ketchup!

He fired waves of ketchup and drenched her.

Volcana: Don't leave me hanging!

She activated Larxene's ridewatch and she fired waves of lightning and smashed her down.

Nanael: My turn! (ACTIVATES MEGAVOLT RIDEWATCH) Suck on Lightning!

She fired waves of lightning and they hit Another Larxene and electrocuted her.

Xenia: Yeah!

Camie: Take that!

Maria: I hope the next gene-slammer is close by.

May: I hope so too.

?: Someone call!?

Then a figure flew in and it was a Venomoth.

Xenia: Whoa a Venomoth!

Lola: Wow!

Venomoth: (In a girls voice) Looks like the fun has started.

Nico: Cammy Bonnabelle!? Wow!

Venomoth: Yep and it's great to see you Nico.

Nico: You too.

Venomoth: I got this.

She fired waves of wind blades and they hit Another Ladxene smashed her down and I caught the ridewatch and purified it. I went over to Taryn and she was a blond hair girl with a lightning bikini on her and she had big breasts as big as Lucy Heartfilia's.

I picked her up.

Taryn: (GROANS) What a headache.

Me: But you're back to normal

I brought her over.

Nico: Can we get you some clothes?

Taryn: That's a good idea.

Maria: We got this.

The Fashion Brigade gave her new blue and yellow clothes.

Lola: There.

Venomoth: That is awesome though.

Nanael: What's your favorite memory of Nico?

Venomoth: I have a lot of them but my favorite is when I was in Endsville and Mindy came and called me a loser and I punched her in her face.

Me: Nice.

Qin: Cool.

Me: Lets revert you back.

Venomoth: Okay but I'm naked.

Nicole: Oh boy.

We covered our eyes and I snapped my fingers and she was reverting back.

Nico hugged Cammy as she was reverting back.

Cammy was back to normal and she had purple hair and purple butterfly wings and the fashion Brigade went and gave her new clothes and she had purple clothes.

Cammy Bonnabelle: That was a rush. But these clothes are awesome.

Nico: Glad you're back to normal.

Cammy Bonnabelle: Me too.

Nico hugged her.

Nico: I've really missed you.

Cammy Bonnabelle: Me too Nico. Me too.

We went back home and got Sailor Dagobah cleaned up with a bath.

After Nico's rescue, Lincoln and his harem, Me and my harem, Ken Knudson, Nico and his harem, Clyde and his harem, Naruto and his harem, Sasuke, Itachi, and their family, Sakura and her family, Qin, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., Rita, Harriet Loud, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Yakko, Wakko, Dot, Sir William the Good, Lady Mary the Good, The Z-Fighters, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Baloo, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, Anatankha, The Bakugan Battle Brawlers, The Power Rangers, Izuku and his friends, The Goths of Darkness, Maria, Mirai Cheng, Dinobot, Scorponok, Bonecrusher, and Transquito are heading back to Dark World for Day 15 of The Dark World Treasure Hunt, and not only is Lincoln going to rescue the four girls here, but Renee Ravenclaw is going to get a powerful treasure there: a powerful greatsword known as The Demonic Darkness Gatekeeper Greatsword of Renge, Gatekeeper of Dark World of Dark World.

And we're also going to take down and capture Camille Jockerson, the ruthless Queen Bee Bully that Charlotte Stewart has been after and we're going to collect the bounty that's on her head and send her to the Charon Reform School for Life!

Lincoln: Whoa, we're back in Day 15 of The Dark World Treasure Hunt, and I know what we're going to do here, not only am I going to rescue the four girls here, but Renee Ravenclaw is going to get a powerful treasure there: a powerful greatsword known as The Demonic Darkness Gatekeeper Greatsword of Renge, Gatekeeper of Dark World.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) That's right, and since she was Gene-Slammed into Renge, Gatekeeper of Dark World, it's perfect for her, and we're also going to take down and capture Camille Jockerson, the ruthless Queen Bee Bully that Charlotte Stewart has been after and we're going to collect the bounty that's on her head and send her to the Charon Reform School for Life!

Nico: To think she's here in Dark World, but the same can be said of Audrey Madison.

Me: Yep, but we also got to be careful though, Camille's not alone.

Charlotte Stewart: (Australian Accent) Too right, J.D., I heard reports she has help from remnants of Clarissa Mallory's surviving thugs and followers, along with help from followers of Audrey Madison and they're out for blood and revenge for what you guys did to those monsters.

Qin: (Growls) I should've known those heartless followers of Audrey would join that Queen Bee bully bitch, Camille Jockerson, and I didn't expect there to be remnants of Clarissa Mallory's thugs and followers, I thought that douchebag, Vergil, killed them all.

Lincoln: Not all of them, they must've escaped after Vergil left. Either way, we need to get rid of them once and for all before we get Camille Jockerson, and I want to thank you and your team for joining us, Maria.

Maria: You bet, Lincoln, this is going to be so awesome!

Mirai Cheng: Yeah, we're going to make her pay for her crimes.

Suddenly, Lincoln saw the timer on his right large gold cuff Bracelet of The Champion of the Universe, and we saw that the Giant Nazca Line and Earthbound Immortal Ccapac Apu were now glowing.

Lincoln: And another day down means that Audrey's life is already growing shorter. Now, let's get rid of the last remnants of Clarissa Mallory's thugs/followers and Audrey Madison's followers and head for Renge, Gatekeeper of Dark World's shrine.

We continued on and we now saw the last remnants of Clarissa Mallory's thugs/followers and Audrey Madison's followers, and they were heading for us: when word hit of Clarissa Mallory's death and also of Audrey Madison's defeat and imprisonment, they wanted revenge. Lincoln transformed the tips of his eleven massive and long white wolf tails into Cell's stingers, and he stabbed them into a group of them and Lincoln absorbed them, and he did the same to the remaining army of thugs who were all petrified by fear. When Lincoln was done, nothing was left of them except for their clothes, and he'd changed the stingers back into tips.

Then, a massive collection of energy cards with the thugs/followers of Clarissa Mallory and Audrey Madison imprisoned inside were fired out from Lincoln's cutie mark, and when the Judgement Kanjis appeared on them, all of them were sent to The Black Gates. We continued on and we arrived at Renge, Gatekeeper of Dark World's shrine, and then, the rainbow iris of Lincoln's Third Eye glowed, and the doors opened and we entered, and we saw a massive demonic looking greatsword floating in the center and with dark light shining down on it: The Demonic Darkness Gatekeeper Greatsword of Renge, Gatekeeper of Dark World, a powerful demonic massive greatsword with orange gems embedded in the 7'0" massive, wide, double-edged midnight black blade, large midnight black demon heads for the crossguard, large orange gem embedded in the rainguard, longer midnight black handle, four large demon heads and a large orange gem on the bottom of the demon heads for the pommel.

Rarity: My word, is that…?

Lincoln: The Demonic Darkness Gatekeeper Greatsword of Renge, Gatekeeper of Dark World, that sure is one scary looking demonic greatsword.

Renee Ravenclaw: (British Accent) Amazing.

Suddenly, we saw Ghostrick Mummy and Cyberse Clock Dragon appear before us, and with them are the four girls.

Nico: Whoa, Ghostrick Mummy and Cyberse Clock Dragon.

Ghostrick Mummy: (Egyptian Accent) That's right.

Cyberse Clock Dragon: (Egyptian Accent) And we managed to get these girls away from that monster, Camille Jockerson.

Lincoln: (Gasps) Those voices, Dina Mabrouk and Bastet Taniynalwaqt, it's so awesome to see you both again, but we'll talk later, we still got Camille Jockerson to take care of.

?: You stupid, meddling, goody-two-shoe heroes, can't you mind your own fucking business?!

Charlotte Stewart: (Australian Voice) Crikey, I knew there's no mistaking that chalkboard screech from anywhere.

We then saw our target, Camille Jockerson, and she was incredibly pissed off because of what Lincoln just did to the remnants of Clarissa Mallory's thugs/followers and Audrey Madison's followers.

Nico: Camille Jockerson, just the Queen Bee bully we've looking for.

Jackie Wren: There's already a prison cell with your name on it, bitch, so come quietly or this is going to get ugly.

Camille Jockerson: I'LL KILL YOU ALL!

Camille Jockerson charged at us, but Qin and Mirai Cheng kicked her hard in the face and knocked out her teeth.

Renee Ravenclaw: Looks like we're settling for ugly.

Renee Ravenclaw went up and grabbed The Demonic Darkness Gatekeeper Greatsword of Renge, Gatekeeper of Dark World. Suddenly, Renee Ravenclaw's orange eyes turned neon orange, and she was surrounded by a black and orange energy aura with darkness, demons, and dark magic, she unholstered her massive Renge, Gatekeeper of Dark World's Demon Greatsword of Darkness Gatekeeper Justice from her back, and as she approached Camille Jockerson, she left black and orange energy, darkness, demons, and dark magic with every step.

Renee Ravenclaw: You really are nothing but pure evil, Camille, you're just like the other queen bee brats that Jackie has captured and sent to reform schools all over the country. But, this time, you're going to a special reform school for the rest of your life.

Suddenly, Renee Ravenclaw was surrounded by a massive vortex of black and orange energy with dark magic and darkness surrounding the vortex, there's an army of demons and Renge, Gatekeeper of Dark World flying around the vortex, and in the vortex is an orange phoenix. Then, as the vortex faded, Renee Ravenclaw emerged, but she was changed forever.

Renee Ravenclaw has transformed into SUPER ANGEL-DEMON-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS RENGE DEMON GATEKEEPER DARK WORLD DEMONIC ANGEL OF DEMONIC ORANGE DARK WORLD JUSTICE AND DIVINE DEMON GATEKEEPER RAVENCLAW DARK WORLD LOVE!

We were amazed by Renee Ravenclaw's Super Angel-Demon-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Camille Jockerson saw it, she went completely berserk and she rushed at Renee Ravenclaw to kill her, but Renee Ravenclaw fired a powerful black and orange energy blast with darkness, demons, and dark magic at her, and sent the Queen Bee bully flying out of the shrine and we followed, she got up, but she was mega pissed now.

Nicholette Torrington: Whoa, Renee Ravenclaw's transformed into her Super Angel Celestial Eternal Xelnaga form, awesome!

Lincoln: You got that right, Nicholette, and now, we're going to put a stop to this monster's rampage, and Renee, you look beautiful, how do you feel?

Renee Ravenclaw: (Divine Echoing Cosmic Voice of the Dark World Orange Demon Gatekeeper and Divine Demon Gatekeeper Dark

World Divine Love) I feel incredible, Linky. Now, shall we put this queen bee bully in her place?

Lincoln: (Smiles) With pleasure, Renee.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Renee Ravenclaw.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're not going to be running free any longer, Camille Jockerson, there's a prison cell with your name on it.

Renee Ravenclaw and Lincoln went after Camille Jockerson, and they fired extremely powerful blasts of rainbow energy, black and orange energy, dark magic, crosses, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, fairies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Succubi, Incubi, Hydras, and Mermaids at Camille Jockerson, and they exploded with incredible power as they hit her. Then, they also attacked her with slashes from their massive greatswords, and slashes from Lincoln's claws, and he drew more blood.

Nico: Man, those two are really roughing her up.

Me: You said it, then, let's join in and really rough her up big time.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Renee Ravenclaw, her hand-cannon Blaster is known as Renge, Gatekeeper of Dark World's Demonic Gatekeeper Darkness Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's black with orange flames on the blaster with a Phoenix, Angel, and Renge, Gatekeeper of Dark World surrounded by darkness and the Hufflepuff House crest etched on the sides, and an orange gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Renee Ravenclaw fired blasts of rainbow energy, black and orange energy, and elemental forces at Camille Jockerson and as they hit him, they exploded with incredible power, and really knocked her down.

Then, Lincoln fired a rainbow energy blast and it transformed into a rainbow energy straitjacket and it wrapped itself around Camille Jockerson, so she couldn't escape, and Jackie Wren had her thrown in a black van to take her away. We cheered wildly as we holstered our weapons and powered down, and Renee Ravenclaw's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange wolf tails, and massive light blue angel wings are permanent.

Renee Ravenclaw: Another Queen Bee bully has been brought down. Thanks for helping me take down Camille Jockerson, Linky.

Lincoln: (Smiles Warmly) You're welcome, Renee.

Suddenly, Renee Ravenclaw wrapped her arms around Lincoln's massive wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Renee Ravenclaw's face, they deeply kissed passionately as Renee

Ravenclaw's left arm was still wrapped around Lincoln's massive, wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive right pec, and behind them was a Thunderbird, Phoenix, Angel, Demon, and Renge, Gatekeeper of Dark World flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and demons flying behind them and we cheered wildly. Lincoln and Renee Ravenclaw came back to us as the display and Renge, Gatekeeper of Dark World vanished.

Nicholette Torrington: Alright, that's yet another Queen Bee bully brought down a number of pegs, and she's already on her way to The Charon Reform School.

Lincoln: And we're also going to make sure to collect the bounty that was on her head, a large reward for the capture of the most evil Queen Bee bully is something that we're not going to let go to waste.

Nico: Of course not.

Lincoln: And we're also finally rid of any remnants of Clarissa Mallory and Audrey Madison. (To Dina Mabrouk and Bastet Taniynalwaqt) And it's so good to see you again, Dina Mabrouk and Bastet Taniynalwaqt.

Dina Mabrouk reverted back to normal, and she's a beautiful girl with long flowing black hair, yellow eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful black angel wings, and she reigned in the power of Ghostrick Mummy, and she's dressed in a black short-sleeved blouse, white sleeveless top, black skirt, black pants, black knee-high boots, and a long white sleeveless trenchcoat with darkness and mummies on the coattails and Ghostrick Mummy on the back and holstered on her back is a massive Ghostrick Mummy-themed greatsword with Ghostrick Mummy etched etched on the 7'0" massive, wide, double-edged midnight black blade, large black jackal heads for the crossguard, large yellow gem embedded in the rainguard, longer midnight black handle, four large black jackal heads and a large yellow gem on the bottom of the large black jackal heads for the pommel.

And Bastet Taniynalwaqt reverted back to normal, and she's a beautiful girl with long flowing black hair, blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful black angel wings, and she reigned in the power of Cyberse Clock Dragon, and she's dressed in a beautiful dress based on clocks, black pants, black knee-high boots, and a long white sleeveless trenchcoat with clocks and dragons on the coattails and Cyberse Clock Dragon on the back and holstered on her back is a massive Cyberse Clock Dragon-themed greatsword with Cyberse Clock Dragon etched etched on the 7'0" massive, wide, double-edged midnight black blade, large dragon heads for the crossguard, large blue gem embedded in the rainguard, longer midnight black handle, four large dragon heads and a large blue gem on the bottom of the large dragon heads for the pommel.

Dina Mabrouk: (Egyptian Accent) You too, Lincoln, and it's also good to see you, Claire, Ramona Alucard, Aisha, Sarah, Winter, Ramona Qingzhao, Autumn, Mary, and Tiana again, Ursula.

Ursula Truaigheaingeal, Ramona Alucard, Sarah Dullahan, Claire Allaire, Aisha Arian, Winter Icyin, Ramona Qingzhao, Autumn Aluma, Mary Adelberte, and Tiana Masina: You too, Dina.

Bastet Taniynalwaqt: (Egyptian Accent) It's been such a long time since we last met.

Lincoln went up to Dina Mabrouk and Bastet Taniynalwaqt and he hugged them, and Dina Mabrouk and Bastet Taniynalwaqt were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and muscular he's really become, and they had atomic red blushes on their faces, and the atomic red blush on their faces went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since

then.

Dina Mabrouk: (Egyptian Accent) Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new.

Bastet Taniynalwaqt: (Egyptian Accent) You said it, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you know these two?

Lincoln: Indeed I do, Nico, the Ghostrick Mummy Gene-Slammer is Dina Mabrouk, she's my Guardian Angel from Egypt and classmate in English. She's a mummy and she was born with the powers of darkness and she also knew of Lincoln being a vampire-werewolf-cyborg hybrid, just like the other Ghostrick Gene-Slammers. She also has the power of the sands and she knows a lot about Egypt's ancient history and she's also friends with the Egyptian Gods and Goddesses. She also learned a lot about mummification from Anubis, God of the Dead.

Me: Wow, that's incredible!

Lincoln: It sure is, and this one time, I made a beautiful gold necklace with a jeweled scarab, and she loved it so much, she hugged and kissed me and I returned it. She's also good friends with Lucy and The Young Morticians' Club, and she really hates Pablo and Anderson with a burning passion and wants nothing more than to remove their organs and mummify them by wrapping them in mummy bandages and throwing them in a sarcophagus.

Brittney gave Dina Mabrouk the ring for The Goths of Darkness, and she put it on her right ring finger.

Lincoln: And the Cyberse Clock Dragon Gene-Slammer is Bastet Taniynalwaqt, she's my Guardian Angel from Egypt and classmate in Gym, but she also studies history even in the prehistoric days. Her last name, Taniynalwaqt, means Time Dragon in Arabic. We would often work together in studying the history of the world, and this one time, I made Bastet a beautiful dress based on clocks, and to show thanks, she kissed me on the lips.

Nico: Cool.

Lincoln: And here's where you guys are going to be in for a big surprise: I also found out that she's the cousin of Greiger, The Dark Signer of The Whale Earthbound Immortal Chacu Challhua.

My jaw and Nico's dropped, including Misty Tredwell's, and we had them put back in our mouths.

Nico: Whoa, she's the cousin of Greiger?! Oh man!

Lincoln: That's right, and I saw the picture of her, Greiger, and his siblings when she paid them a visit long ago, and I knew right then and there, that she's indeed related to Greiger, and she also hated Lisa with a burning passion, because Bastet and I stopped her from trying to destroy an important historical sight in her crazed thirst for destruction.

Nico: And it ended with her getting grounded?

Lincoln: For nineteen weeks and Lily changed the combination to her bunker again and she destroyed her robots for good.

Eli: Yikes, if Lisa tried to hurt you, she'd better be ready for Lily's wrath.

Hailey Timaeus: And we've seen what kind of damage she can do when she gets mad.

Dina Mabrouk: (Egyptian Accent) That's right. (To Lincoln) And Lincoln, there's something we want to give you: we want to give you our blood.

We gasped at their request, including Lincoln.

Lincoln: Dina, Bastet, are you absolutely sure about this?

Bastet Taniynalwaqt: (Egyptian Accent) (Smiles) More than anything, after all, we're going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Dina Mabrouk and Bastet Taniynalwaqt, and he saw that they're really serious, and he smiled as he walks over to Dina Mabrouk and Bastet Taniynalwaqt, and he hugged their waists in his abnormally massive and powerful muscular arms, he slowly leaned his head down first on Dina Mabrouk's neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up, and he also did the same with Bastet Taniynalwaqt.

Suddenly, two Elemental Thunderbird Necklace of Eternal Loves appeared on the necks of Dina Mabrouk and Bastet Taniynalwaqt with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Dina Mabrouk: (Egyptian Accent) (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you and Bastet are now part of my harem and my many future wives, Dina.

Dina Mabrouk and Bastet Taniynalwaqt had a smile on their face and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around their waists and they wrapped their left and right arms around Lincoln's massive, wider, and muscular back, and he leans down to their faces and kissed the two of them passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Nagisa Kai, Nami Shiina, Kiiro Iijima, and Kawai Kawai from Iczer Girl Iczelion.

Lincoln: Oh wow, it's Nagisa Kai, Nami Shiina, Kiiro Iijima, and Kawai Kawai from Iczer Girl Iczelion.

Nicole: Awesome.

Lincoln: Are you girls okay?

Nagisa Kai: Yes, we're okay, thanks to you.

Then, when Nagisa Kai and the other three girls saw who it was that saved them from Camille Jockerson, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and

golden crosses with angelic runes.

Nagisa Kai: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Nagisa Kai: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Nagisa Kai, Nami Shiina, Kiiro Iijima, and Kawai Kawai with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and Lincoln told everyone that Renee Ravenclaw had gotten The Demonic Darkness Gatekeeper Greatsword of Renge, Gatekeeper of Dark World, and they were shocked when they found out the villain we went after was Camille Jockerson, the Queen Bee bully that Charlotte Stewart was after, but Camille Jockerson also had help from the remnants of Clarissa Mallory's thugs/followers and Audrey Madison's followers who were out for blood and revenge on us for what Lincoln did to Clarissa Mallory and Audrey Madison.

But, Lincoln showed that he absorbed the followers using Cell's absorption technique, and he also shows them Renee Ravenclaw transforming into her Super Angel-Demon-Harmony Celestial Eternal Xelnaga form and all of us laying the beatdown on her and finally sending her away to prison, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln, Dina Mabrouk, and Bastet Taniynalwaqt have a lot of catching up to do, now that they're back in town.

Maria: Man, that was a lot of fun beating that bitch up.

Nico: It sure was.

Lincoln: Now, she's no longer running free ever again, and she'll be spending life in The Charon Reform School for her crimes.

Lincoln was right about what he said: Camille Jockerson was found guilty for her many crimes, and as punishment for her crimes, she was sentenced to Life in The Charon Reform School for her crimes, but Lincoln also put a curse on her: if Camille Jockerson showed no signs of improvement, she will be given The King Midas' Golden Touch Vengeance Curse and she'll be turned into a gold statue for all eternity, but at this rate, she'll be turned into a gold statue if she tried to get revenge on us.

---

After taking down Camille Jockerson and throwing her in The Charon Reform School, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Dina Mabrouk and Bastet Taniynalwaqt saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Dina Mabrouk: (Egyptian Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Bastet Taniynalwaqt: (Egyptian Accent) If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Dina Mabrouk: (Egyptian Accent)That's incredible, and we'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. We already heard a memory Bastet had with Lincoln and it was about putting a stop to Lisa, but Dina, what story did you have with Lincoln?

Dina Mabrouk: (Egyptian Accent) That's something I've never forgotten. One time, Lincoln and I were heading straight for the cafeteria for lunch, but then, we suddenly heard screams coming from there. We opened the door and we saw Pablo and Anderson trashing the place and hurting the students and teachers, I got so mad, I fired mummy bandages at them and they were so wrapped up tight, they both looked like mummies. Principal Huggins refused to say anything to us, but Mrs. Johnson did and she told us that Pablo and Anderson went on a rampage and they attacked everyone in the cafeteria including her, while Principal Huggins was busy with trying to impress Superintendent Chen. I was so fired up, I wanted to call Superintendent Chen and get that rule-stickler tossed out on his toupee, but Lincoln immediately called his mom, and let's just say that when she was done, Principal Huggins was left cowering like a scared little wimp.

We cheered.

Nico: Whoa, that was some awesome work apprehending those two butt-faces, Dina! Plus, Lincoln had to call in the big guns, if he was in there that day and got hurt and Principal Huggins ignored him and left him bleeding like that, you know what happens when he makes Mama Loud mad if her only son was left in that condition and by Principal Huggins no less?

Rita: That's right. Plus, he's still on thin ice with me when he tried to get rid of the kids and J.D., and all for that comic book contest Lincoln and Clyde were eager to win.

Nicholette Torrington: Killjoy Huggins was on thin ice with all of us that day, it's bad enough that he's a killjoy to the students, but to find out he's also given Lincoln a hard time, I was so tempted to call Superintendent Chen and get that rule-stickling grouch fired and tossed out on his ugly toupee!

Me: Yikes, it sounds like Huggins has been on your list ever since you all saw him giving Lincoln a hard time.

Gabrielle Chevalier: He is. But, ever since that restaurant incident, he's now off for good.

We got a shower afterwards, and then, Lincoln and his harem are heading to Waikiki Beach, in Oahu, Hawaii.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble, and his harem were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble.

Gabrielle Chevalier: Wow, we're here in Waikiki Beach, awesome.

Lincoln: Yep, and it's perfect for our beach date. Shall we?

Lincoln and his harem dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went back to the beach and they had a game of volleyball, and even did some surfing, and his harem got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift up a 900,000,000,000,000-lb barbell he summoned, then they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself, and he and the clones went up to the girls in his harem and they hugged the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the wider and muscular backs of Lincoln and his clones, and they placed their right hands on the massive left pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: Hey, Lincoln, how was your date?

Lincoln: It was awesome, Nico, we went to Waikiki Beach, in Oahu, Hawaii.

Gabrielle Chevalier: It was really awesome, and some of us were blushing like crazy when we saw Lincoln in his speedo.

Elizabeth Guillaume: I was quite surprised when Lincoln started wearing a speedo, but then again, this hasn't been the first time he'd started wearing a speedo, since Luna Isdrage made him a speedo long ago.

---

Later it was time for Evelyn Birmingham's first ever ambassador mission. She was going to meet the Kamen Rider Blade Team.

Me: Evelyn this is going to be awesome for you.

Camie: It sure will.

Evelyn: I think this is gonna be so cool!

Lola: We're all really excited for you Evelyn.

Kazuma: You guys will love meeting my team. I can't wait to see them again after all this time.

Nico: I know. And we owe the Blade team big for helping us during the 20 Days of Darkness.

Me: I know. And surprisingly, Blade is the only team left we have to thank for helping us during that time.

Eli: Yeah we haven't thanked them all as a whole for it.

Lincoln: We are going to be in for a fun battle though.

Lana: We sure are.

William: Anyone else want to go with Evelyn? Besides Touma and 2 Rabbids?

Rolf: Sadly, Rolf cannot go this time.

Kevin: Why not, Rolf?

Rolf: Rolf is now Evelyn's boyfriend. As such, the honorable thing would be for Rolf to go on the second mission.

Me: I understand Rolf.

Dark Spicer: Lucky for you guys, I've here to fill in for Rolf.

Me: Awesome Dark!

Eddy: Thanks Stretch.

Dark Spicer: No problem.

Lincoln: Me and my siblings and TWilight and Friends will go too.

Lord Drakkon: And so will me and Myotismon.

Maria: Me and May too.

Nico: Wow! Lots of us this time.

Me: Yep.

Kazuma: But it'll be awesome for you all to meet my friends.

Lola: I can't wait. We have a lot to tell them.

Nico: We sure do. All right lets head out!

We were off to Japan!

TOKYO, JAPAN

We arrived in Japan and it was as busy as ever.

Me: Tokyo, Japan.

Kazuma: Boy it sure feels good to be home. I missed this place.

Myotismon: So has all of your friends.

Maria: Yeah they missed you terribly.

Nico: No kidding.

May: Boy you were gone for so long.

Me: Yeah but I was informing them every time of your progress with us.

Kazuma: Thanks guys.

Me: No problem.

Then we saw Sakuya Tachibana.

Sakuya Tachibana: (to Touma) I've heard of you. Are you Kamen Rider Saber?

Touma: That's right. Touma Kamiyama of Kamen Rider Saber.

Sakuya Tachibana: Awesome to see you again.

Kazuma: Hey Tachibana. Long time no see.

Sakuya Tachibana: (GASP) Kazuma!? You're back!

He went and hugged him for the first time in a long time!

Sakuya Tachibana: I thought we would never see you again!

Evelyn: And its awesome to meet you too. My name is Evelyn Birmingham and I'm your ambassador.

Me: It's part of a special diplomatic mission program we made.

Sakuya Tachibana: I see. But it's awesome having you all here.

Me: Same here. We have so much to tell you.

Nazz: Hajime's not here?

Amane: He'll be back in a few minutes.

Me: Okay then. I just want to help him out before he does something he will regret to Kazuma.

Kazuma: Yeah but I have a lot of catching up to do with you all.

Eli: Yeah so much has happened.

Amane: I can tell. I still remember becoming that Another Blade thing before.

Me: But we owe the entire Blade team for helping us out during the 20 Days of Darkness.

Nico: That was a horrible event we went through last year from January 23rd to February 11th, 2021.

Eli: Yeah. But Kazuma and his fellow Kamen Riders helped us all big time.

Luna: They sure did dudes.

Shiori: Wow! That is amazing!

Hajime came in.

Hajime: I'm back.

Me: Hajime Aikawa it's an honor.

Hajime: Wow Team Loud Phoenix Storm it's an honor.

But then he saw Kazuma back for the first time in a while.

Kazuma: Long time no see Hajime.

Eli: Here it comes.

I had my blue fire aura flared up.

Me: Don't worry guys. I know what I'm doing.

Hajime: (sadly smiles) Kazuma, I don't even care about what will happen now. I'm just so glad to see you again.

Kazuma: Same here Hajime.

Me: Don't worry I'm not going to kill you. I just need to save you.

I put my Rouse Card on him and chanted an incantation and sucked in his Joker half and then banished it to the Warp. He fell and Maria and May caught him. The Rouse Card was fully complete.

Me: Got it.

We then got a Joker Charm on our bracelets.

Nico: That was close.

Amane: Wow! So is it over?

Me: Yes the terrible destiny of them wanting to kill each other has been silenced forever.

Eli: Good.

We got him over to the couch and then we sat down.

Amane: You guys have done so much.

Me: We sure have. But you guys are not going to believe where we found Kazuma.

Hajime: Where did you guys find him?

Me: We found him on a planet made entirely out of Cornish game hens.

Lincoln: They were some of the most delicious and most tasty ever.

Evelyn: Yeah they sure were. And ever since Kazuma was staying with us I was also getting a great jump start on battling some of the Undead.

Nico: To help her get prepared.

Me: Yep.

Hajime: That is amazing.

Nico: It sure was.

Hajime: Is it true that Kazuma helped you guys during the 20 Days of Darkness?

Me: It is all 100% True.

Shiori: Amazing.

Lola: Yeah it sure is. We owe Kazuma and you guys for helping us out during that time.

Eli: Even though only Kazuma was with us back then we owe all of you big time.

Touma: Yeah many of my fellow riders helped you all out.

Twilight Sparkle: It was really amazing.

Me: Yeah it sure was.

Sakuya: I'm sorry that you guys went through all that. But the only option was HIM taking over the world.

Kazuma: And yes. That DOES mean going back in time and killing Hiroshi is out of the question.

Me: Yeah it's out of the Question. But the good news is that HIM is no longer a threat to anyone ever again.

Evelyn: Thank goodness.

Me: Nonetheless however you all have our deepest and sincerest of condolences for everything that has happened to all of you. That was a total nightmare from hell for you all.

Sakuya Tachibana: Yeah Hiroshi turned us all against each other like that. We were all just pawns in a much grander scheme.

Eli: That's just absolutely horrible.

Lord Drakkon: No kidding there.

Dark Spicer: J.D. vowed that he would destroy Hiroshi and make him pay times ∞ for everything he did.

Me: Yeah I was so enraged and infuriated about what he did to all of you that I practically exploded in fury with unbelievable power and I vowed to make sure that Hiroshi gets the Black Gates for everything he did to you all.

Hajime: Kazuma, I want to apologize. You wouldn't have needed to distance yourself from us if I had just slit Hiroshi's damn throat when I had the chance!

Evelyn: Hajime, Kazuma willingly gave up his humanity by turning into an Undead so you could have a good life and to save the world. And he would do it again.

Me: Well yeah and that makes him a true hero. He did it to save all of you. Just like so many people that we know that did so.

Evelyn: It's true. And in case you haven't noticed, I'm one of those people. I'm what's called a Celtician Dryad from the planet Celtica.

Hajime: I was gonna say I sensed something inhuman about you.

Evelyn: Yeah sorry about that.

Me: This is what they look like.

I showed them a hologram of one.

Shiori: Wow! That is a beautiful creature.

Me: It sure is.

Rabbid gibbering.

Me: Oh and these little guys are Rabbids.

Amane: They are so cute.

Me: They may be cute but they are not the brightest lightbulbs in the closet if you know what I mean.

Nico: They are funny idiots.

One of the Rabbids tried to lick a Rouse Card.

Sakuya: No! That's not something you shoud lick! (the Rabbid blows a raspberry at him) Don't you raspberry me!

Me: (LAUGHS) See they are idiots. But they are funny.

Nico: That is going to be the line of the day every time we start our first missions.

Laney: Yeah it's true.

Evelyn: Yeah. Also we did a really good jump start.

We showed them our Rouse Cards we've been collecting over the last few days.

Amane: Wow you guys were busy and we had no idea there were constellation Rouse Cards.

Me: Well that is an ugly story too.

Nico: And we have these as well.

Nico showed them the M.O.E. Rouse Cards.

Eli: Masters of Evil Rouse Cards.

Me: We got them from defeating Another Blade.

Nico: Also, Eddy used to have a Dark Side in him. But now, said Dark Side is out of him and is on the loose.

Me: But we banished him to the Book of Vile Darkness Dimension. So be warned he will appear and hurt you guys.

Eli: Yeah Eddy got hit on the head with a couple of bowling balls and a bowling pin because of one of Luan's enemies.

Nico: Yeah no kidding. That was awful.

Laney: It sure was.

Me: This dark side wants to wipe out all heroes and villains so he can hog all the fame and glory.

Nico: But I put a curse on him. When 24 times have passed on the first of each series of Ambassador Missions he will be banished to the Black Gates.

Sakuya Tachibana: Good.

Nico: Also, when was the last time an Another Omnitrix Alien showed up?

Me: Oh gosh its been a long time. I lost track.

Nico: No worries.

Sakuya Tachibana: Is that what that version of Ultimate Rath was that we were fighting a few hours ago was?

Nico: You guys were fighting Another Ultimate Rath!?

Amane: We sure were. And it was a tough one.

Me: Evolved Appoplexians are really tough creatures.

Dark Spicer: Yeah I used my own version of Rath called Furi on J.D. and kicked his ass.

Me: I'm never going to live that down. He went totally apeshit on me and beat the living crap out of me back then.

Sakuya Tachibana: Oh man. But yeah Just a few minutes ago before you all arrived we faced a black version of Ultimate Rath.

Lola: Oh man.

Hajime: This one was so tough that we had to use our super modes.

Me: Boy I bet.

Nico: No kidding.

Eli: Lets see.

Eli concentrated to sense for it.

Eli: Found it! It's over at the park!

Me: Lets roll!

We were off.

We went and arrived at the park and saw a black version of ULTIMATE RATH! It was ANOTHER ULTIMATE RATH!

Nico: WHOA! Another Ultimate Rath!

Eli: This one is gonna be tough!

Lola: Yep!

Me: But I'm not going to let it get the drop on me again. No offense Dark.

Dark Spicer: None taken but yeah.

Kazuma: Better get my game face on.

With that, Kazuma pulls what looks like a strangely high-tech belt buckle and what looks like a playing card, an Ace of Spades, displaying a beetle of some kind with the Spade symbol on it's back and text reading "Change Beetle", before slipping the playing card into a slot on the belt buckle. He then slams the belt buckle onto his waist, causing a stream of cards to fly out of one end and connect to the other, forming the actual belt. Then with an arm raised to the sky, he lets out his battle cry.

Kazuma: Henshin!

At his transformation cry, Kazuma pulls on a handle on the right side of his belt buckle, causing the front plate to flip around, revealing a red background and golden Spade symbol)

Blay Buckle: Turn Up!

As the Blay Buckle announces that, a blue energy card bearing the same beetle and Spade symbol emerges from the Buckle, which Kazuma immediately runs through, generating his suit. Primarily blue, but covered in silver armor with red detailing revealing a Spade symbol, and a head that kind of looks like a silver spade on a blue head with large red eyes, carrying a sword with a gold sided blade, some sort of counter set to 5000 and a silver Spade atop a red background on the hilt.

Me: Time to Double Down!

I went SUPER ANGEL WOLF MOON XELNAGA!

We went at it and then jumped and I kicked it down!

Nico: There's more where that came from Tiger!

Touma pulled out his Brave Dragon Wonder Ride Book!

Touma: Henshin!

He transformed too!

Me: **Okay tiger face who are you!?**

Another Ultimate Rath: (in a girls voice) Been a while J.D.

Me: (GASP) **That voice! Victoria Cunningham!?**

Another Ultimate Rath: Its been a long time J.D. and you have changed a lot.

Me: **It has been a while.**

Nico: You know her?

Me: **I sure do. Her name is Victoria Cunningham. She was a girl I knew that was ABSOLUTELY Hellbent on revenge on a bully that I hate with every fiber of my being.**

Nico: Uh oh! What did she do?

Me: **Well her name was Erin Mertins and she was one of the worst. She HATED people like Victoria because she was prettier than her. And one time in Junior Prom, Erin did a REALLY HORRIBLE Prank on her and splattered her all over with steak blood, garbage and rotten eggs and posted humiliating naked photos of her for EVERYONE to see! I knew it was her doing and I walked over to Erin and punched her hard in the face and knocked out all of her teeth! Ever since that day Victoria was HELLBENT on getting revenge on Erin and wasn't going to stop till she got it!**

Everyone gasped!

Applejack: Why that low down two-timing evil sidewinder!

Lola: That girl is a monster!

Nico: GROWLS! THAT MAKES ME SO MAD!

Me: **No fucking shit there!**

Kazuma: Many of the Another Riders and all that have been most of J.D.'s friends and enemies that he knew for a long time.

Sakuya Tachibana: Wow! That is rough.

Nico: No kidding! What happened to Erin?

Me: **Well I told her off and called her a heartless bully and a ruthless bitch and that she has no heart and soul and that she needs to go to a fuckfactory whorehouse where she is raped and beaten non-stop until she dies.**

Eli: GEEZ!

Me: **I know that was a low blow but it was fitting for her. Erin deserves it. But luckily everyone saw it and even recorded it and showed it to the school and they expelled Erin and called her family and they sent her to one of the harshest boarding schools in the world. I don't know where it is but we never saw her again afterwards.**

Nico: Good she deserves it.

Me: **But she vowed that she would one day return and kill me and Victoria.**

Nico: Like that will ever happen.

Amane: Yeah no kidding.

Sakuya: Don't leave me out.

Sakuya pulls out a device similar to the Blay Buckle, and a card similar to Kazuma's "Change Beetle" card, only is a Diamond suit Ace rather than a Spade, and is labeled "Change Stag" rather than "Change Beetle". Just as with Kazuma, Sakuya places the card into the Blay Buckle like device before placing it on his waist, forming the belt from cards just as before.)

Sakuya: Henshin.

Now just as Kazuma did before, Sakuya pulls a switch on the right of his belt device, causing the panel holding the card to flip over, revealing a green background with a gold diamond on it

Garren Buckle: Turn Up!

With the announcement made, a blue card-like screen featuring the stag beetle from the "Change Stag" card appears from the Garren Buckle, and passes over Sakuya, providing him his suit of primarily red and silver, with two silver horns representing the pincers of a stag beetle emerging from above the green eyes, and forming a red and gold gun, with a similar counter to the one on Kazuma's sword, in his hand.

Nico: Awesome!

Amane: Time for my turn.

Amane pulls out a device similar to the Blay Buckle, and a card similar to Kazuma's "Change Beetle" card, only is a Queen suit Ace rather than a Spade, and is labeled "Change Phoenix" rather than "Change Beetle". Just as with Kazuma, Amane places the card into the Blay Buckle like device before placing it on her waist, forming the belt from cards just as before.

Amane: Henshin.

Now just as Kazuma did before, Amane pulls a switch on the right of his belt device, causing the panel holding the card to flip over, revealing a Blue background with a Red Royal Flush on it

Houen Buckle: Turn Up!

With the announcement made, a blue card-like screen featuring the Phoenix from the "Change Phoenix" card appears from the Houen Buckle, and passes over Amane, providing her the suit of primarily red and orange, with two firebird wings on her back and a red helmet that looked like a firebird with blue eyes and forming a red and orange sword in her hand!

Me: **WHOA!**

Nico: WOW!

Me: **Kamen Rider Houen! That is cool!**

Amane: Thanks guys.

Eli then sensed something.

Eli: Behind you Kazuma!

Just then, we avoided some blaster fire and saw Dark Eddy aiming his own blaster at us.

Dark Eddy: Miss me, dumbasses?!

Hajime: Don't worry. I'll deal with him!

Hajime takes out a card, yet another Ace, but this time that of the Suit of Hearts, with "Change Mantis" written on it, showing a Mantis contained in a heart of pink amber.

Hajime: Henshin!

Hajime then scans the card through the split in the heart on his belt buckle, causing a shadowy energy to engulf him, consolidating into a black and gold armor with a mantis style head, with the heart symbol acting as a compound-eye style visor, carrying a bow)

Chalice Rouzer: Change!

Me: **NICE!**

Lola: We also faced Another Chalice and got Non Core Rouse Cards.

Hajime: Cool! Leave this guy to me.

He went at Dark Eddy and kicked his blaster out and slashed him all over.

Touma (gets out Living Laser's Ride Book): First things first. I'm getting this out of the way!

Me: **Me too.** (ACTIVATES KAMEN RIDER FALCHION'S RIDEWATCH)

I got his Saber Sword and got my Eternal Phoenix Wonder Ride Book.

Me: (Reads Verse) **"And with a powerful barrage of fireballs raining down from the sky, the mighty immortal phoenix struck all its enemies with intense fire and force that it burned the living daylights out of them to an intense level scarring them with the power of the flames of renewal."**

Fireballs rained down from the sky and they hit Another Ultimate Rath and Dark Eddy all over.

Sakuya Tachibana: Wow! That was cool!

Nico: Yeah it was!

Eli fired a blast of Force Lightning and electrocuted Dark Eddy all over.

Sakuya: I didn't know you guys can do that with your Wonder Ride Books.

Me: **Lots of things are never beyond the full scope of human imagination.**

Touma: Try this on.

He activated it and read a verse.

Touma: "From out of the shimmering beauty of the stars came the beautiful princess of the stars who is the guardian of the cosmos and she rained down the cosmos of space and blasted the forces of the Laser Villain all over the place with incredible force. She rained the power of the heavens down on her foe"

Massive numbers of stars shot at Dark Eddy and Another Ultimate Rath and they smashed them all over.

Me: **WHOA! Touma that was awesome!**

Lola: Yeah it was!

Dark Eddy fired his blaster at Hajime, who dodged each shot.

Dark Eddy: Why do you even feel a need to show off your power even though Nico's leader now, J.D.? Because you don't want to be seen as weak?! You ARE weak! You became that way ever since you stepped down as leader! An old relic like you should be in a retirement home playing bingo!

Hajime: Retirement home? You must be thinking of the elderly!

Me: **Yeah so up your fucking nose with a fucking rubber hose!**

Dark Eddy was insulted!

Dark Eddy: (ENRAGED GROWLING) I HATE ALL OF YOU!

Our auras then flared up with intensely powerful force and we got stronger!

Sakuya Tachibana: Whoa what happened!?

Amane: Whoa I feel so much more powerful! What happened!?

Eli: It's one of our many powers. Whenever someone hates us at an incredible level it makes us more powerful. We absorb negative energy and it makes us stronger.

Dark Spicer turned into Ultimate Furi.

Ultimate Furi: LEMME TELL YOU THIS WARNING, ANOTHER ULTIMATE RATH! YOUR ASS IS ABOUT TO BE KICKED!

Nico: (gets out Zzzax's Ridewatch) More like zapped!

He activated it and fired a massive blast of lightning and electrocuted her all over and then Ultimate Furi smashed and pulverized her all over.

Kazuma: You know Hulk Hogan says that same line too.

Me: **Yes he does. That's one of my favorites.**

I fired waves of energy and blasted her all over.

But then Tarantula Undead, Giraffa Undead, Caucasus Undead and Paradoxa Undead appeared!

UH OH!

Me: **Whoa man! Tarantula Undead, Giraffa Undead, Caucasus Undead and Paradoxa Undead! I remember these guys!**

Evelyn: (gets out Changkey Dragon's Rouse Card) Now it's getting interesting!

She activated it and got a Fireball Whip Arm!

Me: **YEAH!**

She lashed all four of them down with it and Tarantula Undead exploded and I sealed it into a Rouse Card!

Me: **NICE!**

Nico: One down.

Sakuya: Wow you guys are getting good at that!

Eli: We sure have gotten good.

Eli fired waves of Force Lightning and electrocuted Caucasus Undead all over.

Me: **Yep. Here's one of Revice's powers.** (ACTIVATES SUIKA MONSTER'S VISTAMP)

SUIKA MONSTER!

Me: **WATERMELON SOCCER KICK!**

I kicked numerous watermelons and they hit Giraffa Undead and smashed him down and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I then sealed him!

Eli: Two Down!

Me: **Not done yet.**

I threw a watermelon into the air.

Me: **WATERMELON SUPER BICYCLE KICK!**

I flipped and did a bicycle kick and sent the watermelon into Dark Eddy's face and smashed him into the ground!

He got up.

Dark Eddy: (Stupid Dazed Talk) Granddad you ran another stop sign.

Touma: (gets out Living Laser's Rouse Card) And now, to try something new!

He activated it and ran fast and slashed down Caucasus Undead and Paradoxa Undead and they exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I then sealed them both!

Me: **Awesome!**

I got their charms and so did everyone else.

Me: **That takes care of them.**

Kazuma: And now, for these two!

Me: **Yep.**

Nico: But that was funny doing that Bicycle Kick with the watermelon into Dark Eddy's face.

Me: **Thanks. It's obvious what Swartz promised you Victoria and that's revenge on Erin right?**

Another Ultimate Rath: That's right. That bitch completely humiliated me!

Me: **Believe me I want to kill her just as much as you do.**

Nazz: We can help you with your payback instead.

Nico: Yeah!

Another Ultimate Rath: Thanks guys.

Nico: You're welcome.

Me: **First we got to save you from this monster you became.**

Eddy: And send my dark side packing!

Eddy and Sakuya kicked him and a portal opened up and sent him back into the Book of Vile Darkness Dimension!

Evelyn: That did it!

Lola: Time for this!

She fired waves of fire and blasted Another Ultimate Rath all over.

Laney: And this!

She fired waves of leaves and slashed her all over.

Me: **Normally a gene-slammer would appear and finish the job but not this time.**

Kazuma: We need to finish it ourselves!

Me: **Lets do a combo. Kazuma, Sakuya, Hajime, Amane?**

Kazuma: You got it!

Lola: Get her!

Kazuma got another Rouse Card out.

Same with Sakuya, Hajime and Amane.

Me: (Gets out Lord Drakkon's Rouse Card) **Lets do it!**

We activated them.

LORD DRAKKON! BITE! INFERNO! LIGHTNING! FIRESTORM!

LORD OF THE FIRESTORM DRAGON!

Me, Kazuma, Hajime, Sakuya and Amane: FIRESTORM DRAGON FURY BLAST!

We fired a massive blast of fire and lightning and it hit Another Ultimate Rath and she exploded!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was down and I caught the Ridewatch and purified it. I went over to her. Victoria was a girl that was still in her messy prom dress and it was stained from the blood and garbage and rotten eggs and torn up and she had black hair that was a mess.

I picked her up.

Me: **Victoria?**

Victoria Cunningham: (GROANS) What a headache.

Me: **Your clothes are still a mess. Swartz must've kidnapped you while you were running.**

Victoria Cunningham: I guess so.

Nico: We should get you new clothes.

Me: **Yeah and a bath to boot.**

I picked her up.

Me: **So Kazuma how does it feel to be back with the whole Blade Team after all this time?**

Nico: I was just about to ask that.

Kazuma: It feels great!

Sakuya Tachibana: The team was never the same without you Kazuma.

Nico: We're glad you're back with everyone.

May: Boy we all are.

Nico: Kazuma, we're really gonna miss you, man.

Kazuma: It's not goodbye forever Nico. It's only see you later.

Me: **Besides you'll see us on Evelyn's missions. Also we might battle Isaka later on. Then he can be the first of many of your enemies that we banish to the Black Gates.**

Kazuma: Good.

Me: **It was awesome facing him before.**

---

We later came back home.

Varie: Hey guys how did it go?

Me: Really awesome and epic!

Allie Wilde: Victoria Cunningham!? Oh my gosh! Are you okay?

Victoria Cunningham: I am. Just need a bath.

Allie Wilde: Lets get you one.

She took her to the bathroom.

Me: We got a lot to tell you.

We told everyone everything.

When we were done everyone was amazed!

Qin: WHOA! That is awesome!

Erica: Nice job Evelyn!

May: Rolf and Changkey Dragon should come with you next time.

Rolf: Rolf is honored to go too.

Lola: Yeah this was awesome!

Me: I have a feeling the next mission will be fun.

---

Billy was still in his room crying his eyes and heart out. Tears poured out of his eyes and snot dripped out of his nose like a faucet.

Billy: (CRYING AND WAILING HARD) WHY MUST THE BAD THINGS HAPPEN TO CHRISTMAS!? WHY! (CRYING AND

WAILING!)

We were seeing Billy cry really hard.

POOR BILLY.

Me: Aw man. Poor Billy.

Nico: These last few days were really rough on him.

Sperg: Aw man. Billy's been like this since yesterday.

Me: No kidding. He may be an idiot but he is still human too. But seeing him like this makes my heart hurt.

Maria: Same with me. Poor guy.

Bev Bighead: Geez, what I wouldn't give for him to be Tuxedo Man right now.

Me: His mom wouldn't agree with that though.

Mandy then went over to him and sat with him.

Mandy: Billy? What happened to you was (Grunts) Not your fault.

Octopunch: C'mon, Billy! Be Tuxedo Man! Act stupid! Play with Grim's Scythe! Just get out of this depression already!

Nico: Octopunch don't rush these things.

Octopunch: Sorry boss.

Billy: Mandy do you think I'm stupid idiot?

Mandy: Well Billy you may have done a lot of stupid things in the past but you always will be a stupid idiot. But you will always be my stupid idiot and a best friend. Just because I hate everything doesn't mean I still don't have a heart.

Then we saw something that Mandy thought she would never do. SHE ACTUALLY SMILED FOR REAL! ON HER OWN ACCORD!

Seaspray: If this doesn't cheer Billy up, nothing will.

Sperg: I could dress up like Sassy Cat.

Billy: Mandy? You actually smiled?

Mandy: If you say anything I will kill you. But don't get used to it.

Billy: Oh Mandy!

He and Mandy hugged and it was so awesome and happy! Billy was happy!

Qin: Aww.

Xenia: So adorable.

Me: I guess underneath Mandy's heart of stone is a heart of diamonds.

Nelson: Nico, which teams have you made this time?

Nico: Leif's team will include Camie, Sky, Bridge, Z, and Sydney. Lexx's team will include Goofy, Ethan, Kira, Namine, and Trent Fernandez.

Leif: Awesome!

Z: Bout time the SPD and Dino Thunder Rangers had their shots at a team too.

Me: Well Tommy may be 5 different rangers from 5 different series but he has his own team coming up soon.

Qin: Yeah. But I thought it was awesome.

Namine: But it will be awesome helping everyone.

Lexx: It sure will.

Lola: Yep.

Then the previous group of M.O.E. Members came.

Molten Man: Can me, Common Cold, Technus, Katnappe, Roquefort, Xaldin, Whirlwind, Koragg, King Shark, and Tala go with you guys?

Warp: Me, Crud, Mike Rochip, Le Quack, Cheese Monster, Yost Whirlwind, Evil Luxord, Darcy, Utomodachi, and Virgo Zodiarts will go too.

Nico: Yes you all sure can come with. And you all are just in time. We're going to an awesome new ocean planet for an awesome new race.

Qin: Yeah this will be interesting to see.

Lola: I hope it's a food planet! That will be cool.

Nico: A race on a food planet. That would be awesome. Bobbie Fletcher came to me yesterday and said that it takes place on that planet.

Me: We're really looking forward to this one.

Nico: Yep. It's an Airboat Race and we have our airboats all on the ship.

Xenia: Cool.

Carly Atlas: We're looking forward to this one.

Zuria: Boy I've never been in an actual race before. This is gonna be so fun!

Hunch: Nico, which Gene Slammer do you think you'll meet next?

Nico: Dugtrio next.

Me: Ooh one that digs. Nice.

Qin: Yeah.

Lola: Awesome.

Lana: That one will be cool.

Xenia: It sure will.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Apollyon, the chief warlord of the Blackstone Legion, and the main antagonist and final boss of the story mode of For Honor, and she's here to plunge the planet into an age of eternal war. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone else coming after us?

Lincoln: You guessed it, Rayman, and we're not going to like this one bit: the dark energy we sensed belongs to Apollyon, the chief warlord of the Blackstone Legion, and she's here to plunge the planet into an age of eternal war.

Nicole: (Gasps) Oh, that's so not good! We got to stop her, that warmongering knight's a danger to the world.

Nico: Sheesh, so this warmongering knight despises peace and loves only war, she deserves to die a horrible gruesome death for her crimes.

Me: She sure does.

Lincoln: But, she's not alone, she's also got the entire Blackstone Legion with her, but I'm not going to let her nor her legion get away with trying to destroy the world by plunging it into an age of war for her own selfish ambitions.

Gabrielle Chevalier: That's right, trying to destroy the world by plunging it into an age of war for her own selfish amusement, she and her legion deserve only to be sent to The Black Gates once and for all.

Nico: Yeah, that warmonger deserves a horrible death for her crimes, along with her legion. Alright, gang, let's go, we got an awesome race on a new ocean planet that's been discovered.

Lincoln: A new ocean planet has been discovered, and we're having a race there, awesome. But, I also can't help but get the feeling that another enemy from years ago is waiting for us there, just like what happened with Count Dracula this morning. But, whoever it is, once we get done with the race and whoever is waiting for us there, you're next, Apollyon, and you and your warmongering legion are heading for a place far worse than Hell.

Gabrielle Chevalier: A selfish warmonger like you has no place in the world, you and your legion will all pay for the crimes that you've committed.

Mike Rochip: Let's get going.

Technus: I, Technus, will pilot the ship.

We went to the ship and we were off.

---

The U.S.S. Valorous Phoenix was seen flying through space.

Nico: Captain's Log, Stardate 7111.6: The U.S.S. Valorous Phoenix is en route to another awesome and amazing ocean planet and we have reaason to believe that it is a food planet and we're going to have an awesome race there. But also our mission is to battle whatever villain is there too.

Me: I hope it's an awesome planet.

Xenia: Me too. And I hope it's edible.

Camie: Yeah.

King Dedede: I wonder what planet it is:

Nico: We'll find out shortly.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at a buttercream color planet.

Me: Wow from up here it looks like a desert planet.

Qin: Yeah it sure does.

Lola: Yeah.

Nico: Lets land.

We got to landing.

We landed and we got out and saw that it was an ocean planet. The water looked like it was all white.

Me: Wow look at this. It's like the planet is made of pure milk.

Nico: It sure looks like it.

I went and scooped some of it up and tasted it and to my surprise it was actually EGGNOG!

Me: Hey it's Eggnog!

Nico: Wow!

IT WAS A WORLD MADE OF EGGNOG!

Roquefort: Eggnog?

Cheese Monster: I was hoping for cheese!

Nico: It's the Christmas Season and this is perfect for it!

Qin: Wow! An Eggnog Ocean Planet.

Timmy Turner: Wow my dad would love this planet. He can't get enough eggnog!

Eddy: Wow! This is amazing!

Whirlwind: Won't hurt to try more eggnog.

Stewie: And get some for my new eggnog blaster.

Evil Luxord: Did you just make that today?

Stewie: I sure did and it's a really genius device.

Me: Cool Stewie!

We got our mugs and got some eggnog in them.

Laney: Want some nutmeg on them?

Nico: Sure Laney. Nothing goes better with eggnog than grated nutmeg.

Laney: Yeah and it smells great.

She used her plant powers and made Nutmeg and used a grater and put some on our eggnog and we drank some and it was DELICIOUS!

Me: Mmm!

Qin: Boy this is good stuff.

Xenia: It sure is!

Airi: For the record, Gabrielle, Huggins is a cool Guy to hang with.

Gabrielle Chevalier: I know. And I'm glad he is a changed guy.

Nico: But if he does change back to his old roots there will be hell to pay.

Qin: Yep.

Laney: That guy is such a killjoy.

Me: Yeah he was.

Tala: But he DOES manage the school well.

Virgo Zodiarts: And he's not like Scoots.

Me: Thank goodness.

Lola: Uh guys look at Sasuke.

We saw that Sasuke was drunk as a loon!

Me: Uh oh!

Jamesdean5842: Oh great. It's going to be one of those days.

Nico: How did he get drunk?

Varie: Poromon did you give him too much beer?

Poromon: No it wasn't me!

Sakura Haruno: He gets drunk like this whenever he drinks too much eggnog.

Naruto: He drinks so much eggnog around Christmas time that he gets drunk as a loon.

Qin: Geez!

Fubuki: Let's get you to sleep.

Me: That is crazy.

Fubuki then took Sasuke and put him to sleep.

Me: No racing for you bud.

Naruto: He doesn't have a car though thank goodness.

Billy: Hey Grim you want a glass of Eggnog or 2?

Grim: (Jamaican Accent) None you bubble-nose baboon!

Utomodachi: Let's start the race.

King Shark: I'll be swimming the whole time.

Princess Shirahoshi: Me too.

Camie the Mermaid: Same here.

But then…

King Kai: (Telepathically to Nico) Nico, Everyone! Can you hear me!?

Nico: King Kai! Yes we hear you! Is something wrong?

King Kai: I'm afraid I have really bad news. That evil insane Imaginary Friend that you guys faced, Berry who was after Bloo has escaped from prison and she is out to get you guys for revenge.

We gasped!

Me: That menacing Psychotic Yandere fiend is back!? Oh man!

Camie: Who is Berry?

Me: An Envious Yandere Imaginary Fiend.

I went over her history.

---

Berry is a minor antagonist in Foster's Home for Imaginary Friends. She is a pink, lovable imaginary friend who appears to be sweet and generous, but is truly an easily jealous and homicidal person.

She acts sweet and kind but is homicidally jealous of anyone who she sees as a threat to her relationship with Bloo, which is even more imaginary than she is.

She was voiced by Grey DeLisle, who also voices Frankie and other characters in the show, as well as Vicky from The Fairly OddParents.

She first appeared in "Berry Scary" where she arrived at Foster's with luggage from an unknown home. She was welcomed by Frankie, but her eyes were stuck on Bloo. She instantly fell in love, and followed him everywhere he went. The first sign of her jealous personality was shown when Bloo got up from the dining room table to get cake, and another imaginary friend took his chair. Berry asked him politely to leave, but he refused. She then got angry and yelled, and the imaginary friend got up and ran.

Berry followed Bloo to his bed room, where she met Mac. When she learned that they were best friends she grew an instant hatred for Mac, and planned to get rid of him. When Bloo and Mac were outside in an attempt to break the world record for most paddle palls paddled, she arrived and cut the string with scissors, causing the ball to fly across the field. Bloo was about to retrieve it when Mac pulled out a spare. He began the paddling again, and Berry once again cut it. This time Bloo was forced to go get it, and Berry started a conversation with Mac. She drew a knife and began slashing an unknown object off screen with anger in her eyes. When she finished, she grabbed the object which were rice crispy treats, offering one to Mac. Mac, unsure about Berry, denied the offer.

Over the course of the next few days Berry would interfere with their world record plans, even putting Mac's life in danger by locking him in a freezer. Finally, Berry met Bloo in the bathroom and told him that Mac must have been getting in the way of their world record plans, and told him to work with her instead. That evening, Berry showed Bloo the world's biggest rubber band ball she had been working on, and asked if Bloo would help her with the last rubber band. The entire house was watching, until Mac arrived to stop them by cutting the last rubber band.

Mac and Bloo then used a new rubber band to strap Berry to the ball, and her constant squirming caused the ball to roll back and break through the wall. She rolled off into the distance, eventually breaking the world record for longest distance traveled while strapped to the world's largest rubber band ball.

Her next and last appearance was in "Affair Weather Friends" where she disguised herself as a rich boy named Barry Bling. She was given a tour of Foster's, eventually asking Mac if she could purchase Bloo for a hundred dollars. Mac refused the offer, and "Barry Bling" kept raising his offer, eventually going to ten thousand dollars. Mac refused even this, and Berry left. On the way out the door she said that now she had nothing to do but to play with the thousands of toys he owned, including an automatic paddle ball. This caught Bloo's interest, and would sneak out of Foster's on a daily basis to play with Berry.

Eventually Mac found out about what Bloo was up to and lost stormed off to Berry's mansion to confront the two. He couldn't find them anywhere, but did find many unusual things (several Barry Bling costumes, the tied-up family who owned the mansion, and a shrine to Bloo). Eventually, Mac found the toy room, but the lights went out and a strange noise could be heard.

When they were turned back on, Mac found himself tied to the world's largest rubber band ball and was confronted by Berry, who ripped off her costume and rolled the ball onto a set of train tracks. The ball was placed just right so that if a train would be coming it would hit and kill Mac - which is just what Berry planned on! She got in the toy train and turned it on, and the train raced at Mac. Just when all hope seemed lost for the boy, Bloo arrived and didn't even notice that Mac was in danger. Finally, he realized what was going on, and Berry tossed her automatic paddle ball at him. Bloo was torn between saving Mac or taking the paddle ball. He came up with a plan and took the paddle ball, turned it on, and launched the ball at Mac. Mac grabbed onto the ball with his mouth and was pulled from the trap. Berry hit the rubber band ball and was once again strapped to it, which broke through the wall and rolled off into the distance with Berry screaming. It is unknown what happen to her afterwards whether or not she survive this time like before.

When I was done everyone that hadn't heard about her was shocked!

Nico: I knew it was only a matter of time before she returned!

Qin: I hate that monster!

RD Lisa: I suggest we focus on the race first.

Camie: Wait I wasn't with you guys when we faced her.

Qin: Neither was I. But I heard all about her. Can you guys tell me about her?

Me: Sure Qin but you are not going to like this.

I went over what happened in the events of chapter 787 and it was crazy.

At the Jupiter Prison, it was time for another rant session with the worst ever babysitter in the history of the world: Icky Vicky.

Manboy: So this is the reason why you sent me to prison?

Nico: Yep. See that girl there. That's the worst ever babysitter in the history of the world: Icky Vicky. She's pure evil to the core.

Nico explained all about her and Manboy was stunned.

Manboy: That's awful! I love children and I would never treat them like that. Sure I may be a bad guy but even I have a soft side.

Nico: That's true. But Icky Vicky is a monster and is a heartless psychotic sociopathic freak.

Manboy: I believe it. Icky Vicky has a black heart.

Molly Molloy: This is gonna be good guys.

Billy Deep: You said it. But I just can't help but feel sorry for Stuart's kids.

Prisoner 2: I hear ya Billy. They went through a rough time.

Molly Molloy: I know. But they are getting better. Thanks for your concern.

Prisoner 2: You're welcome.

They got it underway.

Molly Molloy: ARE YOU SAYING THAT I'M SOME FLAT AND

POINTY OBJECT THAT GETS STRUCK BY A HAMMER, HERE TO FIX YOUR BROKEN CHAIR!? IS THAT WHAT YOU'RE SAYING!?

Icky Vicky: Um… Yes?

Molly Molloy: THAT'S IT! I'LL NAIL YOUR FUCKING ASS INTO PULP YOU FUCKWIT!

Molly Molloy jumped her and pulverized the living shit out of her and everyone was laughing their heads off.

Nico: (Laughing Hysterically) Oh this always cracks me up!

Billy Deep: My turn. I hope my parents don't ground me for this.

Billy Deep went up to Icky Vicky.

Billy Deep: Are you calling me a spectacle? What, do I look like a lens in a frame, designed so you can see better out one of your eyes!? IS THAT WHAT YOU'RE SAYING!?

Icky Vicky: Uh… Yes?

Billy Deep: THAT'S IT!

Billy Deep jumped her and pulverized her all over the place.

Everyone was laughing their heads off some more.

Manboy: (LAUGHING HYSTERICALLY) OH THIS IS SO FUNNY! NOW I SEE WHAT YOU MEANT BY THIS NICO!

Nico: (LAUGHING HYSTERICALLY) YOU GOT THAT RIGHT!

Sheena Deep: My turn!

Sheena Deep went up to Icky Vicky.

Sheena Deep: ARE YOU TRYING TO SAY I'M FAT? THAT I'M SOME KIND OF CHICKEN LEG FOR YOUR MATSOBALL SOUP!? A CHUNK OF FAT MEANT TO UP YOUR CHOLESTEROL LEVELS!?

Icky Vicky: Umm. Yes?

Sheena Deep: THAT'S IT! I'LL RIP YOUR FUCKING HEART OUT AND SHOVE IT UP YOUR FUCKING BUTT!

Sheena Deep jumped Icky Vicky and pulverized the living shit out of her. Everyone was laughing hysterically again.

Prisoner 3: (LAUGHING HYSTERICALLY!) OH THAT IS SO FUNNY!

Nico: (LAUGHING HYSTERICALLY!) YOU GOT THAT RIGHT!

Robby Schwartz: My turn! I'm just gonna do a prank on her.

Nico: Okay.

Robby Schwartz went up to Icky Vicky and put a stethoscope on her.

Robby Schwartz then pulled out an air horn.

Nico: Uh oh. Plug your ears guys. This is gonna be loud.

They plugged their ears.

Robby Schwartz put on Noise Cancelling Earphones. She held the airhorn up to the probe of the stethoscope and honked it.

***HHHHOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO***

The Horn blast was so loud that it made Icky Vicky's head shake violently and she screamed in so much pain as blood poured out of her ears.

Everyone was laughing hysterically! Another funny rant session was in the books.

Back on Earth, Nico was riding his Rapidash and Britney Crosby was riding her own Rapidash with him. But her Rapidash was a Dark Element Rapidash. They were going to talk to Britney's mom about what happened to Britney during their encounter with Slappy.

Britney Crosby: This is so awesome Nico! I love riding horses but I never thought riding a Rapidash would be so awesome!

Nico: J.D. is a great teacher of how to raise Pokemon.

Britney Crosby: He sure is. And I'm learning so much as well from you guys. Who are we gonna go after next in the Goosebumps Series?

Nico: We're going after Clarissa from Be Careful What You Wish For.

Britney Crosby: I remember reading that one. That was a great one. But her magic always takes a turn for the worse.

Nico: I know. Clarissa is an evil sorceress. But she will pay for her crimes. But I can't believe that she turned Samantha Byrd into a bird. But I have a feeling that she is out there somewhere and we will find her and help her.

Nico and Britney Crosby rode on and they had no idea that a hawk was watching them from on top of a tree. That hawk was Samantha Byrd, transformed into a hawk by Clarissa.

Samantha: I know you will Nico. And I'll be waiting.

Samantha flew off.

---

In Jackson, Mississippi they arrived at the house Britney Crosby lives in. Turns out her house is a massive mansion. It was a beautiful 12,000 square foot home with all kinds of awesome features!

Nico: Wow! Britney, I didn't know your family was filthy rich.

Britney Crosby: Yeah. My mom is a very successful business entrepreneur and she makes a very popular health bar called ChocoHoney Delight.

Nico: Ah! I love those chocolate bars. They are so delicious!

Britney Crosby: I know. They are so good.

They went into the mansion grounds and the garden was a breathtaking and beautiful marvel.

Nico: Wow. Britney your garden is amazing.

Britney Crosby: I know. I got this magnificent mansion after my first visit to Horrorland. It's over $75,000,000,000.00. We got a huge amount of money totaling $500,000,000,000,000.00.

Nico: Wow! That's a lot of money.

Britney Crosby: I know. It's not as big as J.D.'s wealth but I'm not complaining.

They went into the house and it was amazing. It was an amazing mansion worth a tremendous fortune and more.

Nico: Wow. Britney your house is amazing.

Britney Crosby: Thanks Nico. It's home sweet home.

Poliwag: It's so breathtaking.

Mrs. Crosby then arrived.

Mrs. Crosby: Britney!

Britney Crosby: Hey mom!

They hugged and were reunited.

Mrs. Crosby: I was so worried about you.

Britney Crosby: I'm sorry to worry you mom. I was in good hands.

Nico: Hello Mrs. Crosby. I'm Nicolas Chan. But everyone calls me Nico and I'm one of the second in command of Team Loud Phoenix Storm.

Mrs. Crosby: It's such an honor to meet you Nico.

Nico: There's a reason why Britney wasn't here and we have a lot to tell you.

They got to talking.

Nico told Mrs. Crosby about the torment that Slappy inflicted to him, Britney, and to several others. Mrs. Crosby was horrified.

Mrs. Crosby: So Slappy tormented you as well?

Nico: That's right Mrs. Crosby. Slappy was the worst ever monster I've ever encountered and I was dealt an indelible scar because of him. But Dr. Strange killed him before we did and sealed him into the Dark Dimension forever. But there are many others that he has tormented over the years and Britney was one of his victims.

Britney Crosby: That's right mom. Slappy tormented me during my first visit to Horrorland.

Mrs. Crosby: Well, I'm just glad Slappy didn't do anything to hurt you, Britney. Now, you just need to find yourself a boyfriend.

Britney Crosby: I'm sure my current outfit can help with that. It was Poliwag who gave me the black sunglasses.

Poliwag: Hey! Don't make me an accomplice here!

Nico laughed.

Nico: But that is funny. But Britney you will find someone that's perfect for you.

Mrs. Crosby: That's true. But Britney I love your clothes. Where did you get those?

Britney Crosby: My friend in Team Loud Phoenix Storm, Maria made them. She, Leni Loud and Teresa Haylin make awesome clothes. I'm also a member of Nico's branch team called the Goosebumps Monster Busters.

Mrs. Crosby: That's amazing.

Nico: It sure is. I'm the leader of the Goosebumps Monster Busters and our mission is to eliminate all the Goosebumps Monsters that are terrorizing people all over the world.

Mrs. Crosby: That's a heavy job. But I strongly believe in you all. Slappy terrorized so many people and ruined their lives.

Nico: I know. But thanks for your support Mrs. Crosby and Britney is in good hands.

Britney smiled knowing that she is safe and that she can handle anything.

At the estate we were watching TV, reading books, playing card games and more. I was looking up on the computer the members of Organization XIII and figuring what Heartless they were before they became Nobodies. Nico came back earlier and he caught a Lilligant and Whimsicott.

Lana: The Heartless that the members of Organization XIII became were really terrifying.

Me: I know Lana. They were incredible though. But they were really powerful.

Lola: Which ones did we encounter again?

Me: Lets see. So far the ones we beat are Vexen's Heartless - the Cryoflamer, Demyx's Heartless - the Dragopool Dragon, Xaldin's Heartless - the Tornadic Deathstorm, Elena's Heartless - the Electrified Skyterror, Marluxia's Heartless - the 8-Headed Pain Rose, Lea's Heartless - the Nuclear Firepain, and Aeleus's Heartless - the Volcanic Death Crystal.

So far we've defeated 7 out of 13 Heartless for each member of Organization XIII.

Laney: We're almost half way there.

Sora: Roxas is still inside me and he was part of Organization XIII.

Me: I know. But he merged with you so we won't have to fight him. I hope. The only ones we have left to destroy as Heartless are Xemnas, Xigbar, Zexion, Saïx and Luxord. And I'm willing to bet that Xemnas's Heartless is gonna be the most powerful one ever. He is Xehanort's Heartless after all.

Lea: Yeah that's true.

Xion: But I'm a Nobody and I was part of Organization XIII.

Me: Yes Xion we know that. But you have a light inside you that can pierce through the shadow of evil.

Nico: Lets not forget that Arixam is Maria's Nobody and Xnek was Ken's Nobody.

Me: That's what really surprised me. Maria and Ken didn't turn into Heartless.

Arixam: That's what really startles us Maria.

Maria: I know. You were born when I was cured thanks to the power of Tefnut.

Arixam: I know.

Kairi: And my Nobody Naminé is here. She's helping us out.

Me: I know. But I have a strong feeling that we're about to face Saïx's Heartless next.

Luan: If we do then we better be ready for him.

Rita: And I want to help you out against him.

Me: We would love to have you help Ms. Rita. We're always willing to give you a shot. You did get Lightning Powers and Super Elasticity.

Rita: That's right and I can now be in multiple places at once now.

Me: I know.

Lincoln came in and he had the mail.

Lincoln: Mail's here guys.

Me: Oh cool.

I went through it and we got a lot of neat stuff. But there was one letter that was out of the ordinary.

Me: Hmm. What's this one?

I opened it and it was a note.

Me: It's a note. (Reading)

"Dear Bloo,

This is your future wife Berry. Guess what?

I have Timmy Turner's Parents and I am holding his parents hostage.

If you want to see them alive again, you will marry me in a wedding to become mine.

I love you Bloo.

Berry."

It was a ransom note!

Me: It's a ransom note!

Lori: But who is Berry?

Me: Sounds like she's an imaginary friend that Bloo knows.

Bloo: Oh man! She is the worst! She has an insanely mad crush on me!

Me: Let me see here.

I looked up her profile and she was a pink imaginary friend only half of Bloo's size and she's a homicidal and envious psychopathic imaginary friend.

Me: Whoa! This Imaginary Friend has some serious problems!

William: Why would Berry want to kidnap Timmy's parents?

Bloo: Maybe as a bargaining chip for me to marry her. Well, Berry can have them.

Eddy: (snickers) Funny that they got captured by an imaginary friend smaller then them.

Timmy: (laughs) You said it! They're so dumb that they weren't even prepared for Berry's attack.

Nico: Soundwave, send the coordinates of where Mr. and Mrs. Turner were last spotted. We need to rescue them.

Raythor: What?! Nico, you can't be serious.

Animorphs Rachel: Please reconsider this.

Timmy: (angrily) After how my so called parents left me at Icky Vicky's mercy so many times, Berry can kill them for all I care.

We gasped at what Timmy said.

Me: Timmy that's a terrible thing to say!

Varie: Yeah they may be idiots but they are still your parents.

Wanda: Varie is right Sport. I know that your parents haven't been good to you, but you need to think about this.

Nico: That's right. I'm not a fan of them either. But we still have to save them.

Brian: Nico, this is Mr. and Mrs. Turner we're talking about here. Even if we save them, they're still not going to stop neglecting Timmy.

Nico: I know. But with great power comes great responsibility.

Spiderman: Nico's right. And it's our responsiblity to save Timmy's parents. Even if they were neglectful to him.

Chester: Come on, dude. You gotta go with.

Timmy: No way in Hell. Look, guys, I just can't save my parents after everything they've caused.

Optimus Prime: We support your choice, Timmy. Given your history with your parents, your judgment will be clouded, and will comprise the mission.

Tootie: Don't worry, guys. Me and Trixie will talk with Timmy about this.

Trixie: I guarantee that after half an hour, Timmy will join you out there.

Me: As much as I want to agree with Timmy, I'm afraid Nico has a very good point. If we don't rescue Timmy's parents we're gonna end up becoming as bad as all the villains we killed and the villains that want to kill us. Sure Timmy's parents may be idiots and they are completely uneducated but they are still people nonetheless.

Maria: You really think Timmy's gonna sit back while Berry and her goons kill his parents?

Skywarp: I don't blame him if that's the case. His parents were neglectful towards him. Me and the rest of the gang may have worked for Starscream and Megatron before meeting you guys but even we drew the line at neglecting sparklings.

Nico: I agree.

Skywarp: I'll find their location.

Skywarp scanned the area and they are at Fosters Home For Imaginary Friends.

Skywarp: They're at Fosters.

Me: Then that's where we need to go. Timmy, we'll leave you here with Tootie and Trixie. If you are up for helping us, you can. Lets roll!

We set out for Fosters.

---

We arrived at Fosters Homer For Imaginary Friends and we were hiding in the bushes and we saw Timmy's parents tied to a pole with wood around it. They were gonna get ready to burn them at the stake like back centuries ago. We saw Berry and she was a small Imaginary Friend. But we also saw a horribly grotesque Heartless with Berry. I recognized it as Saïx's Heartless.

Saïx's heartless looked like the Blair Monster from The Thing in 1982 and it had moon tentacles and Saïx's head that was half human. It had the Glowing Yellow eyes of a Heartless. It was called the Lunar Gore Travesty.

Me: What the fucking hell is that thing?

Nico: That's Saïx's Heartless. The hair is completely unmistakable.

Lea: I can't believe that Isa's heartless looked like that.

Elena: Me neither. It's horrifying.

Lea: I know. The man that once was my best friend is gone forever.

Saïx's original self, Isa, was the best friend of Lea, the original self of Axel, being the foil to his friend's zany antics. Prior to their attempt to infiltrate Hollow Bastion, Isa and Lea find Ventus. Watching Lea cheer the boy up, Isa joins his friend in sneaking in before they are thrown out of the castle by Dilan.

Years later, Isa's heart was removed from his body by Terra-Xehanort, creating Saïx.

Saïx plays a relatively important role in Organization XIII, assigning missions to all the other Organization members. Saïx is the one who gave Xemnas's orders to Axel to eliminate traitors to their Organization in Castle Oblivion. It is generally accepted by the remaining members that at this point the two planned to not only eliminate traitors, but also anyone who stood in the way of their plans, such as Vexen and Zexion. Saïx is also revealed to be the one who picked which members would be going to Castle Oblivion, namely the members suspected of being traitors, as well as anyone else who was "getting in the way".

After Axel's return from Castle Oblivion and his growing friendship with Roxas and Xion, a rift between Saïx and Axel begins to form. He eventually confronts Axel of this, as their friendship is more concrete because their original selves were best friends. Eventually, Saïx dismisses his previous plans with Axel as "just an idle fantasy", as they both have changed too much for them be friends anymore.

Working on Organization XIII's plans for Sora with Xemnas, he later challenges Roxas to a battle of will when the Keyblade wielder attempts to leave Organization XIII. He loses the battle, and Roxas escapes. Up until Xion's destruction and absorption at the hands of Roxas, Saïx views the Sora copy as nothing but a mere, hooded puppet. He even insists that the others would say "it" when referring to Xion, rather than "she".

After Xion's end, Xemnas orders Saïx to retrieve Roxas, who is on his way to the Castle that Never Was to defeat Organization XIII and free Kingdom Hearts, because he believes it will resurrect Xion. While not confronting Roxas himself, it is possible that Saïx was the one who sent the Neoshadows after Roxas, who destroys the Heartless easily.

Saïx's first appearance is in Hollow Bastion, along with all surviving and loyal Organization members to taunt Sora.

Saïx first appears in the Sandlot after Sora and company rescue Seifer from the Nobodies. Saïx appears before the trio, applauding their battle skills. He informs them of a traitor, Axel, and believes that he might be in Twilight Town somewhere. Sora insults the Organization, remarking on how they're "not a very organized Organization." Saïx is unfazed, and tells Sora to watch his back, for Axel will stop at nothing to turn him into a Heartless. Sora declares he is not worried, prompting Saïx to remark that the Organization would want nothing to happen to Sora. He also cryptically remarks that the Organization knows how to "injure a heart". He then opens a portal of darkness behind him, and Sora thinks of jumping in after him, though Saïx overhears this and advises not to do so, lest he ends up like Riku.

Sora inquires as to what he means, but Saïx immediately leaves to report to Xemnas that he succeeded in placing Sora in a state of confusion and frustration to keep him going toward their goal. Saïx also states that Axel may prove a thorn in their side, which leads to Xemnas giving him orders to deal with the renegade.

Saïx next appears in Hollow Bastion during the Heartless invasion, interrupting Axel and Sora's conversation, and forcing the traitor Nobody to flee. Saïx ensures that Axel will be rightly punished, but Sora is not mollified, his only goal being to enter the realm of darkness to rescue Kairi. His face unreadable, Saïx asks Sora to prove just how much he cares about Kairi. In response, Sora actually gets onto his knees and begs at the Nobody's feet. Seeing Sora's devotion to the Princess of Heart, Saïx sees this as a further opportunity to enrage and confuse Sora so that he might further the Organization's goal. He refuses Sora's wish, eliciting a hot fury. Bending Sora's anger to suit his own needs, Saïx convinces Sora to destroy more Heartless so that the hearts held within them are released by the Keyblade. Then they may flock to Xemnas' synthetic Kingdom Hearts, which will be all the closer to completion because of it.

At that moment, Maleficent appears, declaring with much aplomb that Kingdom Hearts will belong to her. She summons more Heartless to attack Saïx, despite Sora's protests, but Saïx calmly summons several Nobodies to destroy the attacking Heartless. Maleficent then places herself between Sora and the Nobodies, telling him to devise a way to vanquish the Organization. Swarmed by Nobodies, she is overwhelmed and disappears, allowing Saïx to resume convincing Sora to release more hearts. But before he can finish his ploy, Sora, Donald, and Goofy are rescued by a portal of darkness that swallows them up (which was Maleficent's doing).

Saïx is seen again talking to Kairi in her cell in the Castle That Never Was within the world of Nobodies. He tells her, much to her horror, that she is the "fire that feeds Sora's anger." Kairi realizes that Sora is getting lured into a trap all because of her. However, Naminé unexpectedly appears in her cell and rescues her through a portal of darkness. The two halves then begin fleeing the Castle to try and make good on their escape. Saïx soon appears and attempts to stop Kairi and Naminé, but Riku (still cloaked and in the form of Xehanort's Heartless) attacks him from behind. Saïx does a backflip in the air and lands a few feet away. Riku slams him up against the wall, intending to finish him once and for all. However, Saïx opens up a portal behind him and sinks away into the wall with a smirk.

Saïx again appears in the Castle That Never Was to Sora, who had managed to work his way through the Organization's floating fortress with the help of Donald, Goofy, Riku, and Kairi. He looks lovingly upon his Kingdom Hearts, his source of power. He tells Sora that Kairi no longer needs him and makes a cryptic remark about a "friend from the darkness." Sora is not deterred by Saïx's manipulative comments, but Saïx is not concerned. He tells Sora that the Organization's Kingdom Hearts is nearly done, pointing to the heart-shaped moon in the sky. He then enigmatically asks Sora if he can hear the euphoria of the countless hearts he has harvested. He summons more Heartless for Sora to destroy, but his attention is quickly turned to Maleficent, who has also infiltrated the castle along with Pete. He takes this in stride, wondering in an amused voice if the intrusions will ever end, and soon after vanishes to check on Kingdom Hearts.

Saïx appears to Xemnas, who is watching Kingdom Hearts come closer to completion. He asks the Superior if he can end this "charade", and Xemnas grants him permission. Sora's part in their plan is done with and he can now safely be killed. Saïx smiles savagely and remarks that he's waited so long to hear that.

Saïx awaits Sora, Donald, Goofy, Riku, and Kairi in a room with a direct view of Kingdom Hearts: Addled Impasse. He calls Sora by the name of "Roxas", saying only he could have made it this far, though Donald vehemently states that he is Sora. Saïx seems not to care, simply stating: "Different name, same fate." Then, summoning his claymore, he creates a potent shockwave with sheer strength alone. This power manages to push away Kairi and Riku back towards the entrance of the room. He then quickly erects a force field, separating them from the battle, yet doing no harm. Them taken care of, he confronts Sora, Donald, and Goofy for the final time. He finally lets his outer decorum slip away. Under the influence of the moon, he becomes savage and unrestrained, truly a model for his Berserker Nobodies.

However, despite Saïx's great strength, speed, power, and skill, he is overcome. Defeated and mortally wounded, he limps away from Sora to the ledge overlooking the moon. With the last of his strength, he asks: "Why… Kingdom Hearts… Where is my heart?" All his power gone, he now fades back into is revived in Radiant Garden, along with Lea and the rest of Ansem's apprentices save Xehanort. Young Xehanort arrives and, with Braig's assistance, takes Isa to join the new Organization.

Saïx, revealed to have been infused with a fragment of Xehanort's heart, is made a member of the new Organization. When Lea attempts to save Sora from being turned into the thirteenth member, Saïx is sent to stall Lea, much to Lea's horror.

Saïx first appears in the Keyblade Graveyard with a hooded Vexen, who had chosen to return to the Organization to continue research on his Replica Program, saying Ansem did not appreciate his abilities while Xehanort did.

Saïx later appears at the Clock Tower in Twilight Town with Lea, but with no intention of fighting him. The two talk as if they were still friends, their conversation revealing their true motives for joining the original Organization XIII; as Somebodies, they had befriended a girl only referred to as Subject X, and was held inside the castle. When she disappeared, the two became apprentices for Ansem the Wise before he too disappeared and Isa became a Nobody alongside Lea. Their entire reason for climbing the ranks of Organization XIII was to get information on Subject X and learn what happened to her, knowing full well that Xemnas, as Xehanort's Nobody, has knowledge of her predicament, but they had no luck in finding her. Saïx's anger at Axel's newfound friendship with Roxas and Xion was out of betrayal, feeling Axel had decided to forget about Subject X. Lea rebuffs, trying to persuade Saïx to leave the new Organization, but Saïx retorts by saying Roxas is gone forever too. Saïx and Lea part ways fully expecting to battle one another at the fated place.

This ends up being true as Lea and Kairi fight both Saïx and another member before Sora intervenes. Saïx overpowers him, and Lea once again tries to persuade his old friend to stop, until Xemnas arrives and berates Lea for his treason. Saïx simply watches as Xemnas mercilessly attacks both Lea and the other member (revealed to be Xion) before Roxas arrives to save them. Xemnas kidnaps Kairi, leaving Saïx to deal with their enemies. Sora, Roxas, and Xion fight and defeat Saïx. When Lea approaches Saïx, the latter asks why he looks sad. Lea responds by commenting on what the Organization has reduced Saïx to. Saïx once again reminds Lea of his betrayal, not to the Organization, but to him, as he befriended Roxas and Xion while abandoning their goals after everything Saïx had done to try and find her. Lea assures him he never forgot, which Saïx knew deep down, allowing his jealousy to get the better of him. He fades away in Lea's arms, being called by his real name before being reborn as his original self.

Through a Secret Report, it was revealed he was actually a key part of the Guardians of Lights' victory; having met Even, both expressed a desire to atone for their past actions. Since Saïx was already in the real Organization XIII, he had the ability to bring Even in as a Nobody once again, the latter willing to sacrifice his new life to get access to his Replica Program, which would allow Roxas, Xion, and Naminé to become human and therefore coexist with their original selves.

Me: I just can't believe that this is what he became. And Organization XIII had him in their plans to destroy the universe.

Nico: I know.

Me: Lets go!

We fired energy blasts and created a smokescreen and The Flash moved with incredible speed and freed the Turners.

Berry: Stop them!

The smokescreen vanished and we were standing in front of Berry with the Turner's in our protection.

Berry: Team Loud Phoenix Storm! (Seductively) Hello Bloo.

Bloo: I'm not your boyfriend!

Me: That's right Berry.

Saïx: Lea.

Lea: Hello Isa. How nice to see you again.

At the estate, Timmy, Trixie, and Tootie were watching a Godzilla movie. Timmy was watching the action with interest, while Tootie and Trixie's gazes were anywhere but the TV.

Timmy: Godzilla and King Kong. You two are missing the smack down.

Trixie: No, you're missing the smack down.

Tootie: Which stinks, because your parents are your responsibility, not JD's, and definitely not Berry's.

Timmy: Girls, you just don't understand. My parents are the reason Icky Vicky tormented me for so many years. You have no idea of all the trouble that they've caused. I'm not rescuing them, okay? Not now, not ever.

Tootie: You don't have to forgive them, Timmy. But saving them is the right thing to do.

Timmy: Give me one good reason why I should rescue them.

Trixie: Because Ohana means family. And family means no one gets left behind.

Timmy started to realize that Trixie and Tootie were right.

---

We were facing the Lunar Gory Travesty and Berry.

Me: This Heartless form is perfect for you Saïx. It really brings out your personality: Cruel, Malicious and intending to kill everyone like the monster you have become.

Lunar Gore Travesty: I don't know why all of you are trying to stop us. We hate Timmy Turner's parents just like all of you do.

Carly Beth: But to kill the two of them, even after everything they caused?!

Berry: Why not? We don't like Mr. and Mrs. Turner. You all don't like Mr. and Mrs. Turner. So us killing them will be a favor for Timmy. Unless Bloo decides to marry me, of course.

Bloo: Fat chance you pink freak!

Lea: Just out of curiosity, Saïx. What do you think Berry's gonna do with you once she gets Bloo? I doubt she's gonna make you her best man. Once she gets what she wants, she's gonna toss you aside.

Lunar Gore Travesty: Like you tossed me aside?

Lea: You and I both made decisions that led up to this point. What matters, Isa, is your next move. And I'm willing to bet that underneath that Heartless shell is the old you somewhere.

Lunar Gore Travesty: He's gone forever. Just like you all will be!

Me: I don't think so you freak!

We powered up and transformed.

Me: Things are now totally different than when we fought the last time Saïx. We're now far more powerful than ever before. Lets get them!

We went at the Lunar Gore Travesty and Berry and we punched and kicked them all over the place.

Luan called out her Claymore she got called the Lunatic.

Lunar Gore Travesty: So you now still use my claymore Luan.

Luan: That's right and I'm going to send you back to the Moon! (Laughs) Get it? But seriously, I'm going to kill you again!

Luan bashed him in the head with his Claymore and pulverized his head with indiscriminate fury. She fired a powerful blast of moonlight at the Lunar Gore Travesty and it burned him all over.

Rita fired a massive blast of lightning and electrocuted him all over

the place.

Then suddenly Timmy appeared and kicked him in the face.

Mac: Alright, Timmy!

Luan: I knew he'd join in on the fun!

Lunar Gore Travesty (to Timmy): You fool. You could've let your parents burn. But instead, you chose to save them. Why?

Timmy: They may be my stupid parents and they have left me at the mercy of Icky Vicky, but that doesn't mean that they are still my parents.

Luan bashed the Lunar Gore Travesty in the stomach and kicked him in his huge mouth and bashed him with the claymore again. She slammed it into him with devastating force and smashed him with even more devastating force.

---

Eddy fired a massive blast of light at the Lunar Gore Travesty and it hit him and burned him.

I punched him in the face and knocked out some teeth.

Me: You are just the lowest of the lowest Saïx! You killed so many innocent people all for your own selfish gains to destroy the entire universe!

Laney: That's right! You make me sick just looking at you!

Luan bashed him again.

Thrust: Lets get him with our combos and Final Smashes!

Luan: You got it Thrust!

Thrust: Lets get him! CYBER KEY POWER!

The Earth Cyber Planet Key went into his back jet engine and it enabled a powerful missile launcher to pop out of him and more missiles were there.

Skywarp: Lets get him! CYBER KEY POWER!

The Decepticon Cyber Planet Key went into his back and more missiles and more heat-seeking missiles popped out.

G1 Thrust and Skywarp: MISSILE FIRESTORM BARRAGE!

They fired numerous missiles at the Lunar Gory Travesty and they hit him all at once and exploded.

KRABBBOOOOOOOOOOOOOOOOOOOOOOOOOMMMM!

Luan: Lets get him mom! I'll start!

Luan flew at the Lunar Gore Travesty and flew into the air.

Luan: CRESCENT MOONLIGHT SLASH!

Luan flew to him and formed a powerful energy crescent moon blade and she swung her Claymore and slashed the Lunar Gore Travesty right down the middle.

Rita: My turn! LIGHTNING STORM PUNISHMENT!

Rita fired a massive blast of lightning and it slammed into the Lunar Gore Travesty and it made him explode.

KRABBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM

Saïx was killed instantly in the explosion and then he was sucked into the portal into the river of fire.

Lea: Goodbye old friend.

The fight with Berry was a rough one. I punched her in the face and Bloo kicked her in the face.

Carly Beth fired a massive barrage of razor sharp flower petals and cut Berry good.

Lola and Lana punched and kicked Berry all over the place.

Me: Lets finish this! Combo and Final Smash time!

Carly Beth: You got it J.D.! ANIMATRON CYBER KEY POWER!

The Animatron Cyber Planet Key went into her right arm device and it enhanced her flower and water powers 100-fold.

Jetfire: (Australian Accent) Lets do this mates!

Jetfire turned into Cybertron Jetfire.

Cybertron Jetfire: CYBER KEY POWER!

The Autobot Cyber Planet Key went into his back and a powerful laser cannon popped out.

Carly Beth and Jetfire: LASER FLOWER CUTTERSTORM!

Carly Beth fired a massive storm of flower petals and Cybertron Jetfire fired a massive energy cannon blast from his back cannon. They blasted and shredded Berry.

Mac: Lets get this monster! POWER OF IMAGINATION AND FRIENDSHIP!

Mac thought of everyone he knows and loves and he fired a massive blast of energy and the spirits and power of everyone he knows appeared in the blast and it hit Berry and exploded.

KRABBBOOOOOOOOOOOOOOOMMMM!

Bloo: Lets show her! BLUE BURST BOMB!

Bloo fired a massive blue energy bomb and it slammed into Berry and exploded.

KRABBBOOOOOOOOOOOOOOOOOOOOMMMM!

Berry was knocked down and she was defeated.

I picked her up.

Me: Berry I think you need a nice long stay in our newest prison.

We sent Berry to the Jupiter Prison for Imaginary Fiends. Her cellmate was Bendy.

Nico: Berry and Saïx, you have failed this whole universe.

Me: They sure have.

Then we faced Timmy's parents.

Jetfire (to Timmy's parents): Someday, you two are gonna have to repay your debt to us. The day when it comes time to choose sides.

Mrs. Turner: Between all of you and the Legion of Doom?

Thrust: No. Between your own wants and needs and your own son. (to Mr. Turner) And I think it would be best if no one else at Dimmesdale knew about this little rescue. After all, you do want Dinkleberg to believe that you and your wife escaped on your own, right?

Timmy: Listen, guys. Thanks for convincing me to save my parents.

Trixie: No problem, Timmy.

Me: I'm glad they helped you out.

Mac: (To the viewers) Neglectful Parents are always a problem and to all bad parents out there, if you mess with the safety of children, Team Loud Phoenix Storm is coming for you.

Me: You said it Timmy.

Timmy's mom and dad were placed on supervised probation for their neglect on Timmy. But if they try anything stupid again, it's prison time.

* * *

When I was done everyone was shocked!

Qin: That fiend! Using Timmy's stupid dimwitted parents as bargaining chips!?

Xenia: She is a Yandere in every sense of the word!

Koragg: The race is about to start.

Darcy: We'll probably see Berry at the finish line.

Me: Yeah. Lets get ready.

We got ready.

We were ready for the race.

Xaldin: This is an eggnog planet.

Yost Whirlwind: What did you expect?

Me: I think he means having all that with this world. But it's just all eggnog.

Qin: Yeah.

Lola: But it's still good stuff.

May: Anyone got eyes on Berry?

Eli: (Concentrates) Negative. Nothing yet.

Me: She must be waiting for us after we finish the race.

Bloo: Well I'm really going to let her have it later on.

He pointed to the building.

Berry WAS FUMING AND RAGING MAD!

Then the spirits of the Teen Titans, Chaotic Monsters and Hogwarts Houses came and swirled around her and then they laughed at her and then converged and then…

A massive fiery explosion blasted off above her and then a phoenix cry was heard and then a huge deluge of melted marshmallows fell on her and splattered all over her and then we landed.

Chef Swinegang Pork then appeared.

Rarity: It was really strange darlings. But at least we saved them both.

Sweetie Belle: And the Another Larxene was really electrifying too.

Gill Grunt: I thought it was awesome myself.

Donkey Kong: No thank goodness. But she was a REALLY NASTY piece of work.

Sunset Shimmer: Yeah she was the worst ever Queen Bee we have ever seen.

Pipsqueak: (British Accent) Boy she sure was. That girl has a heart as black as night.

Becca Chang, Applejack, Apple Bloom, Earth Skylanders, Shaggy, Scooby Doo, Barath Beyond, and Borth Majar VS Gator Ghoul - Meeting a Ghostrick Mummy Gene-slammer

Gator Ghoul was next.

Gator Ghoul: (to Becca) I heard you guys met a Ghostrick Mummy Gene-slammer. What's her name?

Becca Chang: Her name is Dina Mabrouk and she is from Egypt. She knows a lot about Egypt and is also one of Lincoln's Guardian Angels.

Applejack: Yeah and she stopped Killjoy Huggins.

Gator Ghoul: What did that Killjoy do this time?

Apple Bloom: It's not what he did but what Pablo and Anderson did.

Dina Mabrouk: (Egyptian Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Bastet Taniynalwaqt: (Egyptian Accent) If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Dina Mabrouk: (Egyptian Accent) That's incredible, and we'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. We already heard a memory Bastet had with Lincoln and it was about putting a stop to Lisa, but Dina, what story did you have with Lincoln?

Dina Mabrouk: (Egyptian Accent) That's something I've never forgotten. One time, Lincoln and I were heading straight for the cafeteria for lunch, but then, we suddenly heard screams coming from there. We opened the door and we saw Pablo and Anderson trashing the place and hurting the students and teachers, I got so mad, I fired mummy bandages at them and they were so wrapped up tight, they both looked like mummies. Principal Huggins refused to say anything to us, but Mrs. Johnson did and she told us that Pablo and Anderson went on a rampage and they attacked everyone in the cafeteria including her, while Principal Huggins was busy with trying to impress Superintendent Chen. I was so fired up, I wanted to call Superintendent Chen and get that rule-stickler tossed out on his toupee, but Lincoln immediately called his mom, and let's just say that when she was done, Principal Huggins was left cowering like a scared little wimp.

We cheered.

Nico: Whoa, that was some awesome work apprehending those two butt-faces, Dina! Plus, Lincoln had to call in the big guns, if he was in there that day and got hurt and Principal Huggins ignored him and left him bleeding like that, you know what happens when he makes Mama Loud mad if her only son was left in that condition and by Principal Huggins no less?

Rita: That's right. Plus, he's still on thin ice with me when he tried to get rid of the kids and J.D., and all for that comic book contest Lincoln and Clyde were eager to win.

Nicholette Torrington: Killjoy Huggins was on thin ice with all of us that day, it's bad enough that he's a killjoy to the students, but to find out he's also given Lincoln a hard time, I was so tempted to call Superintendent Chen and get that rule-stickling grouch fired and tossed out on his ugly toupee!

Me: Yikes, it sounds like Huggins has been on your list ever since you all saw him giving Lincoln a hard time.

Gabrielle Chevalier: He is. But, ever since that restaurant incident, he's now off for good.

FLASHBACK ENDS

Gator Ghoul: Boy that Killjoy just knows how to make peoples lives miserable huh?

Flashwing: You got that right. But if you mess with Rita there will be hell to pay.

Shaggy: Like yeah there will!

Scooby Doo: Reah!

Gator Ghoul: Huggins needs to be taught a lesson. Lets do it!

Becca used the Nature Fruit Lockseed and got a nature scythe and she read a verse and fired waves of spirits of animals and smashed him all over and they fired waves of energy, apples, earth, rock, mud, boulders, crystal and pebbles and smashed him down.

# Eli Winston Bullock, Twilight Sparkle, Starshine Sparkle, Magic Skylanders, J.D. Knudson, Spiderman, Airi and 2014 Maleficent VS Baron Mordo - Evelyn's first ever Ambassador Mission and Battling the Tarantula Undead, Giraffa Undead, Caucasus Undead and Paradoxa Undead and Another Ultimate Rath as well as meeting the Blade Team and destroying Hajime's Undead Power

---

Baron Mordo was next.

Baron Mordo: (to Eli) Evelyn's first ever Ambassador Mission involved Battling the Tarantula Undead, Giraffa Undead, Caucasus Undead and Paradoxa Undead and Another Ultimate Rath with you and the others. She also met the Blade Team and destroyed Hajime's Undead Power.

Eli: Boy that was so awesome and we really let those Undead Creeps have it.

Me: We sure did. But the shocking part was the Another Ultimate Rath. That was my friend Victoria Cunningham. She was a girl I knew that was ABSOLUTELY Hellbent on revenge on a bully that I hate with every fiber of my being.

Baron Mordo: What did that bully do?

Me: Well her name was Erin Mertins and she was one of the worst. She HATED people like Victoria because she was prettier than her. And one time in Junior Prom, Erin did a REALLY HORRIBLE Prank on her and splattered her all over with steak blood, garbage and rotten eggs and posted humiliating naked photos of her for EVERYONE to see! I knew it was her doing and I walked over to Erin and punched her hard in the face and knocked out all of her teeth! Ever since that day Victoria was HELLBENT on getting revenge on Erin and wasn't going to stop till she got it!

Baron Mordo: That is horrible!

Me: No shit! But if I ever see Erin I will kill her.

Twilight Sparkle: What she did was HORRIBLE!

Starshine Sparkle: Yeah no kidding there! Erin is a cruel girl!

Spyro: But J.D. got Erin expelled and sent to prison for bullying. Now Erin wants revenge on him.

Me: Let her try Spyro. Let her try.

Spiderman: But what Erin did to her was awful! And quite frankly I don't blame Victoria for wanting revenge on her for what she did.

Baron Mordo: Me neither. Lets do it!

Eli used a Dagobah Fruit Lockseed and got a Swamp Sword and he read a verse and fired waves of Force Lightning and energy and smashed him all over and we fired waves of magic and energy and smashed him down.

Sakura Avalon: How much does he drink?

Amora: He drinks 50 cartons a day!

They gasped!

Sakura Avalon: GOOD GRAVY! That's a lot!

Amora: I know! Every time we go to the grocery store he cleans all the shelves of it and buys all they got. He can't get enough of the stuff! But like J.D.'s daughter Mary he gets stronger from it instead of getting fat. Lets do it!

Nicole: (Growls Angrily) I knew there's no mistaking that voice from anywhere, get out here right now, Apollyon, or I'll hunt down and destroy your entire legion!

A figure clad in armor and a gigantic broadsword came out, it was Apollyon, leader of the Blackstone Legion, and with her is the entire Blackstone Legion.

Apollyon: You all have some nerve in ruining my plans, all your talk of peace is sickening me, all I desire is nothing more than to plunge the world into a new age of war, and both of you, Team Loud Phoenix Storm and The Masters of Evil, are ruining it. Now, we shall kill you all and the world will be plunged into war and darkness. Kill them!

The Blackstone Legion advanced to kill us, but Lincoln summoned his massive collection of harem-themed greatswords and they proceeded to cut down the Blackstone Legion one by one until all of them are dead for good and their spirits sent to The Black Gates.

Gabrielle Chevalier: Excellent job, Lincoln. Now, all that's left is Apollyon.

Suddenly, Gabrielle Chevalier's dark blue eyes turned neon dark blue and she was surrounded by a dark blue energy aura with clocks, stars, and sauropods, she unholstered her massive Dialga-themed greatsword from her back, and as she approached Apollyon, she left dark blue energy, clocks, stars, and sauropods with every step.

Gabrielle Chevalier: I will never forgive for what you've done in your world, Apollyon, you've shown no remorse for the thousands of lives that were lost because of you, you never desired peace, all you ever wanted was war. But, war has led to nothing more than destruction, but that's something that a warmonger like yourself wouldn't understand, but there's one thing you'll never escape from: your own death by our hands.

Suddenly, Gabrielle Chevalier was surrounded by a massive vortex of dark blue energy with stars and clocks surrounding the vortex, there's an army of sauropods, and the Legendary Pokemon of Time, Dialga, flying around the vortex, and in the vortex is a blue phoenix. Then, as the vortex faded, Gabrielle Chevalier emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Gabrielle Chevalier grew from 6'5" to 7'4" in height, she has the body of a goddess, she has indigo highlights in the bangs of her long flowing dark blue hair, she has neon dark blue eyes and a dark blue energy aura with clocks, stars, and sauropods surrounding her, she has Dialga emblazoned on her forehead and Third Eye with dark blue iris, she has on sauropod earrings with dark blue gems for eyes and holding the Time and Eternity Kanjis in its legs, she also has Dialga with dark blue gems for eyes and holding the Time and Eternity Kanjis in its hooves on the bottom of her dark blue sauropod-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with dark blue crystal links from her merged Crystal Necklace of the Buddha and dark blue gems on the gold lightning bolts and she also has on her new Elemental Thunderbird

Choker Necklace of Eternal Love. Gabrielle Chevalier has on a sleeveless dark blue open blouse, sleeveless dark blue midriff top, dark blue skirt, dark blue bellbottom pants, dark blue high-heeled boots, and long white sleeveless trenchcoat with clocks, stars, and sauropods on the coattails, and on the back is Dialga and he's surrounded by clocks. Suddenly, Gabrielle Chevalier felt a sharp pain on her back, and then, her massive indigo blue angel wings with blue tips on the large dark blue feathers and stars grew much bigger for her new body, she now has eleven massive and long dark blue wolf tails, she has on a Ring of The Phoenix with dark blue gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Gabrielle Chevalier's massive Dialga-themed greatsword and all the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of dark blue energy, clocks, stars, and sauropods, and when it emerged, it was transformed into Dialga's Time God Temporal Greatsword of Temporal Justice, it's a brand-new massive greatsword with embedded dark blue gems and The Legendary Time Pokemon, Dialga, etched on the 7'0" massive, wide, double-edged dark blue blade, large sauropod heads for the crossguard, large dark blue gem embedded in the rainguard, longer midnight black handle, four large sauropod heads and a large dark blue gem below the sauropod heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with dark blue gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Dialga's head with dark blue gems for eyes and a large dark blue gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a dark blue kanji below Dialga that said, "Gabrielle Chevalier, Gene-Slammer of Dialga, The Legendary Time Pokemon, The Chrono-Strategist of Dialga, Member of The Legendary Pokemon Gene-Slammers, Powerful Master of Time and Temporal Forces, Loving Future Wife and Guardian Angel of Lincoln Loud, Friend of Selene Emperyous and The Emperyous Sisters, Friend of Elizabeth Guillaume, Michaela Amaryllis, and Danielle Azvameth, Smasher of Dark Lori, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Time, Stars, and Sauropods"

Gabrielle Chevalier has transformed into SUPER ANGEL-SAUROPOD-DIALGA-HARMONY CELESTIAL ETERNAL XELNAGA TEMPORAL TIME POKEMON SAUROPOD ANGEL OF DIVINE TEMPORAL TIME POKEMON JUSTICE AND DIVINE TEMPORAL TIME POKEMON LOVE!

We were amazed by Gabrielle Chevalier's Super Angel Celestial Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Apollyon saw it, she ran at Gabrielle Chevalier and planned to kill her with her gigantic broadsword, but Gabrielle Chevalier blocked her attack, and she fired a powerful dark blue energy blast with clocks, time, stars, and sauropods at her, she went flying, but this really got her big time.

Nico: Whoa, now Gabrielle's transformed, so awesome!

Lincoln: And Apollyon's about to feel the true wrath of Dialga's champion, and Gabrielle, you look beautiful, how do you feel?

Gabrielle Chevalier: (Divine Echoing Cosmic Voice of The Temporal Time Sauropod Pokemon and Divine Temporal Time Sauropod Love) I feel incredible, Linky. Now, shall we put this warmongering knight down for good?

Lincoln: (Smiles) With pleasure, Gabrielle, and now that her legion is gone, this'll make things much easier.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Gabrielle Chevalier.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your selfish warmongering has gone unpunished for far too long, Apollyon, and now, you shall pay the ultimate price: your life!

Gabrielle Chevalier and Lincoln went after Apollyon, who tried to cut them down with her gigantic broadsword, but they dodged all of her attacks, and they fired extremely powerful blasts of rainbow energy, dark blue energy, crosses, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, fairies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, and Mermaids at Apollyon, and they exploded with incredible power as they hit her, and they attacked her with powerful slashes from their massive greatswords, and they left nasty scars on her, and they were angering her even more.

Then, Gabrielle Chevalier used Dialga's signature move, Roar of Time, as she'd formed a black and purple ball and it fired a powerful black, purple, and white energy beam and it hit Apollyon and it exploded with incredible power.

Nico: Whoa, this is incredible!

Me: So awesome!

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Gabrielle Chevalier, her hand-cannon Blaster is known as Dialga's Temporal Pokemon Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's dark blue with purple accents on the blaster with a Phoenix, Angel, and the Legendary Time Pokemon, Dialga, surrounded by clocks etched on the sides, and a gold gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Leona Elementaldraco fired blasts of rainbow energy, dark blue energy, and elemental forces at Apollyon and as they hit her, they exploded with incredible power, and she was knocked down.

Then, Lincoln ran at Apollyon, and with two swift swings of his massive greatsword, he disarmed her and he stabbed her in her black heart. Then, Lincoln's massive greatsword suddenly began sucking out Apollyon's life-force and her powers and abilities and Lincoln assimilated them and made them his own, and the rainbow gem embedded in the large white angel face glowed black as it sent Apollyon's spirit to The Black Gates, and Lincoln removed his massive greatsword and all that's left of Apollyon was nothing but a desiccated corpse in armor. We cheered wildly as Lincoln and Gabrielle Chevalier holstered their massive greatswords on their backs and powered down and Lincoln's massive harem-themed greatsword collection vanished again, and Gabrielle Chevalier's new body, clothes, weapons, jewelry, Third Eye, eleven massive dark blue wolf tails, and massive dark blue angel wings are permanent.

Gabrielle Chevalier: Serves you right, you warmongering savage. Thanks for helping me destroy Apollyon and her Blackstone Legion, Linky.

Lincoln: (Smiles Warmly) You're welcome, Gabrielle.

Suddenly, Gabrielle Chevalier wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Gabrielle Chevalier's face, they kissed passionately as Gabrielle Chevalier's left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Dialga flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces behind them and we cheered wildly. Lincoln and Gabrielle Chevalier came back to us as the display and Dialga vanished.

Nico: Wow, that was one epic and bloody battle you fought against Apollyon, but she had no chance, and without her Blackstone Legion, that was really awesome. Plus, what did we just see, Lincoln?

Lincoln: That was another new ability of my massive greatsword, Nico, if I drove the blade right into a villain's chest and it hits their heart, it begins sucking out their life-force, powers, and abilities, and I wind up assimilating the powers and abilities of that villain, and the rainbow gem embedded in the forehead of the white angel face glows black and sends their soul to The Black Gates.

Me: Whoa, now that's really crazy!

Nico: Crazy, but still awesome. Next time, we got to have some abilities put into our greatswords and test them out on the next villain we fight, and you know who we're meeting tomorrow, right, Lincoln?

Lincoln: Oh yeah, Makoto Haruki, Gene-Slammer of Ghostrick Nekomusume for Day 16 of The Dark World Treasure Hunt.

Nicholette Torrington: We only got Silvia Excelsior, Scarlet Rosenburg, Giselle Harrington, and I, who still have to get those treasures, and for the last day, for me, I hope The Dark World Duel Monsters themselves show up.

Giselle Harrington: Same here.

The other Dark World Goth Girls agreed on the same thing.

White Lightning: That's one imaginary fiend locked up.

Amora: I sure am gonna miss Kazuma though.

10,000 Volt Ghost: But we'll see him again.

Ben Ravencroft: Now, let's celebrate!

David Cain: With more eggnog!

Me: First lets get the trophy.

Nico: Good idea.

Then we went to the winner circle and Me, Lincoln, Alizarin Bubblegum, Sweet Leaf, and Zuria were given our awesome trophies and they looked like a planet inside an Egg Nog glass and it had crystal cinnamon sticks and whipped cream on top.

Me: This was an awesome race!

Nico: Yeah it was! Great job today everyone.

Sunset Shimmer: (To the viewers) Egg Nog is great but only in little amounts because of how fattening it is.

Qin: Yeah.

Nico: Yep. Lets go home guys.

We went back home and enjoyed the rest of the day and went to sleep.

They are Nico's friends from Earth Science Class and they are powerful earth masters and they defended Nico from all sorts of crazy stuff. Also they HATE AND LOATHE SPERG WITH A VENGEANCE! Also they are best friends with Mandy and hate Billy to a degree. BUT THEY HATE MINDY INFINITELY MORE. The match-up is for Michaela Amaryllis, Gene-Slammer of Palkia, The Legendary Space Pokemon, and she and Lincoln are going to destroy Prince Sebastian LaCroix, the vampire ruler of Los Angeles and one of the two main antagonists of the 2004 videogame, Vampire: The Masquerade - Bloodlines. She's also protected Lincoln from the bullies at school and Lori, Lynn, Lola, Lisa, and Luan, and she's not afraid to fight and get dirty. This one time, Lincoln made a beautiful gold necklace with a cat pendant, and she loved it so much, she hugged Lincoln and kissed him and he returned it. Sky, Bridge, Z and Sydney and Condiment King, Big Cheese, Hades Fungal Beast Mold, Suika Monster, Clawbster and Sergeant Weenie Arms and we were there for another awesome rescue.

Zuria: Wow! So this is Cloud City of Bespin?

Me: Yep. This is where i got the idea for our Space Prisons.

Nico: It's a really awesome idea too.

Eli: I'll say. But it's amazing that we are all the way up above the clouds of Bespin. It's amazing up here.

Xenia: It sure is.

Camie: And also this is where Luke Skywalker took on Darth Vader and he lost his arm.

Me: And he also learned one of the most shocking truths ever and that his Father, Anakin Skywalker who was also Darth Vader was alive after all this time.

Eli: That was so shocking.

Me: Yeah it sure was.

Nico: I'll never forget seeing that. That was really amazing.

Carol: It sure was.

Nico: Leif, I want to thank you, Condiment King, and your teams for coming.

Leif: Not a problem Nico. It's going to be awesome helping you all out.

Condiment King: And J.D. says that he has a really good feeling about who we'll face.

Nico: Yep.

Lola: But this is gonna be awesome too.

Zuria: How big is the planet Bespin?

Me: It's over 118,000 kilometers or 73321.8007 miles in diameter.

Zuria: Wow! So almost about the same size as Jupiter.

Me: Yeah that's right. Jupiter is 86,882 miles in diameter.

Qin: So Bespin is about 13,000 miles smaller than Jupiter. I would estimate that Bespin is about the same size as Saturn.

Lisa Loud: That is correct. And Saturn is 72,367 miles in diameter so it's 954 miles larger than that.

Zuria: Wow that is amazing!

Nico: It sure is. Out of all the planets of the battles with the Galactic Empire and the Sith that took place, Bespin is one of the most awesome.

Eli: Yep.

Nico: Camie, remember when we met you and your fellow mermaids?

Camie (One Piece): I sure do. That was before the Great War of Friendship. That was so cool.

Me: It sure was. And back then we met Luffy and his crew and saved many mermaids from one of Ruby and Remnant's most cowardly traitors.

Nico: Yep.

Qin: That was a weird adventure. But it was awesome.

Maria: It also involved a zombie invasion.

Me: Caused by a trifecta of evil from the Number Cards, A Dark Orb and the Aparoids.

Nico: Yeah a triple-whammy of darkness.

Camie the Mermaid: That's right.

Qin: Those mermaids all had ugly mouths like those of the Reapers that Blade destroyed.

Me: Those were disgusting!

Nico: Yeah they sure were!

Me: No kidding!

Zuria: I'll say! But yesterday's planeet was really tasty and awesome.

Nico: How much eggnog did you guys have?

Me: 3 glasses full of it.

Lincoln: It was really awesome and tasty.

Xenia: It sure was.

Nico: Boy that was awesome and that race was really awesome.

Me: Well there are many more of them coming. Bobbie Fletcher told me that there is a bunch of races in food planets all this week.

Nico: Wow! Looking forward to them.

Lola: Yep.

Nico: Is Sasuke okay?

Me: He's much better now. He had a nasty hangover though. But this happens EVERY time he has egg nog. The guy likes Egg Nog.

Nico: (LAUGHS) That is funny.

Camie: It sure is. But I'm glad everyone had a good time in that race.

Lola: It sure was fun.

Applejack: Yeah that was a great race.

Nico: And we locked Berry up.

Me: We sure did.

Lola: Yeah that was so awesome and cool.

Varie: That monster gives all imaginary friends everywhere a bad name.

Carol: You got that right.

Camie: I have a feeling that the next villain we'll face will be a good one on the next planet we go to.

Me: Yep.

Nico: Oh guys I have news. I'll tell you guys when Marinette and Chloe get here.

Marinette and Chloe then arrived.

Marinette: Wow, Bespin and Cloud City is really an awesome planet!

Nico: It sure is. But, there's also another reason as to why we're here, and it's news that you're so not going to like, Marinette, same with you, Chloe. I got word from the prison warden at The Saturn Insane Asylum that Lila Rossi has escaped from prison, and she's here for one thing: Revenge on all of us!

We gasped.

Eli: That bitch is out of prison!

Me: That fucking, heartless bitch!

Chloe: I can't believe she's escaped again, I thought that… !

Lincoln: I thought so too, after A.J. transformed and she and I clobbered her, we threw her right back in her cell.

Me: That's right, Lincoln, and with two black eyes and missing teeth.

Applejack: Why, that rotten, no-good, psychotic snake in the grass! She's going to pay for this!

Marinette: She sure will, and I'm going to make sure that monster doesn't get away with everything that she did, she's going to receive the wrath of Joan of Arc for her crimes, and I'll send her right back to prison where she belongs.

Lincoln: Save some for us, Marinette!

Me: And this time with her face battered and bruised!

Joan of Arc then appears.

Joan of Arc: That's right, for her crimes against Paris and all of France, she deserves to suffer the Judgement of God.

Just then, Lincoln's Guardian Angels and the rest of his harem arrived and they have baseball bats and other blunt instruments. THEY'RE READY FOR A FULL-ON BEATDOWN ON LILA ROSSI!

Sabrina Lorelai: Uh oh, I can guess Winter told the others about Lila's escape.

Eman Reynolds: Since Winter absolutely hated her with a blazing passion, I can understand why.

Anna Anyanova: You said it.

Winter Icyin: (British Accent) As soon as Lila's escape hit my ears, we had to get baseball bats and our weapons, I can't wait to finally end her!

Lincoln: No, Winter, we're going to send her back to prison where she belongs, where she'll stay there until the day she dies.

Joan Delenney: That's correct, Lincoln. It's better that she suffers in prison forever until the day she dies, and then, God's Judgement will befall her when she heads for the Gates of St. Peter.

Joan of Arc: That's correct.

Me: That is true. But we're ready for her.

Nico: But for low, let's enjoy the sights while we still can.

We continued on to Cloud City and we were on high alert for Lila Rossi. Suddenly, a figure came right at Marinette and she tried to stab her, but Marinette and Chloe kicked the figure away and she lost the knife, and we saw who it was: it was Lila Rossi, but she's now completely insane!

Marinette: I should've known you'd show up again, Lie-La.

Chloe: (Smirks) And the homicidal look suits you, because it shows your true nature.

Lila Rossi: YOU STUPID BITCH, IF YOU HADN'T GOTTEN IN MY WAY, PARIS AND EVERY LAST ONE OF IT'S PATHETIC CITIZENS WOULD'VE BEEN LEFT BURNING IN FLAMES! YOU TOOK EVERYTHING AWAY FROM ME! I HATE ALL OF YOU, TEAM LOUD PHOENIX STORM, I HATE YOU, I HATE YOU, I HATE YOU, IIIIIIII HHHHHHAAAAAAAAATTTTTTTEEEEE YYYYYYYOOOOOOOOUUUUUUU!

Suddenly, our energy auras flared up extremely and we gained a massive power boost from her really extreme and insane hatred!

Nico: (Smirks) Hate us all you want, bitch, but in the end, your hatred makes us stronger!

Me: So many people have suffered all because of you Lila!

Eli: Yeah! You are a heartless bully and you don't give a flying fuck about anyone but yourself!

Marinette: And you deserved every last bit of karma for everything that you did.

Tikki: And now, it's payback time!

Marinette: Tikki Spots on! HA!

Marinette donned her Ladybug outfit!

Me: I've had it with you Lie-la!

I went Super Angel Wolf Moon Xelnaga!

Lila Rossi: WHAT!? You and your miraculous!?

Me: (Divine Wolf Moon Voice) **Are now one. I've now mastered the power of the Spirit of the Wolf, merged my J.D. The Nocturnal Form and the Wolf Miraculous power inside me. We are now one. I am now a Wolf Moon Xelnaga.**

Lila Rossi growled in ferociously seething and brutal rage!

Suddenly, Marinette's blue eyes turned neon blue and she was surrounded by a red and black polka-dotted energy aura with red flames, holy light, crosses, angels, and ladybugs, she unholstered her massive Sword of The Miraculous Celestial Union from her back, and as she approached Lila Rossi, she left red and black polka-dotted energy, red flames, holy light, crosses, angels, and ladybugs with every step.

Marinette: You've made our lives a living nightmare because of everything that you've done, Lila, and like I said, you deserved every last bit of bad karma that was coming your way because of your bad deeds. (SUDDENLY GETTING EXTREMELY PISSED OFF) But, you honestly don't know when to quit, you are nothing more than a headache that just won't go away and you've continued to cause havoc even in prison… , YOU'VE CROSSED ONE LINE FAR TOO MANY, AND NOW, I WILL SEE TO IT THAT YOU GET YOUR JUST DESSERTS AND YOU WILL BE SENT RIGHT BACK TO PRISON FOREVER, YOU EVIL, HEARTLESS, TWO-FACED, MURDEROUS, PSYCHOPATHIC BITCH FROM THE DARKEST DEPTHS OF HELL!

We gasped in shock at Marinette's fury.

Nico: Oh boy, now she's gone and done it.

Lincoln: She's angered one of Joan of Arc's many champions for the last time, and I thought what Jack tried to do to me and Joan wasn't bad enough. BRACE YOURSELVES! SHE'S GOING TO BLOW!

Lila Rossi: DDDDIIIIIEEEE!

Lila Rossi tried to stab Marinette, only for Chloe to come in and kick Lila Rossi hard in the stomach and punch her hard in the face and sent her flying back, giving her a black eye and missing teeth.

Chloe: Back off, scum.

Lincoln: Nice shot, Chloe. Now, hurry, get back, Marinette's going to explode!

Chloe came back and we all braced ourselves as Marinette screamed like a madwoman and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion of energy and power and she was surrounded by a massive vortex of red and black polka-dot energy with red fire, holy light, and crosses surrounding the vortex, there's a group of ladybugs, an army of angels, Joan of Arc, and the Ladybug Miraculous, Tikki, flying around the vortex, and in the vortex is a black phoenix. Then, as the vortex faded, Marinette emerged, but she was changed forever.

(JOAN BY HEATHER DALE PLAYS)

Marinette grew to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her shoulder-length black hair with blue reflections tied back in pigtails, she has neon bright bluebell eyes and a red and black polka-dotted energy aura with red flames, holy light, crosses, angels, and ladybugs surrounding her, she has the Ladybug Miraculous, Tikki, and Joan of Arc emblazoned on her forehead and Third Eye with red iris, she has on angel earrings with red gems for eyes and holding the Fire, Light, and Eternity Kanjis in its hands, she has on her Crystal Necklace of The Buddha with red gem embedded in gold flame links and red crystal links and a red ladybug-shaped Element of Harmony and below the Element of Harmony is The Ladybug Miraculous, Tikki, with blue gems for eyes and holding the Fire, Light, and Eternity Kanjis in her hands for the pendant, Marinette has on her very dark gray blazer with rolled-up sleeves over her red and black polka-dotted jumpsuit, black pants with ladybugs, black knee-high high-heeled boots with red polka-dots, and long white sleeveless trenchcoat with ladybugs, holy light, and red flames on the coattails and on the back is The Ladybug Miraculous, Tikki, and Joan of Arc holding a cross in their hands. Suddenly, Marinette felt a sharp pain on her back, and then, massive red angel wings with black polka-dots on the red feathers, grew and sprouted out from her back, Marinette has on a Ring of The Phoenix with red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Lantern Corps ring on her left ring finger and Stone of Gelel embedded in her left hand, and her Miraculous, Tikki, is also ready for action.

Suddenly, Marinette's massive Sword of The Miraculous Celestial Union and all the other swords she'd gotten began merging together, and they're surrounded by a kaleidoscope of red and black polka-dotted energy, red flames, holy light, crosses, angels, and ladybugs, and as it emerged, it was then transformed into Tikki's Miraculous Celestial Holy Archangel Greatsword of Joan of Arc's Heavenly Judgement and Justice, it's a brand-new massive greatsword with embedded black gems representing a ladybug's spots and The Ladybug Miraculous, Tikki, and Joan of Arc, etched on the 7'0" massive, wide, double-edged red blade, large red angel heads for the crossguard, large white angel face with red embedded gem on its forehead embedded in the rainguard, longer midnight black handle, four large red angel heads and a large red and black polka-dotted gem below the angel heads for the pommel, she has on her new large gold cuff Bracelets of the Champions of The Universe with red gems on her wrists, gold Belt of Elemental Bravery with a gold version of Tikki's head with red gems for eyes and a large red gem in her open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a red kanji below Tikki and Joan of Arc that said, "Marinette Dupain-Cheng Also Known as Ladybug, Brave Heroine of Paris, France, Friend and Student of Joan of Arc, Defender of Paris, Partner of The Ladybug Miraculous, Tikki, Loving Girlfriend of Adrien Aguste Also Known As Cat Noir, Loving Friend of Juleka Couffaine, Luka Couffaine, Zoe Lee, Alya Cesarre, Chloe

Marinette has transformed into SUPER ANGEL-LADYBUG-ARCHANGEL-HARMONY CELESTIAL ETERNAL XELNAGA HOLY RED FIRESTORM MIRACULOUS LADYBUG ANGEL OF DIVINE MIRACULOUS CELESTIAL LADYBUG ARCHANGEL JUSTICE AND DIVINE MIRACULOUS CELESTIAL LADYBUG ARCHANGEL LOVE!

We were amazed by Marinette's Super Angel-Ladybug-Archangel-Harmony Celestial Eternal Xelnaga transformation, but when Lila Rossi saw it, she screeched like an insane demon and she ran towards Marinette and tried to stab her again, but Marinette and Tikki fired two red and black polka-dotted energy blasts with red fire, angels, holy light, and ladybugs, and they sent Lila Rossi flying back yet again, this really pissed Lila Rossi off extremely badly and she was now beyond insane.

Nico: HOLY COW! MARINETTE'S TRANSFORMED! So awesome!

Marinette: (Divine Echoing Cosmic Voice of The Red Firestorm Holy Archangel Miraculous Ladybug and Divine Miraculous Celestial Archangel Ladybug Love) **Remember these words well, Lila Rossi, for they will be the last thing you'll ever hear. I am Judgement, And Judgement is Nigh!**

The lights of Heaven shined down on Marinette and an angelic choir was heard singing, and this really pissed off Lila Rossi, who went after Marinette, but Marinette punched Lila Rossi hard in the eye right where Chloe punched her, and then, Marinette and Tikki fired powerful blasts of red and black polka-dotted energy, red fire, ladybugs, holy light, and angels at Lila Rossi, and they exploded with incredible power as they hit her, and she also attacked Lila Rossi with her massive greatsword, and it left scars on her and she even slashed off Lila Rossi's hair and she screeched like the banshee that she really is. Marinette kicked and slashed her across her face with her sword and then slashed her across her chest!

Chloe: Oh man, Marinette's really tearing Lila to shreds!

Nico: You said it, you anger the Defender of Paris and Inheritor of Joan of Arc's Legacy, and you're in for some divine punishment.

Me: **You will face the Divine Wrath of God!**

Joan of Arc: That is correct.

Condiment King squirted ketchup into Lila's eyes.

It hit her in her eyes and burned her.

Me: **Fear the Wolf!**

I formed my scythe and fired blades of blue fire and they hit Lila and burned her.

Nico: Why Condiment King squirted ketchup in your eyes? Because since we're not killing you yet, it's the closest thing similar to blood!

Lila Rossi growled ferociously!

Lila Rossi: YOU MAKE ME SICK CHAN! I WILL KILL YOU AND

THEN COME AFTER ALL YOU LOVE AND KILL THEM TOO!

We gasped!

Me: **Now you just signed your death warrant!**

Nico: When the day comes to kill you, I'm gonna have trouble deciding who gets the finishing blow!

Me: **You, Marinette, Adrien and Chloe should do that Nico.**

Winter Icyin: I agree. Don't leave us out of this. ANGELS ATTACK!

They went at Lila and then BASHED AND PULVERIZED HER INTO PULP!

BLAM SMASH WHAM BLANG WHAM!

Nico: WHOA!

They bashed her all over with baseball bats and clubs and aluminum bats!

Zocks: (grabs Lila by the hair) You shot my girlfriend's dad. Time to make you pay.

He then smashed her face into the floor.

Billy then came.

Billy: DOGPILE ON LILA!

Billy then smashed her face into the floor repeatedly and laughed!

Me: **Get her Billy!**

Qin: YEAH!

Joan Delenney: I brought Billy with us to relieve some steam from everything that happened.

Me: **Thanks Joan.**

Nico: Winter, here's some dynamite with your bat.

Winter: Why?

Nico: No reason. I thought it would look cool.

Winter: Okay.

Winter lit the fuse.

Nico: FIRE IN THE HOLE!

She hit the stick and Zocks and everyone got out of the way and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It exploded and burned her all over.

Marinette: Take that Lie-la!

Nico: Think it's time to wrap this up.

Me: **I agree there.**

Then, Marinette laid a nasty hard punch to Lila's face and knocked her out, and she fired a red and black polka-dotted energy blast, which transformed into a red and black polka-dotted energy straitjacket and chains and wrapped itself around Lila Rossi, so she couldn't escape. Marinette holsters her massive greatsword on her back and powered down, and Marinette's new body, clothes, weapons, jewelry, Third Eye, and massive red and black polka-dotted angel wings are permanent.

Lila Rossi: NO! NO, NO, NO! YOU RUINED EVERYTHING FOR ME AGAIN, MY REVENGE, WASTED!

Me: **Sheesh you bitch get a life.**

Nico: Because, you deserved it, Lila. And you should count yourself lucky we're not going to kill you.

Lincoln: It's better that you suffer forever in prison, but for that little stunt you pulled in escaping from prison again, your punishment is about to be even more unbearable.

Then, Lincoln fired lightning blasts at Lila Rossi and really gave her a nasty shock to her system, and we saw her skeleton as she was being electrocuted. When he was done, Lila was left still shaking due to the electric shock Lincoln gave her. But, before Lila Rossi could scream at us again, Marinette had her beamed back to The Saturn Insane Asylum, this time, to an isolated cell in The Super-Maximum Security Wing, where she was chained to the wall with Neutronium and rainbow energy chains, and this time, she will stay there until the day she dies.

Nico: Take that!

Qin: Yeah!

Me: **That's not going to be the last time we see her though. If she ever comes back we'll be ready for her. This time we're hoping that all the Miraculous Users will transform.**

Nico: Yep. Now the next Another Omnitrix Alien should be close.

My Omnitrix beeped.

My Omnitrix: Corrupted Panuncian DNA Detected.

Albedo turned into Negative Panuncian.

Negative Panuncian: We really have been slacking off in fighting Another Omnitrix Aliens.

Me: **We sure have.**

Eli: But it's close.

Then a figure jumped over us and landed in front of us and it was a black version of a Panuncian! It was ANOTHER PANUNCIAN!

Me: **WHOA! This Splixson's natural predator of Hathor.**

Qin: Yeah!

Nico: This is gonna be good.

Another Panuncian: (In a girls voice) But it's awesome to see you again J.D.

Me: **(GASP) That voice. Vanessa Livingston!?**

Another Panuncian: I missed you J.D.

Me: **Same here.**

Nico: You know her J.D.?

Me: **I sure do. She is someone that I gave my heart to and saved her life. It's how I discovered that I had immortality and invincibility and why my organs can regenerate.**

Nico: Wow! What happened?

Me: **It's a really dark story. 13 years ago, Vanessa's parents were 2 of the most dangerous psychotic serial killers that ever terrorized the country and they were executed for capital murder. Her school life was just as bad and she was a girl that was ignored all the time at school and turned into an outcast. But one person NEVER ignored her and that was me. I saved her from a life of loneliness. And then that's when she nearly did and I did a very selfless deed in saving her life too. Some crazy nutjob kid who lost his parents by the hands of her parents stabbed her in the heart with a knife and she was rushed to the hospital and her life was hanging by a thread. To save her life she needed a heart transplant. But with a waiting list over a mile long I decided to sacrifice my heart to her and saved her life.**

Everyone gasped!

Negative Panunciam: Your own school ignored you?!

Another Panuncian: Yes. It was because I was the daughter of serial killers and they all thought I was going to be like them.

Lincoln: I'll be right back!

He teleported back to Earth and then came back with Sarah Tinsley the Elemental HERO Chaos Neos Gene-slammer.

Me: **That is just absolute bullshit Vanessa. Your parents were pure evil incarnate and the blood of those people are on THEIR hands and theirs alone and not yours.**

Lincoln: And I have someone here who knows what you went through.

Sarah came forward.

Sarah Tinsley: Vanessa I know how you feel. Like you I went through the same horrific ordeal like you did. My school hated my guts because my father is a dangerous psychotic serial killer and everyone turned against me because they thought I was going to turn out like him.

Me: **It's a very ugly story.**

Nico: (gets out Ranamon's Ridewatch) But let's get started, shall we?

Me: **Before we do that we have to know. Vanessa did Swartz promise you anything?**

Nico: Oh right the mandatory question for my rescue.

Another Panuncian: Well he promised to banish my evil parents to the Black Gates if I could destroy the Zi-O Kamen Riders for him. But you guys killed Swartz already before and I knew he was lying to me.

Me: **Looks like that's out of the question for you then. But we'll save you from this monster.**

Nico: Yep. Okay now I can help. (ACTIVATES RANAMON'S RIDEWATCH)

(SAILING OVER THE DOGGER BANK PLAYS)

Nico: (SINGING DIVINELY AS WATER AND SAILING

COMPASSES SWIRLED AROUND HIM)

Sailin' over the Dogger Bank: Oh, wasn't it a treat?

Wind a-blowing east-nor'-east, we had to give a shit!

You ought to see us runnin' the wind a-blowin' free

On a passage from the Dogger Bank to gray Grimsby

Watch out, twigger, she's a proper ju-be-ju

Give 'er a sheet and let her rip we're the boys to pull her through!

You ought to see us runnin', the wind a-blowin' free

On a passage from the Dogger Bank to gray Grimsby!

Our captain he's a Shanghai roush, he loves a pint of good ale

Our mate he is a road stone-inspector, been seen in many's a jail

Our third mate he's a bush ranger, he comes from the African Isle

And take a look at our old cook it gets the bugger wild!

Watch out, twigger, she's a proper ju-be-ju

Give 'er a sheet and let her rip we're the boys to pull her through!

You ought to see us runnin', the wind a-blowin' free

On a passage from the Dogger Bank to gray Grimsby!

Watch out, twigger, as down the street she came

High heels and painted toes, Jenny is on the game

Jenny is one of your flash girls, can't she cut a shine?

She can do the double shuffle on the Knickerbocker line!

Watch out, twigger, she's a proper ju-be-ju

Give 'er a sheet and let her rip we're the boys to pull her through!

You ought to see us runnin', the wind a-blowin' free

On a passage from the Dogger Bank to gray Grimsby!

We are the boys to make a noise when we come home from sea

We get right drunk, we roll on the floor, we have a jubilee- Eee!

We get right drunk and full of beer, we roll all over the floor

And when our rent it is all spent we go to sea for more

Watch out, twigger, she's a proper ju-be-ju

Give 'er a sheet and let her rip we're the boys to pull her through!

You ought to see us runnin', the wind a-blowin' free

On a passage from the Dogger Bank to gray Grimsby!

He danced and fired waves of water and smashed down Another Panuncian and she exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was back to normal and I caught the ridewatch and purified it.

I went over to Vanessa and picked her up and she had blonde hair and had purple and black clothes that were really torn up. She had s scar on her chest where they saved her life with my heart.

Vanessa Livingston: (GROANS) What happened? What a headache.

Me: **But you're back to normal.**

I brought her over.

Negative Panuncian turned into Negative Ultimate Rath.

Negative Ultimate Rath: LEMME TELL YOU SOMETHING, LIVINGSTON PARENTS! IF YOU TWO COME BACK, ULTIMATE RATH WILL DESTROY YOU!

Me: **YOU TELL THEM ALBEDO!**

Qin: YEAH!

Maria: Boy you went through a nightmare.

Vanessa looked at Maria and then she hugged her and cried hard at the terrible nightmare she had to endure at the hands of her evil and psychotic parents.

Nico: Poor girl.

Qin: Yeah.

Maria: It's going to be okay.

Me: **She went through hell.**

Lola: Poor girl.

But then my Kyutama for Cassiopeia the Queen started glowing.

Me: My Kyutama for Cassiopeia is reacting to something.

Nico: That means the next Another Undead Zodiarts is near.

Nico: Who's turn is it today?

Me: **Uhh. Nobody's actually. We don't have that many people marked for Cassiopeia the Queen.**

Lola: That stinks.

Camie (MHA): Yeah but I will volunteer.

Me: **Go for it Camie.**

Then a figure came out and it looked like a mixture of Hana Natsuki, Heat Dopant, Astronema and Necrolai. It was ANOTHER CASSIOPEIA UNDEAD ZODIARTS!

Me: **WHOA! This one is smoking hot.**

Nico: Yeah no kidding

May: And you are?

Another Cassiopeia Undead Zodiarts: (Giggles) J.D. knows me.

Me: **(GASP) That voice.**

She reverted back and it was a girl with blond hair and was in a yellow sailor soldier uniform.

Me: **(GASP) Beverly Vespina A.K.A. Sailor Bespin!**

May: The Sailor Soldier for the planet Bespin!?

Qin: Wow!

Sailor Bespin: But it's good to see you again J.D.

Me: **Same here Bev.**

Nico: You know her?

Me: **I sure do. Bev was born here on Cloud City and was sent to Earth in the future for her own protection because of the war. But she is my friend from Chemistry Class and she knows all about chemicals and how they react. She is also a very powerful fighter and she is really strong too. She lifted up a huge Sumo Wrestler that weighed over 600 pounds with ease and threw him right into the wall.**

Sailor Bespin: That was cool.

Nico: Wow! That is impressive!

Lola: Yeah it sure is.

Maria: You must be very strong.

Sailor Bespin: I sure am. I can easily lift up 10,000 to 250,000 pounds.

Nico: WOW!

Laney: You're one of the strongest Sailor Soldiers we know next to Sailor Jupiter!

Nico: Yeah!

Sailor Bespin: I get that all the time.

Me: **Yep.**

Sailor Bespin: I saw your fights with Lila and Another Panuncian and that was crazy. I can't believe that Lila is that evil and Vanessa went through that level of pain and evil.

Maria: I know, right?!

Qin: Yeah that was horrible!

Nico: Yeah.

Camie: Sorry we have to fight but it's to save you.

Sailor Bespin: I understand.

She transformed back into Another Cassiopeia Undead Zodiarts and Camie fired waves of energy and smashed her down and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was back to normal and I caught the Rouse Card and the Zodiarts Switch. The Rouse Card had the stars and symbol of Cassiopeia the Queen and a picture of a queen on it.

Me: **Cool.**

The Zodiarts Switch glowed and formed into armbands for those marked with Cassiopeia the Queen.

Nico: Cool!

I picked her up and brought her over.

Nico: One more to go.

Eli: And I sense that it's here.

But then…

SPLAT!

Nico got hit in the face with a mustard blast.

Nico spat out the mustard.

Nico: Okay, who's the wiseass?!

Eli: I think that guy is!

We saw a dark version of Condiment King! It was Another CONDIMENT KING!

Condiment King: Another version of me!

Qin: Boy this one is going to be SAUCY! (LAUGHS) Get it?

We laughed!

Me: **(LAUGHS) Good one Qin!**

Nico: Luan would be proud.

Another Condiment King: (In a girls voice) (Thai Accent) That was a good one.

Me: **(GASP) Gamon Ayutthaya!**

Another Condiment King: It's good to see you again J.D.

Me: **And this is very fitting for you too.**

Nico: You know her?

Me: **I sure do. Gamon is a sauce guru I know from Bangkok, Thailand and she is a great master of sauces and makes any kind of sauce ever known. She taught me how to make my own**

**sauces and she even taught me her arts of sauce-fu. And she has the powers of sauces and knows how to use sauce powers too. She is really powerful and can drench villains in any kind of sauce ever known.**

Nico: Wow! So she is the one that taught you how to make some of your hot sauces and many more.

Me: Yep.

Qin: That is cool!

Another Condiment King: Yep. J.D. is one of the best sauce masters next to me.

Kaito: (gets out Fiveman Gear) Did Swartz promise you anything?

Zocks: (gets out Turboranger gear) Because we can grant it instead.

Another Condiment King: Just to expand my knowledge of sauces and to know sauces of other planets.

Me: **We can easily do that for you. We went to many planets all over the universe and picked up tons of things on our adventures whether it's food or experiences or anything.**

Another Condiment King: I can tell. I knew that Swartz was lying to me.

Me: He lied to everyone. Sorry we have to fight like this.

Another Condiment King: No worries. Come at me and don't hold back.

She fired a blast of insanely spicy super nuclear hot Curry Sauce and it went into Nico's mouth and then…

(ALARM BELLS AND FIREHOUSE SIRENS!)

Nico ran around with fire and steam coming out of his ears and mouth and Maria drenched him and smoke came out of his mouth.

Nico: Aaah! Geez! That was intense.

Another Condiment King: My latest creation, Dragon's Breath Atomic Curry Sauce.

Me: **Awesome!**

Kaito got a Fiveman Sword and Zocks got a Turbo Sword!

Me: **Boy that was Muy Caliente!**

Nico: It sure was.

Sougo: (gets out Time Force Ridewatch) That's hot!

Geiz: (gets out Live Ridewatch) But we're hotter!

Sougo got TimeForceRedArmor while Geiz got LiveArmor.

Another Condiment King: Taste this too.

She fired a blast of blue sauce into Nico's mouth and he swallowed it.

Nico: Whoa! That was…

But then Nico got drunk instantly!

Me: **Oh boy! I hope that's not what I think it was!**

Another Condiment King: That is my Romulan Ale Blueberry Jam Sauce.

We gasped!

Me: **Whoa! Romulan Ale is really POTENT stuff.**

Nico: (Slurred speech) (To me) Oh look who it is! Mr. I-Know-Everything-About-Nothing! Come here you son of a bitch!

He threw a punch at me and I dodged it.

Nico hugged me and started crying.

Nico: (Crying) Why do you close your eyes when we make love!? (CRYING)

Me: **Okay you need a nap mister!**

May: I got this.

May had Nico go to sleep.

Me: **I'll use the ridewatches from him in the time being.**

Nico's clone then appeared.

Nico Clone: Nico made me in case this happened.

Me: **Very smart thinking. Boy Nico is gonna be really feeling that when he wakes up.**

Nico Clone: No shit.

Lola: Yeah he'll have a block of ice on his head for hours.

Qin: Yep.

Me: **Time for this.** (ACTIVATES CONDIMENT KING'S RIDEWATCH)

I fired waves of Horseradish Sauce and it hit Another Condiment King and drenched her.

Qin: YEAH! Top this! (ACTIVATES CONDIMENT KING'S RIDEWATCH)

She fired waves of Garlic Alfredo Cheese Sauce and drenched her.

Camie: Boy this is getting saucy!

Me: **It sure is! How about this one.** (ACTIVATES BIG CHEESE'S RIDEWATCH) **Plug your noses guys.**

I fired a wave of limburger cheese sauce and drenched her.

LIGHTHOUSE FOGHORN!

Nico clone: (gets out Condiment King's Ridewatch) Hey, save some for me!

Nico's clone then activated it and fired waves of Thai Curry sauce and smashed down Another Condiment King.

Me: **Very fitting for her too.**

Qin: Yep.

Nico clone: (gets out Big Cheese's Ridewatch) Boss really likes cheese.

Me: **You better believe he does! Can't get enough of the stuff.**

Qin: Yep.

Nico's clone activated it and fired cheese wheels made of cheddar and smashed down Another Condiment King.

Me: **That one is too GOUDA to pass up! (RIMSHOT)**

Everyone laughed at my joke!

Xenia: (LAUGHS) That was a good one!

May: (gets out Hades Fungal Beast Mold's Ridewatch) My turn!

She activated it and punched the ground and huge mushrooms grew and smashed down Another Condiment King.

Me: **Whoa! These are NOT the kinds of mushrooms we would want to eat.**

Lola: No way. I wouldn't touch these with a ten foot pole.

She fired waves of fire and burned them into ashes.

Nico's clone: Good.

Suika Monster: Next will be me and J.D. that was awesome using my Vistamp yesterday.

Me: **It was really cool firing those watermelons like that.**

Nico's Clone: That was genius too.

May: It sure was. (ACTIVATES SUIKA MONSTER'S RIDEWATCH)

She fired waves of melons and they hit Another Condiment King and bashed her in the stomach and the face!

SPLAT SPLAT SPLAT!

Maria: (gets out Clawbster's Ridewatch) I'm next!

She activated it and got Clawbster's pinchers and then she fired waves of energy and smashed her down!

Qin: NOW That one puts you in a PINCH!

We laughed!

Me: **(LAUGHS) Good one! Here's a funny one! Gamon lets do that thing with Heimlich and Francis.**

Another Condiment King: Okay! (Sucks Ketchup) Bubba all gone! BABY WANTS PIE!

I had a huge pie made with berries and cherries in my hands.

Me: **Pie? She asked for it! Should I give it to her?**

Eli: YEAH! GIVE HER PIE! GIVE HER PIE!

Then…

KRASPLAT!

I smashed the pie into her face and it splattered all over Apple Bloom and Nico's Clone.

We laughed hysterically!

Eli: That always cracks me up!

Maria: (LAUGHS) That was funny! Try these weenies! (ACTIVATES SERGEANT WEENIE ARMS RIDEWATCH)

She fired waves of weenies and smashed her all over!

Then out came The Springfield Mafia and their team and it had Springfield Mafia, U.A. Carnage, Greasers, Pizza the Kid, Hair Razor And Barbed Wire Org.

Nico clone: Nice team, Springfield Mafia!

Fat Tony: Thanks. Now lets show her some business.

Louie: You're gonna be drinking sauce through a straw!

Me: **Top this! (ACTIVATES PIZZA THE KID'S RIDEWATCH)**

I got his cactus ball blasters and fired them all over and they hit Another Condiment King.

OUCH!

Me: **And Pizza the Kid?**

Pizza the Kid: Yes?

I blasted him all over the place with Cactus Balls and he was in a lot of pain from them!

Me: **That's for blasting us 2 years ago. Now we're even.**

One Piece Camie: My turn!

She activated Big Cheese's Ridewatch and threw numerous cheese wheels made of Swiss Cheese and smashed her down.

Me: **Oh yeah!**

Lola: Yeah!

Maria: I hope the next Gene-slammer is close.

May: Me too.

But then we felt rumbling and it felt like an earthquake.

Me: **What the? An Earthquake?**

Nico's Clone: That can't be right. Bespin is a gas giant planet and it doesn't have any solid ground.

Then a crack formed into in the metal floor and popping out of it was a DUGTRIO!

Me: **WHOA! A Dugtrio!**

Fat Tony: Are you three people?

Dugtrio: (In 3 Girls voices) Yes we are.

Nico's Clone: Wow the Gaia Triplets. Guys meet Kira, Katie and Kat Gaia.

Kira Gaia: Awesome to meet you guys.

Katie Gaia: Let us take care of things here before we can talk.

Kat Gaia: We won't be long.

They fired waves of crystal energy and the blast hit Another Condiment King and knocked her down and I caught the ridewatch and purified it and it was for Leif. I went over to Gamon and she was a girl with black hair and black clothes and had purple eyes.

Gamon Ayutthaya: (GROANS) What a headache.

Me: **But you're back to normal.**

I brought her over.

Me: **Boy that was three girls in one rescue.**

Xenia: No kidding there!

Nico: But that was awesome.

One Piece Camie: What are your favorite memories of Nico?

Kira Gaia: Well we have a lot of them. But mostly before we met Nico we were friends with Mandy and Billy. And we hate and loathe Sperg with a vengeance but hate Mindy infinitely more.

Me: **Welcome to our world. We hate Mindy just as much. Always calling everyone losers.**

Xenia: Yeah she needs to rot in prison.

Lola: Yeah.

Kira Gaia: Also our favorite memories are in earth science class.

Katie Gaia: This one time we went with Nico to a diamond mine and we found a massive vein of diamonds in it and Nico mined them and gave them to us and made us filthy rich.

Kat Gaia: Yeah he sure did. Our family became the richest ever in the city of Endsville. We also helped Billy and Mandy on many of their adventures.

Me: **Billy and Mandy have done a lot of amazing things not just in Endsville but with us too.**

Nico's Clone: Yep. First lets get you guys back to normal.

Kira Gaia: Okay but we're naked.

Me: **Oh boy.**

I put on my blind man glasses.

Nicole: Anyone peeks at them and I will kill you!

Me: **Here we go. (SNAPS FINGERS)**

The popped out of the floor and everyone covered their eyes.

Out of the Dugtrio body came 2 blobs that formed into humanoid shapes.

They formed into 2 girls and they were back to normal and they were three girls that had brown hair and purple eyes and the fashion brigade made them matching brown dresses and clothes and they had 3 crystal colors on them for each of them. Kira's was dark blue, Katie's was light blue and Kat's was purple.

Kat Gaia: Wow these are beautiful.

Katie Gaia: Wow we all have the same dresses and clothes.

Nico Clone: You sure do.

Nico's clone hugged them.

Nico's Clone: I've missed you girls.

Gaia Triplets: We did to Nico.

We went back home and told everyone what happened and more.

Lincoln: Whoa, we're back in Dark World for Day 16 of The Dark World Treasure Hunt, and I know what we're going to do here, not only am I going to rescue the two girls here, but Silvia Excelsior is going to get a powerful treasure there: a powerful greatsword known as The Demonic Darkness Warlord Greatsword of Sillva, Warlord of Dark World.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) That's right, and since she was Gene-Slammed into Sillva, Warlord of Dark World, it's perfect for her, and we're also going to destroy Andrei, the Sabbat Archbishop of Los Angeles.

Brittney: Ugh, not him again.

Nicole: Should've known he'd be here, I may know a lot of video game villains, but this is one villain that Brittney has a grudge against. But, you know what this means, Brittney, if Andrei is here, then that must mean… !

Brittney: If it's who you're about to say, Nicole, then, we're in for one bloody battle later on after the main mission today.

Nico: Uh oh, looks like another old enemy of Brittney's past has also come back.

Me: Looks like we're in for one wild story later on today.

Lincoln: You got that right, J.D., and I want to thank your team for coming with us, Lana.

Lana: You bet, Lincoln, this is going to be awesome.

Suddenly, Lincoln saw the timer on his right large gold cuff Bracelet of The Champion of the Universe, and we saw that the Hummingbird Nazca Line and Earthbound Immortal Aslla Piscu were now glowing.

Lincoln: And another day down means that Audrey's life is already growing shorter. Now, let's head to Sillva, Warlord of Dark World's shrine.

We continued on and arrived at Sillva, Warlord of Dark World's shrine, and then, the rainbow iris of Lincoln's Third Eye glowed, and the doors opened and we entered, and we saw a massive demonic looking greatsword floating in the center and with dark light shining down on it: The Demonic Darkness Warlord Greatsword of Sillva, Warlord of Dark World, a powerful demonic massive greatsword with silver gems embedded in the 7'0" massive, wide, double-edged midnight black blade, large midnight black demon heads for the crossguard, large silver gem embedded in the rainguard, longer midnight black handle, four large demon heads and a large silver gem on the bottom of the demon heads for the pommel.

Rarity: My word, is that…?

Lincoln: The Demonic Darkness Warlord Greatsword of Sillva, Warlord of Dark World, that sure is one scary looking demonic greatsword.

Silvia Excelsior: You said it, and it's perfect for me.

Suddenly, we saw Ghostrick Nekomusume and Mozarta the Melodious Maestra, and with them are the two girls.

Nico: Wow, Ghostrick Nekomusume and Mozarta the Melodious Maestra.

Ghostrick Nekomusume: (Japanese Accent) That's right.

Mozarta the Melodious Maestra: And we got the girls away from that vampire bishop, Andrei.

Lincoln: (Gasps) Those voices, Makoto Haruki and Yuzu Boyle, it's so awesome to see you both again, but we'll talk later, we still got Andrei to take care of.

?: Brittney Knudson, you will pay for ruining the Sabbat's plans to destroy the world of man!

Brittney: I knew there was no mistaking that voice. Show yourself, Andrei.

We then saw our target, Andrei, the Sabbat Bishop of Los Angeles.

Brittney: Andrei, I should've known I'd run into you here.

Andrei: Now, I will see to it that you and all of Team Loud Phoenix Storm shall die here and now!

Silvia Excelsior: We've already dealt with Count Dracula yesterday, and he was a nightmare, but you, you're not leaving this place alive, Andrei!

Silvia Excelsior went up and grabbed The Demonic Darkness Warlord Greatsword of Sillva, Warlord of Dark World. Suddenly, Silvia Excelsior's pink eyes turned neon pink and she was surrounded by a black and dark purple energy aura with darkness, demons, and dark magic, she unholsters her massive Sillva, Warlord of Dark World's Demon Greatsword of Darkness Warlord Justice from her back, and as she approached Andrei, she left black and dark purple energy, darkness, demons, and dark magic with every step.

Silvia Excelsior: I will never forgive you for the crimes that you and the entire Tzimisce Clan have committed against mankind, Andrei, your accursed faction have caused enough trouble for mankind, and now, I will see to it that you and your entire vampire clan are destroyed forever.

Suddenly, Silvia Excelsior was surrounded by a massive vortex of black and dark purple energy with dark magic and darkness surrounding it, there's an army of demons and Sillva, Warlord of Dark World flying around the vortex, and in the vortex is a pink phoenix. Then, as the vortex faded, Silvia Excelsior emerged, but she was changed forever.

Silvia Excelsior has transformed into SUPER ANGEL-DEMON-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS SILLVA DEMON WARLORD DARK WORLD DEMONIC ANGEL OF DEMONIC SILVER DARK WORLD JUSTICE AND DIVINE DEMON SILVER WARLORD DARK WORLD LOVE!

We were amazed by Silvia Excelsior's Super Angel-Demon-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Andrei saw it, the vampire went mad with rage and rushed at Silvia Excelsior to kill her, but Silvia Excelsior fired a powerful black and dark purple energy blast with darkness, demons, and dark magic at Andrei, and it sent him flying out of the shrine and we follow out, he got up, but he was really angry now.

Nicholette Torrington: Whoa, Silvia Excelsior has transformed into her Super Angel Celestial Eternal Xelnaga form, awesome!

Lincoln: You got that right, Nicholette, and now, we're going to put a stop to this vampire's rampage, and Silvia, you look beautiful, how do you feel?

Silvia Excelsior: (Divine Echoing Cosmic Voice of the Dark World Silver Demon Warlord and Divine Demon Warlord Dark World Divine Love) I feel incredible, Linky. Now, shall we put an end to this evil monster once and for all?

Lincoln: (Smiles) With pleasure, Silvia.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal

Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Silvia Excelsior.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Buffalo Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) There's no way we're letting a monster like you live any longer, Andrei, you and your twisted clan shall meet your demise here and now.

Silvia Excelsior and Lincoln went after Andrei, and they fired extremely powerful blasts of rainbow energy, black and dark purple energy, dark magic, crosses, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, fairies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, and Mermaids at Andrei, and they exploded with incredible power as they hit him. Then, they also attacked him with slashes from their massive greatswords, and slashes from Lincoln's claws, and he drew more blood.

Nicole: Man, those two are really roughing him up.

Me: You said it, let's join in and really rough this monster up.

TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters and parents transformed into their Super Angel Celestial Eternal Xelnaga forms and unholstered their massive greatswords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine

Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel Eternity Infinity Celestial Lightstorm Phoenix Angel of Divine Heavenly Light and Divine Angelic Justice, Qin, Clyde and his harem, Baloo, Izuku and his friends, The Z-Fighters, Rip, Green Heart, White Heart, Purple Heart, Compa, Sasuke, Itachi, and their family, Sakura and her family, Naruto and his harem, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Sir William the Good, Lady Mary the Good, The Bakugan Battle Brawlers, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, Ravus Nox Fleuret, my harem, and Nico's harem got out their weapons, Rayman unholstered his massive Morpheus's Celtic Dream Greatsword of Peaceful Celtic Dream Justice from his wider and muscular back and transformed into Super Angel Celestial Eternal Xelnaga Celtic Dream Glade Fairy Dragon Angel of Divine Moonlight Celtic Dream Justice and Divine Celtic Moon Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered our massive greatswords and we transformed, and we went after Andrei, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Silvia Excelsior, her hand-cannon Blaster is known as Sillva, Warlord of Dark World's Demonic Warlord Darkness Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's black with dark purple flames on the blaster with a Phoenix, Angel, and Sillva, Warlord of Dark World surrounded by darkness etched on the sides, and a silver gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Silvia Excelsior fired blasts of rainbow energy, black and dark purple energy, and elemental forces at Andrei and as they hit him, they exploded with incredible power, and really knocked him down.

Then, Lincoln ran at Andrei and he put the Tzimisce in a brutal bear hug so he couldn't escape, and as he sank his fangs into Andrei's neck, he began sucking out his blood and absorbing him into his body through his skin and assimilating his powers and abilities. Then, as soon as Lincoln was done, an energy card with Andrei's soul fired out from Lincoln's massive greatsword, and the Judgement Kanji appeared on his forehead and he was sent to The Black Gates. We cheered wildly as we holstered our weapons and powered down, and Silvia Excelsior's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long dark purple wolf tails, and massive pitch black angel wings are permanent.

Silvia Excelsior: Your days of causing havoc are done, Andrei. Thanks for helping me destroy that evil Sabbat, Linky.

Lincoln: (Smiles Warmly) You're welcome, Silvia.

Suddenly, Silvia Excelsior wrapped her arms around Lincoln's massive wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Silvia Excelsior's face, they deeply kissed passionately as Silvia Excelsior's left arm was still wrapped around Lincoln's massive, wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive right pec, and behind them was a Thunderbird, Phoenix, Angel, Demon, and Sillva, Warlord of Dark World flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and demons flying behind them and we cheered wildly. Lincoln and Silvia Excelsior came back to us as the display and Sillva, Warlord of Dark World vanished.

Nicholette Torrington: Another evil vampire was made into a meal by our resident Vampire-Werewolf-Cyborg hybrid angel hero, but this does mean one thing: if what we saw was indeed true, then this means, we're now coming face to face with the clans of Vampire: The Masquerade.

Lincoln: It sure looks like it, Nicholette.

Brittney: I never thought I'd run into any of them again, but this is bad.

Nicole: Big time bad, some of the vampire clan sects from the game are a threat to humanity, and as we've seen, Andrei is one vampire who desires to take over Los Angeles, and then, the world.

Lincoln: Which is why The Tzimisce Clan are going to die here and now.

Suddenly, Lincoln's deep sapphire blue eyes turned blood red, and he started killing every member of the Tzimisce Clan and the Sabbat Organization and sending their souls to The Black Gates, and his blood red eyes change back to deep sapphire blue as soon as the job was done.

Lincoln: That should do it, but I know what I did to the Tzimisce Clan and the Sabbat Organization will eventually reach the other vampire clans, and it'll lead to us getting involved, but you know what, let them come, I will rip every last one of them to shreds and feed on their blood, they're nothing but prey and I am their worst nightmare!

Nicole: Oh man, the clans of Vampire: The Masquerade are in big trouble now.

Me: Big time.

Lincoln: I'm not going to be nice to any of them, they've already proven to be a threat to mankind, so I have to respond in kind by being a threat to them. (To Makoto Haruki and Yuzu Boyle) And it's so good to see you again, Makoto Haruki and Yuzu Boyle.

Makoto Haruki reverted back to normal, and she's a beautiful girl with long flowing orange hair and orange cat ears on top of her head and orange cat tail, yellow eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful black angel wings, and she reigned in the power of Ghostrick Nekomusume, and she's dressed in a black sleeveless open blouse, orange sleeveless midriff top, black skirt, black pants, black knee-high boots, and a long white sleeveless trenchcoat with darkness and cats on the coattails and Ghostrick Nekomusume on the back and holstered on her back is a massive Ghostrick Nekomusume-themed greatsword with Ghostrick Nekomusume etched etched on the 7'0" massive, wide, double-edged midnight black blade, large black cat heads for the crossguard, large orange gem embedded in the rainguard, longer midnight black handle, four large black cat heads and a large orange gem on the bottom of the large black jackal heads for the pommel.

And Yuzu Boyle reverted back to normal, and she's a beautiful girl with long flowing silver hair, blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful silver angel wings, and she reigned in the power of Mozarta the Melodious Maestra, and she's dressed in a beautiful red dress, black pants, black knee-high boots, and a long white sleeveless trenchcoat with music notes and light on the coattails and Mozarta the Melodious Maestra on the back and holstered on her back is a massive Mozarta the Melodious Maestra-themed greatsword with Mozarta the Melodious Maestra etched etched on the 7'0" massive, wide, double-edged midnight black blade, large fairy heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large fairy heads and a large red gem on the bottom of the large fairy heads for the pommel.

Makoto Haruki: (Japanese Accent) You too, Lincoln, and it's also good to see you, Claire, Ramona Alucard, Aisha, Sarah, Winter, Ramona Qingzhao, Autumn, Mary, Dina, and Tiana again, Ursula.

Ursula Truaigheaingeal, Ramona Alucard, Sarah Dullahan, Claire Allaire, Aisha Arian, Winter Icyin, Ramona Qingzhao, Autumn Aluma, Mary Adelberte, Dina Mabrouk, and Tiana Masina: You too,

Yuzu Boyle: It's been such a long time since we last met, and it's also good to see you again, Luna.

Luna: You too, Yuzu.

Lincoln went up to Makoto Haruki and Yuzu Boyle and he hugged them, and Makoto Haruki and Yuzu Boyle were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and muscular he's really become, and they had atomic red blushes on their faces, and the atomic red blush on their faces went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Makoto Haruki: (Japanese Accent) Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new.

Yuzu Boyle: You said it, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nicole: Wow, Lincoln, you know these two, and I can also suspect Yuzu knows Luna?

Lincoln: Indeed I do, Nico, the Ghostrick Nekomusume Gene-Slammer is Makoto Haruki, she's my Guardian Angel from Japan and classmate in Gym. She's a Nekomusume and she was born with the powers of darkness and she knew of me being a vampire-werewolf-cyborg hybrid, just like the other Ghostrick Gene-Slammers. She's been known to attract cats because of her cat features, and she also knows how to tame bad cats.

Nicole: Whoa, now that's what I call cat power!

Ronnie Anne: Yep, but the one group of bad cats that don't want to be tamed by her are those Alley cats from Great Lakes City and she really hates them for always attacking me and my family.

Me: Sheesh, so out of all the cats she can tame, those mangy alley cats from Great Lakes City are the only exception.

Lincoln: Yep. Plus, she's protected me from the bullies at school and Lori, Lynn, Lola, Lisa, and Luan, and she's not afraid to fight and get dirty. This one time, I made her a beautiful gold necklace with a cat pendant, and she loved it so much, she hugged and kissed me and I returned it. She's also good friends with Lucy and The Young Morticians' Club, and she hates Flip with a burning passion and wants nothing more than to shred that mutant to shreds.

Brittney gave Makoto Haruki the ring for The Goths of Darkness, and she put it on her right ring finger.

Lincoln: And the Mozarta the Melodious Maestra Gene-Slammer is Yuzu Boyle, she's my Guardian Angel from Japan and classmate in music. She moved to Michigan from Japan, and when she and I met, we started playing musical instruments when we were six years old, and since then, we still play musical instruments with mastery.

Luna: Yep, plus, Yuzu's beautiful singing really complimented Lincoln's singing. Those two even helped me, Sam, Sully, and Mazzy with performing music, and to show thanks, I took Yuzu and Lincoln to a French Restaurant, where Yuzu and Lincoln kissed each other on the lips.

Nicole: Now, that's really awesome!

Lincoln: Yep, plus, Yuzu is also the cousin of Zuzu Boyle, and she hates that scooter-driving, mentally insane, heckling old goat, Scoots, with a burning passion.

Me: Yikes, I hate to find out what that old goat did to earn Yuzu's wrath, along with what that mutant cheapskate did to earn Makoto's wrath.

Makoto Haruki: (Japanese Accent) Trust us, you won't like it. (To Lincoln) And Lincoln, there's something we want to give you: we want to give you our blood.

We gasped at their request, including Lincoln.

Lincoln: Makoto, Yuzu, are you absolutely sure about this?

Makoto Haruki: (Japanese Accent)(Smiles) More than anything, after all, we're going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Makoto Haruki and Yuzu Boyle, and he saw that they're really serious, and he smiled as he walks over to Makoto Haruki and Yuzu Boyle, and he hugged their waists in his abnormally massive and powerful muscular arms, he slowly leaned his head down first on Makoto Haruki's neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up, and he also did the same with Yuzu Boyle.

Suddenly, two Elemental Thunderbird Necklace of Eternal Loves appeared on the necks of Makoto Haruki and Yuzu Boyle with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Makoto Haruki: (Japanese Accent)(Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which

means you and Yuzu are now part of my harem and my many future wives, Makoto.

Makoto Haruki and Yuzu Boyle had a smile on their face and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around their waists and they wrapped their left and right arms around Lincoln's massive, wider, and muscular back, and he leans down to their faces and kissed the two of them passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the two girls, and when Lincoln saw them, he recognized them immediately. The two girls are Shiori Goshiki from A Galaxy Next Door and Raeliana McMillan from The Reason Why Raeliana Ended up at the Duke's Mansion.

Lincoln: Oh wow, it's Shiori Goshiki from A Galaxy Next Door and Raeliana McMillan from The Reason Why Raeliana Ended up at the Duke's Mansion.

Nicole: Awesome.

Lincoln: Are you girls okay?

Shiori Goshiki: Yes, we're okay, thanks to you.

Then, when Shiori Goshiki and Raeliana McMillan saw who it was that saved them from Andrei, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

He had his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and large gold Elemental Shield of Harmony holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip, his Eater of Sins revolver and Elemental Universal Thunderbird hand-cannon Blaster holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation and embedded Stone of Gelel on the back of his massive left hand, large weighted gold bands on his massive biceps and thighs with silver phoenixes on them, large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive indestructible white angel wings with stars and orange and aurora-colored tips on the large white feathers and eleven massive and long powerful white wolf tails with rainbow marks, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them which were glowing neon orange and they also had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts on the coattails held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, large royal blue pants with multicolored lightning bolts on the thighs, and large gold-armored boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and gold armor on the toe area, silver Buffalo head stud earrings with the Thunderbird carved on it and the Element and Eternity Kanjis on the heads, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the center in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird carved on it and the Element and Eternity Kanjis on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, large

Shiori Goshiki: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made a clone of himself, and he and his clone went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Shiori Goshiki: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Shiori Goshiki and Raeliana McMillan with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and Lincoln told everyone that Silvia Excelsior had gotten The Demonic Darkness Warlord Greatsword of Sillva, Warlord of Dark World, and they were shocked when they found out the villain we went after was Andrei, the Sabbat Archbishop of Los Angeles and secondary antagonist of Vampire: The Masquerade - Bloodlines.

But, when Lincoln showed what happened such as Silvia Excelsior transforming into her Super Angel-Demon-Harmony Celestial Eternal Xelnaga form and all of us laying the beatdown on him and Lincoln finishing him off by feeding on him and absorbing him and sending his spirit to The Black Gates for good, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln, Makoto Haruki, and Yuzu Boyle have a lot of catching up to do, now that they're back in town.

Maria: Oh man, so now we've got the clans of Vampire: The Masquerade to deal with, this is going to be one wild blood-fest.

Nico: And more victims for Lincoln to feed on and absorb.

Me: And he made his threat clear when he wiped out the Tzimsce Clan and Sabbat Organization that are in Los Angeles.

Lincoln: Yep. Let them try to attack me, I refuse to let any of them run free and hurt mankind.

---

After destroying Andrei, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Makoto Haruki and Yuzu Boyle saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Makoto Haruki: (Japanese Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Yuzu Boyle: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Makoto Haruki: (Japanese Accent) That's incredible, and we'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nicole: You got that right. So, Makoto, what's the story on why you hate Flip with a blazing passion, and Yuzu, what's your story on why you hate Scoots with a burning passion?

Makoto Haruki: (Japanese Accent) You're not going to like it one bit. One time, Lincoln and I were both heading home after getting some groceries, but then, we heard the bellowing yell and smelled the stench of a smelly mutant cheapskate, and we saw who it was: it was Flip, and he was trying to kill Lincoln again, but I'd had it with that smelly mutant, so I kicked him into a trash can, and called a bunch of cats to attack him and he ran away, only to be caught by the police and sent back to prison.

We gasped.

Me: Whoa, so the one who sent those cats after Flip that day was you? Wow.

Lincoln: Yep, and when we told the family, naturally, they were mad at Flip, but were glad that I was okay, along with Makoto.

Yuzu Boyle: Flip got what he deserved. Okay, here's why I hated Scoots with a burning passion: it was during a show Lincoln, Luna, Sully, Mazzy, Sam, and I did at Lynn's Table, and we were rocking the house, but then, Scoots showed up and threw tomatoes at us and she was laughing like the crazy old witch she is, and I got so pissed off, I ran at Scoots and hit her hard in the head with a guitar and using my guitar as a baseball bat, I sent Scoots flying right back to The Lansing Maximum Security Nuthouse. We found out Scoots attacked the guards and escaped to head back to Gotham Royal York to get revenge on The Loud Family for throwing her there.

Nicole: (Gasps) Why, that crazy old witch!

Luna: Yep, she tried to get revenge on us by throwing those tomatoes at us and ruining our gig, but Yuzu hit her hard in the head with her guitar and using it as a baseball bat, she sent her right back to the nuthouse.

Lincoln: And now, Scoots is dead and gone forever, and she's never coming back.

Luna: You said it.

We got a shower afterwards, and then, me and my harem were heading off to Mystic Cave Zone.

Misty Tredwell: Wow, so this is Mystic Cave Zone.

Me: Yep, a huge, dark cave in West Side Island with purple stones and the minecart system above has some light green crystals, and the platforms in the foreground are the minecart systems and green crystals, decorated with some hanging vines and torches. This is really awesome.

We explored every bit of Mystic Cave Zone, and it was really beautiful: every last bit of the cave was decorated with crystals and hanging vines and torches, and we made sure to take some photos to show everyone when we head back home. Then, we shared a beautiful kiss and we headed back home.

Nico: Hey, J.D., how was your date?

Me: Awesome, Nico, we went to Mystic Cave Zone.

We showed everyone the photos of the place, and they were amazed.

Eli: Wow.

Lincoln: That's really awesome!

Nicole: Man, Sonic's world is really full of beautiful places!

Lincoln: They sure are.

Sonic: Glad you guys like them.

---

Back at the estate, Nico was resting on the sofa. We finished Lincoln's rescue and the exercise session and Nico's clone had fun too.

Nico then woke up.

Nico: (wakes up and groans) The fuck happened?

Me: Well good afternoon Sleeping Beauty.

Nico: What happened? (GROANS) MY HEAD! What the fuck happened to me?

Me: You drank a lot of Gamon's Romulan Ale Blueberry Jam and you got as drunk as a loon. You went right to sleep and your clone had to fill in for you.

Eli: It's true.

Nico: Oh man!

Lana: Here's some ice for you though.

Lana gave him a block of ice.

Nico: Thanks Lana. Oh man. I feel like I got smashed by an incoming asteroid.

Me: You missed a lot but I'm sure you got the memories of your clone.

Nico: Yeah I did. But man my head feels like it has a clamp on it.

Me: Well it was a great rescue.

Nico: Where are Poromon and the others?

Me: They're out getting the mail. They should be in shortly.

Qin: Yeah.

The elevator opened and in came the mascots and they had a HUGE BOX!

Squidward: That's a big box!

Me: Wow what did you guys get?

Poromon: You'll see.

Squidward: Probably ordered a lifetime supply of bubble soap.

Squidward chuckled.

Maria: Well, what did you guys get?

Then the Mascots lift up a big-screen TV from the box smaller than the size of it!

Squidward: Huh? [Squidward being surprised as a result of seeing what he assumed was The Mascots's new television] A brand-new television?

Me: Jumping Beanstalks!

Qin: Whoa! That's an awesome 150" HDTV and it has all the latest features!

Me and Eli got it down for them.

Me: Boy this TV is huge.

Nico: Wow!

Mascots: Yeah! [jump into the box and close the flaps]

Squidward: Just when I thought they couldn't get any stupider. [walks up to the box with the Mascots inside] Let me get this straight, you giant ordered a giant screen television just so you could play in the box?

Poromon: [emerges from the box] Pretty smart, huh?

Manaphy: [emerges from the box] I thought it wouldn't work.

Squidward: Yeah, that's quite a plan there. Oh, but wait, there was something else I wanted to ask you guys. Now what was it? Oh, yeah, yeah. [yells in The Mascots faces] DON'T YOU GUYS HAVE ANY BRAINS!

Squidward then realized something.

Squidward: Wait. This sounds familiar.

May: Squidward, I would like to scold you for yelling at Manaphy. But right now, can you tell me how this sounds familiar?

Lily: Wait I know why. SpongeBob and Patrick got a huge television and me, SpongeBob and Patrick played in the box and did all sorts of imagination adventures.

Squidward: That's right! I remember that now!

Sunset Shimmer: Boy that is cool. May I have that TV if you don't want it guys?

Poromon: Sure Sunset.

Sunset Shimmer: Oh boy thanks!

Lisa Loud: I'll help you set it up.

Varie: Me and Eli will help carry it in.

They did so.

Me: This I got to see though.

Lily: Yeah.

Squidward: If you hear any sounds, don't be alarmed. That's just them playing

Oceanus Shenron: But what if there are real sounds?

Squidward: That's why we have Eli.

Me: Okay.

Manaphy: Let's play Mountain Climbing Adventure!

Poromon: Let's go for it! [pulls the flaps of the box over on them] Gloves!

Manaphy: Check.

Poromon: Hats!

Horsea: Check.

Poromon: Underwear!

Poliwag: Uh… check!

Poromon: Okay, Manaphy, climb up there and secure this rope.

Manaphy: You got it! [climbing noises come from the box]

Poromon: Manaphy! Manaphy! Manaphy, you're going too high!

Poromon: Take it easy, Patrick, you've got to acclimate!

Manaphy: I'll take it easy when I'm dead! I'm shaking hands with Neptune! Whoo! Excelsior! I am the lizard king! Whoo! ("I have to make it!" in Latin Spanish)

Poromon: Manaphy? Manaphy? Manaphy! I think we should keep our voices down! We might start an avalanche!

Manaphy: What?

Horsea: He said, that we should keep our voices down in case of avalanches!

Manaphy: What should we keep down?

Poliwag: [loudly] Our voices!

[But then the sound of an avalanche, making the Mascots scream and fall, they all start to cry. We looked at the box shocked]

Me: You guys? [softly touches the box, causing another avalanche]

Manaphy: Hold me.

Poromon: Hang in there, guys, the chopper's on the way!

Manaphy: Poromon! My antennaes are frozen solid! You're going to have to cut them off with a saw! [Nico begins to sweat]

I was biting my nails in fear!

Poromon: No, Manaphy, I can't do that!

Manaphy: Why not?

Poromon: Because I already cut off my own wings!

Manaphy: Nooooo!

[I then quickly open the box and looked in. The mascots were inside the box]

Me: Whew! You guys had me worried there. But those noises. They were so realistic.

Nico: Boy no kidding!

Slippy Toad: Should we be concerned?

Squidward: I admit I might join them to get a taste this time around. But I swear to you there's nothing to worry about.

Me: They sounded so real. Like it was all actually happening.

Poromon: It sure felt like it.

They resumed. But then.

Police sirens are heard,

Policeman Inside The Mascots box: Attention! We have you surrounded! Come out with your hands up!

Me: UH OH! DID SOMEONE CALL THE COPS ON US!?

Criminal Inside Box: You'll never take me alive, coppers!

Man Inside Box: No, Johnny! Don't do it! [Police sirens are heard]

Me: Wow that is really realistic!

Nico: Man I thought we were in trouble there for a sec.

Laney: That is absolutely amazing.

Lily: Yeah we had a lot of fun.

Squidward: Look, to get your minds off of it, how about Madame Leota gives us sneak peeks on the next sets of missions?

Madame Leota: My pleasure.

She then showed us images of the heroes of Devillady, Hero 108, Kamen Rider Faiz, and Trollhunters.

Me: Awesome we're meeting the Faiz team soon. Too bad they didn't help us during the 20 Days of Darkness.

Nico: And a bunch of kids that hunt trolls as well.

Eli: Yep.

Me: And we're going to meet Devillady soon too.

Qin: Yeah.

But then…

Astronaut inside the Mascot's box: 3… 2… 1… blast off! [a loud rocket takes off noises are heard from the box]

Me: WHOA!

Xenia: Sounds like a rocket was taking off.

Me: Yeah!

Astrotrain: Thank goodness that's not me.

Squidward: That's it. I'm going in!

Armada Cyclonus: Have fun, Squidward.

He dove in.

Poromon: Welcome aboard, Squidward! You've just set sail on the S.S… [makes a rainbow with his wings once more]… Imagination… where our only destination is fantastic adventure! Where do you want to go first?

Squidward: No, no. Don't mind me, I'm just here to observe.

Poromon: But, Squidward, don't you see? Waiting and watching? That's not what the box is about! It's about… [makes one last rainbow with his Wings] imagination!

Squidward: All right, fine! [as he makes the rainbow go away with his hands] Take me to Robot Pirate Island! I wanna arm-wrestle with cowboys on the moon! Just do it so I can get

back and watch TV!

Poromon: Okay, Squidward! Robot Pirate Island it is! [he and the mascots close their eyes and make pirate and robot sounds]

Manaphy: [imitates robot] Beep-beep-beep.

Poromon: [imitates pirate] Arrgh.

Poliwag: Beep-boop-bee-boop.

Horsea: Ahoy, matey!

Manaphy: Beep-beep.

Poromon: For that you'll walk the plank! [giggles softly while the mascots chuckle goofily]

We then heard real robot and pirate battle noises from box.

Lily: That's Robot Pirate Island. I remember that one too.

[fireworks and cheering sounds are heard coming from the box]

Nico: Wow that is so realistic.

We then heard a roar.

Horsea: It's the robotic kraken!

Me: Robotic Kraken!?

Qin: WHOA!

Squidward: (inside the box) I actually think this is fun. But it's getting more weird by the minute.

They were blasting and slashing the robot Kraken all over. We heard blasting sounds and slash noises and roaring noises.

Me: Boy they are really having fun on that one!

Qin: Yeah!

Jack Sparrow: Boy the world of pirates has nothing on this mate.

Nico: No kidding Jack.

Xenia: Wow.

They came out.

Nico: Wow!

Poromon: I still can't believe those pirates beat all those robots.

Powerglide: How was it?

Squidward: (smiles) It was actually very fun. (gets serious) Up until the point where beer for the celebration was involved.

Poliwag: All you had to do was drink the beer!

We laughed.

Me: But that was really amazing guys. It all sounded so real and exciting.

Right Suzuki: Their imagination is really awesome too.

Lola: Yeah it sure is.

American Dad Roger Smith: I want to go next! I wanna visit a land of cocaine!

All of us: NO WAY ROGER!

Qin: Geez Roger you and your Cocaine.

Nico: Man Roger you need to go to therapy.

Stan Smith: Yeah Roger! What he said.

Maria: I think that's enough of the box for today. But we'll keep it in the closet.

Me: Yeah. But still that was really awesome hearing all that.

Qin: Yeah. It all felt so real and cool.

Me: Yeah.

Nico: Anyway we need to get ready for the next race.

Xenia: Yep. It's on another ocean planet.

RD Lola: Nico, what teams have you made this time?

Nico: Sora's team will include Penelope Waverly, Gemma, Emily McKale, Whitney Emmington, and Elizabeth O'Carroll. Kari's team will include Fire, Spirit Elephant Ranger, Spirit Shark Ranger, Spirit Bat Ranger, and Camille.

Me: Cool!

Nico: Whisper.

Me: Sorry. Be right back.

I went to the infirmary and came back with a bottle of anti-hangover medication.

Me: Take this Nico.

Nico: Oh thanks.

Nico took one pill and he was better.

Nico: Ahh. Thanks. That sure helped.

Me: No problem. But those are awesome.

Camille: It sure is.

Emily McKale: It'll be so awesome being in a team.

Lola: You guys will love it.

Me: And see Gemma I told you that you wouldn't be left out.

Gemma: Thanks.

Then the previous group of M.O.E. Members came.

Titania: Can me, Marluxia, Grodd, Gator Ghoul, Baron Mordo, White Lightning, Amora, 10,000 Volt Ghost, Ben Ravencroft, and David Cain go with you guys?

Vathek: Me, Neopolitan, the Live action Constructicons, Yost Pyro, Evil Cut Man, Marina Del Ray, Evil Drill Man, Judge, Heart, and Windfall.

Live Action Scrapper: And that's a nice box.

Poromon: Thanks. We call it Fort Imagination!

He made a rainbow with his wings.

Lily: Me, SpongeBob and Patrick did all sorts of imagination adventures in a big box like this and it was fun.

Qin: You should have heard everything that was going on.

Me: Yeah it was all completely realistic. It sounded like it was all actually happening.

Nico: Boy no kidding there! Also to answer your question yes you all can come with. We're getting ready for our next race. It's on another ocean planet.

Me: We don't know what this ocean planet will be but it will be awesome.

Nico: Yep.

Me: Also the mascots ordered a giant screen television and used the box to do imaginative adventures.

Qin: Yeah. They gave Sunset Shimmer the TV.

Vathek: Wow! What did they do in that box?

Me: Mountain Climbing Adventures, Cops and Robbers Chase, Space Launch and Robot Pirate Island. It was awesome.

Vathek: That is cool!

Camie: It all sounded remarkably realistic.

Lola: Yep it sure did.

Laxus: Nico, which Gene Slammer do you think you'll meet next?

Nico: Persian next.

Qin: Cool! One for Meowth's evolved for next.

Meowth: That one will be interesting.

Lola: Yep.

King Kai: (Telepathically) Nico, everyone can you hear me?!

Nico: King Kai, what's wrong?

King Kai: (Telepathically) I got some bad news, Brad Buttowski has broken out of prison and he wants revenge on Kick and all of you for sending him to prison.

We gasped!

Me: Why, that buttface, he's going to pay for this!

Nico: Big time. I thought the prison guards would have him shot dead if he tried to escape.

Lincoln's deep sapphire eyes glowed, and he saw that Brad Buttowski has killed the guards there who were ordered to kill him if he tried to escape.

Lincoln: There's a reason why, Nico: I just had a vision, and I just saw that earlier on, Brad Buttowski had killed the guards there who were ordered to kill him if he tried to escape.

We gasped.

Kick: Now, he's just committed murder, that's definitely another Life Sentence added to his original sentence.

Nico: You said it, Kick. But, now, we're going to make that buttface pay for what he said and did long ago.

Me: Yeah!

Lincoln: He's getting thrown back in prison after we rough him up.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Prince Sebastian LaCroix, the Camarilla Prince of Los Angeles and one of the two main antagonists of the 2004 videogame, Vampire: The Masquerade - Bloodlines, and he's heading here to kill us. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone else coming after us?

Lincoln: You guessed it, Rayman, and we're not going to like this one bit: the dark energy we sensed belongs to Prince Sebastian LaCroix, the Camarilla Prince of Los Angeles and one of the two main antagonists of the 2004 videogame, Vampire: The Masquerade - Bloodlines, and he's heading here to kill us.

Brittney: I should've known. As soon as word of Andrei's death along with the destructions of both the Sabbat Organization and Tzimsce Vampire Clan hit him and the rest of the Camarilla Vampire Clan, they've immediately mobilized to attack us.

Nicole: And the Camarilla Vampire Clan have tried to get control of Los Angeles, but were unable to due to their many rivals, and among them were the now destroyed Sabbat Organization, along with the Anarch Movement and the Kuei-jin.

Nico: Wow. Never knew the politics of the vampire clans of Vampire: The Masquerade could get this messy.

Me: You said it.

Brittney: It's stemmed from their ancient rivalries in The Dark Ages, and it's continued on into the modern world.

Adriana Ardelean Dracula: (Romanian Accent) At this point, I don't even care what Prince LaCroix wants, there's only one thing awaiting him and the entire Camarilla Vampire Clan: death.

Michaela Amaryllis: And there's also another vampire with him: Ming Xiao.

Brittney: The High-Priestess of the Kuei-jin and the Baroness of Chinatown, so he's also got that powerhungry vampire with him as well.

Lincoln: Either way, both of them are going to die here and now, right after our mission today.

Nico: You got that right. Alright, gang, let's go, we got an awesome race on a new ocean planet that's been discovered.

Lincoln: A new ocean planet has been discovered, and we're having a race there, awesome. But, after we get done with the race, we're going to hunt down Brad Buttowski and make him pay for his crimes long ago, and once we get done with the race and making that buttface pay for his crimes long ago, you're next, Prince LaCroix.

Michaela Amaryllis: Along with you, Ming Xiao.

Camie: Who is Brad Buttowski?

Me: You would hate this guy Camie. He was the older brother of Kick Buttowski and we faced him shortly before the War with The Royal Defenders.

I went over his history.

* * *

Brad Buttowski is the main antagonist/anti-hero of the Disney XD TV show Kick Buttowski.

He was voiced by Danny Cooksey, who also voiced Montana Max in Tiny Toon Adventures, Victor in The Ren & Stimpy Show, Hotstreak in Static Shock, Jack Spicer in Xiaolin Showdown, Django of the Dead in El Tigre: The Adventures of Manny Rivera and Brett and Chet in The Lorax.

Brad is Kick's older brother and one of his most common antagonists. He bullies Kick as he only refers to him as "Dilweed", and is left in charge of him and Brianna when their parents are out. Brad has very poor hygiene, and thinks he is popular (but this is not the case). He is presumably 14 years old, as he is still taking his driver's test. He mainly tries to ruin Kick's plans and stunts, but on occasion either helps him (willingly or not) or just ignores him.

Most episodes featuring Brad have him in an antagonistic role versus Kick. They fight, usually pretty violently, though they're more destructive to their surroundings rather than each other. In "Tattler's Tale" it's revealed that both Brad and Kick enjoy their fights with each other and will go to great lengths to cover it up from their parents, suggesting they are friendly fights. Plus, they have teamed up in some episodes since Brad is less than a villain, but somewhat an anti-hero in some occasions.

In "A Very Buttowski Mother's Day", Brad is convinced that he has "second place" in his mother's heart, and so tries to ruin Kick's present's to get 'first place'.

Brad is usually seen hanging out with his friends Horace and Pansy. They tend to act as his lackeys, performing whatever task he asks of them. Why they tolerate this is as of yet unknown.

---

When I was done everyone that hadn't heard about it was shocked!

Camie: GEEZ!

Lola: Yeah he is a total jerk and a monster!

Nico: Well we got to stop him fast.

Gator Ghoul: Let's get going.

Yost Pyro: Hope I don't get put out there.

Me: Don't worry we won't.

We went to the ship and we were off.

---

Flying through space was the U.S.S. Valorous Phoenix.

Nico: Captain's Log, Stardate 7114.2: The U.S.S. Valorous Phoenix is en route to the next planet where we're going to have our next race. Our mission is to win the race and bring down Brad Buttowski who has escaped from prison and is out for revenge.

Qin: That monster will pay for what he did.

Loud House Taylor: He's worse than I used to be.

Me: No kidding there!

Qin: Yeah!

Camie: And you guys defeated him before the War with the Royal Defenders? What was that like?

Me: Really awesome and epic. But Brad said something REALLY HORRIBLE to us too that pissed us off really bad.

I went over what happened in chapter 1154 and it was awesome, funny and brutal.

---

We were over in a town in Massachusetts called Mellowbrook. It was one of the states that helped start our country and it was a beautiful place.

Ice Man (Mega Man): So, this is Mellowbrook, Massachusetts?

Me: Yep. It's in one of the states that helped start our country.

Nick F.: Loaded with history.

Rachel S.D.: It sure is.

Nico: It sure is cool here.

Me: You should see what it looks like during the Fall turn. It's amazing with all the colors and all that.

Naruto: Awesome.

Laney: It's amazing.

?: Team Loud Phoenix Storm!? Wow!

We saw a little kid that was dressed like a little version of famous daredevil stunt man Evel Knievel. It was Kick Buttkowski.

Me: Wow! Are you Kick Buttkowski?

Kick: I sure am. Kick Buttkowski, suburban daredevil. It's nice to meet you guys!

Me: Same to you Kick. We heard that you are the strongest daredevil ever and like to take things to the extreme.

Kick: You know it. It's awesome that you all are good at what you all do. You are the strongest and most powerful heroes ever.

Nico: We have that kind of reputation.

Me: You also look like world famous daredevil stuntman Evel Knievel.

Kick: I sure do. He's my hero and every day I do all kinds of death-defying daredevil stunts that people think are crazy and all that.

Me: Wow. Evel Knievel was very famous because of doing all sorts of famous daredevil stunts. He did it all.

Kick: He sure did.

Nico: Yeah. His stunts were awesome. But not nearly as crazy and awesome as yours.

Kick: Thanks Nico.

He saw that we had Dark Spicer, Electro, Robo-Blaze, Robo-Roxy, Firefly, Shiv and Snake with us.

Kick: Aren't they part of the Masters of Evil?

Dark Spicer: That's right. It's not our turn today so we have a day off to spend to help out Team Loud Phoenix Storm.

Kick: I see.

Me: They are our frenemies and they give us a really good challenge.

Kick: Cool.

?: Hey Dillweed!

We then saw a big boy coming and it was Kick's evil and abusive older brother, BRAD BUTTOWSKI!

---

Brad is one of Kick's most common antagonists (like Kendall Perkins but Ms. Chicarelli and Gordie Gibble are the worst). He bullies Kick, and is left in charge of him and Brianna when their parents are out. Brad has very poor hygiene, and thinks he is popular (but this is not the case). He is presumably 14 years old as he is still taking his driver's test. He mainly tries to ruin Kick's plans and stunts but on occasion either helps him (willingly or not) or just ignores him. Brad is hopeless with girls. It is shown in "There Will Be Nachos" that he has bad dance moves. Most episodes featuring Brad have him in an antagonistic role against Kick. They fight, usually pretty violently, though they're more destructive to their surroundings rather than to each other. In "Tattler's Tale" it's revealed that Brad and Kick both enjoy their fights with each other and will go to great lengths to cover it up from their parents, suggesting they are friendly fights.

In "A Very Buttowski Mother's Day", Brad is convinced that he has "second place" in his mother's heart, and so tries to ruin Kick's present's to get "first place". Brad is usually seen hanging out with his friends Horace and Pantsy. They tend to act as his lackies, performing whatever task he asks of them; why they tolerate this is unknown.

---

Kick: Oh no. Brad.

Lori: Who is he?

Kick: He's my mean jerk of a brother and he hates me.

Brad picked up Kick.

Brad: Prepare to die you little puss face!

He pulled his fist back and just as he was about to punch him, I tapped him on the shoulder and he saw me.

Me: Leave him alone you fuckwipe!

POW!

I punched Brad in the face and knocked out most of his teeth and sent him crashing into a bunch of trashcans.

Robo Blaze picked him up and pointed his sword at Brad's throat. For a minute, it looked like he was going to kill the bully.

Robo Blaze: (puts his sword away) You have a 4 minute head start to get out of here. Next time we see you, you'e going to share the fate as another bully who shared your first name.

Brad Buttowski: And the next time I see you all, I'm gonna finish what Rotwood and his goons started! (runs off)

April O Neil: You sure that was the right decision?

Robo Blaze: He's a bully with no powers. He's not worth our time.

Devon: So why do I get the feeling your decision's gonna bite us in the butt?

Me: He will suffer for it.

Kick: Let me treat you all to lunch at Food N Fix after I have you all meet my mom and dad.

Me: Sure.

We went to his house and it was a nice place.

Me: Wow. Your house is really nice Kick.

Kick: Thanks.

We met Kick's mother and father.

Mr. Buttowski: It's such an honor to meet you J.D.

Me: Pleasure to meet you too Mr. Buttowski.

Lynn Sr.: Wow! Your voice sounds so much like mine.

Mr. Buttowski: Wow! We sound exactly alike.

Me: You two sure do sound alike.

Mrs. Buttowski saw Dark Spicer and some of the masters with us.

Mrs. Buttowski: I'm not sure how I feel about 6 villains in my house.

Me: It's all right Mrs. Buttowski. They are with us because it's their day off. The Masters of Evil are our frenemies. Half friends, half enemies and they give us one awesome challenge.

Mrs. Buttowski: I see.

Laney: They are good challenges.

Kick: But we're also having problems with our crabapple next door neighbor Ms. Chicarelli and she is really bad news.

He told us what she is like.

---

Ms. Chicarelli is Kick's next door neighbor who really hates kids because as shown in Tattler's Tale, she gets all the kids in trouble. She is one of the main antagonists on the show. She loves peace, silence, brutality, and a world without kids. She has a dog called Oskar. In "Tattler's Tale", she tells Kick's mom lies about him because she hates him and wants to see him punished, but the kids make a polite look to make her look crazy.

---

Me: Whoa! She's a pathological liar and she would be someone that the Kids Next Door would despise.

Laney: She's a bad neighbor.

Lana: Yeah we should take her down next time.

Numbuh 1: This Ms. Chicarelli would be perfect for the new prison we built for evil adult villains.

Donkey Kong: I agree. Bad neighbors like her deserve prison.

Kick: Yeah. She hates me more than life itself and wants nothing more than to get me in trouble. She really hates all kids and gets them all into trouble.

Me: She is one fucked up crabapple.

Varie: No kidding. I think she needs to be locked up in a mental hospital.

Me: Lets see here.

I pulled up her brain scans and it showed that she was already at 7,652% Insanity!

Me: WHOA! She's already at 7,652% insanity.

Mr. Buttowski: I didn't know our next door neighbor had insanity problems!

Lola: We'll deal with her later.

Nico: Yeah.

Kick: How about I take you all to Food N Fix?

Me: Thanks Kick.

We went to the awesome Food N Fix and it was not just a restaurant but it was also a skateboard and bike repair shop.

Me: Wow.

Kick: Welcome to Food N Fix!

Runamuck: Nice restaurant.

Vince: And it's also a bicycle repair shop. Cool.

Bart Simpson: I would love to come here.

Later we were having a really good lunch and it was really good food and the Cheetah Chugs were delicious. Kick's best friend Gunther was with us and he was really hungry.

Me: (Gulping down drinks) Mmm. Good drinks.

Mary K.: (Gulping Down drinks) They sure are delicious. My aura is powerful because of them.

Lana: Wow.

Kick: So you guys are going into war against an evil version of yourselves from another universe?

Me: That's right. They call themselves the Royal Defenders and they are a superhero team like us gone bad.

I went over what they were and what they were doing and more and it was not pretty. They were shocked.

Kick: That is terrible!

Gunther: I can't believe that the Royal Defenders are that dangerous.

Laney: Worse than you could ever imagine.

Me: And our latest intel shows that they are heading to the planet Gemina to recruit their version of the Mysticons.

Zarya: Not good. That means we're gonna have to fight their version of the Mysticons.

Me: Yep. And now it's really personal. We moved the date for when we go into war to August 21st. Now we are really pissed.

Kick: (to Luna and Lincoln) Look, I get it. You two are doubting yourselves as heroes because of your Royal Defenders counterparts. But you know the difference between them and you guys? You two still have your humanity.

Luna: That's true.

Lincoln: Yeah and the Royal Defenders versions of us gave that up a while back.

Me: And now they will pay for it.

Lana: Big time.

Electro: (sees a nearby laptop) Guys, you might want to take a look at this.

We looked at the laptop and saw online Brad doing something very bad.

Brad: (moons me mockingly) Look at me! I'm J.D. Knudson. Blah blah blah! I like beating people up mercilessly! Blad blah blah!

Homer: (laughs) I remember when I did that to Burns!

Red Alert: Homer, you're not helping right now.

Me: GRRRRRRRRRR!

I clenched my fist so tight that I break the skin and blood pours out through the gaps of my fingers and drips onto the floor and burns through the floor.

Lori: Well, I guess we know who's really to blame for this video!

Lori, Lynn, and Lola then glared at Robo Blaze.

Robo Blaze: (sheepishly) Um… whoops?

Me: Knock it off guys! Lets go make that fuckwad pay!

We went after Brad Buttowski and we saw that he wasn't alone. He had evil rich kid and arrogant cheater GORDON GIBBLE with him!

* * *

Gordon "Gordie" Gertrude Gibble is a rich, spoiled kid who is a BMX legend, who has broken records and is one of the main antagonists in the show. He is another of Kick's and Brad's nemeses. He has perfect hair, expensive clothes and top of the line equipment. He is always followed by the DiPazzi Twins, who will always do whatever he says without question.

Little is known about Gordie's childhood because he has only appeared in nine episodes. But it is known that his parents love him a lot and spoil him too much.

He refers to his father as "Daddy" and they are close. As seen in "Kart to Kart", his dad lets him buy the Go-Go-Go Kart World and in "A Cousin Kyle Christmas", he buys Gordie all of the puppets in "Stringzeez for Christmas". In "Goodbye, Gully", his father had enough of him antagonizing Kick and after he destroys his own creation, he cuts Gordie off from the fortune until he is responsible and forbids him from picking on the boy.

* * *

Me: Brad! No one humiliates me and gets away with it!

Gordon: (mockingly) Careful, Brad. If we're not careful, these stupid heroes might get everyone around us Akumatized like they did in Paris!

Gabriel: There's just one problem with that accusation. I don't have Nooroo anymore. So Akumatizations are impossible now.

Me: That's right you fuckups!

But then we heard chanting and we heard that it was an angry mob that was out for blood! They were all armed with Pitchforks and Torches.

Mob: KILL BRAD AND GORDON! KILL BRAD AND GORDON! KILL BRAD AND GORDON! KILL BRAD AND GORDON! KILL BRAD AND GORDON! KILL BRAD AND GORDON!

The mob had them surrounded and we were ready to smash their fucking faces in.

Gordon: You all should be going after Kick and Team Loud Phoenix Storm! Why are you all going after me and Brad!?

A girl named Kendall Perkins appeared.

---

Kendall Perkins is the former class president of Kick's class and used to be anti-heroine in the show. She originally dislikes Kick Buttowski for his daredevil personality, except in some episodes like in "Dancing With The Enemy", and "Hand in Hand".

Not too much is known about Kendall's early life or of her family. Her father, Mr. Perkins, is an actuary as shown in "Father From the Truth". It is hinted that Mr. Perkins is associated with Mellowbrook Elementary since in "Snowpocalypse!", she wants him to open the school even while it is snowing in Mellowbrook (and he did it). Her mother, Mrs. Perkins will never appear on the show [2] because she lives in a different town [3]. It was also confirmed by Sandro Corsaro that Kendall has an older sister and although she is mentioned by Kendall in "Pinch Sitter", she won't appear in the show herself due to it ending although a background character with her planned design does have a cameo role in some episodes.

School Life

At school, Kendall can be considered a "princess" - she is the class president of Kick's class (until "Poll Position"), often gets almost perfect/perfect marks and is also the smartest student in the entire school (even smarter than Ronaldo). But despite all this, Kendall can get rather… lonely. She doesn't have many friends, due to her mean and bossy personality. In "Dancing With The Enemy", however, her talent for dancing managed to attract many fans.

Future

It is possible that Kendall may marry Kick when they become adults, since both are hinted to have a crush on each other. Or, she may marry Ronaldo, since she actually dates him. However, since KB: SD has not been renewed for a third season, it's highly likely that any romantic relationships in the show will be left unresolved. Despite this, when asked what will become of Kick and Kendall, Sandro Corsaro replied on his Twitter page that we "can't have one with out the other" (meaning that we can't have Kick without Kendall and vice versa). Also when asked if their love/hate relationship would remain unresolved Corsaro replied, again on his Twitter page, that Kick and Kendall "will always have a connection" (but to what extent is not expanded upon). When asked what the future would hold for the two characters on his Facebook page, Corsaro replied "Somehow, I think they both end up pretty happy in life :)". When asked if the two would be together (again on his Facebook page), Corsaro replied "Maybe… you never really know what the next day can bring;)".

In "Snowpocalypse!", she is able to force Kick and the rest of her classmates to go to school, much to his and their displeasure (their school is the only one on earth without a snow day, thanks to Kendall). However, it has been shown on a few occasions that they seem to have what amounts to a romantic liking for each other.

---

Kick: Kendall?

Kendall: Hey Kick. I got word about what Brad and Gordon were gonna do. So I rallied the town together and turned them against them.

Me: Very clever.

Kendall: It's an awesome honor to meet you Team Loud Phoenix Storm.

Me: Same to you Kendall. Now we can make these fuckwads pay!

Ms. Chicarelli: You shut your trap you bad kid!

Me: You shut yours you fucked up crabapple! Officers arrest that woman and put her in a mental hospital.

Officer: With pleasure.

Ms. Chicarelli was arrested and sent to an insane asylum.

The Masters of Evil then appeared. We were facing Devack, Greiger and Misty Tredwell.

Me: Devack, Greiger and Misty Tredwell.

Greiger: That's right.

Misty Tredwell: (to Kick) You've been warned, Kick Buttowski. We're about to kick your ass!

Dark Spicer: (Offended) (Sad) Hey! That's my line!

Misty Tredwell: Well someone has to say it when it's not your turn Dark.

Dark Spicer: That's true.

But then we saw a little girl that Sailor Moon's little brother Sammy knows and she had a little cute and pretty doll with her. It was Sammy's little friend Mika Cassidy.

---

Mika Cassidy is a girl from Crossroads Elementary who is good at making dolls. She is also friends with Serena's brother Sammy. She gave Sammy a doll she made that won first prize in a competition, but when other boys were teasing him and he tried to give it back, he accidentally dropped it and broke it. As she was making a new doll, Neflite appeared as Maxfield Stanton and implanted Jumo's essence in her doll, turning her evil and making her work on her dolls more, being quite mean to her mother and Sammy. When her energy reached its peak, Jumo appeared from the doll, but was destroyed by Sailor Moon. Mika then created a doll of Sailor Moon and gave it to Sammy after he apologized to her.

---

Sailor Moon: Mika! What are you doing here?

But then a portal opened and out came Sailor Moon's brother Sammy!

Nico: Sammy!?

Sammy: Mika! What is wrong with you? Why are you behaving like this?

Me: What?

Shanan: Oh no. She's under the influence of the Dark Kingdom.

Shanan saw the symbol of the Negaverse emblazoned on the doll in the middle of its forehead.

Shanan: It's that doll! It's poisoned her mind with darkness.

Me: Not good! Mika you got to snap out of it. That doll you have is poisoning your mind and turning you against everyone!

My voice got through to her.

Me: That doll you have is possessed by an evil force. You have to get rid of it now.

Mika snapped out of it and then we got a really big surprise and shock! We saw her forehead glow with the astrological symbol of the planet Wayungkulit, a doll planet located 85,000 light-years away from Earth and it is a beautiful world.

Shanan: That symbol! That's the symbol of the planet Wayungkulit.

Nico: Wayungkulit? The Java shadow puppet shows of Indonesia?

Shanan: That's right. But this is different. Wayungkulit is a doll planet and it's very beautiful. It's the Dollhouse Planet of the galaxy.

Sailor Jupiter: So Mika is the Sailor Soldier of the planet Wayungkulit?

Sailor Saturn: How is that possible?

Laney: We have an interplanetary Sailor Soldier.

Lincoln: Look at the doll!

We saw it glow and a shadow formed and out of it came a figure. It was the doll monster JUMO!

* * *

Jumo is a Negamonster sent by Neflite to gather energy for the Negaverse. Like Dream Dolly, she has the appearance of a doll. She appeared in Sailor Moon Episode 15, Dangerous Dollies.

Her essence was implanted in a doll made by a girl named Mika. Once her energy reached its highest point, Jumo appeared from the doll to take her energy. Sammy tried to fight her, but she knocked him out. Sailor Moon battled Jumo. After the arrival of Sailor Mercury and Sailor Mars, Sailor Mercury discovered that her right ankle was her weak point. Before Sailor Moon could attack, Jumo began to strangle her, until Tuxedo Mask arrived. Sailor Moon then hit her ankle with Moon Tiara Magic, destroying her.

* * *

Me: WHOA!

Shanan: A Wayungkulian was making Mika behave like that!

Jumo: I'm impressed that you know about what my kind is Shanan.

Nico: She's a living puppet doll.

Shanan: Not just any living puppet doll. She's what's called a Wayungkulian. They are the inhabitants of the planet Wayungkulit and some of them are really bad news. Normally all Wayungkulians are really peaceful. But there are some that are dangerous and filled with hatred. They possess incredible fighting prowess and they are that dangerous.

Qin: Whoa! They give dolls everywhere a really bad name.

Lasher: (to Jumo) You're one Ugly Doll!

Jumo: I think that name is already taken.

Jumo fired one of her arms and it went at Sailor Moon and slashed her right arm! Badly. She was bleeding really bad as blood was pouring out of her arm.

Varie: Oh man!

Varie went over to heal her.

Me: Get ready for a big fight.

Jake: You think your daredevil stunts are awesome, Kick? Wait until you see this!

Megaforce Rangers: Legendary Ranger Mode: RPM!

The Megaforce Rangers turned into the RPM Rangers!

But then we saw a flame of white light appear and it was WHITE CHAZZ!

---

In the beginning of the second year, Crowler arranges for Chazz to duel Reginald Van Howell with the condition that should he win, he would be able to return to Obelisk Blue. Throughout the duel, Reggie insulted Chazz and his Ojama monsters, but despite this, he proved his strength and won, giving a speech on how no matter what his dorm, he would always be better than Reggie. Because of this, all the Slifer students, convinced he did like the Slifers, began rooting their appreciation despite his protests: in turn, Crowler announces Chazz had chosen to stay in Slifer, much to Chazz's distain. As a result of this, Chazz began renovating the dorm's interior to build a luxurious room just for him: this caused him to room with Jaden and Syrus until Tyranno Hassleberry moved in. When his room was completed, he moved in along with Alexis who took up residence in the dorm, much to his delight.

Before Jaden left, Chazz Duels Sartorius for the opportunity to rise to the Pro-Leagues, but loses. As a result, he joins the Society of Light, acting as Sartorius' means of converting the top students of Obelisk Blue and Ra Yellow. In the Japanese version, his nickname becomes White Thunder (ホワイトサンダー; Howaito Sandā). However, his love for Alexis Rhodes still continues, much to his embarrassment. He, whenever possible, humorously tries to convince Syrus, Bastion, Tyranno Hassleberry, and Alexis to join the Society of Light, eventually defeating both Alexis and Bastion, thus forcing them to join. After beating Bastion, Chazz discards his Ojama cards, considering them to be too weak.

After seeing Chazz's ruthlessness when he defeats Pro League Duelist Gelgo during the Genex Tournament with the new White Knight (白騎士団, Shirokishi-dan) Deck given to him by Sartorius, Jaden Duels him with the cards that he himself once used: The Ojama Trio. During the match, Jaden shows Chazz his old black uniform, and Chazz eventually regains his senses, tearing off his white coat to don his signature black one once more. Chazz, back to his old self, retrieves the Ojama Trio to destroy "White Knight Lord", the card representing Sartorius' evil, but in doing so, willingly loses the Duel to an effect of "White Knight Lord". Again in the Japanese version, following the battle, he dons his former outfit, revived as Black Thunder (ブラックサンダー; Burakku Sandā), though others continue calling him by his first nickname in the series. After his defeat in the English version he realizes that while he was in the society he defeated Alexis and vows to rescue her from the Society of Light.

After Chazz realizes he was blinded by Sartorius' powers he had no memory of the earlier parts of the Duel, in fact when Chazz saw "Ojama Yellow" on Jaden's side of the field because of the fact he couldn't remember the time he spent in the Society of Light he thought Jaden stole his Deck. Also it's revealed that as a Slifer Red Chazz acts more like a slob because when he was still his old self he used his old black jacket to wipe up food from the cafeteria. It's also revealed that unlike he is made to believe Chazz harbors a great deal of dislike for the color white.

Chazz, with the assistance of the remaining Obelisk Blue students, takes on the Society of Light's members to make amends, winning their Genex Medallions in the process. They successfully return most of them to their former selves, releasing Duel Academy from the Society's grip, but before Chazz is declared champion of the Genex Tournament he is challenged by Blair Flannigan, who had come back to Duel Academy in hopes of officially entering Slifer Red. He defeats her, and is therefore allowed to return to Obelisk Blue. In the end, he still returns to Slifer Red after he is accidentally drenched in paint while the Obelisk Blue students are re-painting the Obelisk Blue dorm. Alexis believes it is because he doesn't want to help re-paint the dorm.

Unfortunately for Chazz, Blair took up residence in his room and kicked him out, forcing him to bunk with Jaden once again.

---

Me: WHOA!

Chazz: That's me!

White Chazz: I'm what you would be if you would see the light.

Me: So this is the result of Sartorius brainwashing Chazz. I got to admit though Chazz you would look good in white.

Chazz: I guess so. But this white version of me is evil.

Eddy: Chew on this.

Eddy just threw Cheeta Chug at White Chazz's jacket, staining it.

White Chazz: MY JACKET!

Eddy: (mockingly) Aw! Do you need a tissue to wipe that off?

Me: Ooh burn!

Brad: I hate all of you!

Our auras flared up with incredible force.

Me: Thanks for the power boost jerk.

Brad: YOU ALL MAKE ME SICK! I SHOULD BE THE HERO BECAUSE BRAD RULES!

Devack activated his audio recording function on his duel disk and he was recording everything Brad and Gordon said when they weren't looking and they were broadcasting it to the whole town. They were really ranting up a storm and calling Kick the most worthless human being ever and how he should've never been born at all and thst he was nothing but a worthless mistake that should've never been born at all and he was calling everyone in the town that likes him a bunch of fucked up idiots and shitfaced freaks and moronic fuckwads! He also said that he would kill everyone!

Devack: (smirks) That's it. Keep ranting, you two. You don't even know it but you're already sealing your own fates.

Brad: (to Kick) You might have everyone else fooled, Kick! But not us! Let us tell you what we think of you. You're an idiot and a waste of space that no one would ever miss! Everyone might like you now. But that's only because they feel sorry for you!

Gordon: In fact, why don't you just jump off a cliff? You'll do everyone a favor. Including Ms. Chicarelli!

We gasped!

Gordon: AND YOU ALL ARE THE MOST WORTHLESS AND MOST PATHETIC PILES OF WORTHLESS SHIT THAT HAS EVER WALKED THE FACE OF THIS WRETCHED PLANET! I SHOULD TAKE A GUN AND KILL ALL OF YOU AND SEND ALL OF YOUR

FUCKING ASSES ALL OFF TO HELL!

Brad: YOU ALL MAKE ME SICK! I WAS THE CENTER OF ATTENTION BUT YOU ALL TOOK IT AWAY FROM ME AND I HATE YOU ALL MORE THAN LIFE ITSELF! I HATED KICK BECAUSE HE WAS ALWAYS BETTER THAN ME AND I MADE HIS LIFE ONE HELLUVA NIGHTMARE AND I WANTED NOTHING MORE THAN TO KILL HIM BECAUSE HE'S A FUCKING DILLWEED THAT DESERVES NOTHING MORE THAN DEATH!

Everyone in the town gasped and they were horrified that they would say such horrible things!

Me: Are you guys done?

Gordon: Not yet.

For over 76 minutes we had to listen to them rant and rave about how big of a menace Kick was and how he and his friends all ruined their lives and how worthless everyone in the whole town was and how they are nothing but a bunch of worthless fucked up douchebags and brainless shitbrains and they don't care about anyone. Brad and Gordon's rants were so explosive that we saw their faces turn red, sparks flying out of their heads and smoke coming out of their ears. I did brain scans on them and it showed that their insanity levels were rising fast! They were now already at 6,923% insanity and rising.

Brad: Okay now we're done.

Me: Good. Lets destroy them!

Dark Spicer: Here's your warning you two: YOUR ASSES ARE GONNA BE KICKED!

Brad and Gordon gasped in shock and we went at them! Kalin appeared to help beat White Chazz.

Greiger: I agree. Here's my awesome Pokemon.

Greiger called out his Pokemon and he had 5 Wailord's and 2 Mega Wailords!

Boris: 5 Wailords and 2 Mega Wailords.

Clawful: I had a feeling you would choose whale Pokemon because of Chacu Challhua.

Greiger: What can I say? I love whales.

Ultra Humanite: They are the gentle giants of our planet.

Boris: Lets roll!

They went at Greiger and his Pokemon and blasted them with indigo fire, psychic energy and water blasts and they slammed into them and drenched and burned them all over the place and Greiger was knocked down from the blasts and out.

Boris: Yeah.

## Battle 3: Devack

Dante, Lasher and Phage were facing Devack.

Lasher: How did you get everyone in the whole town to hear what Brad and Gordon were saying?

Devack: I have a live feed function on my Duel Disk that broadcasted that whole conversation they were saying to the whole town.

Phage: Wow!

Dante: That is genius!

Lasher: So that's how you incriminated Brad and Gordon.

Devack: And they never saw it coming.

Dante: Sneaky and clever.

Lasher: It sure is.

Devack: I have new Pokemon for you to see.

Devack called out his 3 Monferno and he also had 2 Mega Infernape.

Dante: 3 Monferno and 2 Mega Infernape. Awesome choices.

Lasher: Figured you would have monkey Pokemon because of Cusillu.

Devack: Indeed.

Dante: And apes are an important part of Human Evolution because we evolved from them.

Devack: That's true.

Dante: Lets dance.

Dante, Lasher and Phage fired blasts of fire and blades of energy and they smashed into the Pokemon and knocked them and Devack down.

Dante: Good battle.

Luna: YEAH!

Kalin: Good riddance to that nut job.

## Battle 5: Jumo

Shanan was facing Jumo.

Shanan: You give dolls everywhere a really bad name.

Mika then appeared.

Mika: You made me hurt my friends and family and you will pay for it!

Mika then pulled out a Sailor Crystal rod.

Mika: WAYUNGKULIT CRYSTAL POWER!

She transformed into an awesome and new Sailor Soldier. She transformed into SAILOR WAYUNGKULIT!

Shanan: WHOA! Mika you look awesome as a Sailor Soldier!

Mika: I sure do. J.D. gave me the power to become one. It's amazing.

Sammy: Wow! Mika you look incredible!

Mika: Thanks Sammy.

Shanan: You sure look awesome. Lets get this freak!

They went at Jumo and Shanan punched her in the face and Sammy kicked her in the stomach and the face and Mika blasted her with energy blasts all over and they slammed into Jumo and exploded all over the place.

Shanan: You have failed our galaxy.

Shanan fired a wave of energy and Mika fired a blast of energy and the blasts combined and slammed into Jumo and obliterated her into nothing.

Sailor Moon then came.

Sailor Moon: Wow! Sammy, you were awesome!

Sammy: How do you know my name Sailor Moon?

Sailor Moon: Because I know you Sammy.

She took off her Tiara and revealed herself. Shocking Sammy.

Sammy: Serena! Big sis, you are Sailor Moon!?

Sailor Moon: That's right little bro.

Sammy: Wow! Sis this is incredible! My own big sister is also the famous Sailor Moon!

Shanan: Big surprise huh? Secret identities are practically done now. Sammy, Sailor Moon is also the princess of the Moon Kingdom. But there is a dark story behind it.

Shanan went over the terrible history of the Moon Kingdom and more and Sammy and Mika were shocked.

Sammy: Whoa! That's terrible! And Queen Beryl was the monster that destroyed the Moon Kingdom?

Shanan: That's right and we killed her. But you have to keep Sailor Moon's identity a secret. If Queen Beryl's forces found out about her being Sailor Moon, they would do anything they can to kill her.

Sammy: I will. Thanks Shanan.

Shanan: You're welcome.

## Battle 6: Brad Buttowski

We regrouped and we were facing Brad Buttowski.

Me: You are through Brad.

We went at him and I punched him in the face and kicked him in the crotch.

Meg Griffin: Here's something to shut you up.

She pulled out a 44 Magnum gun and shot his leg and blew it completely off! He was screaming in excruciating pain!

Brian: I can't believe you still have that gun after all this time Meg.

Meg Griffin: I know but it's worth it.

Meg also showed her tattoos.

Brian: And the tattoos too? Wow.

Gordon: Trapping me in a tree? Is that all you got bitch?

Whitney: Wait for it.

A jet engine sound was heard and coming right towards Gordon at an incredible speed was George of The Jungle swinging on a vine towards him and he was going at like 500 miles per hour!

Dark Spicer: Nice one Whitney! Watch this one.

Dark Spicer turned into Trojanware!

Trojanware merged with Eddy's blaster. Turning it into an awesome and more powerful positronic ion megablaster.

Eddy: AWESOME!

Kendall: I didn't think you'd ever do that with Team Loud Phoenix Storm's equipment.

Trojanware: I couldn't at first. But now I'm able to since they fully trust me!

Eddy: Lets see what this can do.

He fired a powerful laser blast from the blaster and it slammed into Gordon and the tree exploded with incredible power!

Gordon and Brad were arrested.

Police Officer: You 2 are under arrest!

Gordon's dad: You are a mistake Gordon! I can't believe you of all people, my own son and flesh and blood, would be this evil. Especially to someone like Kick and to the entire town he lived in! You are going to prison for a long long time and consider yourself no longer part of our family ever! You are hereby disowned and disinherited!

Gordon gasped in shock! Gordon lost his family and his last name and he was stripped of his inheritance and he will now be forever broke, homeless and penniless.

Mrs. Buttowski: Bradley Elizabeth Buttowski, you are in so much trouble young man! You being a bully and a monster is completely unacceptable! Kick is not the one that is a mistake Brad, you are! You are hereby disowned from our family!

Police Officer: And they are both looking at spending the rest of their lives in prison. Brad will be taken to the Jupiter Prison and Gordon will be placed in the Nome Maximum Security Insane Asylum.

Me: Good.

Nico: You two have failed this city.

Vince: I didn't know Elizabeth was a boys name.

We laughed.

Brad: You will pay for this Kick! This is not the end! I WILL HAVE MY REVENGE ON YOU DILLWEED!

Gordon: YOU WILL PAY FOR THIS BUTTOWSKI! I HATE YOU! I HATE YOU! I HATE YOU!

Kick's aura flared up with incredible power!

Meg Griffin: And for good messure…

BANG BANG!

She blasted Gordon's legs off as well and he screamed in pain.

Meg Griffin: Enjoy your life as an amputee.

Brad was taken to the Jupiter Prison and he was now the cellmate of Terrence and Rojo.

Gordon was placed in Solitary Confinement at the Nome Maximum Security Insane Asylum and he was now being watched 24/7 and they were gonna make sure that he doesn't escape or anything like that. If he does escape, he will be killed on sight.

The Masters of Evil came.

Ultra Humanite: (to Devack) That was very clever on how you used the live feed function on your Duel Disk to broadcast evidence of Brad's true nature.

Devack: Why, thank you.

Me: It was pure genius.

Misty Tredwell: I actually remember that function exposed Sayer before.

Yusei: Don't forget that I was the one who did it.

Snake Man: That's true.

Me: And you sent Sayer off to Hell.

Greiger: (to Kick) Kick, tell us if that next door neighbor of yours is giving you problems.

Kick: Don't worry. I will.

The Masters of Evil teleport out.

We had Kick and his friends and family all joined us in Team Loud Phoenix Storm and it was awesome. We deleted the video of Brad humiliating me and more.

Kick and Kendall are now boyfriend and girlfriend and it was adorable.

Jimmy: Their names are Makoto Haruki and Yuzu Boyle and they are really great guardian angels for Lincoln.

Applejack: They sure are and their stories are cool too.

Apple Bloom: They sure are.

---

Makoto Haruki: (Japanese Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Yuzu Boyle: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Makoto Haruki: (Japanese Accent) That's incredible, and we'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Makoto, what's the story on why you hate Flip with a blazing passion, and Yuzu, what's your story on why you hate Scoots with a burning passion?

Makoto Haruki: (Japanese Accent) You're not going to like it one bit. One time, Lincoln and I were both heading home after getting some groceries, but then, we heard the bellowing yell and smelled the stench of a smelly mutant cheapskate, and we saw who it was: it was Flip, and he was trying to kill Lincoln again, but I'd had it with that smelly mutant, so I kicked him into a trash can, and called a bunch of cats to attack him and he ran away, only to be caught by the police and sent back to prison.

We gasped.

Me: Whoa, so the one who sent those cats after Flip that day was you? Wow.

Lincoln: Yep, and when we told the family, naturally, they were mad at Flip, but were glad that I was okay, along with Makoto.

Yuzu Boyle: Flip got what he deserved. Okay, here's why I hated Scoots with a burning passion: it was during a show Lincoln, Luna, Sully, Mazzy, Sam, and I did at Lynn's Table, and we were rocking the house, but then, Scoots showed up and threw tomatoes at us and she was laughing like the crazy old witch she is, and I got so pissed off, I ran at Scoots and hit her hard in the head with a guitar and using my guitar as a baseball bat, I sent Scoots flying right back to The Lansing Maximum Security Nuthouse. We found out Scoots attacked the guards and escaped to head back to Gotham Royal York to get revenge on The Loud Family for throwing her there.

Nico: (Gasps) Why, that crazy old witch!

Luna: Yep, she tried to get revenge on us by throwing those tomatoes at us and ruining our gig, but Yuzu hit her hard in the head with her guitar and using it as a baseball bat, she sent her right back to the nuthouse.

Lincoln: And now, Scoots is dead and gone forever, and she's never coming back.

Luna: You said it.

FLASHBACK ENDS

Lincoln tied Brad Buttowski up in a rainbow energy straitjacket and rainbow energy chains, and sent him back to prison.

Lincoln: Whoa, that's two races on two awesome ocean planets.

Nico: First, an ocean planet of Eggnog and now an ocean planet of Apple Cider, wicked, and we also took down Brad Buttowski and made him pay. Awesome job, gang, but we're not done yet, there's still the matter of Prince Sebastian LaCroix to deal with, and the Camarilla Prince himself should be arriving… right now!

?: Brittney Knudson, I will have your head for what you've done to so many of my clan!

Brittney: (Growls) I knew there's no mistaking that voice from anywhere, you can get out here right now, LaCroix, and the same goes with you, Ming Xiao.

Two vampiric figures came out: one of them was Prince Sebastian LaCroix, the Camarilla Prince of Los Angeles, and the other was Ming Xiao, High Priestess of the Kuei-jin and the Baroness of Chinatown.

Brittney: LaCroix, Camarilla Prince of Los Angeles, and Ming Xiao, High Priestess of the Kuei-jin and Baroness of Chinatown, I should've known I'd run into you both again.

Ming Xiao: And I still owe you for all the times you've killed my people, and now, it's payback time, bitch!

Ming Xiao ran after Brittney to kill her, but she was grabbed by the neck by Lincoln, as his eye had turned from deep sapphire blue to vampire blood red with slit pupils and his fangs grew longer.

Lincoln: You aren't laying one hand on my sister, Ming Xiao!

Lincoln bared down on Ming Xiao's neck and bit her hard, and he began sucking out every last drop of her blood and he absorbed her into his body through his skin. Then, as soon as Lincoln was done with feeding on and absorbing Ming Xiao, an energy card formed in his large left hand with Ming Xiao's soul inside, and she was to The Black Gates as soon as The Judgement Kanji formed on her forehead. This angered LaCroix, since he had a secret relationship with one of his clan's fiercest rivals.

Prince LaCroix: Who do you think you are to do that to one of us?!

Lincoln: Someone whom you've just fucking pissed off! (ROARS FEROCIOUSLY)

Brittney: (Smirks) You've really pissed off Lincoln now, any evil vampire, werewolf, or powerful villain who fought against him met the very same fate you saw Ming Xiao being subjected to.

Michaela Amaryllis: And now, that fate is about to befall you!

Suddenly, Michaela Amaryllis' pink eyes turned neon pink, and she was surrounded by a pink energy aura with stars, nebulae, planets, and theropods, she unholstered her massive Palkia-themed greatsword from her back, and as she approached Prince LaCroix, she left pink energy, stars, planets, nebulae, and theropods with every step.

Michaela Amaryllis: Prince Sebastian LaCroix, I will never forgive you, your clan, or any of the other vampire factions, you may have kept your dark activities hidden in the shadows, but when innocent people are dragged into your sordid affairs, that ticks me off to no end, and for that, we'll see to it that you, the Camarilla, and the other vampire factions are destroyed forever.

Suddenly, Michaela Amaryllis was surrounded by a massive vortex of pink energy with stars, nebulae, and planets surrounding the vortex, there's a group of theropods and the Legendary Space Pokemon, Palkia, flying around the vortex, and in the vortex is a pink phoenix. Then, as the vortex faded, Michaela Amaryllis emerged, but she was changed forever.

Michaela Amaryllis grew from 6'5" to 7'4" in height, she has the body of a goddess, she has light purple highlights in the bangs of her long flowing pink hair, she has neon pink eyes and a pink energy aura with stars, nebulae, planets, and theropods surrounding her, she has Palkia emblazoned on her forehead and Third Eye with pink iris, she has on theropod earrings with pink gems for eyes and holding the Space and Eternity Kanjis in its legs, she also has Palkia with pink gems for eyes and holding the Space and Eternity Kanjis in its hooves on the bottom of her pink theropod-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with pink crystal links from her merged Crystal Necklace of the Buddha and pink gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Michaela Amaryllis has on a sleeveless pink open blouse, sleeveless pink midriff top, pink skirt, pink pants with colored stars, purple socks with stars, pink sneakers, and long white sleeveless trenchcoat with stars, nebulae, planets, and theropods on the coattails, and on the back is Palkia and he's surrounded by stars. Suddenly, Michaela Amaryllis felt a sharp pain on her back, and then, her massive pink angel wings with blue tips on the large pink feathers and stars grew much bigger for her new body, she now has eleven massive and long pink wolf tails, she has on a Ring of The Phoenix with pink gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Michaela Amaryllis' massive Palkia-themed greatsword and all the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of pink energy, stars, planets, nebulae, and theropods and when it emerged, it was transformed into Palkia's Space God Planetary Greatsword of Planetary Justice, it's a brand-new massive greatsword with embedded pink gems and The Legendary Space Pokemon, Palkia, etched on the 7'0" massive, wide, double-edged pink blade, large theropod heads for the crossguard, large pink gem embedded in the rainguard, longer midnight black handle, four large theropod heads and a large pink gem below the theropod heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with pink gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Palkia's head with pink gems for eyes and a large pink gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a pink kanji below Palkia that said, "Michaela Amaryllis, Gene-Slammer of The Legendary Space Pokemon Palkia, The Space Explorer of Palkia, Member of The Legendary Pokemon Gene-Slammers, Learner of The Planets of The Solar System and Many Discovered and Undiscovered Alien Planets and It's Inhabitants, Powerful Master of Space, Stars, and Planets, Loving Future Wife and Guardian Angel of Lincoln Loud, Friend of Selene Emperyous and The Emperyous Sisters, Friend of Elizabeth Guillaume, Gabrielle Chevalier, and Danielle Azvameth, Smasher of Dark Lisa, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Space, Planets, Nebulae, and Theropods"

Michaela Amaryllis has transformed into SUPER ANGEL-THEROPOD-PALKIA-HARMONY CELESTIAL ETERNAL XELNAGA PLANETARY NEBULA STAR SPACE POKEMON THEROPOD ANGEL OF DIVINE PLANETARY SPACE POKEMON JUSTICE AND DIVINE PLANETARY SPACE POKEMON LOVE!

Nico: Whoa, now Michaela Amaryllis has transformed, incredible!

Lincoln: Yep, and Prince LaCroix is about to feel the full fury of Palkia's champion, and Michaela, you look beautiful, how do you feel?

Michaela Amaryllis: (Divine Echoing Cosmic Voice of The Planetary Space Theropod Pokemon and Divine Planetary Space Theropod Love) I feel incredible, Linky. Now, shall we put this powerhungry vampire down for good?

Lincoln: (Smiles) With pleasure, Michaela.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Michaela Amaryllis.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing

Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of trying to take over Los Angeles end here, LaCroix, along with the Camarilla Faction.

Michaela Amaryllis and Lincoln went after Prince LaCroix, and they fired extremely powerful blasts of rainbow energy, pink energy, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Prince LaCroix and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him, along with scratches from Lincoln's claws, and they were angering him even more.

Then, Michaela Amaryllis used Palkia's signature attack, Spacial Rend, as she slashes the fabric of space, resulting in a wave of energy which hits LaCroix and explodes with incredible power as it hit him.

Nico: Whoa, this is incredible!

Me: So awesome!

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Michaela Amaryllis, her hand-cannon Blaster is known as Palkia's Planetary Pokemon Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's pink with purple accents on the blaster with a Phoenix, Angel, and the Legendary Space Pokemon, Palkia, surrounded by planets etched on the sides, and a pink gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Michaela Amaryllis fired blasts of rainbow energy, pink energy, and elemental forces at Prince LaCroix and as they hit him, they exploded with incredible power, and he was knocked down.

Then, Lincoln ran at Prince LaCroix and he put him in a brutal bear hug, so he couldn't escape, and as he sank his fangs into Prince LaCroix's neck, he began sucking out his blood and absorbing him into his body through his skin and assimilating his powers and abilities. Then, as soon as Lincoln was done sucking out the vampire's blood and absorbing him, an energy card with Prince LaCroix's soul fired out from Lincoln's massive greatsword, and the Judgement Kanji appeared on his forehead and he was sent to The Black Gates. We cheered wildly as Lincoln and Michaela Amaryllis holstered their massive greatswords on their backs and powered down, and Michaela Amaryllis' new body, clothes, weapons, jewelry, Third Eye, eleven massive pink wolf tails, and massive pink angel wings are permanent.

Michaela Amaryllis: Now, your ambitions and dreams are finally dead. Thanks for helping me destroy Prince LaCroix, Linky.

Lincoln: (Smiles Warmly) You're welcome, Michaela.

Suddenly, Michaela Amaryllis wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Michaela Amaryllis' face, they kissed passionately as Michaela Amaryllis' left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Palkia flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces behind them and we cheered wildly. Lincoln and Michaela Amaryllis came back to us as the display and Palkia vanished.

Brittney: Guys, thank you so much for getting rid of Prince LaCroix and Ming Xiao.

Lincoln: You're welcome, Brittney. But, still, I can't believe that Ming Xiao and LaCroix, and all of the other factions hated you so much.

Nicole: When she has a reputation for hunting down evil vampires, that does tend to spread quickly, and the same can be said of Adriana, her sister, Ramona, Lisa Vampirdinumbră, Dad, and you, Lincoln.

Nico: Oh, that's right, Lincoln and J.D. were the ones who destroyed The House of Damaskinos, that I remember.

Me: You got that right.

Lincoln: Yeah, I haven't forgotten that. Now, to take care of the other Factions and end their attempts to rule Los Angeles forever.

Suddenly, Lincoln's deep sapphire blue eyes turned blood red, and he started killing every member of The Pioneers, The Camarilla, The Baron, The Newcomers, The Unseen, and The Anarch Movement and he sent their souls to The Black Gates forever, and his blood red eyes change back to deep sapphire blue as soon as the job was done.

Lincoln: That should do it.

Me: Whoa, mess with Lincoln and there's going to be blood.

Nico: Big time, and those vampire factions had no idea who they fucked with: someone who's killed a lot of evil vampires, werewolves, and powerful human villains, demons, and many other supernatural creatures, and has fed on and absorbed them.

Eli: An Alpha Vampire-Werewolf-Cyborg Hybrid, yikes. Plus, we know who were meeting tomorrow, right, Lincoln?

Lincoln: Oh yeah, Morrigan Dabria, Gene-Slammer of Ghostrick Skeleton for Day 17 of The Dark World Treasure Hunt.

Nicholette Torrington: And all that's left is for Scarlet Rosenburg, Giselle Harrington, and I to get our Dark World-themed greatswords.

Michelle Torrington: You said it, sis.

Magma: Congrats on winning the race, Lincoln!

Lincoln: Well, I can't take all the credit. J.D., Applejack, Apple Bloom, and Rainbow Dash won with me.

Bizarro: That isn't true.

Manta Bayarsh: But you deserve credit too.

Me: Yeah buddy. You sure do.

Oculous: Now, let's get some of this apple cider home.

Toad: I could go for some Apple Cider.

Me: Yep.

Nico: Lets go to the winners circle.

We did so and me, Lincoln, Applejack, Apple Bloom, and Rainbow Dash all got awesome trophies that looked like the planet and it had red apple crystals and an airboat around it. We later went back to the ship.

Nico: But great job today guys.

Qin: Thanks.

Applejack: (To the Viewers) Yeehaw! This was a great adventure for y'all.

Me: It sure was. And Brad is going back to prison where he belongs.

Lola: Yep.

We went back home and then Rainbow Dash needed to go to the bathroom SUPER BAD! We got back home and then she went to the bathroom and then….

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

WATER RUSHING!

Rainbow Dash: (LONG SIGH OF RELIEF)

Realistic waterfalls, rivers and rushing water images were shown as she was getting better.

She was done later.

Rainbow Dash: Ahh. That was relieving. But man that was awesome.

Me: Glad you're better R.D. Man that was fun.

We later enjoyed the rest of the day and went to sleep.

THE END

Zuria: Sora what do you do in your spare time?

Sora Takenouchi: I work at my mother's flower shop and also I'm a tennis star.

Nico: She sure is good at it too. Sora is a great tennis star like me and Julie.

Me: We saw them play and it's awesome. Also Sora is planning to one day get into fashion designing later on.

Rarity: Oh that is gonna be most fun for her darlings. It's a wonderful idea.

Lola: Yeah.

Me: I agree too.

Lincoln: Penelope, remember when we first met each other?

Penelope Waverly: I sure do Linky. You were really hating dodgeball and Girl Jordan and the other side really were kicking your butts into next week. So I helped you guys win against them.

Leni: Penelope is an amazing sports star.

Qin: Boy she sure is. And she defended Lincoln from Lynn at her worst.

Nico: That is awesome.

Eli: Yep.

Emily McKale: I am really proud with how far Lincoln has come.

Nico: We are too.

Emily McKale: I'm really glad that we guardian angels have been there for Lincoln in his times of need.

Qin: Lincoln you are so lucky to have so many awesome girls looking out for you like true guardian angels.

Xenia: Yeah.

Nico: (to Girl Jordan) Did Penelope hit you with a dodgeball hard?

Girl Jordan: She sure did. Threw a ball right into my face and gave me a really nasty black eye. She is that strong.

Penelope Waverly: Yeah I have amazing speed and strength. I packed a powerful throw that carried the force of a volcano erupting.

Qin: WHOA! That is strong!

Xenia: Yeah no kidding!

Lola: Yeah no kidding! That was awesome!

Nicole: And volcanoes are one of the most powerful forces on Earth.

Xenia: Yep they sure are.

Nico: But still Lincoln I did not expect you to bring Sarah Tinsley and had her tell Vanessa that she knows how she feels. Well done.

Lincoln: Thanks Nico.

Me: But yeah that was very similar and awful.

Eli: I can't believe that her parents were that evil.

Albedo: No kidding there! How many people did they kill?

Me: 39. All of them college girls and high school girls and they were on a cross country killing spree.

Nico: How did they catch them?

Me: Thanks to me. I caught her parents in a rest stop in Topeka, Kansas. They were using the bathroom and the FBI, SWAT Teams and me caught them. Got them sentenced to death for capital murder.

Nico: Good riddance. Where were they buried?

Me: In an unmarked grave somewhere in another part of the country. Didn't say where unfortunately.

Qin: Best if they aren't remembered at all.

Camie: Yeah no kidding.

Nico: So, Rainbow Dash. Feel better from using the bathroom yesterday?

Rainbow Dash: You bet I am Nico. That was so awesome going to a planet made of apple cider.

Me: Boy you drank enough cider to fill up everyone in Ponyville.

Rainbow Dash: (LAUGHS) Yeah that was an awesome race though.

Laney: It sure was. I hope the next planet is like that.

Me: That would be cool. But the next planet we're going to next is not an ocean planet this time.

Xenia: Oh.

Me: We'll find out what it is later today.

Camie: Yeah.

Nico: We also beat up Kick's former brother.

Me: We sure did. That jerkwad had it coming.

Lola: He sure did!

Xenia: Especially after what he did to all you guys before the War with the Royal Defenders! That was awful!

Camie: Yeah no kidding! He is evil!

Lola: No kidding there!

Tsuyu: I can't believe he hates Kick like that.

Twilight Sparkle: No kidding there!

Me: Brad has treated kick like shit from the very moment he was born.

Kaoruku: Man what a jerk!

Me: Thank goodness Mac's brother Terrance and Eddy's brother Tyrone aren't like that anymore.

Nico: Yeah no kidding there.

Varie: Mac had to endure all that abuse from Terrance because he hated him and blamed Mac for the death of his dad. And he didn't have anything to do with it! It was all an accident!

Me: And Tyrone well I don't know the full extent of the story from Eddy. But Eddy was thinking his brother was cool but in actuality he was a jerk.

Nico: No kidding.

Me: Yeah. But Brad is one screwed up douchebag.

Nico: He even mocked J.D. and mooned him on the Internet.

Me: (INFURIATED GROWLING)

My face turned red and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

My head turned into a volcano and exploded! I blew out lava and fire and I was REALLY MAD!

Me: (GROWLS) I HATE HIM FOR THAT!

Nico: Easy J.D. Easy.

Me: IF BRAD EVER GETS OUT I WILL MAKE THE BLACK GATES FELL LIKE CHILD'S PLAY ON HIM!

I then calmed down.

Me: (Sighs) Okay. I'm done.

Xenia: Good.

Maria: You know, if Vanessa's former parents hadn't stopped for a bathroom break, they wouldn't have gotten arrested.

Me: Not very smart. But when you got to go you got to go. And that provided the perfect opportunity to get them.

Lola: Yeah it sure did.

Laney: They may have been evil monsters but they deserved the worst punishment ever.

Qin: Yep.

We got to Billy's house and we saw him playing with his toys.

Nico: Okay, Billy. What are you up to this time?

Billy: Nothing. Just playing with my toys.

Mandy: We were playing. I was firing at bullies coming at him with this.

She showed us a really awesome and powerful goo cannon.

Me: Wow that looks cool.

Mandy: Watch.

Bullies then came and then.

BANG! KRASPLAT!

BANG! KRASPLAT!

They were knocked down with intense force and covered in piles of purple slime.

Nico: Where'd you get that?!

Mandy: I bought it at the toy store at the mall.

Qin: Boy that Goo Cannon packs a punch.

Nico: It sure does.

BANG! KRASPLAT!

BANG! KRASPLAT!

BANG! KRASPLAT!

She blasted three more bullies with blasts of purple slime.

Nico: WHOA! Those bullies make great target practice.

Maria: Can we hang out here?

Mandy: Knock yourselves out.

Maria: Thanks.

Me: I got an idea.

I opened a portal into Lynn's Table and it showed the jerks.

Nico: Fire at the jerks.

Mandy: Okay.

BANG! KRASPLAT!

BANG! KRASPLAT!

BANG! KRASPLAT!

BANG! KRASPLAT!

BANG! KRASPLAT!

BANG! KRASPLAT!

BANG! KRASPLAT!

She fired through the portal and the purple slime blasts hit the jerks and smashed them down with the force of a 20 ton boulder.

Nico: GEEZ!

The jerks had thousands of tons of gold bars erupt out of them and the jerks all had EVERY SINGLE bone in their bodies all smashed into dust!

Nico: Boy they are really going to be feeling that!

Eli: No kidding.

Me: But look at Amy. She is now fully beast.

Eli: The Mask of The Beast really made her into a monster. Literally.

Nico: Let's hope she doesn't break out.

Me: Don't worry. Those chains tying them to those poles are indestructible neutronium and lined with rainbow energy. Nothing will break it.

Nico: Good.

Eli: Anything happening in Endsville?

Mandy: Eh same old same old.

I closed the portal.

Nico: Yeah we were called here for our next rescue.

Lincoln: I wonder what's up?

Nico: Whatever it is, it's probably not good.

King Kai: (Telepathically) I'm afraid you're right about that one. I found out that a Lincoln Loud from another universe is here in Endsville and he's causing havoc, and what makes him different from our Lincoln, is that he's an absolute total jerk and an absolute thug who's caused havoc in his universe's Royal Woods!

We gasped in shock, but I was already having bad memories from when that happened, and so did Nico.

Lincoln: Whoa, that's not good, but what does he look like?

King Kai: (Telepathically) You're not going to like it.

King Kai sent us the image of what this Lincoln looked like: he had a white mohawk with a black streak and black punk clothes, along with a mean scowl on his face.

Me: WHOA!

Camie: Jeez!

Eli: Yikes, this guy's major-league trouble!

Lincoln: And from what King Kai told us, he'd caused havoc in his universe's Royal Woods and he also terrorized his universe's sisters, which must've led to him getting sent here.

Me: And do you guys remember those boomerangs that made you the complete opposite of who you were?

Lincoln: Yeah, and the culprit was a certain Fifth Dimension imp who was also the culprit of giving me that cursed telephone, and who wanted me to suffer: Mister Mxyzptlk!

Sabrina Lorelai: I remembered you telling us about those events, Lincoln, and we wanted to tear that little imp to shreds and send his miserable soul to the black depths of Oblivion, but Vypra swore that she's going to be keeping an eye on that imp.

Eman Reynolds: But, you know what this means?

Nico: Yep, we're going to be in for one rough fight with that thug, and I know he'll probably want to ambush J.D. and get into a brutal and horrible fight.

Lincoln: But, we'll all be ready for him, Nico, that thug's getting the beatdown of his life.

Me: Yeah! But I'm ready for him.

Nico: Well, wake me up when he gets here

Me: In the meantime we'll keep blasting Bullies.

Nico: Okay.

Nico went to take a small snooze.

Mandy was firing goo and purple slime at the bullies.

BANG! KRASPLAT!

BANG! KRASPLAT!

BANG! KRASPLAT!

BANG! KRASPLAT!

BANG! KRASPLAT!

BANG! KRASPLAT!

BANG! KRASPLAT!

BANG! KRASPLAT!

BANG! KRASPLAT!

BANG! KRASPLAT!

BANG! KRASPLAT!

BANG! KRASPLAT!

BANG! KRASPLAT!

BANG! KRASPLAT!

BANG! KRASPLAT!

BANG! KRASPLAT!

BANG! KRASPLAT!

BANG! KRASPLAT!

BANG! KRASPLAT!

BANG! KRASPLAT!

BANG! KRASPLAT!

Mandy was really PILING ON the slime and body count.

Qin: Nice shooting Mandy.

Me: You have a really awesome shot Mandy.

Mandy: Thanks.

Brittney: Maybe getting shot by Mandy's goo cannon will show them some manners.

Lola: Yeah.

Camie: Boy that is awesome shooting.

But then, I wound up getting ambushed from out of nowhere and we got into a brutal tumble, until I kicked the figure off and away from me, and we saw our target: the version of Lincoln who's an absolute total jerk and an absolute thug!

Nico: Huh? WHAT THE!?

Luan: Whoa, so that's… !

Lincoln: Yep, the version of me who's an absolute total jerk and an absolute thug!

Jerk Lincoln: You've got some nerve showing your faces around here, this town is mine!

Me: Over my dead body!

Lincoln: This town's never going to be yours, you've caused enough havoc for the last time, you little monster, and now, I'm going to turn you into a human pretzel for this, you little twerp!

Lola: That's even worse than when Lori said that to you, and she had her Dark Side in her!

Nico: Yeah, but since this Lincoln's a jerk and a thug, this is literally justified.

Eli: No kidding!

Jerk Lincoln pounced on me again, and we got into a really brutal fight, as we were busy punching and kicking each other, and everyone saw it for themselves.

Nico: Oh, damn, this is way too brutal!

Lincoln: And I thought the fights my sisters had gotten into was bad, but this, this is on a whole new level of brutal.

Eli: This is way too much!

Camie (MHA): Oh man, J.D., please survive this!

Then, I kicked that jerk really hard in the crotch and he went down like a sack of bricks, but he got back up.

Jerk Lincoln: Hah, is that all you got, you fuckface?!

Me: I'm just getting started!

POW!

I punched him in the face and knocked out some of his teeth!

I was in a brutal fight cloud with Jerk Lincoln!

BOOF BOP BAM CHOMP BLAM BAM WHAM QUACK!

Me and Jerk Lincoln were really pulverizing the living shit out of each other!

Fat Tony shot his gun at Jerk Lincoln.

BANG!

He hit him in his leg!

Nico: JEEZ!

Lincoln: Okay, this has gone on long enough!

Lincoln turned into Omnipotent Rage Lincoln, as the 17-year-old, white-haired, 7'5", handsome and extremely muscular man's mane of long wild white hair going down to the bottom of his neck turned glowing orange and stand up and it resembled a raging flame, with the exception of the bangs, the rainbow lightning bolt highlights in the bangs of his long hair remain the same, glowing orange marks on his massive and muscular body and his face, glowing orange eyes show Lincoln's near endless rage towards the truly irredeemable and guilty, his abnormally massive and powerful upper and lower body muscles grew just a bit bigger, the symbol by his stomach is the symbol of The Omni-God and there's no limiters, his eleven massive and long white wolf tails, white wolf ears, and massive and indestructible white angel wings turned orange except for the orange and aurora tips on the feathers, and he was surrounded by a glowing orange outline and orange energy aura.

Then, he charged at Jerk Lincoln, and he really laid a brutal beatdown on that little monster. Then, he picked him up by the collar of his shirt, and he threw him hard where he crashed back-first into a tree and was really dazed.

Jerk Lincoln: You think this is going to stop me?! I'll be back and I will lay waste to everything and everyone here!

Lincoln: You're not going to be doing any of that, you little jerk!

Me: Not on our watch you little turd!

Xenia: Yeah you shrimpy twerp!

UA Carnage grabbed Jerk Lincoln by the face.

U.A. Carnage: I will rip your face off and eat it!

Jerk Lincoln: Go ahead and try!

He threw him into the ground.

Lincoln: Taste this!

He fired waves of lightning and electrocuted Jerk Lincoln all over.

Nico: Time we end this.

Lincoln: I couldn't agree more!

But, before Lincoln could deal the finishing blow and end him, shadow hands from the dark depths of The Underworld rose up and grabbed Jerk Lincoln and dragged him down into The Underworld.

Nico: Whoa, nice save, Grim.

Grim: (Jamaican Accent) That wasn't me, Nico.

Lincoln changed back as his hair, angel wings, white wolf ears, and eleven massive and long wolf tails change back to white, his orange eyes turn back to deep sapphire blue, and the orange marks on his face and body and symbol of the Omni-God disappear.

Lincoln: Grim's right, he didn't do this, but there's only one person who did, and if it's who we think it is, we'll be meeting the next Ghostrick Gene-Slammer on my rescue next.

Nico: Yeah.

But then my Kyutama for Musca the Fly started glowing.

Me: The Kyutama for Musca the Fly is glowing. That means the next Undead Zodiarts is close.

May: Who's turn is it?

Me: Well lets see.

Tsuyu: I'll go. I do have the Toad Quirk and I eat bugs. So I'll have a shot.

Me: Okay then.

Then a figure came out and it was ANOTHER MUSCA UNDEAD ZODIARTS! It looked like a mixture of Invenusable Flytrap, Flit and Mucus!

Me: WHOA! Another Musca Undead Zodiarts.

Lola: For Musca the Fly!

Nico: I hate flies!

Maria: And you are?

She reverted back and it was a Sailor Soldier that was a girl with aqua blue and green clothes.

Me: (GASP) Allia Alderaana A.K.A. Sailor Alderaan!

Sailor Alderaan: It's good to see you again J.D.

Me: You too.

Nico: Alderaan's Sailor Soldier? Wow!

Xenia: Yeah!

May: You know her?

Me: I sure do. Allia was born on the planet Alderaan and she was teleported into the future to Earth for protection. She is my friend from Astronomy Class and she knows so much about the stars and what they are.

Eli: That is cool!

Sailor Alderaan: That sure is.

Me: But Allia you must've heard that Alderaan was blown to space dust by the Empire right?

Sailor Alderaan: I sure did and that was terrible.

Qin: Yeah there was nothing left of it.

Camie: The empire blew your entire home planet into nothing with the Death Star.

Sailor Alderaan: It sure did and I'm glad that the Empire was destroyed.

Nico: So is everyone all over the universe.

Maria: We are truly sorry.

Sailor Alderaan: No worries.

Me: But after we destroyed the Empire we resurrected all the planets that were destroyed by them.

Xenia: Yeah that was awesome.

Sailor Alderaan: That's good. I'm glad they are all back.

Qin: Thank goodness.

Nico: Are there any other opponents with you?

Sailor Alderaan: Yes there are. 3 more of them and they are Dark versions of them.

She pointed to the Springfield Mafia.

Me: Whoa!

Fat Tony: Another Versions of us!

Legs: Not good.

May: Friendly or hostile?

Sailor Alderaan: Friendly.

Nico: Good.

Tsuyu: Shall we dance?

Sailor Alderaan: We shall.

She turned into Another Musca Undead Zodiarts and Tsuyu fired an energy blast and it hit her and she exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive cloud of flies flew out all over and Tsuyu was hungry and she flew out and ate all the flies.

I caught the Rouse Card and the Zodiarts Switch and purified them. The Rouse card had the symbol and stars of Musca the Fly and a fly on it.

Me: Cool.

Then the Zodiarts Switch glowed and it turned into an armband for Musca the Fly in the Southern Hemisphere and those marked with Musca had one for it.

Then I went over to Sailor Alderaan and picked her up and brought her over.

Nico: 3 to go.

Eli: And they are close.

Qin: Yep. But where?

Then we saw 3 figures and they were dark versions of FAT TONY, LEGS AND LOUIE! They were ANOTHER SPRINGFIELD MAFIA!

Nico: And you 3 are?

Me: (Imitating Big Toe) Better watch out see. You don't want to know who you are messing with see.

Another Fat Tony: (In a girls voice) Good gangster talk J.D.

Another Legs: (In a girls voice) Yeah that was awesome.

Me: (GASP) I had a feeling it was the Capprianno Triplets. Guys meet Callie, Carmen and Cindy Capprianno.

Another Fat Tony: Yep. I'm Callie.

Another Legs: I'm Carmen.

Another Louie: And I'm Cindy.

Nico: Awesome to meet you girls. Also aren't you girls part of the Capprianno Family?

Another Fat Tony: That's right. Our family was one of the most ruthless mafia family's in all of Sicily.

Another Louie: But we want nothing to do with them anymore.

Me: These girls are gangsters. But instead of doing crimes like murder, drugs, trafficking, racketeering and all that, they provide weapons, technologies and all that to heroes. They use the Black Market to give us the stuff.

Nico: Wow!

Qin: Yeah! What a twist.

Kaito: (gets out Abaranger gear) Did Swartz promise you anything?

Zocks: (gets out Dekaranger gear) Because we can grant it instead.

Another Fat Tony: Just to bring our family to justice.

Another Louie: Yeah we want them to face the music.

Me: We can easily do that.

Qin: Yeah.

Kaito got a Tyranno Staff and Zocks got a Delta Blaster.

Me: Sorry we have to fight like this girls.

Xenia: But it's to save you from this.

Sougo: (gets out Jungle Fury Ridewatch) Which one do we attack?

Geiz: (gets out Operation Overdrive Ridewatch) All of them!

Sougo got JungkeFuryRedArmor and Geiz got OperationOverdriveRedArmor.

Me: This is gonna be awesome. (ACTIVATES ARMORED GUARDIAN DRAGON'S RIDEWATCH)

I fired a barrage of blue energy balls and they hit the Another Springfield Mafia and blasted them all over the place.

Qin: WOW!

Nico: Yeah!

Nico: (gets out Springfield Mafia's Ridewatch) Time for action!

Nico activated it and got their guns.

Nico: Dance.

He fired waves of bullets and blasted at their feet and made them dance like sissies.

Me: Oh yeah!

Nico: And this too. (ACTIVATES U.A. CARNAGE'S RIDEWATCH) GET OVER HERE!

He fired a red rope and it grabbed the girls and pulled them over and he threw them into the ground.

Qin: NICE!

May: (gets out Greasers' Ridewatch) Scorpion would be proud.

Nico: Yes he would.

May: (ACTIVATES THE GREASERS RIDEWATCH) GET THAT CATBUTT!

She turned into a Dog and then went at the Another Springfield Mafia and viciously pulverized them in a brutal fight cloud as dog barking and cat yowling was heard

Cliff: YEAH! You show them May!

Shriek: Yeah take that!

Lube: Duh duh yeah!

Me: Now it's time for some pain.

May jumped back.

May: Pizza the Kid Style! (ACTIVATES PIZZA THE KID'S RIDEWATCH) WHAT DID YOU SAY ABOUT MY FOOD! TURN AROUND NOW!

She pulled out cactus guns and the Another Springfield Mafia turned and then…

BANG BANG BANG BANG BANG BANG!

She blasted their butts with cactus balls and they really hurt like a son of a bitch!

Nico: (gets out Hair Razor's Ridewatch) My turn!

Me: Get ready for a HAIR-RAISING Development!

We laughed at my joke!

Qin: (LAUGHS) That was a good one!

Nico activated it and he grew his hair long and it turned black and it formed into blasters and he fired laser blasters all over the place and they hit Another Springfield Mafia all over.

Qin: OH YEAH!

Legs: Get in my way and I'll whack you in the lobanza.

Me: Get in MY Way and I'll kick you in the fucking balls!

Qin: Yeah!

Maria: (gets out Hair Razor's Ridewatch) Time for a bad hair day!

She activated it and her hair grew long and turned black and she fired waves of lasers from points on her hair and blasted the Another Springfield Mafia all over.

Qin: YEAH!

Maria: And this too. (ACTIVATES SHARP BLADE'S RIDEWATCH)

She grew swords from every part of her body and they were sharper than razor blades and then she fired swords and slashed them all over.

Qin: Now that one CUTS YOU DOWN to size!

We laughed!

Nico: (gets out Barbed Wire Org's Ridewatch) Hope you like barbed wires!

He activated it and lashed her all over with barbed wire whips.

Maria: I hope the next Gene Slammer is close.

Biyomon: Me too! (Echoing) SPIRAL TWISTER!

She fired waves of swirling energy and smashed them down.

Me: Time for this too. (Echoing) METEOR WING!

I flapped my wings and fired a barrage of fireballs and blasted them down.

But then something was felt by her leg and she saw a Persian nuzzling her leg.

Maria: Oh a Persian.

She picked up the cute Pokemon.

Maria: Aren't you a cute one.

Nico: That is cool.

Persian: (In a girls voice) That was a cute entrance for me.

Maria: Whoa!

Nico: Melody Persia! Wow!

Persian: Awesome to see you again Nico. I got this.

She fired a blast of energy from her mouth and it hit all three of the Another Springfield Mafia and knocked them down.

I caught the ridewatch and it was for Sora.

I went over and picked up all three girls. They had red, white and green clothes on and had blond hair and blue eyes.

Carmen Capprianno: (Groans) What a headache.

Cindy Capprianno: I feel like I got pounded into Lasagna Paste.

NIco: You're back to normal girls.

I brought all three of them over.

Penelope: What's your favorite memory of Nico?

Persian: I have a lot of them but my favorite is when I slashed a bully's eyes out with my claws. I forgot to mention that I'm a Nekomata.

Qin: Yep.

Me: Cool!

Xenia: Awesome!

Me: A Nekomata that hates bullies as much as Nicole does.

Persian: Yep. But lets get me back to normal. But I'm naked.

Me: Okay.

I put on my blind man glasses.

Nicole: Peek and I will kill you.

I snapped my fingers and she was reverting back.

She was back to normal and she was naked.

Melody: (smiles teasingly as Nico hugged her) Meow.

The fashion brigade gave her new clothes and she looked awesome.

Melody Persian: I look awesome.

Nico: You sure do.

Nico hugged her.

Nico: I've missed you.

Melody Persian: Me too Nico. Meow.

We went back home.

And we're also going to destroy Dagra Dai, the Infernal High Priest of the Vazdah, and he's out for blood for what happened to the Four Greater Fiends.

Lincoln: Whoa, we're back in Dark World for Day 17 of The Dark World Treasure Hunt, and I know what we're going to do here, not only am I going to rescue the five girls here, but Scarlet Rosenburg is going to get a powerful treasure there: a powerful greatsword known as The Demonic Darkness Scout Greatsword of Scarr, Scout of Dark World.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) That's right, and since she was Gene-Slammed into Scarr, Scout of Dark World, it's perfect for her, and we're also going to destroy Dagra Dai, the Infernal High Priest of the Vazdah, and he's out for blood for what happened to the Four Greater Fiends.

Nicole: Oh man, I should've known that as soon as word hit of the deaths of The Four Greater Fiends, Dagra Dai would come out of the shadows to get revenge.

Nico: And it also doesn't help that he and the Four Greater Fiends had tried to awaken the Greater Archfiend and destroy mankind.

Me: Yeah, but this is also a perfect chance to destroy Dagra Dai

once and for all.

Lincoln: And make him suffer the same fate as the Four Greater Fiends: given The Black Gates and it will also affect his followers, and I want to thank you and your team for joining, Kari.

Kari: You're welcome, Lincoln.

Suddenly, Lincoln saw the timer on his right large gold cuff Bracelet of The Champion of the Universe, and we saw that the Lizard Nazca Line and Earthbound Immortal Ccarayhua were now glowing.

Lincoln: And another day down means that Audrey's life is already growing shorter. Now, let's head to Scarr, Scout of Dark World's shrine.

We continued on and arrived at Scarr, Scout of Dark World's shrine, and then, the rainbow iris of Lincoln's Third Eye glowed, and the doors opened and we entered, and we saw a massive demonic looking greatsword floating in the center and with dark light shining down on it: The Demonic Darkness Scout Greatsword of Scarr, Scout of Dark World, a powerful demonic massive greatsword with scarlet red gems embedded in the 7'0" massive, wide, double-edged midnight black blade, large midnight black demon heads for the crossguard, large scarlet red gem embedded in the rainguard, longer midnight black handle, four large demon heads and a large scarlet red gem on the bottom of the demon heads for the pommel.

Rarity: My word, is that…?

Lincoln: The Demonic Darkness Scout Greatsword of Scarr, Scout of Dark World, that sure is one scary looking demonic greatsword.

Scarlet Rosenburg: You said it, and it's perfect for me.

Suddenly, we saw Ghostrick Skeleton and Gem-Knight Lady Brilliant Diamond, and with them are the five girls.

Nico: Wow, Ghostrick Skeleton and Gem-Knight Lady Brilliant Diamond.

Ghostrick Skeleton: (Girl's Voice) That's right.

Gem-Knight Lady Brilliant Diamond: (Girl's Voice) And we got the five girls away from Dagra Dai.

Lincoln: (Gasps) Those voices, Morrigan Dabria and Maria Krystal, it's so awesome to see you both again, but we'll talk later, we still got Dagra Dai to take care of.

?: I will have my revenge on you all for what you've done to The Four Greater Fiends, Team Loud Phoenix Storm!

Nicole: Yep, there's no mistaking that voice from anywhere, show yourself, Dagra Dai.

We then saw our target, Dagra Dai, the Infernal High Priest of the Vazdah, and he was furious.

Nicole: Dagra Dai, I should've known you'd show up.

Dagra Dai: Shut your insolent mouth, what you all did to The Greater Fiends, I will make you all pay with your lives!

Scarlet Rosenburg: Not a fucking chance, Infernal High Priest of the Vazdah.

Scarlet Rosenburg went up and grabbed The Demonic Darkness Scout Greatsword of Scarr, Scout of Dark World. Suddenly, Scarlet Rosenburg's scarlet red eyes turned neon scarlet red, and she was surrounded by a black and scarlet red energy aura with darkness, demons, and dark magic, she unholsters her massive Scarr, Scout of Dark World's Demon Greatsword of Darkness Scout Justice from her back, and as she approached Dagra Dai, she left black and scarlet red energy, darkness, demons, and dark magic with every step.

Scarlet Rosenburg: I will never ever forgive you for the crimes that you and The Four Greater Fiends had committed against mankind for thousands of years, Dagra Dai. The Four Greater Fiends got what they deserved, and now, it's your turn, now, you shall suffer the very same fate as your cohorts, and I will make sure that you never rise from the dead ever again.

Suddenly, Scarlet Rosenburg was surrounded by a massive vortex of black and scarlet red energy with dark magic and darkness surrounding the vortex, there's an army of demons and Scarr, Scout of Dark World flying around the vortex, and in the vortex is a scarlet red phoenix. Then, as the vortex faded, Scarlet Rosenburg emerged, but she was changed forever.

(NIGHT WRAITHS BY NOX ARCANA PLAYS)

Scarlet Rosenburg and Lincoln went after Dagra Dai, who tried to attack them with his swords, but they dodged his attacks, and they fired extremely powerful blasts of rainbow energy, black and scarlet red energy, dark magic, crosses, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, fairies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, and Mermaids at Dagra Dai, and they exploded with incredible power as they hit him. Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Scarlet Rosenburg, her hand-cannon Blaster is known as Scarr, Scout of Dark World's Demonic Scout Darkness Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's black with scarlet red flames on the blaster with a Phoenix, Angel, and Scarr, Scout of Dark World surrounded by darkness etched on the sides, and a silver gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Scarlet Rosenburg fired blasts of rainbow energy, black and scarlet red energy, and elemental forces at Dagra Dai and as they hit him, they exploded with incredible power, and really knocked him down.

Then, Lincoln fired blades of light from his massive greatsword and they pierced Dagra Dai in his black heart and when the Judgement Kanji appeared on his forehead, he was sent to The Black Gates forever. We cheered wildly as we holstered our weapons and powered down, and Scarlet Rosenburg's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long scarlet red wolf tails, and massive scarlet red angel wings are permanent.

Scarlet Rosenburg: Your days of causing havoc are done, Dagra Dai. Thanks for helping me destroy that vile fiend, Linky.

Lincoln: (Smiles Warmly) You're welcome, Scarlet.

Suddenly, Scarlet Rosenburg wrapped her arms around Lincoln's massive wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Scarlet Rosenburg's face, they deeply kissed passionately as Scarlet Rosenburg's left arm was still wrapped around Lincoln's massive, wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive right pec, and behind them was a Thunderbird, Phoenix, Angel, Demon, and Scarr, Scout of Dark World flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and demons flying behind them and we cheered wildly. Lincoln and Scarlet Rosenburg came back to us as the display and Scarr, Scout of Dark World vanished.

Nicholette Torrington: Alright, we did it, Dagra Dai is finally gone for good, and he's never coming back.

Eli: After what he and the Four Greater Fiends have done, he deserves to die and never come back.

Lincoln: Yep, and we made sure that we made him pay for every last one of his crimes in full. (To Morrigan Dabria and Maria Krystal) And it's so good to see you again, Morrigan Dabria and Maria Krystal.

Morrigan Dabria reverted back to normal, and she's a beautiful girl with long flowing black hair, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful black angel wings, and she reigned in the power of Ghostrick Skeleton, and she's dressed in a black sleeveless open blouse, black sleeveless midriff top, black skirt, black pants, black knee-high boots, and a long white sleeveless trenchcoat with darkness and skeletons on the coattails and Ghostrick Skeleton on the back and holstered on her back is a massive Ghostrick Skeleton-themed greatsword with Ghostrick Skeleton etched etched on the 7'0" massive, wide, double-edged midnight black blade, large skulls for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large skulls and a large red gem on the bottom of the large skulls for the pommel.

And Maria Krystal reverted back to normal, and she's a beautiful girl with long flowing blue hair, blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful blue angel wings, and she reigned in the power of Gem-Knight Lady Brilliant Diamond, and she's dressed in black clothes, black knee-high boots, and a long white sleeveless trenchcoat with diamonds and light on the coattails and Gem-Knight Lady Brilliant Diamond on the back and holstered on her back is a massive Gem-Knight Lady Brilliant Diamond-themed greatsword with Mozarta the Gem-Knight Lady Brilliant Diamond etched etched on the 7'0" massive, wide, double-edged blade, large angel heads for the crossguard, large diamond embedded in the rainguard, longer midnight black handle, four large angel heads and a large diamond on the bottom of the large angel heads for the pommel.

Morrigan Dabria: You too, Lincoln, and it's also good to see you, Claire, Ramona Alucard, Aisha, Sarah, Winter, Ramona Qingzhao, Autumn, Mary, Dina, Makoto, and Tiana again, Ursula.

Ursula Truaigheaingeal, Ramona Alucard, Sarah Dullahan, Claire Allaire, Aisha Arian, Winter Icyin, Ramona Qingzhao, Autumn Aluma, Mary Adelberte, Dina Mabrouk, Makoto Haruki, and Tiana Masina: You too, Morrigan.

Maria Krystal: It's been such a long time since we last met, and it's also good to see you again, Lori.

Lori: You too, Maria.

Lincoln went up to Morrigan Dabria and Maria Krystal and he hugged them, and Morrigan Dabria and Maria Krystal were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and muscular he's really become, and they had atomic red blushes on their faces, and the atomic red blush on their faces went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Morrigan Dabria: Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new.

Maria Krystal: You said it, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you know these two, and I can also suspect Maria knows Lori?

Lincoln: Indeed I do, Nico, the Ghostrick Skeleton Gene-Slammer is Morrigan Dabria, she's my Guardian Angel from Michigan and classmate in Music. She's a Grim Reaper and she was born with the powers of darkness and she also knew of me being a vampire-werewolf-cyborg hybrid, just like the other Ghostrick Gene-Slammers. She also uses a scythe and she also knows how to summon the spirits of the Underworld, and she's also ferried the souls of the dead to the other side, but those who are beyond redemption, she sends their souls down to The Underworld for an eternity of torment. She's also a master of a dark power called The Grim Reaper's Deathly Embrace, this allows her to summon shadow hands from the dark depths of The Underworld and grab those truly irredeemable and drags them body and soul down into The Underworld for eternal torture.

Nico: That explains what we just saw back in Endsville!

Lincoln: That's right, no doubt Morrigan was behind that one, and this one time, I made her a beautiful gold necklace with a skull pendant, and she loved it so much, she hugged and kissed me and I returned it. She's also good friends with Lucy and The Young Morticians' Club and she'll become a future member of The Goths of Darkness, and she hates Flip, Scoots, Lewis Travolta, Olivia Shroud, Pablo, Anderson, Hawk, and Hank with a burning passion and wants nothing more than to send their wretched souls to The Underworld for eternity.

Brittney gave Morrigan Dabria the ring for The Goths of Darkness, and she put it on her right ring finger.

Lincoln: And the Gem-Knight Lady Brilliant Diamond Gene-Slammer is Maria Krystal, she's my Guardian Angel from Japan and classmate in Spanish, but she's also a lover of jewelry.

Lori: And she and Lincoln started making jewelry with my assistance, and they also made beautiful bracelets for me and Bobby in our favorite colors for the both of us respectively, and to show thanks, we took Lincoln and Maria to a hot spa where Lincoln and Maria kissed each other on the lips, and me and Bobby did the same.

Nico: Wow!

Lincoln: Plus, we also found out she's the sister of Julia Krystal, and she hates Flip with a burning passion.

Me: Yikes, I hate to find out what that mutant cheapskate did to earn Maria's wrath, and what that mutant cheapskate and the other jerks did to earn Morrigan's wrath.

Morrigan Dabria: Trust us, you won't like hearing it. (To Lincoln) And Lincoln, there's something we want to give you: we want to give you our blood.

We gasped at their request, including Lincoln.

Lincoln: Morrigan, Maria, are you absolutely sure about this?

Morrigan Dabria: (Smiles) More than anything, after all, we're going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Morrigan Dabria and Maria Krystal, and he saw that they're really serious, and he smiled as he walks over to Morrigan Dabria and Maria Krystal, and he hugged their waists in his abnormally massive and powerful muscular arms, he slowly leaned his head down first on Morrigan Dabria's neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up, and he also did the same with Maria Krystal.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Morrigan Dabria and Maria Krystal with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Morrigan Dabria: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you and Maria are now part of my harem and my many future wives, Morrigan

Morrigan Dabria and Maria Krystal had a smile on their face and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around their waists and they wrapped their left and right arms around Lincoln's massive, wider, and muscular back, and he leans down to their faces and kissed the two of them passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw them, he recognized them immediately. The five girls are Shiragiku Ono, Riho Tsukishima, Ami Tsuruga, Akane Hououji, and Ouka Makusawa from Megami no Café Terrace.

Lincoln: Oh wow, it's Shiragiku Ono, Riho Tsukishima, Ami Tsuruga, Akane Hououji, and Ouka Makusawa from Megami no Café Terrace.

Nicole: Awesome.

Lincoln: Are you girls okay?

Shiragiku Ono: Yes, we're okay, thanks to you.

Then, when Shiragiku Ono and the other four girls saw who it was that saved them from Dagra Dai, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of

We returned home to the World Tree Estate, and Lincoln told everyone that Scarlet Rosenburg had gotten The Demonic Darkness Scout Greatsword of Scarr, Scout of Dark World, and they were shocked when they found out the villain we went after was Dagra Dai, the Infernal High Priest of the Vazdah.

But, when Lincoln showed what happened such as Scarlet Rosenburg transforming into her Super Angel-Demon-Harmony Celestial Eternal Xelnaga form and all of us laying the beatdown on him and Lincoln finishing him off by firing blades of light and sending his spirit to The Black Gates for good, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln, Morrigan Dabria, and Maria Krystal have a lot of catching up to do, now that they're back in town.

Maria: Oh man, I didn't expect Dagra Dai to show up.

Hunter (Road Rovers): And this was due to me and the team destroying The Four Greater Fiends on the competition.

Lincoln: Yep, but either way, we're finally rid of Dagra Dai once and for all.

Nicole: You got that right.

---

After destroying Dagra Dai, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Morrigan Dabria and Maria Krystal saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Morrigan Dabria: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Maria Krystal: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Morrigan Dabria: That's incredible, and we'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Morrigan, what's the story on why you hate Flip, Scoots, Lewis Travolta, Ophelia Shroud, Pablo, Anderson, Hawk, and Hank with a burning passion, and Maria, what's the story on why you hate Flip with a burning passion?

Morrigan Dabria: You're not going to like it one bit. One time, Lincoln and I were both heading home after school, but then, we heard bellowing yells and smelled the stench of a certain smelly mutant cheapskate, and we saw who it was: it was Flip, but also with him are Scoots, Lewis Travolta, Ophelia Shroud, Pablo, Anderson, Hawk, and Hank, and they were trying to kill Lincoln once again. I got quite pissed off that I summoned the spirits of The Underworld to attack them, and after we tied them up, Lincoln found out that Ophelia Shroud was the one who freed Flip, Scoots, Lewis Travolta, Pablo, Anderson, Hawk, and Hank, after she mysteriously got her intelligence back and she still wanted her revenge on The Loud Family. We told the cops of what happened, along with who was responsible for breaking the other jerks out, and as a result, Flip, Scoots, Lewis Travolta, Pablo, Anderson, Hawk, and Hank were sent back to jail, and as for Ophelia Shroud, Lincoln punched her hard in the face and he electrocuted her, and he had her thrown right back in The Saturn Insane Asylum for life.

We gasped.

Lisa Loud: Now, that day I remember all too well, I can't believe that little monster had the nerve to do something like this.

Me: Even after all that, she still wanted revenge. You know what, if we encounter her on Lincoln's rescue tomorrow, we're going to see to it that she pays for all of her crimes in full.

Nico: And Lincoln will have her turned into a permanently brain-dead monkey after he sucks out every last bit of information and drains her brain.

Maria Krystal: That I'd like to see happen. Okay, now it's my turn, one day, Lincoln and I, along with Lori, were busy with making some new jewelry, but then, the jewelry that we already made was then swiped from the displays, and we saw who it was that did it: it was Flip, he stole our jewelry so he can get money for it. Lori and Lincoln rushed at him and we got all the jewelry back and Lori, Lincoln, and I gave Flip a full-on beatdown for that stunt he pulled, and after we told the cops everything, Flip wound up getting put into a police wagon and he was sent right back to jail, and he got another Life Sentence added to his original Life Sentences.

Nico: Why, that moronic cheapskate!

Me: It's worse than the time he stole all that money and it ended with Alicia beating him down.

Lincoln: Now, that's yet another reason as to why we hate that cheapskate even more, guys. But, as it stands, Flip deserves every last bit of our humiliations, along with Lewis Travolta, Pablo, and Anderson, but not Scoots, she's dead and gone forever, and Hawk and Hank deserve to be turned into gold statues for eternity, and if Ophelia Shroud dares to come back for more, she's going to get every last bit of payback for her crimes against Gotham Royal York and the Loud Family.

Eli: Yeah!

We got a shower afterwards, and then, Clyde and his harem are heading to Gelato Beach.

Clyde snapped his fingers, and the 17-year-old, 7'5", and extremely muscular man was dressed in large dark blue swim trunks with the phoenix and clocks on it and silver flames coming off the swim trunks, dark blue sandals, his jewelry, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble, and his harem were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble.

Professor Ivy: Wow, so this is Gelato Beach.

Clyde: Yep, and it's perfect for our beach date, Professor Ivy. Shall we?

Clyde and his harem dived right into the waters and they also had a swimming race and had a lot of fun, and they had a game of volleyball, plus, his harem got a massive and extreme deep atomic red blush on their faces when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, they had some lunch, and then, Clyde made clones of himself, and he and the clones went up to the girls in his haremand they hugged the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of Clyde and his clones, and they placed their right hands on the massive wide and muscular left pecs of Clyde and his clones, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes, and Lincoln saw Clyde had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Lincoln: Hey, Clyde, how was your date?

Clyde: It was awesome, buddy, we went to Gelato Beach.

Sailor Mercury: And it was really awesome.

Nico: You guys sure had a lot of fun.

Clyde: We sure did.

---

Later it was time for Evelyn's 2nd mission.

Me: I have a feeling this will be a good one.

Evelyn: Me too.

Me: As long as we get to kick some Undead Butt.

William: Anyone else want to go with Evelyn? Besides Rolf, Changkey Dragon, and Cheese?

Albedo: You know what? I'll go.

Me: Awesome.

Erza: Me, Lucy, Juvia, Cana, Mirajane, Wendy and Virgo will go next too.

Nico: Good idea.

Lily: This is gonna be fun and cool.

Nico: Yep. Lets head out.

We were off.

---

We arrived in Japan and we saw them.

Rolf: Rolf sees them!

We saw them fighting the Trilobite Undead!

Me: Whoa the Trilobite Undead!

Cana: He sure is an ugly one.

Twilight Sparkle: Yeah no kidding.

Juvia: I'll deal with this one! WATER NEBULA!

She formed a powerful helix of water and they bit Trilobite Undead and he exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: Got you now.

I threw a card and sealed it.

Kazuma: Hey guys!

Me: Looks like we got here just in time.

Sakuya Tachibana: Boy you sure did!

Amane: Perfect timing.

Evelyn: Guys, these are my boyfriend and my archenemy.

Rolf: Rolf honored to meet you all.

Sakuya Tachibana: Pleasure to meet you Rolf.

Amane: Same here.

Me: Rolf is one of the people that was supposed to be with the first group with Eddy but he chose to stay till this time.

Sakuya Tachibana: Oh I get it.

Me: Yeah.

Changkey Dragon: I'm Changkey Dragon and it's awesome to meet you guys.

Me: You may know him from as one of the Midbosses from the game Mega Man 10.

Amane: I thought he looked familiar. Awesome to meet you.

Changkey Dragon: Same here.

Me: And these are the mages of Fairy Tail.

Erza: It's an honor to meet you all. I'm Erza Scarlett.

Lucy Heartfilia: I'm Lucy Heartfilia.

Juvia: I'm Juvia Lockser.

Mirajane: I'm Mirajane Strauss

Wendy Marvell: I'm Wendy Marvell.

Cana: I'm Cana Alberona

Virgo: And I'm Virgo. It's an honor.

Sakuya Tachibana: It's an honor to meet you all too.

Hajime: Same here.

Me: And this little guy here is Cheese.

Cheese: Yes ha.

Me: He's an idiot so be ready for anything he does. But he makes a great annoyance tool.

Rolf: The son of a Shepherd could not let you leave temporarily without saying goodbye first, Blade Kazuma boy!

Kazuma: Thanks Rolf.

Sunset Shimmer: Rolf is a cool guy once you guys get to know him.

Maria: He has my little sister Carmen in his troop call the Urban Rangers.

May: It's true. It's really cool and awesome.

Fluttershy: Carmen is a really brave and skilled girl to learn under him, Jimmy and Jonny.

Lucy Heartfilia: It's true. And it's awesome too.

Amane: Boy that is neat.

Changkey Dragon: Fair warning. Do NOT insult his culture. Unless you want to be beaten up harshly even by our standards.

Me: And do not steal his chickens. Ed has done that numerous times.

Kazuma: It's true. I've seen many of Rolf's amazing cultures and they are interesting and amazing.

Sakuya Tachibana: What country does Rolf come from?

Me: We're not really sure. He's either from Norway, Sweden, Finland or Switzerland.

Nico: Yeah but he is a cool guy nonetheless.

Wendy Marvell: He sure is. And he is really strong too.

Virgo: And you should see how much meat he eats too.

Evelyn: He makes some of the most awesome meat sandwiches ever known.

Mutsuki Kamijo then came.

Kazuma: Guys, this is Mutsuki Kamijo. He's Kamen Rider Leangle.

Me: Pleasure to meet you Mutsuki.

Mutsuki: Same here J.D. I heard so much about you and it's an honor to meet you.

Me: Same here.

Mutsuki: I heard you want to make Hiroshi pay big time for his crimes.

Me: More than just that. I want to make him suffer an infinite number of deaths 10 fold for everything he did.

Eli: Yeah bro wants to make sure he suffers the worst.

Mutsuki: I don't blame you. Because of him, Hajime and the others were without Kazuma for several years.

Me: No shit there. Also he turned all your lives into a living nightmare. Turned many of you all against each other.

Nico: Yeah. He was going to turn the entire planet into a version of War World.

Eli: We can't let that happen.

Me: Yeah. Oh. I'm sorry guys this is Albedo of The Galvan.

Albedo: It's an honor to meet you all.

Sakuya Tachibana: Pleasure to meet you.

Nico: He's really smart and skilled and knows all sorts of aliens too.

Me: Don't let his appearance deceive you though. He is really a Galvan that was turned into a human.

Amane: I was going to say. He looks like Ben but with White hair, red clothes and red eyes.

Me: Yeah he sure does.

Albedo: And yes, I was with Team Buktu. But I was the only one who genuinely was a hero instead of for the fame and glory.

Me: That's right.

Amane: I heard all about that. I can't believe all those lies they told.

Laney: But J.D. and Nico's plan was to have Nico be planted into their ranks as a mole.

Lana: And it worked perfectly.

Me: It sure did.

Amane: And those Evil Sasuke Rants that you do J.D. are really entertaining and they fit him perfectly.

Me: They sure do. Shows the world the kind of monster he is when he is that evil.

Virgo: Yeah it sure does.

Hajime: Evelyn, Kazuma probably knows this. But can you tell the rest of us about your background history?

Evelyn: I sure can.

She told them that she is from New York and she is an Ornithologist and she knows everything about birds. She was turned into a Celtician Dryad from the planet Celtica in the Unknown Zone and they are wood creatures that have the power to control nature and plants and even communicate with animals. She also comes from a very rich family that is a very powerful family that is one of the best known stock brokers in the city.

Hajime: Wow! That is amazing.

Me: Yep. We all were amazed ourselves.

Lincoln: Yeah we sure were.

Nico: (to Albedo) When we had that heart to heart on your base's rooftop, were you trying to subtly warn me to get out of there?

Albedo: I really didn't want you to be harmed by my team's plans.

Nico: I understand.

Me: Good reason.

Nico: Yeah.

Nico: So, have any of your bad guys caused any trouble since our previous visit?

Amane: Actually yes. We have 4 Undead and another Omnitrix Alien here.

Lincoln: But that was one of the Undead we dealt with.

Me: That was actually one of the minor Undead.

Nico: Yeah.

Me: Which Undead are running Amok?

Sakuya Tachibana: The Orchid Undead, Capricorn Undead, Serpent Undead and Tiger Undead and it looked like a black version of a 4 legged spider.

We gasped!

Me: That's Another Terroranchula! It's the Natural Predator of Ball Weevil's kind.

Cana: This will be interesting though.

Eli: I sense them All over on Hashima Island.

Me: That place was abandoned for years and it's located near the Kyushu Prefecture.

Nico: Yep and it's one of the big reminder of Japan's War Crimes back in World War II.

Kazuma: That's right.

Me: Oh boy. Then we better get over there. Stay close guys.

I teleported us there with Instant Transmission.

We arrived.

Nico: Here we are.

Eli: Wow.

We saw that it was an abandoned island.

Nico: Wow this place has seen better days.

Me: It was used as a forced labour camp back during and before World War II and serves as a bitter reminder for those times.

Kazuma: It sure does. Ideal spot to hide numerous criminals.

Lola: Yeah.

Laney: And many kinds of dirtbags of all kinds

Negative Terroranchula: Now, it's the hiding spot of our targets today.

Me: Yep.

Eli: And they are close. I can feel it.

Me: Look sharp.

We stayed alert.

Eli: There!

Eli fired a Force Lightning Blast and it hit the wall of a building and out came Miyuki Yoshinaga THE ORCHID UNDEAD!

Kazuma: Miyuki. It's been a while.

Miyuki Yoshinaga: Kazuma!? You're Alive!? But we all thought you were gone.

Me: He was. We found him on another planet. Long story. But right now we are here to defeat you. But first.

I fired a wave of light and separated Miyuki Yoshinaga from her Undead Form and made them 2 separate beings!

Nico: Smart thinking there.

Me: Miyuki here quick.

She came over to us.

Then out came 3 more figures and they were the Capricorn Undead, Serpent Undead and Tiger Undead!

Yazawa: Now we can finish what we started.

Hikaru Jo: And that's killing you.

Azumi: (LAUGHS) And it will be fun killing you.

Me: I never could get over that laugh of yours Azumi.

Nico: Yeah.

Negative Terroranchula: We're still waiting for one more.

Then a roar was heard and out came a black version of a Terroranchula! It was ANOTHER TERRORANCHULA!

Me: WHOA! There it is!

Nico: Ugly.

Another Terroranchula: (In a girls voice) I can't believe I was turned into this abomination.

Me: (GASP) Xenia Shelley!? Whoa!

Nico: Wait Xenia Shelley you mean THE Xenia Shelley, the descendant of Mary Shelley?

Me: The very same one and like her ancestor she writes books. She writes Brittney's favorite book series called The Midnight Angels of Gothylvania

Nico: Cool!

Lola: Awesome!

Lucy Loud: Wicked.

Nico: Did Swartz promise you anything?

Another Terroranchula: Just to be the greatest author next to my ancestor.

Me: You already are like that Xenia and you make awesome books. Your series is a bestseller amongst the Gothic Subculture.

Lucy Loud: It's true. And your series is just as good as my favorite vampire series.

Another Terroranchula: I am glad and honored you think so.

Me: Swartz lied to you yes. But we'll save you.

Azumi: Good luck with that.

Me: Bring it bitch!

?: I'll face her!

Out came Daria Kuso.

Lincoln: Daria!

Daria: I actually picked Azumi as my archenemy for the Masters of Evil. Sorry guys but my name is Daria Kuso.

Sakuya Tachibana: Awesome to meet you Daria.

Daria: Sorry to drop in like this but I heard that Azumi was here so I decided to face her first in my first usual battle.

Me: Fine with us.

Nico: Lets get it on!

Me: Yeah!

I went Super Angel Wolf Moon Xelnaga!

Mutsuki pulls out a gold and violet buckle with a clear plastic sleeve on one side, and another card, the fourth Ace, Ace of Clubs, showing a green and violet spider marked with the Club symbol, with the text "Change Spider" written upon it. The card is then immediately placed into the sleeve on the buckle before placing it on his waist

Mutsuki: Henshin.

With that, Mutsuki hits the side of the belt, opening it up, revealing a purple Club symbol.

Leangle Buckle: Open Up!

As the Club symbol is revealed, a violet energy card with the same spider symbol on it emerges and covers Mutsuki, generating his green and gold suit with a bishop style helmet and a case of some sort on his right hip, holding a giant staff with a counter similar to Kazuma's sword and Sakuya's gun, with a giant club symbol on the end of it.

Nico: Awesome!

Me: (Divine Wolf Moon Voice) **Time to Kick some Undead Ass!**

Lola: This will be fun!

I unsheathed my Decaforce Sword.

Evelyn: My turn!

Evelyn pulls out a Green and pink buckle with a clear plastic sleeve on one side, and another card, the fifth Ace, A wild card, showing a green and pink spider marked with the W symbol, with the text "Change Fairy" written upon it. The card is then immediately placed into the sleeve on the buckle before placing it on her waist.

Evelyn: Henshin!

With that, Evelyn hits the side of the belt, opening it up, revealing a Pink W symbol.

Natura Buckle: Bloom Up!

As the W symbol is revealed, a green and pink energy card with the Fairy Symbol symbol on it emerges and covers Evelyn, generating a new green and pink suit with a Fairy style helmet and a case of some sort on her right hip, holding a giant scythe with a counter similar to Kazuma's sword and Sakuya's gun, with a giant W symbol on the end of it and she had pink and green butterfly wings.

KAMEN RIDER NATURA!

Nico: WHOA!

Lola: Oh yeah!

Amane: HENSHIN!

She went KAMEN RIDER HOUEN!

Lana: Awesome!

Juvia: This will be awesome.

Kazuma: Time for all of us.

Kazuma, Sakuya and Hajime: HENSHIN!

They transformed too!

Cheese: Bunnies! (Runs towards the Undead)

Nico: Cheese not now!

Cheese: Bunnies!

He hugged Azumi's leg.

Azumi: Get off me!

Daria: Cheese you idiot! Let go of her!

Cheese: I love chocolate milk!

Azumi: Soon you'll be dead!

She kicked him off and he landed on his butt and screamed.

Me: Moron.

Daria fired waves of fire and blasted Azumi all over and then she teleported and kicked her in the face.

Azumi: MY FACE!

Daria: Aw did I damage your pretty face? That is just to start.

She spread her wings of fire and flew into the air and fired fireballs and they hit Izumi all over the place and exploded!

KRABBBBBOOOOOOMM! KRABBBBBBOOOOOOOMMM! KRABBBBBBOOOOOOOOOMMM! KRABBBBBBOOOOOOOOOMMM!

Daria: Take that!

Azumi sent her hair flailing all over and she had it burned off when it touched Daria's wings.

Nico: (takes out Jet's Ridewatch) Sorry, Xenia!

He activated it and fired waves of energy and blasted her down. Then he caught the ridewatch and purified it.

I picked up Xenia and she was a girl with short black hair and had a black gothic dress on.

I picked her up.

Me: I got you.

Xenia Shelley: What a headache.

Me: You'll be fine.

I brought her over.

I fired waves of energy and blasted Orchid Undead and she exploded and I sealed her with a card.

Me: **That's 2.**

Rolf: ROLF WILL UNLEASH HIS RAGE NOW!

Rolf threw the Capricorn Undead and it smashed into the Tiger Undead and smashed them down.

Rolf: YOU HAVE BROKEN THE CELERY STALK ON THE SPINE OF A SEA URCHIN!

Tiger Undead: What did he say?

He went over to them and pulverized the living shit out of them both!

Daria: What's wrong Azumi, can't take the heat?

Azumi turned into her SERPENT UNDEAD FORM!

Daria: So that's it.

She fired waves of fire and blasted her all over the place.

Changkey Dragon: Save some for me!

He fired fireballs and they hit Tiger Undead and he exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I sealed him.

Nico: 3 down.

Evelyn bashed Capricorn Undead all over and smashed him down and he exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She sealed him.

Me: **NICE!**

Nico: How many more to go?

Me: **Just one.**

We saw Daria flying all over and taking on the Serpent Undead.

Kazuma: Wow Daria is fast.

She fired waves of fireballs and they hit Serpent Undead and exploded all over the place.

Miyuki Yoshinaga: Wow! Look at her go.

Laney: Daria is not only a Guardian Angel for my brother but she is also really strong and powerful.

Lana: I'll say.

Changkey Dragon: Let me help out!

Daria: Sure thing. I've have my fun.

He fired waves of fireballs and blasted Serpent Undead.

Me: Now we end this!

Evelyn: You got it!

Kazuma: Lets do it!

I pulled out my Thunderbird Rouse Card.

LIGHTNING, NATURE, WIND, FLAME, MAELSTROM, CRYSTAL, SUN!

Me, Kazuma, Sakuya, Hajime, Mutsuki, Amane and Evelyn: ELEMENTAL MAELSTROM BLAST!

We fired a massive blast of elements and they hit Serpent Undead and then….

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She exploded and I sealed her into a card.

Me: Gotcha.

Nico: Those 4 Undead have failed this world.

Rolf: The harsh realities of your miserable live have been restored. (bows) Thank you!

Amane: Huh?

I shrugged.

Evelyn: He means that the Undead are defeated.

Nico: Yep.

Daria: And as a bonus I got to have my unusual battle with Serpent Undead.

Nico: You sure did Daria.

Amane: That was awesome.

Lola: It sure was.

Twilight Sparkle: Next time we'll all have a shot.

---

We all later came back.

William: Hey guys. How did it go?

Me: Really epic!

We told everyone everything and it was amazing.

William: Wow! That was awesome!

Brittney: That is cool you guys saved Xenia. And to be honest I was not expecting her to be Another Alien.

Me: Me neither.

May: Next time, Aerrow and Lucky should go with you.

Nico: Good idea.

Evelyn: I like it.

Qin: Yeah and so will the rest of the Quantum Girls.

Lola: Yeah!

---

Nico came in with a grumbling stomach.

Trixie: Are you okay, Nico?

Nico: Yeah just a little upset stomach.

Me: Maybe you need to rest for a bit.

Nico: It's nothing. I think it's just…

LOUD FART!

Nico ripped a really nasty loud fart!

Timon: Pumbaa!

Pumbaa: That wasn't me Timon! It was Nico this time!

Timon: Oh yeah.

LOUD FART!

Pumbaa farted too!

Pumbaa: Sorry.

Me: Geez Nico! Hoowee! THAT STINKS!

Pan: Jesus Fuck, Nico! What did you eat?!

Me: I was about to ask.

Nico: I had some of Chief Wiggum's awesome new baked beans he made.

Me: Oh yeah he makes really awesome baked beans too just as good as his awesome nuclear armageddon chili.

LOUD LONG FART!

Nico really farted bad!

Me: JEEZ!

Nico: Sorry.

Me: (COUGHS AND GAGS) GEEZ! AND I THOUGHT LORI'S FARTS SMELL HORRIBLE!

Lori: It was my shoe!

Lola: And Roger Smith's farts are worse than that when he eats Okra!

American Dad Roger Smith: Yeah they do smell bad don't they?

Cybertron Crumplezone: That's it, boss! I'm taking care of this.

Cybertron Crumplezone picked Nico up and starting patting his stomach.

Nico: Ahh. (BELCHING AND FARTING)

The urge to laugh was too strong and I was holding it all in.

Eddy: (LAUGHS HYSTERICALLY) THIS IS TOO RICH! (LAUGHS) CALL A DOCTOR DOUBLE D! (LAUGHS)

Edd: This is very (LAUGHS HYSTERICALLY!)

Lola: Don't light a match anyone!

Beachcomber: Need a rolling pin?

Nico: Nah I think I'm good. (BELCHING AND FARTING!)

Eli opened a window and the smell went out into space.

Me: Jeez and I thought Garby's farts smelled horrible.

Matt Olsen: No kidding.

Maria: Feel better, Nico?

Nico: Ahh. Yes much better. (STOMACH GRUMBLES) Uh oh! BATHROOM!

Nico ran to the restroom.

YOU DON'T WANT TO KNOW WHAT HE IS DOING IN THERE

He threw Harold out of the bathroom who was in there first.

Nico: AAHH! SO FUCKING GOOD!

Harold: HEY! I WASN'T DONE IN THERE!

Me: When you got to go you got to go.

20 minutes later, Nico came out. He was much better and he washed his hands.

Nico: Much better.

Veon: Nico, now that your… business is done, which teams have you made?

Nico: Will's group will include Snowdrop, Sector V, Mandy, Sector Z, and Katie. Bloom's team will include Tigra, Simba, Kovu, Timon & Pumbaa, and Nala.

Timon: All right!

Me: Cool!

Qin: Awesome!

Me: Lions and KND. Good themes.

Lola: Yeah.

Veon: Nico, now that your… business is done, which teams have you made?

Nico: Will's group will include Snowdrop, Sector V, Mandy, Sector Z, and Katie. Bloom's team will include Tigra, Simba, Kovu, Timon & Pumbaa, and Nala.

Timon: All right!

Me: Cool!

Qin: Awesome!

Me: Lions and KND. Good themes.

Lola: Yeah.

Then the previous members of the M.O.E. Came in.

Magma: Can me, Mortal Kombat Scorpion, Count Spankulot, Xigbar, Black Lance, Deadwood, Manta Bayarsh, Bizarro, Oculous, and Toad, go with you guys?

Luna Ghost: Me, Aries Zodiart, Lady Quark, Toar, Major Mucus, Emil Eagle, Yost Executioner, Allomere, Evil Solar Man, and Evil Yamato Man will come as well.

Nico: Yes you sure can.

Count Spankulot: (Transylvanian Accent) (COUGHS AND GAGS) WHAT SMELLS LIKE FARTS IN HERE!?

Me: Don't fucking ask if you value your noses!

Xigbar: Nico had Chief Wiggum's beans didn't he?

Me: Yep.

Marah: Nico, which Gene Slammer do you think you'll meet next?

Nico: Golduck next.

Me: Cool!

Lola: Yeah.

King Kai: (Telepathically) Nico, everyone can you hear me?!

Nico: King Kai, what's wrong?

King Kai: (Telepathically) I got some bad news, The Smith Family of Townsville is back once again for revenge on you guys for ruining their dinner.

We gasped!

Me: Oh, not again, seriously!

Nico: They just can't let go of something as pathetic as an insignificant dinner that Blossom, Bubbles, and Buttercup ruined years ago, they really are nothing but a bunch of dirtbags.

Lincoln: And I made sure they were nothing more than brain-dead monkeys after they came back yet again, this time, I'll make sure they're permanently brain-dead after I suck out their brains.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy

signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than our old enemy, Deacon Blackfire, and he's come back from the dead wanting revenge on us. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone else coming after us?

Lincoln: You guessed it, Rayman, and we're not going to like this one bit: the dark energy we sensed belongs to our old enemy, Deacon Blackfire, and he's come back from the dead wanting revenge on us.

We gasped.

Nico: Oh man, so it's not just The Smith Family of Townsville who's come back, but now, that Satanic religious fanatic and heretic, Deacon Blackfire, has also come back from the dead.

Me: He just doesn't even know when to quit, but either way, Deacon Blackfire is going to die once and for all.

Lincoln: And that's after our next mission.

Nico: That's right, Lincoln. Alright, gang, let's go, we got an awesome race on a new food planet that's been discovered.

Lincoln: A new food planet has been discovered, and we're having a race there, awesome. But, after we get done with the race, we're going to hunt down The Smith Family of Townsville and make them pay for their crimes long ago, and once we get done with the race and making those dirtbags pay for their crimes long ago, you're next, Deacon Blackfire.

Count Spankulot: The Smith Family of Townsville have been VERY bad. No argument there.

Lady Quark: But maybe there are other ways to deal with them.

Me: Yeah.

Nico: But lets head out guys.

We went to the ship and we were off.

* * *

The U.S.S. Valorous Phoenix was seen flying through space.

Nico: Captain's Log, Stardate 7117.8: The U.S.S. Valorous Phoenix is en route to an amazing and new food planet for our next race. Our mission is not only to win the race but also to bring the Smith Family down as well as destroy Deacon Blackfire.

Eli: This is gonna be awesome.

Itasis: I wonder where we'll go this time.

Nico: Well I have a feeling it will be good.

Camie: So who are the Smith Family again?

Me: They are bad neighbors that hated the Powerpuff Girls.

I went over their history.

* * *

The Smiths are minor antagonists in The Powerpuff Girls, only appearing in two episodes "Supper Villain", and "Just Desserts". They are the next door neighbors of The Powerpuff Girls, and they all hold some kind of ire toward the girls for their own various reasons.

In "Supper Villain", family patriarch, Harold Smith was depressed with the monotonous repetition of his day-to-day life, and it didn't help to know that his next door neighbors were The Utonium Family, a family of four, that was far happier than his, because of their thrilling, action-packed adventures, that they got the luxury of living every single day. Quietly, Harold had always awaited the demise of The Powerpuff Girls, and would always celebrate in silence, over their occasional misfortunes. In the mean time, Harold spent his private time, working on his super villain costume, preparing for the day, he would one day emerge from the shadows, reveal his true dark form, and defeat The Powerpuff Girls.

After a three day hostage situation, involving Mojo Jojo holding The Mayor captive, Harold's wife, Mary Anne, invited The Utonium Family over to their house, much to the internalized horror of Harold. Harold's family happily talked with their guests, while Harold tried desperately to hold it in, just for the one evening. However, he simply couldn't. Harold snapped and went into his villain form, shocking the rest of his family and The Utonium Family, and stopping their peaceful evening, dead in it's tracks. The tone sharply went dark, as Harold threatened The Powerpuff Girls to use his ray gun to blow The Professor's head off. The Powerpuff Girls were quick to spring into action, and save The Professor, but just before the fight could begin, Maryanne yielded them, with an angered scream for them to "STOP!"

Maryanne ranted about how she wanted nothing more than a perfect evening, and demanded that everybody, both her own family and The Powerpuff Girls to seize with the violence, and enjoy a nice dinner with her, with the promise that they could get right back to their fight, afterwards. A long, awkward, intense, and highly suspenseful dinner took place, with The Powerpuff Girls and Harold rushing to devour their food, with Professor Utonium nervously stalling and taking as much time as humanly possible, to avoid undergoing the inevitable fight, wherein he was sure he would die. Meanwhile, Maryanne happily ate her dinner, acting as though nothing was happening. The kids also had interesting reactions during the dinner. Harold's son, Bud, was proud of his dad, for finally doing something cool, and Harold's daughter, Julie, made random comments about playing jacks, childishly ignorant to the magnitude of the situation.

At the end of the dinner, Professor Utonium took his sweet time, eating the last pea on his plate, but just before any action could start, Maryanne brought out dessert. With the food for dessert being cream pies, it took only seconds for the suspenseful situation to turn into a food fight, between Harold and The Powerpuff Girls. Bud and Julie took part in the fun too. With everyone getting pied in the face, Maryanne was furious, as she considered this to have ruined the dinner. Just then, the police busted in, having apparently received some kind of phone call, possibly from an outsider, making a noise complaint, and arrested Harold Smith. As Harold was taken to jail, Maryanne watched in anger, as The Utonium Family went home safely, and vowed revenge on them for what they did. Not for getting her husband arrested for a year, but for ruining her dinner.

Harold Smith - An average suburban factory worker, whose ineffectual and timid exterior hides a secret passion for evil. He had an adapted hair-dryer that could melt a person's head, though he never actually had an opportunity to use it. He is a bald man, with a long, banana-like nose and a timid, quivering voice. He wears a pair of square eyeglasses, a pair of stocking, a pair of red thermal underwear, yellow rubber gloves, a holster strapped to one hip, a blue bath mat tied around the neck for a cape, black-rimmed goggles, replacing his square glasses, a hood on top of sparkler.

Mary Ann Smith - Harold's very darkly tanned wife, with very light blond hair. She is very weasel-like in appearance, as she has a sharply pointed nose, features bunched up n the middle of her face (as if they're about to sink in), whose excessive perkiness barely disguises a vicious, shrewish side. Sounds insanely perky, and wears a black bodysuit and thigh-high boots, with a black mask and blue gloves as well. She screams at Harold and spanks Harold if he does not do the evil stuff, like harm The Powerpuff girls.

Bud Smith - A sullen, green-haired, angst-driven teen with his mother's teeth with braces who hates everything, especially his boring dad but not after his father Harold who becomes the Supervillain Harold Smith. He wears a black outfit with blue gloves and a green cape to match his hair

Julie Smith - A simple-minded pudgy little girl with a long blond ponytail and features that almost look drawn on whose life revolves around playing jacks. She wears a black ballet tutu with spikes around its edge, a matching mask and toe shoes. Initially she didn't hate the Powerpuff Girls, but joined her family in their revenge after the Girls lost her jacks.

When I was done Camie and those that haven't heard about it was shocked!

Camie: All this over things that are completely petty!

Qin: Yeah no kidding there!

Xenia: What a bunch of weak-minded neanderthals!

Black Lance: Talk about making a mountain out of a molehill.

Major Mucus: No kidding!

Camie: But who is Deacon Blackfire?

Me: He's the leader of an insane Satanic Cult called the Order of Saint Dumas.

I went over his history.

---

Joseph Blackfire, revered by his cultists as Deacon Blackfire, is the main antagonist of the Batman: Arkham Knight Most Wanted mission Lamb to the Slaughter.

He was voiced by Marc Worden, who also played Victor Zaitsev in Vanquish.

Blackfire claimed to be over 100 years old and to be a Native American shaman who was entombed alive after being found guilty of killing a tribal chief and committing heresy. Blackfire claimed the secret to his eternal youth was bathing in buckets of human blood, and he used his charm and powers of manipulation to brainwash an army of devout followers to provide victims for his sacrifices.

After Batman has saved Oracle and returns to the GCPD, he finds that Jack Ryder, who had spent the whole night at the GCPD to be in the middle of the action. By listening to Ryder's tapes, Batman finds out that Ryder was investigating Blackfire's cult and is headed to the Lady of Gotham, because he expects something big to go down there. Upon arriving on the island, Batman sees that Ryder has been captured by Blackfire and his fanatic followers. Ryder has been tied to a table and is about to be sacrificed by Blackfire.

When Batman comes closer, Blackfire spots him and activates the electric fence surrounding him, preventing Batman from approaching him. He orders his followers to attack Batman and dispose of him quickly, as the time of their sacrifice is drawing near. After all enemies are defeated, Batman can use his Remote Electrical Charge to deactivate the electric fence and enter Blackfire's cage through the vents. Having entered the cage, Batman quickly disarms Blackfire and, after the deacon claims that due to his immortality Gotham will be his eventually, knocks him out by smashing his head onto the altar. Blackfire is then incarcerated at the GCPD.

---

When I was done everyone that hadn't heard about it was shocked!

Camie: What a fucked up asshole!

Qin: Yeah he sure was.

Camie: Yeah!

Nico: No kidding. But we destroyed Blackfire and banished him to the Warp. Now we're going to give him the Black Gates.

Eli: Yep.

Lisa Loud: We have arrived at our destination.

Kickback: We're here!

Nico: On screen.

We saw that we were at a planet that was golden white and brown and had brown rivers.

Nico: This looks interesting.

Evil Solar Man: What's wrong?

Nora: PANCAKES! MUST EAT!

Maria: Nora's gone crazy!

Bizarro: Nora very calm right now!

NORA THEN WENT AND JUMPED INTO A BIG STACK OF PANCAKES AND ATE THEM ALL IN 10 SECONDS!

Qin: WHOA!

Lola: GEEZ! Nora sure loves Pancakes!

Nora ate NUMEROUS PILES of pancakes!

Octane: Nora, at least wait for us to put fresh fruit on them!

Me: Or better yet, this. (ACTIVATES CAPTAIN SPRING GREEN SQUEAKER'S RIDEWATCH)

I fired waves of Heffer Farms Brand Fruit on The Bottom All Natural Style Yogurt from my hands and put it on some waffles and Pancakes and Nico and Vambre dove into the pancakes and waffles and ate them.

Qin: OH WOW!

Nico: OH SO GOOD! (BELCH)

Toad: Should we stop them?

Evil Yamato Man: Maybe 5 more minutes.

Me: Let them have some grub. Besides Nico practically lost his lunch earlier.

Toad: Oh right. Sorry.

French Narrator: (French Accent) Approximately 25 minutes later…

Nico and Nora were stuffed after eating 25 huge piles FULL of them!

Qin: GEEZ!

Nico: (SUPER LOUD MONSTROUS BELCH!)

Nora: (SUPER LOUD MONSTROUS BELCH!)

That was a HUGE BELCH!

Nico: Ahh!

Me: Feel better?

Nora: Sweet goodness.

Nico: Delicious.

Lemon Zest: Let's get ready for the race.

Indigo Zap: I agree.

Me: Yeah we should.

Nico: Okay. The garage is here.

We saw it land.

We got our cars out for the race and went and drove into the garage.

Qin: This is gonna be so fun!

Allomere: Can I just fly the whole race?

Oculous: Nothing wrong with that.

Me: Nope.

Qin: Yeah.

Camie: But this is gonna be so fun.

Me: It sure is. The route will take us all the way to the Pancake Syrup Volcano Forest.

Nico: Ooh.

Indigo Zap: Everyone ready?

Nico: Lets do it.

We got in our cars.

Billy Natson: And Welcome to another exciting day of racing for all of you boys, girls and fans alike. Hello I'm Billy Natson and we have a grand treat for you all today as we are on a planet made entirely out of pancakes, waffles and syrup. With us is our very own Team Loud Phoenix Storm and their awesome Frenemies of the Masters of Evil! Are you all ready to race?

Krista: (RAISES GREEN FLAG) GET SET!

We were ready and revving up our engines.

Krista: (WAVES THE GREEN FLAG) REV UP AND GOOOOOOOO!

We zoomed out of the garage!

We were off off!

Billy Natson: AND THEY'RE OFF!

Manta Bayarsh: Catch me if you can!

Yost Executioner: Don't mind if I do!

Nora: THOSE PANCAKES ARE MINE!

She zoomed ahead!

Qin: OH YEAH!?

She zoomed fast!

Nico: OH YEAH!

Napalm Man: I'm catching up to you guys!

We zoomed through the Waffle Desert.

We were really going fast.

Lola: YEAH!

Nico: This is so cool!

Camie: YEAH!

Deadwood: Eat my dust!

Emil Eagle: I'm actually flying with Allomere right now!

Me: But this is awesome!

Billy Natson: And here comes the winners of the race! IT'S NORA VALKYRIE, J.D. KNUDSON, NICO, ZURIA, FLUTTERSHY, LINCOLN AND LANA!

Everyone cheered wildly!

Nico: OH YEAH!

Xenia: AWESOME!

Varie: YEAH!

Ren: Congratulations, Nora.

Nora Valkyrie: Thanks Ren!

Qin: Fitting for you Nora because it's a planet of your favorite food.

Nico: You got that right.

Xenia: I agree there.

Lola: Man this was awesome.

Lana: I'll say!

Zuria: But this was really cool!

Lily: Yeah.

Fluttershy: But it was a great race.

Nico: We're not done yet though.

Nora: First, let me have some victory pancakes. With syrup!

Nico: Okay.

She dove in and ate more pancakes and syrup.

Me: Boy Po Kong would be proud of her.

Qin: Yep.

She later finished.

Nora Valkyrie: Ahh. Delicious.

Nico: Now we're ready.

Eli: They are over in that clearing over there.

He pointed to an area over on an island in the middle of a syrup lava lake.

Xigbar: At least they probably had syrup.

Toar: Or not.

Nico: Lets go guys. Entrance time.

We went at the island.

The Smith Family was really mad.

Harold Smith: That stupid Team Loud Phoenix Storm!

But then the spirits of fire and the Loud House Brothers appeared and they swirled around them and smashed and pulverized them all over. Then they converged and then a huge pile of pancakes appeared and got drenched in syrup and then it rumbled and then…

KRASPLAT!

A massive explosion of fruity yogurt blasted out and formed into us and we appeared.

Me: That was a fruity breakfast entrance.

American Dad Roger Smith: You seriously didn't have this syrup?

Swindle: You don't know what you're missing. It's really tasty!

Harold Smith: I do like good pancakes.

Mary Anne: Yes they are good. But nothing will be better than destroying you for ruining my dinner!

Me: Sheesh you need to let go of that.

Nico: I agree there.

Klaus: (German Accent) Hey, don't go hating on me and Roger just because you don't have counterparts for the two of us!

Bud: I hate everything. Not just you two! Even before you morons came along!

Our auras flared up.

Mortal Kombat Scorpion: Nothing like a villainous breakdown to start a confrontation.

Me: Yep.

Buttercup: Actually, the sad truth is, that's actually a true statement.

Nico: Yeah.

Aries Zodiart: Really?

Then 2016 Morbucks, Condiment King, Professor XXXL, Artie Ziff, Raven Branwen, Mammoth, Eris, Cavelier, Anti-Wanda, Stinky Butt, Glomgold, Gourd, Beagle Babes, Big Cheese, Bird Brain, Yost Korvac, Malodor, Cajun Fox, Quackor the Fowl, and Cyclops

2016 Morbucks: I wonder if my main counterpart actually interacted with these 4.

Condiment. King: Who knows?

Professor XXXL: But let's not dwell on that.

Me: Yeah not a good idea.

Artie Ziff: (To Nico) We heard you fought a jerk version of Lincoln.

Nico: We sure did! He was a really nasty thug!

Raven Branwen: Is he dead?

Nico: Yep.

Me: Taken down to the Underworld.

Lincoln: Yep.

?: That's good.

Then a figure came out and it was FLOWAR! A Background monster.

Carter Grayson: Flowar!

Flowar: Been a while rangers.

Me: I remember you! But it was a darn shame that you were a background battle monster.

Flowar: I know! What a sad day that was.

Nico: No kidding.

Flowar: Too bad I didn't get my own episode.

William: You had so much potential.

Me: Man what a ripoff! But yeah.

Nico: That would have been awesome.

Lola: It sure would.

We got the battles underway.

Lexx, Sunset Shimmer, Pipsqueak, Fire Skylanders, Powerpuff Girls, Veon and Hagger VS 2016 Morbucks - Nico's rescue and battling Another Lincoln from another Universe that was a TOTAL ASSHOLE!

---

2016 Princess Morbucks was first.

2016 Morbucks: (to Lexx) Nico's rescue involved battling Another Lincoln from another Universe that was a TOTAL ASSHOLE! You sure he wasn't the one from Universe 666?

Lexx: No this one wasn't from Universe 666. This was one that Eli knew about from his universe before he joined the team. Lincoln accidentally went into another universe and found versions of the Loud House where they were all different personalities. This version of Lincoln was an absolute jerk and he terrorized his family and friends and school.

Sunset Shimmer: No kidding there! J.D. really beat the living crud out of him.

Pipsqueak: (British Accent) Yeah it was really brutal.

Sunburn: No kidding there! What that version of Lincoln did was horrible.

## Leif, Rainbow Dash, Scootaloo, Air Skylanders, Batman, Bombshell and Kickback VS Condiment King - Meeting gene-slammers for Ghostrick Skeleton and Gem-Knight Lady Brilliant Diamond

Condiment King was next.

Condiment King: (to Leif) I heard you guys met gene-slammers for Ghostrick Skeleton and Gem-Knight Lady Brilliant Diamond. What are their names?

Leif: Their names are Morrigan Dabria and Maria Krystal and they are both really awesome and great guardian angels for Lincoln too.

Rainbow Dash: They sure are awesome too.

Scootaloo: And their stories are just as cool too.

Morrigan Dabria: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Maria Krystal: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Morrigan Dabria: That's incredible, and we'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Morrigan, what's the story on why you hate Flip, Scoots, Lewis Travolta, Ophelia Shroud, Pablo, Anderson, Hawk, and Hank with a burning passion, and Maria, what's the story on why you hate Flip with a burning passion?

Morrigan Dabria: You're not going to like it one bit. One time, Lincoln and I were both heading home after school, but then, we heard bellowing yells and smelled the stench of a certain smelly mutant cheapskate, and we saw who it was: it was Flip, but also with him are Scoots, Lewis Travolta, Ophelia Shroud, Pablo, Anderson, Hawk, and Hank, and they were trying to kill Lincoln once again. I got quite pissed off that I summoned the spirits of The Underworld to attack them, and after we tied them up, Lincoln found out that Ophelia Shroud was the one who freed Flip, Scoots, Lewis Travolta, Pablo, Anderson, Hawk, and Hank, after she mysteriously got her intelligence back and she still wanted her revenge on The Loud Family. We told the cops of what happened, along with who was responsible for breaking the other jerks out, and as a result, Flip, Scoots, Lewis Travolta, Pablo, Anderson, Hawk, and Hank were sent back to jail, and as for Ophelia Shroud, Lincoln punched her hard in the face and he electrocuted her, and he had her thrown right back in The Saturn Insane Asylum for life.

We gasped.

Lisa Loud: Now, that day I remember all too well, I can't believe that little monster had the nerve to do something like this.

Me: Even after all that, she still wanted revenge. You know what, if we encounter her on Lincoln's rescue tomorrow, we're going to see to it that she pays for all of her crimes in full.

Nico: And Lincoln will have her turned into a permanently brain-dead monkey after he sucks out every last bit of information and drains her brain.

Maria Krystal: That I'd like to see happen. Okay, now it's my turn, one day, Lincoln and I, along with Lori, were busy with making some new jewelry, but then, the jewelry that we already made was then swiped from the displays, and we saw who it was that did it: it was Flip, he stole our jewelry so he can get money for it. Lori and Lincoln rushed at him and we got all the jewelry back and Lori, Lincoln, and I gave Flip a full-on beatdown for that stunt he pulled, and after we told the cops everything, Flip wound up getting put into a police wagon and he was sent right back to jail, and he got another Life Sentence added to his original Life Sentences.

Nico: Why, that moronic cheapskate!

Me: It's worse than the time he stole all that money and it ended with Alicia beating him down.

Lincoln: Now, that's yet another reason as to why we hate that cheapskate even more, guys. But, as it stands, Flip deserves every last bit of our humiliations, along with Lewis Travolta, Pablo, and Anderson, but not Scoots, she's dead and gone forever, and Hawk and Hank deserve to be turned into gold statues for eternity, and if Ophelia Shroud dares to come back for more, she's going to get every last bit of payback for her crimes against Gotham Royal York and the Loud Family.

Eli: Yeah!

FLASHBACK ENDS

Condiment King: Oh my goodness! That cheapskate just can't take a hint!

Whirlwind: He never will learn.

Batman: No he sure won't.

Condiment King: Yeah no kidding there. Lets do it!

Leif used a Lightning Fruit Lockseed and got a Thunder Sword and he read a verse and fired waves of hot sauce and blasted Condiment King all over and his mouth erupted into flames and he was running around like a chicken with its head cut off and they fired waves of energy, wind, rainbows and lightning and smashed him down.

Flashwing: No one wants to smell Roger's farts like that.

Superman: Yeah that would not be good.

Cavalier: No kidding there. Shall we get started?

Luke Loud: We shall. I forget who goes next to slap.

Rip: Nora has one amazing appetite for Pancakes.

Fluttershy: What in the hills of Equestria were they even thinking?

Mammoth was next.

Mammoth: (to Boy Lynn) How can a family want revenge on someone over something so petty as a dinner ruined!? Though the food they made back then probably was tasty.

Lynn Jr.: It was tasty. But to them it was actually a bunch of things. The Powerpuff Girls were blamed by the Smiths for all their misfortunes. Harold was driven insane by the girls deeds and all that and he also hated his job, I think Marianne was a stay at home mom and she made good food until it was ruined by the Powerpuff Girls, Julie liked playing jacks with the Powerpuff Girls and she blamed them for losing them and Bud well he was a really kid. He hates EVERYTHING! And he was nothing more than to see the entire planet burn!

Mammoth: GEEZ! Why didn't Harold just quit and find a better job?

Lynn Jr.: Guess he never thought about it.

Princess Celestia: And Julie could have gotten some new jacks.

King Solar: And Bud needed lots of Therapy. But I think he might be experiencing a lot of self-loathing and is taking them out on the world with shear hate.

Solar Eclipsa: Also Marianne does make good food. But she can always make more food and learn to not let the same mistake happen again.

Amber Morning: Yeah that family was really dysfunctional.

Spotlight: Maybe there's a chance we can help them.

Robin: I'm no psychologist but maybe J.D. can help them out.

Starfire: It's possible.

Raven: We can at least give it a try.

We regrouped.

Me: Before we fight I want to say something to them. I should have realized this before.

Nico: Okay.

I went over to the Smith Family.

Harold Smith: So you want to fight us?

Me: No I want to tell you all why you are taking your frustrations out on the Powerpuff Girls. Harold the reason you hate the Powerpuff Girls and the Professor is because you hate your job and you want to do something more productive with your life instead of filling up mustard jars every day for pennies on the dollar.

Harold Smith: You're right. I could barely raise enough money for the family and I snapped. I was driven mad by the success of Professor Utonium and the Powerpuff Girls.

Me: You could have just quit and gotten a better job. Plenty out there. Marianne you work hard as a stay at home mom and take care of everything around the house and do all the things to support your family and you do your best to keep the family in check, but just one dinner was ruined and you blamed the Powerpuff Girls for it. But it was actually not the Powerpuff Girls fault. I'm sorry that happened to you but you can always make another dinner and make it better than before.

Marianne: You're right on that.

Me: Bud, I think the reason you hate everything is because you hate yourself and you're taking it out on everyone including those that are closest to you. You hate everything because you have self-loathing issues.

Bud Smith teared up and was crying.

Me: And Julie you didn't lose your Jacks and the Powerpuff Girls didn't lose them either.

I pulled out her jacks from my pocket.

Julie Smith: My jacks!

Me: I found them behind your sofa in your house when we were there the first time.

Julie Smith: Oh boy.

Me: The reason you guys hate the Powerpuff Girls is because they do things that they don't do to you. They are good people and without them you would be gone just like everyone has us and the universe would be gone too. So please when we're done here, we'll reduce your punishment back down to community service and then if you are up to it we'll have you join our frenemies in the M.O.E.

Mammoth: The pay is much better than Harold's job.

Nico: He's right.

Harold Smith: Well what do you think?

They nodded in agreement.

Harold Smith: We'll do it!

Me: Awesome. Now lets dance.

I jumped back.

Orion: After hearing that talk, I feel bad about doing this.

Tsukasa: But it has to be done.

The Megaforce Rangers turned into the SPD Rangers!

Nico: And for this.

We pulled out our Zenkai Cannons.

All of us: (TURNS DIALS) BURNING SUPER SENTAI POWER!

We summoned all the Sentai, Rangers and Riders!

Nico: YEAH!

Me: Sorry guys. But this is to stop the darkness inside you.

We went at them.

We punched and smashed and pulverized them.

Me: I knew there's no mistaking that voice from anywhere, you can come out now, Deacon Blackfire.

A figure came out, and it was none other than our old enemy, Deacon Blackfire.

Nico: Deacon Blackfire, I should've known you'd show up again.

Deacon Blackfire: I will make every last one of you heathen pay for what you did, I shall strike you all down in the name of The Order of St. Dumas!

Danielle Azvameth: The only one who deserves to be struck down and destroyed forever is you, you insane fanatic!

Suddenly, Danielle Azvameth's red eyes turned neon red, and she was surrounded by a black and red energy aura with portals, dimensions, and dragons, she unholstered her massive Giratina-themed greatsword from her back, and as she approached Deacon Blackfire, she left black and red energy, portals, dimensions, and dragons with every step.

Danielle Azvameth: They were right to have destroyed you long ago, Deacon Blackfire, because of the fact that you are an evil and insane religious fanatic, and so many people have been murdered due to you and your insane cult, well that ends here, today, The Order of St. Dumas shall be destroyed here and now!

Suddenly, Danielle Azvameth was surrounded by a massive vortex of black and red energy with portals and dimensions surrounding it, there's an army of dragons and Giratina, The Legendary Dimensional Pokemon, and in the vortex is a red phoenix. Then, as the vortex faded, Danielle Azvameth emerged, but she was changed forever.

Danielle Azvameth grew from 6'5" to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing midnight black hair, she has neon red eyes and a black and red energy aura with portals, dimensions, and dragons surrounding her, she has Giratina emblazoned on her forehead and Third Eye with red iris, she has on dragon earrings with red gems for eyes and holding the Dimension, Death, and Eternity Kanjis in its legs, she also has Giratina with red gems for eyes and holding the Dimension, Death, and Eternity Kanjis in its legs on the bottom of her red dragon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with black crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Danielle Azvameth has on a short-sleeved midnight black open blouse, sleeveless midnight black midriff top, midnight black skirt, black pants, midnight black heeled sneakers, and long white sleeveless trenchcoat with portals, dimensions, and dragons on the coattails, and on the back is Giratina and he's surrounded by portals and dimensions. Suddenly, Danielle Azvameth felt a sharp pain on her back, and then, her massive midnight black angel wings with grey tips on the large black feathers grew much bigger for her new body, she now has eleven massive and long black wolf tails, she has on a Ring of The Phoenix with black gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Danielle Azvameth's massive Giratina-themed greatsword and all the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black and red energy, portals, dimensions, and dragons and when it emerged, it was transformed into Giratina's Dimensional Death God Greatsword of Dimensional Justice, it's a brand-new massive greatsword with embedded red gems and The Legendary Dimension Pokemon, Palkia, etched on the 7'0" massive, wide, double-edged black blade, large black dragon heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large black dragon heads and a large red gem below the dragon heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with red gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Giratina's head with red gems for eyes and a large black gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a black kanji below Giratina that said, "Danielle Azvameth, Gene-Slammer of Giratina, The Legendary Dimension Pokemon, The Deathly Dimensional Warrior of Giratina, Member of The Legendary Pokemon Gene-Slammers, Learner of Dimensions, Powerful Master of Portals and Dimensions, Loving Future Wife and Guardian Angel of Lincoln Loud, Friend of Selene Emperyous and The Emperyous Sisters, Friend of Elizabeth Guillaume, Gabrielle Chevalier, and Michaela Amaryllis, Smasher of Dark Lola, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Dimensions, Portals, and Dragons"

Danielle Azvameth has transformed into SUPER ANGEL-DRAGON-GIRATINA-HARMONY CELESTIAL ETERNAL XELNAGA DIMENSIONAL PORTAL DEATH POKEMON DRAGON ANGEL OF DIVINE DIMENSION DEATH POKEMON JUSTICE AND DIVINE DIMENSION DEATH POKEMON LOVE!

We were amazed by Danielle Azvameth's Super Angel Celestial

Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Deacon Blackfire saw it, he went insane with rage and rushed at her to kill her, but Danielle Azvameth fired a powerful black and red energy blast with portals, dimensions, and dragons at Deacon Blackfire, and it sent the insane lunatic flying back, he got back up, but he was now really insane and full of rage now.

Nico: Whoa, and now, the last of the Legendary Pokemon Gene-Slammers, Danielle Azvameth, has transformed, so awesome!

Lincoln: Yep, and now, death is about to come for Deacon Blackfire, and Danielle, you look beautiful, how do you feel?

Danielle Azvameth: (Divine Echoing Cosmic Voice of The Dimensional Portal Dragon Pokemon and Divine Dimensional Portal Dragon Love) I feel incredible, Linky. Now, shall we put this insane religious fanatic down for good?

Lincoln: (Smiles) With pleasure, Danielle.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Danielle Azvameth.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You and your cult deserve no forgiveness, Deacon Blackfire, for the lives lost because of your religious fanaticism, you deserve nothing but eternal damnation.

Danielle Azvameth and Lincoln went after Deacon Blackfire, and they fired extremely powerful blasts of rainbow energy, black and red energy, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Deacon Blackfire and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him, along with scratches from Lincoln's claws, and they were angering him even more.

Then, Danielle Azvameth used Giratina's move, Shadow Ball, and she fired dark energy balls right at Deacon Blackfire, and they exploded with incredible power as they hit him.

Nico: Nice shot!

Me: They got him now!

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Danielle Azvameth, her hand-cannon Blaster is known as Giratina's Dimensional Death Pokemon Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's black with grey and red accents on the blaster with a Phoenix, Angel, and the Legendary Dimension Pokemon, Giratina, surrounded by portals and dimensions etched on the sides, and a red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Daniella Azvameth fired blasts of rainbow energy, pink energy, and elemental forces at Deacon Blackfire and as they hit him, they exploded with incredible power, and he was knocked down.

Then, Lincoln and Danielle Azvameth summoned portals which fired out black energy swords and they pinned Deacon Blackfire to a waffle wall and he looked like he was crucified, and when the last black energy sword hit his black heart, it caused the Judgement Kanji to appear on Deacon Blackfire's forehead and he exploded in black flame as he was erased by The Black Gates. We cheered wildly as Lincoln and Danielle Azvameth holstered their massive greatswords on their backs and powered down, and Danielle Azvameth's new body, clothes, weapons, jewelry, Third Eye, eleven massive black wolf tails, and massive black angel wings are permanent.

Danielle Azvameth: You deserve to be eternally damned for your crimes, Deacon Blackfire. Thanks for helping me destroy that evil and insane religious fanatic, Linky.

Lincoln: You're welcome, Danielle.

Suddenly, Danielle Azvameth wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Danielle Azvameth's face, they kissed passionately as Danielle Azvameth's left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Giratina flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces behind them and we cheered wildly. Lincoln and Danielle Azvameth came back to us as the display and Giratina vanished.

Nico: Alright, now we're finally rid of The Order of St. Dumas and this time for good.

Me: You said it, that insane religious fanatic got what he deserved for his crimes.

Lincoln: We've dealt with many evil cults before, and what Deacon Blackfire and The Order of St. Dumas has done can never be forgiven.

Eli: What a bunch of monsters, and we know who were meeting tomorrow, right, Lincoln?

Lincoln: Oh yeah, Lydia Anahita, Gene-Slammer of Ghostrick Siren for Day 18 of The Dark World Treasure Hunt.

Nicholette Torrington: And all that's left is for Giselle Harrington and I to get our Dark World-themed greatswords.

Michelle Torrington: You said it, sis.

Harold Smith: Can I get a secondary job other than being with you guys?

Cavalier: Maybe Stan can get you one into the CIA.

Stan Smith: I'll have to ask Bullock. But that's a good idea.

Anti Wanda: Great!

Stinky Butt: And Nora had so many pancakes.

Nora Valkyrie: They were sure awesome.

Mammoth: (to Mary Anne) I want to try the food you make.

Eris: Don't hog it to yourself!

Nico: Now now guys. Now now. Lets go to the winner circle first.

We went to the winners circle and Nora Valkyrie, me, Lincoln, Lana, Fluttershy, Nico and Zuria were given trophies and they looked like diamond stack of pancakes and it had a crystal ball of the planet on it and it was beautiful.

Nico: Awesome! But great job today everyone!

Nora Valkyrie: (To the viewers) HOpe you all liked this one because of it's pancakey goodness.

Nico: Yep. Lets head home.

We went back home and enjoyed the rest of the day and went to sleep. Nico still had fart problems from those beans.

But we also got word that our old friend Jabba the Hutt has come back and now he we have a chance to bring him to justice for everything he did now that Tatooine was added to the members of the Jedi Republic.

Zuria: Wow! So this is Anakin's home planet Tatooine.

Qin: Yep. It's a desert planet and this is also where Anakin used to live too. The City of Mos Espa.

Zuria: It sure is hot and amazing here. And the view of the planets 2 suns is amazing.

Qin: It sure is.

Twilight Sparkle: We all were amazed when we came here too.

Me: Yep. And also last year this is where we found Live Action Sentinel Prime and we found out about everything that happened in the Live Action Transformers Universe.

Nico: I remember that! Wow that was so cool though.

Lola: It sure was. And it was awesome how we found Live Action Sentinel Prime here.

Camie: That was crazy hearing about that though.

Nico: It sure was.

Lola: Yeah.

Nico: Will, I want to thank you, Dr. Viktor, and your teams for coming today.

Will: It's not problem Nico. I'm glad we can all come with you guys on this.

Numbuh 1: And it's an honor to be part of the team too.

Qin: It sure is awesome having you and all your sector as a hole in it Nigel.

Numbuh 2: It sure is awesome.

Snowdrop: Even though I don't see what's going on I think it's awesome being part of a team too.

Eli: It sure is.

Nico: Snowdrop, what do you like to do in your free time?

Snowdrop: I havent really given it much thought. I was frozen in a block of ice for over 1,000 years because of Luna turning into Nightmare Moon and she froze me for protection.

Me: I remember that. Man I'll never forget that. After the battle with Barodius, I had a dream that told me everything that happened and me and Laney went to the Frozen North and found her eons later and thawed her out and reunited her with Luna.

Nico: That's right I forgot about that.

Qin: Snowdrop missed out on so much after all these centuries.

Xenia: Yeah no kidding. But at least we helped her.

Me: Yep.

Snowdrop: And I will always be forever grateful for that.

Camie: That was amazing that you were having these amazing dreams that told you all about events that happened in the past that happened and it's leading you to lost family and friends.

Nico: Those dreams that J.D. has been having have really been tremendously helpful in bringing families of Equestria back together.

Eli: They sure were.

Maria: I'm sure you'll find a job.

Snowdrop: Well I do have one. I help Luna over at her orphanage. I didn't know about that Orphanage until Luna showed it to me 2 weeks ago and it's a good job.

Me: That was because of a charity event I did 2 years ago. I put on a play for Charles Dickens A Christmas Carol for a charity fundraiser to help Princess Luna build an orphanage for those affected by all kinds of things like war and all that.

Nico: That's right I remember that! That was awesome and a really awesome play.

Twilight Sparkle: It sure was and Lincoln did a great job as Scrooge in that one.

Qin: Yep. That was fun.

Nico: I hope we have another play like that next week.

Lola: That will be fun!

Me: We'll see. I hope I can plan one for that time.

Qin: Yeah we got lots of time before Christmas Eve.

Xenia: Yep.

Namine: That was so fun though. But yesterday's mission was awesome.

Nico: Nora ate lots of pancakes yesterday!

Me: Boy she sure did!

Qin: You know how much she loves Pancakes.

Dr. Viktor: That was the most pancakes I've ever seen her eat.

Lola: She has the appetite and love of pancakes like a true Lumberjack does.

Qin: Just like our good friends up in Canada. They LOVE Pancakes. Can't get enough of them.

Eli: Boy they sure do.

Nico: Yeah!

Me: That was so awesome.

Nico: And we got the Smiths from Townsville to change their ways.

Me: We sure did but you have Boy Lynn to thank for that.

Camie: How come?

Me: He actually came up with the psychological hypothesis for all that. He deserves some of the credit for that one. It was thanks to what I was hearing in that battle that he helped me figure out what to say to them to help the Smiths change.

Xenia: That's true! Boy Lynn came through for that one.

Nico: But that was still very smart there to do all that and you and Boy Lynn both deserve some of the credit J.D.

Me: Actually Nico I have a confession to make. I was getting tired of hating the Smiths and hating them over something so stupid like a ruined dinner was getting pointless.

Nico: You're right on that.

Eli: Yeah.

May: Top bad they didn't have counterparts for Roger and Klaus.

Me: That would be cool! Also I heard that Roger has donned SO MANY personas that it defies all logic.

Lincoln: Cousin Han told me that Hailey Smith told him that Roger has 4,519 Persona.

We gasped in shock!

Me: HOLY SHIT!

Nico: Over 4,500 personas!? That's amazing!

Laney: He is a true master of disguise!

Xenia: Yeah!

Varie: That is incredible!

Camie: Yeah! I don't think we can go over that many of them!

We were walking through Mos Espa.

Nico: Good old Tatooine.

Me: Boy it's just as amazing as ever.

Qin: Yeah. Last time we were here there wasn't nearly this many people here from so many planets.

Xenia: Yeah. It's now more prosperous.

We saw that she was right. Mos Espa and even Luke Skywalker's home city of Mos Eisley are now bustling cities for some reason.

Nico: Wow it's like this whole city had a massive growth wave.

Camie: No kidding.

Nico: But somewhere here, someone's causing trouble.

Eli: I sense it.

But then I felt something nuzzle against my leg.

Me: Huh?

I saw that it was a Vulptex from the planet Crait.

Me: Whoa a Vulptex.

Eli: Aww.

Nico: What's a Vulptex from the planet Crait doing here?

I pet it.

Me: No idea but I have a very strong feeling I know this Vulptex.

Fluttershy: Oh that is such a beautiful and adorable creature.

Lola: It sure is.

Namine: (with a duck mask on) Quack quack.

Me: Uch! Not the duck mask again.

Qin: Namine you are not UGLY.

Lola: Yeah Namine you are beautiful.

Namine: There's a Golduck Gene Slammer appearing today. I wanted to have the mask for the occasion. Quack quack.

Me: Oh that explains it.

Camie: Where did she even get a mask like that anyway?

Me: One of the Mysticons enemies that we were facing on Gemina, Mathis, called Namine ugly and she broke down crying and read the story the Ugly Duckling. She thought she was ugly. If I ever see that monster I'm going to strangle him and give him the Black Gates.

Zarya: Save seconds for me.

Qin: Yeah what he said was cruel and horrible.

Camie: What a jerk.

Namine: Dahlia's in my room sleeping.

Me: Cool cool. Also soon we'll have her moved to a duck pond in our park.

Namine: I know.

Lola: Awesome.

Albedo's Omnitrix: Corrupted Evolved Panuncian DNA Detected.

Qin: Uh oh.

Nico: I don't think that's all we have to worry about!

THUNDERCLAP! THUNDERCLAP! THUNDERCLAP!

We saw streaks of red lightning strike across the sky!

Qin: Wow! Red Lightning!

Camie: Amazing!

Nico: Yeah!

Lola: Yeah!

Nico: Not exactly what I was talking about.

Me: But it's a telltale sign.

Nico: Yep.

Eli: Over there!

We saw a figure on a building and it was a black version of an Evolved Panuncian! It was ANOTHER ULTIMATE PANUNCIAN!

Qin: WHOA!

Lola: Another Ultimate Panuncian!

Albedo turned into Negative Ultimate Panuncian.

Negative Ultimate Panuncian: Not who I was expecting!

Me: Jabba must be biding his time.

Qin: Maybe.

Albedo turned into Negative Ultimate Panuncian.

Negative Ultimate Panuncian: Not who I was expecting!

Me: Jabba must be biding his time.

Qin: Maybe.

Me: But who are you?

Another Ultimate Panuncian: (In a girls voice) (Australian Accent) But J.D. knows who I am mates.

Me: (GASP) Amelia Chang!? Wow!

Another Ultimate Panuncian: Crikey! You have grown into a great man J.D.

Me: Thanks.

Nico: You know her?

Me: Yep. Her name is Amelia Chang and she is an idol who wants to be the Greatest Alligator Wrestling Champ ever. She worships Syd Chang's mother Becca.

Nico: Cool!

Another Ultimate Panuncian: That's right mates and I was wrestling Crocodiles to give me really good practice.

Lana: Awesome!

Nico: (gets out Po Kong's Ridewatch) Time to squash you!

Nico activated it and his belly and size grew to Po Kong's massive size and girth and he jumped and then…

KRABLAAAAAAAAAAAAAAAAMMMM!

He squished Another Ultimate Panuncian and squished her and then rolled back and she glowed and was back to normal and I caught the ridewatch and purified it. Amelia was a girl with brown hair in a braid and she had Australian Safari Clothes on.

I went over and picked her up.

Amelia Chang: Crikey! I feel like I was run over by a stampede of wild emus.

Me: But you're back to normal Amelia.

I brought her over.

Nico: Now, where's the fatass?

Me: He should be here now.

Then a figure came out and it was JABBA THE HUTT!

---

Jabba Desilijic Tiure, mostly known across popular media as Jabba the Hutt, is a major character in the Star Wars franchise. He is a fat, slug-like alien gangster, one of the most successful crime lords in the entire galaxy, and a member of the Hutt Clan and the Grand Hutt Council.

He is extremely prosperous and wealthy, as well as a major figure on Tatooine, where he controlled the bulk of the trafficking in illegal and iniquitous goods, piracy, and slavery that generated most of the planet's wealth. He was also highly authoritative and influential in the entire Outer Rim. He was initially an ally of Han Solo, but following a botched smuggling mission, Han fell out of Jabba's favor and the Hutt placed a high bounty on his head.

In the original trilogy, he was portrayed by the late Declan Mulholland and voiced by the late Larry Ward. In Star Wars: The Phantom Menace, he was voiced by Scott Schuman. In the Clone Wars film and series, he was voiced by Kevin Michael Richardson, who also played Sarevok Anchev, Captain Gantu, Lester Krinklesac, the Joker, Trigon, the Shredder, Crunch Bandicoot, Temutai, Gorilla Grodd, Captain Cold, Chairman Drek, the Shadow King and Vladimir.

He serves as a major antagonist in the original trilogy, appearing as a minor antagonist in A New Hope, a mentioned antagonist in The Empire Strikes Back and the opening antagonist of Return of the Jedi. He also appears as a cameo character in The Phantom Menace, a major character in Star Wars: The Clone Wars, a recurring character in the latter's 2008-2020 animated TV show of the same name and a posthumous antagonist in The Book of Boba Fett.

In 32 BBY (before the Battle of Yavin), Jabba hosts the Podrace at the Boonta Eve Classic between Anakin Skywalker and Sebulba on Tatooine.

During the time of the Clone Wars, Jabba's son was kidnapped by his uncle by the name of Ziro the Hutt and Count Dooku to convince Jabba to join the Confederacy of Independent Systems. Luckily, Anakin Skywalker, a former resident of Jabba's planet, saved him.

Jabba had to help the Jedi during the time of the Clone Wars. He also helped Darth Maul and Savage Opress to form the Shadow Collective.

In 1997-onwards releases of the original film, Jabba meets Han at the Millennium Falcon, to demand the money the captain owed him, and to ask why he killed Jabba's henchman named Greedo in an earlier scene. Han then tells the Hutt that he has a charter and will pay him back with a little extra. Jabba agreed, but he made it clear that if Han failed again, he would put such a high price on Han's head, that he wouldn't be able to go anywhere without an army of bounty hunters waiting to collect it. During their conversation, Han accidentally steps on Jabba's tail. The last time Jabba is seen in this version is when he tells Boba Fett and others to get moving and they leave.

Jabba does not appear in the sequel, but his motivations are pivotal to the plot. He has increased the bounty on Han's head, leading Han to attempt to leave the Rebellion at the beginning of the film to repay his debt.

Boba Fett is hired by both Jabba and Darth Vader to capture Han (Vader also wants Leia, Chewie, and Threepio). When Vader kidnaps Han, he sadistically has him tortured for no reason and then frozen in carbonite as a test, planning to do the same to Luke. He turns the frozen Han over to Boba, who departs Bespin to deliver Han to Jabba.

Several months later, Jabba the Hutt had been holding a frozen Han Solo on his wall. He was in the first act of the film, where Princess Leia Organa, Chewbacca, and Luke Skywalker attempt to rescue their friend.

The captured Han is delivered to Jabba by Boba and placed on display in the crime lord's throne room. Lando Calrissian, C-3PO, R2-D2, Leia, and Chewbacca infiltrate Jabba's palace to save Han. Leia herself is soon enslaved by the Hutt, and she is forced to wear her iconic golden bikini along with being chained to Jabba. Soon afterward, Luke arrives to "bargain for Solo's life"; but Jabba condemns Luke, Han, and Chewbacca to the sarlacc. At the Great Pit of Carkoon, Luke escapes execution with the help of R2-D2 and defeats Jabba's thugs. During the subsequent confusion, Boba is (seemingly) accidentally killed by Han, while Leia shuts off all the lights in the sail barge and strangles Jabba to death with the very chain he forced her into; with that, Luke, Leia, Han, Lando, Chewbacca, C-3PO, and R2-D2 manage to escape, blowing up the sail barge and killing Jabba's remaining men as they flee the scene.

---

Me: Jabba the Hutt, long time no fat punch.

Jabba the Hutt: (In Hutt) So the famous Team Loud Phoenix Storm will come to battle me and die for killing me.

Me: You brought all that on yourself fatass.

Camie: What is he saying?

Eli: He is speaking in Hutt.

We activated our translators.

Jabba: This time I will make sure young Skywalker and you all pay for ruining me like you did before.

Me: We'll see about that.

Jabba tried running at us but could only crawl slowly.

Dr. Viktor: Seriously?

Me: He won't get far. And he won't escape us that easily.

Nico: No he won't. (ACTIVATES MORTAL KOMBAT SCORPION'S RIDEWATCH) GET OVER HERE!

He fired a lasso and snagged Jabba and pulled him over and we grabbed him and smashed him into the ground.

Eli: Jabba the Hutt, in the name of the Galactic Senate of the Republic, (IGNITES LIGHTSABER) You are under arrest.

Jabba: You won't take me in so easily. The Jedi have no authority.

Me: Wrong. Tatooine was now added to the membership of the Republic ever since Anakin became a Jedi. Now Tatooine falls under their jurisdiction.

Qin: Being dead all this time must've taken a toll on your brain.

Eli then teleported Jabba the Hutt to the Null Void where he will stay forever for his crimes.

Me: Have a nice stay in the Null Void.

Nico: Boy I can't remember the last time we sent someone to the Null Void.

Xenia: Me neither.

Nico: Who's next?

But then my Kyutama for Serpens the Serpent and Lacerta the Lizard in the Northern Hemisphere glowed.

Me: Lacerta the Lizard and Serpens the Serpent next.

Maria: Who's up next?

Eli: I think THEY are!

We saw 2 figures and they were for ANOTHER SERPENS UNDEAD ZODIART who looked like a mixture of Cobra Incarnate, Naja and Cobra Man and ANOTHER LACERTA UNDEAD ZODIARTS who looked like a mixture of Lizard Nezilar, Laser Lizard and Snizzard!

Nico: Whoa!

Me: Lacerta and Serpens next!

Camie: Cool!

Another Lacerta: (In a girls voice) Been a long time J.D.

Another Serpens: (In a girls voice) Same here.

Me: (Gasp) Those voices!

They changed back and they were both sailor soldiers! The one for Serpens was a Sailor Soldier that had blond hair and orange and purple Sailor clothes and the Lacerta was a Sailor Soldier with aqua blue and green hair and had aqua blue and green clothes.

Me: (GASP) Tanya Tatooinia and Connie Crait A.K.A. Sailors Tatooine and Crait!

Nico: Cool!

Eli: Wow!

May: Hostile or friendly?

Sailor Tatooine: Friendly.

Me: Good. Sorry we have to fight girls. Who wants to volunteer for these?

Zuria: Me and Sirius next.

Nico: Go get them.

Sailor Crait: All right then.

They changed into their Another Undead Zodiart forms and Zuria and Sirius fired waves of energy and blasted them down and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

They were both down and I caught their Rouse Cards and Zodiarts Switches and purified them.

The cards had pictures of a lizard and snake on them as well as the stars and symbols of Lacerta and Serpens.

Me: Cool.

The switches glowed and turned into armbands for those of Serpens and Lacerta.

Me: Cool.

I went and got the 2 sailors and brought them over and Vivni was happy that Sailor Crait was back to normal.

Nico: Not everyday we get two.

Me: No kidding. Only one left to go.

THUNDERCLAP! THUNDERCLAP! THUNDERCLAP THUNDERCLAP! THUNDERCLAP!

Red Lightning struck all over and then out of a blast of red lightning came a dark version of Dr. Viktor! It was ANOTHER DR. VIKTOR!

Qin: WHOA! Another Dr. Viktor

Xenia: This one is electrifying!

Another Dr. Viktor: (In a girls voice) But that was an entrance!

Me: (GASP) Selene Viktor! I knew it was going to be you next.

Another Dr. Viktor: Yep that was awesome though. But it's good to see you again J.D.

Me: Same here.

Nico: You know her J.D.?

Me: I sure do. Selene is lightning scientist that has immense lightning powers and she has incredible smarts about lightning, portals and even knows how to put stuff together.

Nico: So she's a mechanic and a scientist.

Me: Yep.

Kaito: (gets out Turboranger gear) Did Swartz promise you anything?

Zocks: (gets out Fiveman gear) Because we can grant it instead.

Another Dr. Viktor: Just to be a great scientist.

Me: Well we can easily help with that one. Besides you already have all the great qualities to be one.

Another Dr. Viktor: I know. Swartz lied to me.

Me: He lied to everyone. Sorry we have to fight like this.

Kaito got a Turbo Sword and Zocks got a Five Sword.

Me: Taste this.

I fired waves of lightning and blasted her down.

Sougo: (gets out Time Force Ridewatch) Your time using those powers is up!

Geiz: (gets out Geiz Majesty Ridewatch) And we mean that!

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo got TimeForceRedArmor while Geiz became Geiz Majesty.

They were ready!

Lola: Big time!

She fired waves of fire and smashed her all over.

Lola: Take that!

Nico: (gets out Dr. Viktor's Ridewatch) Let's start things off!

He activated it and fired waves of Purple Lightning and the blasts hit her and electrocuted her all over.

Me: Electrifying!

Nico: Yep. Time for some Frankenstein Power. (ACTIVATES FRANKENSTEIN'S RIDEWATCH)

He grunted and threw boulders and smashed her down.

Nico: Okay that was strange.

May: (gets out Cyborg Miley Cyrus' Ridewatch) I always loved Miley Cyrus.

Nico: She is always awesome.

May activated it and formed into a huge wrecking ball and smashed down Another Dr. Viktor while Wrecking Ball played!

Qin: ROCK ON!

May: I've always wanted to try this out. (ACTIVATES UNIVERSE 666 CYBERTRON MEGATRON'S RIDEWATCH) CYBER KEY POWER!

She got his blaster and fired waves of energy blasts and they hit Another Dr. Viktor all over.

Maria: (gets out Skowl the Startling's Ridewatch) My turn!

Maria activated it and fired blade feathers and slashed Another Dr. Viktor all over.

Maria: And now for this one. (ACTIVATES SWITCHBEAST'S RIDEWATCH)

She fired waves of energy and smashed her down!

Qin: Take that!

Then Shendu and his team came out and it had Evil Butane Man, Chilli Billi, Blarrg, Pixie Empress And Lava Bubble.

Nico: Nice team, Shendu!

Shendu: Thanks Nico.

Me: Awesome.

Snowdrop: Don't leave me hanging. (ACTIVATES FRANKENSTEIN'S RIDEWATCH)

She fired waves of energy and smashed her down.

Qin: Take that!

Maria: I hope the next gene-slammer is close.

May: I hope so too.

?: Someone call!

A Figure came out and it was a Golduck!

Me: Whoa a Golduck!

Namine: All right!

Golduck: (In a girls voice) (British Accent) Looks like the fun has begun.

Nico: Lyra Avalon!? Wow!

Golduck: Indeed. I got this.

She fired a Hyper Beam Blast and smashed down Another Dr. Viktor and I caught the Ridewatch and purified it and it was for Will.

I went over to Selene and she was a girl with purple clothes and purple hair.

I picked her up.

Selene Viktor: (GROANS) What a headache.

Me: But you're back to normal.

I brought her over.

Namine: (to Golduck) Quack quack!

Golduck: Why is she quacking?

Me: Don't ask. (SNAPS FINGERS)

Namine stopped quacking.

Snowdrop: That was crazy. What's your favorite memory of Nico?

Golduck: I have a lot of them but my favorite is where me and Nico did a history report on my ancestor Sir Bowen and the Old Code. And we passed with a great score.

Qin: I remember that.

Me: That is cool. Lets get you back to normal.

Golduck: Okay but I'm naked.

Me: Oh boy.

Nicole: Look at her and I will kill you!

I put on my glasses and everyone covered their eyes and I snapped my fingers and Lyra was reverting back.

Lyra held her beak as it reverted back into a mouth.

She was later back to normal and the fashion brigade gave her awesome clothes. She had blue clothes and had blue green hair.

Lyra Avalon: Whoa! Wow this outfit looks great.

Rarity: It sure does darling.

Nico and Lyra then hugged.

Nico: I've really missed you.

Lyra Avalon: Me too Nico. Me too.

And we're also going to take down Ophelia Shroud, who'd broken out of her cell thanks to a Dark Orb that found itself in her cell, and she still wants revenge on us and the Loud Family for ruining her plans to get Lynn Sr.'s recipe book and the secret of Lisa's inventions so she can take over the world. This time, there's not going to be any mercy towards that evil little monster, and she's going to pay for her desires of chaos and world domination and she's going to be turned into a drooling monkey after we get through with her.

Lincoln: Whoa, we're back in Dark World for Day 18 of The Dark World Treasure Hunt, and I know what we're going to do here, not only am I going to rescue the three girls here, but Giselle Harrington is going to get a powerful treasure there: a powerful greatsword known as The Demonic Darkness Unlight Greatsword of Snoww, Unlight of Dark World.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) That's right, and since she was Gene-Slammed into Snoww, Unlight of Dark World, it's perfect for her, and we're also going to take down Ophelia Shroud, who'd broken out of her cell thanks to a Dark Orb that found itself in her cell, and she still wants revenge on us and the Loud Family for ruining her plans to get Lynn Sr.'s recipe book and the secret of Lisa's inventions so she can take over the world.

Nico: I should've known, well, this time, there's not going to be any mercy towards that evil little monster, and she's going to pay for her desires of chaos and world domination and she's going to be turned into a drooling monkey after we get through with her.

Me: Yeah, after everything that little monster has done, that's a punishment fitting for her.

Lisa Loud: She's caused all of us nothing but grief and chaos for her twisted desire to take over the world, she's nothing but a sorry excuse for a human being!

Lynn Sr.: And this time, we'll make sure she never escapes from prison ever again.

Lincoln: And I've got a way to deal with her once and for all, and I want to thank you and your team for joining us, Bloom.

Bloom: You're welcome, Lincoln.

Simba: We'll make sure that Ophelia Shroud never sees the light of day again, she deserves to be imprisoned for the rest of her life.

Timon: That she-mook deserves to pay for every last one of her crimes in full!

Suddenly, Lincoln saw the timer on his right large gold cuff Bracelet of The Champion of the Universe, and we saw that the Spider Nazca Line and Earthbound Immortal Uru were now glowing.

Lincoln: And another day down means that Audrey's life is already growing shorter. Now, let's head to Snoww, Unlight of Dark World's shrine.

We continued on and arrived at Snoww, Unlight of Dark World's shrine, and then, the rainbow iris of Lincoln's Third Eye glowed, and the doors opened and we entered, and we saw a massive demonic looking greatsword floating in the center and with dark light shining down on it: The Demonic Darkness Unlight Greatsword of Snoww, Unlight of Dark World, a powerful demonic massive greatsword with snow white gems embedded in the 7'0" massive, wide, double-edged midnight black blade, large midnight black demon heads for the crossguard, large snow white gem embedded in the rainguard, longer midnight black handle, four large demon heads and a large snow white gem on the bottom of the demon heads for the pommel.

Rarity: My word, is that…?

Lincoln: The Demonic Darkness Unlight Greatsword of Snoww, Unlight of Dark World, that sure is one scary looking demonic greatsword.

Giselle Harrington: You said it, and it's perfect for me.

Suddenly, we saw Ghostrick Siren and Dinowrestler Chimera T Wrextle appear before us, and with them are the three girls.

Nico: Whoa, that's Ghostrick Siren and Dinowrestler Chimera T Wrextle!

Ghostrick Siren: (Girl's voice) (Greek Accent) That's right.

Dinowrestler Chimera T Wrextle: (Girl's voice) And we got them away from that psychopathic little monster, Ophelia Shroud.

Lincoln: (Gasps) Those voices, Lydia Anahita and Emily Boa Hancock, it's so awesome to see you both again, but we'll talk later, we still got Ophelia Shroud to deal with.

?: You stupid Louds will pay for ruining my plans to get Lynn Sr.'s recipe book and the secrets of Lisa's inventions, so I can finally take over the world!

Lisa Loud: I should've known there's no mistaking that voice from anywhere, you just don't know when to quit, do you, Ophelia Shroud?

We then saw our target, Ophelia Shroud, and she was incredibly pissed off, and we also saw that she has a Dark Orb in her hand.

Nico: And she also has a Dark Orb in her hands, figures.

Ophelia Shroud: You simple-minded fools have ruined everything, I've lost my restaurant, my lab, and everything! I have nothing left, and now,… NOW, I WILL KILL EVERY LAST ONE OF YOU AND I WILL HAVE MY REVENGE!

Giselle Harrington: No, your days of trying to get revenge on The Loud Family are over, and the same goes with your plans to try and take over the world!

Giselle Harrington went up and grabbed The Demonic Darkness Unlight Greatsword of Snoww, Unlight of Dark World. Suddenly, Giselle Harrington's purple eyes turned neon purple, and she was surrounded by a black and purple energy aura with darkness, demons, and dark magic, she unholsters her Snoww, Unlight of Dark World's Demon Mage's Staff of Dark Unlight Justice, and as she approached Ophelia Shroud, she left black and purple energy, darkness, demons, and dark magic with every step.

Giselle Harrington: Even after all this time, you still haven't changed at all, you're still the same evil little monster who's tried to steal Lynn

Sr.'s recipe book and the secrets of Lisa's inventions for your selfish schemes of world domination, well, that ends here and now. Ophelia Shroud, as the Gene-Slammer and champion of Snoww, Unlight of Dark World, for your crimes, you shall pay the ultimate price for your vile misdeeds, you sorry excuse for a human being.

Suddenly, Giselle Harrington was surrounded by a massive vortex of black and purple energy with dark magic and demons surrounding the vortex, there's an army of demons and Snoww, Unlight of Dark World flying around the vortex, and in the vortex is a snow white phoenix with red eyes glaring at Ophelia Shroud: the eyes of death. Then, as the vortex faded, Giselle Harrington emerged, but she was changed forever.

(NIGHT WRAITHS BY NOX ARCANA PLAYS)

Giselle Harrington grew from 6'11" to 7'4" in height, she has the body of a goddess, she has purple highlights in the bangs of her long dark brown hair, she has neon purple eyes and a black and purple energy aura with demons, darkness, and dark magic surrounding her, she has Snoww, Unlight of Dark World emblazoned on her forehead and Third Eye with purple iris, she has on demon earrings with purple gems for eyes and holding the Dark and Eternity Kanjis in its hands, she also has Snoww, Unlight of Dark World with purple gems for the eyes and the Dark and Eternity Kanjis in its hands for the second pendant, along with the golden Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolt links and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Giselle Harrington felt a sharp pain on her back, and then, her massive dark brown angel wings with black tips grew much bigger for her new body, and she now has eleven massive and long dark brown wolf tails. Giselle Harrington has on a Ring of The Phoenix with purple gem and heart shaped gem embedded in it on her right ring finger and a Star

Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Giselle Harrington's Snoww, Unlight of Dark World's Demon Mage's Staff of Dark Unlight Justice and The Demonic Darkness Unlight Greatsword of Snoww, Unlight of Dark World and all the other swords she'd gotten began merging together, and they're surrounded by a kaleidoscope of black and purple energy, darkness, demons, and dark magic, and when it emerged, it was transformed into Snoww, Unlight of Dark World's Demonic Darkness Unlight Mage's Staff of Dark Magic Unlight Justice, it's a brand-new mage's staff measuring at 8'1" in length with a massive purple orb mounted on top of four large ivory white raven heads with red and light blue green gems for eyes and small ivory white dragon wrapped around one end of the long black shaft and on the other end of the long black shaft is a red gem on top of four smaller ivory white raven heads with red and light blue green gems for eyes and on the bottom of the four smaller ivory white raven heads is a large black crescent moon weight with a large purple sphere on it, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with purple gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Snoww, Unlight of Dark World's head with red and light green gems for eyes and a large white gem in its open mouth for the belt buckle, Destroyer of The Church of Necrom grimoire, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. Giselle Harrington has transformed into SUPER ANGEL-DEMON-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS SNOWW DEMON UNLIGHT DARK WORLD DEMONIC ANGEL OF DEMONIC SNOW WHITE DARK WORLD JUSTICE AND DIVINE DEMON SNOW WHITE UNLIGHT DARK WORLD LOVE!

We were amazed by Giselle Harrington's Super Angel-Demon-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Ophelia Shroud saw it, she went ballistic and used the Dark Orb in her hand to create an army of Heartless to kill her, but Giselle Harrington fired a powerful black and purple energy blast with darkness, demons, and dark magic at them and the Heartless were all destroyed and she fired two more energy blasts which knocked the Dark Orb out of Ophelia Shroud's hand and Lincoln threw it into The Warp and blasted Ophelia Shroud and sent her out of the shrine and we followed, the mad scientist got up, but she was extremely pissed and really furious now.

Nicholette Torrington: Whoa, Giselle Harrington's transformed into her Super Angel Celestial Eternal Xelnaga form, awesome!

Lincoln: You got that right, Nicholette, and now, all that's left is to administer Ophelia Shroud's very painful punishment, and Giselle, you look beautiful, how do you feel?

Giselle Harrington: (Divine Echoing Cosmic Voice of the Dark World Snow White Demon Princess and Divine Demon Unlight Dark World Divine Love) I feel incredible, Linky. Now, shall we put that little monster in her place once again?

Lincoln: (Smiles) With pleasure, Giselle.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Giselle Harrington.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Buffalo Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've caused enough trouble for me, my family and friends, and all of Gotham Royal York for the last time, Ophelia Shroud, now you're finally getting your just desserts for all of the terror and chaos you've caused to everyone in your path!

Giselle Harrington and Lincoln went after Ophelia Shroud, who tried to blast them with a laser blaster she got out, but Lincoln fired an energy blast and destroyed it, and they fired extremely powerful blasts of rainbow energy, black and purple energy, dark magic, crosses, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, fairies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, and Mermaids at Ophelia Shroud, and they exploded with incredible power as they hit her. Then, they also attacked her with slashes from their massive greatswords, and slashes from Lincoln's claws, and he drew more blood.

Lisa Loud: Sweet Einstein, Lincoln and Giselle are really roughing up Ophelia Shroud!

Lynn Sr.: They sure are, sweetie. Let's join in and make it even more painful for that little monster!

Nico: You read my mind, Mr. Lynn.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Giselle Harrington, her hand-cannon Blaster is known as Snoww, Unlight of Dark World's Demonic Unlight Darkness Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's black with white flames on the blaster with a Phoenix, Angel, and Snoww, Unlight of Dark World surrounded by darkness etched on the sides, and a silver gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Giselle Harrington fired blasts of rainbow energy, black and purple energy, and elemental forces at Ophelia Shroud and as they hit her, they exploded with incredible power, and really knocked her down.

Then, Lincoln turned the tip of one of his eleven white wolf tails into a suction cup and as he latched it onto Ophelia Shroud's head, he began sucking out and draining her brain, and not only did he gain a massive intelligence boost, but he also gained access to info Ophelia Shroud had, and he also saw that Ophelia Shroud did something to the Jokerz and it's not good, and as soon as Lincoln was done, he unlatched the suction cup and it changed back into the tip and Ophelia Shroud was turned into a permanently brain-dead drool monkey. Then, he drew the Kanji for Bind 縛 and Seal 封 on Ophelia Shroud's forehead, and as the Bind Kanji glowed, Ophelia Shroud was bound in Neutronium Chains lined with rainbow energy, and then, The Seal Kanji glowed, and Ophelia Shroud was sealed inside an indestructible diamond prison and finally into a Containment Card, which Lincoln had put into a box. We cheered wildly as we holstered our weapons and powered down, and Giselle Harrington's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long dark brown wolf tails, and massive dark brown angel wings are permanent.

Giselle Harrington: That'll teach you, you sorry excuse for a human. Thanks for helping me take down Ophelia Shroud, Linky.

Lincoln: (Smiles Warmly) You're welcome, Giselle.

Suddenly, Giselle Harrington wrapped her arms around Lincoln's massive wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Giselle Harrington's face, they deeply kissed passionately as Giselle Harrington's left arm was still wrapped around Lincoln's massive, wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive right pec, and behind them was a Thunderbird, Phoenix, Angel, Demon, and Snoww, Unlight of Dark World flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and demons flying behind them and we cheered wildly. Lincoln and Giselle Harrington came back to us as the display and Snoww, Unlight of Dark World vanished.

Nicholette Torrington: Wow, Lincoln, what you just did to Ophelia Shroud after you sucked out every last bit of info from her brain, that was awesome!

Lincoln: I decided that since Ophelia Shroud's a dangerous individual, it's better that she be bound in Neutronium chains lined with rainbow energy and sealed in an indestructible diamond prison and in a Containment Card that can never be unsealed.

Nico: A perfect punishment.

Me: For someone who's caused enough trouble for everyone for the last time.

Lincoln: You got that right, guys. (To Lydia Anahita and Emily Boa Hancock) And it's so good to see you again, Lydia Anahita and Emily Boa Hancock.

Lydia Anahita reverted back to normal, and she's a beautiful girl with long flowing blue hair, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful black angel wings, and she reigned in the power of Ghostrick Siren, and she's dressed in a black sleeveless open blouse, black sleeveless midriff top, black skirt, black pants, black knee-high boots, and a long white sleeveless trenchcoat with darkness and skeletons on the coattails and Ghostrick Siren on the back and holstered on her back is a massive Ghostrick Siren-themed greatsword with Ghostrick Siren etched etched on the 7'0" massive, wide, double-edged midnight black blade, large siren heads for the crossguard, large aqua blue gem embedded in the rainguard, longer midnight black handle, four large siren heads and a large aqua blue gem on the bottom of the large skulls for the pommel.

And Emily Boa Hancock reverted back to normal, and she's a beautiful girl with long flowing brown hair, blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful brown angel wings, and she reigned in the power of Dinowrestler Chimera T Wrextle, and she's dressed in purple clothes, black knee-high boots, and a long white sleeveless trenchcoat with dinosaurs and darkness on the coattails and Dinowrestler Chimera T Wrextle on the back and holstered on her back is a massive Dinowrestler Chimera T Wrextle-themed greatsword with Dinowrestler Chimera T Wrextle etched etched on the 7'0" massive, wide, double-edged blade, large chimera heads for the crossguard, large purple gem embedded in the rainguard, longer midnight black handle, four large dinosaur heads and a large purple gem on the bottom of the large dinosaur heads for the pommel.

Lydia Anahita: (Greek Accent) You too, Lincoln, and it's also good to see you, Claire, Ramona Alucard, Aisha, Sarah, Winter, Ramona Qingzhao, Autumn, Mary, Dina, Makoto, Morrigan, and Tiana again, Ursula.

Ursula Truaigheaingeal, Ramona Alucard, Sarah Dullahan, Claire Allaire, Aisha Arian, Winter Icyin, Ramona Qingzhao, Autumn Aluma, Mary Adelberte, Dina Mabrouk, Makoto Haruki, Morrigan Dabria, and Tiana Masina: You too, Lydia.

Emily Hancock: It's been such a long time since we last met, and it's also good to see you again, Lola.

Lola: You too, Emily.

Lincoln went up to Lydia Anahita and Emily Hancock and he hugged them, and Lydia Anahita and Emily Hancock were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and muscular he's really become, and they had atomic red blushes on their faces, and the atomic red blush on their faces went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Lydia Anahita: (Greek Accent) Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new.

Emily Hancock: You said it, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you know these two, and I can also suspect Emily knows Lola?

Lincoln: Indeed I do, Nico, the Ghostrick Siren Gene-Slammer is Lydia Anahita, she's my Guardian Angel from Greece and classmate in Music. She's a siren and she was born with the powers of darkness and water and she also knew of me being a vampire-werewolf-cyborg hybrid, just like the other Ghostrick Gene-Slammers. She's a talented singer with an amazing voice that's said to hypnotize male criminals and they're forced to do her bidding, and that ended with them returning what they stole and allow themselves to be arrested by the cops. She's also a master of a dark power that's called The Sirens' Deathly Song, and when she sings this song, those truly irredeemable and destined to die are then seized by the Sirens and dragged down to their watery graves.

Nico: Whoa!

Lincoln: Yep, and this one time, I made her a beautiful gold necklace with a mermaid pendant, and she loved it so much, she hugged and kissed me and I returned it. She's also good friends with Lucy and The Young Morticians' Club and she'll become a future member of The Goths of Darkness, and she hates Flip, Lewis Travolta, Pablo, Anderson, Hawk, and Hank with a burning passion and she wants nothing more than to send their wretched souls to the watery depths for eternity.

Brittney gave Lydia Anahita the ring for The Goths of Darkness, and she put it on her right ring finger.

Lincoln: And the Dinowrestler Chimera T Wrextle Gene-Slammer is

Emily Boa Hancock, she's my Guardian Angel from Arizona and classmate in Science, but she's also one of the most beautiful of The Guardian Angels.

Lola: Yeah, and Lincoln and I would often help Emily with modeling her clothes, and she even made some beautiful dresses and an unbreakable tiara for me. To show thanks, I took Emily and Lincoln to a lake where they kissed each other on the lips. But, don't let her beauty fool you, she's also very tough, you get her mad, and she'll rip you to shreds, which earned her the nicknames, T-Rex or Tyrannosaurus Rex.

Me: Yikes, that's brutal.

Lincoln: Plus, she's also the sister of Boa Hancock, and she hates Icky Vicky with a burning passion.

Nico: Whoa, I hate to find out what our resident jerks did to earn their wraths.

Lydia Anahita: (Greek Accent) Trust us, you won't like hearing it. (To Lincoln) And Lincoln, there's something we want to give you: we want to give you our blood.

We gasped at their request, including Lincoln.

Lincoln: Lydia, Emily, are you absolutely sure about this?

Emily Hancock: (Smiles) More than anything, after all, we're going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Lydia Anahita and Emily Hancock, and he saw that they're really serious, and he smiled as he walks over to Lydia Anahita and Emily Hancock, and he hugged their waists in his abnormally massive and powerful muscular arms, he slowly leaned his head down first on Lydia Anahita's neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up, and he also did the same with Emily Hancock.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Lydia Anahita and Emily Hancock with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lydia Anahita: (Greek Accent)(Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you and Emily are now part of my harem and my many future wives, Lydia.

Lydia Anahita and Emily Hancock had a smile on their face and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around their waists and they wrapped their left and right arms around Lincoln's massive, wider, and muscular back, and he leans down to their faces and kissed the two of them passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the three girls, and when Lincoln saw them, he recognized them immediately. The three girls are Alice Mia, Pai Thunder, and Lambda Nom from Great Planet Evil-Destroyer Dangaio.

Lincoln: Oh wow, it's Alice Mia, Pai Thunder, and Lambda Nom from Great Planet Evil-Destroyer Dangaio.

Nicole: Awesome.

Lincoln: Are you girls okay?

Alice Mia: Yes, we're okay, thanks to you.

Then, when Alice Mia and the other two girls saw who it was that saved them from Ophelia Shroud, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of

Alice Mia: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Then, Lincoln made two clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Alice Mia: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Alice Mia, Pai Thunder, and Lambda Nom with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and Lincoln told everyone that Giselle Harrington had gotten The Demonic Darkness Unlight Greatsword of Snoww, Unlight of Dark World, and they were shocked when they found out the villain we went after was Ophelia Shroud, who broke out of jail thanks to a Dark Orb, and she still wanted revenge on us.

But, when Lincoln showed what happened such as Giselle Harrington transforming into her Super Angel-Demon-Harmony Celestial Eternal Xelnaga form and all of us laying the beatdown on her and Lincoln finishing her off by sucking out her brain and turning her into a drool monkey and having her bound in Neutronium Chains lined with rainbow energy and imprisoned in an indestructible diamond prison and Containment Card thanks to drawing the Bind and Seal Kanjis on her forehead, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln, Lydia Anahita, and Emily Hancock have a lot of catching up to do, now that they're back in town.

Maria: That'll teach that sorry excuse for a human being.

Lincoln: Yeah, but I fear that little monster also did something to The Jokerz right before she fled to Dark World.

Nico: Whatever she did, we'll find out about it later, and we'll put a stop to that.

Me: Yeah.

---

After finally taking down Ophelia Shroud once and for all, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Lydia Anahita and Emily Hancock saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Lydia Anahita: (Greek Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Emily Hancock: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Lydia Anahita: (Greek Accent) That's incredible, and we'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Lydia, what's the story on why you hated Flip, Lewis Travolta, Pablo, Anderson, Hawk, and Hank with a burning passion, and Emily, what's the story on why you hated Icky Vicky with a burning passion?

Lydia Anahita: (Greek Accent) You're not going to like hearing this tale. One day, Lincoln and I were heading home after school, but then, we heard some loud bellowing yells and Lincoln also caught the stench of a certain smelly mutant cheapskate, and we saw who they belonged to: it was Flip, along with Lewis Travolta, Pablo, Anderson, Hawk, and Hank, and they still wanted to kill Lincoln again, but I'd had enough, I sang a song, and it hypnotized those morons who got into some police cars that came and it dragged them back to jail.

We laughed.

Nico: Oh man, that was really awesome!

Me: They never even saw it coming, the morons!

Emily Hancock: You got that right, okay, now it's my turn. One day, I was modeling some dresses and Lincoln and Lola were there with me, but then, Lori came in and she told us the news that Icky Vicky had escaped from jail and that demonic babysitter wanted revenge. I knew Icky Vicky was a monster who hated kids and wanted nothing more than to kill them and watch the world burn, so I decided to confront that fire-breathing dragon, and when I saw her trying to murder a child with a chainsaw and she was laughing like a maniac, I charged in and punched her hard in the mouth, and it caused her to drop the chainsaw and it was right near a puddle of water, and it short-circuited. Then, I stomped on Icky Vicky's stomach hard and she was knocked out. We called the cops and in no time, Icky Vicky was tied up in a straitjacket and thrown back in jail.

We cheered.

Me: That lying, no-good, excuse for a babysitter had been asking for it for a long time.

Nico: After all the trouble she'd caused in Dimmsdale, it's a punishment rightfully deserved.

Lincoln: We made sure she paid for her crimes when she broke out six and a half years ago, and she, along with Royal Woods' repulsive jerks are now being used as humiliation fodder.

Eli: She's a bad babysitter!

Lori: She's never been babysitter material, Eli, she's a monster who deserves every bit of bad karma for every last bit of her crimes.

We got a shower afterwards, and then, Lincoln and Kipo are heading to Emerald Coast.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Kipo was dressed in a purple two-piece bikini, purple sandals, and she had her weapons holstered in case of trouble. Plus, we found out that Kipo had developed feelings for Lincoln, and Lincoln had developed feelings for Kipo, and he also saved her from a group of thugs hired by that demonic excuse for a babysitter, Icky Vicky, to kidnap and kill her to get revenge on us. Lincoln had brutally thrashed the thugs and dropped a piano on Icky Vicky's head.

Kipo: Wow, so this is Emerald Coast, awesome!

Lincoln: Yep, plus, it's perfect for our first date, Kipo. Shall we?

Lincoln and Kipo dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went back to the beach and they had a game of volleyball, and even did some surfing, and Kipo got a massive and extreme deep atomic red blush on her face when she saw Lincoln lift up a 900,000,000,000,000-lb barbell he summoned, then they had some lunch, and then, as the sun was about to set, Lincoln went up to Kipo and he hugged her in his abnormally massive and powerful muscular arms and Kipo placed her hands on Lincoln's massive pecs, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: Hey, Lincoln, Kipo, how was your date?

Lincoln: It was awesome, Nico, we went to Emerald Coast.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Kipo's neck with purple gems embedded in the gold lightning bolts and purple crystal links from her merged Crystal Necklace of The Buddha and an Elemental Thunderbird Choker of Eternal Love appeared on her neck, as a sign that he also fed on her blood.

Kipo: And this was due to me having feelings for Lincoln, and he also had feelings for me as well.

Lily: And we also remembered that day when Lincoln saved you from those thugs that Icky Vicky hired to kidnap and kill you to get revenge on us.

Lori: But, in the end, Linky swooped in and pummeled those thugs and dropped a piano on that evil excuse for a babysitter's head.

Nico: (Snickers) Yeah, I still remembered that, and when she got out, she was screeching like the demon that she really is.

Me: And you also sprayed her with Full Moon perfume and it burned her badly, Nico.

Lincoln: Yeah, that was also a nice touch, and I still remembered when that was also used on Heather and it burned her like acid.

Luna: Yep, exposure to nice smelling perfumes will burn those whose hearts are filled with hate and evil.

Later, N saw the mascots in the bathroom looking at themselves in the mirror.

N: Oh, Dear God. What are guys doing now?

Poromon: Making funny faces.

N: Really?

Poromon: Yep. (makes an extraterrestrial's face)

They laughed.

Kendall: Your faces are gonna freeze like that.

Poliwag: Watch this one. (Makes a gross one)

Poromon: You mean like this? [stretching] Ree eeh eeh!

[The Mascots laughed, Poliwag growls]

Horsea: [laughs] Aye yi yi yi!

Manaphy: [laughs] Aw!

[montage of the Mascots making grotesque faces]

We laughed at the faces they did and we were getting some funny pictures on our phones.

Me: (LAUGHS) SO FUNNY!

Qin: (LAUGHS) Those faces are awesome!

Xenia: (LAUGHS) Yeah!

Mindwipe: I have to admit. Those faces ARE funny.

Lily: Boy those remind me of the faces that SpongeBob and Patrick did and Mr. Krabs warned them of the Face Freeze.

Poromon: Face freeze?

Nico: Ever heard of the saying "If you don't stop making that face, it'll freeze that way"?

Poromon: No.

Mr. Krabs: Let me tell you the story of face freeze. [thunder claps, SpongeBob and Patrick's tooth chattering, breathing quickly] It were a cold day, in November, and in Bikini Bottom lived a man who loved to make faces. And the one he liked best was to stick his tongue out. [Fred raspberries and laughs] But what he really liked, was sticking his tongue out at people. [Fred raspberries and laughs, Norma and green Monroe gasp]

Norma Rechid: How rude! [walks away with Monroe, who's crying]

Mr. Krabs: [Fred raspberries to other people] Until one day, when he stuck his tongue out for the 444th time, [Fred raspberries] his face froze with his tongue sticking out…

Fred: [touches his tongue] Huh, huh… Huh?

Mr. Krabs:… permanently!

Mable: Weirdo. [walks off]

Fred: [muffled] No… no!

Mr. Krabs: He couldn't open his mouth for months. Until one day, his tongue dried up and fell off! [Fred's tongue snaps]

OUCH!

Qin: GEEZ!

Cosmos: That story's true, isn't it?

Lily: Yep. It happened to SpongeBob, Patrick, Mr. Krabs and even Squidward.

Me: Oh man!

Lily: Yeah. Here's what the faces they were in looked like.

She showed pictures of Patrick with an eyecross, overbite and his tongue out and SpongeBob with a big mouth and his eyes on stalks and Mr. Krabs had an ugly face and so did Squidward from laughing so hard.

Lily: I had to use a powerful magic spell I learned from Lucy to make them go back to normal.

Me: Boy those faces were ugly.

Qin: No kidding.

Lola: Yeah.

Poromon: Oh boy. But still those were funny faces.

Lola: They sure were.

Pacifica: Nico, which teams have you made this time?

Nico: Kendra's team will include Yost Spiderman, Sarah Tinsley, Heather Huffington, Vega Halinora, and Camille Dace. Georgina's team will include Spyro, Veronica Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn, Natalie Kendall, Eleanor Collins, and Sophia Presley.

Me: Awesome ideas!

Lincoln: Perfect for them. My fellow Guardian Angels will be great for it.

Me: And Veronica will do great.

Brynja: (Icelandic Accent) I agree there too.

Lola: Same here.

Camie: Yeah.

Sarah Tinsley: I agree too.

Then the previous group of M.O.E. Members came.

Stinky Butt: Can me, 2016 Morbucks, Condiment King, Professor XXXL, Artie Ziff, Raven Branwen, Mammoth, Eris, Cavelier, and Anti-Wanda go with you guys this time?

Malodor: Me, Glomgold, Gourd, Beagle Babes, Big Cheese, Bird Brain, Yost Korvac, Cajun Fox, Quackor the Fowl, and Cyclops will go too.

Nico: Yes you all sure can.

Qin: We were just watching the mascots make funny faces.

Big Cheese: Can we see them?

Flora: Sure.

She showed pictures of them and they were funny and they laughed at them.

Laney: (LAUGHS) Those were funny!

Tania: Nico, which Gene Slammer do you think you'll meet next?

Nico: Primeape next.

Me: Whoa! That one is gonna be brutal!

Qin: Yeah no kidding!

Valon: (Australian Accent) It sure will be interesting to see what that one can do mates.

King Kai: (Telepathically) Nico, everyone can you hear me?!

Nico: King Kai, what's wrong?

King Kai: (Telepathically) I got bad news, The Jokerz have eaten some Jerktonium-laced fruitcake and they've been contaminated with Jerktonium.

We gasped.

Eli: What, but didn't we just get rid of Dr. Zalost for what he did?!

King Kai: (Telepathically) This wasn't Dr. Zalost, Eli, this was the dirty work of Ophelia Shroud.

Me: So, Ophelia Shroud was the one who did this to The Jokerz!

Nico: So, that explains why Lincoln said that Ophelia Shroud did something to The Jokerz after he'd drained her brain.

Lincoln: I knew she did something to The Jokerz, but now, we find out she's repeated the same tactic of Dr. Zalost, but there's a difference: when Zalost did this, he still wanted to make people unhappy, but Ophelia Shroud did this not only to exact revenge on us again, but she's willing to use and get rid of all those in her path, and she's willing to use and get rid of The Jokerz. Now, I'm really glad I had her bound and sealed, she'd been a danger to everyone in her path.

Lincoln took out The Containment Card with Ophelia Shroud bound in Neutronium Chains lined with rainbow energy and sealed in an indestructible diamond prison and also in a Containment Card.

Lisa Loud: Indeed, Elder Brother. I'll get to work on creating an antidote for the Jerktonium at once!

Lisa got to work on creating an antidote. Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Azar Javed, a renegade powerhungry human sorcerer of fire, and he's coming here to get revenge on Geralt of Rivia. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone else coming after us?

Lincoln: You guessed it, Rayman, and Adda, Abigail, Celina, Deidre, Sabrina, Morenn, Shani, Triss, you're not going to like one bit: the dark energy we sensed belongs to Azar Javed, and he's here to kill you, Geralt of Rivia.

Adda the White: Azar Javed, he's here?!

Geralt of Rivia: Should've known that sorcerer wouldn't stay dead for much longer.

Amara Thatcher: Don't worry, Geralt, Lincoln and I will put an end to Azar Javed.

Lincoln: That's right. Plus, you've taught me about the five Signs, and how to use them in battle.

Nico: That's right, and we've seen how you've used those Signs in battle, Geralt, and as you've seen for yourself, we're no strangers when it comes to the supernatural.

Geralt of Rivia: Now, that I've known all too well.

Lincoln: Say, when we go after The Jerktonium Contaminated Jokerz, I'm going to use the Sign, Axii, to calm them down, so that way, Lisa can use her antidote.

Me: Good idea, Lincoln.

Nico: And we'll see one of the Signs in action before Azar Javed shows up. Alright, gang, let's go, we we got an awesome race on a new food planet that's been discovered.

Lincoln: A new food planet has been discovered, and we're having a race there, awesome. But, after we get done with the race, we're going to hunt down The Jerktonium Contaminated Jokerz and cure them and foil Ophelia Shroud's dirty work and final attempt at revenge on us, and once we get done with them, you're next, Azar Javed.

Condiment King: I really am looking forward to the next planet.

Big Cheese: I hope it's tasty like me.

Nico: Lets head out then.

We went to the ship and we were off.

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 7119.4: The U.S.S. Valorous Phoenix is en route to another awesome and amazing planet for another good and fun race. Also our mission there is to destroy Jerktonium Poisoned Jokerz, a street gang that terrorized all of Neo Gotham City and that Batman 2039 faced on a daily basis there.

Qin: Those Jokerz were a nuisance.

Camie: What are the Jokerz?

Me: A group of Clown thugs that caused mayhem all over Gotham in the future after the Joker was killed.

I went over their history and it was brutal.

---

**The Jokerz** are a recurring villainous group in *Batman Beyond* . They are a large street gang 40 years in the future of Gotham City that take their inspiration from Joker, the original Batman's onetime arch-nemesis. They tend to dress in clownish costumes and makeup as did their namesake, but have none of the style or humor of the original.

History

While the original Clown Prince of Crime might have long since disappeared from Gotham, he left such an impression on the psyche of Gotham's criminal underworld that his spirit has lived on inside these copycat hellions. Dressed in clown outfits and face paint, they especially enjoyed practical jokes that turned deadly and generally creating chaos.

At least one of the Jokerz was observed engaging in vandalism and then attempting to extort money from anyone who he believed was amused by his antics. While the Jokerz were certainly a menace, their crimes were small and they were much more easily thwarted than their criminally insane, diabolically creative and resourceful namesake.

## Appearances

In the animated series *Batman Beyond*, Batman battled different versions of the gang on several occasions. In a *Justice League Unlimited* episode, Ghoul stated that there are 9,453 active Jokerz that are divided into approximately 200 separate groups (It's unlikely that Chronos affected the large amount considering that he only hired one gang of the Jokerz). There are three known such versions. The first is led by a vandal dressed as the Joker. Those were the Jokerz that Derek Powers' henchman Mr. Fixx incriminated for the murder of Terry McGinnis' father in "Rebirth", the two-part pilot of the animated series. Their leader is J-Man, who dresses in a style similar to the Joker and voiced by DCAU creator Bruce Timm.

In the episode "The Winning Edge" members of this gang buy weapons from a dealer on the streets but are stopped by Batman.

The episode "Joyride" shows their initiation. They take their new member Lee to a small cave with the Joker's skeleton but it is cut short when they find a military jet with an unstable nuclear reactor. They use it to try and destroy the headquaters of a rival gang The T's but Batman disarms it in the end.

A second group of Jokerz appeared in the episode " *Hidden Agenda* ", led by a Jokerz member named Terminal, a top-tier student at Hamilton Hill High and a would-be killer of rival candidate for valedictorian Max Gibson. Max's search to determine who is after her leads her to find out Terry's secret life as Batman.

In "Once Burned", The Jokerz Territory were seen by the sewers (although it has been briefly seen in other episodes), which is home to dozens of Jokerz from various gangs.

In the episode "Countdown" several Jokerz mug Ro but are scared off by Batman, later they try to rob Zeta in the form of an average man but they underestimated his great strength and are all taken out.

In the direct-to-video feature *Batman Beyond: Return of the Joker*, a third group, including Harley Quinn's twin granddaughters, was actually led by the revived Joker himself, who was using Tim

Drake's body. This third group was defeated, and the host seemingly freed from the Joker's influence.

The Jokerz are later featured in the show *Static Shock* , specifically in the episode "Future Shock" where a gang of them try to trap Terry/Batman II and a time-displaced Static but together they defeat them all.

The last appearance of the Jokerz was in the *Justice League Unlimited* episode " *The Once and Future Thing, Part 2.* " In this episode, the same group of Jokerz from *Return of the Joker* are shown to be working for a time-traveling villain called David Clinton, known in the comics as the Atom's archnemesis, Chronos. This team of Jokerz has been enhanced with super-powers and/or cybernetic enhancements that Clinton pulled from the future. This group of Jokerz has killed most of the Justice League of that time, leaving only Static, Warhawk, that timeline's Batman, and an elderly Bruce Wayne. The present-day Batman, Green Lantern (John Stewart) and Wonder Woman chase Clinton to this future, and were able stop Clinton and undo the damage he did to the timestream, erasing all of the events of the episode. They were possibly returned to their normal selves. Considering the fact that Bonk, who was seemingly murdered by the Joker in *Return of the Joker*, is part of the group, it most likely indicates that the Uncut version of that film is more canon than the Cut version.

Members Band I

A large well-known group of Jokerz led by J-Man, who dresses very similarly to the original Clown Prince of Crime, but they would always get beaten and stopped by Batman. The other members of this band include:

Coe Dottie Lee (briefly) Pilo Scab - wears a red, single-coned jester's cap, possibly inspired by Harley Quinn. Top Hat Joker Band II

Carter Wilson adopted the identity of "Terminal" and made himself the undisputed leader of a small group of Jokerz. They engaged in the usual terrorizing of random victims, with occasional asides to Carter's personal agenda. After a failed attempt to kill Maxine

Gibson, the entire gang was subdued by Batman and arrested. The other members of this band include:

The third band of Jokerz was introduced in *Batman Beyond: Return of the Joker*, where they worked for what appeared to be the original Joker. They later appeared in an episode of *Justice League Unlimited*, now working for Chronos and enhanced with super powers. When Chronos is defeated, this timeline is erased.

Bonk - A powerful, but surly enforcer / muscleman in the Jokerz' ranks. Though amazingly strong, Bonk is not a thug who takes orders willingly. He's got a hair-trigger, and is liable to start up with anyone who gets in his way, be it Batman or Bonk's own Jokerz allies. This is his undoing when he argues with the Joker, accusing him of being a fake. In return, the Joker either murders him with a venomous spear gun disguised as a BANG! flag gun (in the uncut version of the movie) or knocks him out with laughing gas (in the censored version). While working for Chronos, he is equipped with a massive hammer that comes out of his arm. He's able to deliver massive damage with this weapon.

Chucko - obese, with tight-fitting pink clothes and a clown mask. He is a nasty bullying type who truly enjoys inflicting misery on others. A head enforcer for the Jokerz gang, he's a lot stronger and faster than his flabby gut would lead one to believe. True to his sadistic nature, Chucko's face is always hidden behind his mocking clown mask (aside from the heist at Wayne Enterprises, where he dons a gas mask instead.). He uses a bazooka as a weapon. While working with Chronos, his legs are replaced with a hovering ball that offers more maneuverability and carries a lightsaber-like object that adds extra "oomph". Chucko meets his demise when he betrays Chronos and is sent back to the prehistoric age where he perishes along with the dinosaurs, though this is undone when Chronos' timeline is erased upon his defeat.

Dee-Dee - the identical twin granddaughters of Harley Quinn. Delia and Deidre, (often referred to by the collective name "Dee-Dee" or simply, "the Deeds") are cute, charming, funny, and completely rotten to the core. They love the thrill of being a part of the Jokerz gang and think it's a large charge to be working for the big man himself, The Joker. They use an acrobatics-based fighting style very similar to Harley's. While working with Chronos, they possessed the power to multiply themselves upon impact and carry an energy whip which electrocutes the victim on contact.

Ghoul - A jaded young runaway from a wealthy home, Stewart Carter Winthorp III joined up with the Jokerz for kicks. He wears ragged clothing and has grey skin, numerous stitching/scar marks and skull-like features; possibly genetically altered his appearance to make himself look undead. He's heavily into techno-goth music and has adapted the horror look into his costume. Ghoul is never without his plastic Halloween pumpkin which he keeps filled with a number of monster-inspired weapons and tricks. While working with Chronos, he is armed with a spinning blade in his right arm which he can deploy or retract at will. His appearance vaguely mimics that of previous Batman villain Scarecrow and his voice and mannerisms are loosely based on Christopher Walken. Though he never mentioned this to anyone, he wet the bed until he was 14.

Woof - Woof was just a nameless underling in the Jokerz gang until he decided to try gene-splicing. Infusing his cellular structure with that of a spotted hyena, Woof quickly transformed (some say devolved) into the giggling, bestial, nightmare that he is today. Though he sometimes appears to be nothing more than the Jokerz comical mascot, Woof's crushing jaws, sharp teeth and razor-like claws make him a deadly adversary. While working with Chronos, he has cybernetic arms which allow him to run faster than he previously could and to gouge materials as hard as concrete and steel, as they are sharper and sturdier than his claws once were.

When I was finished everyone that hadn't heard about it was shocked!

Nico: Yeah those guys are trouble.

Lola: Yep.

Camie: What a bunch of dingaling thugs.

Chef Pepperjack: How about on the way, I make some of my stew for all of us?

Me: Oh boy! I'm hungry.

He made CAJUN PEPPER CHICKEN STEW!

Nico: Boy that smells really delicious.

Pepperdance: (Cajun Accent) Ooowee! That looks great.

Cajun Fox: Ooowee! It sure does. Who wants my spicy cajun pierogis to go with it?

We all raised our hands and we got to eating and man was it tasty.

Fred Jones had a taste of the stew and then…

FIRE EXPLODED FROM HIS MOUTH!

Fred Jones: (Wheezing) Spi-cy.

Gourd: I never get tired of that.

Artie Ziff: Me neither!

Me: Me neither. But this is delicious chef.

Eli: Mmm! My compliments to both the chefs.

Cajun Fox: Thanks y'all.

Chef Pepperjack: Thanks guys.

We had a great meal.

Me: Ahh. (BURPS OUT FIRE) Oops sorry.

Lola: But delicious.

We licked our whole plates clean.

Me: Ahh. Hey Nico how about a little contest as we battle the Jokerz?

Nico: What kind of contest?

Me: Whoever has the highest body count during the usual battles and after them on the next planet we go to buys us all an all you can eat pie buffet.

Nico: You're on!

Shaggy: Like oh boy! I love a good pie!

Billy: Pie! I LIKE PIE! PIE PIE PIE PIE PIE PIE PIE PIE!

Lisa Loud: We have arrived at our destination.

Ransik: Just in time for us to arrive.

Nico: On screen.

We saw that we were at a brown planet that had small multi-colored spots on it.

Nico: Looks like an interesting planet.

We got to landing and we later landed and got out and we saw that it was a PLANET MADE ENTIRELY OUT OF FRUIT CAKES!

Qin: Whoa a Fruit Cake Planet!

Xenia: Cool!

Mammoth: Okay. Despite the shitshow involving Lincoln almost Black Gating an innocent, we still like fruit cake.

Cyclops: In fact, I'll eat some right now!

Me: Me too.

We went and ate some and it was REALLY TASTY!

Me: MMM! Delicious! I can't believe people don't like these.

Lincoln: (Eating Fruit cake) Mmm! Yummy! But Mammoth please don't bring that up. That was all Audrey Madison's dirtywork.

Nico: We had no idea that it was all her doing this entire time.

Lola: Yeah.

Teen Titans Thunder: Shall we get ready for the race?

Nico: We shall. And the Garage is over there.

We saw it and then went to the ship and got our cars ready and we were in the garage. The route actually takes us through the Fruit Cake planet's forests and jungles all the way to the Cherry Banana Swamps.

Anti Wanda: The race is about to begin, ya'll!

Cajun Fox: Let's head to the starting line now.

We got into our cars and we were ready.

Billy Natson: And Welcome to another awesome race for you all today. Hello I'm Billy Natson and we have a great race for you all today. We are all on a planet made entirely out of Fruit cake and they do say that people don't like this stuff but to many of us it is tasty. With us is our very own Team Loud Phoenix Storm and their awesome frenemies in the Masters of Evil. You all ready for a great race?

Nico: We sure are Billy!

Qin: YEAH! Bring it on!

Billy Natson: Love that spirit! Lets get it started!

Krista: RACERS TAKE YOUR MARKS!

We revved our cars.

Krista: (RAISES GREEN FLAG) GET SET!

We were really ready.

Krista: (WAVES GREEN FLAG) REV UP AND GOOOOOOOO!

WE ZOOMED OUT OF THE GARAGE!

Billy Natson: AND THEY'RE OFF!

We were zooming fast.

Thorax: I'm going ahead of you guys!

Thorax turned into Flash and sped ahead.

Me: WHOA!

Nico: Awesome tactic.

Rainbow Dash: Not for long!

ZOOM!

She zoomed passed him and.

Rarity: We'll see about that darlings!

Eris: I'm catching up to you slowpokes!

Quackor the Fowl: No, you're not!

Me: Oh yeah!?

We zoomed passed each other all over.

Xenia: COME AND GET MAMA BEAR!

Chompy Mage: I just passed all of you! (Through Chompy Puppet) Yeah we did!

Me: Oh yeah?

We zoomed passed each other all over.

Lola: Yeah!

We were halfway there and zooming all over the place as we were really racing.

We were going through the Berry Fruit Savannas.

Raven Branwen: We're halfway there!

Beagle Babe Leader: Let's keep going!

Me: YEAH!

We were zooming over the Banana Hills and they were huge.

Qin: YEAH!

Luan: This is one full of Ap-PEAL! (LAUGHS) Get it!?

Me: (LAUGHS) Good one!

While me and Luan were laughing, Wildrider, in his vehicle mode, passed us two.

Wildrider: Thanks for the lead, suckers!

Me: WHY YOU LITTLE!

I gunned it and we were really zooming.

Nico: That was still a funny one though.

Lola: Yeah.

We were 3 quarters of the way there and we went through the Pineapple mountains.

Lola: Wow!

We then saw the finish line.

Maria: I see the finish line!

Nico: Here we go!

Billy Natson: And here comes the winners of the race! IT'S RARITY, J.D. KNUDSON, MAY, NICO, SWEETIE BELLE, LANEY AND LINCOLN!

EVERYONE CHEERED WILDLY!

Qin: WOOHOO!

Xenia: SO AWESOME!

Lola: That was an awesome race!

Maria: Congrats, Rarity!

Rarity: Oh thank you darling.

Me: Now we got some Jokerz to thrash.

Nico: Yep.

Eli: They are over in that clearing over there.

Me: It could be a trap.

Professor XXXL: You might be right.

Bird Brain: But that's what makes it so exciting.

Me: But we're ready. I got just an awesome entrance for us.

Nico: I can't wait to see it.

Qin: Yep.

Nico: Lets go.

Sunny Flare: Entrance time!

Me: Watch this.

I pulled out a special bomb.

Nico: A bomb?

Me: You'll see.

In the clearing the Jokerz were looking for us and then there was a clang and the bomb was lit.

Jokerz 1: Uh oh!

But then…

KRABOING!

It was a jack-in-the-box? But then spirits of the Loud Brothers appeared and swirled around the bomb and then converged with it and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The bomb exploded into a massive and incredible whipped cream deluge and splattered all over the Jokerz and smashed them down and a clown laugh was heard and then we came out!

Nico: Now that was FUNNY!

Laney: You guys are NOT funny!

Jokerz: OH YEAH!? We'll kill you!

2016 Morbucks: You guys are in for a world of pain!

Glomgold: (Scottish Accent) Big time!

Me: And it's going to hurt!

Qin: Lets get them!

We went at them and pulverized and smashed and mashed the Jokerz all over the place left and right and the body count was piling up!

Lola: TAKE THIS!

She fired waves of fire and burned them all over.

Then Living Laser, Robo Roxy, Brain Freezer, Man Boy, Toiletnator, Riddler, Zexion, Diabolico, Zzzax, Speed Demon, Raizen, Evil Clayface, Superfriends Captain Cold, Spellbinder, Pooperman, Country Boy, Evil Cloud Man, Yzma, Dragon Jellyfish, and Reverse Flash appeared.

Aylene C.: Oh hey B.F.

Brain Freezer: Hey there Babe.

Qin: Enjoy the race?

Diabolico: We sure did and it was awesome.

Nico: So, some of you guys will keep the Jokerz busy?

Zzzax: Mainly, me and Speed Demon's groups.

Speed Demon: I AM the fastest, after all.

Living Laser: Okay, no need to brag about it.

Me: It's part of a contest we have. We're going for an all you can eat pie buffet.

Diabolico: I'm in!

Robo Roxy: (to Nico) We heard you fought Jabba again.

Nico: We sure did.

Brain Freezer: Was he slow as ever?

Me: Yep he sure was.

Eli: But he is now in prison forever.

Lola: Yep.

Brickneck then came.

Me: Back for another round Brickneck?

Brickneck: You bet I am!

Me: Awesome.

Brickneck: (to Sougo) Nice job using the Time Force Ridewatch.

Sougo: Thanks. It was cool.

Qin: We all thought so.

Me: Yep.

We got the battles underway.

## Megan McCallister, Starlight Glimmer, Cozy Glow, Undead Skylanders, Iron Man, Sissy Delmas and Pacifica Northwest VS Living Laser - Nico's rescue and battling Jabba the Hutt

---

Living Laser was first.

Living Laser: (to Megan) Nico's rescue involved him battling Jabba the Hutt. He sure doesn't know when to quit, doesn't he?

Megan McCallister: No he sure doesn't. Jabba the Hutt has caused TONS of problems all over the galaxy and all over Tatooine too. He didn't give a flying crap about everything he did.

Starlight Glimmer: He was a really nasty piece of work before the war and during leading up to his death at Luke Skywalker's hands.

Cozy Glow: You got that right. But also we had no idea that the Sailor Soldier of Tatooine was on his hit list big time.

Hex: Yeah that was an amazing surprise.

Iron Man: And that rescue was very fitting for it too.

Living Laser: I did not expect J.D.'s friend to be so hated by Jabba the Hutt either.

Megan McCallister: Me neither! That was an amazing surprise too.

Living Laser: It sure was. Lets do it!

Megan used the Skull Star Fruit Lockseed and got a Skull Star sword and she read a verse and fired waves of skulls and energy and smashed him all over and they fired waves of stars, skulls, bones, magic, lightning and energy and smashed him down.

## Akiza Izinski, Fluttershy, Tornado Bolt, Life Skylanders, Beast Morpher Rangers, Tania and Valon VS Robo-Roxy - Battling Another Serpens and Lacerta Undead Zodiarts, Another Ultimate Panuncian and Another Dr. Viktor

Robo-Roxy was next.

Robo Roxy: (to Akiza) Nico, Will's team, Dr. Viktor's team, and the others did good Battling not just Jabba the Hutt but also Another Serpens and Lacerta Undead Zodiarts. And Another Ultimate Panuncian and Another Dr. Viktor too.

Akiza: They sure did! But after how he died the first time we made sure that Jabba was sent to prison and also Eli became the first young Jedi in history to bring down Jabba. He was not on the Jedi Order's watch list because the planet Tatooine was not part of the Republic.

Robo-Roxy: Boy that sucks and Anakin was from Tatooine so that planet should have been made a member of the Jedi Republic so that Jabba could be brought to justice along with all the criminals there.

Akiza: I know. But now we have Tatooine on the New Jedi Order's list.

Fluttershy: Thank goodness. But we did not expect 2 of J.D.'s friends to be one of the Sailor Soldiers for Tatooine.

Tornado Bolt: Yeah we found out that she was the Robin Hood of Tatooine. She did not like how Jabba was treating everyone and how crime infested the planet like a bad rash. So she made Jabba's empire a nightmare by freeing his slaves and stealing goods from Sith Merchants and bad guys of the empire and selling them for money to give to her home planet to make it filthy rich. More than Jabba the Hutt.

Stealth Elf: We did NOT expect that. It was amazing.

Devon: It sure was awesome to see.

Tania: Yeah it sure was awesome.

Valon: Yeah you better believe it was mate.

Robo-Roxy: That is really cool! Lets do it!

Akiza used the Rose Fruit Lockseed and got a Rose Scythe and she read a verse and fired waves of flowers and smashed her all over and they fired waves of leaves, grass, flowers and fruit and smashed her down.

## Roxy, Applejack, Apple Bloom, Earth Skylanders, Sora, Donald, Goofy, Kairi, Ransik and Nadira VS Zexion - Meeting Gene-slammers for Ghostrick Siren and Dinowrestler Chimera T Wrextle

Zexion was next.

Zexion: (to Roxy) I heard you guys met Gene-slammers for Ghostrick Siren and Dinowrestler Chimera T Wrextle. What are their names?

Roxy: The Ghostrick Siren is Lydia Anahita and the Dinowrestler Chimera T Wrextle is Emily Hancock and they are amazing guardian angels and Emily is also Boa Hancock's cousin.

Applejack: Yeah they have amazing powers and amazing stories too.

Apple Bloom: They sure do and it's great.

---

Lydia Anahita: (Greek Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Emily Hancock: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Lydia Anahita: (Greek Accent) That's incredible, and we'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Lydia, what's the story on why you hated Flip, Lewis Travolta, Pablo, Anderson, Hawk, and Hank with a burning passion, and Emily, what's the story on why you hated Icky Vicky with a burning passion?

Lydia Anahita: (Greek Accent) You're not going to like hearing this tale. One day, Lincoln and I were heading home after school, but then, we heard some loud bellowing yells and Lincoln also caught the stench of a certain smelly mutant cheapskate, and we saw who they belonged to: it was Flip, along with Lewis Travolta, Pablo, Anderson, Hawk, and Hank, and they still wanted to kill Lincoln again, but I'd had enough, I sang a song, and it hypnotized those morons who got into some police cars that came and it dragged them back to jail.

We laughed.

Nico: Oh man, that was really awesome!

Me: They never even saw it coming, the morons!

Emily Hancock: You got that right, okay, now it's my turn. One day, I was modeling some dresses and Lincoln and Lola were there with me, but then, Lori came in and she told us the news that Icky Vicky had escaped from jail and that demonic babysitter wanted revenge. I knew Icky Vicky was a monster who hated kids and wanted nothing more than to kill them and watch the world burn, so I decided to confront that fire-breathing dragon, and when I saw her trying to murder a child with a chainsaw and she was laughing like a maniac, I charged in and punched her hard in the mouth, and it caused her to drop the chainsaw and it was right near a puddle of water, and it short-circuited. Then, I stomped on Icky Vicky's stomach hard and she was knocked out. We called the cops and in no time, Icky Vicky was tied up in a straitjacket and thrown back in jail.

We cheered.

Me: That lying, no-good, excuse for a babysitter had been asking for it for a long time.

Nico: After all the trouble she'd caused in Dimmsdale, it's a punishment rightfully deserved.

Lincoln: We made sure she paid for her crimes when she broke out six and a half years ago, and she, along with Royal Woods' repulsive jerks are now being used as humiliation fodder.

Eli: She's a bad babysitter!

Lori: She's never been babysitter material, Eli, she's a monster who deserves every bit of bad karma for every last bit of her crimes.

FLASHBACK ENDS

Zexion: Those dirtbags just don't know how to take a hint!

Flashwing: No they sure don't.

Amara Thatcher has transformed into SUPER ANGEL-DRAGON-DARK ANGEL-HARMONY CELESTIAL ETERNAL XELNAGA TWILIGHT FALLEN DARK ELEMENTAL CRYSTAL DRAGON ANGEL OF DIVINE FALLEN DARK ANGEL ELEMENTAL CRYSTAL TWILIGHT JUSTICE AND DIVINE TWILGHT FALLEN DARK ANGEL CRYSTAL DRAGON LOVE!

We were amazed by Amara Thatcher's Super Angel-Dragon-Dark Angel-Harmony Celestial Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Azar Javed saw it, he fired a blast of fire to kill her, but she absorbed it and it made her even stronger than ever, and she fired a powerful rainbow energy blast with dragons, carbuncles, tigers, mammoths, tortoises, eagles, Pegasi, cats, rubies, topaz gems, emeralds, amber gems, cobalt gems, amethyst gems, sapphire gems, angels, dark angels, light, and darkness at the sorcerer and it exploded as it hit him and sent him flying back, he got back up, but it really pissed him off now.

Serenity Lexington: Wow, Amara Thatcher's transformed.

Lincoln: Oh man, now, that powerhungry fire sorcerer's about to face the true power of a dark angel and the Gene-Slammer of Rainbow Dragon and Rainbow Dark Dragon, and Amara, you look beautiful, how do you feel?

Amara Thatcher: (Divine Echoing Cosmic Voice of The Twilight Crystal Dragon Fallen Dark Angel and Divine Elemental Crystal Twilight Dragon Love) I feel incredible, Linky. Now, shall we finally put an end to this powerhungry fire sorcerer once and for all?

Lincoln: (Smiles) With pleasure, Amara.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Amara Thatcher.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You don't deserve to live a single second more, Azar Javed, now we shall put an end to you once and for all.

Amara Thatcher and Lincoln went after Azar Javed, who continued firing blasts of fire at them, but they continued absorbing the fire blasts and it made them even stronger than ever, and they fired extremely powerful blasts of rainbow energy, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Azar Javed and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him, along with scratches from Lincoln's claws, and they were angering him even more.

Then, Lincoln casted Igni and fired a burst of fire at Azar Javed and he was burned badly, then Lincoln casted Aard and fired a telepathic thrust which knocked the fire sorcerer back a bit.

Nico: Wow, Lincoln's really learned a lot from Geralt about the Signs.

Me: So awesome!

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Amara Thatcher, her hand-cannon Blaster is known as Rainbow Dragon and Rainbow Dark Dragon's Twilight Elemental Crystal Fallen Dark Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's black with colored flames on the blaster and with a Phoenix, Angel, and Rainbow Dragon and Rainbow Dark Dragon surrounded by colored gems etched on the sides, and a rainbow gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Amara Thatcher fired blasts of rainbow energy, pink energy, and elemental forces at Azar Javed and as they hit him, they exploded with incredible power, and he was knocked down.

Then, Lincoln fired a blast of red energy which hits Azar Javed and he sucked out and absorbed every last bit of the fire sorcerer's fire powers, magic, and knowledge of magic and alchemy, and Lincoln delivers the final blow by firing a blast of black fire and it hits Azar Javed and it sent him to The Black Gates. We cheered wildly as Lincoln and Amara Thatcher holstered their massive greatswords on their backs and powered down, and Amara Thatcher's new body, clothes, weapons, jewelry, Third Eye, eleven massive blonde wolf tails, and massive right white and left black angel wings are permanent.

Amara Thatcher: Your days of trying to conquer the kingdoms are over. Thanks for helping me destroy Azar Javed, Linky.

Lincoln: (Smiles Warmly) You're welcome, Amara.

Suddenly, Amara Thatcher wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Amara Thatcher's face, they kissed passionately as Amara Thatcher's left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Rainbow Dragon and Rainbow Dark Dragon flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces behind them and we cheered wildly. Lincoln and Amara Thatcher came back to us as the display and Rainbow Dragon and Rainbow Dark Dragon vanished.

Nico: Oh man, now that's what I call one awesome battle between good magic and evil magic, nice one, guys.

Lincoln: Azar Javed was one tough sorcerer, but he badly underestimated us and the magic that we wield is far more powerful than the dark magic he wields.

Me: You got that right, and we know who were meeting tomorrow, right, Lincoln?

Lincoln: Oh yeah, Rachel Truaigheaingeal, Gene-Slammer of Ghostrick Socuteboss for Day 19, the final day of the Dark World Treasure Hunt.

Nicholette Torrington: Oh yeah. But, I can't help but get the feeling that someone from our past is coming back for revenge on me and Michelle.

Michelle Torrington: If it's who you're about to say, Nicholette, we'll be ready.

Man Ray: That's it for this batch of Jokerz.

Me: Yep.

Toiletnator: Bonk, Chucko, Wolf, and Ghoul will be going to our prisons though.

Riddler: At least they're more tolerable compared to the Joker I know and hate.

Nico: Yeah no kidding.

Zexion: Let's pack some fruit cake for the ride home.

Me: Good idea.

Diabolico: But first, let's count who killed the most.

Me: Okay.

We tallied up the results and the winner was…

DRUMROLL!

It was a TIE FOR ALL OF US!

Me: WE ALL TIED!? WHOA!

Nico: We're all tied!?

Me: Yeah! We tied at 9,212 each.

Nico: Whoa! What are the odds of that?

Lisa Loud: Astronomical.

Me: Yeah.

Nico: Looks like we all won.

Rarity: Indeed we did darlings.

Nico: Lets head for the Winner's Circle.

We went to the Winner Circle and the winners of the race got an awesome trophy for a crystal fruit cake and it had a planet crystal on it with a Race Car on it.

Rarity: (To the viewers) And that concludes a really great race darlings. Hope you all loved it.

Me: I know we all did.

Lola: Yep.

Nico: But great job today everyone.

We went back home and enjoyed the rest of the day and went to sleep.

THE END

But also we're going to battle Another Dorado Undead Zodiarts and Another Shendu and also we're going to meet a gene-slammer for Primeape. Her name is Amelia Tereshkova. Amelia is Nico's friend from Russia and she is one of the most viciously strongest fighters ever and is known for having a powerful and brutal punch that can LITERALLY Snap someones neck with incredible force and she killed 5 people in the ring. Her fists are so dangerous that she will make you wish you were NEVER BORN! Amelia saw numerous bullies come after Nico and with powerful punches to their faces she killed them and knocked their entire heads off and splattered their blood EVERYWHERE! And she was praised as a huge hero for her deeds in saving Nico and everyone from bad bullies. But in doing so MADE NUMBERS OF ENEMIES with the bullies parents. NOW They want to kill HER! LET THEM TRY! The match-up is for Kurumu Kurono, and she and Lincoln are going to destroy the Four Rakshasa Demons, Ibara, Mez, Sten, and Suzuka, a group of powerful warriors who serve The Empire and Prime Minister Honest and are Prime Minister Honest's personal executioners. For Lincoln's rescue tomorrow, Lincoln and his group are heading back to Dark World for Day 19, the final day of The Dark World Treasure Hunt, and Nicholette Torrington is going to get a powerful treasure there: a powerful greatsword known as The Demonic Darkness Knight Greatsword of Zure, Knight of Dark World, and we're also going to come face to face with a figure from Nicholette and Michelle's past: Nathaniel Torrington, the cousin of Nicholette Torrington and Michelle Torrington, but despite that he has the same name as his cousins, he's the complete opposite of them in personality, he's the meanest, nastiest, cruel, and evil person that Nicholette and Michelle have ever known. He's a thug who's all talk and no action, case in point, he bragged about allying with Damian Alaister and The Church of Necrom, but it was a lie just to piss off his cousins for his sick amusement. But, his life of freedom came to an end when both Nicholette and Michelle stopped him when he tried to blow up City Hall and they got him sent to prison for life, and they severed all ties with him. Now, he's broken out of prison and he's here in Dark World for one thing: REVENGE ON NICHOLETTE AND MICHELLE FOR THROWING HIM IN PRISON! But, we're not going to let that happen. And we're also going to meet Rachel Truaigheaingeal, Gene-Slammer of Ghostrick Socuteboss, she's Lincoln's Guardian Angel from Scotland and his classmate in Gym. She's a Succubus and she was born with the powers of darkness and she also knew of Lincoln being a vampire-werewolf hybrid, just like the other Ghostrick Gene-Slammers. She's the younger sister of Lincoln's

Guardian Angel, Ursula Truaigheaingeal, and cousin of Morrigan Aensland, but watch out: if any perverted man dares to even peep at her, she'll kick their skulls in, and even worse, she'll use her dark power known as The Succubus' Death Kiss, a technique that drains the life-force of irredeemable male villains with a blowing kiss. She's defended Lincoln many times from the bullies at home and Lori, Lynn, Lola, Lisa, and Luan and she's more than once exposed her Succubus nature and that scared the heck out of them. This one time, Lincoln made a beautiful gold necklace with a bat pendant, and she loved it so much, she hugged Lincoln and kissed him and he returned it. She's also good friends with Lucy and The Young Morticians' Club and she'll become a future member of The Goths of Darkness, and she hates Flip, Lewis Travolta, Pablo, Anderson, Hawk, and Hank with a burning passion and she wants nothing more than to kill them, along with a Thunder Dragon Thunderstormech Gene-Slammer named Lara Tōzokudoragon, she's Lincoln's Guardian Angel from Japan and classmate in Math, but she's also one of the best navigators as well as a capable thief with honor. Her last name, Tōzokudoragon, means Thief Dragon in Japanese, she taught Lincoln how to navigate and plot courses and she even taught him how to be sneaky and steal other people's stuff but they only steal from the crooked rich to feed the poor. Get ready for an awesome and amazing race on a Gingerbread House planet as we race through lots of gingerbread house and candy landscapes and also we're going to battle the evil and crazy serial killer snowman JACK FROST from the 1997 movie and we're going to melt that snowman and give him the Black Gates!

See you all next time.

# GINGERBREAD HOUSE RACE BATTLE

This is gonna be a Gingerbread House Race Battle.

Walking through the middle of the city was Nico, The Ripping Friends, Ellie Singh, Evelyn Burmingham, Jen Tennyson, Eddy, Yugi, Tea, Jaden, Jesse Anderson, Allenby Beardsley Knudson, The Hernandez Sisters, Yost Magma, Rin Nohara, Woz, Bai Tza, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, The 1983 D&D Gang, Irina Krafla the Granity Gene-slammer, Kora Lexxington, Olivia Houou, Nataša Marečková, Nalanie Nanthavong The Vorash Gene-Slammer, Brynja, Sissi Delmas, Anna Anyanova the Destiny HERO Dark Angel Gene-slammer, Daring Do, Lizzie Strong the Great Blue Windrunner Gene-slammer, Emam Reynolds the Living Tsunami Gene-slammer, Wendy Sapphira, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Granity, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Hibiki Riders, Kabuto Riders, Den-O, Kiva, Decade, W, OOO, Fourze, Wizard Riders, Gaim Riders, Drive Riders, Ghost Riders, Ex-Aid Riders, Build Riders, Zi-O Riders, Zero-One Riders, Saber Riders, Granity, Samurai Jack, Ashi and her sisters, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Sunny Starscout, Izzy Moonbow, Hitch Trailblazer, Pipp Petals, Zipp Storm, Misty Brightdawn, Rachel Stavenport, Kate Lloyd, Carol Pusateri, Hailey Helios, Kia, Jenna, Lina, May, Maria, Danica Metrois, Kaalia of The Vast, Varie, Sakura Valencia, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Bridgette, Eli, me, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Spiderman, Kaina Tsutsumi, Nick Logan, Sh'Lainn Blaze, Camie, Kaoruku Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Luz, Amity, Gus, Willow, Hunter, Felicia Wittebane, Carly Atlas, Misty Tredwell, Zuria, Tony Jones, Edyn, Strag, Momo, Girl Jordan, Earth, Vinyl Scratch, Airazor, Rhinox, Cheetor, Rattrap, Tigatron, Lincoln, Leni, Laney, Lana, Lola, Lisa and Lily along with Kendra and her group consisting of Yost Spiderman, Sarah Tinsley, Heather Huffington, Vega Halinora, and Camille Dace and Shendu and his group Consisting of Evil Butane Man, Chilli Billi, Blarrg, Pixie Empress and Lava Bubble and we were walking over to an awesome and amazingly cool restaurant that was located in the middle of the city.

Me: You guys are gonna love this restaurant. It makes some of the most awesome and delicious pies in the state. I took Cinder Fall here for our date and she loved it.

Eli: What is it bro?

Me: It's called the Gotham Royal York Pie In The Sky Tower. It's like a much taller version of the Seattle Space Needle and it has a revolving platform that turns very slowly and gives an awesome 360˚ view of the entire city while we eat.

Nico: I've heard so much about that restaurant. I heard the pies are really awesome.

Camie: Boy they sure look like it too.

Me: It's that building right there.

I pointed to the Space Needle Like Building.

Camie: Wow! That is a big beautiful building!

May: It sure looks awesome!

Me: Yep. It's 2,872 feet high znd the view is incredible.

Lola: Wow! That is awesome.

Kendra: I can't wait to see what this building is like.

Varie: You guys are gonna love it. This brochure shows what it's like and it's awesome.

She pulled out a brochure and it shows that Hector Con Carne, Major Dr. Ghastly and General Skarr own it and make many flavors of pies not for world domination but for fun and money for the M.O.E.

Nico: That's cool Varie! I didn't know that Hector Con Carne and his crew own it.

Varie: It's great stuff.

Kendra: I can't wait! Who doesn't love pie.

Shendu: I know.

Nico: Kendra, I want to thank you, Shendu, and your teams for coming.

Kendra: No problem Nico and it's going to be so awesome helping you guys out.

Yost Spiderman: I'm really excited for this.

Me: Me too Pete.

Nico: Pete, you know you were in a bad place when J.D. and Hay Lin first met you, right?

Yost Spiderman: I sure do know about that Nico. That was awful.

Sarah Tinsley: I can't believe that happened to you Pete. That was awful.

Xenia: It sure was awful. But it took a lot of work to help Pete there.

Camie: Boy no kidding.

Me: I just can't believe that everyone thought of you as a murderer like that. And you didn't even kill anyone.

Yost Spiderman: I know. But it's good you guys helped me. I just wish my world's version of Aunt May didn't get shot though.

Varie: That wasn't your fault Pete. It was a grazing wound thank goodness though.

Me: No kidding there. But what's ironic is that both our versions of Spiderman worked RIGHT under both versions of Jameson's noses the entire time and never knew about it till later on.

Lola: Boy that was surprising.

Nico: Yeah it sure was.

Xenia: Yeah.

Yost Spiderman: I know.

Me: Are you and your worlds version of M.J. dating now?

Yost Spiderman: We sure are. We are on our 4th date.

Me: Cool. Cool.

Lola: Awesome. But yesterday's race was cool.

Qin: It sure was!

Nico: We ate a lot of fruit cake.

Me: Really delicious fruit cake. I can't believe hardly anyone ever likes that stuff.

Eli: Boy no kidding. It's so tasty.

Xenia: It sure is.

Maria: Can't believe we all tied.

Me: I know. But look on the bright side. Everyone gets awesome pie in this. So everyone wins.

Nico: That's true.

Shendu: I can't wait for some good pie.

Evil Butane Man: Who doesn't love a good pie.

Qin: Yeah.

Applejack: I love good apple pies as much as anyone.

Apple Bloom: Boy me too sis.

Rarity: But we all earned some really good pies darlings.

Me: Yeah we sure did and Rarity you did really awesome in that race. I can't wait to see what the next one will have.

Rainbow Dash: It will be awesome.

Lana: I'll say.

May: We also got some recruits out of the Jokerz.

Shendu: We sure did.

Qin: I can't believe that's what Terry McGinnis fought all the time on a daily basis.

Xenia: No kidding there.

Me: Yeah that was really awful and they were the legacy of one of the most fucked up monsters that Batman ever faced, The Joker.

Nico: No kidding there.

Varie: Yeah the Joker was awful. But at least our universe's version of him is gone for good.

Me: Universe 666's version of the Joker will make a great member of the M.O.E.

Shendu: Yes he sure will.

Pixie Empress: And we're really glad he is in the group.

Me: We just have to find a good archenemy for him. Plenty of fish in the sea.

Maria: Also, in Universe 666, the Joker there is actually called the Jester.

Me: Right I always keep forgetting that. But he will still make a great member of the M.O.E.

Nico: Yep.

But then I tripped over something.

Me: Whoa! OOF!

But I looked at what I tripped over and saw that it was A DECAPITATED BODY! THE ENTIRE HEAD WAS RIPPED CLEAR OFF ITS SHOULDERS!

Me: WHAT THE FUCK!?

Nico: OH GOOD GOD!

I got up.

Me: Holy shit!

Qin: Oh man!

Me: The entire head was ripped clear off its shoulders!

Nico: That's incredible!

Eli: I think this is it.

We saw the head of a punk man with orange hair in a mohawk.

Me: Oh man. That's a member of one of the local street gangs here.

Lola: Look at that huge bruise on his face.

There was a massive black and purple bruise from a huge punch on it.

Me: That's incredible. You would have to have strength as powerful as that of Superman in order to cause this kind of force to rip someone's head off like that.

Eli: No kidding! But this is a really gruesome calling card.

Nico: It might be the work of our next gene-slammer. Call it a hunch.

Eli: It's not just him. Look at that!

We saw NUMEROUS STREET GANG MEMBERS HEADLESS BODIES ALL STREWN ALL OVER THE GROUND AND THEY ALL HAD THEIR HEADS PUNCHED OFF AND HAD A GRUESOME BRUISE AS A CALLING CARD!

Qin: Oh man!

Nico: Whoa! This is a bloodbath!

Me: No kidding!

Me: Whoever did this really was busy and was doing us a huge favor.

Maria: Why don't we just keep going?

Me: Yeah.

We continued on and got to the tower and it was huge.

Me: WOW!

Nico: Amazing!

Camie: Yeah!

Nico: How do we get up there?

Me: Elevator.

We went to the elevator and we went up to the restaurant and it was a beautiful restaurant and it was slowly spinning and the view of the city was awesome.

Nico: Wow when you said it was beautiful you weren't kidding.

Lana: It sure is awesome.

Shendu: It sure is.

Camie: It's so beautiful from up here.

Yost Spiderman: Wish I had one of these back home.

Me: So does practically every other city in the world.

Nico: Yeah.

We saw the pie buffet and man oh man did they have a REALLY AWESOME selection of great pies! They had cherry, apple, blueberry, Oregon Marionberry, blackberry, lemon, banana cream, chocolate, s'mores, cookies and cream, strawberry, peach, EVERYTHING!

Nico: Oh boy!

Varie: Look at all these pies.

Rarity: Oh they look absolutely delectable darlings.

Applejack: Boy they sure do.

Nico: Lets pick our pies and dig in.

We did so and got one of each flavor.

Maria: Let's dig in!

Me: And don't worry we'll watch out for rhubarb pies.

Lana: Yeah I'm allergic to that.

Laney: And I have epinephrine shots just in case.

Qin: Great.

We got to eating and Nico had the cookies and cream pie.

Nico: (Eating) Mmm so delicious!

May: (Eating banana cream pie) It's really good!

Eli: (Eating Cherry Pie) So de delicious.

Me: (Eating Strawberry Pie) Yummy.

Varie: Boy this is really amazing.

Maria: Let's bring some for Horsea and the others!

Varie: Good idea Maria.

Aylene C.: Boy this is amazing. (Eating Peach Pie) Delicious. When was this place built?

Me: It was finished building 2 weeks ago. Its been a very popular place for breakfast and dessert ever since then.

Rarity: Oh it's really amazing darlings. I think the pie is so delicious.

Rainbow Dash: Boy it sure is awesome. (Eating Zap Apple Pie)

Me: And we'll bring some pie for Billy. He Loves pie too.

Lola: And so does Homer. He loves pie just as much.

Lily: (Eating S'mores Pie) Mmm! You would have to be crazy to not like pie.

Zuria: (Eating Strawberry Kiwi Pie) Mmm! Yeah no kidding.

May was eating some too.

She had Apple Strawberry Pie and it was good.

May: (Eating) Delicious.

Lola: Yeah I'll say.

Hector Con Carne then came.

Hector Con Carne: Hey guys.

Me: Hey Hector. Hey Boskov.

Hector Con Carne: You enjoying our delicious pies?

Me: Boy we sure are.

Shendu: Some of the best ever Hector.

Camie: Whoa Hector Con Carne is a disembodied brain?

Me: And his stomach. He was blown up in a huge explosion that left only his brain and stomach and Dr. Ghastly saved him.

Hector Con Carne: That's right and I was put on Boskov here.

Qin: But you make really awesome pies here.

Hector Con Carne: I'm glad you like my pies. They are so delicious.

Varie: I'll say.

Nico: Did you see the mess outside?

Hector Con Carne: I sure did. That was terrible. I won't go into details about what happened. But lets just say that it was a Primeape that was spotted here doing it.

Qin: So it's a Primeape here.

Nico: Whoa so my hunch was right. It is the next gene-slammer.

Hector Con Carne: It just might be.

We had some pies made to go and we paid for them and left.

Me: Ahh! Man those were delicious.

Qin: Boy I'll say!

Nico: Awesome snack.

Rarity: It was most delicious darlings.

Me: Yep. Perfect victory treat for an awesome contest.

Shendu: It sure was awesome.

Nico: Now we can get to work on our rescue.

Eli: Yep.

Nico: But where to look?

Me: Hmm.

Eli: (Concentrates) Found 2 signals! Both are at the park.

Nico: Then lets get over there.

We went to the park. Luckily the park was over 300 yards from the restaurant. Perfect.

Nico: Be on guard.

Me: Yep.

Then the Kyutama for Dorado the Swordfish Glowed.

Me: The Kyutama for Dorado the Swordfish is reacting to something.

Qin: That means it's for Dorado the Swordfish in the Southern Hemisphere.

Nico: But where is it?

Eli: (Concentrates) It's close.

Then we saw a figure come out and it was the ANOTHER DORADO UNDEAD ZODIARTS! It looked like a mixture of Steeleto, Yamiror and Robtish!

Qin: WHOA!

Me: Wow! The Another Dorado Undead Zodiarts!

Nico: Wow! This one is interesting.

Maria: And you are?

Another Dorado Undead Zodiarts: (In a girls voice) J.D. knows me.

Me: (GASP) That voice.

She reverted back and it was a Sailor Soldier with black hair and dark purple clothes and had a lightsaber.

Me: (GASP) Ellie Exegolla A.K.A. Sailor Exegol!

Nico: Whoa! The Sailor Soldier for the planet Exegol!?

Me: Yep.

Sailor Exegol: It's good to see you again J.D.

Me: Same to you Ellie.

Eli: Exegol was where the final battle with Emperor Palpatine took place.

Varie: Yeah that was brutal.

Me: And also that's also said to be where the entirety of the power of the Dark Side of the Force Originated.

Nico: Yeah.

Me: That was intense.

Nico: I'll never forget that moment.

Varie: Me neither. That was epic.

Me: Ellie I take it you heard about us destroying Palpatine there right?

Sailor Exegol: I sure did and that monster deserved to be destroyed for everything he did. I can't believe he was that evil.

Me: So many people of the Jedi and the Sith and countless planets all over the galaxy suffered because of him.

Eli: No kidding.

Aylene C.: Yeah that was brutal that he did all that.

Me: But also to be honest you are the first Sailor Soldier of the Sith planets we met.

Sailor Exegol: I sure am and I heard that you guys were meeting many of the other Sailors.

Me: Yep.

Varie: Yeah by the way we don't know where Exegol is located at.

Me: Well we found out according to the star charts that Exegol was not in our galaxy but it was actually located in the Andromeda Galaxy.

Nico: Whoa! No wonder the Jedi and the Rebels had trouble finding it.

Maria: We should visit it sometime.

Me: Uhh that's gonna be impossible actually. During one of our major battles we had we destroyed it and blasted it completely into space dust.

Maria: Oh right I forgot about that.

Sailor Exegol: My planet had it coming. It was a planet of evil. But nonetheless I will redeem my planets name and be good.

Me: That's good you will.

Eli: But do you also have the powers of the Dark Side of the Force with you?

Sailor Exegol: I sure do. I have all the powers of the Dark Side in me but I use them for good.

Me: That's incredible.

May: That's actually very nice.

Me: Yeah that is amazing.

Qin: It sure is.

Me: Were there any other opponents with you?

Sailor Exegol: As a matter of fact yes. Another version of (Points to Shendu) him.

Shendu: Another version of me!? Whoa!

Eli: Wow! This one is gonna be potent.

Lola: Yeah!

Me: And it will have all his powers like with the talismans.

Xenia: Yep.

Sailor Exegol: That's right.

Me: So who will volunteer for this one?

Eman Reynolds: I will do it.

Me: Go for it Eman.

Lincoln: Yeah!

Sailor Exegol: Okay then.

She turned into Another Dorado Undead Zodiarts and Eman fired waves of water and blasted her down and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She exploded and was back to normal and I caught the Rouse Card and the Zodiarts Switch and purified them. The Rouse card had the symbol and stars of Dorado the Swordfish and a swordfish on it.

Me: Cool.

The Zodiarts switch glowed and turned into armbands for Dorado the Swordfish and Eman got one.

Eman Reynolds: Awesome!

I went over to Sailor Exegol and picked her up and I brought her over.

Sailor Exegol: (GROANS) What a headache.

Me: But you're back to normal.

Nico: Is the Another Shendu friendly or hostile?

Sailor Exegol: Friendly. It's someone that J.D. knows.

Eli: And I sense it. It's there

We saw a figure came out and it was a dark version of Shendu! It was ANOTHER SHENDU!

Me: WHOA! Another Shendu!

Shendu: This one is gonna be awesome.

Nico: And you are?

Another Shendu: (In a girls voice) J.D. knows me.

Me: (GASP) Pyra Raiga!? Whoa!

Another Shendu: It's good to see you again J.D.

Me: You too Pyra.

Nico: You know her?

Me: I sure do. Pyra is one of the most powerful fire angels I know. She has fire powers that are as strong that they are said to be as powerful as those of the Fire Gods and Goddesses of the World enhanced 500,000-fold. She and I went to school together and she is gifted in blacksmithing, metalworking and jewelry and is also a really powerful fighter.

Nico: WHOA! That is powerful and amazing!

Qin: Yeah it sure is.

Another Shendu: It sure is.

Kaito: (gets out Carranger gear) Did Swartz promise you anything?

Zocks: (Gets out Ohranger gear) Because we can grant it instead.

Another Shendu: Unfortunately no he didn't. He sent me on my way because he was afraid I would burn down his lab.

Me: With your intense fire powers I don't blame him. But either way we got to save you.

Nico: Yep.

Another Shendu: Come at me and don't hold back.

Me: You got it!

Kaito got a Carranger Sword and Zocks got a Zeo Sword.

Nico: This is gonna be good.

Me: Time to burn off all those calories from that pie.

Sougo: (gets out Faiz Blaster Form Ridewatch) Also, Swartz was probably afraid of you because of how powerful Shendu is.

Another Shendu: That might be it.

Armor Time! (Remix of The people with no name) Chou energy! Faiz Blaster! Awakening!

Geiz: (gets out Geiz Majesty Ridewatch) Which is true.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo got FaizBlasterFormArmor while Geiz became Geiz Majesty.

Me: Nice. Now lets see how strong that fire is.

I fired a massive blast of fire and Another Shendu fired a massive blast of fire and the blasts collided and the heat coming from it was intense!

Qin: WHOA! That is powerful!

Nico: WOW! HOT!

Eli: Yeah!

Shendu: I'm not called the Demon Sorcerer of Fire for nothing.

Lola: No kidding! Awesome!

Nico: (Gets out Shendu's Ridewatch) Burn baby burn!

Nico activated it and breathed a massive blast of fire from his mouth and it hit Another Shendu and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was knocked down.

Me: YEAH!

Laney: Wow that was intense fire!

Me: Yeah.

Nico: Time for this. (ACTIVATES EVIL BUTANE MAN'S RIDEWATCH)

Nico fired a powerful blue fire blast and it hit Another Shendu and smashed her down!

Lola: Oh yeah!

May: (gets out Chilli Billi) I'm all fired up!

She activated it and fired balls of fire and blasted Another Shendu all over.

Nico: YEAH!

Me: Infernal!

May: And now for this! (ACTIVATES BLAARG'S RIDEWATCH)

She fired waves of lava and blasted down Another Shendu.

Me: Not that Lava will work on her but that was cool.

Lola: Yep.

Maria: (gets out Pixie Empress' Ridewatch) Magic time!

She activated it and fired waves of magic and blasted down Another Shendu.

Me: Shendu you aren't impervious to magic are you?

Shendu: Not that I can know of.

Qin: Hmm.

Maria: Time for more burn. (ACTIVATES LAVA BUBBLE'S RIDEWATCH)

She fired waves of lava and many Lava Bubble's popped out and smashed Another Shendu all over.

Nico: Nice one!

Then Living Laser and his team consisting of Raizen, Zazz, Gigertox, Cooler And Evil Nitro Man came.

Nico: Nice team, Living Laser!

Living Laser: Thanks Nico. It's cool.

Raizen: It sure is.

Yost Spiderman: Don't leave me hanging. (ACTIVATES EVIL BUTANE MAN'S RIDEWATCH)

He fired waves of fire and smashed her down.

Qin: YEAH!

Lola: Awesome!

Maria: Hope the next gene-slammer is near.

Yost Spiderman: But in the meantime… (fires web at Another Shendu's eyes)

She was blinded.

Another Shendu: Hey!

Then a figure came out and it was a PRIMEAPE!

Nico: WHOA! A Primeape!

Qin: WHOA!

Primeape: (In a girls voice) (Russian Accent) Looks like I got here just in time comrades.

Nico: Amelia Tereshkova!? Whoa!

Primeape: Good to see you again Comrade Nico.

Me: Wait Amelia Tereshkova? Where have I heard that name before?

I thought about it and then it hit me.

Me: (GASP) Whoa man! Amelia Tereshkova the Scumbag Decapitator!?

Qin: Yep that's her.

Me: Whoa!? I've heard so much about her! She killed MANY scumbags all over Russia all by just punching their entire heads off! Killing them instantly!

Nico: Yep. She was born with incredibly powerful strength.

Primeape: That's right. I got this.

She then went over and punched Another Shendu all over the place with incredible force and then smashed her down and then I caught the ridewatch and purified it and I went over to Pyra and she had blood dripping from her mouth and had nasty bruises all over her. She was a girl with red hair and had red clothes and fire angel wings.

Pyra Raiga: (GROANS) That hurt.

Me: But you'll be all right. Holy shit! She did a number on you!

I picked up Pyra and she screamed in pain.

Varie and me helped her.

Varie: Hang on Pyra. I'll have you taken to the infirmary.

She called in the medical team.

Primeape: Sorry about that. Don't know my own strength.

Yost Spiderman: What's your favorite memory of Nico?

Primeape: Most of my memories involve killing bullies that came after him. One time this bad girl came and threatened to slash his throat and I punched her head off and killed her. Her friends ran in fright.

Qin: I remember that. She was a menace. Amelia was like an awesome bodyguard for Nico.

Primeape: That's right Comrade Qin.

Me: Boy bullies that mess with Nico had better think twice before messing with you.

Nico: Yeah.

Primeape: Indeed.

Me: Lets get you back to normal.

Primeape: Okay but I'm naked.

Nicole: But you would also make an amazing addition to my bully bounty hunting squad.

Primeape: I would like that comrade Nicole.

Nicole: I can tell. But no peeking at her or I will kill you!

I put on my glasses and snapped my fingers and all the boys covered their eyes.

Amelia was in pain but still smirked as she saw her muscles decreasing. She was a girl with orange hair and orange eyes. She was a really tough girl! But she reverted back and was naked and the fashion brigade moved in and gave her awesome new orange athletic clothes.

Amelia Tereshkova: Wow. That was awesome. But these clothes are great comrades.

Rarity: Oh they look great on you darling.

Nico: They sure do.

Nico hugged her.

Nico: I've really missed you Comrade Amelia.

Amelia Tereshkova: Me too Comrade Nico. Me too.

The ambulance from the estate came and loaded Pyra Raiga in and we went back home and Pyra was put in the infirmary.

And we're also going to take down a figure from Nicholette and Michelle's past: Nathaniel Torrington, the cousin of Nicholette Torrington and Michelle Torrington, but despite that he has the same name as his cousins, he's the complete opposite of them in personality, he's the meanest, nastiest, cruel, and evil person that Nicholette and Michelle have ever known, and he's a thug who's all talk and no action and with a criminal history, and he's broken out of prison for revenge on them for turning him in.

Lincoln: Whoa, we're back in Dark World for Day 19, the final day of The Dark World Treasure Hunt, and I know what we're going to do here, not only am I going to rescue the eight girls here, but Nicholette Torrington is going to get a powerful treasure there: a powerful greatsword known as The Demonic Darkness Knight Greatsword of Zure, Knight of Dark World.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) That's right, and since she was Gene-Slammed into Zure, Knight of Dark World, it's perfect for her, and we're also going to take down Nathaniel Torrington.

Nicholette Torrington: (Growls) I should've known that prick would one day escape from prison, he just doesn't know when to quit!

Michelle Torrington: After all the crap he's done in tormenting us, I should've let you curse him for all eternity.

Me: You two definitely have a nasty history with this guy, can you tell us about him?

Nicholette Torrington: Of course. Nathaniel Torrington is related to us, we're cousins, but he's not like us in personality, he's the meanest, nastiest, cruel, and evil person that we've ever known.

Michelle Torrington: He's a thug who's all talk and no action, case in point, he bragged about allying with Damian Alaister and The Church of Necrom, but it was a lie just to piss us off for his own sick amusement, and it worked. Plus, he's also got a criminal history of robberies, arsons, and assaults, so he was nothing but trouble from the beginning.

Nico: Jeez!

Nicholette Torrington: But, his life of freedom came to an end when we stopped him when he tried to blow up City Hall and we got him sent to prison for life, and as a result, we severed all ties with him. Now, he's broken out of prison and he's here in Dark World for one thing: revenge on us.

Me: What a stupid asshole!

Lincoln: That's why Nicholette never talked about him, nor her aunt and uncle.

Nicholette Torrington: Yep, and after Nathaniel was arrested and sent to prison after getting convicted in court, Dad told off Uncle James, who's his younger brother, for not reigning in their son and letting him run wild, and I thought Lincoln's family was loud.

Michelle Torrington: Mom did the same to Aunt Amy, and after the reprimand, our parents cut their ties with those two for good.

Lincoln: Either way, we need to take down Nathaniel and send him to The Uranus Prison for all the trouble he's caused, and I want to thank you and Veronica for joining us, Georgina.

Georgina: You're welcome, Lincoln.

Natalie Kendall: We were so glad that Linky asked you and Veronica to join us.

Eleanor Collins: Yeah, since Natalie, Sophia, Spyro, and I are part of your group, it's only natural.

Sophia Presley: Plus, we're already part of Lincoln's rescue group since he included his entire harem. Now, let's head for Zure, Knight of Dark World's shrine and hunt down Nathaniel Torrington.

We continued on and arrived at Zure, Knight of Dark World's shrine, and then, the rainbow iris of Lincoln's Third Eye glowed, and the doors opened and we entered, and we saw a massive demonic looking greatsword floating in the center and with dark light shining down on it: The Demonic Darkness Knight Greatsword of Zure, Knight of Dark World, a powerful demonic massive greatsword with azure gems embedded in the 7'0" massive, wide, double-edged midnight black blade, large midnight black demon heads for the crossguard, large azure gem embedded in the rainguard, longer midnight black handle, four large demon heads and a large azure gem on the bottom of the demon heads for the pommel.

Rarity: My word, is that…?

Lincoln: The Demonic Darkness Knight Greatsword of Zure, Knight of Dark World, that sure is one scary looking demonic greatsword.

Nicholette Torrington: You said it, and it's perfect for me.

Suddenly, we saw Ghostrick Socuteboss and Thunder Dragon Thunderstormech appear before us, and with us are the eight girls.

Nico: Wow, that's Ghostrick Socuteboss and Thunder Dragon Thunderstormech.

Ghostrick Socuteboss: (Girl's voice) (Scottish Accent) That's right.

Thunder Dragon Thunderstormech: (Girl's voice) And we got the girls away from Nicholette and Michelle's former cousin.

Lincoln: (Gasps) Those voices, Rachel Truaigheaingeal and Lara Tōzokudoragon, it's so awesome to see you both again, but we'll talk later, we still got Nathaniel Torrington to deal with.

?: NICHOLETTE, MICHELLE, YOU WILL BOTH PAY FOR THROWING ME IN JAIL!

Nicholette Torrington: Yep, there's no mistaking that voice, get out here right now, Nathaniel, or this is going to get ugly!

We then saw our target: Nathaniel Torrington, the ex-cousin of Nicholette and Michelle Torrington now convicted criminal, he's a punk with black hair and in a red prison jumpsuit.

Michelle Torrington: (Growls) I should've known you'd break out of jail one of these days, and I had to guess that Aunt Amy and Uncle James had a hand in this.

Nathaniel Torrington: And now, I will have my revenge on you both!

Nicholette Torrington: Not happening anytime soon, dumbass!

Nicholette Torrington went up and grabbed The Demonic Darkness Knight Greatsword of Zure, Knight of Dark World. Suddenly, Nicholette Torrington's purple eyes turned neon purple and she was surrounded by a black and purple energy aura with demons, darkness, and dark magic, she unholstered her massive Zure, Knight of Dark World's Demon Knight Greatsword of Darkness Justice from her back, and as she approached Nathaniel Torrington, she left black and purple energy, dark magic, demons, and darkness with every step.

Nicholette Torrington: I always knew you were nothing more than trash, Nathaniel, you've tormented and Michelle every time you and our despicable relatives came over to visit, and you've gotten away with it for so long, but, our parents were on to you, and they sided with us. I would've thought we'd never have to see your ugly mug after you got sent to jail, but as always, our despicable relatives did have their ways of making that happen, and now, we're going to see to it that you get sent right back to jail and this time for good!

Suddenly, Nicholette Torrington was surrounded by a massive vortex of black and purple energy with darkness and dark magic surrounding it, there's an army of demons and Zure, Knight of Dark World flying around the vortex, and in the vortex is a black phoenix. Then, as the vortex faded, Nicholette Torrington emerged, but she was changed forever.

(NIGHT WRAITHS BY NOX ARCANA PLAYS)

Nicholette Torrington grew from 6'11" to 7'4" in height, she has the body of a goddess, she has black highlights in the bangs of her long flowing dark purple hair and black flower barrette, she has neon purple eyes and a black and purple energy aura with demons, darkness, and dark magic surrounding her, she has Zure, Knight of Dark World emblazoned on her forehead and Third Eye with purple iris, she has on demon earrings with dark purple gems for eyes and holding the Dark and Eternity Kanjis in its hands, she also has Zure, Knight of Dark World with dark purple gems for the eyes and the Dark and Eternity Kanjis in its hands for the second pendant, along with the golden Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with dark purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolt links and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Nicholette Torrington felt a sharp pain on her back, and then, her massive dark purple angel wings with black tips grew much bigger for her new body, and she now has eleven massive and long purple wolf tails. Nicholette Torrington has on a Ring of The Phoenix with dark purple gem and heart shaped gem embedded in it on her right ring finger and a Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Nicholette Torrington's massive Zure, Knight of Dark World's Demon Knight Greatsword of Darkness Justice and The

Demonic Darkness Knight Greatsword of Zure, Knight of Dark World and all the other swords she'd gotten began merging together, and they're surrounded by a kaleidoscope of black and purple energy, darkness, demons, knights, and dark magic, and when it emerged, it was transformed into Zure, Knight of Dark World's Demonic Darkness Knight Greatsword of Demonic Dark Knight Magic Justice, it's a brand-new massive greatsword with embedded azure gems and Zure, Knight of Dark World, etched on the 7'0" massive, wide, double-edged, midnight black blade, large midnight black demon heads for the crossguard, large purple gem embedded in the rainguard, longer midnight black handle, four large midnight black demon heads with azure gems for eyes and a large azure gem on the bottom of the demon heads for the pommel, she has on her new large gold cuff Bracelets of the Champions of The Universe with purple gems on her wrists, gold Belt of Elemental Bravery with a gold version of Zure, Knight of Dark World's head with azure gems for eyes and a large azure gem in its open mouth for the belt buckle, Destroyer of The Church of Necrom grimoire, The Dark World Grimoire, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. Nicholette Torrington has transformed into SUPER ANGEL-DEMON-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS ZURE DEMON KNIGHT DARK WORLD DEMONIC ANGEL OF DEMONIC AZURE DARK WORLD JUSTICE AND DIVINE DEMON AZURE KNIGHT DARK WORLD LOVE!

We were amazed by Nicholette Torrington's Super Angel-Demon-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Nathaniel Torrington saw it, he went ballistic and he went at Nicholette Torrington to kill her, but Nicholette Torrington fired a powerful black and purple energy blast with demons, darkness, and dark magic at Nathaniel Torrington and sent him flying out of the shrine and we followed, he got up, but he was mega pissed off now.

Michelle Torrington: Alright, Nicholette's transformed!

Lincoln: And now, we're finally going to put that dumbass back in prison for good, and Nicholette, you look beautiful, how do you feel?

Nicholette Torrington: (Divine Echoing Cosmic Voice of the Dark World Azure Demon Knight and Divine Demon Knight Dark World Divine Love) I feel incredible, Linky. Now, shall we put that dumbass back in his place once again?

Lincoln: (Smiles) With pleasure, Nicholette.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Nicholette Torrington.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Buffalo Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've caused enough trouble for Nicholette and Michelle for the last time, now, you're going back to prison forever, Nathaniel.

Nicholette Torrington and Lincoln went after Nathaniel Torrington, and they fired extremely powerful blasts of rainbow energy, black and purple energy, dark magic, crosses, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, fairies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, and Mermaids at Nathaniel Torrington, and they exploded with incredible power as they hit him. Then, they also attacked him with slashes from their massive greatswords, and slashes from Lincoln's claws, and he drew more blood.

Michelle Torrington: Oh man, Nicholette and Lincoln are literally tearing that douchebag to shreds!

Nico: They sure are. Let's give them a helping hand and really make that douchebag pay!

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Nicholette Torrington, her hand-cannon Blaster is known as Zure, Knight of Dark World's Demonic Knight Darkness Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's black with azure flames on the blaster with a Phoenix, Angel, and Zure, Knight of Dark World surrounded by darkness etched on the sides, and a purple gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Nicholette Torrington fired blasts of rainbow energy, black and purple energy, and elemental forces at Nathaniel Torrington and as they hit him, they exploded with incredible power, and really knocked him down.

Then, Nicholette Torrington read a page from her Dark World Grimoire, and Nathaniel Torrington was suddenly bound in a dark energy straitjacket and chains with runes, and he was then beamed to his new prison: The Uranus Prison's Super-Max Security Solitary Confinement Wing. We cheered wildly as we holstered our weapons and powered down, and Nicholette Torrington's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long dark purple wolf tails, and massive dark purple angel wings are permanent.

Nicholette Torrington: That'll teach you, you douchebag. Thanks for helping me take down that good-for-nothing ex-cousin of ours, Linky.

Lincoln: (Smiles Warmly) You're welcome, Nicholette.

Suddenly, Nicholette Torrington wrapped her arms around Lincoln's massive wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Nicholette Torrington's face, they deeply kissed passionately as Nicholette Torrington's left arm was still wrapped around Lincoln's massive, wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive right pec, and behind them was a Thunderbird, Phoenix, Angel, Demon, and Zure, Knight of Dark World flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and demons flying behind them and we cheered wildly. Lincoln and Nicholette Torrington came back to us as the display and Zure, Knight of Dark World vanished.

Nico: Looks like we not only ended The Dark World Treasure Hunt on a good note, but we also took down another douchebag ex-relative of two of our Guardian Angels.

Michelle Torrington: When news gets out that Nathaniel's been apprehended and sent back to prison, Aunt Amy and Uncle James will no doubt come after us for revenge.

Lincoln: The second they do, we'll be ready for them.

Nicholette Torrington: Yeah, and Mom and Dad already got their blows in on those two when they told them off after that douchebag got sent to prison.

Lincoln: Well, when we run into them, we'll be sure to tell them both off along with pummeling them into the dirt for what they did in breaking their son out of jail. (To Rachel Truaigheaingeal and Lara Tōzokudoragon) And it's so good to see you again, Rachel Truaigheaingeal and Lara Tōzokudoragon.

Rachel Truaigheaingeal reverted back to normal, and she's a beautiful girl with long flowing pink hair, pink eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful black angel wings, and she reigned in the power of Ghostrick Socuteboss, and she's dressed in a black sleeveless open blouse, black sleeveless midriff top, black skirt, black pants, black knee-high boots, and a long white sleeveless trenchcoat with darkness and succubi on the coattails and Ghostrick Socuteboss on the back and holstered on her back is a massive Ghostrick Socuteboss-themed greatsword with Ghostrick Socuteboss etched etched on the 7'0" massive, wide, double-edged midnight black blade, large succubi heads for the crossguard, large pink gem embedded in the rainguard, longer midnight black handle, four large succubi heads and a large pink gem on the bottom of the large succubi heads for the pommel.

And Lara Tōzokudoragon reverted back to normal, and she's a beautiful girl with long flowing dark blue hair, blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful dark blue angel wings, and she reigned in the power of Thunder Dragon Thunderstormech, and she's dressed in purple clothes, black knee-high boots, and a long white sleeveless trenchcoat with dragons and lightning bolts on the coattails and Thunder Dragon Thunderstormech on the back and holstered on her back is a massive Thunder Dragon Thunderstormech-themed greatsword with Thunder Dragon Thunderstormech etched etched on the 7'0" massive, wide, double-edged blade, large dragon heads for the crossguard, large dark blue gem embedded in the rainguard, longer midnight black handle, four large dragon heads and a large dark blue gem on the bottom of the large dragon heads for the pommel.

Rachel Truaigheaingeal: (Scottish Accent) Aye, you too, Lincoln, and it's also good to see you, Claire, Ramona Alucard, Aisha, Sarah, Winter, Ramona Qingzhao, Autumn, Mary, Dina, Makoto, Morrigan, Lydia, and Tiana again, Ursula.

Ursula Truaigheaingeal, Ramona Alucard, Sarah Dullahan, Claire Allaire, Aisha Arian, Winter Icyin, Ramona Qingzhao, Autumn Aluma, Mary Adelberte, Dina Mabrouk, Makoto Haruki, Morrigan Dabria, Lydia Anahita, and Tiana Masina: You too, Rachel.

Lara Tōzokudoragon: It's been such a long time since we last met.

Lincoln went up to Rachel Truaigheaingeal and Lara Tōzokudoragon and he hugged them, and Rachel Truaigheaingeal and Lara Tōzokudoragon were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and muscular he's really become, and they had atomic red blushes on their faces, and the atomic red blush on their faces went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Rachel Truaigheaingeal: (Scottish Accent) Aye, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new.

Lara Tōzokudoragon: You said it, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you know these two?

Lincoln: Indeed I do, Nico, the Ghostrick Socuteboss Gene-Slammer is Rachel Truaigheaingeal, she's my Guardian Angel from Scotland and his classmate in Gym. She's a Succubus and she was born with the powers of darkness and she also knew of Lincoln being a vampire-werewolf hybrid, just like the other Ghostrick Gene-Slammers. She's also the younger sister of Ursula Truaigheaingeal, and cousin of Morrigan Aensland, but watch out: if any perverted man dares to even peep at her, she'll kick their skulls in, and even worse, she'll use her dark power known as The Succubus' Death Kiss, a technique that drains the life-force of irredeemable male villains with a blowing kiss.

Nicole: Now, that's really what I call death to perverts!

Lincoln: Yep, and she's defended me many times from the bullies at home and Lori, Lynn, Lola, Lisa, and Luan and she's more than once exposed her Succubus nature and that scared the heck out of them. This one time, I made her a beautiful gold necklace with a bat pendant, and she loved it so much, she hugged and kissed me and I returned it. She's also good friends with Lucy and The Young Morticians' Club and she'll become a future member of The Goths of Darkness, and she hates Flip, Lewis Travolta, Pablo, Anderson, Hawk, and Hank with a burning passion and she wants nothing more than to kill them.

Brittney gave Rachel Truaigheaingeal the ring for The Goths of Darkness, and she put it on her right ring finger.

Lincoln: And the Thunder Dragon Thunderstormech Gene-Slammer is Lara Tōzokudoragon, she's my Guardian Angel from Japan and classmate in Math, but she's also one of the best navigators as well as a capable thief with honor.

Me: Just like Sly Cooper and his family, awesome!

Lincoln: Yep, and her last name, Tōzokudoragon, means Thief Dragon in Japanese. In fact, she taught me how to navigate and plot courses, and she even taught me how to be sneaky and steal from the crooked rich to feed the poor, and there's only one person in Royal Woods whom we stole from.

Everyone: Flip!

Nico: And tell me you guys also pissed him off when you were stealing from him?

Lincoln: That'll be revealed later on.

Rachel Truaigheaingeal: (Scottish Accent) Trust us, it'll be worth the wait. (To Lincoln) And Lincoln, there's something we want to give you: we want to give you our blood.

We gasped at their request, including Lincoln.

Lincoln: Rachel, Lara, are you absolutely sure about this?

Lara Tōzokudoragon: (Smiles) More than anything, after all, we're going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Rachel Truaigheaingeal and Lara Tōzokudoragon, and he saw that they're really serious, and he smiled as he walks over to Rachel Truaigheaingeal and Lara Tōzokudoragon, and he hugged their waists in his abnormally massive and powerful muscular arms, he slowly leaned his head down first on Rachel Truaigheaingeal's neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up, and he also did the same with Lara Tōzokudoragon.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Rachel Truaigheaingeal and Lara Tōzokudoragon with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Rachel Truaigheaingeal: (Scottish Accent)(Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you and Lara are now part of my harem and my many future wives, Rachel.

Rachel Truaigheaingeal and Lara Tōzokudoragon had a smile on their face and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around their waists and they wrapped their left and right arms around Lincoln's massive, wider, and muscular back, and he leans down to their faces and kissed the two of them passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the eight girls, and when Lincoln saw them, he recognized them immediately. The eight girls are Sayo Arima, Maria Sassa, Hajime Usami, Aya Chousokabe, Francoise Sakai, Ema Houjou, Shizuma Sanada, and Toba Yutaka from Double-J.

Lincoln: Oh wow, it's Sayo Arima, Maria Sassa, Hajime Usami, Aya Chousokabe, Francoise Sakai, Ema Houjou, Shizuma Sanada, and Toba Yutaka from Double-J.

Nicole: Awesome.

Lincoln: Are you girls okay?

Sayo Arima: Yes, we're okay, thanks to you.

Then, when Sayo Arima and the other seven girls saw who it was that saved them from Nathaniel Torrington, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

He had his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and large gold Elemental Shield of Harmony holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip, his Eater of Sins revolver and Elemental Universal Thunderbird hand-cannon Blaster holstered on his right

Sayo Arima: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Sayo Arima: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Sayo Arima, Maria Sassa, Hajime Usami, Aya Chousokabe, Francoise Sakai, Ema Houjou, Shizuma Sanada, and Toba Yutaka with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and Lincoln told everyone that Nicholette Torrington had gotten The Demonic Darkness Knight Greatsword of Zure, Knight of Dark World, and they were shocked when they found out the villain we went after was Nathaniel Torrington, the ex-cousin of Nicholette Torrington and Michelle Torrington and who broke out with help from their ex-relatives to get revenge on them for sending him to prison.

But, when Lincoln showed what happened such as Nicholette Torrington transforming into her Super Angel-Demon-Harmony Celestial Eternal Xelnaga form and all of us laying the beatdown on him and Nicholette Torrington using a spell she read from her Dark World Grimoire, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln, Rachel Truaigheaingeal, and Lara Tōzokudoragon have a lot of catching up to do, now that they're back in town.

Maria: And I couldn't believe that you and Michelle are even related to this douchebag.

Nicholette Torrington: I know, but he's made our lives hell, and that time he bragged about allying with that murderous bastard, Damian Alaister, along with The Church of Necrom, he said that just to piss us off, and it worked!

Lincoln: But, he paid for it with a trip back to prison for good.

Nico: But, we still got those rotten ex-relatives of Michelle and Nicholette to deal with, and they're not going to take kindly to the news of their son getting sent back to prison.

Me: Then, they need a really huge lesson in parenthood.

---

Here's the second scene

After taking down Nathaniel Torrington once and for all, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Rachel Truaigheaingeal and Lara Tōzokudoragon saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Rachel Truaigheaingeal: (Scottish Accent) Whoa, Ursula was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lara Tōzokudoragon: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Rachel Truaigheaingeal: (Scottish Accent) That's incredible, and we'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Rachel, what's the story on why you hated Flip, Lewis Travolta, Pablo, Anderson, Hawk, and Hank with a burning passion, and Lara, what's the story on how you and Lincoln have constantly pissed off Flip by robbing that stupid and crooked cheapskate blind?

Rachel Truaigheaingeal: (Scottish Accent) You're not going to like hearing this tale. One day, Lincoln and I were at Lake Huron for a swim, but then, we heard some loud bellowing yells and Lincoln also caught the stench of a certain smelly mutant cheapskate, and we saw who they belonged to: it was Flip, along with Lewis Travolta, Pablo, Anderson, Hawk, and Hank, and they still wanted to kill Lincoln again and kidnap me, but I'd had enough. Lincoln and I blasted the jerks with blasts of darkness and sent those morons into some police cars that came and dragged them back to jail.

Lincoln: We then found out that someone posted photos of Rachel in her bra and panties, and then, I saw that the username was "LiterallyLori", and when I pieced it together, I found out that Lori was the one who did the dirty deed.

We gasped.

Rachel Truaigheaingeal: (Scottish Accent) And I knew that Lori wanted revenge on me for pummeling her when she tried to kill Lincoln again and got grounded, and when Lincoln found out Lori did it, his body turned red with rage, his claws were out, his eyes turned red, and the turkey tail on his hair exploded like a volcano and steam whistled out of his ears, and I knew Lori fucked up big time, and we know how scary Lincoln can be when he gets mad.

Luna: (Shudders) Yeah, we knew that. After he found out, he flew back home and he was still in his swim trunks but he was really mad, and he bellowed out for Lori, and when she came down, Lincoln grabbed and pinned her to the wall, and he made her confess to what she did. When she did that, we gasped in so much shock, and Rachel followed Lincoln back home.

Luan: Lori went way too far that day, and thanks to Becky Long, she deleted the photos from Lori's account and Lori got grounded for nineteen weeks, and Lincoln put a curse on Lori that prevented her from getting her phone, if she tried to get her phone again, her face will be covered in pimples, and no amount of touch-ups from Miguel would fix it.

Nico: Holy crap! Lori, you really pissed off your brother badly if he put that kind of curse on you since that's one of his Guardian Angels, and if Ursula found out, she'd do to you what she did to Lola.

Lara Tōzokudoragon: That's a definite. Okay, now, it's my turn: Lincoln was right that he and I had stolen from Flip and given to the poor of Royal Woods for years, and I also taught him how to be sneaky, and to answer Nico's question, yes, we've pissed off Flip numerous times when we stole from him.

Sly Cooper: That's incredible!

Lincoln: Plus, here's a video compilation of us pissing off Flip when we stole from him and how he'd cursed and swore like a sailor numerous times.

Lincoln pulled up the video compilation, and we then saw Lincoln and Lara dressed like ninjas in those black body suits and masks, and they've made off with the money Flip's ripped off of people, and that resulted in Flip cursing and swearing like a sailor numerous times, luckily we had the newborns' ears covered so they wouldn't hear that Potty Mouth of Flip's, and it was way too hilarious, even Sly and his gang busted out laughing.

Sly Cooper: (LAUGHING HYSTERICALLY) Oh, oh man, that… , that was way too hilarious!

Bentley: (LAUGHING HYSTERICALLY) You said it, Sly, and Lincoln and Lara really did amazing in the heists!

Inspector Fox: (Spanish Accent) That's incredible, and did the police know about…?

Lincoln: (Speaking Spanish) En realidad, sabían sobre los atracos que Lara y yo hicimos en Flip, pero sabían que Flip era un estafador codicioso que era demasiado escurridizo y que no era fácil de atrapar. Entonces, con algunos contactos en la estación de policía, ayudamos a la gente de Royal Woods a recuperar lo que perdieron al robarle a Flip y usar ese dinero para alimentar a los pobres y ayudar a aquellos que fueron estafados por Flip y sus estafas. (Translation: Actually, they did know about the heists that Lara and I did on Flip, but they knew that Flip was a greedy con-artist who was way too slippery and he wasn't easy to catch. So, with some contacts at the police station, we helped the people of Royal Woods get back what they lost by robbing Flip and using that money to feed the poor and help those who got ripped off by Flip and his scams.)

Inspector Fox: (Spanish Accent) (Stunned) Ay, I forgot that you also speak Spanish, and you also had contacts in the Police Department, clever.

Lincoln: Thanks, Inspector Fox. Oh, and I also forgot to mention, Lara's also the twin sister of Nami.

Our jaws dropped.

CLANG!

I had to put our jaws back.

Me: You guys are gonna catch flies if you keep doing that. But also, Whoa!

Nico: Now, that's quite a revelation, so that's why Nami hugged Lara when we came back.

Lincoln: Same with Emily when Boa saw her again yesterday.

We got a shower afterwards, and then, Lincoln and Operetta are heading to an opera theater in the eastern part of Gotham Royal York.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large black fancy tuxedo with his jewelry and accessories, he also put on his Juniper Thunderbird cologne and he had his weapons holstered, just in case of trouble, and Operetta was dressed in a beautiful sleeveless purple dress with music notes, high heels, her jewelry and accessories and she also put on perfume and she had her weapons holstered in case of trouble. Plus, we found out that Operetta had feelings for Lincoln and Lincoln had feelings for Operetta, and he also saved her from a group of thugs hired by that demonic excuse for a babysitter, Icky Vicky, to kidnap and kill her to get revenge on us. Lincoln had brutally thrashed the thugs and dropped a piano on Icky Vicky's head. Plus, they also have to be on high alert: because news of Nathaniel Torrington's apprehension had already reached his parents, Amy and James Torrington, and they knew that not only were their two former nieces behind it, but also, Lincoln as well, and they were out for revenge.

Operetta: This is going to be truly an amazing first date, and right here in the opera theater.

Lincoln: You said it, Operetta, and this is the first time I've ever been here in the opera theater.

Lincoln and Operetta got balcony seats and they had a view of the stage, and the Opera that's to be performed tonight is Madama Butterfly by Giacomo Puccini. As the lights dimmed and the stage lights came to life, it was show time as the first act began, then after a brief intermission, the second act began, and after another brief intermission, the third and final act of the opera began, and it was truly amazing. Operetta was already holding Lincoln's hand, and he was already holding her hand. But, before the curtain could fall, the doors were kicked open, and Lincoln and Operetta saw two people there: it was Amy and James Torrington, the former Aunt and Uncle of Nicholette and Michelle Torrington, and they were pissed off.

Operetta: Those fiends, they had the gall to interrupt the final curtain call.

Lincoln: As soon as word of Nathaniel's apprehension spread, those two would eventually come out to get revenge. We have to stop them or they're going to put a lot of people in danger.

Lincoln grabbed Operetta in a bridal hold and he flew down and he landed feet first on the ground, and Operetta then set her feet on the ground.

Lincoln: I should've known you two would come crawling out as soon as word hit of what we did to your son.

James Torrington: You… , you and that stupid bitch, Nicholette, you did this to our son!

Amy Torrington: We will have your head for this!

Just then, Nicholette Torrington appeared from a tornado of darkness.

Nicholette Torrington: Nice to know you two are still the same as ever, and you know what, Mom and Dad were right to have cut their ties with you after Nathaniel was arrested long ago, you two never took responsibility to raise him right and you let him run wild and torment me and Michelle. Well, that ends here!

Lincoln and Operetta then sang a duet which fired energy ropes and tied Amy and James Torrington up.

Nicholette Torrington: Wow, that was a nice duet, you guys.

Lincoln: Thanks, Nicholette. Sorry that our date was…

Operetta then kissed Lincoln on the lips and he returned it as he hugged her in his massive and very muscular arms, and then, he slowly leaned his head down first on Operetta's neck, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Operetta's neck with red gems embedded in the gold lightning bolts and purple crystal links from her merged Crystal Necklace of The Buddha and an Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Nicholette Torrington: Welcome to the harem, Operetta. Now, let's head back and tell Michelle we've apprehended our so-called Aunt and Uncle.

Lincoln and Operetta came back home to The World Tree Estate and they were back in their original clothes, and Nicholette Torrington came back and with the tied up Amy and James Torrington in tow.

Nico: Hey, Lincoln, Operetta, how was your date?

Lincoln: It was awesome, Nico, we went to the Opera Theater in the east of the city and we attended the opera, Madama Butterfly by Giacomo Puccini.

Operetta: It was truly amazing, but the final curtain was interrupted.

Nicholette Torrington: (Drags her tied-up former Aunt and Uncle) By our former Aunt and Uncle. Hey, Michelle, look who's come out of hiding!

Michelle Torrington came in and when she saw her former Aunt and Uncle, she was ready to blast the heck out of them.

Michelle Torrington: So, they came here to get revenge on us for what we did to Nathaniel.

Lincoln: Yep, but Operetta and I stopped them and we sang a duet which tied them up, and now, Operetta's now part of my harem.

Nicholette Torrington: That's right. Michelle, call Mom and Dad, I think they need to tell off our former relatives even more since they refused to learn their lesson.

Michelle Torrington called their parents and told them of what happened, and as soon as they arrived, they immediately began to tell Amy and James Torrington off.

Michael Torrington: James, I can't believe you tried to attack my soon-to-be future son-in-law and my two daughters because you still won't let go of what happened. You know what, you should've taught Nathaniel some manners and discipline, so he wouldn't have done those things to Nicholette and Michelle.

James Torrington: It's always been like this: those two bratty daughters of yours are always the talk on everyone's lips, how they're successful and have boyfriends/future husbands, and our son: he's in prison for Life!

Michaela Torrington: That was because of your fault and Amy's, you never taught him any manners or discipline, and because of it, he became a criminal and a thug who threw away his own life for his own wanting to be a scumbag criminal.

Amy Torrington: When we get out of this, you will all suffer and die!

Michael Torrington: No, you two aren't going to hurt any of us, and it's no surprise that you're still the same jealous and envious little monster from years ago, James. You haven't grown up mentally at all, you've hated me even though I was the oldest of the family, you were always jealous of what I did to succeed in life while you just complained and behaved like a spoiled brat.

We then called the cops who took Amy and James Torrington away, and because they also helped out in assisting in Nathaniel Torrington's escape, they were convicted and were given a 25-year sentence in federal prison.

Nico: Hello. Any Undead around?

Then we heard screaming.

Me: Uh oh.

We saw the aforementioned Undead and they hurt a girl and then I swooped in and kicked them down and then a dark version of Bullfrag appeared and she was helping me!?

Me: Whoa!

Another Bullfrag: (In a girls voice) Australian Accent) Crikey, those blokes are bad news.

Me: Codi Albertson!? Whoa!

Another Bullfrag: G'day J.D. Bonza to see ya again mate.

Me: No sweat there. We can easily help you out on that.

Sunset Shimmer: We sure can.

Fluttershy: Oh we sure can.

Irma: Yeah.

Nico: Sorry we have to fight like this Codi.

Another Bullfrag: No worries mates but come at me and don't hold back.

Me: You got it. But we have to deal with the Undead too.

Eli: Lets get them! (IGNITES LIGHTSABER)

The Underground Girls concentrated and then, they groaned as their jumpsuits started straining against their expanding bodies.

Georgina: Our form fitting jumpsuits aren't able to fit our forms now!

Kendra: I don't think they can hold us in any longer!

Then they ripped and they transformed into their creature forms!

Quarry: This is gonna be fun!

Stonebiter: Yeah it sure is!

Kazuma: WHOA! Are those all your monster forms!?

They transformed!

Lola and Taranee fired waves of fire and they hit the Spider Undead and blasted it all over in powerful fiery explosions!

KRABBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM!

Nico: (gets out Xiao Fung's Ridewatch) Time to blow you guys away!

He activated it and then…

(EXTREMELY LONG MASSIVE BELCH)

He fired a huge blast of wind with that belch and blew the Spider Undead into the wall!

Nico: Excuse me! NOT!

The Spider Undead was pissed at Nico for that one!

Lucky: (gets out Acrobat's Rouse Card) Time to test your luck!

I fired a wave of lightning and it hit the Mantis Undead and electrocuted it all over and Lucky activated Acrobat's Rouse Card and he did some flips and kicked Mantis Undead all over the place and smashed him into dust.

Eli fired waves of Force Lightning and blasted down Beetle Undead all over.

Aerrow: (gets out Vortex's Rouse Card) My turn!

Aerrow activated it and fired waves of lightning and blasted the 4 Undead all over.

Cornelia grew vines and held the 4 Undead all in place with them.

Lillian: Time for this.

She fired waves of light and blasted them all over.

Twilight Sparkle and Sunset Shimmer fired waves of energy and fire and magic and blasted them both all over.

Lincoln: Take this!

Lincoln and me fired waves of lightning and they hit the Spider Undead and it exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It was down and I threw a card and it was sealed.

Me: 1 down.

Mantis Undead charged at Evelyn.

Evelyn the grew a tree and it bashed Mantis Undead and sent it flying and Taranee and Lola fired blasts of fire and it hit it and blasted it all over.

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

Fluttershy and Lana fired waves of energy and blasted them all over.

Me: We'll show you who is chicken!

I pulled out Universe 666 Captain Hook's Wonder Ride Book.

Me: (Reads verse) "The heroes and Lost Boys of Neverland were blasting the foes and pirates all over with crazy pranks and shenanigans as they were killing them left and right. First they were hit with eggs that explode on contact and then tripped up with marbles and they landed on bear traps that snapped onto their butts and then rolled over by a huge boulder and then blasted with human hearts that exploded and burned them and melted them with acid blood."

Everything I said happened and the Beetle Undead was hit by all that and he exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I then threw a card and sealed it.

Laney: That was cool!

Nico: How many more?

Me: 3.

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM

Twilight and Rainbow Dash defeated the Mantis Undead by firing magic and lightning blasts.

Me: Make that 2.

I sealed the Mantis Undead.

Nico: That was Awesome!

Will: Who's left?

Me: Kerberos and Another Bullfrag.

Will: I got the Kerberos.

Me: Okay.

Will: Take this.

She fired waves of lightning and electrocuted it all over and then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was down and then she threw a card and sealed it.

Nico: NICE!

Another Bullfrag: Crikey that was great mates!

Me: Thanks Codi.

Kazuma: And great job saving those people from the Undead.

Another Bullfrag: Thanks mates. It was great.

Amane: What rescue organization were you planning to join?

Another Bullfrag: It was called Ayers Rescue. It's a group of rescuers that defend the lands of Australia against the evil forces of the nefarious Boss Sass. She is a ruthless crime lord that wants to rule all of Australia.

Me: I've heard of her. She wants to rule over all of Australia with an iron fist.

Nico: Whoa! Like how Ty and his team do it.

Lola: Yeah.

Another Bullfrag: That's right.

Nico: You're the only one left.

Another Bullfrag: I know mates. Don't hold back.

Me: Time for some awesome fun.

I fired waves of lightning and electrocuted her.

Kazuma dodged Another Bullfrag's tongue.

Eli then grabbed it and channeled Force Lightning into it and electrocuted her.

Lola: YEAH!

Nico: Shall we finish this?

Kazuma: We shall!

Will: Time to end this!

Nico: Combo attack.

Will: GUARDIANS

Kazuma: BLADE

Twilight Sparkle: FRIENDSHIP

All of us: MEGABLAST!

We fired a massive energy blast and it hit Another Bullfrag and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was down and I caught the ridewatch and purified it and I went over to Codi and she was a girl with orange hair and she was in Australian Outback clothes and I kicked her up and brought her over.

Codi Albertson: (Groans) Crikey that is a terrible headache!

Nico: But you're back to normal. And that's a bunch of Undead that have Failed this city.

Evelyn: Can someone get us towels after we revert back?

Me: Luckily I came prepared.

I pulled out a scroll and got out towels of different colors.

Quarry: Thanks guys.

I covered them in a dome of darkness and they reverted back in it. Someone knocked on the dome and I brought it down and the girls were back to human form and were covered in their towels.

They had towels of the following colors:

Sydney - Blue and red plaid

Nanette - Red and blue spots

* * *

We later came back.

Camie: Hey guys.

William: How did it go?

Me: Awesome.

We told them all about it and it was amazing.

William: Wow! That is awesome!

Nico: It sure was.

May: Next time, Troy and Kaito should go with you.

Me: Awesome idea!

Xenia: Yep.

* * *

We were watching TV and then Billy came in crying and wailing and he was all battered, broken and bruised and he was wailing like crazy!

Me: Billy!? Oh my god what happened!?

He ran to his room crying and was really hurt.

Me: Billy?

I went went and sat down with him.

Me: Billy are you okay?

Billy: (CRYING AND WAILING) SPERG BEAT ME UP!

Leslie Gesneria: Dammit, Sperg! Did you make Billy cry behind our backs?!

Sperg: It wasn't me! I've been working out the entire time!

Amelia: It's true. I can vouch for him.

Me: Weird. Wait a second! Billy did this version of Sperg had piercing red eyes?

Billy: Now that you mention it yes he did!

Nico: Whatever's happening, it's not good. Let's head for Endsville now!

We rushed on over to Endsville, and we saw Pudn getting beaten up by an even more evil version of Sperg, and he was laughing like the cruel bully he was in the past.

Me: What the, an even more evil version of Sperg?! Am I seeing double?!

Eli: No, you're not. But, how was this…?!

Lincoln: I don't even want to know, but that monster needs to be painfully thrashed about.

Nico: Big time!

Triple Berry: Amelia, looks like you get to kill another bully.

Amelia Tereshkova: I sure do.

Rainbow Dash: No leave this one to me.

Rainbow Dash then flew down in a fury and she punched that even more evil version of Sperg hard in the face and he went crashing into a wall, and Lincoln went up to Billy and Pudn and gave them a potion which healed him up.

Billy: Thanks, Lincoln.

Lincoln: You're welcome, Billy.

Just then, Evil Sperg got up, and man, he was absolutely pissed off now!

Evil Sperg: You got a problem, Wuss?!

Rainbow Dash: I do, and I'm already looking at 'em, and furthermore, don't even call me a wuss!

Evil Sperg: Bring it on, Rainbow Crash! (Laughs Cruelly)

We gasped!

Nico: Oh, you didn't just go there!

Me and Lincoln: You sick, heartless, little… !

Suddenly, something within Rainbow Dash's mind snapped when Evil Sperg said that insult, and then, her purple eyes turned neon purple, and she was surrounded by a rainbow energy aura with rainbow lightning, rainbow flames, magic, and Alicorns, she unholstered her massive Rainbow Dash's Rainbow Alicorn Greatsword of Athletic Loyalty and Friendship from her back, and as she approached Evil Sperg, she left rainbow energy, rainbow lightning, rainbow flames, magic, and Alicorns with every step.

Rainbow Dash: You absolutely make me sick, you little monster, what you've done to Billy was just absolutely pure evil and heartless, and you've done this sort of thing to so many other kids and you just don't know when to quit. (SUDDENLY GETTING EXTREMELY PISSED OFF) But, what you just also did right now in calling me that very insult and laughing like the heartless monster that you really are… , YOU'VE CROSSED ONE LINE FAR TOO MANY, EVIL SPERG! AS THE ALICORN PRINCESS OF LOYALTY AND THE AIR SKYLANDERS, I SHALL ADMINISTER UPON YOU THE HARSHEST PUNISHMENT THAT RIVALED EVEN THE BANISHMENT OF NIGHTMARE MOON!

We gasped at the extent of Rainbow Dash's fury!

Nico: Whoa, and tell me she's not serious about what she just said.

Lincoln: (Gulps) She is, Nico, she's dead serious, and as Lucy would say, no one shall say a kind word about Evil Sperg at his funeral. STAND YOUR GROUND, GUYS, SHE'S GOING TO EXPLODE!

We stood our ground as Rainbow Dash screamed like a madwoman and then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion of energy and power and she was surrounded by a massive vortex of rainbow energy with rainbow fire, rainbow lightning, and magic surrounding it, there's a group of Pegasi and an Alicorn flying around the vortex, and inside the vortex is a blue phoenix with red eyes glaring at Evil Sperg: the red eyes of death. Then, as the vortex faded, Rainbow Dash emerged, but she was changed forever.

We were truly amazed by Rainbow Dash's Super Angel-Alicorn-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Evil Sperg saw it, he screamed in rage and ran right at Rainbow Dash to kill her, but Rainbow Dash fired a powerful rainbow energy blast with rainbow lightning, rainbow fire, magic, and Alicorns, and it hit Evil Sperg and it sent him flying into another tree, he got back up, but he was really angry now.

Nico: Whoa, Rainbow Dash's transformed!

Thunderblast: Finish him off already!

Rainbow Dash: **With pleasure!**

Lincoln: **No one bullies Billy and anyone in Endsville on our watch.**

Rainbow Dash and Lincoln went after Evil Sperg, and they fired extremely powerful blasts of rainbow energy, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Evil Sperg and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him, along with scratches from Lincoln's claws, and they were angering him even more.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Rainbow Dash, her hand-cannon Blaster is known as Rainbow Dash's Athletic Rainbow Lightning Alicorn Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's blue with rainbow lightning bolts on the blaster and with a Phoenix, Angel, and an Alicorn surrounded by colored gems etched on the sides, and a rainbow gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Rainbow Dash fired blasts of rainbow energy, rainbow energy, and elemental forces at Evil Sperg and as they hit him, they exploded with incredible power, and he was knocked down.

Then, Lincoln used The Grim Reaper's Deathly Embrace and shadow hands from The Underworld rose up and grabbed Evil Sperg and dragged him down screaming into The Underworld. We cheered wildly as Lincoln and Rainbow Dash holstered their massive greatswords on their backs and powered down, and Rainbow Dash's new body, clothes, weapons, jewelry, Third Eye, longer rainbow tail, and massive blue angel wings are permanent.

Rainbow Dash: That'll teach you, you big bully. Thanks for helping me put a stop to that monster, Linky.

Lincoln: (Smiles Warmly) You're welcome, Rainbow Dash.

Suddenly, Rainbow Dash wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Rainbow Dash's face, they kissed passionately as Rainbow Dash's left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and an Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces behind them and we cheered wildly. Lincoln and Rainbow Dash came back to us as the display vanished.

Storm Rainbow: Wow, Mom, Dad, that was really one awesome and epic battle you fought against that Evil Sperg!

Twilight Sparkle: And Lincoln finished him off by using The Grim Reaper's Deathly Embrace, Morrigan Dabria's dark power.

Lincoln: Normally, we'd give him The Black Gates, but this time, I decided to use Morrigan Dabria's dark power, The Grim Reaper's Deathly Embrace and send him to The Underworld, he's not going to last a second in The Underworld.

Me: With the creatures that live there, he'll be begging for death.

Nico: You said it.

Me: Good riddance.

Qin: Yep.

Outback: Amelia would've ended it with one punch.

Amelia Tereshkova: It's true.

Qin: Yep.

Me: Evil Sperg got what he deserved either way.

Lola: Yep.

Disk Wars Mandarin: Nico, which teams have you made this time?

Nico: Megan's team will include Shugesh, Karla Grimm, Sailor Mustafar, Sailor Mon Calamari, and Gina Carmilla. Courtney's team will include Froze, Gwen Lancelot XXXVII, Nicholette Tesla, Luna Spencer, and Rachel Lilly.

Maria: Cool teams! But who is Karla Grimm?

Nico: Ezekiel Rage's daughter.

Maria: But that's impossible. Karla died in that car crash.

?: Actually no I didn't.

A figure came out and it was a girl with blond hair with blue eyes and pink clothes and she had a lightning bolt shaped scar on the right side of her forehead.

We gasped!

Me: Karla's alive!?

Qin: Oh man!

Nico: Karla is one of my fellow agents for the CIA and she has helped me out in my days as an agent before joining the team. I did not expect her to be Exekiel Rage's daughter who was alive this entire time.

Karla: Yeah. When dad accidentally drove over that cliff I was flung from the car and I hit my head on a rock and I was knocked out. I woke up in the CIA Headquarters and I was told about what happened to my dad and everything and it was heartwrenching for me to take in.

Me: Your father was going to destroy the entire planet to get revenge on the government all for you. He loved you more than anything.

Nico: Yeah.

Karla: I know. But I still love my dad.

Me: I know Karla. But I think it's time you save your father from himself.

Nico: Uh oh. I hope you aren't about to do what I think you're about to do.

Me: That's right. I'm going to bring Ezekiel Rage back.

Everyone gasped!

Eli: WHAT!?

Lincoln: J.D.'s lost his mind!

Nico: Stand down guys! J.D. has a good reason for it. Proceed. But I hope you know what you are doing.

Me: Okay.

I snapped my fingers and then a burst of fire exploded out of the ground and chained to an evil cross was EZEKIEL RAGE!

He saw us.

Ezekiel Rage: MAY THE DEATH OF THE WORLD BE UPON EACH AND EVERY ONE OF YOU!

Me: Rage stop this madness. You have someone who wants to talk to you.

Karla: Daddy?

She went over to him.

Ezekiel Rage: (GASP) Karla? Karla is that really you?

Karla: It sure is Daddy.

Ezekiel Rage: But you died.

Karla: No I didn't. I was flung from the car and I got this scar.

Ezekiel Rage: But I failed you Karla. I couldn't save you or your mother. I wanted to destroy the entire planet to avenge you.

Karla: It's not your fault daddy. I love you and the world is not your enemy. I know you were trying to avenge me but you were doing it because you love me. I love you more than anything daddy and you will always be a good father.

Ezekiel Rage: I'm sorry Karla. (Crying) I'm so sorry.

Karla then hugged him.

Ezekiel Rage: I'm sorry for everything I did.

Me: It's not your fault Rage. But you died more than enough times already. So we'll send you to prison and then you can join the M.O.E. When you are ready.

Ezekiel Rage: Thank you.

I teleported him to the Uranus Prison.

Nico: That was really amazing J.D. And Karla you are a hero for saving your dad from himself.

Karla: Thanks Nico.

Then the previous group of M.O.E. Came.

Brain Freezer: Can me, Living Laser, Robo Roxy, Man Boy, Toiletnator, Riddler, Zexion, Diabolico, Zzzax, and Speed Demon go with you guys?

Superfriends Captain Cold: Me, Raizen, Evil Clayface, Spellbinder, Pooperman, Country Boy, Evil Cloud Man, Yzma, Dragon Jellyfish, and Reverse Flash will come as well.

Nico: Yes you guys can come with.

Living Laser: And we saw the whole thing. Ezekiel Rage will make a great addition now that Karla saved him.

Me: Yep.

Dr. Ghastly: First of all, Nico, I hope you enjoyed our pies on your rescue. Second, which Gene Slammer do you think you'll meet next?

Nico: Yes we ALL did and they were so delicious. And the next gene-slammer is for Arcanine.

Qin: COOL!

Lola: Awesome Pokemon.

Nico: Yep.

King Kai: (Telepathically) Nico, everyone can you hear me?

Nico: King Kai, what's wrong?

King Kai: (Telepathically) I'm afraid I got bad news, a serial killer by the name of Jack Frost is waiting for you on the next food planet that you'll be heading to.

Me: (Gasps) You mean the evil and crazy serial killer turned mutant snowman from the 1997 movie of the same name?!

King Kai: (Telepathically) That's him.

Nico: Oh man, that madman needs to be melted into nothing and given The Black Gates for good.

Me: Yeah, he's a monster!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed four dark energy signals with their eyes and the Force, and they saw who the figure was in the vision: the figures were none other than Ibara, Mez, Sten, and Suzuka, the Four Rakshasa Demons and Prime Minister Honest's personal executioners, and they're coming here to get revenge on us for what we did in locking up Prime Minister Honest. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone else coming after us?

Lincoln: You guessed it, Rayman, and Ryuko, you and the others aren't going to like hearing this one bit: the four dark energy signals we sensed belong to Ibara, Mez, Sten, and Suzuka, the Four Rakshasa Demons and Prime Minister Honest's personal executioners, and they're coming here to get revenge on us for what we did in locking up Prime Minister Honest.

TLPS Ryuko Matoi: What?! Oh, that's not good, I thought I'd never have to see those four ever again.

Asuka Matoi: The Four Rakshasa Demons are without a doubt the four most dangerous and powerful warriors, and Ryuko has had trouble with them before. But, now, their time is finally up.

Kurmuru: That'll be left to me and Linky, we'll put an end to them.

Lincoln: Yeah!

Nico: Those four may have a reputation as powerful warriors, but we've dealt with powerful warriors like them before. Alright, gang, let's go, we got an awesome race on a new food planet that's been discovered.

Lincoln: A new food planet has been discovered, and we're having a race there, awesome. But, after we get done with the race, we got an evil and crazy serial killer snowman to melt down, and once we get through with him, you're next, Four Rakshasa Demons.

Lois Griffin: What does it say on his rap sheet?

Camie: I was just about to say that.

Nico: You guys aren't going to like him.

Nico went over his history and it was BAD NEWS in capital letters.

**Jack Frost** is the titular main antagonist of the 1997 horror comedy film of the same name, and its 2000 sequel *Jack Frost 2: Revenge of the Mutant Killer Snowman* .

Jack Frost was a serial killer and rapist who was transformed into a living snowman via chemical waste - he is a parody of horror movie monsters in general. Capable of performing many wild and crazy stunts with his new form and practically immortal Jack Frost terrorized the world in his quest to get revenge on the officer responsible for stopping him when he was still human.

He was both portrayed and voiced by Scott MacDonald.

On a snowy December night, a state execution transfer vehicle crosses into the quiet backwater town of Snowmonton. Inside is a serial killer named Jack Frost, who eluded police for years and left a trail of 38 bodies across five states before finally being arrested by the sheriff of Snowmonton for his dangerous actions. Frost is scheduled to be executed at midnight but due to the weather, a tanker containing genetic material collides with the prison truck, freeing Jack. As he tries to escape, the acid contained within the tanker breaks free, melting Jack's skin and skeleton. Shortly after his death, Jack's remains are fused with the snow.

Sheriff Sam Tiler is still haunted by his memories of Jack Frost. Despite news reports of Jack's demise, Sam cannot forget Jack's threats of vengeance. The sheriff's fears soon prove to be founded when Old Man Harper is found murdered. Soon afterwards, a local bully named Billy and his ski patrol gang are also killed. According to the sheriff's son, Ryan, a snowman caused the deaths. Billy's parents Jake and Sally are then murdered. Paul Davrow, the sheriff's friend, witnesses the murders, but no one believes him. Sam has his deputies lock him up.

FBI Agents Manners and Stone arrive in Snowmonton and convince Sam to put the town on 24 hour curfew, sending his officers out to gather all the townspeople. One of the officers named Chris Pullman is killed when Jack Frost runs Chris over with a police cruiser. Billy's older sister named Jill and her boyfriend Tommy sneak into the sheriff's home to steal his wine and have sex as payback for her brother's death, but Jack kills Tommy by impaling him through the head with an icicle and pretends to be bath water to lure in Jill, solidifying around her and uses his carrot to rape her to death.

Jack Frost returns with the police cruiser to the station, finally confronting Sam. Agent Stone reveals himself to be a representative of the genetic research company that created the acid and reveals that the snowman is a mutated Jack Frost. He also reveals that the human soul exists as a chemical and that the acid was going to be used to contain DNA in case of a nuclear holocaust. They attempt to destroy Jack by blowing him up by releasing aerosol cans in the police station and firing a bullet at him, but to no avail. They then use blow-dryers to drive Jack into a furnace, which evaporates the snowman. Unfortunately, Jack condenses, killing Agent Stone and wounding Agent Manners. Jack traps Sam and his son, Ryan within his car, but the sheriff escapes by inadvertently throwing the oatmeal his son made him at Jack, burning the snowman's head. His son, not wanting his father to be cold, put antifreeze in the oatmeal, believing it could help keep the oatmeal from getting cold.

Sam tells his friend, Paul Davrow to fill the bed of his truck with antifreeze. Jack chases Sam through the halls of a church and finally catches him, driving an icicle into his chest and almost killing him. The truck full of antifreeze arrives just in time, however, and

Jack and Sam crash through a window and into the truck's bed. Jack Frost melts in the antifreeze, and afterwards, the antifreeze is poured back into the containers, and then buried deep under the ground of Snowmonton. Sam's wife Anne, realizes that the state police are on their way. When Paul asks Sam what they are going to tell them, Sam says, "we'll tell them that it's too late". However, one of the containers is shown to be bubbling, suggesting that Jack is contained as a liquid, and is still alive.

Sam Tiler has been struggling to recover from the encounter with the mutated snowman known as Jack Frost (much to everyone else's disbelief and humor), ever since he rampaged through his hometown last Christmas. To get away from the stress, Sam's wife, Anne suggests a tropical vacation in a cabana far away in the Pacific for the wedding of his deputy, Joe Foster and his secretary Marla. Sam reluctantly agrees, after reinforcement from his doctor.

Meanwhile, the FBI has dug up the antifreeze used to dissolve Jack in the first movie, attempting to test it for remains of the genetic material. One of the janitors accidentally spills a cup of coffee into the tank of antifreeze, waking Jack up and causing him to reform and break free. He heads for the tropics, due to the idea that since Sam was wounded by Jack in the first movie, and his blood dripped into the antifreeze used to dissolve him, Jack is linked to Sam's psyche.

Sam, Anne, Marla and Joe, arrive at the tropics to a greeting by the eccentric Colonel Hickering and his assistants Captain Fun and Bobby. The festivities quickly begin, but things get deadly when Jack washes ashore and kills three ladies by transforming himself into an ice anvil to crush Ashlea, impaling his icicles into Paisley, and stabbing a pair of tongs into Rose's eyes. The next morning, the Colonel discovers the bodies and tries to cover up the whole mess, as he does not want this to ruin his resort. However, the island's manager, Agent Manners suspects that Jack has returned.

Jack continues his rampage, killing a beach model named Sarah by making her head explode (after she swallows him into her body as a piece of ice) and stabbing her cameraman Greg to death with his carrot nose. Sam begins to suspect that something is amiss when he runs into Manners, who agrees to an alliance in order to stop

Jack Frost. Sam, Captain Fun, and Manners stage a trap to capture Jack. This fails as the snowman they capture was really the Colonel in costume.

Jack, after slaying another beach model named Cindy by drowning her in the pool by freezing the surface, decides that the tropics are a bit too warm and freezes the place, causing it to snow and freeze the lifeguard. The party guests begin to play around in snowball fights when Jack enters the fray, killing at least another dozen. Sam, Anne, Marla, Manners and Joe lock themselves up in their room, using anti freeze to keep Jack at bay.

Sam and Manners decide to find help, and end up finding a room where the Colonel, Captain Fun, and Bobby have barricaded themselves in. Sam asks the three of them where they can find antifreeze, to which Bobby suggests they use the coolant for the generator, which uses the same material. Luring Jack into a trap, Sam once again tricks Jack into a pool of coolant. Unfortunately, this does not work, as Jack has become much more resilient to the antifreeze due to his time in the lab. Jack spits out a snowball and flees, followed by Manners, into the woods.

Sam, Anne, and the others observe the snowball and it "hatches" and becomes a baby snowman, who kills Captain Fun. They trap the snowman in a blender and try many different ways of killing it, all of which fail. Meanwhile, Manners has followed Jack to a shed, where he sees that Jack has spit up many, many snowball children. He calls the others and tells them what he has seen, but before leaving he is attacked and devoured by the tiny snowmen.

Sam, in panic since the antifreeze does not work, is pushed to the side as Anne takes charge in order get Joe and Colonel to go around the island to trap as many of the snowmen as they can until the supply boat (which is coming to the island to drop off more supplies) comes, while Bobby, Marla and Sam wait back in the kitchen. During the search, the snowmen kill seven more tourists. Eventually, Anne realizes that they can be killed by bananas, due to Sam being allergic to bananas. As a result, Jack would share the same vulnerabilities, since he absorbed some of Sam's genetics in Snowmonton. Everybody soon makes a big batch of banana smoothies, which they then use to kill the tiny snowmen. However, one of them crawls back to Jack, fatally wounded. Jack picks it up and observes it, and then watches it slowly die in his arms. He then sheds a tear mourning the loss of his new family.

This angers Jack, who stabs Colonel through the head with an icicle from behind and slits Bobby's throat with another icicle. Marla and Joe flee and lock themselves in the freezer with Captain Fun's body, while Anne is attacked by Jack. Sam snaps out of his paranoia and shoots Jack with a banana attached to an arrow, causing him to explode. Anne and Sam embrace each other, and walk towards the ocean, prepared to leave the island with any of the other surviving guests.

During the credits the two sailors on the supply boat are crushed by a giant carrot, implying Jack is still alive and has become kaiju-sized. After the credits roll, we're shown that Joe and Marla were accidentally left in the freezer by Sam and Anne, and it's implied that the couple froze to death in the freezer.

When he was done we were shocked, horrified and appalled!

Me: What a monster!

Laney: He is pure evil!

Toiletnator: That guy's a bad snowman!

Qin: And given the black gates.

Lola: Big time.

Nico: Yep.

Man Boy: You think he has an army of evil snowmen?

Country Boy: Don't jinx it.

Eli: But I don't sense that he has an army.

Commando Man: Then it looks like it's entrance time!

Nico: Lets get him!

We went at him.

He was getting impatient and then the spirits of the Winx Club and Their Friends swirled around him and then they converged and then…

Count Nocturne: What kinds did you eat?

Nico: All kinds! Really tasty.

?: Boy that is awesome.

A figure came out and it was TOMBSTONE ORG from episode 22 of Wild Force!

---

Late at a stormy night, Super Toxica and Super Jindrax dug up a tombstone that belongs to the presumably deceased Dr. Viktor Adler (who is actually still alive and is in disguised as "Master Org"). They brought the tombstone to Master Org, who infused it with the spirits of six defeated Orgs (consisting of Turbine Org, Camera Org, Freezer Org, Bus Org, Karaoke Org, and Samurai Org) with Dr. Viktor Adler's tombstone to form a new powerful Org called Tombstone Org.

He confronts all six Rangers along with Super Toxica and Super Jindrax in the forest. The Rangers morphed and did battle with the Org. The monster was too powerful and hard to defeat at first, but thanks to Cole's Lion Blaster, he was destroyed, so Super Toxica enlarged Tombstone Org and the Rangers summoned the Wildzords to form the Wild Force Megazord Predator Mode, but none of their ability's worked and Tombstone Org made a beatdown on it.

The Rangers then formed the Wild Force Megazord Predator Spear Mode, but even that wasn't powerful enough, so Tombstone Org made a beatdown on the Megazord with his sheer power until it got rescued by a new Zord called the Deer Zord. The Org launched a fireball at the Zord, but it didn't had any effect on him and only angered him instead, so he fired the Antler Trap at the Org, knocking him out temporarily. The Rangers were glad that the Zord has come, but the Deer Zord doesn't want to help because he was upset at Merrick and Princess Shayla for leaving him on Earth 3,000 years ago.

Later, the Org awoke and broke free of the trap before wreaking havoc on Turtle Cove. The Rangers formed the Kongazord Striker Mode to take on Tombstone Org and used the Bear Blaster, but the Org reflected it with ease. Then they used the Armadillo Zord, but the Org caught it and threw it back at the Kongazord.

Meanwhile Princess Shayla and Merrick made up to the Deer. Tombstone Org was about to make the final strike until the Kongazord fought back by firing yellow colored energy lasers from its shoulder cannons, and tying him up with the Anchor Chain before using its Mega Toss attack. While the Kongazord gets separated back into five Wildzords, the spirits of the six Orgs starts to leave Tombstone Org, but the Rangers still needs help from the Deer Wildzord. Luckily the Deer Wildzord has returned and he healed the the Red Lion, Yellow Eagle, Blue Shark, Black Bison and White Tiger Wildzords. After the White Ranger had been given the Deer Animal Crystal by Princess Shayla, the Rangers form the new Wild Force Megazord Clutcher Mode thanks to the Deer Wildzord. They then used the Wild Force Megazord Clutcher Mode's Capture Bubble to capture Tombstone Org and send him away for good.

Merrick: Tombstone Org!

Tombstone Org: Been a long time rangers.

Me: I remember you! You were made from the gravestone of Victor Adler who was the vessel of Master Org and you were infused with the spirits of six orgs Turbine Org, Camera Org, Freezer Org, Bus

Org, Karaoke Org, and Samurai Org.

Tombstone Org: That's right J.D. Good memory.

Me: Never missed an episode.

Tombstone Org: I sure gave the Rangers a tough time, huh?

William: You sure did.

Me: But it was still awesome and fun.

Camie: It sure was.

We got the battles underway

## Ace Bunny, Twilight Sparkle, Starshine Sparkle, Magic Skylanders, Sonic The Hedgehog, Disk Wars Silver Samurai and Disk Wars Mandarin VS Zavok - Nico's rescue

Zavok was firest.

Zavok: (to Ace) Nico's rescue involved him going to a restaurant. I hope he ate a lot.

Ace: Boy he sure did and we went to an awesome new Pie In the Sky Restaurant that was just built. Really awesome pie.

Twilight Sparkle: Boy it was really delicious pies too.

Starshine Sparkle: They sure were and Nico ate LOTS of them. But the Primeape Gene-slammer was really busy.

Spyro: Yeah she sure was. We found the corpses of hundreds of street thugs all with their heads LITERALLY punched off of them.

Zavok: HOLY CRUD! That is amazing that she is that strong!

Sonic: Boy you aren't kidding there.

Zavok: No kidding there. Lets do it!

Ace used the Magic Lockseed and got a magic sword and he read a verse and fired waves of anvils and smashed him all over the place and then they fired magic and smashed him down.

---

## Ben 10,000, Starlight Glimmer, Cozy Glow, Undead Skylanders, Beast Morpher Rangers, Major Dr. Ghastly, and Skarr vs Dumbbeltron - Battling Another Dorado Undead Zodiarts and Another Shendu

Dumbbeltron was next.

Dumbbeltron: (to Ben 10,000) Nico, Kendra's team, Shendu's team, and the others did good battling Battling Another Dorado Undead Zodiarts. And Another Shendu too.

Ben 10,000: They sure did and we were not expecting the Another Dorado to be the Sailor Soldier of Exegol.

Starlight Glimmer: Yeah that was crazy. But it was cool meeting her.

Cozy Glow: It sure was. And the Primeape Gene-slammer is really strong and powerful too.

Hex: No kidding. Her name is Amelia Tereshkova and she packs a deadly wallop.

Devon: We were amazed she was literally born with superhuman strength that is her natural strength.

Dumbbeltron: Wow! That is amazing! Lets do it!

Ben 10,000 used the Skull Fruit Lockseed and got a skull sword and he read a verse and energies from 10,000 of his aliens all flew in and smashed Dumbbeltron all over the place and then they fired waves of skulls, lightning, magic, bones and stars and smashed him down.

Style Queen, Rarity, Sweetie Belle, Water Skylanders, ToQgers, Lois Griffin, and Eret (How to Train Your Dragon) vs Marionette Shadow - Lincoln's Rescue

---

Marionette Shadow was next.

Marionette Shadow: (to Style Queen) I heard Lincoln's rescue involved him battling Nathaniel Torrington. How was it?

Style Queen: It was really intense and to be honest we were not expecting the bad guy to be Nicholette and Michelle's cousin Nathaniel.

Rarity: In fact darlings we had no idea he was their cousin.

Sweetie Belle: Yeah and their aunt and uncle never disciplined him one bit. That is crazy.

Gill Grunt: That kid was a ruthless delinquent.

Right Suzuki: But the good news is that he is back in prison where he belongs. And also during Lincoln's date they took down his parents and sent them to federal prison.

Marionette Shadow: Wow! That is awesome. And I bet Nicholette and Michelle's mom and dad told Nathaniel's parents off.

Style Queen: They sure did and man was it awesome!

Marionette Shadow: Good for them. Lets do it!

Style Queen used the Jewel Fruit Lockseed and got a Jewel Sword and she read a verse and numerous showers of jewels smashed Marionette Shadow all over and then they fired waves of water, ice and jewels and smashed him down.

Margo (Loud House), Rainbow Dash, Scootaloo, Air Skylanders, Dino Charge Rangers, Rotwood and Brad Morton VS Gameface - Meeting Gene-slammers for Ghostrick Socuteboss and Thunder Dragon Thunderstormech.

---

Gameface was next.

Gameface: (to Margo) I heard you guys met. Gene-slammers for Ghostrick Socuteboss and Thunder Dragon Thunderstormech. What are their names?

Margo: Their names are Rachel Truaigheaingeal and Lara Tōzokudoragon. Lara is also Nami's cousin and like her she is a master thief.

Rainbow Dash: Boy it was all awesome.

Scootaloo: Yeah it sure was. You should have heard their stories.

---

Rachel Truaigheaingeal: (Scottish Accent) Whoa, Ursula was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lara Tōzokudoragon: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful

teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Rachel Truaigheaingeal: (Scottish Accent) That's incredible, and we'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Rachel, what's the story on why you hated Flip, Lewis Travolta, Pablo, Anderson, Hawk, and Hank with a burning passion, and Lara, what's the story on how you and Lincoln have constantly pissed off Flip by robbing that stupid and crooked cheapskate blind?

Rachel Truaigheaingeal: (Scottish Accent) You're not going to like hearing this tale. One day, Lincoln and I were at Lake Huron for a swim, but then, we heard some loud bellowing yells and Lincoln also caught the stench of a certain smelly mutant cheapskate, and we saw who they belonged to: it was Flip, along with Lewis Travolta, Pablo, Anderson, Hawk, and Hank, and they still wanted to kill Lincoln again and kidnap me, but I'd had enough. Lincoln and I blasted the jerks with blasts of darkness and sent those morons into some police cars that came and dragged them back to jail.

Lincoln: We then found out that someone posted photos of Rachel in her bra and panties, and then, I saw that the username was "LiterallyLori", and when I pieced it together, I found out that Lori was the one who did the dirty deed.

We gasped.

Rachel Truaigheaingeal: (Scottish Accent) And I knew that Lori wanted revenge on me for pummeling her when she tried to kill Lincoln again and got grounded, and when Lincoln found out Lori did it, his body turned red with rage, his claws were out, his eyes turned red, and the turkey tail on his hair exploded like a volcano and steam whistled out of his ears, and I knew Lori fucked up big time, and we know how scary Lincoln can be when he gets mad.

Luna: (Shudders) Yeah, we knew that. After he found out, he flew back home and he was still in his swim trunks but he was really mad, and he bellowed out for Lori, and when she came down, Lincoln grabbed and pinned her to the wall, and he made her confess to what she did. When she did that, we gasped in so much shock, and Rachel followed Lincoln back home.

Luan: Lori went way too far that day, and thanks to Becky Long, she deleted the photos from Lori's account and Lori got grounded for nineteen weeks, and Lincoln put a curse on Lori that prevented her from getting her phone, if she tried to get her phone again, her face will be covered in pimples, and no amount of touch-ups from Miguel would fix it.

Nico: Holy crap! Lori, you really pissed off your brother badly if he put that kind of curse on you since that's one of his Guardian Angels, and if Ursula found out, she'd do to you what she did to Lola.

Lara Tōzokudoragon: That's a definite. Okay, now, it's my turn: Lincoln was right that he and I had stolen from Flip and given to the poor of Royal Woods for years, and I also taught him how to be sneaky, and to answer Nico's question, yes, we've pissed off Flip numerous times when we stole from him.

Sly Cooper: That's incredible!

Lincoln: Plus, here's a video compilation of us pissing off Flip when we stole from him and how he'd cursed and swore like a sailor numerous times.

Lincoln pulled up the video compilation, and we then saw Lincoln and Lara dressed like ninjas in those black body suits and masks, and they've made off with the money Flip's ripped off of people, and that resulted in Flip cursing and swearing like a sailor numerous times, luckily we had the newborns' ears covered so they wouldn't hear that Potty Mouth of Flip's, and it was way too hilarious, even Sly and his gang busted out laughing.

Sly Cooper: (LAUGHING HYSTERICALLY) Oh, oh man, that… , that was way too hilarious!

Bentley: (LAUGHING HYSTERICALLY) You said it, Sly, and Lincoln and Lara really did amazing in the heists!

Inspector Fox: (Spanish Accent) That's incredible, and did the police know about…?

Lincoln: (Speaking Spanish) En realidad, sabían sobre los atracos que Lara y yo hicimos en Flip, pero sabían que Flip era un estafador codicioso que era demasiado escurridizo y que no era fácil de atrapar. Entonces, con algunos contactos en la estación de policía, ayudamos a la gente de Royal Woods a recuperar lo que perdieron al robarle a Flip y usar ese dinero para alimentar a los pobres y ayudar a aquellos que fueron estafados por Flip y sus estafas. (Translation: Actually, they did know about the heists that Lara and I did on Flip, but they knew that Flip was a greedy con-artist who was way too slippery and he wasn't easy to catch. So, with some contacts at the police station, we helped the people of Royal Woods get back what they lost by robbing Flip and using that money to feed the poor and help those who got ripped off by Flip and his scams.)

Inspector Fox: (Spanish Accent) (Stunned) Ay, I forgot that you also speak Spanish, and you also had contacts in the Police Department, clever.

Lincoln: Thanks, Inspector Fox. Oh, and I also forgot to mention, Lara's also the twin sister of Nami.

Our jaws dropped.

CLANG!

I had to put our jaws back.

Me: You guys are gonna catch flies if you keep doing that. But also, Whoa!

Nico: Now, that's quite a revelation, so that's why Nami hugged Lara when we came back.

Lincoln: Same with Emily when Boa saw her again yesterday.

Suddenly, Kurumu felt a sharp pain on her back, and then, her bat wings grew much bigger for her new body, and right over the bat wings, massive ocean blue angel wings with deep purple tips grew and sprouted out, her tail grew much bigger for her new body, and her nails turned red, she has on a Ring of The Phoenix with deep purple gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Kurumu's massive greatsword and all the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of deep purple energy, bats, darkness, illusions, and succubi and when it emerged, it was transformed into Succubi's Seductive Illusionary Darkness Greatsword of Illusionary Darkness Justice, it's a brand-new massive greatsword with embedded deep purple gems and a Succubus etched on the 7'0" massive, wide, double-edged black blade, large Succubi heads for the crossguard, large deep purple gem embedded in the rainguard, longer midnight black handle, four large Succubi heads with deep purple gems for eyes and a large deep purple gem below the Succubi heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with deep purple gems on her wrists, new large gold Belt of Elemental Bravery with a gold Succubus' head with deep purple gems for eyes and a large deep purple gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. 黒野くるむ、妖怪学園の生徒、新聞部員、黒野揚羽の愛娘、明石家萌香らの友人、中世民話のA級サキュバス、誘惑と幻影と闇の強力な達人、愛するリンカーンの未来の妻ラウド、ピエモンの大敵、クヨと学生警察の破壊者、悪のスレイヤー、混乱した、殺人的、冷酷、サディスティックなろくでなし、驚くべき強力な教師の驚くべき強力な生徒、幻想、闇、コウモリ、サキュバスの達人

Kurumu has transformed into SUPER ANGEL-SUCCUBUS-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS SEDUCTION ILLUSIONARY SUCCUBUS ANGEL OF DIVINE DARK SEDUCTION ILLUSION SUCCUBUS JUSTICE AND DIVINE DARK SEDUCTION SUCCUBUS LOVE!

When Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when The Four Rakshasa Demons saw it, they went mad with rage and ran at her to kill her, but Kurumu fired four powerful blasts of deep purple energy with darkness, bats, illusions, and Succubi, and it sent the Four Rakshasa Demons flying into four candy cane trees, they got back up, but they were absolutely pissed now.

Mizore: Whoa, Kurumu's transformed.

Nicole: She sure has. (Sees that many of the males covered our eyes) Dad, you and the others can uncover your eyes.

Me: Uh-uh!

Lincoln: Oh boy, they still have memories of what happened, I'm going to have to set on getting them therapy, and Kurumu, you look beautiful, how do you feel?

Kurumu: (Divine Echoing Cosmic Voice of The Darkness Illusionary Seduction Succubus Angel and Divine Darkness Illusion Succubus Love) I feel incredible, Linky. Now, shall we finally put an end to the Four Rakshasa Demons once and for all?

Lincoln: (Smiles) With pleasure, Kurumu.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Kurumu Kurono.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You four have run free for far too long, now it's time to put you four down once and for all!

Kurumu and Lincoln went after the Four Rakshasa Demons, and they fired extremely powerful blasts of rainbow energy, deep purple energy, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at the Four Rakshasa Demons and they exploded with incredible power as they hit them, and they attacked them with powerful slashes from their massive greatswords, and they left nasty scars on them, along with scratches from Kurumu and Lincoln's claws, and they were angering them even more.

Mine: Whoa, those two are really pissing off those four!

Nico: Especially with those scratch marks from their claws, ouch!

Then, Kurumu and Lincoln casted illusions of demons and monsters, and they viciously pummeled the Four Rakshasa Demons into the ground and they showed them absolutely no mercy.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Kurumu, her hand-cannon Blaster is known as Succubi's Darkness Illusion Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's black with deep purple flames on the blaster and with a Phoenix, Angel, and a Succubus surrounded by colored gems etched on the sides, and a deep purple gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Kurumu fired blasts of rainbow energy, deep purple energy, and elemental forces at The Four Rakshasa Demons and as they hit them, they exploded with incredible power, and they were knocked down.

Then, Lincoln and Kurumu fired blasts of darkness at the Four Rakshasa Demons, and combined with Lincoln's life-force absorption abilities, they sucked out the life-forces of The Four Rakshasa Demons until they were left as desiccated corpses, and when their spirits appeared, they sent their sprits to The Black Gates. We cheered wildly as Lincoln and Kurumu holstered their massive greatswords on their backs and powered down, and Kurumu's new body, clothes, weapons, jewelry, Third Eye, longer tail, and massive ocean blue angel wings and bat wings are permanent.

Kurumu: That'll teach you four never to come after Mine ever again. Thanks for helping me take down The Four Rakshasa Demons, Linky.

Lincoln: (Smiles Warmly) You're welcome, Kurumu.

Suddenly, Kurumu wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Kurumu's face, they kissed passionately as Kurumu's left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and a Succubus flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces behind them and we cheered wildly. Lincoln and Kurumu came back to us as the display vanished.

Nico: Oh man, Lincoln, Kurumu, you guys did one awesome job in ending The Four Rakshasa Demons once and for all.

Mine: I never did like those creeps anyway, they've always caused nothing but trouble.

Lincoln: Well, we don't have to worry about them ever again, and their boss will forever rot in jail for the rest of his life.

Me: You said it.

Eli: They're nothing but scum, and we know who were meeting tomorrow, right, Lincoln?

Lincoln: Oh yeah, Ellie Elsher, Gene-Slammer of Ghostrick Specter, and there's more treasure hunts ahead.

Nicole: Now, this I'm so looking forward to.

After the battle we went to the winners circle and we got an awesome crystal gingerbread house trophy with the planet on it being made of crystal and it was awesome.

Me: Boy this was awesome.

Black Knight Ghost: It is done. Frosty's honor has been avenged.

Ryugu Tamatebacco: And not a moment too soon.

Me: Yep.

Electropede: We should take some of this gingerbread home.

Kerbero Gangan: Not a bad idea.

Me: I agree.

Stonedozer: I'll help out with that.

Me: But this was awesome though.

Nico: It sure was. Great job today everyone.

Pinkie Pie: (To the viewers) Hope you all loved this amazing race like we all have.

Me: We sure did.

We got lots of gingerbread houses and went back home and enjoyed the rest of the day and went to sleep.

THE END

Clyde: Did you guys have that same dream as me?

Lincoln: We sure did, buddy.

Strawberry Shortcake (Berry in the Big City): And it also means that we found out where our kids at.

Chloe McBride (Loud House): And the question is, Where?

Me: Thier at Telluride, Colorado.

Nico: Oh man, that's not good. Out on the streets in Telluride, Colorado, is not a safe place for them.

Clyde: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Lincoln: You got that right, buddy.

Clyde, Lincoln Loud, Chloe McBride, The Berry Gang (Berry in the Big City), Me, and Nico were heading to Telluride, Colorado. Then, Clyde saw a 12-year-old girl who has light brown skin, brown hair tied in a bun, brown eyes with glasses over them, and three freckles on her checks. She wears a dark yellow tank top dress, black leggings, and dark yellow mary jane shoes. A young 12-year-old girl who has long legs and a slender frame, fair skin, brownish-amber eyes, and waist-length pink hair that she tied in a low ponytail. She wears a white long-sleeved shirt covered by an red short sleeved hoodie, a pink pleated skirt, pink thigh-high stockings, and red sneakers that have a pink strawberry-shaped logo on them. A very slim 12-year-old boy who has dark brown skin, orange spiky hair, and sapphire blue eyes. She wears a green scarf, turquoise and green argyle sweater with turquoise shirt with thin lime green stripes underneath, pale green skirt, white knee-high socks and green flats. A slimmer and taller 12-year-old boy who has light brown skin, yellow spiked hair with three bangs closest to his face, and blue eyes with a pair of goggles over them. He wears two mechanical claws with three appendages on each like gloves, a yellow shirt, darker blue overalls, and brown work boots. A 13-year-old girl who has pale peach skin, medium-length magenta hair with pink headband tiara, and brilliant cornflower blue eyes. She wears a pink sleeveless top with dark pink open studded bolero jacket over it, and pale pink skirt. She also wears pink gloves, pink belt around her waist with a Raspberry logo-stamped buckle, pink leggings and pale pink flats. And a skinny 12-year-old girl who has very pale skin, short black hair with a small ponytail at the top and at the back of her head held by a purple bow, and and violet eyes with single eyelash on each eye. black and purple gothic-style thigh-length dress with purple-ended black sleeves, purple tights, and black boots with purple cuffs and gray soles. Clyde saw who they are, it was Charice McBride, and The Berry Force 7.

Clyde: Excuse me, are you Charice, and The Berry Force 7?

Charice McBride: Yes, we are, And who are you?

Clyde: I'm Clyde McBride of Team Loud Phoenix Storm, and this is my buddy and brother-in-arms, Lincoln Loud, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Chloe McBride (Loud House) and The Berry Gang (Berry in the Big City) came out, and when Charice Mcbride, and The Berry Force 7 saw them, they were stunned.

Strawberry Jam: Mom, is that you?

Strawberry Shortcake (Berry in the Big City): Yes, sweetie, it's me.

Charice Mcbride and The Berry Force 7 ran up to Chloe McBride and The Berry Gang (Berry in the Big City), and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Clyde joined in on the hug, along with me, Nico, and Lincoln.

Clyde: And there's something you should know, Chloe, The Berry Gang, your mothers are my many future wives.

Charice McBride and The Berry Force 7: That means… you're are father.

Clyde smiled, and that filled Charice McBride and The Berry Force 7 with joy, as he picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Clyde: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Clyde told everyone what happened. We were proud of what Clyde did in reuniting Chloe McBride (Loud House) and The Berry Gang (Berry in the Big City) with their kids, and they now has a loving, strong, brave, and caring father in their life.

Me: It'll be awesome to show you guys my infamous rant on an Evil Sasuke. You guys are gonna be in for a great treat.

Tigatron: (Laughs) Yes it's really entertaining. And it unleashes all his true colors for everyone to see.

Me: Yep. And to add insult to injury I'm going to reveal to the entire world all about the Uchiha Clan Massacre and that I made sure they all paid except for Sasuke's mother.

Nico: Oooh this is gonna be fun.

Zuria: I can't wait to see what this is gonna be like.

Camie: It's really awesome.

Nico: Yep.

Megan McCallister: You guys are all in for a really awesome and explosive ride.

Eli: We sure are.

Sailor Mustafar: We're really excited about this one.

Gina Carmilla: I heard so much about the rants that you all did on the Evil Sasuke's and they are so fun.

Albedo: Yeah they are entertaining and cool.

Nico: Shugesh, what do you like to do in your free time?

Shugesh: Well in all honesty Bokrua, I haven't really given it much thought. I was dead for a long time remember.

Nico: Oh right. But You'll think of something.

Shugesh: I do have one thing in mind and that's a gym. I have been wanting to open a gym for many people to get strong.

Nico: That's good.

Qin: I like it. I think you'll do great.

Shugesh: Thanks.

Maria: Are you happy that you're alive again?

Shugesh: I sure am Maria.

Me: All of the Saiyan Race is. And they are now finally free of Frieza and ready to redeem themselves.

Camie: That's good. I can't believe that Frieza was that evil!

Lola: And absolutely ruthless.

Cooler: That's right. My brother was a pest. I would have killed him myself sooner or later. He was always trying to beat me. Tryiing to prove that he was the best and he definitely had the edge.

Nico: Not to show any insult Cooler, but your brother was a ruthless monster and he was going to destroy everything and anyone in his way.

Lola: Even if they made the slightest of mistakes.

Camie: Yeah he got what was coming to him.

Laney: He dug his own grave when Nico and Goku took him down.

Varie: That is for sure.

Nico: We ate lots of gingerbread yesterday.

Pinkie Pie: Oh we sure did and it was all amazing!

Qin: Yeah those were some really tasty gingerbread houses.

Xenia: They sure were awesome.

Me: Yeah no kidding.

Fu: I thought they were all delicious. And all these planets we're on for all these races are perfect for the Christmas Season.

Qin: I agree there.

Toru: Yeah they sure are awesome and cool.

Maria: Jack Frost was a disgrace to Frosty!

Me: You better believe he was! But he wasn't always a snowman like that. He was a normal human being until he got exposed to a mutagen chemical that made him that way.

Nico: Yeah that was really freaky he turned into that. But in all accounts he had it coming.

Me: Yep. He deserved to be destroyed and given the black gates.

Lola: I am glad he was destroyed too.

Varie: I agree there.

Fu: He killed 75 people! What a heartless asshole!

Momo: Yeah no kidding there!

May: I hope we meet the actual Frosty in the future.

Me: Me too. But who knows we just might.

Nico: Whether it be on one of my rescues or on a mission is fine with me. I love Frosty.

Me: Yeah that is a great song. Timeless classic.

Camie: When was Frosty made?

Me: In 1950.

Nico: Yep.

Lola: Wow!

Me: Awesome song and a timeless classic and movie.

Lola: I remember seeing a funnier and cooler version of Jack Frost about a man that died in an accident and was reborn as a snowman through a wish.

Nico: That one I'm cool with. That was a great one.

Living Laser: Considering that Cooler and Zazz are on my team, bringing the 6 of us along was a wise choice.

Nico: Thanks. I'm glad you think so Arthur.

Then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

We heard an explosion!

Me: Uh oh! Looks like the fun has just started.

We went on and arrived at the Final Valley and we saw Naruto and Evil Sasuke REALLY going at it! They were fighting hard with EVERYTHING they had!

Zuria: Whoa look at them go.

Xenia: Yeah.

Zazz: Tell you what, J.D.? You can rant at what's left of the asshole!

Nico: Zazz stand down. He wants to get it done to show what's it's like. He has something planned.

Me: Yep.

Then Naruto was grabbed by Evil Sasuke and he had a Chidori charged up!

Me: Now the fun begins!

I flared up my aura and flew at Evil Sasuke with incredible speed!

Evil Sasuke: This is as far as you go you motherfucking loser! Say hello to your fucking family in hell! HEAVEN IS NOT WORTHY OF YOU DEMON!

But then just as he was about to skewer Naruto…

KRABLAMM!

I teleported in and kicked Evil Sasuke square in the face and sent him crashing into the cliff!

Evil Sasuke got up when and then he saw me and his eyes were BOILING WITH RAGE!

Me: Surprised to see me you motherfucking cur!?

I smirked at him.

I then went Super Angel Wolf Moon Xelnaga.

Evil Sasuke: YOU WRETCH! I WILL KILL YOU!

Me: (Divine Wolf Moon Voice) **I would like to see you try.**

I had my hand behind my back and I snapped my fingers and showed broadcast screens to all the parts of the 5 Great Nations and our battle. Everyone in the Leaf saw it and saw me facing Evil Sasuke.

Evil Sasuke: YOU MOTHERFUCKING CUR! YOU RUINED EVERYTHING FOR ME!

Me: **And I show no remorse for all of it. You make me sick.**

Evil Sasuke: I WILL KILL YOU AND RESURRECT YOU AND KILL YOU AGAIN YOU MOTHERFUCKING CUR!

Me: **Hmm. Yes and a "Motherfucking Cur" was the only kind of person you can handle. I remember that your father said that very same thing to me in 150,000 years just as I was killing the Uchiha for their crimes and snuffing out the very darkness that they used to destroy so many lives. When he made his speech about how you were going to kill all of the Leaf in the name of Madara Uchiha all they did was seal their fate. Your Father poisoned his own son with his own hatred and turned you into a miniature version of him and he poisoned your mind with so much of his hatred over everything that you became a totally lost cause. He made you into a homicidal and completely mentally unstable psychopath and you did not show any value towards friendship or comradery. You wanted everything handed to you on a silver platter just like your wretched father and all your clan did. You cheated in everything, Even though Ninjas cheat, education is the one thing that we NEVER cheat at. Isn't that right and they say that your father was leading the Uchiha to greatness. But it turns out you're just another lost soul of the run-of-the-mill ninja. And you know it. You're not even in the same league in the kind of power that I possess. I can destroy the entire universe in the mere blink of a cosmic eye. In fact, next to my kind of power and the power that you have, you are nothing compared to me and you and your clan were nothing but a bunch of pathetic ants compared to it. The way you covet all that power, the way your clan did all the deeds in the name of the devil known as Madara Uchiha, a monster and a planet destroyer. It's downright fucking disgusting. As the most powerful fighter and warrior and champion in the universe, all I see when I look at you is a fucked up miserable fuckweed and a heartless motherfucking psychotic wretch. And on top of that I fucking hate your style above all others you ruthless fuckkicker! What is it that you are hoping to accomplish? Stealing all the jutsu in the world just to expand your jutsu arsenal and repertoire, committing crimes all over the planet just to satisfy the devil Madara Uchiha, murdering innocent people, stealing jutsu, pursuing petty and worthless desires like revenge and above all betraying the very village your clan founded. You Uchiha Motherfuckers don't give a flying fuck about anyone but your pathetic goddamned motherfucking selves and that is why I killed them all including**

**your father. The Uchiha are heartless monsters that murder, lie, steal, betray and are completely powerhungry just like you and that's why I killed them all. YOU ALL FUCKING DISGUST ME!**

Everyone was shocked to realize that their PRECIOUS UCHIHA are nothing more than PURE EVIL MONSTERS THAT DESTROY!

Evil Sasuke screamed in a ballistic rage and went at me like a mad bull!

RAGE - NARUTO SHIPPUDEN MOVIE 2 OST - RAGE PLAYS AT 2:18

Evil Sasuke Roared in an incredible amount of rage and fury and he went into his LEVEL 2 Curse Mark Form and he went at me and punched and kicked and brutally fought me all over and tried to smash my head in with indiscriminate fury and he was really determined to make sure that he kills me. I blocked all his punches and kicks and he jumped back and threw numerous kunai and I deflected them all and fired a powerful blast of fire and it hit him in his arm and burned him bad! He was screaming in pain and then he was screaming in agony. But then his screams of pain quickly turned into maniacal and insane laughter. He was laughing like an insane and totally fucked up monster that was fucked up to the core six ways till Sunday and he went at me again and I kicked him in the face and knocked him down and he got up and went at me again and I dodged him and fired a blast of lightning and it hit him in the crotch and electrocuted him all over. He went at me some more and I dodged his strike and kicked him in the back and sent him smashing into a rock and he got up and fired massive blasts of lightning at me and I deflected them back with my sword and he got electrocuted all over and I punched him in the face and he went at me some more and I was making him madder and madder and madder and he was only making me stronger with all his hatred and more. I then punched him in the face and he went at me and I dodged him again and dodged him again and then I kicked him in the back again and sent him crashing into a rock and he got up and went at me some more and fired massive blasts of fire at me and I fired waves of massive fire blasts at him and the blasts collided and exploded with incredible power!

I fired elemental blasts at Evil Sasuke and he was firing blasts at me and massive fiery explosions were going off all over and turning the area into a raging inferno.

Camie: WHOA! What power!

Sirius: Wow! This is getting intense!

Nico: Yep.

The Entire area around us was turning into a war zone! Evil Sasuke then fired a massive fireball.

Me: KAAAAAAAAA! MEEEEEEEEEEE! HAAAAAAAAAAAA! MEEEEEEEEEEE! HAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!

I fired a massive rainbow Fire Kamehameha Wave and it went through the fireball and destroyed it and it slammed into the Evil Sasuke and exploded!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Evil Sasuke was smashed into the ground with incredible force and I kicked him in the stomach with incredible power and he belched up a huge amount of blood and then I grabbed him by his shirt and threw him into the air and flew after him and kicked him in the face and knocked out some of his teeth and he jumped away and fired waves of fire and I fired waves of lightning and they overtook his fire and the blasts of lightning hit him all over and electrocuted him and then I fired a wave of wind and entrapped him in a tornado and then I fired a wave of fire and burned him all over in the tornado as it was turned into a fire tornado. When the tornado faded he jumped out and fired more fire blasts and me and I fired waves of crystal at him and they hit him and cut him all over the place and then I fired waves of wood at him and smashed him all over the place with incredible force and smashed him all over. He ran at me with a Chidori and I teleported and fired waves of lava and burned his hands and he screamed in pain as he was burned all over and then I kicked him in the face and smashed him into a rock! Then he popped out of the rubble and threw the rock at me and I smashed it with incredible brute strength and smashed him with waves of rocks and pebbles and smashed him all over the place! I then fired waves of darkness and electrocuted and burned him all over.

Evil Sasuke got up and he was more enraged than ever before!

Everyone then came.

Albedo turned into Negative Bullfrag as Cooler grabbed Evil Sasuke by the throat.

Cooler: If it were up to me, I'd kill you right now!

Me: **But that wouldn't be any fun!**

I punched Evil Sasuke all over and Laney slashed him in the face and chest with her scythe.

Negative Bullfrag smirked as he launched his tongue at Evil Sasuke's ear gave him a wet willie.

YUCK!

Evil Sasuke: THAT WAS GROSS!

POW!

I punched him in the face and kicked him in the stomach and kicked him in the nose!

Me: **Like you would know you fuckwipe shitface!**

He went at me and we then flew into the air and he fired numerous fireball blasts at me and I fired waves of energy and the blasts all hit and exploded and caused numerous fiery explosions all over the place and then I fired a massive energy blast and it hit him and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Evil Sasuke came at me some more and he was really enraged now!

Gigertox launched some tentacles to wrap Evil Sasuke with.

Gigertox: Now you are trapped.

He crushed him in a brutal bear hug!

I then went over to Evil Sasuke and brutally punched him all over his face with extreme savagery! I was pulverizing him all over the place with brutal force and making sure he suffers big time!

Nico: Take that!

I was really mutilating him!

Qin: YEAH!

Qin then punched him in the face and stomach and kicked him in the back of the head and he belched up a huge amount of blood and then Gigertox threw him into the statue of Madara Uchiha and it collapsed onto him!

Evil Sasuke groaned as he tried to get up… only to see Evil Nitro Man driving at him in his motorcycle form!

Evil Nitro Man: Need a lift!

CRASH!

He crashed him into the ground. But Evil Sasuke was far from done.

Me: **Had enough you asshole?**

Evil Sasuke was really mangled up and hurt.

Me: **You are just absolutely pathetic. You are nothing more than a worthless ant. Just look at you, Itachi should have killed you too.**

Nico: That's right! Everyone now knows the true nature of you and they hate your guts now!

Cooler: My turn for some fun!

Cooler kicked and pulverized Evil Sasuke into pulp. Then he fired a Death Beam blast through his legs and he screamed in pain. Cooler then formed a Supernova energy ball and he threw it and it hit Evil Sasuke and exploded into a massive and incredibly fiery explosion!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was smashed all over and burned badly!

Evil Sasuke came at me and he punched at me and I dodged his attack and he kicked at me and punched at me more times and he slashed at me with his sword and I blocked his sword and kicked him in the face and I fired a powerful blast of fire at him and it hit him and exploded with incredible power!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Evil Sasuke came at me and I kicked him in the stomach with devastating force and knocked all the air out of him and punched him in the face and sent him flying and I fired a powerful blast of lightning and it electrocuted him all over.

I flew up to him and kicked him in the face and sent him crashing into the barrier that held us up above the clouds.

I then snapped my fingers and me and Sasuke we now fighting on the jungle planet of the Mexjanxia System: Ruiz III.

Evil Sasuke got up and he activated the power of the Sage of the Six Paths that he stole from Madara when we fought him and he fired a massive arrow of Lightning at me! It was evil Sasuke's most powerful technique INDRA'S ARROW!

Me: **WIND FORCE KAMEHAMEHA!**

I fired a massive Kamehameha Blast made entirely of pure wind at the arrow and it hit the arrow and the blasts exploded with unbelievable power.

The resulting explosion was so powerful, so massive and so devastating that it shook the entire planer to the very core and it set much of the Final Valley on fire and incinerated the entire area and there was a massive storm vortex in the air with lightning striking all over the place at an incredible level of power. The ground was upheaved and shaken apart like an asteroid hit the ground and much of the ground was also on fire. Evil Sasuke fell to the ground and he was really infuriated. The entire area was on fire and totally in shambles.

Me: **Impressive attack. But you are still hopelessly outclassed.**

Evil Sasuke got up and he was looking at me with incredible fury and rage.

Evil Sasuke: (ENRAGED SCREAMING!) DAMN YOU TO FUCKING HELL! (CHAKRA EXPLODES OUT AT AN INCREDIBLE LEVEL!) WHY!? WHY!? IT'S NOT FAIR! HOW ARE YOU SO MUCH MORE POWERFUL THAN ME!? I AM SASUKE UCHIHA! I'M FROM THE STRONGEST CLAN EVER KNOWN! I'M AN ELITE! I AM INVINCIBLE!

Me: **You are nothing compared to my power. I am a god and you are nothing.**

Evil Sasuke was so extremely enraged and infuriated that it was unbelievable! He screamed and he came at me with his sword, insane and completely out of his mind!

Evil Sasuke: (ENRAGED SCREAMING!) (STABBING AT ME AND SLASHING AND PUNCHING AND KICKING AT ME!) YOU FUCKING FUCKHEADED FUCKWEED! YOU WILL PAY FOR THIS! WHY CAN'T YOU JUST DIE JUST THIS FUCKING MINUTE?! DIE! DIE! DIIIIIIEEEEEEEEEEE! AND STAY DEAD! (Laughing insane) Hahahahahahahaha!

Me: **HOLY SHIT! He's out of his fucking mind!**

I punched him in the face and I clashed my sword with his sword and I was clashing with him. I was really clashing with him all over and it was a powerful clash! Sparks were flying all over the place with incredible ferocity and setting more of the jungle all over on fire at an incredible level. I punched him in the face and slashed him in the face. He came back at me and punched and kicked at me!

Evil Sasuke: (Insane anger and maniacal laughter) DIE! DIE! DIE!

DIE! DIE! DIIIIIIIIIIIIIIIIIIIIEEEEEEEEEEEEEEEEEEEEEEEEE!

I punched him in the face and sent him flying and he rebounded and I dodged his strike from him and kicked him in the back and sent him crashing into a rock with incredible force.

Evil Sasuke got up and he was even more enraged!

Evil Sasuke: I HATE YOOOOOOOU!

My aura flared up with incredible intensity!

Me: **You still just won't learn.**

Zazz charged at Evil Sasuke with his shoulder out.

He bashed and smashed and pulverized Evil Sasuke with incredible power!

Me: **Had enough?**

Zazz then slashed Evil Sasuke in the throat.

SLASH!

He had blood pouring out of his neck!

Me: **Time to finish this.**

I fired a massive energy blast and it hit Evil Sasuke and obliterated him in an instant!

He was destroyed! I powered down.

Xenia: Good riddance!

Nico: Not done yet. What did you think of that Zuria?

Zuria: That… WAS… INTENSELY AWESOME AND EPIC!

Qin: Glad you liked it.

Lola: Yep.

But then I felt an intense cold wave down my back.

Me: BRRRRRR! That was cold!

Eli: Yeah I felt that.

Nico: Did Evil Sasuke place a cold trap in case we killed him?!

Eli: I think it came from that!

We saw a figure and it was a black version of an Evolved Polar Manzardill! It was ANOTHER ULTIMATE ARCTIGUANA!

Me: Whoa! Another Ultimate Arctiguana!

Nico: This one is cold!

Qin: No wonder!

Negative Bullfrag turned into Negative Ultimate Articguana.

Negative Ultimate Articguana: Who are you?

Another Ultimate Arctiguana: (In a girls voice) I believe you know my sister Sheila. My name is Callie Castille.

We gasped!

Nico: I didn't know Sheila was your sister.

Camie: She never told us about you.

Another Ultimate Arctiguana: Well the reason is because me and Sheila lost touch with each other after she disappeared.

Me: Well we found her a little over 3 years ago and she is with us on the team and is now married to Lincoln's cousin Eric Loud.

Lincoln: It's true.

Another Ultimate Arctiguana: Oh man! I missed so much with Sheila.

Me: Yeah she has been a huge help for the entire team.

Maria: Did Swartz promise you anything?

Another Ultimate Arctiguana: Just to reunite me with my sister and become like her in law enforcement.

Me: We can easily do all that for you.

Nico: Yeah I'm sure that Sheila can give you a job at the station.

Laney: Yeah.

Another Ultimate Arctiguana: It will be great to see Sheila again. I missed her.

Me: I'm sure she missed you too.

Qin: Yeah.

Me: Sorry we have to do this to you.

Another Ultimate Arctiguana: No worries.

Me: Here we go.

Nico: (gets out Metal Sonic's Ridewatch) Let's all do the robot!

Nico activated it and techno dance music played and Nico did the Robot and he fired energy blasts at Another Ultimate Arctiguana and blasted her all over.

I fired a blast of energy and it hit Another Ultimate Arctiguana and she exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was down and I caught the ridewatch and purified it and I went over to Callie and she was a girl with olive green hair and had a blue police woman uniform on and I picked her up and brought her over.

Nico: Whoa!

Qin: Yeah!

Me: One down.

Nico: Now, who's next?

Eli: I have a.. (WINCES)

Then his mark for Cygnus the Swan glowed.

Eli: My mark is glowing. It's the next Undead Zodiart.

Me: Cygnus the Swan is next.

Qin: Yep.

Eli: And it's right there!

We saw a figure come out and it was the ANOTHER CYGNUS UNDEAD ZODIARTS! It was a mixture of Steg from Den-O, Ahiru Megid from Saber and the Cygnus Zodiarts.

Me: Whoa!

Camie: The Swan is one of my favorite birds.

May: Who are you?

Another Cygnus Undead Zodiarts: (In a girls voice) J.D. knows me.

Me: (Gasp) That voice.

She reverted back and it was a sailor soldier with aqua blue and green hair and clothes.

Me: (GASP) Katherine Khitomera A.K.A. Sailor Khitomer.

Nico: Sailor Khitomer? One of the Romulan Empire Planets?

Me: Yep.

Eli: Beautiful planet.

Me: And also the very spot where the Khitomer Conspiracy took place.

Sailor Khitomer: That's right. That was a dark time that nearly lead to the demise of the Klingons

Me: Thank goodness that was prevented.

Nico: No kidding and all because of an incident on Praxis that left 85% of it completely blown to space dust.

Qin: Boy that was awful!

Nico: But we can fix it.

Me: Yeah we sure can.

Sailor Khitomer: That's right you can. Also I heard about what happened during that time and J.D. you saved the entire Klingon Empire from doom from that.

Me: I remember that too. That was when we first met Kirk and his crew.

Nico: I remember that.

Camie: That is so cool!

Xenia: Yeah.

Me: By the way Kat are there any other opponents to face?

Sailor Khitomer: Yes there are. It's a dark version of him.

She pointed to Living Laser.

Living Laser: Another Version of me!? Whoa!

Me: This is gonna be interesting then.

Eli: But I'll gladly volunteer to face you. But is it hostile or friendly?

Sailor Khitomer: Hostile unfortunately.

Me: Uh oh.

Sailor Khitomer: Yeah so be ready.

Me: We will.

She turned back into Another Cygnus Undead Zodiarts and Eli fired an energy blast and knocked her down and she exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was back to normal and I caught the Rouse Card and Zodiarts Switch and purified it and the card had the stars and symbol of Cygnus the swan and a Swan on it.

Me: Awesome.

The Zodiarts Switch glowed and turned into armbands for those marked with Cygnus and I went over to Sailor Khitomer and picked her up and brought her over.

Nico: Alright, Another Living Laser. Come on out. I know you're here!

Then a figure came out and it was a dark version of Living Laser! It was ANOTHER LIVING LASER!

Me: Just like Kat said!

Nico: Okay who are you!?

Another Living Laser: (In a boys voice) I think J.D. knows who I am!

Me: (GASP) I didn't expect it to be you Ryan Pitchfork!

Another Living Laser: I'm flattered you remember me J.D.

Me: You have a lot of nerve showing yourself here for everything you did to your own cousin and your uncle!

Nico: You know him J.D.?

Me: Unfortunately yes. His name is Ryan Pitchfork. He was a dangerous embezzlement ringleader that conned many people out of billions of dollars in their hard earned money and he was a heartless sociopath that didn't give a flying fuck about anyone except for himself. He made HUNDREDS of THOUSANDS of people all over the country dirt poor and made them homeless and forced to live out on the streets and he even killed innocent people that needed medical treatment by robbing their families of their money and making them too dirt poor to pay for their medical bills! But me and his cousin Delilah Pitchfork stopped him and got him sent to federal prison for life. He was sentenced to 720 years in Federal Prison and ordered to pay $923,999,999,000 in restitution.

Another Living Laser: And I swore I would kill you J.D.! YOU RUINED MY LIFE!

Me: You brought all that on yourself!

Kaito: (gets out Ghost gear) Normally, we'd ask what Swartz promised you.

Zocks: (gets out Drive gear) But I think we know what that promise was.

Me: And that's revenge on me for sending your sorry butt to prison. Right?

Another Living Laser: That's right! You will pay for sending me there! I lost everything!

Me: You brought all that on yourself!

Kaito got a Ghost Sword and Zocks got a Drive sword!

Nico: You will never see another dollar again!

Sougo: (gets out Grand Zi O Ridewatch) Another hostile one.

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Let's hope there are no hostiles ones in a row after this.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Me: You're going back to jail where you belong Ryan!

I fired waves of energy and blasted him all over!

Xenia: And this!

She fired waves of energy and arrows and blasted him all over the place with incredible force.

Nico: (gets out Living Laser's Ridewatch) We've got you right where we want you. And you're about to see the light!

Nico activated it and fired laser blasts and blasted him all over.

Lola: And this one!

She fired waves of fire and blasted him all over.

Nico: Chew on this one. (ACTIVATES RAIZEN'S RIDEWATCH)

Nico ran fast with intense lightning fast speed and then bashed and pulverized Another Living Laser with intense brutality!

Me: WHOA!

Camie: BRUTAL!

May: (Gets out Zazz's Ridewatch) You're going home in a box!

Me: Just as long as it's not a body bag.

May: No it's not.

She activated it and smashed and pulverized Another Living Laser all over the place.

Qin: Nice one!

May: Time to crush you! (ACTIVATES GIGERTOX'S RIDEWATCH)

She grew numerous tentacles and wrapped them around Another Living Laser and she crushed him in a bear hug!

Maria: (gets out Cooler's Ridewatch) Time for you to taste Cooler's power!

Maria activated it and formed a Supernova Ball and she threw it and it hit Another Living Laser and exploded!

EXTREMELY MASSIVE AND FIERY EXPLOSION!

Me: WHOA!

Qin: POWERFUL!

Another Living Laser was still standing but barely.

Maria: Time to burn rubber! (ACTIVATES EVIL NITRO MAN'S RIDEWATCH)

She ran fast and pulverized him all over the place.

Qin: YEAH!

Then Cargill and his team came and it had Steelbeak, Sacrifar Haru, Toxitea, Underbite And Ghost of Juan Carlos!

Me: WHOA!

Nico: Nice team, Cargill!

Cargill: Thanks Nico!

Me: Awesome!

I fired waves of energy and blasted Another Living Laser all over.

Megan McCallister: Time for the stars to shine in.

She fired waves of stars and smashed him down.

Shugesh: My turn! (ACTIVATES RAIZEN'S RIDEWATCH)

He ran fast and smashed and pulverized Another Living Laser all over.

Then a wolf howl was heard.

Me: A wolf?

But then a figure came out and it was an ARCANINE!

Xenia: Whoa! An Arcanine!

Me: Awesome!

Arcanine: (In a girls voice) Looks like the fun is getting good.

Nico: Aurelia Torrence!? Whoa!

Qin: Awesome!

Arcanine: Good to see you again Nico and Qin. I got this.

She fired a fire blast and blasted down Another Living Laser and I caught the Ridewatch and purified it and then me and Qin tied up Ryan. He was a kid with blond hair and was in an orange prison jumpsuit.

Underbite roared in Ryan's face.

Nico: You tell him Underbite!

Qin: YEAH!

Me: He is going back to prison where he belongs. And this time he will not escape.

Lincoln tied him up in rainbow energy chains and teleported him to the Uranus Prison Supermax Solitary Confinement Wing.

Arcanine: That's it for him.

Shugesh: What's your favorite memory of Nico?

Arcanine: I have a lot of them. But my favorite was when me and Nico did awesome prank calls on several people and one of them happened to be Principal Wilbur Huggins. We made a really awesome prank call.

Nico: I remember that!

Lincoln: Wait that was you guys?! You did that hilarious prank call!?

Nico: Yep. Here's what went down.

---

Huggins was working at his desk. Then the phone Rang.

Huggins: "Um, hello? Huggins speaking?"

Superintendent Chen: "Principal Huggins? This is Superintendent Chen."

Huggins: "Superintendent Chen? To what do I owe the honor?

Superintendent Chen: "I called you to speak about your position as principal of Royal Woods Elementary School. It is my solemn duty to inform you that the school committee is seriously questioning if you're qualified enough to uphold that position."

Huggins: "What? But you just came for an inspection in May, and you said my principal rating was nothing short of splendid?"

Superintendent Chen: "I was led to believe that you were a model principal, but it has come to our attention that you're regularly indulging in, shall we say, less-than-respectable activities for a man who is entrusted with running an educational facility meant to enlighten our future generation. Don't bother denying it, Huggins. I have very reliable sources."

Huggins: Superintendent, I demand to know what those accusations are? Whatever you've been told, I can assure those claims are-"

Superintendent Chen: "Don't play games with me, Huggins! We both know what you've been up to. You know how much I abhor being treated like a fool; it makes me prone to firing people on the spot!

Huggins: "My apologies, Superintendent, I did not mean to offend you."

Superintendent Chen: "Don't grovel, that's something I loathe even more. Now the board is eager to fire you, but I feel generous enough to vouch for you based on your record, under the condition that you simply confess about your embarrassing actions, as this conversation is being recorded as we speak."

Covered in cold sweat, Huggins trembled and gave into his panic.

Huggins: "I'm so sorry, I know my hobby is unforgivable, but please try to understand. I've been a huge fan of Ace Savvy comics ever since I was a little lad; it helped me cope with depression as an adolescent, and inspired me to keep fighting while I struggled in college! Believe me, I've tried for decades to quit and move on to reading more mature detective stories, like Sherlock Holmes, but the main character is so unlikable, and the stories are overly convoluted and monotonous, plus there are no colorful illustrations to help me fully visualize the author's intent, and the protagonist doesn't have any groovy gadgets to defeat the antagonists. And yes, I admit to still dressing up as the titular hero and reciting his dialogue in my living room! I'm sorry! Oh, so sorry!"

Huggins was on the verge of crying when he suddenly heard giggling on the other end of the line.

Huggins: "Superintendent Chen?"

Kid: "That old fart still reads comics in secret?"

Girl: "Who would have thought the biggest stick-in-the-mud in the universe was a cosplayer!"

Huggins: "What? What is the meaning of this? Who are you?"

The girl cleared her throat and deepened her voice.

Superintendent Chen: "Huggins, I must regretfully inform you that you've been fired. Your replacement will be a Mrs. Yura Sap!"

Huggins started seeing red and nearly crushed the phone in his grip.

Huggins: "Who is this?! Is this some kind of joke!?"

Three kids were sitting on a bench in Dairyland, which had few attendances at this late hour, though it was still daytime as it was summer.

The kids were none other than Qin, Nico and Aurelia and they were doing a REALLY AWESOME AND FUNNY PRANK CALL!

Aurelia: Huggins, I must regretfully inform you that you've been fired. Your replacement will be a Mrs. Yura Sap!"

Huggins started seeing red and nearly crushed the phone in his grip.

Huggins: (on the phone) "Who is this?! Is this some kind of joke!?"

Nico and Qin were listening in with Erica while her phone was on the loudspeaker, the older kids tried not to drop to the ground from their laughter. Even Lucy let out a small titter

Nico: "Aurelia, you're a diabolical genius!"

Aurelia: "It worked on all my ex-teachers! I always dig out some dirt on them with this tactic!"

They laughed hysterically!

Qin: "You just say…. I'm your superior and I know your dirty little secret, so fess up!' And it's hook, line and sinker!"

THEY LAUGHED!

Huggins: "WHO IS THIS! I DEMAND TO KNOW! WHO ARE YOU, YOU NO-GOOD HOOLIGANS!"

Nico picked up the phone and hollered even louder

Nico "Guys, he's still on the phone! He's still on the phone!"

Huggins: "WHO ARE YOU! LISTEN, YOU LOUSY PUNKS! I'LL HUNT YOU DOWN! YOU HEAR ME! AND WHEN I GET A HOLD

OF YOU I'LL GUTT YOU ALIVE! AND CRACK YOUR EMPTY SKULLS OPEN WITH A MALLET! AND THEN I'LL CALL THE COPS ON YOU!"

FLASHBACK ENDS

We laughed hysterically!

Eli: (LAUGHS) THAT WAS FUNNY!

Laney: (LAUGHS) THAT KILLJOY HAD IT COMING!

Me: Nico, you and Aurelia are two awesome pranksters!

Qin: That was funny!

Nico: That was funny!

Lincoln: Nico you are a pranking genius!

Nico: It was all Aurelia's idea. But yeah.

Arcanine: Yeah!

Laney: Killjoy Huggins had it coming!

Xenia: Yeah!

Me: Lets get you back to normal.

Arcanine: Good idea. But I'm naked.

Nicole: Oh boy. I hope Jiraiya isn't anywhere near here. NO ONE PEAK OR I WILL KILL YOU!

Nico: Oh boy.

I put on my blind man glasses and snapped my fingers and all the boys covered their eyes and Aurelia was reverting back. She was naked and had orange and black hair and orange eyes.

Aurelia struggled to stand up on two feet.

Aurelia: WHOA!

The fashion brigade gave her orange and black clothes.

Aurelia: Wow these are awesome.

Rarity: They look great on you darling.

Nico: Yeah.

Nico and Aurelia hugged.

Nico: I've really missed you.

Aurelia: Me too Nico. Me too.

We later went back home and it was a funny but awesome rescue.

Asuka Kazama: I still remembered the day we saw Jin again.

Just then, Top Cat, Fancy-Fancy, Benny the Ball, Choo-Choo, Brain, and Jin Kazama came.

Top Cat: That's right, and the poor guy looked really tired and drained, only to find out that Devil Jin was behind the whole thing.

Me: It wasn't good at all, and Lincoln really saved Jin from that horrible fate.

Jin Kazama: Yes, he did. But, to find out that monster's come back again, he's trying to undo the one thing I wanted to be rid of.

Lincoln: Don't worry, Jin, we'll make sure that dark manifestation of The Devil Gene is finally gone for good.

Courtney: After the trouble he's caused Jin, I think this is a punishment rightfully deserved.

We then arrived at a shrine with the elements of Fire, Air, Water, Earth, Tech, Magic, Light, Dark, and Undead, and then, the symbols of Fire, Air, Water, Earth, Tech, Magic, Light, Dark, and Undead on Crash Bandicoot's massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery glowed and opened the doors to the shrine and we entered, and we saw a massive and very powerful greatsword floating in the center and with light shining down on it: The Ten Elemental Greatsword of The Skylands, a powerful massive greatsword with colored gems representing Fire, Air, Water, Earth, Tech, Magic, Light, Dark, and Undead embedded in the 7'0" massive, wide, double-edged venetian red blade, large wolf heads for the crossguard, large rainbow gem embedded in the rainguard, longer midnight black handle, four large wolf heads and a large rainbow gem on the bottom of the wolf heads for the pommel.

Rarity: My word, is that…?

Lincoln: The Ten Elemental Greatsword of The Skylands, that's one awesome looking greatsword.

Crash Bandicoot: Truly amazing, and it's perfect for me. I may be a Life Skylander, but now, I'm also a master of the other nine elements: Fire, Water, Air, Earth, Magic, Tech, Light, Dark, and Undead.

Suddenly, we saw Ghostrick Specter and Periallis, Empress of Blossoms appear before us, and with them are the three girls.

Nico: Whoa, Ghostrick Specter and Periallis, Empress of Blossoms.

Ghostrick Specter: (Girl's voice) That's right.

Periallis, Empress of Blossoms: (Girl's voice) (French Accent) And we got the girls away from that evil monster that's tormented Jin.

Lincoln: (Gasps) Those voices, Ellie Elsher and Hana Beautyflower, it's so awesome to see you both again, but we'll talk later, we still got Devil Jin to deal with.

?: (Demonic Voice) I will destroy you both for ruining everything,

Team Loud Phoenix Storm!

Nico: Yep, there's no mistaking that voice from anywhere, you just don't know when to stay dead, do you, Devil Jin?

We then saw our target, Devil Jin, and boy, was he furious. Then, he fired a laser blast from the gem embedded in his forehead, but we dodged it.

Crash Bandicoot: Okay, that's it, Lincoln and Jin already clipped your wings last year, and now, it's my turn.

Crash Bandicoot went up and grabbed The Ten Elemental Greatsword of The Skylands. Suddenly, Crash Bandicoot's emerald green eyes turned neon emerald green and he was surrounded by a rainbow energy aura with flames, water drops, ice, gears, wind gusts, lightning bolts, sparkles, lights, shadows, bones, rocks, lava, and leaves surrounding him, he unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back, and as he approached Devil Jin, he left rainbow energy, flames, water drops, ice, gears, wind gusts, lightning bolts, sparkles, lights, shadows, bones, rocks, lava, leaves, dragons, and bandicoots with every step.

Crash Bandicoot: You really are a headache that just won't go away, no matter how many times we'd kicked your butt. Well, that ends here, you've lived for far too long and tormented Jin Kazama for the last time, Devil Jin, and now, it's time for you to die.

Suddenly, Crash Bandicoot was surrounded by a massive vortex of rainbow energy with flames, water drops, ice, gears, wind gusts, lightning bolts, sparkles, lights, shadows, bones, rocks, lava, and leaves surrounding it, there's a bandicoot running and a dragon flying around the vortex, and in the vortex is a venetian red phoenix. Then, as the vortex fades, Crash Bandicoot emerged, but he was changed forever.

Crash Bandicoot grew from 7'4" to 7'5" in height, he still retained his abnormally massive and powerful upper and lower body muscles grew bigger and eight-pack abs, he has rainbow highlights in the bangs of his full head of long red-brown hair going down to his neck, he has neon emerald green eyes and a rainbow energy aura with flames, water drops, ice, gears, wind gusts, lightning bolts, magic sparkles, lights, shadows, bones, rocks, lava, and leaves surrounding him, he has a bandicoot and dragon holding a 10-Sided Star with the 10 Elements of the Skylanders in the 10 sides of the star emblazoned on his forehead and Third Eye with rainbow iris, he has on dragon earrings with rainbow gems for eyes and holding the Fire, Water, Life, Earth, Tech, Magic, Light, Dark, Undead, and Eternity Kanjis in its claws, he has his Crystal Necklace of the Buddha with rainbow gems embedded in the gold symbols of the 10 Elements of the Skylanders and rainbow crystal links and rainbow bandicoot-shaped Element of Harmony and on the bottom of the Element of Harmony is a dragon and bandicoot with rainbow gems for eyes and holding the Fire, Water, Life, Earth, Tech, Magic, Light, Dark, Undead, and Eternity Kanjis in their hands for the necklace's pendant. Crash Bandicoot has on a white tank top with rainbow phoenix on it, long dark blue pants with the 10 Elemental Symbols of the Skylanders on the left leg, black leather knee-high combat boots, large black fingerless gloves with a rainbow phoenix on the backside of the gloves and silver square on the knuckles, and long midnight black trenchcoat with the 10 Elements of the Skylanders on the coattails and on the back is a bandicoot and a dragon holding the 10-Sided Star with the 10 Elements of The Skylanders in the 10 sides of the star. Suddenly, Crash Bandicoot felt a sharp pain on his wider and more muscular back, and then, his massive orange angel wings with rainbow tips on the large orange feathers with flames, water drops, ice, gears, wind gusts, lightning bolts, magic sparkles, lights, shadows, bones, rocks, lava, and leaves coming from them, grew much bigger for his new body. Crash Bandicoot has on his Ring of The Phoenix with large rainbow gem and heart-shaped gem embedded in it on his right ring finger and Green Lantern corps ring on his left ring finger and Stone of Gelel embedded in his left hand.

Suddenly, Crash Bandicoot's massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery and The Ten Elemental Greatsword of The Skylands and all the swords he'd gotten began began merging together and they're surrounded by a kaleidoscope of rainbow energy, flames, water drops, ice, gears, wind gusts, lightning bolts, magic sparkles, lights, shadows, bones, rocks, lava, and leaves, and when it emerged, it was transformed into Skylands' Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Justice and Eternal Skylanders Bravery, it's a brand-new massive greatsword with embedded colored gem representing Fire, Air, Water, Earth, Life, Light, Dark, Undead, Tech, and Magic and the symbols of Fire, Air, Water, Earth, Life, Light, Dark, Undead, Tech, and Magic etched in rows on the 7'0" massive, wide, double-edged venetian red blade, two large venetian red wolf heads for the crossguard, large rainbow gem embedded in the rainguard, longer black handle, four large venetian wolf heads with rainbow gems for eyes and in their open mouths and a large rainbow gem below the wolf heads for the pommel, he has on his large gold Bracelets of the Champions of The Universe with large rainbow gems on his wrists hidden inside of the long sleeves of his long black trenchcoat, large gold Belt of Elemental Bravery with gold dragon head with rainbow gems for eyes and large rainbow gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his left hip and his Eater of Sins revolver holstered on his right hip. There's a rainbow kanji below the bandicoot and dragon holding the 10-Sided Star that said, "Crash Bandicoot, Wild, Hilarious, Crazy, and Brave-Hearted Hero of Wumpa Island, Emissary of The Skylanders, Powerful Life Skylander Brawler and Elemental Skylander Knight, Loving Older Brother and Guardian of Coco Bandicoot and Aku-Aku, Archenemy of Nasty-Doo The Were-Doo, Destroyer of Doctor Nefarious Trophy and Malefor, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Friend of Spyro, Cynder, and The Skylanders, Perpetual Foiler of The Delusional Plans of Mad Scientists, Defender of Nature and Every Living Thing in The World, and Master of The Skylanders Elements of Fire, Water, Air, Earth, Tech, Magic, Life, Light, Dark, Undead, and Masks"

We were amazed by Crash Bandicoot's Super Angel-Bandicoot-Dragon-Harmony Celestial Eternal Xelnaga transformation, but when Devil Jin saw it, he flew right at Crash Bandicoot to kill him, but Crash Bandicoot fired a powerful rainbow energy blast with flames, water drops, ice, gears, wind gusts, lightning bolts, magic sparkles, lights, shadows, bones, rocks, lava, and leaves at Devil Jin, and it hit him and forced him out of the shrine and we followed, he got up, but now, he was pissed off.

Spyro: Whoa, that's so awesome, Crash's transformed!

Lincoln: He's not only gotten an awesome new upgrade in wardrobe and appearance, but he's also become a true Angel of The Elemental Skylanders, and Devil Jin is about to pay the price for all the torment he's put Jin through.

Crash Bandicoot: (Divine Echoing Cosmic Voice of The Ten Skylanders Elemental Draconic Bandicoot and Divine Elemental Skylands Bravery) That's a definite, Lincoln. Alright, you malignant dark angel of Hell, it's time for me to administer your punishment.

Crash Bandicoot went after Devil Jin, who tried to blast him with a laser from the gem embedded in his forehead, but Crash dodged it, and he fired extremely powerful blasts of rainbow energy, fire, ice, earth, darkness, spectral lightning, wind, water, gears, blades, bones, magic, and plants at Devil Jin and they exploded with incredible power as they hit him. Then, Crash Bandicoot attacked him with his massive greatsword leaving Devil Jin with scars, and Crash Bandicoot also slashed off Devil Jin's black wings and horns, and he screamed in pain.

Lincoln: Whoa!

Nico: Jeez, now that's really painful.

Lincoln finished Devil Jin off by firing a beam of rainbow light and it hit him and he was incinerated and he was erased by The Black Gates. We cheered wildly as we holstered our weapons and powered down, and Crash Bandicoot's new body, clothes, jewelry, weapons, and massive orange angel wings are permanent.

Crash Bandicoot: That'll teach that demonic monster, and now, he's gone forever.

Lincoln: He better be, that attack also got rid of Devil Kazuya as well.

Nico: As we said, those given The Black Gates are forgotten forever, Lincoln. Plus, the first day of the Skylanders Treasure Hunt ended successfully.

Lincoln: With Crash Bandicoot getting The Ten Elemental Greatsword of The Skylands, along with a new Super Angel-Bandicoot-Dragon-Harmony Celestial Eternal Xelnaga transformation, and Devil Jin got The Black Gates forever. (To Ellie Elsher and Hana Beautyflower) And it's so good to see you again, Ellie Elsher and Hana Beautyflower.

Ellie Elsher reverted back to normal, and she's a beautiful girl with long flowing white hair, blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful black angel wings, and she reigned in the power of Ghostrick Specter, and she's dressed in a black dress, black pants, black knee-high boots, and a long white sleeveless trenchcoat with darkness and ghosts on the coattails and Ghostrick Specter on the back and holstered on her back is a massive Ghostrick Specter-themed greatsword with Ghostrick Specter etched etched on the 7'0" massive, wide, double-edged midnight black blade, large ghost heads for the crossguard, large blue gem embedded in the rainguard, longer midnight black handle, four large ghost heads and a large blue gem on the bottom of the large ghost heads for the pommel.

Ellie Elsher: You too, Lincoln, and it's also good to see you, Claire, Ramona Alucard, Aisha, Sarah, Winter, Ramona Qingzhao, Autumn, Mary, Dina, Makoto, Morrigan, Lydia, Rachel, and Tiana again, Ursula.

Ursula Truaigheaingeal, Rachel Truaigheaingeal, Ramona Alucard, Sarah Dullahan, Claire Allaire, Aisha Arian, Winter Icyin, Ramona Qingzhao, Autumn Aluma, Mary Adelberte, Dina Mabrouk, Makoto Haruki, Morrigan Dabria, Lydia Anahita, and Tiana Masina: You too, Ellie.

Hana Beautyflower: (French Accent) It's been such a long time since we last met.

Lincoln went up to Ellie Elsher and Hana Beautyflower and he hugged them, and Ellie Elsher and Hana Beautyflower were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and muscular he's really become, and they had atomic red blushes on their faces, and the atomic red blush on their faces went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Ellie Elsher: Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new.

Hana Beautyflower: (French Accent) You said it, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you know these two?

Lincoln: Indeed I do, Nico, the Ghostrick Specter Gene-Slammer is Ellie Elsher, she's my Guardian Angel from Michigan and classmate in Art. She's a Ghost and she was born with the powers of darkness and she also knew of me being a vampire-werewolf-cyborg hybrid, just like the other Ghostrick Gene-Slammers. She's also a powerful exorcist and she knows how to help exorcise ghosts from a place, mainly those jobs are with the unfinished business ghosts, and she helps them with their unfinished business and send them on the way to the Other Side, but for cases of really pesky and troublesome ghosts, she uses the rites of Exorcism and many tricks to take care of those troublemaking poltergeists.

Nico: Whoa, so another of your Guardian Angels is also an expert Ghost Hunter?! That's really awesome.

Lincoln: You said it, and she's also the master of a dark power known as The Phantom's Haunting, when she uses this, she summons the most dangerous ghosts in the Netherworld to go after the truly irredeemable victim she sees and they're cursed to an eternity of hauntings until they die. This one time, I made her a beautiful necklace with ghost pendant, and she loved it so much, she hugged and kissed me and I returned it. She's also good friends with Lucy and The Young Morticians' Club and she'll become a future member of The Goths of Darkness, and she hates Olivia Shroud with a burning passion and she wants nothing more than to kill her.

Ellie Elsher: But, I soon found out what you did to her two days ago in Dark World, Lincoln, and you know what, she's had this coming for a long time.

Nico: No kidding on that one.

Brittney gave Ellie Elsher the ring for The Goths of Darkness, and she put it on her right ring finger.

Lincoln: And the Periallis, Empress of Blossoms Gene-Slammer is Hana Beautyflower, she's my Guardian from France and classmate in English, but, she's also an incredible gardener and she has a massive garden of fruits and vegetables including exotic ones, and only Hana and I and a few others know where the garden is. She and I would often make pickled vegetables and we even made jams together. While making jams one time, Hana ended up kissing me on the lips. Plus, I found out she's also Nico Robin's younger sister and she hates Amy with a burning passion.

Me: Oh man, she's in for an awesome reunion with her sister, and if Amy sees her, this is going to set that banshee off.

Ellie Elsher: It sure will. (To Lincoln) And Lincoln, there's something we want to give you: we want to give you our blood.

We gasped at their request, including Lincoln.

Lincoln: Ellie, Hana, are you absolutely sure about this?

Hana Beautyflower: (French Accent) (Smiles) More than anything, after all, we're going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Ellie Elsher and Hana Beautyflower, and he saw that they're really serious, and he smiled as he walks over to Ellie Elsher and Hana Beautyflower, and he hugged their waists in his abnormally massive and powerful muscular arms, he slowly leaned his head down first on Ellie Elsher's neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up, and he also did the same with Hana Beautyflower.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ellie Elsher and Hana Beautyflower with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Ellie Elsher: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you and Hana are now part of my harem and my many future wives, Ellie.

Ellie Elsher and Hana Beautyflower had a smile on their face and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around their waists and they wrapped their left and right arms around Lincoln's massive, wider, and muscular back, and he leans down to their faces and kissed the two of them passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the three girls, and when Lincoln saw them, he recognized them immediately. The three girls are T.M. Opera O, Admire Vega, and Narita Top Road from Uma Musume: Pretty Derby - Road to the Top.

Lincoln: Oh wow, it's T.M. Opera O, Admire Vega, and Narita Top Road from Uma Musume: Pretty Derby - Road to the Top.

Nicole: Awesome.

Lincoln: Are you girls okay?

T.M. Opera O: Yes, we're okay, thanks to you.

Then, when T.M. Opera O and the other two girls saw who it was that saved them from Devil Jin, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many

Then, Lincoln made two clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

T.M. Opera O: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of T.M. Opera O, Admire Vega, and Narita Top Road with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and Lincoln told everyone that Crash Bandicoot had gotten The Ten Elemental Greatsword of The Skylands, and they were also shocked when they found out the villain we went after was Devil Jin, who'd come back from the dead, and he wants revenge on Jin Kazama and Lincoln for destroying him last year.

But, when Lincoln showed what happened such as Crash Bandicoot transforming into his Super Angel-Bandicoot-Dragon-Harmony Celestial Eternal Xelnaga form and all of us laying a brutal beatdown on that monster and Lincoln finished him off and sent him to The Black Gates, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln, Ellie Elsher, and Hana Beautyflower have a lot of catching up to do, now that they're back in town.

Maria: Oh man, I wasn't even expecting Devil Jin to return after we got rid of him long ago.

Lincoln: He just refused to give up, but we made sure that he paid, and now, he's gone forever, and is never ever coming back.

Crash Bandicoot: And I also got my own treasure and my new Super Angel Celestial Eternal Xelnaga transformation, along with upgrades to my body, clothes, weapons, jewelry, and angel wings.

Twilight Sparkle: I hope the next ten treasures are located in the Elemental Sensei Realms.

Lincoln: I think you might be proven right about this, Twilight.

---

After finally destroying and getting rid of Devil Jin once and for all, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Ellie Elsher and Hana Beautyflower saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Ellie Elsher: Whoa, Ursula was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Hana Beautyflower: (French Accent) If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Ellie Elsher: That's incredible, and we'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Ellie, Hana, what memories did you have with Lincoln?

Ellie Elsher: I remembered this one time, Lincoln and I were watching ARGGH!, and I was seeing the latest ghost hunt from Hunter Spector, but Lori tried to snatch the remote and attack us, but I fired a blast of darkness and summoned ghosts that terrorized that banshee and she ran screaming upstairs and locked the door.

We laughed.

Nico: Trying to snatch the remote from Lincoln and Ellie while they're watching ARGGH! and trying to attack them? You're just lucky you didn't get grounded.

Lucy: I was proud of Ellie summoning ghosts to terrorize Lori and stop her from trying to attack Lincoln again.

Hana Beautyflower: (French Accent) That's what she got for using her status as the eldest sibling to get what she wanted. Okay, now it's my turn, one time, Lincoln and I were at the kitchen at The Loud

House and we were making some delicious mixed berry jams, but then, Lynn broke the door down and tried to steal one of our jams and eat it, but then, we saw Luna come in, and she hit Lynn hard in the face with a fake frying pan and dragged her smelly butt to Mr. and Mrs. Loud's room, and when Luna was done with her explanation, Lynn was grounded for eighteen weeks, and while everyone else was enjoying a sample of our mixed berry jams, Lynn was locked up in a cage in her room and tied up in a straitjacket.

We cheered.

Eli: Way to go, Luna!

Nico: That'll teach her. So, are those mixed berry jams really that delicious?

Lincoln took out a jar of his and Hana's mixed berry jam and he put some onto a cracker and he gave it to Nico, and when he took a bite, his taste buds went wild!

Nico: WHOO! Oh man, now that's delicious!

Lincoln: And it's not just mixed berries, we've made strawberry jams, blueberry jams, grape jams, and any other fruit jams, and we even sold some to the public, and they loved them.

Applejack: Hey, I remembered tasting one of those, it was a jam made of different apples. (Gasps) So, that jam was made by…?!

Just then, Applejack ran fast and hugged Lincoln, and she peppered his cheek with kisses, and he blushed as she left lipstick marks on his cheek.

Apple Bloom: (Giggles) I think you just made an even bigger impression on my big sis, "Linky"

She and the other Cutie Mark Crusaders giggled to themselves with Lincoln and Applejack blushing, but they got tickled by Lincoln who used three of his dumbbell-free tails on them.

Applejack: (Snickers) Sorry, sis, but…

Sweetie Belle: Yeah, we teased Lincoln, and he got us back by tickling us with his tails.

We got a shower afterwards, and then, Izuku, Himiko Toga, Tsuyu Asui, Kyoka Jiro, Momo Yaoyorozu, Mina Ashido, and Ochaco Uraraka are heading to Bubblaine.

Izuku was in a pair of green swim trunks with lightning on them, green sandals, and he had his weapons holstered in case of trouble, and Himiko Toga, Tsuyu Asui, Kyoka Jiro, Momo Yaoyorozu, Mina Ashido, and Ochaco Uraraka were in colored two-piece bikinis, sandals, and they also had their weapons holstered in case of trouble.

Ochaco Uraraka: Wow, so this is Bubblaine.

Izuku: Yeah, Lincoln, J.D., Nico, and Clyde have been here numerous times with their harems, and that included several other members of the team. Shall we?

Izuku, Himiko Toga, Tsuyu Asui, Kyoka Jiro, Momo Yaoyorozu, Mina Ashido, and Ochaco Uraraka dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went back to the beach and they had a game of volleyball, and Himiko Toga, Tsuyu Asui, Kyoka Jiro, Momo Yaoyorozu, Mina Ashido, and Ochaco Uraraka got a massive and extreme deep atomic red blush on her face when she saw Izuku lift up a 900,000,000,000,000-lb barbell he summoned, then they had some lunch, and then, as the sun was about to set, Izuku made clones of himself and he and his clones went up to Himiko Toga, Tsuyu Asui, Kyoka Jiro, Momo Yaoyorozu, Mina Ashido, and Ochaco Uraraka and he hugged them in his arms and Himiko Toga, Tsuyu Asui, Kyoka Jiro, Momo Yaoyorozu, Mina Ashido, and Ochaco Uraraka placed their hands on the pecs of Izuku and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico, Lincoln, and I saw that Izuku had lipstick marks all over his face.

Lincoln: Hey, Izuku, how was your date?

Izuku: (In Heaven) Really awesome!

Nico: (Snickers) Looks like someone really enjoyed his beach date.

Ochaco: We all did, we were at Bubblaine for our beach date.

Tsuyu: And we all had a lot of fun.

Me: Awesome.

---

Nico: King Kai, what's wrong?

King Kai: (Telepathically) I'm afraid I got bad news, the evil vengeful serial killers, Billy and Ricky Chapman, The Killer Santas, are waiting for you on the next food planet that you'll be heading to.

Me: (Gasps) You mean the serial killers from the movie, Silent Night, Deadly Night, and the ones who are ruining the good name of Santa Claus?!

King Kai: (Telepathically) That's them.

Nico: Oh, not those two serial killers, if I remembered from Silent Night, Deadly Night, those two evil vengeful serial killers have ruined the good name of Santa Claus by dressing up as Santa Claus, and committed a spree of murders on Christmas Eve.

Lincoln: Those two have absolutely no remorse and are ruining Santa's name, they need to be given The Black Gates.

Me: That's for sure, Lincoln. Those two are going to die! They will kill anyone that gets in their way!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Crovax, a human corrupted into a phyrexianized vampire and secondary antagonist of Magic: the Gathering, and he's coming here to kill us and take over the world. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone else coming after us?

Lincoln: You guessed it, Rayman, and none of us are going to like this guy one bit: the dark energy signal we sensed belongs to Crovax, a human corrupted into a phyrexianized vampire and secondary antagonist of Magic: the Gathering, and he's coming here to kill us and take over the world.

We gasped.

Luna: Oh man, this guy is bad news, dude. Crovax, or sometimes known as Crovax the Cursed, was once was once an aristocratic human from Urborg who was born as part of Urza's Bloodline Project. Throughout his life, he was the victim of Phyrexian attempts to drive him mad and turn him against Urza. Those efforts were ultimately successful and resulted in him going from a loyal member of the Weatherlight crew to one of their deadliest enemies.

Nico: Whoa, so he's bad news.

Emily Báthory: (Hungarian Accent) And on top of being a vampire, he's also an insane madman, this madman needs to be destroyed.

Lincoln: You said it, Emily. But, that'll wait until after we deal with those two serial killers.

Nico: He's right, as long as those two are still running loose, no one is safe. Alright, gang, let's go, we got an awesome race on a new food planet that's been discovered.

Lincoln: A new food planet has been discovered, and we're having a race there, awesome. But, after we get done with the race, it'll be time to hunt down Billy and Ricky Chapman for the thousands of people that they've callously murdered and for ruining the good name of Santa Claus, and once we get through with those two serial killers, you're next, Crovax the Cursed.

Marionette Shadow: Shall we get going?

Two Face: I don't need to flip my coin to decide that.

Nico: Lets head out.

We went to the ship and we were off.

---

Flying through space was the U.S.S. Valorous Phoenix.

Nico: Captain's Log, Stardate 7126.3: The U.S.S. Valorous Phoenix is en route to an awesome new food planet for another awesome race but also we're heading there to bring an end to the Chapman Brothers, a ruthless pair of serial killers that dress up like Santa Claus and kill people to get revenge. They will pay big time.

Me: Yes they will.

Camie: So who are these guys?

Me: Ricky and Billy Chapman are 2 whacko serial killers that are HELLBENT on revenge and they will kill ANYONE that gets in their way.

I went over their history.

---

Richard "Ricky" Chapman/Caldwell is a serial killer from the Silent Night, Deadly Night series of films, appearing as a minor character in the first film, the villainous main protagonist in the second film, and the main antagonist in the third film. He is also the younger brother of teenage serial killer Billy Chapman and they are shown to love each other as Ricky planned on avenging him and succeeded, Billy killed an officer for increasing Ricky's trauma, building a snowman together when they were kids, him trying to cheer up Billy after he punched a man dressed as Santa, they shared the same room at the orphanage, he yelled at and scolded a kid who called Billy a nutcase, and when Billy went back to the orphanage to get revenge on Mother Superior, he also went there to reunite with Ricky.

In Silent Night, Deadly Night, Ricky was just a baby when his parents were killed by a man dressed as Santa Clause. This deeply traumatized both the Chapman brothers, Billy in particular.

Afterwards they are placed in Saint Mary's Orphanage, which is run by nuns, and in charge of them was the abusive and strict Mother Superior. She frequently punished Billy, further draining his sanity as well as Ricky's. Ricky didn't have a major role in the first film, but was by Billy's side throughout his teenage years.

He witnessed Billy's death at the hands of a detective and watched him die. He blamed Superior for his death and plotted to avenge him. He was placed with the Rosenburg family after Superior had a stroke and the orphanage closed down. Ricky eventually developed a mind frame similar to his brother, which drove him to serial killing.

He met Jennifer Statson and fell in love with her. However, they ran into her ex-boyfriend Chip, who provoked a murderous reaction after taunting Ricky.

He killed Chip by electrocuting him with spark plugs from a car, and Jennifer instantly dumps Ricky. Ricky kills Jennifer immediately after she attempts to run away by strangling her with a car antenna. After killing a cop, Ricky acquires his revolver goes on a killing spree. He is confronted by police and attempts suicide, but is out of ammunition and arrested. He is tried, convicted and placed in an institution for life in a mental hospital in Silent Night, Deadly Night 2 and later escapes the mental hospital after killing Dr. Bloom. He tracks down Mother Superior and after a chase, he finally kills her. Sister Mary shows up with the police and he attempts to kill her but the police shoot him.

In Silent Night, Deadly Night 3: Better Watch Out, he survived the gunshots and was hospitalized and had remained comatose for six years. A metal dome was placed on his head that exposed his brain to repair and reconstruct his damaged skull. A doctor named Newbury attempted to use a clairvoyant blind girl named Laura Anderson to try to reach out and contact him.

She learns about him through seeing into his unconscious mind and is horrified by what she sees. Ricky is later taunted by a drunk hospital employee dressed as Santa Claus which somehow wakes him out of his coma. He awakens and murders him and a rude receptionist Laura had argued with. He escapes the hospital and slowly follows Laura and Chris, who are on their way to their grandmother's house for Christmas along with Chris' girlfriend Jerri.

Ricky flags down a driver and later kills him for his van (and for trying to give him a red sweater, Ricky is triggered by the color red). He also murders a gas station owner and steals his clothes. He arrives at Granny Anderson's house before her grandchildren and is invited inside. They have dinner and talk but Ricky sees a picture of Laura and becomes infatuated. Granny offers him a gift in red wrapping paper and she is killed off-screen. Laura, Jerri, and Chris arrive to Granny's empty house and begin searching for her.

Ricky later watches as Chris and Jerri make out in the bathroom. Much later, Ricky grabs Jerri through the front door but Chris stabs him in the arm and he lets go. Chris finds a gun and the trio try to make it to Granny's car to escape. Ricky ambushes them and beats Chris unconscious. Newbury arrives (having been following him Connely, who he ditched when he went to the bathroom) and attempts to pacify Ricky by showing him an audio recording of one his experiments on him but fails and he's beaten by Ricky, dying later on.

Ricky breaks back into the house and resumes hunting the women. Ricky kills Jerri and traps Laura, who seems to induce a calming effect on him. She manages to feel his face but flees in terror with Ricky in pursuit. She flees to the basement where she sees a vision of Granny and finds her body. Chris appears to her aid and shoots

Ricky seemingly dead. But the gun was loaded with blanks instead of bullets so Ricky is unharmed and pins Chris' head to a support beam with the gun pressed against his throat, strangling him to death.

He attempts to kill Laura but she impales him with a broken poker finally killing Ricky. Connely arrives and finds the scene. As Laura is driven off in a cop car with Connely, she has one final vision of Ricky in a suit wishes the audience a happy new year.

William "Billy" Chapman is the villainous main protagonist of *Silent Night, Deadly Night* and the posthumous overarching antagonist of *Silent Night, Deadly Night Part 2* .

He was portrayed by Robert Brian Wilson as an adult, Danny Wagner as an 8-year-old child and Jonathan Best as a 5-year-old child.

Billy, his brother Ricky, and their parents, were heading home after visiting his grandfather. Billy's parents were killed by a thief dressed as Santa Clause. Billy survived by running out of the car and hid in the bushes. He and Ricky managed to survive from the Santa thief, and were put in an orphanage. Billy told Ricky what their grandfather told him.

December, 1974

After Billy drew a violent picture of Santa and a reindeer getting murdered, he was sent to Mother Superior, the strict head nun. She sent him to his room as punishment, but left when he was convinced by Sister Margaret. He sees two teens having sex, until Mother Superior punished the two teens and followed Billy outside. Sister Margaret told her that she told Billy to get out of his room and come outside but Mother Superior punished him anyway by hitting him with a belt. Later that night, Billy has nightmares of what happened to his parents and gets out of his room but Mother Superior catches him and ties him to his bed. The next morning, he refuses to sit on the lap of a man dressed as Santa Claus, punches him, and heads to his room. Ricky tries to comfort him but is stopped by Sister Margaret and Billy is once again punished by Mother Superior.

Spring, 1984

Several years later, Billy gets a job at a toy store. Around Christmas, Billy is told to put on a Santa suit for the kids at a toy store that he worked at after which he goes insane after he witnesses one of his coworkers attempted to rape a female coworker, as it reminded Billy of how the killer Santa attempted to rape his mother.

He kills both the man and the woman, he then proceeds to kill the owner of the store and the assistant manager. He then proceeds to kill two teenagers that were having sex on a pool table, after killing them, he meets the little sister of one of the 2 teens and gives her the box cutter he used to kill Pamela. Then he kills one of 2 teens that was sledding down a hill for bullying 2 other boys and stealing their sleds and the other teen screams out of horror, after Billy ran into the woods from the police when a few cops caught someone sneaking into the room of a little girl and it turns out it was a man pretending to be Santa Claus to surprise his daughter, they got the wrong person.

Billy plans to return to the orphanage he and Ricky were put in after their parents were killed to get revenge on Mother Superior for the way she treated Billy when he was a kid and to reunite with his little brother. Billy manages to kill a police officer sent to the orphanage to look for him.

Billy was then shot twice in the back by the chief of police, killing him. After he died, his brother coldly looked up at Mother Superior and says "naughty", indicating that he plans on avenging his brother. And so, Ricky, would return in the next two sequels and begin a killing spree himself to avenge his brother.

Me: Hey that's a good idea!

Lola: Yeah!

Poromon: It'll be awesome having us go with you.

Count Nocturne: But you can't wear your Full House Gang costumes on the rescue.

Mascots: Aww!

Poromon: Also, why do you assume that we're always up to no good.

Evil Bubble Man: To be fair, you and Poliwag DID help Buzz with his unauthorized party.

Me: You just had to bring that up didn't you.

Evil Bubble Man: What it's true!

Poliwag: Yeah.

Varie: Yeah!

Eartha: But if we get to the Oreo part, you can get some oreos.

Poromon: OH BOY!

Qin: Yep.

Me: The chart showed that there were far more many flavors of oreos than that along the way. There was flavors for fruit punch, watermelon, candy corns, peppermint, Jelly Donuts, Cinnamon Bun, Rocky Road, Apple Pie, Waffles & Syrup, Limeade, Orange Cremesicle, Swedish Fish and more.

Poromon: Wow! So many awesome flavors.

Me: Carolina Reaper Hot Sauce.

Nico: WHOA! That would be lethal!

Qin: Yeah!

Yost Molten Man: I wouldn't mind it.

Black Knight Ghost: You wouldn't!

Me: Now that flavor I would like.

Nico: Yep.

Then I smelled a familiar scent.

Poromon: Hey Oreos!

Then he grabbed one and ate it and then…

ALARM BELLS AND FIREHOUSE SIRENS!

HE SCREAMED IN PAIN AS FIRE EXPLODED OUT OF HIS MOUTH!

Qin: OH MAN!

Me: Well what do you know! Carolina Reaper Hot Sauce Oreos!

Me: It sure would. But guys just want to tell you that I actually faced the Chapman Brothers before and I killed them both.

Nico: WHOA! We didn't know that J.D.

Me: Yeah. Sorry. I forgot.

Nico: No worries man. I didn't know you faced them and killed them.

Lola: Yeah!

Me: Yeah so they are obviously here for revenge against me.

Nico: Maybe.

Camie: But we'll kill them both.

Eli: We'll get that shot. They are over on that island over there in that lake of milk.

Me: Nothing goes better with good cookies than milk.

Nico: Ain't that the truth.

Ed: COOKIES AND MILK!

Eddy: Ed shut up! You want them to hear you?

Tae Kwon Crow: Entrance time!

Nico: Lets go.

We went for the island.

A massive fiery explosion blasted off above them and a phoenix cry was heard and we landed and faced them!

Me: Hello bastards and douchebags. Miss me?

Dumbbelltron: You're not getting cookies. You're getting knuckle sandwiches!

Laughing Ghost: We'll be laughing as you die!

---

He was the Intergalactic Mail Carrier for Marah and Kapri. When he showed Lothor his abilities on Choobo, he was sent down to Earth to battle the Rangers.

He captures two people and was about to captures the two joggers, but the Yellow Wind Ranger came to the rescue. He summons an army of Kelzaks to aid him in battle, but they were no match for the Yellow Ranger and he was forced to retreat.

He later captures the Thunder Rangers by having Kapri disguise herself as their grandma, for it was revealed that he had captured her too.

He then battled the Red, Yellow and Blue Rangers. The Rangers had the upper hand, but the Red and Yellow Rangers started to argue, which gives the monster the perfect chance to capture the Blue Ranger and blast the Red and Yellow Rangers. The two combined their attacks to destroy him for the first time.

Lothor then used the Scroll of Empowerment to make Slob Goblin grow, so the Wind Rangers then summoned the Storm Megazord to battle him, but he was too great. The Samurai Star Megazord came to the rescue and they used the Super Stamp Power Sphere to force Slob Goblin to release the people he captured (including Choobo, the Thunder Rangers and their grandma) and they formed the Samurai Storm Megazord to take out Slob Goblin for good.

---

Slob Goblin: Been a long time Rangers.

Me: I remember you! You were sent to battle the rangers and turn people into stamps.

Me: That's right you were and I remember that.

Lola: Yep.

Nico: Awesome.

Applejack: Their stories are really amazing themselves.

Apple Bloom: Boy they sure are.

---

Ellie Elsher: Whoa, Ursula was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Hana Beautyflower: (French Accent) If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Ellie Elsher: That's incredible, and we'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Ellie, Hana, what memories did you have with Lincoln?

Ellie Elsher: I remembered this one time, Lincoln and I were watching ARGGH!, and I was seeing the latest ghost hunt from Hunter Spector, but Lori tried to snatch the remote and attack us, but I fired a blast of darkness and summoned ghosts that terrorized that banshee and she ran screaming upstairs and locked the door.

We laughed.

Nico: Trying to snatch the remote from Lincoln and Ellie while they're watching ARGGH! and trying to attack them? You're just lucky you didn't get grounded.

Lucy: I was proud of Ellie summoning ghosts to terrorize Lori and stop her from trying to attack Lincoln again.

Hana Beautyflower: (French Accent) That's what she got for using her status as the eldest sibling to get what she wanted. Okay, now it's my turn, one time, Lincoln and I were at the kitchen at The Loud House and we were making some delicious mixed berry jams, but then, Lynn broke the door down and tried to steal one of our jams and eat it, but then, we saw Luna come in, and she hit Lynn hard in the face with a fake frying pan and dragged her smelly butt to Mr. and Mrs. Loud's room, and when Luna was done with her explanation, Lynn was grounded for eighteen weeks, and while everyone else was enjoying a sample of our mixed berry jams, Lynn was locked up in a cage in her room and tied up in a straitjacket.

We cheered.

Eli: Way to go, Luna!

Nico: That'll teach her. So, are those mixed berry jams really that delicious?

Lincoln took out a jar of his and Hana's mixed berry jam and he put some onto a cracker and he gave it to Nico, and when he took a bite, his taste buds went wild!

Nico: WHOO! Oh man, now that's delicious!

Lincoln: And it's not just mixed berries, we've made strawberry jams, blueberry jams, grape jams, and any other fruit jams, and we even sold some to the public, and they loved them.

Applejack: Hey, I remembered tasting one of those, it was a jam made of different apples. (Gasps) So, that jam was made by…?!

Just then, Applejack ran fast and hugged Lincoln, and she peppered his cheek with kisses, and he blushed as she left lipstick marks on his cheek.

Apple Bloom: (Giggles) I think you just made an even bigger impression on my big sis, "Linky"

She and the other Cutie Mark Crusaders giggled to themselves with Lincoln and Applejack blushing, but they got tickled by Lincoln who used three of his dumbbell-free tails on them.

Applejack: (Snickers) Sorry, sis, but…

Sweetie Belle: Yeah, we teased Lincoln, and he got us back by tickling us with his tails.

FLASHBACK ENDS

Lincoln: There's no mistaking that scent from anywhere, you can come out now, Crovax the Cursed.

A figure came out, and it was none other than Crovax the Cursed, the former human turned into a Phyrexianized vampire. Crovax the Cursed tried to attack us, until Emily Bathory fired a black energy blast at Crovax and blew him back, and she was glaring at him.

Emily Báthory: (Hungarian Accent) Don't even think about it, you Phyrexianized vampire, you're not hurting another person ever again.

Suddenly, Emily Báthory's blood red eyes turned neon red and she was surrounded by a black and blood red energy aura with vampires, zombies, souls, spiders, mummies, dragons, blood, demons, wolves, and darkness, she unholstered her massive Red Eyes Zombie Dragon and Zombie Monsters-themed greatsword from her back, and as she approached Crovax the Cursed, she left black and blood red energy, vampires, zombies, souls, spiders, mummies, dragons, blood, demons, wolves, and darkness with every step.

Emily Báthory: (Hungarian Accent) I will never forgive you for the crimes that you have committed against the realms and its inhabitants, Crovax the Cursed, the blood of those you've heartlessly killed can never be washed away, and now, I will see to it that you receive the appropriate punishment for all those that've murdered.

Suddenly, Emily Báthory was surrounded by a massive vortex of black and blood red energy with blood and darkness surrounding the vortex, there's an army of vampires, zombies, souls, spiders, mummies, dragons, demons, wolves, and Red-Eyes Zombie Dragon, Malevolent Mech - Goku En, Paladin of the Cursed Dragon, Gernia, Patrician of Darkness, Royal Keeper, Pyramid Turtle, Master Kyonshee, Spirit Reaper, Getsu Fuhma, Ryu Kokki, Regenerating Mummy, Des Lacooda, Marionette Mite, Plague Wolf, and Zombie Master flying around the vortex, and in the vortex is a blood red phoenix with red eyes glaring at Crovax the Cursed: the red eyes of death. Emily Báthory has transformed into SUPER ANGEL-DRAGON-

VAMPIRE-ZOMBIE-UNDEAD-HARMONY CELESTIAL ETERNAL XELNAGA UNDEAD SATANIC BLACK MAGIC BLOOD VAMPIRE ANGEL OF DIVINE ZOMBIE UNDEAD BLOOD VAMPIRE JUSTICE AND DIVINE UNDEAD BLOOD VAMPIRE DRAGON LOVE!

We were amazed by Emily Báthory's Super Angel-Dragon-Vampire-Zombie-Undead-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Crovax the Cursed saw it, he rushed at her to kill her, but Emily Báthory fired a powerful black and blood red energy blast with vampires, zombies, souls, spiders, mummies, dragons, blood, demons, wolves, and darkness at Crovax the Cursed and sent him flying into a mountain, he got out, but he was enraged now.

Adriana Ardelean Dracula: (Romanian Accent) Incredible, Emily's transformed! I've known that she's a very powerful vampire, but seeing her now, she rivals even the most powerful vampires from fantasy.

Lincoln: Which means, Crovax the Cursed has now been outclassed in power, and now, he's about to be outnumbered, and Emily, you look beautiful, how do you feel?

Emily Báthory: (Divine Echoing Cosmic Voice of The Undead Zombie Demonic Vampire Dragon Angel and Divine Undead Zombie Demonic Vampire Dragon Love) **I feel incredible, Linky. Now, shall we finally put an end to Crovax once and for all?**

Lincoln: (Smiles) With pleasure, Emily.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Emily Báthory.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **You don't deserve to live a second more, Crovax the Cursed, and now, it's time for you to die.**

Emily Báthory and Lincoln went after Crovax the Cursed, and they fired extremely powerful blasts of rainbow energy, black and blood red energy, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Crovax and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him, along with scratches from Lincoln's claws, and they were angering him even more.

Emily Báthory and Lincoln summoned an army of vampires loyal only to them, and they sent them at Crovax the Cursed, and they brutally attacked him, and they spilled more of his blood. They also summon armies of zombies and other creatures of the night to attack Crovax, and more of his blood is spilled.

Nico: Damn, now that's really brutal!

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Emily Báthory, her hand-cannon Blaster is known as Zombie Monsters' Demonic Blood Vampire Undead Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's midnight black with blood red flames on the blaster and with a Phoenix, Angel, and the Zombie Monsters surrounded by darkness and blood etched on the sides, and a blood red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Emily Báthory fired blasts of rainbow energy, black and blood red energy, and elemental forces at Crovax the Cursed and as they hit him, they exploded with incredible power, and he was knocked down.

Then, Lincoln ran at Crovax the Cursed and he brutally bear-hugged him so he couldn't escape, and as soon as Lincoln sank his fangs into Crovax, he began sucking out his blood and absorbing him into his body through his skin. Then, as soon as Lincoln was done sucking out every last drop of Crovax's blood and absorbing him into his body, an energy card with the vampire's soul imprisoned inside had formed in Lincoln's large left hand, and when the Judgement Kanji appeared, Crovax was sent to The Black Gates forever. We cheered as Emily Báthory and Lincoln holstered their massive greatswords on their backs and powered down, and Emily Báthory's new body, clothes, weapons, jewelry, Third Eye, eleven massive midnight black wolf tails, and massive midnight black angel wings are permanent.

Emily Báthory: (Hungarian Accent) That'll teach you, you betrayer of humankind. Thanks for helping me destroy Crovax for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Emily.

Suddenly, Emily Báthory wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Emily Báthory's face, they kissed passionately as Emily Báthory's left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and the Zombie Monsters flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces behind them and a horde of demons flying in the air and zombies rising from the grave and we cheered wildly. Lincoln and Emily Báthory came back to us as the display and the Zombie Monsters vanished.

Nico: (Laughs) Nice one, you guys, Crovax definitely didn't stand a chance against you two.

Lincoln: He was really tough, Nico. But, when he fought against Emily Bathory and I, he had no idea of who he was facing, and how badly he underestimated his opponents.

Me: Especially if his opponents is a vampire-werewolf-cyborg hybrid and a powerful Goth Girl and vampire from Hungary and Gene-Slammer of The Zombie Monsters, plus, the descendant of the most feared countess in 16th Century Hungary.

Ramona Alucard: (Romanian Accent) Countess Elizabeth Bathory, the Blood Countess.

Eli: In the end, he met his fate and wound up as food for Lincoln, and we know who we're meeting tomorrow, right, Lincoln?

Lincoln: Oh yeah, Emilia Frankenstein, Gene-Slammer of Ghostrick Stein for Day 2 of The Skylands Treasure Hunt.

We went to the winner circle and then got crystal cookie trophies with crystal planets with race cars swirling around them.

Avalanche: Glad all of you guys got to fight them this time.

Kyd Wykkyd: And now, they got what they deserved.

Rojo: You said it!

Me: And now they are in the black gates.

Bonz: I'll pack some of these cookies.

Trumbipular: I still think peanuts are better!

Me: Well the Peanut Butter Cookies are made with peanut butter. That close enough?

Trumbipular: Yeah it'll do.

Nico: But great job today everyone. That was so awesome.

Qin: And amazing.

Lola: Yeah!

Twilight Sparkle: (To the viewers) Anyone that doesn't like cookies has a lot of problems wrong with them.

Me: You got that right Twilight.

Xenia: Yeah.

We got MANY kinds of cookies and went back to the ship and went home. And then we enjoyed the rest of the day and went to sleep.

Me and Delilah busted her cousin Ryan and sent him to prison forever. The match-up is for Aurora Tamara, The Light Dragon Goddess, and Incarnation of Tamara, the Good Dragon Goddess of Life, Light, and Mercy, and she and Lincoln are going to Drakonis, the Crimson Dragon, from Legend of Mana. For Lincoln's rescue tomorrow, Lincoln and his group are heading to The Skylands, specifically the Sensei Magic Realm, for Day 2 of The Skylands Treasure Hunt, and Twilight Sparkle is going to get a powerful treasure there: a powerful greatsword known as The Magical Alicorn Greatsword of The Magic Skylanders, and we're also going to destroy Evil Twilight Sparkle. And we're also going to meet Emilia Frankenstein, Gene-Slammer of Ghostrick Stein, she's Lincoln's Guardian Angel from Germany and his classmate in Gym. She's a Frankenstein and she was born with the powers of darkness and lightning and she also knew of Lincoln being a vampire-werewolf hybrid, just like the other Ghostrick Gene-Slammers. She's a very physically strong and smart girl and she's a very powerful athlete and she's also beaten Lynn in every sport imaginable, which has earned her Lynn's respect, and she's a very smart scientist, and she's helped Lisa in solving many complex equations, and that also earned her Lisa's respect. She's defended Lincoln many times from the bullies at home and Lori, Lola, and Luan, and she's also gotten help from Lynn and Lisa. She's also the master of a dark power known as Frankenstein's Unholy Lightning Fury, when she uses this dark power, she summons a powerful dark thunderstorm from the darkest depths of the Netherworld, and if that irredeemable person is hit by a lightning bolt from that dark storm, they'll die. This one time, Lincoln made a beautiful necklace with Frankenstein pendant, and she loved it so much, she hugged Lincoln and kissed him and he returned it. She's also good friends with Lucy and The Young Morticians' Club and she'll become a future member of The Goths of Darkness, and she hates Trina Riffins with a burning passion and she wants nothing more than to kill her, along with a Graydle Dragon Gene-Slammer named Katara Clearwater, she's Lincoln's Guardian Angel from Italy and classmate in Gym, and she's also one of the best swimmers. One time, she and Lincoln have crossed both the Atlantic and the Pacific oceans in a few days. Katara is also a Waterbender, and Lincoln and Katara would kiss each other on the lips while underwater. She's also the sister of Rain Mikamura, and she hates Lynn with a burning passion. Get ready for an awesome cake race as we head to a planet made of cakes of many kinds and we're going to battle the Devil of Christmas himself that we faced 2 years ago - KRAMPUS! We're going to make that monster pay for his crimes and show that taking kids down to HELL IS TOO EXTREME!

see you all next time.

Nico: Nothing like a little shopping for the Christmas season.

Qin: You said it Nico!

Momo: Love a great shopping excursion.

Girl Jordan: Me too! It's so awesome.

Misty (Pokemon): I think it's so awesome myself.

Me: Yeah me too Misty.

Nico: Yep. This is so awesome.

Camie: IT always is very fun.

Felicia Wittebane: Yeah it sure is awesome and cool.

Nico: Girl Jordan, I want to thank you, Cargill, and your teams for coming today.

Girl Jordan: Not a problem Nico. It's gonna be so awesome and fun helping you out.

Cargill: We're all really excited for this.

Me: Me too Russ.

Lizzie Strong: But it's really fun going on awesome rescues like this.

I noticed that Nico was not looking too good. He had a runny nose and he looked really sick like he had a cold.

Me: Nico are you all right? You don't look so hot.

Nico: J.D., I appreciate your concern. But we have a rescue to do.

Me: Sorry just worried about you.

Nico: Thanks though.

Me: You're welcome.

Max Gibson: But I do love a good shopping trip. Aside from helping Terry out when he is fighting crime, it's fun to go shopping and also have fun playing at the arcade.

Eli: You sure know how to help kick butt.

Qin: Yep.

Max Gibson: Thanks. It's amazing that Terry has all this to do.

Me: It sure is. But like we always know, The World Always needs a Batman.

Nico: Max, did you used to have feelings for Terry before?

Max Gibson: Not entirely. I knew that Terry only had feelings for Dana and I am cool with that.

Lola: Well there's plenty of fish in the sea for you.

Me: Also does Chelsea still have those gnarly awesome cat eyes?

Max Gibson: She sure does. And she looks totally boss with them.

Camie: Wait Chelsea has cat eyes?

Me: Well she didn't have them before. She spliced herself with Cat DNA thanks to some of Dr. Abel Cuvier's work and she has REALLY cool Cat Eyes.

Max Gibson: She sure did and let me tell you, she looked really cool with those eyes.

Me: It may be a crime against nature but we accepted it. She got this awesome power to help her see in the dark. Turns out those new eyes of hers help her see in the dark.

Camie: That is cool!

Me: Yeah we all thought so. But it was really playing with fire. But to Chelsea she looked awesome.

Nico: Boy she sure looked awesome. And that was back then when I just joined the team.

Lola: Yeah that was awesome.

Eli: No kidding. Also yesterdays mission was great!

Nico: Poromon ate lots of cookies yesterday.

Me: MANY of us did! Especially those Carolina Reaper Oreos.

Xenia: Those were lethal!

Camie: Yeah they sure were.

Lana (Pokemon): But ALL of those cookies were tasty!

Laney: Some of the best ever.

Hitch Trailblazer: Boy they sure were delicious.

Nico: Poromon still wants to eat them though.

Me: He sure did.

Qin: Boy I'll say.

Camie: I hope the next planet will be awesome and fun.

Ochaco: Me too!

Lola: I have a feeling it will be fun.

Nico: Me too.

Xenia: Yeah. All these Christmas food planets have been really awesome.

Me: Also just so you know guys tonight starts the first day of Hanukkah.

Nico: Oh wow! That means that Libby Stein-Torres is going to help with the festivities of that time.

Qin: Yep.

Me: I'm not Jewish but it is cool to learn about all this.

Nico: I think so too.

Me: Yep. I may be Christian but it's awesome.

Twilight Sparkle: It sure is.

Me: Does Equestria have its own version of Hanukkah, Twilight?

Twilight Sparkle: You know I'm not exactly sure. But it would be interesting if it did.

Xenia: Yeah it sure would. We know many of Equestria's holidays and they are all having so much fun learning all about our holidays too.

Laney: I'll say. They sure are.

Camie: What is Hanukkah anyway?

Me: Hanukkah is the Jewish version of Christmas. It celebrates the 8 days of the Miracle of Hanukkah in the Temple of Jerusalem after a terrible war known as the Maccabean Revolt. From 167 to 160 B.C., the people of Israel battled the forces of King Antiochus IV Epiphanes and it was a brutal war. But the revolt was won in the Maccabean's favor and they drove Antiochus and his forces away and reclaimed all of Israel. But it came at a great cost. The Menorah of the Holy Temple of Jerusalem was badly damaged and its flames were extinguished. They only had enough oil to keep it lit for one day and it would take 8 days to make more of it. So they needed a miracle. But after 8 days had passed the Flame was still burning. That was a true Miracle from God.

Nico: That's right.

Camie: Wow! That is amazing.

Me: It sure is. You'll see more as we go on. From December 18th to December 26th we will see what it's like for those that haven't experienced it.

Qin: Yeah.

Camie: Good idea.

Sirius: We can't wait.

Nico: Let's go into different stores.

Me: Good idea.

Nico sneezed.

Me: Bless you.

Nico: Thank you.

We went to jewelry shops, kitchen supply stores, clothing shops and more. May got a surprise outfit for her to show Nico just in case.

We had a lot of bags with us too.

Nico: We got a lot of shopping done here at the mall, before the next Another Undead and Another Villain show up.

Me: Yep. And perfect for Christmas Week.

Lincoln: And before we deal with them, we're bound to have an uninvited guest showing up to cause trouble.

Qin: Yeah I feel it.

Me: We'll be ready for whoever the uninvited guest is, Lincoln. Now, then, let's get some more shopping done!

Nico: Yeah!

We went through all the stores here and we really cleaned up the place.

Leni: Wow, that's what I call one amazing Christmas shopping!

Lily: You got that right, we must've cleaned out all the stores.

Me: No kidding!

I had TONS of bags in my hands and my tails were holding NUMEROUS boxes and more.

Qin: Boy that is what I call fully armed.

We laughed.

?: (ENRAGED SCREAMING) EEEEEEEEEEEEEDDDDDDDDDDDDD!

UH OH!

We heard a loud enraged scream, and then, we heard Ed scream.

Ed: Have mercy, Child of The Netherworld!

Leni: Oh no, I'd recognize that enraged scream from anywhere! (Gasps) ED! Come on, guys, Ed's in trouble!

Nico: LETS GO GUYS!

We rushed over, and we saw Ed being viciously attacked.

Nico: What's going on here?!

We saw that he was being viciously attacked by our old enemy, Dark Sarah, who's come back.

Camie: Is that Sarah!?

Me: No that is Dark Sarah! She is the very evil inside her that hates Ed with a vengeance!

Leni fired a gravity blast and it hit Dark Sarah and she was lifted off of Ed. Lincoln and I got Ed back to us, and he used one of his potions to cure Ed's wounds.

Ed: Thanks, Lincoln.

Lincoln: You're welcome, Ed.

Me: Holy shit Dark Sarah did a number on you!

Eddy: Lumpy, what happened?!

Ed: Dark Sarah attacked Ed! She still hates me!

Me: You Mammoth Mouth Brat!

Nico: You make me sick! Attacking your own brother because you hate him!

Me: (In my head) Nico is not feeling well. I know it.

Dark Sarah: AND I ALWAYS WILL, I ALWAYS HATED YOU EVEN BEFORE I WAS BORN, AND I STILL DO, YOU'VE ALWAYS BEEN NOTHING MORE THAN A STUPID, IDIOTIC, BRAIN-DEAD MORON! HOW I WANTED NOTHING MORE THAN TO MAKE YOUR LIFE A LIVING MISERY, AND FINALLY, KILL YOU AND YOUR STUPID FRIENDS, AND YOUR GIRLFRIEND'S ALSO AN IDIOT, ALONG WITH HER STUPID AND WORTHLESS FAMILY! (LAUGHING DEMONICALLY)

Me: YOU'RE FUCKING INSANE!

Suddenly, Lori, Luna, Lynn, Laney, Lana, and Lynn Sr. appeared, and they were really pissed off at Dark Sarah's words.

Luna: I ought to hit you hard in the head with a guitar for that, Mammoth Mouth!

Lola: YEAH AND I OUGHT TO RIP YOU TO SHREDS!

But before Luna could hit Dark Sarah, we saw that Leni's eyes had turned from sea foam green to red with outright hatred and rage: she heard every last insult from Dark Sarah, and they were the most despicable and hateful things that she could ever say to Ed, herself, and her entire family, and that really set her off, as Leni fired another gravity blast, which sent Dark Sarah flying out of the mall and into a tree, she followed outside, and so did the rest of us, but there's no mistaking that Dark Sarah's crossed it.

Everyone: UH OH!

Me: Leni is pissed off big time.

Underbite: Gimme some metal to eat so I can teach her a lesson!

Nico formed some metal and gave it to him.

Underbite: Thanks Nico.

He ate it.

Then he smashed her all over.

Dark Sarah got up and she was ENRAGED!

Dark Sarah: I'M TELLING MOM!

Me: As if she will ever listen to you!

Eddy's friends came.

Nico: Yeah! Don't you remember what happened on Mothers Day 3 years ago?

Nazz: Yeah! So go jump off a Cliff monkeyface!

GOAT BLEETS!

Dark Sarah: [enraged] "WHAT'D YOU CALL ME?!"

[Dark Sarah then slams a toilet down on Nazz, knocking her through the street. Nazz runs back up the street and throws a box of tissues at Dark Sarah. The box bounces harmlessly off Sarah's head.]

Dark Sarah: "Nice try!" [She brings a car down on Nazz.]

KRASMASH!

Nazz was REALLY MANGLED UP!

But that was Flip's old car she smashed onto her!

Lori: It's bad enough that Mammoth Mouth brat insulted us, but when she said the most despicable and hateful things ever about Ed, she literally crossed the line big time.

Lincoln: And now, she's going to get it.

Me: Big time.

Nico: Someone get Nazz out of that wreck.

Rolf: Rolf will assist Bus Bucket Nazz Girl.

Kevin: Right behind you man!

They lifted the car up off her and she was REALLY MANGLED UP!

Varie: I'll have the medical van come.

Sacrifar Haru charged at her.

Dark Sarah saw him and then.

SLASH!

He slashed her in her forehead!

OUCH!

Me: Time for this! (ACTIVATES MULTIPLEX'S RIDEWATCH)

I made 930 clones and they were armed with baseball bats and we bashed Dark Sarah all over the place.

Nico: YEAH!

But then!

KRABBBBBBBBOOOOOOOOOOOOOOOOOMMMM!

Jimmy explodes. He charges at Dark Sarah in a fury, looking for all the world like a mad dog. Dark Sarah is helpless against the berserk Jimmy; a thug through happenstance, she has no idea how to defend herself against the onslaught.

Nico: YEAH GET HER JIMMY!

[Jimmy finishes up. The dust clears, his face turns to normal, and he looks around.]

Jimmy: "What happened?"

[Dark Sarah lies on the ground in pain, bruised all over and mangled up with a bite mark on hrt tongue and looking like she lost a fight with a crazed superhero.]

Nico: Nice job Jimmy!

Qin: YEAH!

Me: Holy Shit! What a beating! But she is not done yet.

Dark Sarah got up and her bones were really broken all over.

Toxitea charged at her.

He went and bashed and kicked and smashed and blasted her all over!

Qin: TAKE THAT!

Suddenly, something within Leni's mind brutally snapped as memories of Dark Sarah's despicable and hateful words from Mother's Day years ago echoed in her head and the hatred she had for Ed was out of control, and then, her sea foam green eyes turned neon sea foam green and she was surrounded by a rainbow energy aura with stars, gravity, kaiju, and plants, she unholstered her Chía's Stellar Star Gravity Kaiju Nature Greatsword of Starstorm Gravity Justice and Starstorm Plant Love from her back, and as she approached Dark Sarah, she left rainbow energy, stars, gravity, kaiju, and plants with every step.

Leni: I've had all that I can take from you, it's bad enough that you've lashed out over the smallest thing that can set you off and you viciously injure anyone who set you off. (SUDDENLY GETTING EXTREMELY AND DANGEROUSLY PISSED OFF) But, what you just said about my boyfriend, myself, and my family, those were the most despicable and hateful things ever… , and what you just did… ! YOU'VE JUST CROSSED ONE GOOD-FOR-NOTHING LINE TOO MANY TIMES, YOU HEARTLESS, EVIL, SELFISH, CONNIVING, TWO-FACED, ANGER-MISMANAGEMENT MAMMOTH MOUTHED SPOILED BRAT, AND NOW, I'M GOING TO, IN LORI'S WORDS, TURN YOU INTO A HUMAN PRETZEL FOR WHAT YOU JUST SAID!

We gasped at the really brutal extent of Leni's fury! Dark Sarah's crossed it big time, and now, she's going to pay.

Lori: Uh oh.

Eli: What, what's wrong?

Lincoln: Leni's always been known as the kind-hearted and generous sister of the family who thought of others, just like me. But, when someone dares to say such despicable and hateful things about any of us, that's when she really gets angry.

Nico: And that Mother's Day years ago proved it when Sarah had broken free of Dark Sarah, and we faced off and pummeled that little monster.

Me: And now, thanks to those despicable words that mammoth mouthed brat just said, now, Leni's going to make her pay big time.

Loud Family: STAND YOUR GROUND, EVERYONE, SHE'S GOING TO BLOW!

We immediately stood our ground, but Dark Sarah charged at Leni to kill her, but Leni screamed like a madwoman and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion of power and energy and she was surrounded by a massive vortex of rainbow energy with plants and stars surrounding the vortex, there's King Ghidorah and the kaiju flying around the vortex, and in the vortex is a sea foam green phoenix with red eyes glaring at Dark Sarah: the red eyes of death. The force of the vortex was so powerful, it pushed Dark Sarah away and right into another tree. Then, as the vortex faded, Leni emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Leni Loud has transformed into SUPER ANGEL-KAIJU-STAR DRAGON-HARMONY CELESTIAL ETERNAL XELNAGA FASHIONISTA STELLAR STARSTORM GRAVITY PLANT KAIJU ANGEL OF DIVINE GRAVITY NATURE LOVE AND STELLAR STAR GRAVITY JUSTICE!

Me: She's in for it now!

We were amazed by Leni Loud's Super Angel-Kaiju-Star Dragon-Harmony Celestial Eternal Xelnaga transformation and when Ed saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Dark Sarah saw it, she went completely ballistic and tried to rush at Leni to kill her.

Dark Sarah: I'LL KILL YOU, AND MY STUPID BROTHER AND ALL OF YOU ARE NEXT!

But, Leni fired a powerful rainbow energy blast with gravity, stars, plants, kaiju, and dragons at Dark Sarah, and it sent that spoiled little brat flying into another tree, she got up, but she was really mad now!

Leni: (Divine Echoing Cosmic Voice of The Stellar Starstorm Plant Kaiju of Justice and Divine Gravity Plant Love) **You are not laying one more hand on my boyfriend or my family, you mammoth mouthed little brat!**

Leni went after Dark Sarah, and she fired powerful blasts of rainbow energy, gravity, stars, plants, kaiju, and dragons, and they exploded with incredible power as they hit her, and Leni attacked her with her massive greatsword and she left tears on Dark Sarah's clothes. This angered Dark Sarah who grabbed a car and tried to flatten Leni with it, but Leni fired a gravity blast at the car, and it suspended it in the air, and then, Leni fired another gravity blast at Dark Sarah, and the gravity blast forced her onto the ground, and she couldn't move. Then, Leni grabbed Dark Sarah and she made good on her threat: she turned her into a human pretzel. OUCH!

Me: Now time to use comedy shenanigans! (Pulls out Wonder Ride Book) (Reads Verse) "While facing the vicious foe that was out for blood, the brave heroes all faced the dark foe and she was struck with phonograph records and they shattered upon hitting her head."

Then six records hit her from out of nowhere and shattered and they really hurt!

SMASH SMASH SMASH SMASH SMASH SMASH!

OUCH! THAT'S GOING TO LEAVE A NASTY MARK!

Albedo turned into Negative Rath.

Negative Rath: LEMME TELL YOU SOMETHIN, DARK SARAH! NOBODY HURTS LENI'S BOYFRIEND WHILE RATH IS ON THE JOB!

Me: YEAH YOU TELL THEM!

Nico: YEAH!

Me: Especially when we can do this! (Reads another verse) "And then giant springs blasted out of the ground from underneath the vicious dark foe and sent her flying into the air."

BOINGS

A huge spring sent her careening into the air and she hit the bottom of a plane and fell and then crashed onto the spring and got tangled up in it bad!

Qin: NICE!

Nico: OOH! Ouch!

Camie: Nice one!

Nico: (takes out Vengeance Express Kids' Ridewatch) Time for a dose of your own medicine!

Me: Along with this.

Nico activated the Ridewatch and threw a huge car at them and smashed it onto her! OUCH!

Me: (Reads Another Verse) "Then 6 ice cream carts rode in and drove up the walls and smashed onto the dark foe."

6 Ice Cream Carts rode in and they did what I said.

SMASH SMASH SMASH SMASH SMASH SMASH!

OOOOH! THAT'S GOING TO NOT FEEL GOOD!

Xenia: WHOA MAN!

Ed: Dark Sarah is in pain now she'll have to call you back.

We laughed hysterically!

Alexis: My turn!

She activated Femme Fatale's ridewatch and got a Female Gun and fired waves of energy and blasted her.

Me: NICE! Now for this one. (Reads Another verse) "And then a bunch of skunks came up to the dark foe and sprayed her all over till she was drenched."

Skunks came and then…

SPRRAAAAAAAYYY!

LIGHTHOUSE FOGHORN!

Nico: WHO STEPPED ON A DUCK!?

Eli: OH GOD THAT STINKS!

Camie: YUCK!

Nico: Anyone got air fresheners?

I put some pine scented air fresheners on our noses.

Me: There.

Nico: That was funny.

Me: Yep. Watch this one. (Reads another Verse) "And then 6 Street Lights fell right on top of the dark foe's heads and electrocuted them inside."

CLANG CLANG CLANG CLANG CLANG CLANG!

ZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPPPPP!

Dark Sarah got hit by 6 street lights and got electrocuted inside them.

Nico: OOH OUCH!

She came out burned and charred!

Me: Watch this. (Reads Another Verse) "And then a giant concrete drainage pipe tube rolled onto the dark foes and crushed her."

A concrete drainage pipe then rolled onto her.

Nico: Ouch.

Maria: This is very funny!

Me: Yeah it is! Now watch this. (Reads another verse) "And then a semi-truck barreled towards the dark foes and ran her over, turning her into roadkill!"

Nico: Uh oh.

HONK! HONK!

Dark Sarah saw it.

Dark Sarah: MOMMY!

KRASMASSSSH!

She was flattened like a pancake!

Dark Sarah got up and were really mangled up!

May: Was anyone driving that?

Me: I don't know.

Qin: Well we won't know.

Me: Now comes the silliest part. (Reads another verse) "Then the dark Foe got REALLY MANGLED UP as they got hit with six trees…"

CRASH CRASH CRASH CRASH CRASH CRASH!

Six Trees CRASHED ON TOP OF HER!

Leni: Good morning trees!

Nico: OUCH!

Me: (Continues Reading) "followed by a huge sandbox with crashed onto her and buried her in sand…"

Then a pail and shovels in her hands and then…

CRASH!

A huge sandbox fell onto her and buried them in sand.

Me: (Continues Reading) "Then a stampede of hippos appeared out of nowhere and trampled her…"

She felt the rumble and saw the hippos.

Dark Sarah: HIPPOS!

They really smashed her all over!

Me: (Continues Reading) "Then a little storm cloud appeared above her and struck her with lightning…"

THUNDERCLAP!

ZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPPPPPPPPPP

She got hit by lightning and it hurt bad!

Me: (Continues Reading) "Then 6 houses fell onto her and smashed her into dust."

MEGA KRASMASH!

6 huge houses appeared above her and crashed onto Dark Sarah!

All of us: OOOOH!

Dark Sarah got up and she was really badly mangled, torn up and dizzy and disoriented from nasty concussions, bruises and broken bones! OUCH!

May: Sorry. But it looks like this is goodbye.

Lori: You literally don't deserve to see the outside of a prison cell ever again, you spoiled brat!

Lincoln: We have a special prison for the likes of you.

Lincoln drew the Kanjis for Bind 縛 and Seal 封 on Dark Sarah's forehead, and as the Bind Kanji then glowed, Dark Sarah was bound in Neutronium Chains lined with rainbow energy, and then, The Seal Kanji glowed, and Dark Sarah was sealed inside an indestructible diamond prison and finally into a Containment Card, which Lincoln had put into the same box where he put Ophelia Shroud into when he used the same trick on her. Leni holstered her massive greatsword on her back and powered down, and Leni's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long blonde wolf tails, and massive blonde angel wings are permanent.

Lynn: That'll teach that little monster!

Luna: Better than letting me hit her in the head with a guitar, dude.

Me: Yep. But that was really funny!

Qin: Yeah it was!

Xenia: (LAUGHS) That was so awesome.

Maria: We're not done yet.

Nazz got taken up to the estate to the infirmary.

Qin: Man Dark Sarah really did a number on her.

Nico: No shit.

Xenia: Yeah.

Varie: No kidding.

Zarya Moonwolf: But that was still… (WINCES)

Her mark for Lupus the Wolf was glowing!

Zarya Moonwolf: My mark for Lupus the Wolf is glowing.

Me: That means the next Undead Zodiarts is for Lupus the wolf.

Eli: Yep. Like that one there!

We saw a figure come out and it was ANOTHER LUPUS UNDEAD ZODIARTS! It looked like a mixture of Zen-Aku, Wolfbane, Dreadwolf, The Wolfblades and Wolfgang!

Me: WHOA! This one is 5 monsters mixed together!

Qin: Wow! No kidding!

Xenia: Yeah!

Nico: The Wolf IS Zarya's animal after all.

Me: Yep.

Zarya Moonwolf: Yeah.

Me: And you are?

Another Lupus Undead Zodiarts: (In a girls voice) I believe that J.D. knows me.

Me: (GASP) That voice!

She reverted back and it was a sailor soldier with magenta hair and had orange and green clothes on.

Me: (GASP!) Fiona Felucia A.K.A. Sailor Felucia!

Nico: WHOA! Felucia's Sailor Soldier!

Sailor Felucia: That's right and it's good to see you again J.D.

Me: Same here.

Nico: How do you know her?

Me: Fiona was born on the planet Felucia yes and she was born inside one of the plants that gives off those Hallucinogenic gases that blanket the planet. But she has an amazing immunity to all those gases and she also has the power to cause maddening illusions that can break ones sanity beyond repair. She was sent to Earth into the future by the Jedi Order for protection and me and Fiona are great friends and we busted numerous bad guys. Most of them were cold blooded murderers and we sent them to nuthouses because of Fiona's poisonous hallucinogenic powers. Her power is called The Glare of Insanity. Her eyes glow dark blue and they cause people to go mad from seeing their deepest fears brought to life even though they aren't there.

Qin: Geez! That is amazing!

Xenia: Wow! No kidding!

Lola: Yeah that is amazing!

Maria: Like Fear Gas?

Me: In a way. But there is no antidote. The damage is permanent and it kills you in less than 4 years.

Qin: WHOA! Death by Fear Madness! I would call that a form of torture.

Me: Normally yes. But it's fitting.

Nico: Yeah.

Eli: The Battle of Felucia was there too. That was initially a mission assigned to the 182nd Legion of the Grand Army of the Republic to combat the Separatist forces which had taken control of the planet

Sailor Felucia: That's right.

Me: That was a really awesome battle.

Sailor Felucia: It sure was cool.

Nico: We know the drill.

Me: Yep but first Fiona are there anymore opponents with you?

Sailor Felucia: Yes there are. It's a dark version of him.

She pointed to Cargill.

Cargill: Another version of me!? Whoa!

Nico: This is gonna be interesting.

Zarya: But I'll volunteer for this.

Me: And I'll help. Since Zen-Aku is mixed in with this one. (ACTIVATES ZEN-AKU'S RIDEWATCH)

I got his flute.

Me: Zen Aku has the power to do this. Watch.

I used the Animal Crystals of the Manta Ray of Black Manta, The Box Jellyfish of Jellica and Poison Dart Frog of Leapfrog!

Me: DARK WILD ZORDS ARISE!

I blew a tune and summoned miniature versions of said zords!

Qin: WHOA!

Nico: Wow! These are awesome!

Eli: Wow! The most venomous jellyfish in the world as a zord.

Qin: For Jellica the Jellyfish Rinshi too!

Nico: And the Manta Ray is perfect for Black Manta.

Rainbow Dash: And the Poison Dart Frog for Leapfrog. Awesome choice.

Sailor Felucia: Wow! That is cool!

Me: It sure is. With new members of the Masters of Evil joining the fray every day we're getting more and more Legend Items all the time.

Qin: It's really cool.

Nico: Is the Another Cargill hostile or friendly?

Sailor Felucia: Friendly.

Me: Good. We don't want to have to deal with another hostile one twice in a row.

Nico: Yeah.

Sailor Felucia: I don't blame you. Lets get it on.

She turned into Another Lupus Undead Zodiarts. The Mini Dark Wild Zords fired lasers at her and blasted her all over.

Zarya then fired an arrow and it hit Another Lupus Undead Zodiarts and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She exploded and was knocked down and I caught the Rouse Card and Zodiarts switch and purified them. The Rouse Card had a picture of a wolf with the symbol and stars of Lupus the Wolf in the Southern Hemisphere on it.

Me: Awesome.

The Zodiarts Switch glowed and turned into Armbands for those marked for Lupus the Wolf.

Zarya Moonwolf: Cool!

Me: Yeah!

I went over and picked up Sailor Felucia and brought her over.

Varie: That was cool!

Nico: One down.

Me: One to go.

Qin: Should be here shortly.

Eli: How about right now? Look!

We saw a figure come out and it was a dark version of Cargill! It was ANOTHER CARGILL!

Me: Another Cargill!

Cargill: Me wearing black clothes! Nice!

Nico: Who are you?

Another Cargill: (In a girls voice) (Australian Accent) J.D. knows me mates.

Me: (GASP) G'day Jackie Lambert!

Another Cargill: Good to see you again J.D.

Me: Been a long time.

Another Cargill: It sure has been a while.

Nico: You know her?

Me: I sure do. Jackie is from Australia and she is also known as the Destroyer of Dysfunctional Cities. She travels all over the world and destroys terrible evil towns like those of Springfield and Quahog.

Nico: Whoa! That is amazing!

Me: Yep. She works for the E.P.A. And she also destroyed numerous hazardous waste and fossil fuel burning power plants. She is like a one man army that is the E.P.A.'s version of Greenpeace.

Qin: WHOA! That is amazing!

Nico: It sure is! That explains why many power plants in so many cities that were really bad all over Honduras, El Salvador, Oman and Somalia and many other locations were all destroyed and reduced to flaming craters.

Qin: Yeah.

Me: I take it you heard about all of us destroying Springfield, Oregon and Quahog, Rhode Island right?

Another Cargill: I sure did and those wretched towns deserved it mates.

Me: No kidding. Springfield was a bad town from day one and it was full of corrupted officials and megalomaniacal douchebags. Same with Quahog because it was full of idiots.

Nico: Yep.

Qin: They deserved to be wiped out.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Another Cargill: Just to purge all the most lawless cities in the world from this planet and also destroy all the fossil fuel plants all over.

Me: Well that second part we already did back in 2019 during one of the most charitable weeks we did back then. The 1st part we can't do because those towns, despite being lawless places have innocent people in them. Most of them children.

Another Cargill: Good reason but I heard all about that mates. That was awesome.

Eli: It sure was amazing.

Camie: It sure was!

Lola: Yeah.

Me: But we have to save you from what you became. Sorry we have to fight.

Another Cargill: No worries. Come at me and don't hold back.

There's a calm surrender

To the rush of day

When the heat of a rolling wind

Can be turned away

An enchanted moment

And it sees me through

It's enough for this restless warrior

Just to be with you

And can you feel the love tonight?

It is where we are

It's enough for this wide-eyed wanderer

That we got this far

And can you feel the love tonight

How it's laid to rest?

It's enough to make kings and vagabonds

Believe the very best

There's a time for everyone

If they only learn

That the twisting kaleidoscope

Moves us all in turn

There's a rhyme and reason

To the wild outdoors

When the heart of this star-crossed voyager

Beats in time with yours

And can you feel the love tonight?

It is where we are

It's enough for this wide-eyed wanderer

That we got this far

And can you feel the love tonight

How it's laid to rest?

It's enough to make kings and vagabonds

Turn your magic on, to me she'd say
Everything you want's a dream away
Under this pressure, under this weight
We are diamonds
Now I feel my heart beating
I feel my heart beneath my skin
I feel my heart beating
Oh, you make me feel
Like I'm alive again
Alive again
Oh, you make me feel
Like I'm alive again
Said I can't go on, not in this way
I'm a dream that died by light of day
Gonna hold up half the sky and say
Only I own me
Now I feel my heart beating
I feel my heart beneath my skin

Oh, I can feel my heart beating

'Cause you make me feel

Like I'm alive again

Alive again

Oh, you make me feel

I can only wonder how
Touching you would make me feel
But if I take that chance right now
Tomorrow will you want me still? (baby, will you want me?)

I could fall in love (in love) with you

Well, girl, my self control's so paralyzed

When it comes to you, no, I ain't got no patience

There's something 'bout you, girl, I just can't fight

You're like that cigarette

That shot of hundred proof

No matter how much I get

I'm always craving

That feeling when we kiss

The way your body moves

No matter how much I get

I'm always craving you

Craving you

You know I come unglued from missing you

(THE HIGHWAYMAN BY LOREENA MCKENNITT PLAYS)

Nico: (SINGING DIVINELY AS EARTHS AND SUNS SWIRLED AROUND HIM)

The wind was a torrent of darkness among the gusty trees

The moon was a ghostly galleon tossed upon the cloudy seas

The road was a ribbon of moonlight over the purple moon

A highwayman came riding

Riding, riding

A highwayman came riding, up to the old inn-door

He'd a french cocked hat on his forehead, a bunch of lace at his chin

A coat of glaring velvet, and breeches of brown doe skin

They fitted with never a wrinkle, his boots were up to the thigh

And he rode with a chill and a twinkle

His pistol butts a twinkle

His rapier hilt a twinkle, under the jeweled sky

And over the cobbles he clattered and clashed in the dark of night

And he tapped with his whip on the shutters, but all was locked and barred

He whistled a tune to the window, and who should be waiting there

But the landlord's black-eyed daughter

Bess, the landlord's daughter

Plaiting a long dark red love-knot into her long black hair

One kiss, my bonny sweetheart, I'm after a prize tonight

But I shall be back with the yellow gold before the morning light

Yet if they press me sharply, and harry me through the day

Then look for me by the moonlight

Watch for me by the moonlight

I'll come to thee by the moonlight, though hell should bar the way

He rose upright in the stirrups, he scarce could reach her hand

She loosened her hair in the casement, her face burnt like a brand

As the black cascade of perfume came tumbling over his breast

And he kissed its waves in the moonlight

Oh, sweet waves in the moonlight!

Then he tugged at his rein in the moonlight, and galloped away to the west

He did not come at the dawning, he did not come at noon

And out of the tawny sunset, before the rise of the moon

When the road was a gypsy's ribbon, looping the purple moon

A red-coat troop came marching

Marching, marching

King George's men came marching, up to the old inn-door

They said no word to the landlord, they drank his ale instead

But they gagged his daughter and bound her to the foot of her narrow bed

Two of them knelt at the casement, with muskets at their side

There was death at every window

Hell at one dark window

For Bess could see, through the casement

The road that he would ride

They had tied her up to attention, with many a sniggering jest

And they bound a musket beside her, with the barrel beneath her breast

Now keep good watch and they kissed her

She heard the dead man say

"Look for me by the moonlight

Watch for me by the moonlight

I'll come to thee by the moonlight, though hell should bar the way"

She twisted her hands behind her, but all the knots held good

She writhed her hands 'til her fingers were wet with sweat or blood!

They stretched and strained in the darkness and the hours crawled on by like years!

'Til, now, on the stroke of midnight

Cold, on the stroke of midnight

The tip of one finger touched it!

The trigger at least was hers

Tlot-tlot! Had they heard it? The horse-hoofs ringing clear

Tlot-tlot, in the distance, were they deaf that they did not hear?

Down the ribbon of moonlight, over the brow of the hill

The highwayman came riding

Riding, riding

The red-coats looked to their priming

She stood up straight and still

Tlot in the frosty silence, tlot, in the echoing night

Nearer he came and nearer, her face was like a light

Her eyes grew wide for a moment, she drew one last deep breath

Her finger moved in the moonlight

Her musket shot her in the moonlight

Shattered her breast in the moonlight and warned him with her death

He turned, he spurred to the west, he did not know she stood

Bowed, with her head o'er the musket, drenched with her own red blood

Not 'til the dawn he heard it, his face grew grey to hear

How Bess, the landlord's daughter

The landlord's black-eyed daughter

Watched for her love in the moonlight, and died in the darkness there

And back, he spurred like a madman, shrieking a curse to the sky

With a white rope smoking behind him and his rapier brandished high

Blood-red were the spurs inthe golden moon, wine-red was his velvet coat

When they shot him down on the highway

Down like a dog on the highway

And he lay in his blood on the highway, with a bunch of lace at his throat

Still of a winter's night, they say, when the wind is in the trees

When the moon is a ghostly galleon, tossed upon the cloudy seas

When the road is a ribbon of moonlight over the purple moon

The highwayman comes riding

Riding, riding

The highwayman comes riding, up to the old inn-door

He floated into the air and fired waves of suns and energy and smashed her down!

Qin: YEAH BABY!

Lola: YEAH!

I see a cold wind blowing through

I see days neither fun nor free

I see a future caused by you

I see a path not meant to be

The future should be filled with magic

Dreams and wishes brought to life

But the days ahead are dark and tragic

No time for hope when all is strife

Whatever might have been

All the dreams that ponies share

Because of you, Snowfall Frost

Now, the future is a cold nightmare

She floated into the air with her pitch black wings of darkness spread and the Windigos flew around her and purple fire swirled around her and she fired waves of darkness and ice and smashed her down.

I had shivers of fear coming down my spine!

Qin: (GULPS) Scary!

Nico: (GULPS) Really scary!

Camie: Yeah!

Won't you come see about me?

I'll be alone, dancing, you know it, baby

Tell me your troubles and doubts

Giving everything inside and out and

Love's strange, so real in the dark

Think of the tender things that we were working on
Slow change may pull us apart
When the light gets into your heart, baby
Don't you, forget about me
Don't, don't, don't, don't
Don't you, forget about me
Will you stand above me?
Look my way, never love me
Rain keeps falling, rain keeps falling
Down, down, down
Will you recognize me?
Call my name or walk on by
Rain keeps falling, rain keeps falling
Down, down, down, down
Hey, hey, hey, hey
Ooh, woah
Don't you try and pretend
It's my feeling we'll win in the end
I won't harm you or touch your defenses
Vanity and security, ah
Don't you forget about me
I'll be alone, dancing, you know it, baby

Going to take you apart

I'll put us back together at heart, baby

Don't you, forget about me

Don't, don't, don't, don't

Don't you, forget about me

As you walk on by

Will you call my name?

As you walk on by

Will you call my name?

When you walk away

Or will you walk away?

Will you walk on by?

Come on, call my name

Will you call my name?

Hark how the bells

Sweet silver bells

All seem to say

Throw cares away

Christmas is here

Bringing good cheer

To young and old

Meek and the bold

Ding, dong, ding, dong

That is their song

With joyful ring

All caroling

One seems to hear

Words of good cheer

From ev'rywhere

Filling the air

Ding dong ding dong ding

Oh how they pound

Raising the sound

O'er hill and dale

Telling their tale

Gaily they ring

While people sing

Songs of good cheer

Christmas is here

Merry, merry, merry, merry Christmas

Merry, merry, merry, merry Christmas

Hark how the bell

Sweet silver bells

All seem to say

Throw cares away

Christmas is here

Bringing good cheer

To young and old

Meek and the bold

Ding, dong, ding, dong

That is their song

With joyful ring

All caroling

One seems to hear

Words of good cheer

From ev'rywhere

Filling the air

Merry, merry, merry, merry Christmas

Merry, merry, merry, merry Christmas

On on they send

On without end

Their joyful tone to every home

Ding dong ding dong ding

Ding dong ding dong ding

Christmas is here

Bringing good cheer

To young and old

Meek and the bold

Ding dong ding dong ding

That is their song

With joyful ring

Ding dong ding dong ding

(YOU'RE A MEAN ONE MR. GRINCH PLAYS)

Horsea: (SINGING IN A BASS TONE DIVINE VOICE AS ONIONS SWIRLED AROUND HER)

You're a mean one, Mr. Grinch,

You really are a heel,

You're as cuddly as a cactus, you're as charming as an eel, Mr. Grinch,

You're a bad banana with a greasy black peel!

You're a monster, Mr. Grinch,

Your heart's an empty hole,

Your brain is full of spiders, you have garlic in your soul, Mr. Grinch,

I wouldn't touch you with a thirty-nine-and-a-half foot pole!

You're a foul one, Mr. Grinch,

You have termites in your smile,

You have all the tender sweetness of a seasick crocodile, Mr. Grinch,

Given a choice between the two of you I'd take the seasick crocodile!

You're a vile one, Mr. Grinch,

You're a nasty wasty skunk,

Your heart is full of unwashed socks, your soul is full of gunk, Mr. Grinch,

The three words that best describe you are as follows, and I quote,

"Stink, stank, stunk"!

You're a rotter, Mr. Grinch,

You're the king of sinful sots,

Your heart's a dead tomato splotched with moldy purple spots, Mr. Grinch,

Your soul is an appalling dump heap overflowing with the most disgraceful

Assortment of rubbish imaginable mangled up in tangled up knots!

You nauseate me, Mr. Grinch,

With a nauseous super "naus"!

You're a crooked dirty jockey and you drive a crooked hoss, Mr. Grinch,

You're a three decker sauerkraut and toadstool sandwich with arsenic sauce!

She floated and fired waves of energy and smashed her down!

Me: WHOA! Love that song!

Camie: YEAH! Perfect for the Christmas Season!

Xenia: YEAH!

May: (gets out Sacrifar Haru's Ridewatch) My turn!

Nico: WHAT POWER!

(FLEURS DU MAL BY SARAH BRIGHTMAN PLAYS)

May: (SINGING DIVINELY AS BLOOD AND DARKNESS SWIRLED AROUND HER)

Is it you I keep thinking of?

Should I feel like I do?

I've come to know that I miss your love

While I'm not missing you

We run 'til it's gone

Et les fleurs du mal

Won't let you be

You hold the key to an open door

Will I ever be free?

Les fleurs du mal unfold

Comme les fleurs du mal

Dark demons of my soul

Un amour fatal

Been tryin' hard to fight

Comme les fleurs du mal

Les fleurs du mal inside

Un amour fatal

All my life I've been waiting for

In this perfume of pain

To forget when I needed more

Of love's endless refrain

We live and we pray

Pour les fleurs du mal

I've lost my way

What is done will return again

Will I ever be free?

Les fleurs du mal

Comme les fleurs du mal

Un amour fatal

Comme les fleurs du mal

She fired waves of darkness and blood and smashed her down!

Qin: WHOA!

Brittney: Very fitting for that one! Darkness and blood is perfect for the Bloodlust Sword.

(ALIVE AND KICKING BY SIMPLE MINDS PLAYS)

Nico: (SINGING DIVINELY AS FIRE SWIRLED AROUND HIM)

You turn me on, you lift me up

And like the sweetest cup, I'd share with you

You lift me up, don't you ever stop, I'm here with you

Now it's all or nothing

'Cause you said you'll follow through

You follow me, and I,-I-I follow you

What you gonna do when things go wrong?

What you gonna do when it all cracks up?

What you gonna do when the love burns down?

What you gonna do when the flames go up?

Who is gonna come and turn the tide?

What's it gonna take to make a dream survive?

Who's got the touch to calm the storm inside?

Who's gonna save you?

Alive and kicking

Stay until your love is alive and kicking

Stay until your love is, until your love is alive

Oh, you lift me up to the crucial top, so I can see

Oh, you lead me on till the feelings come

And the lights that shine on

But if that don't mean nothing

Like if someday it should fall through

You'll take me home where the magic's from

And I'll be with you

What you gonna do when things go wrong?

What you gonna do when it all cracks up?

What you gonna do when the Love burns down?

What you gonna do when the flames go up?

Who is gonna come and turn the tide?

What's it gonna take to make a dream survive?

Who's got the touch to calm the storm inside?

Don't say goodbye, don't say goodbye

In the final seconds who's gonna save you?

Oh, alive and kicking

Stay until your love is, love is, alive and kicking

Oh, alive and kicking

Stay until your love is, love is, alive and kicking

Nico floated into the air and fired waves of Fire and smashed her down!

Give me release

Witness me

Give me peace

Heaven holds a sense of wonder

And I wanted to believe

That I'd get caught up

When the rage in me subsides

In this white wave

I am sinking
In this silence
In this white wave
In this silence
I believe
Passion chokes the flower
Till she cries no more
Possesing all the beauty
Hungry still for more
Heaven holds a sense of wonder
And I wanted to believe
That I'd get caught up
When the rage in me subsides
In this white wave

Comfort me
I can't hold it all in

Qin: YEAH!

Me: That was awesome!

Xenia: Yeah!

Varie: Beautiful.

Then Dark Laser and his team consisting of Dark Laser, Space Kook, Warrada, Aghoul, A Darkside Heartless and Asriel Dremurr came!

Nico: Nice team, Dark Laser!

Dark Laser: Thanks Nico. It's cool.

Nicole: Whoa is that Asriel Dremurr from Undertale!?

Asriel Dremurr: The one an only.

Nicole: Cool! I loved playing Undertale a lot back when I was a little girl. If you see Flowey tell him he is more than welcome to be in the M.O.E.

Asriel Dremurr: I will relay the message.

Max Gibson: Now for my fun.

She used Steelbeak's Ridewatch and bashed and pulverized Another Cargill all over.

Poliwag: I sense the next Gene Slammer nearby.

Nico: Must be because it's a Poliwrath Gene Slammer, one of your evolution forms.

Poliwag: Bingo.

But then a figure jumped out and it was a POLIWRATH!

Me: WHOA! A Poliwrath!

Nico: YEAH!

Poliwrath: (In a girls voice) Awesome to see you again Nico and you too J.D.

Nico: (GASP) Delilah Pitchfork!? Whoa!

Me: I had a REALLY strong feeling that it was going to be you as a Poliwrath!

Nico: Wow! How do you know Delilah, J.D.?

Me: Remember when we took down her cousin Ryan yesterday? I mentioned that I helped her bring him down and sent him to prison.

Nico: Oh wow!

Poliwrath: Yep. I got this.

She fired a bubblebeam and it hit Another Cargill and knocked her down and I caught the ridewatch and purified it and it was for Girl Jordan.

Me: Cool.

I went over to Jackie Lambert and picked her up. She was a girl in Australian Outback Clothes and had blue hair and blue eyes and she was freezing because it was cold.

Jackie Lambert: (Shivering) Crikey is it cold!

I pulled out a coat and put it on her.

Jackie Lambert: Thanks J.D. Man I have a nasty headache.

Me: You'll be okay.

I brought her over.

Poliwag: (to Poliwrath) Poli. Poli Poli. Poli. (Do you remember me Delilah?)

Poliwrath: Of course I remember you Poliwag. And you don't have to talk like Pokemon do.

Poliwag: Sorry.

Max Gibson: Obviously we heard your favorite memory about J.D.

Me: Yeah. Your cousin Ryan busted out of prison yesterday and on Nico's rescue we beat him.

Poliwrath: I heard about that. Sorry I couldn't get some shots on.

Me: No worries. But he is back in prison forever now.

Poliwrath: Good. Then he can rot there for all I care.

Max Gibson: But what's your favorite memory of Nico?

Poromon: That part is important. And I hope you remember me as well.

Poliwrath: And I do remember you Poromon. No doubt. But also my favorite memory is when me and Nico were in the track team and we were running passed the queen bee cheerleading team and with my speed I gave them all atomic wedgies and pulled their underwear over their heads and humiliated them in front of the whole high school football team!

We laughed our butts off at that one!

Qin: (LAUGHS) That was so funny!

Eli: Nice one!

Me: Yeah! Those bitches deserved it.

Lola: Yeah!

Nico: Yeah that was great.

Me: Lets get you back to normal.

Poliwrath: Okay but I'm naked.

Nicole: Oh boy. NO ONE PEEK OR I WILL KILL YOU!

I put on my blind man glasses.

Me: It's really cold and snowing out here so when you're back to normal you're going to be freezing.

Poliwrath: I know.

I snapped my fingers and the boys covered their eyes and she was reverting back.

As Delilah reverted back, Poliwag cuddled up to her.

Delilah: (GROANING) Thanks Poliwag!

She was back to normal and naked as a jaybird. She had blue hair and blue eyes and the fashion brigade moved in and gave her new clothes. She had track clothes on and she was cold and I gave her a coat.

Delilah: Wow! Thanks guys.

Poromon and Poliwag: Delilah!

They hugged her!

Delilah: (LAUGHS) Poromon and Poliwag I missed you guys!

Poliwag: We missed you too!

Nico then hugged her too.

Nico: I've really missed you Delilah.

Delilah: Me too Nico. Me too.

We later went back to the estate and dropped our bags full of what we bought in our rooms.

But, we're also going to destroy Evil Twilight Sparkle, who wants revenge on King Sombra the Good for the destruction of the rest of The Evil Princesses.

Lincoln: Wow, we're here in The Sensei Magic Realm for Day 2 of The Skylands Treasure Hunt, and I know what we're going to do here, not only am I going to rescue the six girls here, but Twilight Sparkle is going to get a powerful treasure there: a powerful greatsword known as The Magical Friendship Alicorn Greatsword of The Magic Skylanders.

Crash Bandicoot: And this also proved Princess Twilight correct about what she said yesterday: the next ten treasures are in the Ten Elemental Sensei Realms, and the first of the ten is here in The Sensei Magic Realm. Plus, we're also going to destroy Evil Twilight Sparkle, who wants revenge on King Sombra the Good for the destruction of the rest of The Evil Princesses.

Nico: Should've known she'd show up, we did destroy Evil Celestia and Evil Luna, now all we have to do is destroy Evil Twilight Sparkle.

Twilight Sparkle: That's right.

Just then, the rest of the Magic Skylanders arrived.

Mysticat: I hope you don't mind all of us joining you, Princess Twilight. When we received word of that evil version of you is here and is causing havoc, we knew she has to be stopped.

Twilight Sparkle: Not at all, Mysticat.

Lincoln: Since Evil Twilight had the gall to cause havoc in The Sensei Magic Realm, it makes sense that we get the rest of The Magic Skylanders involved, and I want to thank you, Lucy Mann, AncientMermaidmon, Mermaimon, and Venusmon for joining us, Layla.

Winx Club Layla: You're welcome, Lincoln. Plus, Ranamon was really happy that you asked us to join you.

Ranamon: I sure was. Now, then, let's go find where The Magical Friendship Alicorn Greatsword of The Magic Skylanders, and then, hunt down that evil unicorn.

We then arrived at a purple-colored shrine with the symbol of The Magic Skylanders on it, and then, the Magic symbol on Crash Bandicoot's massive Skylands' Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Justice and Eternal Skylanders Bravery glowed and opened the doors to the shrine and we entered, and we saw a massive and very powerful greatsword floating in the center and light shining down on it: The Magical Friendship Alicorn Greatsword of The Magic Skylanders, a powerful massive greatsword with magenta, violet, violet-blue, and several other shades of purple gems representing the Magic Skylanders embedded in the 7'0" massive, wide, double-edged magenta blade, large alicorn heads for the crossguard, large purple gem embedded in the rainguard, longer midnight black handle, four large alicorn heads and a large purple gem on the bottom of the alicorn heads for the pommel.

Twilight Sparkle: Wow, so that's The Magical Friendship Alicorn Greatsword of The Magic Skylanders, it truly is perfect for me, since I'm The Princess of Friendship and The Magic Skylanders.

Suddenly, we saw Ghostrick Stein and Graydle Dragon appear before us, and with them are the six girls.

Nico: Wow, Ghostrick Stein and Graydle Dragon.

Ghostrick Stein: (Girl's voice) (German Accent) That's right.

Graydle Dragon: (Girl's voice) (Italian Accent) And we got the six girls away from Evil Twilight.

Lincoln: (Gasps) Those voices, Emilia Frankenstein and Katara Clearwater, it's so awesome to see you both again, but we'll talk later, we still got Evil Twilight to deal with.

?: I will make you all pay for what you did to the Princesses of Evil!

Lincoln: I always knew you'd show up here, Evil Twilight.

We then saw our target, Evil Twilight Sparkle, and she was mad. She fired a blast of magic from her horn, but Lincoln deflected it with his Elemental Shield of Harmony.

Twilight Sparkle: Okay, that's it, no one attacks my future husband and my friends and gets away with it.

Twilight Sparkle went up and she grabbed The Magical Friendship Alicorn Greatsword of The Magic Skylanders. Suddenly, Twilight Sparkle's moderate violet eyes turn neon moderate violet, and she was surrounded by a violet energy aura with elemental forces, magic, and Alicorns, she unholstered her massive Twilight Sparkle's Magic Alicorn Greatsword of True Elemental Friendship from her back, and as she approached Evil Twilight, she left violet energy, elemental forces, magic, and Alicorns, with every step.

Twilight Sparkle: You've had this coming for a very long time, Evil Twilight, what you and the other Princesses of Evil have done in your world can never be forgiven, and now, it's your turn: as the Princess of Friendship and The Magic Skylanders, I hereby sentence you to death for your crimes.

Suddenly, Twilight Sparkle was surrounded by a massive vortex of violet energy with magic and elemental forces surrounding it, there's an Alicorn flying around the vortex, and in the vortex is a pink phoenix. Then, as the vortex faded, Twilight Sparkle emerged, but she was changed forever.

(THE MYSTICS DREAM BY LOREENA MCKENNITT PLAYS AT 6:02 TO 7:15)

Suddenly, Twilight Sparkle felt a sharp pain on her back, and then, her massive light violet angel wings with pink tips on the large light violet feathers grew much bigger for her new body and her dark purple with pink streak pony tail also grew longer, she has on a Ring of The Phoenix with violet gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Twilight Sparkle's massive and The Magical Friendship Alicorn Greatsword of The Magic Skylanders and all the other swords that she'd gotten began to merge together and they were surrounded by a kaleidoscope of violet energy, magic, Alicorns, and elemental forces, and when it emerged, it was transformed into Twilight Sparkle's Magic of Friendship Alicorn Greatsword of True Magical Friendship and True Magic Skylander Love, it's a brand-new massive greatsword with embedded purple gems and her cutie mark etched on the 7'0" massive, wide, double-edged violet blade, large gold Alicorn heads for the crossguard, large pink gem embedded in the rainguard, longer black handle, four large gold Alicorn heads with pink gems for eyes and a large violet gem on the bottom of the heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with violet gems on her wrists, her Belt of Elemental Bravery with an Alicorn for the belt buckle and violet gems for the eyes and a large pink gem in its collar for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Twilight Sparkle's transformed into SUPER ANGEL-ALICORN-HARMONY CELESTIAL ETERNAL XELNAGA ELEMENTAL MAGIC SKYLANDER PRINCESS MAGIC FRIENDSHIP ALICORN ANGEL OF DIVINE ELEMENT OF HARMONIOUS MAGICAL FRIENDSHIP JUSTICE AND DIVINE MAGIC OF HARMONIOUS FRIENDSHIP ELEMENTAL LOVE!

We were amazed by Twilight Sparkle's Super Angel-Alicorn-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Evil Twilight Sparkle saw it, she went mad with rage and fired a blast of magic from her horn, but Twilight Sparkle fired a powerful violet energy blast with elemental forces, magic, and Alicorns, and it hit Evil Twilight Sparkle and sent her flying out of the shrine and we followed, she got up, but she was really furious now.

Nico: Whoa, now Twilight Sparkle's transformed!

Me: Really incredible!

Twilight Sparkle: (Divine Echoing Cosmic Voice of The Elemental Harmony Magic of Friendship Alicorn and Divine Elemental Harmony Magic of Friendship Love) **Your days of causing havoc and disharmony are over, Evil Twilight.**

Me: It's monsters like you that give all Alicorns and unicorns everywhere a REALLY BAD NAME!

Lincoln: Hold on, Twilight, you're not doing this alone.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Twilight Sparkle.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **You don't deserve to be running amok ever again, you evil unicorn! Now, to deal with you for good!**

Twilight Sparkle and Lincoln went after Evil Twilight, and they fired extremely powerful blasts of rainbow energy, violet and pink energy, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Evil Twilight Sparkle and they exploded with incredible power as they hit her, and they attacked her with powerful slashes from their massive greatswords, and they left nasty scars on her, along with scratches from Lincoln's claws, and they were angering her even more.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Twilight Sparkle, her hand-cannon Blaster is known as Twilight Sparkle's Magic of Friendship Alicorn Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's violet with pink sparkles on the blaster and with a Phoenix, Angel, and an Alicorn surrounded by colored gems etched on the sides, and a dark purple gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Twilight Sparkle fired blasts of rainbow energy, violet and pink energy, and elemental forces at Evil Twilight Sparkle and as they hit her, they exploded with incredible power, and she was knocked down.

Then, Lincoln grabbed Evil Twilight's horn and he began sucking out and draining Evil Twilight's magic and powers and he was making them his own, and then, he and Twilight Sparkle fired two blasts of magic at her and they exploded and her spirit was sent to The Black Gates. We cheered wildly as Lincoln and Twilight Sparkle holstered their massive greatswords on their backs and powered down, and Rainbow Dash's new body, clothes, weapons, jewelry, Third Eye, longer dark purple and pink streak tail, and massive light violet angel wings are permanent.

Twilight Sparkle: Now, that's it for the Evil Princesses. Thanks for helping me destroy that evil unicorn, Linky.

Lincoln: (Smiles Warmly) You're welcome, Twilight Sparkle.

Suddenly, Twilight Sparkle wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Twilight Sparkle's face, they kissed passionately as Twilight Sparkle's left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and an Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces behind them and we cheered wildly. Lincoln and Twilight Sparkle came back to us as the display vanished.

Nico: Alright, that's the last of the Evil Princesses from King Sombra the Good's universe.

Lincoln: Yep, and he'll be glad to hear the news once we get back home, along with Twilight Sparkle's transformation. (To Emilia Frankenstein and Katara Clearwater) And it's so good to see you again, Emilia Frankenstein and Katara Clearwater.

Emilia Frankenstein reverted back to normal, and she's a beautiful girl with long flowing dark purple hair, purple eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful black angel wings, and she reigned in the power of Ghostrick Stein, and she's dressed in a black dress, black pants, black knee-high boots, and a long white sleeveless trenchcoat with darkness and lightning bolts on the coattails and Ghostrick Stein on the back and holstered on her back is a massive Ghostrick Stein-themed greatsword with Ghostrick Stein etched etched on the 7'0" massive, wide, double-edged midnight black blade, large Frankenstein heads for the crossguard, large purple gem embedded in the rainguard, longer midnight black handle, four large

Frankenstein heads and a large purple gem on the bottom of the large Frankenstein heads for the pommel.

And Katara Clearwater reverted back to normal, and she's a beautiful girl with long flowing aqua blue hair, aqua blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful aqua blue angel wings, and she reigned in the power of Graydle Dragon, and she's dressed in a aqua blue short-sleeved blouse, sleeveless aqua blue midriff top, aqua blue skirt, aqua blue pants, black knee-high boots, and a long white sleeveless trenchcoat with ocean waves and dragons on the coattails and Graydle Dragon on the back and holstered on her back is a massive Graydle Dragon-themed greatsword with Graydle Dragon etched etched on the 7'0" massive, wide, double-edged blade, large dragon heads for the crossguard, large aqua blue gem embedded in the rainguard, longer midnight black handle, four large dragon heads and a large aqua blue gem on the bottom of the large dragon heads for the pommel.

Emilia Frankenstein: (German Accent) You too, Lincoln, and it's also good to see you, Claire, Ramona Alucard, Aisha, Sarah, Winter, Ramona Qingzhao, Autumn, Mary, Dina, Makoto, Morrigan, Lydia, Rachel, Ellie, and Tiana again, Ursula.

Ursula Truaigheaingeal, Rachel Truaigheaingeal, Ramona Alucard, Sarah Dullahan, Claire Allaire, Aisha Arian, Winter Icyin, Ramona Qingzhao, Autumn Aluma, Mary Adelberte, Dina Mabrouk, Makoto Haruki, Morrigan Dabria, Lydia Anahita, Ellie Elsher, and Tiana Masina: You too, Emilia.

Katara Clearwater: (Italian Accent) It's been such a long time since we last met.

Lincoln went up to Emilia Frankenstein and Katara Clearwater and he hugged them, and Emilia Frankenstein and Katara Clearwater were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and muscular he's really become, and they had atomic red blushes on their faces, and the atomic red blush on their faces went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Emilia Frankenstein: (German Accent) Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new.

Katara Clearwater: (Italian Accent) You said it, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you know these two?

Lincoln: Indeed I do, Nico, the Ghostrick Stein Gene-Slammer is Emilia Frankenstein, she's my Guardian Angel from Germany and classmate in Gym. She's a Frankenstein and she was born with the powers of darkness and lightning and she also knew of me being a vampire-werewolf-cyborg hybrid, just like the other Ghostrick Gene-Slammers. She's a very physically strong and smart girl and she's a very powerful athlete and she's also beaten Lynn in every sport imaginable, which has earned her Lynn's respect, and she's a very smart scientist, and she's helped Lisa in solving many complex equations, and that also earned her Lisa's respect.

Nico: Whoa! Now, that's impressive!

Lincoln: It sure is, and she's defended me many times from the bullies at home and Lori, Lola, and Luan, and she's also gotten help from Lynn and Lisa. She's also the master of a dark power known as Frankenstein's Unholy Lightning Fury, when she uses this dark power, she summons a powerful dark thunderstorm from the darkest depths of the Netherworld, and if that irredeemable person is hit by a lightning bolt from that dark storm, they'll die. This one time, I made her a beautiful necklace with Frankenstein pendant, and she loved it so much, she hugged and kissed me and I returned it. She's also good friends with Lucy and The Young Morticians' Club, and she hates Trina Riffins with a burning passion and she wants nothing more than to kill her.

Brittney gave Emilia Frankenstein the ring for The Goths of Darkness, and she put it on her right ring finger.

Lincoln: And the Graydle Dragon Gene-Slammer is Katara Clearwater, she's my Guardian Angel from Italy and classmate in Gym, and she's also one of the best swimmers. One time, she and I crossed both the Atlantic and Pacific Oceans in a few days.

Me: Whoa!

Nico: That's really awesome that you guys crossed both the Atlantic and Pacific Oceans in only a few days.

Lincoln: Thanks, Nico, and she's also a Waterbender, and we'd kiss each other on the lips while underwater. Plus, she's also the sister of Rain Mikamura, and she hates Lynn with a burning passion.

Eli: Oh boy, what did that sore loser do to earn her hatred?

Katara Clearwater: (Italian Accent) You're not going to like it. (To Lincoln) And Lincoln, there's something we want to give you: we want to give you our blood.

We gasped at their request, including Lincoln.

Lincoln: Emilia, Katara, are you absolutely sure about this?

Emilia Frankenstein: (German Accent)(Smiles) More than anything, after all, we're going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Emilia Frankenstein and Katara Clearwater, and he saw that they're really serious, and he smiled as he walks over to Emilia Frankenstein and Katara Clearwater, and he hugged their waists in his abnormally massive and powerful muscular arms, he slowly leaned his head down first on Emilia Frankenstein's neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up, and he also did the same with Katara Clearwater.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Emilia Frankenstein and Katara Clearwater with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Emilia Frankenstein: (German Accent)(Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you and Katara are now part of my harem and my many future wives, Emilia.

Emilia Frankenstein and Katara Clearwater had a smile on their face and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around their waists and they wrapped their left and right arms around Lincoln's massive, wider, and muscular back, and he leans down to their faces and kissed the two of them passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw them, he recognized them immediately. The six girls are Mycale and Marilyn Sue from Akatsuki Blitzkampf, Garnet, Hikari, Kaya, and Sheryl from Rumble Fish.

Lincoln: Oh wow, it's Mycale and Marilyn Sue from Akatsuki Blitzkampf, Garnet, Hikari, Kaya, and Sheryl from Rumble Fish.

Nicole: Awesome.

Lincoln: Are you girls okay?

Mycale: Yes, we're okay, thanks to you.

Then, when Mycale and the other five girls saw who it was that saved them from Evil Twilight, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin,

Mycale: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Mycale: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Mycale, Marilyn Sue, Garnet, Hikari, Kaya, and Sheryl with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and Lincoln told everyone that Twilight Sparkle had gotten The Magical Friendship Alicorn Greatsword of The Magic Skylanders, and they were shocked when they found out the villain we went after was Evil Twilight, who wanted revenge for the deaths of the other Evil Princesses.

But, when Lincoln showed what happened such as Twilight Sparkle transforming into her Super Angel-Alicorn-Harmony Celestial Eternal Xelnaga form and she and Lincoln laid a brutal beatdown on her and it ended with him sucking out and draining Evil Twilight's magic and powers and he and Twilight killing Evil Twilight and sending her to The Black Gates, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln, Emilia Frankenstein, and Katara Clearwater have a lot of catching up to do, now that they're back in town.

Maria: Oh man, I wasn't even expecting Evil Twilight to show up, no one was.

Princess Celestia: That's right, but I'm proud of you and Lincoln for putting an end to her, Twilight.

Twilight Sparkle: Thank you, Princess Celestia.

Then, Twilight Sparkle's kids came up and hugged her and Lincoln, and they returned the hug.

Lori: Now, this is literally too precious.

---

After finally destroying and getting rid of Evil Twilight once and for all, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Emilia Frankenstein and Katara Clearwater saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Emilia Frankenstein: (German Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Katara Clearwater: (Italian Accent) If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Emilia Frankenstein: (German Accent) That's incredible, and we'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Emilia, what memories did you have with Lincoln, and Katara, what's the story on why you hated Lynn with a burning passion?

Emilia Frankenstein: (German Accent) Oh, I remembered this one day in Gym, I was teaching Lincoln some proper weightlifting techniques and I also stood by in case he needed help, and I saw him lift a 900,000,000,000-lb barbell with both hands, and I was so proud of him. I knew how much bigger and stronger he'd been getting, but to see it for myself, I was beyond proud of him, and he really gave me a really strong hug, and I also felt just how much physically stronger he's been getting.

Eli: Whoa, and did he really lift up a…?

Nico: I can confirm that one, Eli, and he did.

Me: And we saw Emilia's face turn atomic red when she saw it.

Lincoln: (Embarrassed) Sorry, Emilia.

Emilia Frankenstein: (German Accent) It's okay, Lincoln.

Katara Clearwater: (Italian Accent) It was proof of how much bigger and stronger you've been getting for the last six and a half years, Lincoln. Okay, now it's my turn, this one time, Lincoln and I were doing our swimming practices in the pool at my house, but then, someone started throwing water balloons and balls at us: Lincoln saw who it was that did the dirty deed: it was Lynn, and she was there laughing at us like the animal that she is. This got Lincoln so pissed off, he fired a blast of water at Lynn, and it got her really angry, she was about to throw a bowling ball at him to kill him, so he and I fired blasts of water and entombed that sore loser inside a water prison. We were about to head out of the pool and call Mr. and Mrs. Loud, but Luna got there and she hit Lynn on the head with a baseball bat and knocked her out, but she wasn't alone: Leni, Lana, Laney, Lucy, and Lily were with her. Eventually, after our swimming practice was over, Lynn got grounded for twelve weeks for what she did to me and Lincoln, and I even called her a sore loser who has no chance of getting into any sports competitions with that kind of attitude.

We cheered.

Nico: Sheesh, Lynn really was a sore loser! And she had the nerve to heckle you guys in swimming, that's an athletic sport!

Lincoln: Not to Lynn, she wanted it to be aggressive and violent. But, Katara was right to say that to Lynn, her sports career would've been brought to an end if that animal inside her hadn't been finally removed and obliterated forever. So, yeah, Katara and I had to put her in her place, and show her if she kept this up, she can say goodbye to her sports career.

Me: And hello to life behind bars for her behavior.

We got a shower afterwards, and then, Lincoln, Taylor (Loud House), Lisia (Pokemon), Tai Kamiya, and Mimi Tachikawa are heading to Seaside Hill.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in large orange swim shorts with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the swim shorts, orange sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble and Tai Kamiya was dressed in dark blue swim shorts, dark blue sandals, and he had his weapons holstered in case of trouble.

And Taylor (Loud House), Lisia (Pokemon), and Mimi Tachikawa were dressed in colored two-piece bikinis, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Taylor (Loud House) and Lisia (Pokemon) each have feelings for Lincoln: Taylor finally worked up the courage to tell that to Lincoln, and this was due to the fact that Lincoln helped her in becoming a better person, ever since her evil ex-father's dead and gone, her mom's back in her life, and she had since severed her ties with the heartless psychopathic buttfaces, Pablo and Anderson, and Lisia knew that Lincoln was everything the other Gym Leaders had told her about, and Lincoln saved Taylor and Lisia from an attack by Pablo and Anderson who broke out and they still want Taylor's blood spilled, but Lincoln saved them, and he smashed those buttfaces into the dirt before he tied them up again.

Taylor (Loud House): Whoa, so this is Seaside Hill.

Lincoln: An awesome place for our beach date. Shall we?

Lincoln, Taylor (Loud House), Lisia (Pokemon), Tai Kamiya, and Mimi Tachikawa dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went back to the beach and they had a game of volleyball, and even did some surfing, and Taylor (Loud House), Lisia (Pokemon), and Mimi Tachikawa got a massive and extreme deep atomic red blush on their faces when they saw Lincoln and Tai lift up two 900,000,000,000,000-lb barbells Lincoln summoned, then they had some lunch, and then, as the sun was about to set, Lincoln made a clone of himself and he and his clone went up to Taylor and Lisia and they hugged the girls in their abnormally massive and powerful muscular arms and Taylor and Lisia placed their hands on the massive pecs of Lincoln and his clone, and Tai went up to Mimi and he hugged her in his arms, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs, and Nico saw Tai had lipstick marks all over his face.

Nico: (Snickers) Looks like someone had a good time at Seaside

Hill, eh, Tai?

Tai: (In Heaven) It was awesome!

Lincoln: (In Heaven) Same here!

Later it was time for Evelyn's final Ambassador Mission.

Qin: I have a feeling we're going to finish this one with a bang.

Nico: Yep.

William: Anyone else want to go with Evelyn? Besides Kaito and Troy?

Me: How about we have all the leaders of each team of Kamen Rider come with?

Nico: Not a bad idea!

Touma: That is awesome!

Wataru: It'll be awesome helping out fellow riders.

Me: Yep.

Nico: Lets head out.

We were off.

We arrived in Japan at Jacaranda Cafe.

Sakuya Tachibana: Hey guys!

Kazuma: Awesome you came!

Me: Yeah.

Evelyn: Guys, meet Kaito Goshikida and Troy Burrows.

Me: You guys might know Kaito as the leader of the Zenkaigers and Troy as Alata of Goseigers or Captain Marvelous of Gokaigers.

Sakuya Tachibana: Wow! It's awesome to meet you guys.

Kaito: Same here. It's truly an honor.

Me: And meet some of the rest of your fellow riders from over the last 20 years.

They saw the Kamen Riders from Hibiki to Saber.

Hitoshi: It's awesome to meet you guys.

Amane: It's truly an honor.

Sougo: We're really sorry you all went through a nightmare like this by Hiroshi.

Aruto: Yeah it's awful you went through all this.

Sakuya Tachibana: Thank you but we're okay.

Hajime: But it's an honor to meet you all.

Kazuma: I think I remember Kaito from that one time all the Kamen Riders and Super Sentai teamed up. That'll be explained more in the future.

Me: We'll have to hear about that soon. But that is amazing.

Lola: Wow yeah it sure is.

Nico: Yeah.

Eli: Yep.

Nico: Ever since we met the Megaforce Rangers, they've been using Legendary Modes on every mission. The Zenkaigers have been using their Gears for each of my rescues.
